Public Comment

John Grosskopf, 131 Oakwood Lane, stated he was denied his right to speak for three minutes per agenda item at last month's town council meeting, which violated the town ordinance and the Texas Opening Meetings Act. Current town ordinance, which was replaced earlier tonight, did specifically allow three minutes per agenda item. He wishes to reclaim his legally allowed three minutes for the agenda items from last month's meeting.

Town of Hickory Creek July 28, 2025 Page 2

He would like the council to be aware there are likely unintended consequences regarding the action taken on agenda item 7 tonight. He also has very deep concerns regarding the telescope project he brought to the council. At no point did he tell anyone here's the project, take it over from here. There was an expectation that he would be involved along with the University of North Texas Astronomy Department. This is not a casual project, it is a highly scientific instrument and needs expert input.

Tienne Duysak, 217 Deerpath Road, stated she has lived here for over twenty years. The Town Council all know who she is, and they do not like her because her property floods every time it storms since the Town built a "slide" years ago. Water pours onto her property. She has sent letters with pictures and not once has anyone come to talk to her. She doesn't understand but apparently, she and her neighbors are less than because it seems like government funding is available to help others. Her house is worth nothing. Where is the Town council's integrity?

Ron Furtick, 1500 Turbeville Road, stated he has experienced authoritarian governance for the last 20 years as a resident of the Town of Hickory Creek. He believes his real estate assets are currently being targeted by attempting to breach the contractual agreement giving a designation of preexisting nonconforming use on his property allowing him to continue his business in the future. He received a letter from the town attorney essentially revoking his nonconforming use, requiring him to make improvements to the trailer park. He was given only ten days to complete the permitting process and do all the construction. This can only be viewed as harassment. If the Town Council truly wants the land that should be used as a downtown area as a permanent trailer park, he will expand the park to cover the entire property, tripling the number of tenants and his cash flow. The cost and efforts to develop the mobile home park are very minimal compared to the design, finance and construction of a walkable downtown area. He needs his mixed-use zoning and to work with the council to accomplish creating a walkable downtown area which has always been his preference.

Gloria Furtick, 1500 Turbeville Road, stated she is curious if the taxpayers know the Town Council is throwing away their tax money on frivolous litigation and harassment efforts by assaulting personal property rights, destroying future economic growth, job opportunities, eliminating the potential of prosperity in a wonderful little town. Her husband has worked with the town for three decades, investing many hundreds of thousands of dollars to create a walkable downtown area. Instead of thanking him for his efforts her husband has been sued, resulting in needless pain and suffering that is completely pointless. The new rules limiting each person a total of three minutes to express their opinion is not only an oppression of speech and citizen's opinion, but also illegal. Suppressing the speech rights of citizens is a serious violation of the Texas Open Meetings Act.

15. Conduct a public hearing and discuss, consider and act on ordinance amending its comprehensive zoning ordinance and official zoning map by amending an existing planned development Ordinance No. 2020-08-857 for that certain tract of land legally described as A0915a M.E.P. & P.R.R. TR 15 (pt), 10.22 acres of land located in the 3000 Block of FM 2181; and establishing revised development standards.

John Smith, Town Manager, provided an overview of the request to amend the existing planned development ordinance.

Bobby Mendoza, EVP, Real Estate, Victory Group, provided an overview of the development.

Mayor Clark called the public hearing to order at 7:05 p.m.

Scott Leavelle, 142 Lennon Drive, stated he is the Assistant Building Official for the City of Grapevine and everything that is built in Grapevine comes across his desk for review. In Grapevine, the proposal before council tonight would be denied on arrival, never going before the planning and zoning commission or the council. He is amazed it was approved at P&Z without a landscape plan. The development is going from nine to ten buildings to include a lube center and a brake shop making it an industrial park. Taxpaying citizens expected a nice quality commercial development not a stinky, ugly industrial lube center and brake shop. The goal post should not be moved to include the lube center and brake shop.

Denine Taylor, 142 Lennon Drive, stated she loves Hickory Creek, it's so beautiful and wants to keep it that way as much as possible. A map of Take 5 locations in one region of the DFW Metroplex shows none of the locations back up to a neighborhood. Take 5 operates six days a week, 13 hours a day, plus Sundays. She did not investigate the brake shop, but it can't be a better scenario.

Town of Hickory Creek July 28, 2025 Page 5

There is negative effects to home values and environmental concerns as well. Take 5 is already being advertised as a tenant and she hopes a decision has not been promised or made to the developer.

The developer purchased the property knowing the dimensions, the zoning, and the potential. Two automotive centers will be a deterrent for other retailers. The Town Council should take into account what the citizens want.

Barbara Johns, 123 Lennon Drive stated the first time she came to Hickory Creek she knew this was where she wanted to live. It is a beautiful little community. Her house backs up to the lot and she knew it was going to be a retail development. Eight trees were planted along the back fence. A lot of money was put into the backyard to enjoy and now she is worried about the unpleasant noises from the automotive shops.

Mark Johns, 123 Lennon Drive, stated he is against the zoning and hopes this is not a rubber stamp meeting due to the signage on the front of the property. There are five businesses providing the same services along Swisher Road within one mile. It should not be the position of the Town Council or Planning and Zoning to make the developer's land work for them to be as profitable as possible. The citizen should be number one in the consideration of the zoning. The planned development originally was nine lots and now it is ten. He bought his home knowing there would be retail development. The developer should not be granted concessions because they knew the zoning when the property was purchased.

Joshua Stroud, 201 Nora Lane, stated he does not back up to the development but is here to show his support to the other Lennon Creek residents. He opposes the proposed amendments to the ordinance. When buying a home, he heard great things about Hickory Creek, and he continues to see great things from the communications the Town sends to residents. This part of the community should not be industrialized when these types of services are already offered. Automotive services are not typically quiet. He thinks the council will make the right decision, putting residents first and for the future potential of the community.

Ron Furtick, 1500 Turbeville Road, stated the problem with authoritarian governance is it tends to bully and attacks citizens it perceives as weak and anyone that attempts to hold it accountable. His political campaign for a town council seat was an attempt to hold this administration accountable so its desire to destroy his business and run his tenants out of town is understandable. It is completely illegal and morally bankrupt. If the town wins the first round of the upcoming battle, fifty families will lose their homes, but the park will be rebuilt, and the citizens of Hickory Creek will not receive a walkable downtown and be doomed to higher property taxes and a stagnant economy because the Town Council decided to abandon its contractual obligations on his propriety. He will be forced to sue for breach of contract and thirty years of harassment. You cannot build a white tablecloth environment with buildings that have drive thru areas.

Bond Ortiz, 326 Glen Lane, stated she moved here because it was quiet and knew that commercial would be developed, but it would not include things that shake, rattle and roll all day long. It seems this is rubber stamped and she hopes that isn't the case. She respectfully asks that the change be denied.

Gloria Furtick, 1500 Turbeville Road, stated Texas State Law stipulates that a town council cannot create laws that limit the citizens' speaking rights under the Texas Open Meetings Act. Suppressing the speech rights of the town citizens is serious.

She applauds Councilmember Theodore and Councilmember Gibbons for what they said about the citizen's right to speak. She urged council to reconsider their positions on turning this lovely town into an industrial town.

Tienne Duysak, 217 Deerpath Road, stated noise travels and it will be a nightmare for the houses near the development. She experiences noise from the Whataburger speaker box when a north wind blows. Sound is a big deal.

Cipriano Ortiz, 326 Glen Lane, stated he has poured substantial money into his backyard to create an environment for family members and church members to enjoy. He wants to be able to continue inviting people to his home to enjoy the lovely neighbors and community. He realizes the town will expand and grow. He hopes citizens' voices are considered and heard when the council is making decisions.

Ramon Cinco, 141 Lennon Drive, stated he has lived in Hickory Creek for six years, first in an apartment and then purchased his home so he could stay in the place he loves and has gotten to know. He is concerned with the development due to the very tall building and the concrete wall which has taken away from the tranquility of the backyard and he would like for the Town Council to make the right choice for the citizens.

With no one else wishing to speak, Mayor Clark closed the public hearing at 7:31 p.m.

Bobby Mendoza, EVP, Real Estate, Victory Group, answered questions from the Town Council.

Motion made by Councilmember Gibbons to table agenda item 15 until August 25, 2025, Seconded by Councilmember Gordon.

Voting Yea: Mayor Pro Tem Kenney, Councilmember Gibbons, Councilmember Wohr, Councilmember Gordon, Councilmember Theodore. <u>Motion passed unanimously</u>.

16. Consider and act on a site and landscape plan for the Lennon II Addition, Lot 9, Block A, being 1.798 acres of land situated in the M.E.P. and P.R.R. Co. Survey, Abstract No. 915, Town of Hickory Creek, Denton County, Texas. The property is located in the 3280 block of FM 2181.

Bobby Mendoza, EVP, Real Estate, Victory Group, answered questions from the Town Council.

- 10. Please include a drive lane extension stub at the northeastern end of the lot for future connection to adjoining commercial property to the east.
 - 1st Review Response: Discussion with Developer and adjacent land owner are currently ongoing for coordination of connection point.
 - 2nd Review: Comment partially addressed. Regardless of location, future connection/extension stub to abutting eastern property will be required. Please update once agreement has been made.
 - 2nd Review Response: Off-site Drainage Easements have had exhibits created and are being executed between developer and abutting property owner.
- 11. As in the previous Phase of this development for Lot 3, Town Engineer expresses concern to having dual, drive-thru lanes on either side of the building, which may create a cyclical queuing effect in busy hours or for high-demand restaurants/businesses. Best practice is to locate drive-in/drive-thru lane facilities that do not impede vehicular traffic flow or pedestrian movement and safety. Current layout may force cars to queue in front of parking spaces, including possible blocking of handicap spaces, and along the fire lane (front lot) and dumpster pad (back lot) and potentially impede traffic flow and pedestrian movement/safety. Request developer/engineer address this concern, show data on queue lanes provided being sufficient or provide information on the expected restaurant user/business popularity.

1st Review Response: Pedestrian cut thru has been eliminated to help alleviate concern of traffic. Drive-thru lanes have sufficient lengths to provide adequate stacking.

2nd Review: Addressed.

Tree Preservation and Landscape Plan

- 1. Please show and label all screening walls, fences, retaining walls, headlight screens and service area screens, including heights and types, as needed on the Landscape Plan. Refer to Site Plan comment regarding required masonry screen wall along southern boundary.
 - 1st Review Response: Walls have been coordinated with Site Plan and shown on Landscape plan. 2nd Review: Addressed.
- 2. Please correct discrepancy in dumpster enclosure height between the site plan and landscape plan.
 - 1st Review response: Dumpster height has been coordinated with Site Plan.

2nd Review: Addressed.

- 3. Please update the quantity of trees shown in the plant material tables vs what is shown in the plan and called for in "Trees Provided" section.
 - 1st Review Response: Quantity of trees has been updated.

2nd Review: Addressed.

- 4. Please see markups for comment requesting confirmation there is no site distance issue with trees and shrubs at the exit of the south/eastern drive thru lane.
 - 1st Review Response: Acknowledged, no site distance issue with landscaping.

2nd Review: Addressed.

Sincerely,

HALFF
