Seller will have no obligation to repair or replace the Property if it is damaged by casualty before closing. Buyer may terminate this Contract if the casualty damage that occurs before closing would materially affect Buyer's intended use of the Property, by giving notice to Seller within fifteen (15) days after receipt of Seller's notice of the casualty (or before closing if Seller's notice of the casualty is received less than fifteen (15) days before closing). If Buyer does not terminate this Contract, Seller will (a) convey the Property to Buyer in its damaged condition, (b) assign to Buyer all of Seller's rights under any property insurance policies covering the Property, and (c) pay to Buyer the amount of the deductibles and coinsurance provisions under any insurance policies covering the Property, but not in excess of the cost to repair the casualty damage and less any amounts previously paid by Seller to repair the Property. If Seller has not insured the Property and Buyer does not elect to terminate this Contract in accordance with this section, the Purchase Price will be reduced by the cost to repair the casualty damage.
