Minutes

Roll Call of Board Attendees: Utility Administrative Deputy Director LaCorti

Staff present: City Manager Eric Duthie, City Manager Vance Barlow, Weston Barlow, Jerry Postema, Mariah La Corti, Ralph Johnson Jr.

Court Monitor: Roger Carter

Welcome, Introduction and Preliminary Matters: Board Chair Black

Arvin Black welcomed new board members and expressed appreciation for City Managers.

Arvin Black offered a prayer.

Pledge of Allegiance: By Invitation of Board Chair Black

The Crowd joined in the Pledge of Allegiance.

Conflict of Interest Disclosures: Board Members

None.

Public Comments: (3 minutes each - Discretion of Board Chair Black)

None.

Reports: Staff

1. Revised Intergovernmental Agreement review and update, to include purpose, procedures, and authorities. (20 minutes, TM Barlow and CM Duthie)

Vance Barlow presented. All of the IGA's between the two cities were updated this year. What the responsibility of the Utility Advisory Board is was looked at and clarified. He pointed out a few key elements:

- The Utility Board is an advisory Board vs. a Governing Board.
- Utility Board was reduced from 9 members to 5 members.
- IGA defined that Utility Board members cannot be elected officials.
- Utility Board members shall reside within the City that they represent with the exception of the joint appointee- who can reside within either city.
- Meetings will be held quarterly.
- Defined where Utilities office would be and who the employer of record would be.
- Clarified that purchasing is done under Hildale policies (fiduciary responsibility).
- Defined that Utility Director reports directly to both City Managers.
- Staff develops regulations to be taken before the Utility Board for recommendations to the City Councils, and Operation and Maintenance, including billings are primarily the responsibility of Utility Management staff.

Eric Duthie pointed out that the IGA is complete, both City Councils have approved the document, pending legal and Court Monitor reviews. If something substantively needs to be changed, it will be added and taken before the councils once again.

Jesse Barlow asked about preparation of the annual budget. Vance clarified that the staff prepares such and takes it before the advisory for review and approval of recommendation to the councils.

Eric Duthie pointed out that the IGA discusses commodities produced/sold. The cost of producing the commodities shall be shared proportionally and shall not be sold without approval of the both cities. Commodities shall also not be sold without sharing the income proportionally between both cities.

Eric Duthie asked the Board Members to understand that the Board is representing both sides of the state lines, regardless of where the meeting is held. He reminded the Board to direct any possible Conflict of Interest to the City Manager/attorney of the appropriate City.

He informed the Board Members of the usual format of the agenda that is not included in the introductory packet tonight, including reports from Administrative staff, financials, etc. The Board was in consensus that they would like to see these items before them in future agendas, in addition to the minutes, to help them make qualified recommendations.

Eric further pointed out the Administrative leadership amongst staff that the IGA clarified. Lastly, he expressed appreciation for Chairman Black for his involvement and care during the time of the restructuring of the Board.

Chairman Black expressed appreciation for the clarification/direction that the new IGA gave.

Unfinished Board Business: Board Chair Black

None.

New Board Business: Board Chair Black

1. Consideration, discussion, and possible recommendation to the Hildale City and Colorado City Councils of the 2022 Culinary Water Master Plan. (30 minutes Utility Director Weston Barlow / Consultant Jerry Postema).

Jerry Postema presented. Updating the Water Master Plan for 2022 was necessary for grant funding for the developments and upcoming projects that were not accounted for in the previous plan. Jerry walked the Board through the comparisons between 2021 & 2022 plans in detail.

Discussion opened to Board Members for questions and answers.

Jerry presented a slideshow of the updated Master Plan to the Board. He described in particular the 0-5 year improvement projects that are upcoming.

Board Member Barlow asked for a brief rundown of the projects further in the future. Weston provided the information.

Jerry further pointed out that by updating the Water Master Plan it will allow for creation of a road map. This will also lead into discussion of development impact fees and funding for such.

Updates to the plan from discussion will be made for the final draft to be put before the councils.

Motion made to recommend approval of the 2022 Culinary Water Master Plan Update, as amended, and with Court Monitor review, to the City Councils for adoption.

Motion made by Board Member Barlow, Seconded by Board Member White.

Voting Yea: Chair Black, Board Member Jessop, Jr., Board Member White, Board Member Barlow

Board Comments: (10 minutes total Board Chair Black)

Opened to Board Members for discussion.

Chairman Black expressed appreciation for the dedication and achievements for the previous 9 member Board and gave his respect to Mayor Allred for his involvement in the processes. He would like to make sure that the new Board is efficient and productive in fulfilling the needs of both cities.

Rick White and Sterling Jessop expressed their appreciation for Weston and his knowledge of the system and what he continues to bring to the community.

Jesse Barlow spoke about the legacy of the men of this community that brought us to the point that we are at today. He is honored be a part of continuing this.

2. Financial Report: Utility Administrative Deputy Director LaCorti

a. Revenues with Comparison to Budget

b. Invoice Register

Mariah La Corti presented. Invoice register covered from 12-7-21 to 2-22-22 because there was no meeting in January. There was nothing out of the ordinary to point out.

Discussion was opened to the Board for any questions. JVar Dutson asked for details on a few expenditures, and Weston responded accordingly.

Motion to pay the bills as they are due and the funds become available.

Motion made by Board Member Dutson, Seconded by Board Member Black.

Voting Yea: Chair Black, Board Member Dutson, Board Member Seay, Board Member Jessop, Jr., Board Member Black, Board Member Cawley, Board Member Johnson.

3. Reports:

Special Project Managers Report:

Jerry Postema presented. Report provided in the packet for review. Jerry visited the area for 4 days and there has been a lot of work completed.

The sewer fiber project that Weston discusses is funded by a grant from the State of Utah broadband in the amount of approximately \$90k.

The Department will be joining UTWarn (water/wastewater response agency network). With this in place, other agencies will come to assist us in the case of an emergency. Membership costs nothing.

Staff has been in contact with Rural Community Assistance Corporation, who are funded by EPA and USDA. They will provide a free rate study for smaller communities such as ourselves. They have the ability to run various scenarios based on information provided, to find the right balance for any increases to rates if necessary.

HCCUD Emergency Response Plan is certified and was completed before the deadline.

JVar Dutson inquired about a corresponding AZWarn system for Colorado City. Information will be passed on to the Colorado City Town Manager. He further requested an update on the water impact fee study. In response, Jerry informed the Board that with the annexation for Hildale and the extra development in Colorado City, an updated Water Master Plan was needed, a kick-off meeting was held this week. A portion is done but needs expanded, once this is completed and adopted work on an updated facilities plan and impact fees will begin. At least partial funding for these is anticipated. April or May is expected completion date. A grant for 1.4 million from Mohave County is available. The next phase is approval from the City then the Council, then we will start the project.

Utility Operations Deputy Director Report:

Weston Barlow presented.

The plow project to bring water and fiber lines to the sewer plant started today. JVar Dutson asked about funding for the project. Weston explained that 30% is covered by impact fees, the rest will either be in-house (reserves) or loan/grant funded. The purpose of the project is to be able to use clean water to wash with rather than recycled water for the powered screen that will be installed.

With the cold weather gas prices and sales have raised. Weston explained the process of vaporization to keep up with the demand. Stacy Seay asked about bulk purchasing. Weston discussed the advantages and disadvantages of getting a quote for such early on.

JVar Dutson asked about how the cost for a new gas connection is determined. Weston explained the \$150.00 meter set fee for a new residential connection. For larger commercial connections it is whatever the cost of the high volume meter would be. Construction costs equates to time (\$60.00hr) + materials, no additional fees are added on.

Discussion on the proposed wheeling fee for natural gas into Colorado City, if applicable, was had. This will be a recommended fee based on the length of pipe they are trying to wheel through. The rationale for determining any

recommended tariff will be based off the pricing used by Dominion Energy. This will be brought to the Board when more information is available.

The South Central fiber project has taken up a lot of Utility staff time, they have finished the Colorado City side and are moving into Hildale.

Chairman Black asked about the status of Wells #4 & #22. Weston stated that the goal is to have them ready by summer. A new source sample is required, which takes up a lot of time and costs approximately \$5000.00 each. They will be in service as soon as possible.

Stacy Seay asked about Horizontal wells on BLM land in relation to the groundwater project. Staff met with the BLM and they said they will not allow drilling underneath wilderness study area. Vertical wells are really the only option. There will be study on the area that was purchased on the northeast side of town when funds allow. Jerry Postema mentioned that with the horizontal wells there would be good water, but no guarantee that the water would last for very long. In regards to the 7 vertical wells, they are still being explored, with an agreement between Washington County Water Conservancy, BLM and the City.

Stacy Seay asked about the conservatorship and right-of-ways that we are pursuing. Jerry explained that the easements will cover everything, pipelines, powerlines, access, etc.

JVar Dutson asked for an update on manholes. Weston explained that the lids are poured, but man hours have been spent elsewhere. There have been no emergencies on this.

The pump for the lift station is installed and working. The back-up is currently at the repair shop. Michael Cawley asked about relationship/communication with Centennial Park. Weston confirmed that communication is not an issue. Centennial Park Wastewater District may be willing to aide in funding to update the system and futuristic projects are in place to expand the quality of the entire system. However, this is a discussion for the future.

Arvin Black noted a distinct difference on the quality of water on his side of town. He feels that the new media has really made an impact. Nathan Fischer mentioned build up in the lines from previous years. Hydrants will need to be flushed before peak season to ensure higher quality water.

Utility Administrative Deputy Director Report:

Report provided in the packet. The Board expressed their appreciation for the work being completed.

4. Large Purchase: Utility Operations Deputy Director Barlow

a. Water Meters and Gas Endpoint

Hydro Specialties, distributor for our water meters, provided a quote for 96 water meters and endpoints. Information provided in packet.

Motion to approve 96 e-series meters for \$27,202.56.

Motion made by Board Member Dutson, Seconded by Board Member Cawley.

Voting Yea: Chair Black, Board Member Dutson, Board Member Seay, Board Member Jessop, Jr., Board Member Black, Board Member Cawley, Board Member Johnson.

Weston confirmed that the endpoints on the quote are being held off at this time.

b. Water line

Weston presented. This purchase is for the line out to the sewer plant. Items have already purchased so the project could get going; the purchase just needs ratification from the Board. The item was miscoded during the accounts payable process in error. This will be corrected via a journal entry.

Motion to ratify the bill for Fisco Industries for \$14,500.00.

Motion made by Board Member Dutson, Seconded by Board Member Cawley.

Voting Yea: Chair Black, Board Member Dutson, Board Member Seay, Board Member Jessop, Jr., Board Member Black, Board Member Cawley, Board Member Johnson.

c. Screen for Lagoon Headworks Project

The Department is looking to put a screen into the new headworks. This is separate so that we can get it on order and in the bid item, it will be provided by Hildale, so the contractor just needs to install it. Order time is 22 weeks, we would like to get it in process so there is no hold-up. 30% will be provided by impact fees, the remainder will be covered by the sewer budget. Many other cities are running this same screen.

Motion to set aside \$125,000 + freight to purchase the screen as part of the headworks project.

Motion made by Board Member Dutson, Seconded by Board Member Black.

Voting Yea: Chair Black, Board Member Dutson, Board Member Seay, Board Member Jessop, Jr., Board Member Black, Board Member Cawley, Board Member Johnson.

5. Discussion and Possible Action on Sewer Impact Fee Exception: Utility Operations Deputy Director Barlow

Weston Barlow presented. City Codes 50-173 & 50-90 regarding tap-in fees and impact fees including separate sewer for each building exception were provided for review. Marion Barlow is seeking clarification on the codes.

Mr. Barlow is building 4 apartment buildings, approximately 1,100 sq. ft. each unit. Utilities will be included in rent. The project is intended for nightly rentals. Inquiry is to whether impact fee are required for each "family dwelling unit" or each building. According to code, each building requires a separate connection. Mr. Barlow agreed to the regulations so long as it is applied to all.

Vance Barlow, Town Manager of Colorado City, spoke on this matter. He pointed out that down the road there is nothing that precludes the parcel from being split in the future. He acutely mentioned the impact that an apartment will have on the system, which is what the impact fee is intended to cover. As Town Manager and Planning and Zoning Administrator, he was not in support of an exception, but does feel that the code verbiage could use updating. Weston suggested denying an exception for the 4-plex. Board had brief discussion on this matter.

JVar Dutson pointed out that Hurricane has the same requirement of each building having a separate connection and agreement on a possible policy verbiage update.

Arvin mentioned the priority of keeping rates as low as possible while keeping up with the growth. He expressed his feelings that this project aligns with the code requirements. Stacy Seay gave Mr. Barlow a kudos on the beauty of the project and appreciation for such.

After clarification from the Board, it is the consensus of the Board that no exception will be given on this matter. Mr. Barlow expressed appreciation and understanding of the conversation and the work being done by the staff and the Board.

6. Executive Session: As needed

Not needed.

Board Comments: (10 minutes total)

Board members comments of issues not previously discussed in the meeting.

JVar Dutson expressed his appreciation for the communities working together to create a good environment for our citizens. He pointed out the importance of having to have water to match the growth that is happening.

Arvin once again expressed his appreciation for staff and made a call to the public to attend meetings.

JVar Dutson mentioned the importance of Utility staff and they work that they do. If there is an opportunity to hire more workers he would be in support.

Utility Manager's Report

September 2022

Mayor and Council:

Utility Operations Summary

Water Department:

We have contracted with Cluff drilling for well 15 replacement. There seems to be more trouble with Well 21 at the water plant had a burned out motor. We have pulled the well and cleaned it with soap and air. A video picture of this well was provided by Cluff Drilling. We are running some pump tests on this well before returning it to service.

Sewer Department:

We have several people attending training for sewer treatment plant operator training. Engineering on the headworks screen project is ongoing.

Gas Department:

Several customers have moved from a tank service to metered service, additionally several new customer meters have been installed. Colorado City's application to FERC is moving through the federal system

Fiber Optic Department:

The fiber optic line extension project to the airport is started we will be laying conduit to Juniper Street along Mohave Ave. then the plan is to plow direct bury cable to the airport and extend to the sewer lift station.

Yours to serve,

Weston Barlow
Utility Director

- Monitor and prepare for future EPA requirements

ADMINISTRATIVE OPERATIONS MANAGER REPORT

Item 3.

SEPTEMBER 2022

OPERATIONS SUMMARY

Utility Office was closed on September 5th in celebration of Labor Day.

August billing stats:

Water base rate: 1021

Sewer base rate: 936

Gas base rate: 808

Penalties: 515

of shut off notices printed August: 179

of final billed accounts with final bill date is: 11

of new connect accounts is: 11

AUDITING

Staff focused audit efforts on open deposits this month; making sure that our open deposit report matches with the amount in the deposit GL. There is a lot of room for human error on this, and it is important to make sure that every dollar is accounted for and processed properly.

PAY BY TEXT

Xpressbillpay now offers a "Pay by Text" service. Staff is working with them to make this available to our customers. There is an additional \$.25 charge for each transaction that is completed using this method, but staff feels like the convenience to the customers that choose to take advantage of it is worth the cost.

STAFF PROJECTS

Staff is working diligently on getting on-line fillable applications completed.

Research is being completed on modules that can be utilized to move to a paperless office. This would save a lot of staff time on filing.

The Utility Office will be represented at the UZONA Chamber of Commerce Business Expo on the 16th.

A few staff members will be attending the annual Caselle conference in October for continuing education.

Thank you for the opportunity to serve, respectfully,

Mariah La Corti

TERMS AND CONDITIONS OF SALE ("Contract") with Chevron Phillips Chemical Company LP ("Seller")

Unless otherwise specified on the face hereof, the following terms and conditions shall apply:

1. Goods covered hereunder ("Goods") are delivered, and prices set, EXW shipping point (Incoterms® 2010) when Buyer arranges for the contract of carriage, and CPT shipping point (Incoterms® 2010) when Seller arranges for the contract of carriage. Risk of loss shall pass to Buyer in accordance with the applicable Incoterm and title passes simultaneously. Prices are those contained in Seller's price list in effect as of the date of Goods shipment. Freight is included in the price of Goods only upon express agreement of the parties. Where freight is not included, the amount will be added to the net amount of the invoice or will be charged separately. Buyer agrees to reimburse Seller for all taxes, excises or other charges (including, without limitation, Superfund levies) that Seller may be required to pay to any government (federal, state or local) upon the sale, production or delivery of Goods.

2. All Goods are payable in U.S. currency at the address designated in writing by Seller. Seller's credit terms require payment of each invoice be received by the applicable due date or Seller may charge interest on the unpaid amount [from the original due date until the date Seller actually receives payment] at the lower of the prime rate of interest (as reported in *The Wall Street Journal* on the original due date) plus 4% or the maximum permissible rate allowed by law. In addition, Seller shall be entitled to recover from Buyer all fees, expenses and costs related to collecting any amounts due to Seller, including, without limitation, reasonable attorneys' fees.

3. Buyer agrees that no claim will be made for delays in shipment where Buyer, upon receipt of Goods, accepts them. Seller may charge Buyer detention and/or demurrage fees for Buyer's failure to promptly unload and release transportation equipment furnished or arranged by Seller (i.e., within 7 days for railcars or within allowed laytime for vessels) without disclosure of transportation owner/vendor invoice. On any rejection of Goods by reason of Seller's delay in shipment, Buyer's exclusive remedy is limited to rejection and return of Goods and a refund of purchase price. Buyer will examine Goods promptly upon receipt of each shipment and notify Seller of any off-specification, shortfall in delivery or non-receipt of Goods. Seller will not be responsible for any variation in quality or quantity unless Buyer gives Seller written notice of a claim of such variation within 30 days after receipt of the shipment or, in the case of non-delivery, from the date fixed for delivery. Buyer's failure to give notice of any such claim will constitute an unqualified acceptance of Goods and a waiver by Buyer of all claims with respect thereto. All claims relating to transportation of Goods must be made directly to the carrier. Goods will not be accepted for return without first obtaining the prior written authorization of Seller.

4. If in Seller's sole judgment, reasonable doubt exists as to Buyer's financial responsibility to make payments when due, or if Buyer is past due in payment of any amount owing to Seller, Seller reserves the right, without liability and without prejudice to any other remedies under this Contract or by operation of law or equity, to (i) suspend performance, decline to ship or stop any Product shipment in transit, until Seller receives payment of all amounts owing to Seller, whether or not due, and (ii) require Buyer to make payment on a cash in advance basis or provide a satisfactory bank letter of credit securing payment until Seller, in its sole judgment, determines that the financial responsibility of Buyer has returned to a level where Seller no longer has reasonable doubt that Buyer will not be able to make payments coming due hereunder.

5. Seller warrants that, at the time of delivery of Goods to Buyer, Goods will either (i) be representative of Seller's commercial grade of Goods in all material respects, or (ii) if provided by Seller, will meet Seller's specifications in all material respects; or (iii) if pipe, for a period of one year from the time of delivery, will meet Seller's specification in all material respects. THE FOREGOING WARRANTIES ARE EXCLUSIVE AND SELLER DOES NOT MAKE AND EXPRESSLY DISCLAIMS, AND BUYER EXPRESSLY WAIVES, ANY OTHER WARRANTIES, INCLUDING WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, REGARDLESS OF WHETHER ORAL OR WRITTEN, EXPRESS OR IMPLIED, OR ALLEGEDLY ARISING FROM ANY USAGE OR FROM ANY COURSE OF DEALING.

6. Buyer will indemnify, defend and hold harmless Seller, its parents, affiliates and subsidiaries and their respective officers, directors, employees and agents ("Seller Indemnitees") from and against any and all third party claims, liability or expense, including, without limitation, all court costs and attorneys' fees incident thereto, ("Third Party Claims") for (i) personal injury or death of any person (including, without limitation, Buyer's employees); or (ii) damage to real or personal property that arises out of, are connected with, or relate in any way to Goods (including, without limitation, receipt, possession, use, handling, storage, processing, disposal, resale and/or retransfer of Goods) after delivery of Goods to Buyer. Such indemnification and obligation to defend shall apply without regard to the cause or causes thereof, including, without limitation, strict liability or the negligence (whether concurrent, active or passive) of a Seller Indemnitee, provided that Buyer shall have no such obligations in the event the Third Party Claim results from the sole negligence or willful misconduct of a Seller Indemnitee. SELLER'S TOTAL LIABILITY ARISING FROM THIS CONTRACT FOR ANY CLAIMS OF ANY NATURE, WHETHER BASED IN CONTRACT, TORT (INCLUDING, WITHOUT LIMITATION, NEGLIGENCE), INDEMNITY, CONTRIBUTION, STRICT LIABILITY OR OTHERWISE, WILL NOT EXCEED THE PURCHASE PRICE OF THE PORTION OF GOODS RELATED TO THE CLAIM. THIS CONSTITUTES SELLER'S MAXIMUM LIABILITY, EVEN IF GOODS HAVE BEEN MIXED WITH OTHER MATERIALS OR USED IN SPECIALIZED EQUIPMENT OR APPLICATION. IN NO EVENT WILL SELLER BE LIABLE TO BUYER FOR ANY LOST PROFITS OR ANY INDIRECT, CONSEQUENTIAL, SPECIAL, CONTINGENT, EXEMPLARY OR PUNITIVE DAMAGES.

7. Neither party will be in breach of its obligations hereunder to the extent that performance is prevented or delayed as a result of any act or event beyond the reasonable control of a party concerned (each a "contingency"), the effects of which cannot be overcome or prevented by the exercise of reasonable diligence. The following events, without limitation, shall be deemed a contingency: labor disturbance and strikes, compliance with a request or order of a person purporting to act on behalf of any government or governmental department or agency (including, but not limited to EPA and OSHA), breakage of or accidents to plants, machinery or equipment, acts of God, war, flood, lighting and terrorist attack. The following events may constitute a contingency: shortage in raw material, transportation, power, manufacturing capacity, or Goods, in each case from a party's then-contemplated

source of supply. Performance will be excused as provided above even though the occurrence of the contingency in question may have been foreseen or foreseeable at the time of contracting or may subsequently become foreseeable. Whenever Seller's performance is affected by such a contingency, Seller may reduce deliveries in a manner that fairly apportions the consequences of the contingency among Seller's customers (including affiliates and internal needs); however, Seller will not be required to acquire Goods from third parties in order to comply with this Section, and if Seller elects to acquire Goods from third parties, Seller will not be obligated to make such acquired Goods available to Buyer.

8. Notwithstanding anything contained in this Contract to the contrary, whenever (in the sole but reasonable judgment of Seller) (i) Seller's performance is made substantially more expensive by a contingency or (ii) Seller is unable to acquire from its then contemplated source of supply, on terms it deems reasonable, any material necessary for the manufacture of Goods, Seller may (aa) reduce or stop deliveries of Goods and apportion as provided above and/or (bb) continue deliveries and immediately increase prices. If Seller increases the price of Goods under this Section, Buyer need not purchase Goods at the increased price. Seller is not obligated to make up deliveries omitted or curtailed pursuant to this Section. If any law, regulation, or other governmental action requires Seller to reduce any price in effect under this Contract or prevents Seller from increasing any price to the extent it wishes pursuant to its rights under this Contract, Seller may cancel the affected quantities of Goods from this Contract. Nothing in this Section will excuse Buyer from its obligations to make payments when due.

9. This Contract is governed as to all matters whatsoever, whether of validity, interpretation, obligation, or otherwise, exclusively by the laws of the State of Texas without regard to any principles regarding conflicts of law. Any action commenced regarding this Contract or Goods must be brought in the state or federal courts of Montgomery or Harris County, Texas. The United Nations Convention on Contracts for the International Sale of Goods shall not apply to this Contract.

10. Seller's acceptance of Buyer's order is expressly made conditional on Buyer's assent to the terms and conditions set forth herein, notwithstanding the provisions contained in any purchase order, acknowledgment, acceptance or other document of Buyer, and each delivery of Goods is deemed to be only on the terms and conditions contained in this Contract. The terms and conditions contained in this Contract constitute the entire agreement regarding the sale and purchase of Goods and may not be amended or otherwise altered, except by written instrument signed by the parties. In the event the terms in this Contract conflict with any competitive writing, the terms of this Contract govern. Notwithstanding any terms and conditions that may be contained in any purchase order, acknowledgment, acceptance or other form of Buyer, and notwithstanding Seller's manufacture and delivery of Goods, each delivery of Goods is deemed to be only on the terms and conditions contained in this Contract except as they may be amended or otherwise altered in accordance with the preceding sentence. Buyer may not assign this Contract in whole or in part without Seller written consent. Seller may assign this Contract to an affiliate or to a transferee of substantially all of Seller's assets related to this Contract without Buyer consent.

11. Notwithstanding any of the other indemnities or releases contained in this Contract, Buyer will indemnify, defend and hold Seller Indemnitees harmless from and against any and all claims, demands, costs and expenses (including, without limitation, court costs, litigation expenses and attorneys' fees) for infringement of any patent, copyright or trademarks as a result of Buyer's, its subcontractors' or agents' use of any patented Goods or copyrighted processes, compositions, machines or articles of manufacture; provided, that any indemnified party has the right to be represented by its own counsel and to participate in the defense of any action relating to the infringement in which the indemnified party may be a defendant.

12. Buyer acknowledges that it is familiar with proper procedures for the safe handling and use of Goods, and that there may be hazards associated with the use of Goods, and that it will take all steps necessary to warn and/or inform its employees, contractors, agents and customers of the procedures and hazards. BUYER AGREES TO INDEMNIFY SELLER FROM ANY CLAIM OR LIABILITY WHATSOEVER STEMMING FROM, OR RELATED TO, BUYER'S FAILURE TO WARN OR EMPLOY PROPER PROCEDURES, OR OTHERWISE TO COMPLY WITH THIS SECTION.

13. ANY TECHNICAL ADVICE OR ASSISTANCE FURNISHED BY SELLER TO BUYER WITH RESPECT TO THE SELECTION OR USE OF GOODS WILL BE GIVEN AND ACCEPTED AT BUYER'S SOLE RISK, AND SELLER WILL HAVE NO LIABILITY WHATSOEVER FOR THE USE OF, OR RESULTS OBTAINED FROM, SUCH ADVICE OR ASSISTANCE.

14. BUYER SHALL COMPLY WITH ALL FEDERAL, STATE OR LOCAL LAWS, ORDINANCES, RULES AND REGULATIONS APPLICABLE TO ITS PERFORMANCE UNDER THIS CONTRACT, INCLUDING, WITHOUT LIMITATION, ALL U.S. EXPORT CONTROL AND U.S. ECONOMIC SANCTIONS LAWS, AND BUYER WILL NOT EXPORT, RE-EXPORT OR OTHERWISE TRANSFER GOODS, OR ANY TECHNICAL INFORMATION DISCLOSED TO BUYER CONCERNING GOODS, IN VIOLATION OF THESE LAWS. BUYER SHALL INDEMNIFY SELLER AGAINST ANY LIABILITY BY REASON OF buyer's failure to so comply. Buyer may report any actual or suspected violation of this Section by reporting it to Seller's Ethics & Compliance Hotline, on an anonymous basis, by calling 1-800-356-2590; or, for access outside the USA, by accessing the international operator and placing a collect call to 503-619-1804.

15. Should any provision of the Contract be or become illegal or unenforceable, such provision will be considered separate and severable and the remaining provisions will remain in force and be binding upon parties as though such provision had never been included. The failure of Seller to enforce any provision of this Contract shall not be construed to be a waiver of such provision.

16. If Buyer is located in the European Union ("EU") in a EFTA-EEA or other relevant country or Goods are placed in the EU market, then Buyer acknowledges Goods must comply with relevant EU law, including Regulation (EC) No 1907/2006 concerning the Registration, Evaluation, Authorisation and Restriction of Chemicals ("REACH") and Regulation (EC) No 1272/2008 concerning the classification, labelling and packaging of substances and mixtures ("CLP"). Buyer shall take all action necessary to ensure Goods imported into the EU Community and/or placed on the EU Community market comply with relevant EU national law and, as necessary, shall register and provide notice for Goods pursuant to Articles 5, 17, 18 and 23 REACH and Article 40 CLP.

TERMS AND CONDITIONS OF SALE ("Contract") with Chevron Phillips Chemical Company LP ("Seller")

Unless otherwise specified on the face hereof, the following terms and conditions shall apply:

1. Goods covered hereunder ("Goods") are delivered, and prices set, EXW shipping point (Incoterms® 2010) when Buyer arranges for the contract of carriage, and CPT shipping point (Incoterms® 2010) when Seller arranges for the contract of carriage. Risk of loss shall pass to Buyer in accordance with the applicable Incoterm and title passes simultaneously. Prices are those contained in Seller's price list in effect as of the date of Goods shipment. Freight is included in the price of Goods only upon express agreement of the parties. Where freight is not included, the amount will be added to the net amount of the invoice or will be charged separately. Buyer agrees to reimburse Seller for all taxes, excises or other charges (including, without limitation, Superfund levies) that Seller may be required to pay to any government (federal, state or local) upon the sale, production or delivery of Goods.

2. All Goods are payable in U.S. currency at the address designated in writing by Seller. In addition, Seller shall be entitled to recover from Buyer all fees, expenses and costs related to collecting any amounts due to Seller, including, without limitation, reasonable attorneys' fees.

3. Buyer agrees that no claim will be made for delays in shipment where Buyer, upon receipt of Goods, accepts them. Seller may charge Buyer detention and/or demurrage fees for Buyer's failure to promptly unload and release transportation equipment furnished or arranged by Seller (i.e., within 7 days for railcars or within allowed laytime for vessels) without disclosure of transportation owner/vendor invoice. On any rejection of Goods by reason of Seller's delay in shipment, Buyer's exclusive remedy is limited to rejection and return of Goods and a refund of purchase price. Buyer will examine Goods promptly upon receipt of each shipment and notify Seller of any off-specification, shortfall in delivery or non-receipt of Goods. Seller will not be responsible for any variation in quality or quantity unless Buyer gives Seller written notice of a claim of such variation within 30 days after receipt of the shipment or, in the case of non-delivery, from the date fixed for delivery. Buyer's failure to give notice of any such claim will constitute an unqualified acceptance of Goods and a waiver by Buyer of all claims with respect thereto. All claims relating to transportation of Goods must be made directly to the carrier. Goods will not be accepted for return without first obtaining the prior written authorization of Seller.

4. If in Seller's sole judgment, reasonable doubt exists as to Buyer's financial responsibility to make payments when due, or if Buyer is past due in payment of any amount owing to Seller, Seller reserves the right, without liability and without prejudice to any other remedies under this Contract or by operation of law or equity, to (i) suspend performance, decline to ship or stop any Product shipment in transit, until Seller receives payment of all amounts owing to Seller, whether or not due, and (ii) require Buyer to make payment on a cash in advance basis or provide a satisfactory bank letter of credit securing payment until Seller, in its sole judgment, determines that the financial responsibility of Buyer has returned to a level where Seller no longer has reasonable doubt that Buyer will not be able to make payments coming due hereunder.

5. Seller warrants that, at the time of delivery of Goods to Buyer, Goods will either (i) be representative of Seller's commercial grade of Goods in all material respects, or (ii) if provided by Seller, will meet Seller's specifications in all material respects; or (iii) if pipe, for a period of one year from the time of delivery, will meet Seller's specification in all material respects. THE FOREGOING WARRANTIES ARE EXCLUSIVE AND SELLER DOES NOT MAKE AND EXPRESSLY DISCLAIMS, AND BUYER EXPRESSLY WAIVES, ANY OTHER WARRANTIES, INCLUDING WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, REGARDLESS OF WHETHER ORAL OR WRITTEN, EXPRESS OR IMPLIED, OR ALLEGEDLY ARISING FROM ANY USAGE OR FROM ANY COURSE OF DEALING.

6. Buyer will indemnify, defend and hold harmless Seller, its parents, affiliates and subsidiaries and their respective officers, directors, employees and agents ("Seller Indemnitees") from and against any and all third party claims, liability or expense, including, without limitation, all court costs and attorneys' fees incident thereto, ("Third Party Claims") for (i) personal injury or death of any person (including, without limitation, Buyer's employees); or (ii) damage to real or personal property that arises out of, are connected with, or relate in any way to Goods (including, without limitation, receipt, possession, use, handling, storage, processing, disposal, resale and/or retransfer of Goods) after delivery of Goods to Buyer. Such indemnification and obligation to defend shall apply without regard to the cause or causes thereof, including, without limitation, strict liability or the negligence (whether concurrent, active or passive) of a Seller Indemnitee, provided that Buyer shall have no such obligations in the event the Third Party Claim results from the sole negligence or willful misconduct of a Seller Indemnitee. SELLER'S TOTAL LIABILITY ARISING FROM THIS CONTRACT FOR ANY CLAIMS OF ANY NATURE, WHETHER BASED IN CONTRACT, TORT (INCLUDING, WITHOUT LIMITATION, NEGLIGENCE), INDEMNITY, CONTRIBUTION, STRICT LIABILITY OR OTHERWISE, WILL NOT EXCEED THE PURCHASE PRICE OF THE PORTION OF GOODS RELATED TO THE CLAIM. THIS CONSTITUTES SELLER'S MAXIMUM LIABILITY, EVEN IF GOODS HAVE BEEN MIXED WITH OTHER MATERIALS OR USED IN SPECIALIZED EQUIPMENT OR APPLICATION. IN NO EVENT WILL SELLER BE LIABLE TO BUYER FOR ANY LOST PROFITS OR ANY INDIRECT, CONSEQUENTIAL, SPECIAL, CONTINGENT, EXEMPLARY OR PUNITIVE DAMAGES.

7. 14. BUYER SHALL COMPLY WITH ALL FEDERAL, STATE OR LOCAL LAWS, ORDINANCES, RULES AND REGULATIONS APPLICABLE TO ITS PERFORMANCE UNDER THIS CONTRACT, INCLUDING, WITHOUT LIMITATION, ALL U.S. EXPORT CONTROL AND U.S. ECONOMIC SANCTIONS LAWS, AND BUYER WILL NOT EXPORT, RE-EXPORT OR OTHERWISE TRANSFER GOODS, OR ANY TECHNICAL INFORMATION DISCLOSED TO BUYER CONCERNING GOODS, IN VIOLATION OF THESE LAWS. BUYER SHALL INDEMNIFY SELLER AGAINST ANY LIABILITY BY REASON OF buyer's failure to so comply. Buyer may report any actual or suspected violation of this Section by reporting it to Seller's Ethics & Compliance Hotline, on an anonymous basis, by calling 1-800-356-2590; or, for access outside the USA, by accessing the international operator and placing a collect call to 503-619-1804.
