Board of Commissioners Work Session

7 p.m. Oct. 27, 2025

Board Meeting Room, Town Hall Annex, 105 E. Corbin St.

Present: Mayor Mark Bell and commissioners Meaghun Darab, Robb English, Kathleen Ferguson, Matt

Hughes, and Evelyn Lloyd

Staff: Senior Planner Molly Boyle, Planning and Economic Development Manager Shannan Campbell,

Assistant Town Manager and Community Services Director Matt Efird, Engineering Services Manager Bryant Green, Town Attorney Bob Hornik, Town Clerk and Human Resources Technician Sarah Kimrey, Communications Specialist JC Leser-McMinn, Finance Director Dave McCole, Senior Communications Specialist Cheryl Sadgrove, Utilities Director Marie Strandwitz,

Public Space and Sustainability Manager Stephanie Trueblood and Chief of Police Jason Winn

1. Opening of the work session

Mayor Mark Bell called the meeting to order at 7 p.m.

2. Agenda changes and approval

- Move Item 7B Closed session as authorized by North Carolina General Statute Section 143-318.11(a)(3) to consult with the town attorney in order to preserve the attorney-client privilege to Item 2A.
- Move Item 7A Closed session as authorized by North Carolina General Statute Section 143-318.11(a)(3) to consult with the town attorney in order to preserve the attorney-client privilege (KEPSC Hillsborough LLC litigation) to Item 2B.

Motion: Commissioner Kathleen Ferguson moved to approve the agenda as amended. Commissioner

Robb English seconded.

Vote: 5-0.

A. Closed session as authorized by North Carolina General Statute Section 143-318.11(a)(3) to consult with the town attorney in order to preserve the attorney-client privilege

Motion: Ferguson moved to return to open session. Commissioner Meaghun Darab seconded.

Vote: 5-0.

Mayor Bell reported that the closed session discussion centered on data privacy concerns of the Flock Safety license plate reader system, specifically secondary data use rights by Flock Safety and privacy expectations of the community and town board. After consulting with the town attorney, board members voiced their concern in open session, noting that there is a significant gap between the town's expectations and what protections Flock Safety provides to Hillsborough.

Motion: Ferguson moved to terminate the contract with Flock Safety and to remove license plate

readers in town. Commissioner Matt Hughes seconded.

Vote: 5-0.

Motion: Ferguson moved to return to open session. Hughes seconded.

Vote: 5-0.

3. Presentations

A. Presentation of the Hasell Street Water Tank and U.S. 70A Water Main Evaluation and Replacement Recommendations

Utilities Director Marie Strandwitz introduced two projects funded by state grants for evaluation, highlighting their place in the town's capital improvement plan. Krista Paredes, a consultant with Freese and Nichols, presented findings on the two projects.

Hasell Street Tank:

- The 200,000-gallon tank was constructed in 1936 and is the oldest and smallest in the system. The tank cycles frequently, causing inefficiency.
- Modeling recommended upsizing it to 500,000 gallons to meet 2050 demands.
- Two sites were evaluated: the current smaller site at Hasell and Orange Streets, and a larger parcel set back from the road. The latter was chosen for its space and setback compliance.
- A spheroid tank was recommended due to low maintenance costs, with an estimated project cost of \$4.25 million.

U.S. 70A Water Main Replacement:

- The existing 1.5-mile, 12-inch asbestos cement pipe needs replacing due to breakage.
- The water main is crucial for the town's connection to Durham.
- Recommendation to replace with a 16-inch ductile iron pipe for 2-million-gallon capacity.
- Two construction routes were considered. The south side route was favored for less disruption and road crossings, costing an estimated \$5.16 million.
- B. Presentation on Water System Master Planning Work

Chris Evans, a consultant with Hazen and Sawyer, presented on the town's water system master plan, another project funded by a state grant.

The scope of the water system master plan included:

- Working with town planning staff to project growth over the next 15 years.
- Incorporating existing GIS and distribution system data into the model.
- Allocating new demands and analyzing potential deficiencies.
- Evaluating storage requirements.
- Developing project recommendations.

The analysis evaluated whether the system could maintain adequate pressure, provide sufficient fire flow, and ensure redundancy as the town grows.

He presented a map showing suggested timelines for system upgrades through 2040.

Evans highlighted the development of a digital dashboard that will allow staff to visualize results across all phases and includes capital improvement plan project sheets summarizing all recommendations with estimated costs and descriptions. The dashboard will enable staff to modify parameters such as timing and cost and will ultimately be used to identify projects for the Fiscal Year 2027 budget process.

The utilities director said the dashboard would be a long-term benefit for the town and something they could potentially expand upon after the project is complete.

4. Items for decision - consent agenda

- A. Miscellaneous budget amendments and transfers
- B. Proclamation Operation Green Light for Veterans
- C. 2026 Board of Commissioners Meeting Schedule
- D. Fiscal Year 2026 Planning and Economic Development Division Fee Schedule Updates
- E. Memorandum of Understanding between Orange County and the Town of Hillsborough for Solar Feasibility Study

Motion: Hughes moved to approve all items on the consent agenda. Ferguson seconded.

Vote: 5-0. Nays: 0.

5. In-depth discussion and topics

A. Comprehensive Sustainability Plan Progress and Update

Public Space and Sustainability Manager Stephanie Trueblood provided a detailed update on the implementation of the town's comprehensive sustainability plan, adopted in June 2023. This plan coordinates the town's regulatory documents, focusing on equity, affordability, safety, connectivity and health using smart growth principles.

Using a master spreadsheet, Trueblood tracked all 397 plan actions to identify progress, priorities and future focus areas and reported that 67% of priority actions started or completed. She presented key highlights by chapter.

The board members noted their appreciation for the comprehensive update, including the accessible visual tools

6. Committee updates and reports

Board members gave updates on the committees and boards on which they serve.

7. Closed session

- A. Closed session as authorized by North Carolina General Statute Section 143-318.11(a)(3) to consult with the town attorney in order to preserve the attorney-client privilege (KEPSC Hillsborough LLC litigation)
- B. Closed session as authorized by North Carolina General Statute Section 143-318.11(a)(3) to consult with the town attorney in order to preserve the attorney client privilege

7. Adjournment

Motion: Hughes moved to adjourn at 9:55 p.m. Ferguson seconded.

Vote: 5-0.

PROCLAMATION

Supporting Operation Green Light for Veterans

WHEREAS, the people of Hillsborough respect, admire, and appreciate the individuals who selflessly have served the United States of America in the armed forces by placing themselves in challenging or perilous situations; and

WHEREAS, the contributions and sacrifices of those individuals who served in the armed forces have been vital in maintaining the freedoms and ways of life that we enjoy in our local communities; and

WHEREAS, Operation Green Light is a nationwide initiative to support veterans and raise awareness about the challenges many veterans face in accessing benefits and services; and

WHEREAS, approximately 70 percent of veterans experiencing homelessness also experience substance use disorders and 50 percent live with mental illnesses such as post-traumatic stress disorder; and

WHEREAS, studies indicate that 44 to 72 percent of service members experience high levels of stress during transition from military to civilian life and that active service members transitioning from military service are at a high risk for suicide during their first year after military service; and

WHEREAS, veterans continue to serve our communities in the American Legion, Veterans of Foreign Wars, religious groups, community organizations, and civil service and as county veteran service officers in 29 states to help fellow former service members access more than \$52 billion in federal health, disability, and compensation benefits each year; and

WHEREAS, Town of Hillsborough veterans include Police Officer 1st Class Curry Hall (U.S. Army), Meter Reader Supervisor Tyrone Hodge (U.S. Army), and Police Officer 1st Class Matthew Lorenson (U.S. Marine Corps) and former Reservists and National Guard, including Mayor Mark Bell (U.S. Naval Reserve); and

WHEREAS, the Town of Hillsborough seeks to join other communities through Operation Green Light for Veterans to shine a light on the plight of veterans across the country who are having a hard time connecting with benefits after serving their country;

NOW, THEREFORE, I, Mark Bell, mayor of the Town of Hillsborough, do hereby proclaim the week of Nov. 4-11, 2025, which includes Veterans Day on Nov. 11, to be a time to honor the service and sacrifice of individuals in uniform transitioning from active service;

FURTHERMORE, in observance of Operation Green Light for Veterans, the Hillsborough Board of Commissioners encourages community members to show their support for veterans by displaying a green light in a window of their place of business or residence from Nov. 4 through Nov. 11.

IN WITNESS WHEREOF, I have hereunto set my hand and caused this seal of the Town of Hillsborough to be affixed this 27th day of October in the year 2025.

Mark Bell, Mayor Town of Hillsborough
