Agenda Item
2027 Budget Workshop

Meeting Date
August 10, 2026

Prepared By
Leaha M. Jackson, City Administrator

Background
We will meet with Mike Bubany on Thursday, August 20, 2026, at 4:35 p.m. for a Capital and Financial Planning Work Session. We need to set a date for the work session for the budget before meeting with Mike Bubany.

Included is a rough proposed 2027 Budget. I am still waiting on the Tax Value from the County, so the tax rate will not be correct.

Our focus on Monday will be to review the different line items and consider any projects or items we would like to add. We will not adopt the proposed budget until the September meeting, so we have time to review the numbers and see what happens in the meantime. Our final budget will be adopted at the December meeting. We cannot raise the levy above the proposed rate, but we can lower it.
