## Select FY 22/23 Goals

- **Port Expansion Study.** Keeping the pressure on State and Federal delegation to launch the study in 2022.
- **Hire an owner representative** to help steer the General Investigation study through the Army Corps of Engineers process once we launch.
- **Re-assess all Admin fees to the city.** Educate and research, with Council's help, fiscal solutions that allow the Enterprise to retain more dollars in our reserves each year, with an end goal that the General fund won't have to shoulder the project cost burden down the road as aging infrastructure comes due for replacement.
- **Creating Additional Parking** by installing perforated pipe and fill in ditches along Freight Dock Road
- **Re-submit for a municipal harbors grant** to complete the harbor cathodic protection project.
- **Split Comprehensive Planning.** Complete parking plan and research new revenue sources

8

## Potential Budget Impacts

**Negative:**  
**Loss of cruise ship landings** in Homer for the 2021 season means:  
 • Dockage - \$88,000  
 • Head Tax +/- 35,000 revenue loss to local business for excursion bookings.  
 • Loss of point of sales tax.  
 • Holland America sold the ships used for the extended cruise to Cook Inlet. Staff is working with Ships Agents and to book new ships Port visits into Homer.

**Cook Inlet Salmon** is still a big question and we may see another year of low Ice and Crane sales at the Fish Dock.

**Positive:**  
**Sport fishing-** All indications are positive that we are going to see another good year in our sports fishing recreational users.

**In State travel and local tourism** will be up again as well.

**Federal Transportation Funding-** On the National scene there is a lot of talk about funding for transportation infrastructure improvements and staff is hard at work with our lobbyist and Delegation looking for funding opportunities for Homer's Port Expansion development.
