PUBLIC HEARING(S)

   Memorandum CC-23-156 as backup.

Mayor Castner opened the public hearing.

Joe Sallee, city resident, expressed is support for moving Public Works but opposes purchasing land because the City owns several other properties in the area.

There were no further comments and the hearing was closed.

ADERHOLD/VENUTI MOVED TO ADOPT ORDINANCE 23-41 BY READING OF TITLE ONLY FOR SECOND AND FINAL READING.

There were comments in support of the land purchase based on the recommendation from the Public Works Campus Task Force report, the tsunami zone concerns, the current physical location is compressed, and reports over the past few years from Public Works and Admininant on the challenges with the current facility. It's not going to get easier to procure land, and the City will have some opportunities with this larger parcel.

There was discussion whether this expenditure will jeopardize matching funds for grants, lack of interest in pursuing a public works building capital project at this time, tsunami impact readiness, and confirming no matching funds are required for the Kachemak Sponge Infrastructure project.

VOTE: YES: VENUTI, ERICKSON, ADERHOLD, LORD, DAVIS, HANSEN

Motion carried.

   Memorandum CC-23-171 as backup.
Mayor Castner opened the public hearing. There were no comments and the hearing was closed.

ADERHOLD/VENUTI MOVED TO ADOPT ORDINANCE 23-42 BY READING OF TITLE ONLY FOR SECOND AND FINAL READING.

There was brief comment confirming this is included in the capital budget.

VOTE: NON OBJECTION: UNANIMOUS CONSENT

Motion carried.

Mayor Castner opened the floor for public comment.

Pat Case, city resident, commented in opposition of taking money away from ADA funding. He cited the first two whereas clauses that suggest the City can't be relied on to keep their word.

Brad Parsons, city resident, commented on his own behalf that he's disappointed about the re-appropriation of the community assistance payment. He understands the other needs of the City but the original application indicated these funds would be used for ADA improvements. The scope of that encompasses inclusivity and acceptance of all ages and abilities to participate our civic engagement.

There were no further comments and the hearing was closed.

ADERHOLD/LORD MOVED TO ADOPT ORDINANCE 23-43 BY READING OF TITLE ONLY FOR SECOND AND FINAL READING.

At the request of Council Member Aderhold, City Manager Dumouchel provided an overview of the process for applying for the Community Assistance Program payment. He explained at the time of application the City has to express an intent for what the funds will be used for, then if and when funds are dispersed, communities can use it for what their Council’s choose to appropriate it for. He noted a year it was applied for with the intent of using it for the HERC but when the funds came in there were used to close a funding gap for SCBA units for the Fire Department. He noted all of the ADA projects requested in the capital budget were approved and because of that he suggested appropriating this allotment to other needs. The goal is to use the funds within the year they are allocated and these projects accomplish that. The application for these funds is made a year in advance, so we never know the exact need for the City until we actually receive notice of receipt of funds.

Following discussion about the capital budget process, projects the funds will be allocated to, Community Assistance Program application processes, and ordinance language, it was suggested the ordinance be postponed to allow for a substitute ordinance with amended language to come back for consideration.

ADERHOLD/VENUTI MOVED TO POSTPONE ORDINANCE 23-43 TO OUR AUGUST 14TH MEETING.
There was no discussion.

VOTE: NON OBJECTION: UNANIMOUS CONSENT.

Motion carried.

Memorandum CC-23-157 as backup.

Mayor Castner opened the public hearing. There were no comments and the hearing was closed.

ADERHOLD/VENUTI MOVED TO ADOPT ORDINANCE23-44 BY READING OF TITLE ONLY FOR SECOND AND FINAL READING.

There was no discussion.

VOTE: NON OBJECTION: UNANIMOUS CONSENT

Motion carried.

ADERHOLD/LORD MOVED TO SUSPEND THE RULES FOR THE VISITOR PRESENTATION.

There was no discussion.

VOTE: NON OBJECTION: UNANIMOUS CONSENT.

Motion carried.

Kevin Fraley with Printworks explained that his company has printed ballots for state and municipal elections for 22 years. He shared from his perspective as a vendor about the challenges of conducting municipal elections at on the same day as the state and federal election, as suggested by the Kenai Peninsula Borough Assembly. He addressed complications including hiring election workers for both state and municipal elections, room to house workers and equipment for state elections and municipal elections in a precinct, and complexities of a borough election with multiple ballot styles combined with complexities of state and federal ballot styles. He explained that if the change happens it can be accommodated, but for the reasons he addressed he wouldn’t recommend it.

Memorandum CC-23-158 as backup.
Mayor Castner opened the public hearing. There were no comments and the hearing was closed.

ADERHOLD/VENUTI MOVED TO ADOPT ORDINANCE 23-45 BY READING OF TITLE ONLY FOR SECOND AND FINAL READING.

There was discussion confirming this is allows for operational spending, if there will be a large expense an ordinance will come to Council. This appropriation allows Harbor staff the ability make small repairs when they come up.

VOTE: NON OBJECTION: UNANIMOUS CONSENT

Motion carried.

Mayor Castner opened the public hearing.

Katherine Schake, Kachemak Bay National Estuarine Research Reserve (KBNERR) Manager, introduced herself as the incoming reserve manager, expressed support for this ordinance. She shared KBNERR’s mission and current projects they have with the City through an MOU and explained KBNERR is here to help the City work through the hurdles of this grant.

There were no further comments and the hearing was closed.

ADERHOLD/VENUTI MOVED TO ADOPT ORDINANCE 23-46 BY READING OF TITLE ONLY FOR SECOND AND FINAL READING.

Council Member Aderhold noted the memorandum from staff to postpone this matter to continue contract negotiations.

Council Member Erickson thanked KBNERR for their work in protecting the watershed.

ADERHOLD/VENUTI MOVED TO POSTPONE TO AUGUST 14TH.

There was no discussion.

VOTE (postponement): NON OBJECTION: UNANIMOUS CONSENT

Motion carried.

In response to question regarding having the word opposed in the title, Council Member Aderhold said she considered that, but this provides comments than just opposing so she left it out.
VOTE (main motion as amended): NON OBJECTION: UNANIMOUS CONSENT

Motion carried.

COMMENETS OF THE AUDIENCE

Borough Assembly Member Chelsey commented that the assembly is preparing for a $12 million budget short fall and agrees with earlier comments from Council Member Lord regarding the school district budget, that it’s timely to begin strategizing. An idea that’s been floated in the past and he hopes will be explored is to change the sales tax gap and dedicating the additional revenue to school funding. He advised that a resolution is coming forward to create a working group to look at election matters as an option for the Assembly instead of the resolution for the advisory vote. He thanked Council for their discussion tonight.

Pat Case, city resident, shared he’s made efforts to have a positive relationship with the Council and the importance of echoing the passion of the sentiments he hears from the community. He commented regarding the upcoming Main Street sidewalk project, that a majority of the cost is storm drainage, and encouraged going with the spirit of the law and making it pedestrian safe, and not attributing it to ADA spending. He invited everyone to a gathering at the Independent Living Center for a celebration of the 33rd anniversary of the passage of the Americans with Disabilities Act, and to join him for a community walk to have conversations about accessibility.

Bradly Parsons, city resident, echoed Mr. Case, particularly regarding sidewalk installations. In the recent section of Main Street sidewalk improvements, the curb cuts are not ADA best practice curb cuts. He shared that July is Disability Pride Month inviting all citizens regardless of ages and abilities to be involved in this community in any way we can make it happen. He encouraged members to attend the upcoming celebration at ILC, and join Mr. Case on his walk to get a feel for what it’s like if you can’t drive a car, because it’s not fun.

COMMENETS OF THE CITY ATTORNEY

City Attorney Gatti had no comments.

COMMENETS OF THE CITY CLERK

City Clerk Jacobsen commented regarding the upcoming candidacy filing period for two city council seats.

COMMENETS OF THE CITY MANAGER

City Manager Dumouchel noted the invitation to the ILC event is included with the City Manager’s report.

COMMENETS OF THE MAYOR

Mayor Castner commented the language of the proposed Borough advisory vote reads like an initiative and people would think it was if it passed. He welcomed the Captain and crew of the welcomed the USCG Cutter Aspen to Homer.

COMMENETS OF THE CITY COUNCIL

Council Member Hansen had no comment.

Council Member Erickson is thankful for the sunshine so we can get outside again.
Council Member Davis said ditto on the sunshine.

Council Member Aderhold will miss the ILC celebration, but she’ll connect with Mr. Case to take that walk together.

Council Member Venuti commented as Coast Guard City, we’re responsible to involve ourselves. The Coast Guard’s 233rd birthday is August 4th, so look for Coast Guard trivia on trivia night at Alice’s and other recognitions in town. She thanked Commission and Boards for their work and dedication, and thanked those who wrote messages to Council this week.

Council Member Lord agreed the sun is fantastic and welcomed the Aspen. She also thanked the Kachemak Swim Club for offering swimming lessons to the kids, and those who share the locker room during that time.

ADJOURN

There being no further business to come before the Council Mayor Castner adjourned the meeting at 8:18 p.m. The next Regular Meeting is Monday, August 14, 2023 at 6:00 p.m., Work Session at 4:00 p.m. and Committee of the Whole at 5:00 p.m. All meetings scheduled to be held in the City Hall Cowles Council Chambers located at 491 E. Section 3 - for Package Stores ONLY: Written Order Information

Do you intend to sell alcoholic beverages and ship them to another location in response to written solicitation in calendar years 2022 and/or 2023?

Yes [ ] No [ ]

[Form AB-17] (rev 9/7/2022)
Section 4 – Ownership Structure Certification

Did the ownership structure of the licensed business change in 2021/2022?

[ ] YES  [X] NO

If Yes, and you have NOT notified AMCO, list the updated information on form AB-39: Change of Officers and submit with your renewal application.

If No, certify the statement below by initialing the box to the right of the statement.

I certify that the ownership structure of the business who owns this alcohol license did not change in any way during the calendar years 2021 or 2022.

Section 5 – License Operation

Check ONE BOX for EACH CALENDAR YEAR that best describes how this liquor license was operated:

2021 2022
1. The license was operated for more than 240 hours throughout each year. (Year-round)

[ ] YES  [X] NO

2. The license was only operated during a specified time each year. (Not to exceed 6 months per year)

If your operation dates have changed, list them below:

______________________________

3. The license was only operated to meet the minimum requirement of 240 total hours each calendar year.

A complete AB-30: Proof of Minimum Operation Checklist, and all documentation must be provided with this form.

[ ] YES  [X] NO

4. The license was not operated at all or was not operated for at least the minimum requirement of 240 total hours each year, during one or both calendar years. A complete Form AB-29: Waiver of Operation Application and corresponding fees must be submitted with this application for each calendar year during which the license was not operated.

If you have not met the minimum number of hours of operation in 2021, you are not required to pay the fees, however a complete AB-29 is required with Section 7 marked “Other” and COVID is listed as the reason.

Section 6 - Violations and Convictions

Have ANY Notices of Violation been issued for this license?

[ ] YES  [X] NO

Has ANY person or entity in this application been convicted of a violation of Title 04, 3AAC 304 or a local ordinance adopted under AS 04.21.010 in 2021 or 2022?

[ ] YES  [X] NO

If you checked YES, you MUST attach a list of all Notices of Violation and/or Convictions per AS 04.11.270(a)(2)

If you are unsure if you have received any Notices of Violation, contact the office before submitting this form.

Section 7 – Certifications

As an applicant for a liquor license renewal, I declare under penalty of perjury that I have read and am familiar with AS 04 and 3 AAC 304, and that this application, including all accompanying schedules and statements, are true, correct, and complete.

- I agree to provide all information required by the Alcoholic Beverage Control Board or requested by AMCO staff in support of this application and understand that failure to do so by any deadline given to me by AMCO staff will result in this application being returned and the license being potentially expired if I do not comply with statutory or regulatory requirements.
- I certify that in accordance with AS 04.11.450, no one other than the licensee(s), as defined in AS 04.11.260, has a direct or indirect financial interest in the licensed business.
- I certify that this entity is in good standing with Corporations, Business and Professional Licensing (CBPL) and that all entity officials and stakeholders are current and I have provided AMCO with all required changes of the ownership structure of the business license, and have provided all required documents for any new or changes of officers.
Alaska Alcoholic Beverage Control Board
Form AB-17: 2023/2024 License Renewal Application

- I certify that all licensees, agents, and employees who sell or serve alcoholic beverages or check identification of patrons have completed an alcohol server education course approved by the ABC Board and keep current, valid copies of their course completion cards on the licensed premises during all working hours, if applicable for this license type as set forth in AS 04.21.025 and 3 AAC 304.465.

I hereby certify that I am the person herein named and subscribing to this application and that I have read the complete application, and I know the full content thereof. I declare that all of the information contained herein, and evidence or other documents submitted are true and correct. I understand that any falsification or misrepresentation of any item or response in this application, or any attachment, or documents to support this application, is sufficient grounds for denying or revoking a license/permit. I further understand that it is a Class A misdemeanor under Alaska Statute 11.56.210 to falsify an application and commit the crime of unsworn falsification.

License#/Type: 5546
Address: 451 Sterling Hwy, Homer, AK
AMCO Case #: 22-1813
Beverage Dispensary-Tourism Seasonal

This is a notice to you as licensee that an alleged violation has occurred. If the Alcoholic Beverage Control Board decides to act against your license, under the provisions of AS 44.62.330 - AS 44.62.630 (Administrative Procedures Act) you will receive an Accusation and Notice of your right to an Administrative Hearing.

Note: This is not an accusation or a criminal complaint.

On 10-7-22, AMCO was informed that Kannery Grill was still operating it's restaurant but the Motel, Ocean Shores, was not operating. Believing the restaurant could not operate if the Motel was closed; contact was made with Christopher Miller, Manager, who was advised of the situation and told not to serve alcoholic beverages. It was learned they were doing business as Green Can. Social Media also has the establishment listed as the Green Can. On 10-10-22, AMCO was informed they were still serving alcoholic beverages. On 10-12-22, Homer PD Sgt. D. Shealy went into the establishment and confirmed they were still serving alcoholic beverages. Further investigation revealed that Ocean Shores was issued a Beverage Dispensary Tourism Seasonal license and should have stopped serving alcoholic beverages on 10-1-22. On 10-14-22, Licensee Michael Warburton came to AMCO and changed the license to year round.

Your attention is directed to AS 04.11.010: License or permit required, 3AAC 304.185: Licensed premises, AS 04.21.030: Responsibilities of licensees, agents, and employees and AS 04.16.150: Licensee responsible for violations

Certified Mail: 9590 9402 3937 8060 8621 67

You are directed to respond in writing to this Notice of Violation within 10 days of receipt to explain what action you have taken to prevent a re-occurrence of this violation. FAILURE TO RESPOND TO THIS NOTICE OF VIOLATION WITHIN 10 DAYS WILL RESULT IN YOUR APPEARANCE, EITHER IN PERSON OR TELEPHONICALLY, BEFORE THE ABC BOARD AT THEIR NEXT REGULARLY SCHEDULED BOARD MEETING.

*Please send your response to the address below and include your alcohol license number in your response.

3 AAC 304.525 (B) provides that upon receipt of a Notice of Violation, a licensee may request to appear before the Director and be heard regarding the Notice of Violation. The request must be made within ten days after receipt of the Notice and the Director must grant an appearance within ten days after receipt of a request. A Licensee shall respond, either orally or in writing, to the Notice.

[Form AB-17] (rev 9/27/2022)
2022 Tourism Statement
Ocean Shores, Inc.

1. Explain how the issuance of a liquor license at your establishment has/will encourage tourism.

The central focus of the business plan for the Ocean Shores involves catering to out of town tourists, local, and regional guests. The licensee will continue to run advertising on the internet with both nor paid links and paid appearances on travel sites (Booking.com, Travelocity, TripAdvisor, etc.). The hotel has and continues to develop relationships with the Alaska railroad, and Ravn Air, Alaska State Ferry and the local art galleries to enhance, cater to, and expand tourism opportunities.

2. Explain how the facility was/will be constructed or improved in accordance with this application.

This facility is located at 451 Sterling Hwy in Homer. The hotel has microwave ovens and mini refrigerators in every guest room. As such it is ideal for travelers who want an overnight stay in a beautiful location conveniently located between regular tourist destinations such as Valdez, Talkeetna, Anchorage and Denali.

3. Who operates the facility for which a liquor license is being applied?

Ocean Shores, Inc. operates the liquor license. Mr. Michael Warburton is the President of the entity.

4. Do you offer room rentals to the traveling public? Yes.

5. If so, how many of these rooms are available? Do any of the rental rooms have kitchen facilities (defined as: a separate sink for food preparation along with refrigeration and cooking appliance devices, including a microwave)? If yes, how many of the rental rooms have kitchen facilities that meet this definition? Do you stock alcoholic beverages in guest rooms?

There are 38 rooms for rent at the hotel. The hotel rooms are equipped with microwaves and mini refrigerators. Four of the rooms are equipped with full kitchen facilities. No we do not stock alcoholic beverages in the room rentals.
6. Does your establishment include a dining facility?

Yes. The Ocean Shores has a fine dining restaurant. The name of the restaurant is The Kanners Grill. The facility serves lunch and dinner daily.

7. Are additional amenities available to your guests through your establishment (e.g., guided tours or trips, rental equipment for guests, other activities that attract tourists)?

Yes, the Ocean Shores provides tourist type amenities to its guests such as sea kayaking, fishing charters, bear viewing, and restaurant selection. The resort is ideal for travelers who want an overnight stay in a beautiful beachfront setting. Ocean Shores will continue to operate the facility as a tourist facility. In short, all of those things, which are routinely done by hotels in Alaska to encourage tourism, will continue to be done by the operators of the Ocean Shores.

Addendum Ocean Shores Tourism Statement

Having a liquor license at the Ocean Shores resort should increase the hotel occupancy as much as 10% (statistics show a total of 18% for restaurant and bar).

We bought the adjacent RV park in 2018 and it will also see a growth because of the restaurant and bar.

Now that we are a full service resort we will become a destination and attract even more visitors to the Homer area.

The Kanners Bar, using this license, is operated by Michael J Warburton who is President, Secretary and Treasury of Ocean Shores Inc. He is also holder of 100% of the corporation.

Ordinance 23-47, An Emergency Ordinance of the City Council of Homer, Alaska Extending the Amendment to the FY23 Capital Budget for Emergency Repairs to the City Telephone System.  

City Manager

Item Type:  Backup Memorandum  
Prepared For:  Mayor Castner and Homer City Council  
Date:  03 August 2023  
From:  Bill Jirsa, Chief Technology Officer  
Through:  Rob Dumouchel, City Manager

On June 12, 2023, City Council adopted Emergency Ordinance 23-38 to amend the FY23 Capital Budget for Emergency Repairs to the City telephone system by appropriating $35,000 from the General Fund Capital Asset Repair and Maintenance Allowance (CARMA) Fund.

The City of Homer IT Team immediately set about engaging our vendor to complete the following activities:

1. Install, configure and test new telephone switching and voicemail servers at City Hall using up-to-date City of Homer server infrastructure to provide high availability and reliability.
2. Integrate the City Hall call management system with the one operating at the police department.
3. Replace 68 of the oldest handsets in use across city work centers (all those older than 16 years old) to provide modern phone capabilities.
4. Manage the cutover from the existing phone system in a short period of time (3 days).

As of August 3, work is complete on items 1 and 2, and we have acquired and staged the new telephone handsets described in item 3. Additionally, all of this work is still on track with the original budget. Some of the activities involved in preparing for item 4, the final cutover from the existing phone system, however, have required more time and we are likely to exceed the 60 day limit to effect the emergency repairs by a matter of days. We still expect the cutover itself to happen over a period of three days in which we will swap out the majority of the phones in use at the City of Homer work centers.

RECOMMENDATION: Extend the deadline by an additional 60 days for the funds associated with Ordinance 23-38 Emergency Repairs to the City Telephone System - $35,000 from the FY23 General Fund Capital Asset Repair and Maintenance Allowance Fund (CARMA) for.
AN EMERGENCY ORDINANCE OF THE CITY COUNCIL OF HOMER, ALASKA EXTENDING THE AMENDMENT TO THE FY 23 CAPITAL BUDGET FOR EMERGENCY REPAIRS TO THE CITY TELEPHONE SYSTEM.

WHEREAS, On June 12, 2023, City Council adopted Emergency Ordinance 23-38 to amend the FY23 Capital Budget by appropriating $35,000 from the General Fund Capital Asset Repair and Maintenance Allowance (CARMA) Fund for Emergency Repairs to the City telephone system; and

WHEREAS, The time required to effect the necessary repairs requires extension due to some complication around preparing for the final phase of the project; and

WHEREAS, Per HCC 1.08.040 emergency ordinances are valid for 60 days; and

NOW THEREFORE, THE CITY OF HOMER ORDAINS:

Section 1. The Homer City Council extends the date to effect the necessary repairs to the City telephone system.

Section 2. This is an emergency ordinance of general character and will be effective for 60 days, in accordance with HCC 1.08.040.

ENACTED BY THE CITY COUNCIL OF HOMER, ALASKA, this 14th day of August, 2023.

“Quarantine” means the isolation of an animal in a substantial enclosure so that the animal cannot be subject to contact with other animals or unauthorized persons.

“Restraint” means any of the following: (1) physical confinement by leash, chain, fence, or building; (2) under competent voice control as defined in this section, when an animal is engaged in an activity or form of training requiring that it not be physically confined; or (3) under competent voice control when an animal is on the property of its owner.

“Vicious animal” means an animal which has bitten or attacked a human being or another animal at any time without provocation. [Ord. 16-38(S)(A) § 3, 2016; Ord. 88-1, 1988].

“Voice control” means the dog returns immediately to and remains by the side of the owner in response to the owner’s verbal whistle or hand signal, if the dog approaches or remains within 10 feet of any other person than the owner, the dog is not under voice control and is deemed at large.

Section 2, Homer City Code Chapter 20.08 Animals-General Provisions is hereby amended as follows:

Chapter 20.08
GENERAL ANIMAL REGULATIONS

Sections:
20.08.010 Animals at large.

a. No person may cause or permit an animal to be at large in a public street or alley, or on other public property, or on private property without the property owner’s consent.

b. No person other than the Animal Control Officer or a peace officer performing duties under this title may release an animal from restraint without its owner’s consent, except to preserve the animal’s life. A person who releases an animal from restraint to preserve its life shall promptly report having done so to the animal’s owner or the Animal Control Officer.

c. The Animal Control Officer or a peace officer may capture or destroy by any means an animal at large that presents an immediate threat to public safety.

d. The owner of an animal that is at large may be cited for a violation of this section without the impoundment of the animal.

e. Except as provided in subsections (f) and (g) of this section, the penalty for a violation of subsection (a) or (b) of this section, with zero, one, or two prior convictions, is the fine listed in the fine schedule in HCC 20.32.020.

f. Except as provided in subsection (g) of this section, a violation of subsection (a) or (b) of this section with three or more prior convictions shall be punishable by a fine of not less than $300.00 nor more than $500.00, and the unsuspended portion of the fine shall not be less than $100.00.

g. A violation of subsection (a) of this section where the animal is a large animal, as defined in HCC 20.04.020, with one or more prior convictions shall be punishable by a fine of not less than $300.00 nor more than $500.00, and the unsuspended portion of the fine shall not be less than $100.00. [Ord. 18-11 § 20, 2018; Ord. 16-38(S)(A) § 4, 2016].
128 20.08.020 Impoundment procedures.

129 a. The Animal Control Officer or a peace officer may capture and impound an animal that is at
130 large in violation of HCC 2.08.010(a). The Animal Control Officer or a peace officer may pursue
131 an animal onto private property in the course of effecting its impoundment, and if necessary
132 use a cage trap to capture an animal.
133
134 b. Immediately upon impounding an animal whose owner is known to the impounding Animal
135 Control Officer or peace officer, the officer shall make a reasonable effort to inform the owner
136 of the impoundment and the conditions on which the owner may regain custody of the animal.
137
138 c. An animal that is impounded under the provisions of this chapter shall be held in the City
139 animal shelter, and there confined in a humane manner for a minimum of five days—the
140 applicable minimum period under subsection (d) of this section unless sooner claimed by the
141 owner. Animals impounded at the shelter will be vaccinated and microchipped on intake. Animals
142 and if not claimed by the owner thereafter may be, at the discretion of the Animal
143 Control Officer, offered to the public for adoption or in the case of a large animal sold at public
144 auction with public notice in the manner provided for the sale at execution of personal
145 property in AS 09.35.140 as outlined below, or destroyed in a humane manner.
146
147 1. The City shall publish in a newspaper of general circulation in the City a notice
148 of the intention of the City to sell a large animal at public auction, on a day and at
149 a place and time certain, not less than 10 days prior to the sale, for cash to the
150 highest and best bidder. At any time prior to the auction, the owner may redeem
151 the animal by cash payment of all fees and charges against the animal.
152
153 2. The minimum acceptable bid shall be a sum equal to the City’s fees and charges
154 against the animal. The proceeds of the sale shall be first applied to the cost of
155 sale, then to accrued fees and charges, service fees, storage charges, attorney fees
156 and costs, and other expenses provided for in this title, and the balance, if any,
157 shall be held in trust by the City for the owner of the animal to claim; and if not
158 claimed within one year, the balance shall be deposited animal control fund. Upon
159 the sale being made, the City shall make and deliver its bill of sale, without
160 warranty, conveying the vessel to the buyer.
161
162 d. The minimum period for which an impounded animal shall be held at the animal shelter
163 shall be
164
165 1. For a dog that is impounded while wearing a City license, five days.
166
167 2. For any other animal, three days.
ed. No impounded animal may be released from the animal shelter into the custody of its owner unless the owner has:

1. Paid all impoundment and boarding fees, and the cost of any veterinary treatment provided to the animal while impounded—Satisfied the requirements of the Animal Control Officer as outlined in the Animal Shelter’s Animal Control Policy;

2. For a dog owned by a City resident that was impounded while not wearing a City dog license, either produced evidence satisfactory to the Animal Control Officer that a current City dog license has been issued for the dog, or if the dog is unlicensed paid the fee for a City dog license for the dog; and

32. For a dog, either produced evidence satisfactory to the Animal Control Officer that the dog has a current rabies vaccination, or paid the fee for a 30-day rabies vaccination voucher under HCC 20.16.030. [Ord. 16-38(S)(A) § 4, 2016].

20.08.030 Animals on harbor floats.

No person may bring, keep, or maintain an animal on the floats of the Homer small boat harbor, unless the animal is kept under physical confinement by leash or chain at all times. The person in control of the animal shall be responsible for cleaning and removing the animal’s waste from the harbor floats. The City will charge the person in control of the animal for the amount listed in the City of Homer Fee Schedule labor (minimum of one-half hour) required for cleaning and removing any animal waste that the person fails to clean and remove. [Ord. 16-38(S)(A) § 4, 2016].

20.08.040 Nuisance animals.

a. No person may cause or permit an animal that the person owns or controls to:

1. Annoy another person by interfering with the latter’s sleep, work or reasonable right to peace and privacy by making repeated or continued noise;

2. Defecate, dig upon or injure private property owned by another person or a public street or alley, or other public property;

3. Frequently or habitually growl, snap at, jump upon or otherwise menace, injure or frighten another person who is not trespassing or otherwise violating the law; or

4. Chase, harass, or otherwise disturb or injure wildlife.

[Bold and underlined added. Deleted language stricken through]
b. The Animal Control Officer or a peace officer may impound an animal that is engaging in behavior described in subsection (a) of this section. A person may restrain an animal from continuing to engage in behavior described in subsection (a)(4) of this section, and shall promptly surrender any animal so restrained to the Animal Control Officer for impoundment.

c. A violation of subsection (a) of this section with three or more prior convictions shall be punishable by a fine of not less than $300.00 nor more than $500.00, and the unsuspended portion of the fine shall not be less than $100.00. [Ord. 16-38(S)(A) § 4, 2016].

20.08.050 Cruelty or injury to animals.

a. No person may intentionally injure, torment, poison, provoke, or otherwise abuse an animal, including without limitation through a violation of HCC 7.15.010, Transporting an animal.

b. No person may intentionally kill an animal by injury, torment, poison, suffocation, decompression or other forms of abuse of the animal.

c. No person may maintain an animal without providing food, water, and shelter adequate to preserve the animal’s health, or abandon an animal where it will not be provided proper food, water, shelter, and care.

d. No person may maintain an animal showing symptoms of infectious or contagious disease without keeping the animal confined in a building or secure enclosure and under proper care.

e. No person may cause an animal to fight another animal or human being, whether for amusement or financial gain; or train, or keep for the purpose of training, an animal for exhibition in combat with an animal or human being. No person may permit property that the person owns or controls to be used for any of the purposes described in this subsection.

f. No person may use a trap or snare within the City limits that can kill or injure a domestic animal except under the supervision of a state or federal wildlife agency addressing a specific nuisance wildlife issue, and with prior notice to the Animal Control Officer of the name and contact information of each person who will be working the trap(s), and the type of trap(s) and the location of trap(s) being used.

g. No person may cause or permit an animal that the person owns or controls to molest or harass wild or domesticated animals.

h. The driver of a vehicle involved in an accident resulting in injury to an animal shall stop the vehicle as close to the scene of the accident as safely possible and inform the owner of the animal of the accident and injury to the animal, if the animal’s ownership is readily ascertainable. If the owner of the animal is not readily ascertainable, the driver shall inform...
the Animal Control Officer or Police Department as quickly as reasonably possible of the accident and injury to the animal.

i. Notwithstanding any other provision of this section, the Animal Control Officer, a peace officer or a licensed veterinarian may humanely euthanize an animal that in that person’s opinion is so seriously ill or injured that medical treatment would needlessly prolong the animal’s suffering, provided that if the animal bears identification of ownership, the Animal Control Officer, law enforcement officer or licensed veterinarian first shall make a reasonable effort to inform contact the owner of the animal’s condition and obtain the owner’s consent to before euthanizing the animal.

j. This section does not apply to: impounding, destruction, or other disposition of an animal in a humane manner as authorized by law Homer City Code and/or Alaska Statutes; killing or injuring an animal where necessary to protect a human being or domesticated animal from death or bodily injury; or the humane destruction of an animal by its owner or the owner’s authorized agent.

k. A violation of subsections (a) through (h) of this section shall be punishable by a fine of not less than $300.00 nor more than $500.00, and the unsuspended portion of the fine shall not be less than $300.00. [Ord. 16-38(S)(A) § 4, 2016].

20.08.060 — Boarding dogs at animal shelter. — Repealed

The Homer Animal Shelter may accept a dog for boarding if the following requirements are met:

a. The owner and dog must reside inside the City.

b. The owner pays boarding fees in advance for a maximum of 10 days. The owner shall pay double the standard boarding fees for any time from the end of the time for which boarding fees were paid in advance until the owner claims the dog from the animal shelter.

c. The owner provides proof from a veterinarian that the dog has current vaccinations for rabies, parvo, distemper and Bordetella (kennel cough).

d. The owner exhibits proof that the dog has a current City dog license.

e. The owner reserves boarding space 24 hours in advance of the desired boarding time, and at the time of reservation space to board the dog will be available. The animal shelter will not board more than four dogs at a time.
The animal shelter may deny boarding to a dog that it determines to be sick, injured, vicious, or in heat.

Before the boarding time begins, the owner of the dog executes a boarding agreement including all the requirements in this section and an agreement to hold the Homer Animal Shelter and the City harmless and waive liability claims against the Homer Animal Shelter and the City.

All boarding costs shall be paid in full before the dog is released to its owner or designee.

The Homer Animal Shelter will not board dogs if any licensed private commercial boarding kennel is operating within the City and that facility has space available for animal boarding.

20.08.070 Female animals in heat – Confinement required.

Every female dog or cat animal in season shall be kept confined in a building or secure enclosure, or in a veterinary hospital or boarding kennel, in such a manner that such female dog or cat animal cannot come in contact with another dog or cat animal except for planned breeding purposes.

20.08.080 Abandonment of animals.

No person may intentionally abandon an animal including without limitation leaving the animal unattended outside of the animal shelter.

20.08.090 Maintenance and sanitation.

A person who owns an animal shall maintain all structures, pens and yards where the animal is kept, and all areas adjacent thereto, in a clean and sanitary condition and free from objectionable odor.

20.08.100 Adoption of shelter animals.

To minimize the destruction of animals, the City shall make unclaimed animals and animals turned in to the animal shelter for disposal available for adoption by any adult person except as restricted herein. The City may collect a fee may be collected for the adoption of each animal as listed in the City of Homer Fee Schedule. The Animal Control Officer may deny adoption of an animal to any person with a documented record of frequent violations of this title or a history of animal abuse, neglect, or housing animals in inhumane or unsanitary conditions. Frequent violation for purposes of this section shall mean three or more convictions in the last 24 months.
20.08.110 Disposal of animal at request of owner.

The animal shelter will accept an animal from its owner for disposal upon the owner’s execution of a written consent agreement holding the City harmless from liability for the destruction of the animal. Upon execution of the agreement, the animal becomes property of the City and at the City’s option may be disposed of by adoption or destruction in a humane manner. The City reserves the right to refuse to dispose of any animal. [Ord. 16-38(S)(A) § 4, 2016].

Section 3. Homer City Code Chapter 20.12 Licensing of Animals is hereby repealed.

Chapter 20.12 LICENSING OF ANIMALS

Sections:
20.12.010 License required – Issuance.
20.12.020 License tag to be worn and displayed.
20.12.030 Repealed.
20.12.010 License required – Issuance.

No person may own, keep or harbor a dog over four months of age in the City that is not licensed as provided in this chapter. The animal shelter shall issue a dog license upon receiving an application stating the owner’s name and address and the name, breed, color and sex of the dog, a certificate from a licensed veterinarian that the dog has a current rabies vaccination, and payment of the license fee. A dog license shall be issued for a period of two years that begins on January 1st of an even-numbered year and ends on December 31st of the following odd-numbered year. The full license fee shall be payable for a dog license that is issued at any time during an even-numbered year and the fee for a dog license that is issued at any time during an odd-numbered year shall be one half of the full license fee. [Ord. 16-38(S)(A) § 5, 2016; Ord. 14-52 § 1, 2014; Ord. 88-1, 1988].

20.12.020 License tag to be worn and displayed.

Upon payment of the license fee, the animal shelter shall issue to the owner of a dog a receipt for payment of the license fee and a license tag for the dog. The tag shall bear the years for which it was issued and a number corresponding to the number on the receipt. The owner of a dog subject to licensing under this chapter shall cause the dog to wear a collar or harness to which the license tag shall be affixed at all times. In case a dog tag is lost or destroyed another will be issued upon payment of a replacement fee. Dog tags are not transferable from one dog to another. [Ord. 16-38(S)(A) § 6, 2016; Ord. 88-1, 1988].

20.12.030 Counterfeit tags prohibited.
Section 4. Homer City Code Chapter 20.16 Animal Disease Control is hereby amended as follows:

**Chapter 20.16**

**ANIMAL DISEASE CONTROL**

Sections:

20.16.010 Rabies vaccination required.
20.16.020 Quarantine of rabid animals required.
20.16.030 Rabies vaccination voucher authorization.
20.16.010 Rabies vaccination required.

Every owner of a dog over four months old shall have the dog vaccinated against rabies. [Ord. 16-38(S)(A) § 8, 2016; Ord. 88-1, 1988].

20.16.020 Quarantine of rabid animals required.

a. If a dog or other animal is believed to have rabies or to be vicious, or has been bitten by a dog or other animal suspected of having rabies, the dog or other animal shall be confined by a leash or chain in a substantial enclosure on the owner’s premises and shall be placed under the observation of a duly licensed physician or veterinarian for 10 days at the expense of the owner. The owner shall notify a peace officer or the Animal Control Officer that the dog has been exposed to rabies, and the officer may, at the officer’s discretion, place the dog under observation in a designated isolation ward at the animal shelter for the quarantine period at the expense of the owner. (Note: also see 7 AAC 27.020.)

b. The Chief of Police or Animal Control Officer shall promptly notify the State Health Department Officer of the location and description of the dog or other animal having rabies or suspected of having rabies, and supply the State Health Officer with the names and addresses of the persons who have been bitten, scratched or had any contact with the suspected animal.

c. A peace officer The Animal Control Officer may enter upon private property where a dog or other animal that is alleged to have bitten a person is kept, to inspect, seize and impound the dog as provided in this chapter. [Ord. 16-38(S)(A) § 9, 2016; Ord. 88-1, 1988].

20.16.030 Rabies vaccination voucher authorization.

The Animal Control Officer may collect the fee for, and issue to an owner claiming a dog at the animal shelter who is unable to provide adequate proof of current rabies vaccination for the dog, a “rabies vaccination voucher.” This voucher shall be valid for 30 days, and within that
period shall entitle the bearer to rabies vaccination for the dog identified thereon, at any licensed veterinarian agreeing to accept same. The City Animal Shelter contractor shall set fees for such voucher at the average rates currently being charged by all veterinarians licensed within the City. [Ord. 16-38(S)(A) § 10, 2016; Ord. 88-1, 1988].

Section 5. Homer City Code Chapter 20.20 Dangerous Animals is hereby amended as follows:

Chapter 20.20
DANGEROUS ANIMALS

Sections:
20.20.010 Permitting animals to bite prohibited.
20.20.020 Destruction prohibited pending quarantine.
20.20.030 Vicious animal.
20.20.040 Administrative hearing procedures.
20.20.050 Destruction of vicious animal.
20.20.060 Conditional release of vicious animal.

20.20.010 Permitting animals to bite prohibited.

a. No person may permit any animal that the person owns or controls to bite a person or another animal, unless the person bitten is engaged in the commission of a criminal act. It is an affirmative defense to a charge of violating this section that the victim of the bite provoked the animal into biting, or was bitten while trespassing on premises totally enclosed by chain link or similar density fencing by an animal housed therein. A violation of this section shall be punishable by a fine of not less than $300.00 and not more than $500.00, and the unsuspended portion of the fine shall not be less than $100.00.

b. No person may permit any dog to habitually annoy any animal or bird either domestic or wild. Any dog that evinces a disposition which makes it likely that it will without provocation bite an animal or fowl, will be considered a vicious animal subject to the provisions of 20.20.030.

b. The City shall serve notice on the owner of an animal which has bitten a person or another animal without provocation, advising the owner that the animal is now a vicious animal and is subject to destruction if at large. [Ord. 16-38(S)(A) § 11, 2016; Ord. 88-1, 1988].

20.20.020 Destruction prohibited pending quarantine.

No person may kill or maim an animal which is known to have bitten a person or animal without the prior consent of the Chief of Police Animal Control Officer. Nothing in this section
shall prohibit the killing of an animal where such destruction is necessary for the protection of life and limb, or for the purpose of preventing a further attack. One of the purposes of the enactment of this chapter is to enable the Chief of Police Animal Control Officer to observe any dogs and other animals which have bitten any person or animal in order to determine whether the same are infected by rabies. A violation of this section shall be punishable by a fine of not less than $300.00 and not more than $500.00, and the unsuspended portion of the fine shall not be less than $100.00. [Ord. 16-38(S)(A) § 12, 2016; Ord. 88-1, 1988].

20.20.030 Vicious animal.

No person may:

a. Permit a vicious animal to be at large;

b. Knowingly or negligently permit a vicious animal to bite any person unless the person bitten is in the act of committing a criminal offense;

c. Permit a vicious animal to be housed or transported in or on any motor vehicle unless the animal is muzzled to prevent the animal from biting any person. (Exception: vicious animals locked in the passenger compartment of a motor vehicle need not be muzzled if the windows are adequately closed to prevent the animal from exiting the vehicle);

d. Permit a vicious animal to leave premises owned or controlled by the animal's owner or his agent (except as authorized in subsection (c) of this section) unless the animal is securely muzzled.

Any animal in violation of subsection (a) or (b) of this section shall, upon conviction of the owner or the agent, for that offense, be immediately seized by the City and held for destruction. A violation of this section shall be punishable by a fine of not less than $300.00 nor more than $500.00, and the unsuspended portion of the fine shall not be less than $100.00. [Ord. 16-38(S)(A) § 13, 2016; Ord. 88-1, 1988].

20.20.040 Administrative hearing procedures.

All animals seized pursuant to HCC 20.20.030 shall be held in impound pending an administrative hearing concerning their potential destruction. The administrative hearing shall be conducted as follows:

a. An Administrative Hearing Board shall be convened consisting of the City Manager (who shall chair the proceedings), The Chief of Police, or their designee shall serve as hearing officer, and one member of the City Council (selected by the City Manager).
b. A notice of administrative hearing shall be served upon the animal’s owner or his designee under the procedures set for service of summons in a civil action. The notice shall specify the date, time, and location of the hearing. The hearing may not be less than three days following the service of the hearing notice on the animal owner or his designee.

c. The hearing shall consider all information pertinent to the specific violation of HCC 20.20.030 which initiated the impoundment and hearing process, and may additionally consider any information concerning prior violations or incidents with this same animal, as well as any information concerning the animal owner’s or his designee’s prior violations of the Homer animal ordinances with any other animal.

d. The hearing shall address and enter its formal findings as to whether:

1. The animal is a vicious animal under HCC 20.04.020;
2. The owner or designee thereof failed to use all reasonable precautions to control his animal and protect the public;
3. The circumstances of this incident under consideration constitute a danger to the public.

e. If a majority of Board members finds in the affirmative as to all three of the provisions of subsection (d) of this section, the Hearing Board shall order the animal destroyed. The owner or designee, if present at the hearing, shall be verbally notified of the findings and order at the conclusion within 24 hours of the hearing. Written findings shall also be prepared and served upon the owner or designee. If the owner or designee is not present at the hearing, written findings and destruction order shall be served on that person as soon as possible following the hearing.

f. Absent an affirmative finding by the Hearing Board as to one or more of the provisions of subsection (d) of this section, the animal shall be immediately released to its owner or designee. The Hearing Board shall, in the event of release under this provision, prepare a written notice which shall be delivered or mailed to the animal’s owner, outlining the recommendations as to actions that owner should take to prevent future incidents and to protect the public.

g. Any appeal of the Hearing Board’s finding and destruction order shall be taken through the Alaska Court System within 30 days of the receipt of said findings and order by the owner. The filing of an appeal will automatically stay the order of destruction pending resolution of the appeal. The animal shall remain in impound at the owner’s expense pending resolution of the appeal. [Ord. 16-38(S)(A) § 14, 2016; Ord. 88-1, 1988].

**20.20.050 Destruction of vicious animal.**
Vicious animals to be destroyed upon Administrative Hearing Board Officer order shall be destroyed as follows:

a. The animal shall remain in impound for 10-30 days following the date the owner (or his designee) is verbally notified of the Hearing Board’s hearing officer’s decision, or the date that a written finding and destruction order is served on the owner (or his designee) to allow that person to appeal the destruction order through the courts.

b. If the City is not served with a notice of appeal of the destruction order within the 10-30 day holding period outlined in subsection (a) of this section, the City shall immediately proceed to humanely destroy the animal. [Ord. 88-1, 1988].

20.20.060 Conditional release of vicious animal.

The City may, at its option, in lieu of destruction of the animal, agree to return the vicious animal to its owner (or his lawful agent) if that person signs a contractual conditional release agreement with the City wherein the owner agrees:

a. To immediately remove the animal from the City;

b. Agrees to the immediate seizure and destruction of the animal if it enters the City limits;

c. Agrees to defend and indemnify the City for any and all damages resulting from any act of this animal from the date of the agreement;

d. Any other reasonable provision deemed necessary by the City Attorney Animal Control Officer. [Ord. 88-1, 1988].

Section 6. Homer City Code Chapter 20.24 Enforcement Authority – Interference is hereby amended as follows:

Chapter 20.24
ENFORCEMENT AUTHORITY – INTERFERENCE

Sections:
20.24.010 Enforcement.
20.24.020 Interference with enforcement officer prohibited.
20.24.030 Unauthorized removal of animals.
20.24.040 Tampering with City live traps prohibited.
20.24.050 Removal of quarantined animals prohibited.
20.24.060 Furnishing false information.
20.24.010 Enforcement.

This title may be enforced by any peace officer Animal Control Officer. Additionally, a private person may lawfully detain any animal in violation of this title provided the person promptly notifies the Animal Control Officer and surrenders the animal to the Animal Control Officer in compliance with HCC 20.08.040(b). [Ord. 16-38(S)(A) § 15, 2016; Ord. 88-1, 1988].

20.24.020 Interference with enforcement officer prohibited.

No person shall interfere with, oppose or resist any peace officer or an Animal Control Officer in the performance of his their duties as provided in this title. A violation of this section shall be punishable by a fine of not less than $300.00 nor more than $500.00, and the unsuspended portion of the fine shall not be less than $100.00. [Ord. 16-38(S)(A) § 15, 2016; Ord. 88-1, 1988].

20.24.030 Unauthorized removal of animals.

No person may remove or release any animal from the animal shelter, animal control vehicles, municipal animal traps or from any other official custody without first obtaining permission to do so from the Animal Control Officer or any peace officer. A violation of this section shall be punishable by a fine of not less than $300.00 nor more than $500.00, and the unsuspended portion of the fine shall not be less than $100.00. [Ord. 16-38(S)(A) § 15, 2016; Ord. 88-1, 1988].

20.24.040 Tampering with City live traps prohibited.

No person may tamper with any City-owned or City-operated animal live trap. “Tampering” means removal or destruction of bait(s), tripping the door closure mechanism, obstructing the entryway so as to prevent animals from entering the trap, or the physical removal of the trap from its position. A violation of this section shall be punishable by a fine of not less than $300.00 nor more than $500.00, and the unsuspended portion of the fine shall not be less than $100.00. [Ord. 16-38(S)(A) § 15, 2016; Ord. 88-1, 1988].

20.24.050 Removal of quarantined animals prohibited.

No person may remove from the animal shelter or any veterinary hospital, or from any other place, any animal which has been quarantined without the consent of the Chief of Police or Animal Control Officer. A violation of this section shall be punishable by a fine of not less than $300.00 nor more than $500.00, and the unsuspended portion of the fine shall not be less than $100.00. [Ord. 16-38(S)(A) § 15, 2016; Ord. 88-1, 1988].

20.24.060 Furnishing false information.
No person may knowingly provide false information on any license application, adoption or disposal agreement, boarding agreement, citation, or any other official document being executed pursuant to this title. [Ord. 16-38(S)(A) § 15, 2016; Ord. 88-1, 1988].

Section 7. Homer City Code Chapter 20.08 Kennels is hereby amended as follows:

Chapter 20.28
KENNELS

Sections:
20.28.010 Kennels – Generally.
20.28.020 Kennel license – Required.
20.28.030 Kennel license fee.

20.28.010 Kennels – Generally.

a. No kennel shall be maintained or operated in such a manner as to constitute a nuisance to persons owning or occupying land in the vicinity of the land on which the kennel facility is operated or maintained.

b. Any complaint that a kennel is in violation of this chapter shall be referred to the Animal Control Officer. The Animal Control Officer may inspect the facilities to determine whether such kennel constitutes a health hazard, nuisance or otherwise violates this chapter. Such inspection shall be completed within seven days of the complaint.

c. If the Animal Control Officer determines that the kennel complained of is a health hazard, violates this chapter, or is a public nuisance, or that dogs may not be safely kept therein, the owner shall be notified and shall be granted a reasonable length of time within which to remedy any deficiencies found and to comply with requirements of this chapter.

d. If, upon a second inspection after the expiration of the time granted in the notice, the kennel is still in violation, the Animal Control Officer may then revoke any license previously issued for such kennel. [Ord. 16-38(S)(A) § 16, 2016; Ord. 88-1, 1988].

20.28.020 Kennel license – Required.

a. No person may own or operate a kennel without first obtaining a kennel license. Application for a kennel license shall be made to the Animal Control Officer.

b. Before a kennel license is issued, the Animal Control Officer shall inspect the kennel to confirm that the kennel:

1. Has adequate shelter for the dogs from the elements;
2. Has adequate provisions for keeping the dogs on the owner’s premises; and

[Bold and underlined added, Deleted language stricken through]
3. Has adequate provisions for keeping the premises in a sanitary condition.

Upon finding that the kennel is in compliance with this chapter, the Animal Control Officer shall issue the license. [Ord. 16-38(S)(A) § 16, 2016; Ord. 88-1, 1988].

20.28.030 Kennel license fee.

A kennel license shall be issued for a period of two years that begins on January 1st of an even-numbered year and ends on December 31st of the following odd-numbered year. The full license fee shall be payable for a kennel license that is issued at any time from January 1st of an even-numbered year through June 30th of the following odd-numbered year, and the fee for a kennel license that is issued in an odd-numbered year on or after July 1st shall be one-half of the full license fee. The kennel license fee shall be in lieu of a dog license fee for each individual dog that is kept at the kennel; however, each dog that is kept at the kennel shall be subject to all other requirements for the issuance of a dog license. Each animal kept at the kennel shall be considered licensed under the kennel license so long as it remains at the kennel. The owner of a dog that will remain in the City must obtain a dog license for the dog when it ceases to be kept at the kennel. for the amount listed in the City of Homer Fee Schedule [Ord. 16-38(S)(A) § 16, 2016; Ord. 88-1, 1988].

Section 8. Homer City Code Chapter 20.30 Records is hereby amended as follows:

Chapter 20.30

RECORDS

Sections:

20.30.010 Records.

20.30.010 Records.
a. The Animal Control Officer shall maintain complete and detailed records of the following as required by City contract:

1. The issuance and revocation of licenses under this title;

21. All animals brought into the custody of the animal shelter by impoundment or otherwise;

3. The disposition of all animals in the custody of the animal shelter;

43. Rabies immunizations vouchers issued;

5. Reports required by or made pursuant to this title;

6. Investigations of violations of this title;

7. Monies received for fees and charges imposed by this title; and

8. Notices of violation, including the disposition thereof.
b. The Animal Control Officer shall not disclose the identity of a person who surrenders an animal to the animal shelter or claims or adopts an animal from the animal shelter unless the Animal Control Officer determines that protection of the public health, safety or welfare requires such disclosure.

c. At the request of the Animal Control Officer, an animal owner shall authorize the owner’s veterinarian to release animal medical records related to a specific animal control investigation. [Ord. 16-38(S)(A) § 17, 2016].

Section 9. Homer City Code Chapter 20.32 Fees and Penalties is hereby amended as follows:

Chapter 20.32
FEES AND PENALTIES

Sections:
20.32.010 Animal control fee schedule.
20.32.020 Fine schedule.
20.32.030 Civil penalties.
20.32.010 Animal control fee schedule.

(1) The City licensing and Animal Shelter fees shall be set by City Council resolution, shall be included in the City of Homer’s fee schedule and may be amended by City Council resolution.

(2) All impounded animals must be properly licensed and microchipped and have current rabies vaccinations prior to being released. Owners of impounded animals will be charged a daily boarding fee for every full day that the animal stays in the shelter. Vaccination and license fees shall be the owner’s responsibility.

(3) Animals being adopted shall be properly licensed and microchipped and vaccinated.

(4) The City Animal Shelter shall charge for any additional expense incurred by the City in the actual impoundment, transportation, medical care, housing or feeding of any animal; which expenses shall be paid in full prior to the animal’s release.

(5) Disposition of Fees. All license and shelter fees collected pursuant to this chapter shall be paid into the general fund of the City to the Animal Shelter contractor. [Ord. 16-38(S)(A) § 18, 2016; Ord. 01-54, 2001; Ord. 88-1, 1988].

20.32.020 Fine schedule.

Citations for offenses listed in this section may be disposed of as provided in AS 12.25.195 through 12.25.230, without a court appearance, upon payment of the fine amounts listed
below plus the State surcharge required by AS 12.55.039 and 29.25.074. Fines must be paid to
the court. The Rules of Minor Offense Procedure in the Alaska Rules of Court apply to all
offenses listed below. Citations charging these offenses must meet the requirements of Minor
Offense Rule 3. If a person charged with one of these offenses appears in court and is found
guilty, the penalty imposed for the offense may not exceed the scheduled fine amount plus any
surcharge required to be imposed by AS 12.55.039 and 29.25.074. If an offense in this title is not
listed in the fine schedule, the defendant must appear in court to answer the charges.

20.32.030 Civil penalties.

In addition to or as an alternative to the criminal penalty mentioned in HCC 20.32.020, any person violating any provision of this title shall be subject to a civil penalty of not more than $500.00. Each and every day that such violation continues shall be deemed a separate and distinct violation. In addition, a civil injunction or temporary restraining order may be obtained in order to obtain immediate compliance with the provisions of this chapter. The City may seek an award of reasonable attorney fees and costs from the court in prosecuting such an action. [Ord. 88-1, 1988].
Memorandum 16-026

TO: MAYOR WYTHE AND THE HOMER CITY COUNCIL
FROM: MELISSA JACOBSEN, CMC, DEPUTY CITY CLERK
THROUGH: KATIE KOESTER, CITY MANAGER
DATE: FEBRUARY 1, 2016
SUBJECT: FINAL REPORT AND RECOMMENDATIONS FROM THE SUSTAINABLE ANIMAL CONTROL REVIEW COMMITTEE

The Sustainable Animal Control Review Committee (SACRC) met at least once monthly from October 2015 through January 2016. There was considerable public interest in this committee and members of the public attended the meeting on a regular basis. The purpose of the committee was to look at ways to operate the shelter more economically.

The SACRC recommended fee changes for the animal shelter to the Homer City Council, which were included and passed in the December 2015 budget process. The fees for the shelter had not been examined in many years and the committee felt these new fees will make the shelter more sustainable.

City liability was another issue the committee examined. The contract the City of Homer has with the contractor needs modification the next time an RFP is issued. The attorney recommends eliminating a specific paragraph in the contract (Page 16 Section V. Item C.) because the city cannot mandate contractor performance. It would be wise to review the content of the whole contract before issuing the RFP next December. Patrick Lawrence contacted AMLJIA and they suggested increasing the value of the insurance policy the contractor holds. The contractor has taken steps to increase the coverage in the new year.

The SACRC understands the city is in the process of changing the city website. While this activity is going on, the SACRC recommends that the city include links to the Animal Shelter contractor and Homer Animal Friends. Also the committee felt there would be more compliance with license purchase if an option to purchase the license were available online and all fees were clearly posted online.

Maintenance of the shelter was discussed. The city maintains the shelter and the contractor operates the shelter. Proper maintenance will sustain the building. The contractor and the Public Works department have discussed improved maintenance visits and communication. The HVAC system
maintenance was discussed in detail. The committee recommends cleaning the HVAC system once a year and perhaps twice a year.

Another way the committee felt the shelter could operate more economically was to have local veterinarians become involved. As a result of the SACRC process, the Homer Veterinary Clinic will be providing on-site support monthly to help the shelter contractor and volunteers meet the ASV (Association of Shelter Veterinarians) Standards of Care in Animal Shelters using ASPCA (American Society for the Prevention of Cruelty to Animals) checklists. This work will be provided pro-bono by staff veterinarians and licensed veterinary technicians.

Safety issues were considered. Limiting the city’s liability was a topic of discussion. The committee looked at OSHA compliance and recommended an OSHA consultation in the future. The SACRC felt this voluntary visit by OSHA should be postponed for a few months, until the contractor feels they would benefit the most.

There are numerous grants available to nonprofit animal shelters that would provide considerable assistance to the operation of the shelter. The committee contemplated how the City of Homer could qualify for these grants, given the shelter is run by a contractor and the city does not operate the shelter. At this time, SACRC did not determine a way to qualify the shelter for these grants but the committee would encourage the new city grant writer to further examine possibilities for grants.

The committee examined other ways to save funds such as shelter specific software for financial tracking and records management. Improved tracking of income from the shelter will allow improved oversight of costs in running the shelter.

The SACRC felt that education of the public would also improve shelter operation. The committee understands the city intends to add informational brochures with bills in the future. To that end, a community volunteer from Homer Animal Friends has developed an informational brochure about the shelter and its fees to be included in the bills in the future.

Volunteers assist in smooth operation of the shelter. This topic was addressed in a myriad of ways. Most importantly, a Volunteer Release Form, per attorney advice, was developed to decrease city liability. The contractor reviewed their volunteer manual for both dog and cat care.

The committee looked at Chapter 20 in the city code, which has not been updated since 1988. Time did not allow the committee to thoroughly review this chapter but there were several places in the code that members felt needed refining. For instance, there was nothing addressing safety of animals in open vehicles. The committee strongly encourages the City Council to update Chapter 20. City staff who participated on the committee is willing to assist with this and would solicit input from the contractor to provide recommended updates to the code in the future with Council’s direction.

The SACRC did feel that the most efficient operation of the shelter would come from a city employee operating the shelter instead of a contractor.

Every member of the SACRC committee felt that it would be worthwhile for the city to continue an Animal Shelter Review committee. This committee would help the contractor with smooth
operation of the shelter and be a go between for the city and the contractor. The SACRC understands the council does not want to create new committees as a cost saving measure. The contractor has determined they will initiate a committee of their choosing to meet quarterly or as needed for shelter support.

As happens with committees, the scope of work seems to grow as members begin their work. There are numerous items that came up that could not be accomplished but we feel the process allowed us to work together raising awareness, soliciting input and establishing goals. Thank you so much for establishing this committee.
Resolution 23-074, A Resolution of the City Council of Homer, Alaska Approving a Task Order to RESPEC in the Not to Exceed Amount of $100,790 for the Final Design of Renovations to the Beluga Sewage Lift Station and Authorizing the City Manager to Negotiate and Execute the Appropriate Documents. City Manager/Public Works Director.

Item Type: Backup Memorandum
Prepared For: City Council
Date: July 18, 2023
From: Janette Keiser, PE, Public Works Director/City Engineer
Through: Rob Dumouchel, City Manager

I. **Issue:** The purpose of this Memorandum is to recommend the award a Task Order to RESPEC Company LLC (RESPEC) to provide the final design and services during construction for renovations to the Beluga Sewer Lift Station.

II. **Background:** The Beluga Sewage Lift Station is a major piece of the City’s sewer system, transporting all sewage from the Spit as well as the Lakeshore Drive/Ocean Drive neighborhoods. The mechanical/electrical components as well as the concrete structure comprising this lift station, have seriously corroded and are continuing to do so. Rehabilitation is necessary to extend the useful life of this lift station and protect the neighborhoods it serves. In late 2020, the City commissioned HDL Engineering (HDL) to provide a preliminary design, which was completed in April 2021. It is now time to complete final design and develop a strategy to construct the renovations.

---

1 All the sewage from the Spit flows through this lift station. In the winter flows on the Spit are substantially reduced, which means sewage sits in the pipes longer than it does in the summer. This pooling gives the sewage time to generate substantial volumes of hydrogen sulfide, a powerfully corrosive and dangerous gas. When you walk by the lift station and smell rotten eggs, you are smelling low concentrations of hydrogen sulfide. Over time, the acid has caused the concrete structure of the lift station to crack, spall and otherwise deteriorate. This is putting the structure at increasing risk of failure. Likewise, the acid adversely affects the values, pipes, controls and other mechanical/electrical systems, decreasing their useful life.
We asked HDL and RESPEC Company LLC (RESPEC), which has a mechanical engineer in Homer, to provide proposals for the final design. HDL’s estimate of the costs was $130,485, which doesn’t include surveying or services during construction, to be paid on a Time and Materials basis. RESPEC proposed to perform the final design work for the Lump Sum price of $85,720, which includes surveying. They also offered to provide services during construction at an estimated cost of $15,070, to be paid on a Time and Materials basis, bringing the total value of RESPEC’s proposal to $100,790. We do not award engineering service contracts on the basis of price alone, but consider other factors. In this case, we consider both firms to be equally technically qualified and the cost difference is substantial. Further, it’s been very beneficial and economical to have local mechanical engineering talent. We’ve been working with RESPEC for over a year on various projects related to the Homer’s water and waste water systems. The company’s immediate responsiveness has saved our bacon on multiple occasions. While HDL is responsive, they need to come from Anchorage to check out a problem, which costs more money and takes more time. We recommend award of the task order for this work to RESPEC.

The April 2021 estimated cost to complete the project was $915,883. The project is listed on the Alaska Department of Environmental Conservation’s FY24 Intended Use Plan for Clean Water State Revolving Loan Funds in the amount of $2,937,358 and we qualify for a Principal Forgiveness Subsidy in the amount of $500,000. Once final design had been completed and we have an updated cost estimate, we will come back to Council with recommendations for a funding plan.

III. **RECOMMENDATION:** That the City Council award a Task Order to RESPEC in the Not To Exceed amount of $100,790.
STATEMENT OF SERVICES

CITY OF HOMER — BELUGA LAKE LIFT STATION UPGRADE

AUGUST 2023
CITY OF HOMER — BELUGA LAKE LIFT STATION UPGRADE

In 2021, the City of Homer (CITY) contracted HDL to perform a condition assessment site investigation for the Beluga Lake Lift Station. HDL developed a preliminary concept design, and the City has requested that RESPEC Company, LLC (ENGINEER) and Geovera, LLC (SURVEYOR) provide professional services to complete the design and to develop construction documents. This Statement of Services serves to identify the proposed scope, deliverables, assumptions, owner’s responsibilities, schedule, and fee.

1.0 PROJECT SCOPE SUMMARY

The proposed scope of the Beluga Lake Lift Station Upgrade Project is as follows:

1. Install a prefabricated fiberglass wet well within the existing concrete wet well.
2. Replace the existing piping in the wet well with stainless steel or plastic piping.
3. Remove the existing, vulnerable valves from the existing wet well and place them in a shallow valve vault.
4. Perform an assessment of the existing electrical and controls vault and determine if it can be salvaged. If salvageable, the vault will be relocated to allow the placement of the shallow valve vault. If unable to be salvaged, the vault will be replaced and relocated to allow the placement of the shallow valve vault.
5. Replace the existing pumps with like sized new pumps compatible with pumps in other lift stations.

2.0 ENGINEERING REQUIREMENTS

Upon this Agreement becoming effective, the ENGINEER and SURVEYOR shall perform the tasks:

1. Perform survey to capture existing topography and locate utilities.
2. Review record drawings of the lift station to confirm existing conditions.
3. Visit the site to confirm existing conditions and perform surface inspection of visible features.
4. Develop Design Narrative and Design Drawings for construction.
5. Coordinate with Owner for project information.
6. Coordinate with equipment vendors to identify the basis of design equipment selections.
7. Coordinate and attend review meetings with Owner.
9. Provide Bidding Support and Services During Construction

2.1 65% DESIGN DEVELOPMENT

1. Review as-built drawings, survey data, and photos of the site to determine existing conditions.
2. Develop design documents to upgrade Beluga Lake Lift Station, per Project Scope summary listed above.
2.2 95% PRE-FINAL DESIGN DOCUMENTS

Update the design based on comments received from 65% design and further develop for construction.

- Design narrative/design criteria document
- Drawings
- Specifications (on the drawings)

2.3 CONSTRUCTION DOCUMENTS

Update the design based on comments received from 95% design and finalize design and issue signed Construction Documents.

- Design narrative/design criteria document
- Drawings
- Specifications (on the drawings)
- Bypass Pumping Plan
- Assist with ADEC Approval to Construct Request

2.4 SERVICES DURING CONSTRUCTION

- Assist the City with bid reviews and selection
- Attend Pre-Construction Meeting and intermittent inspections during construction
- Review Submittals/Respond to Contractor Requests for Information (RFI's)
- Review Contractor redlines and produce record drawings
- Assist with ADEC Final Approval to Operate Request

3.0 ASSUMPTIONS

1. Electrical and controls designs are to be performed by others.
2. RESPEC is to develop the original concepts from the HDL Engineer’s Report and use the findings identified in the 2021 report.
3. Permitting fees are to be paid by the City.

4.0 OWNER RESPONSIBILITIES

1. Drawings in AutoCAD format of the site for use as the Project base plans.
2. Provide access to the lift station as needed.
5.0 SCHEDULE
The schedule for the project is as follows, or to be determined, pending coordination with the OWNER:

1. Notice-to-Proceed: TBD
2. 65% Design Development 8 weeks after NTP
3. 95% Pre-Final Design Documents 8 weeks after receiving comments on 65%
4. Construction Documents 3 weeks after receiving comments on 95%

6.0 METHOD OF PAYMENT
The Consultant will perform the design services on a lump sum basis for $85,720 and services during construction on a time and expense basis of $15,070. See attachment for additional information.

END OF STATEMENT OF SERVICES
The prices quoted are valid and in effect for 90 days. After 90 days, prices are subject to change in accordance with RESPEC’s commercial practices.

CITY OF HOMER
HOMER, ALASKA

City Manager/
Public Works Director

RESOLUTION 23-074

A RESOLUTION OF THE CITY COUNCIL OF HOMER, ALASKA
APPROVING A TASK ORDER TO RESPEC COMPANY LLC NOT TO
EXCEED AMOUNT OF $100,790 FOR THE FINAL DESIGN OF
RENOVATIONS TO THE BELUGA SEWAGE LIFT STATION AND
AUTHORIZING THE CITY MANAGER TO NEGOTIATE AND EXECUTE
THE APPROPRIATE DOCUMENTS.

WHEREAS, The FY24 Capital Budget includes $100,000 for the final design of
renovations to the Beluga Sewage Lift Station; and

WHEREAS, RESPEC Company LLC (RESPEC) proposed to prepare a final design and
provide services during construction for the not to exceed amount of $100,790 and

WHEREAS, The April 2021 estimated cost to complete the project was $915,883; and

WHEREAS, The project is listed on the Alaska Department of Environmental
Conservation’s FY24 Intended Use Plan for Clean Water State Revolving Loan Funds in the
amount of $2,937,358 and the City has been offered a Principal Forgiveness Subsidy in the
amount of $500,000; and

WHEREAS, Once final design and an updated cost estimate have been completed, staff
will come back to Council with recommendations for a construction funding plan.

NOW, THEREFORE, BE IT RESOLVED that the City Council of Homer, Alaska hereby
authorizes award of a Task Order for the final design and services during construction for the
Beluga Sewage Lift Station to RESPEC in the not to exceed amount of $100,790, and authorizes
the City Manager to negotiate and execute the appropriate documents.

PASSED AND ADOPTED by the Homer City Council on this 14th day of August, 2023.

CITY OF HOMER

MELISSA JACOBSEN, MMC, CITY CLERK

Fiscal Note: FY24 Capital Budget
Resolution 23-075, A Resolution of the City Council of Homer, Alaska Approving a Contract with Raven Ridge Dirtworks, LLC of Homer, Alaska in the Amount of $24,000 for the Disposal of Bio-Solids at the City of Homer Wastewater Treatment Plan and Authorizing the City Manager to Negotiate and Execute the Appropriate Documents. City Manager/Public Works Director.

I. Issue: The purpose of this Memorandum is to request authorization to issue a contract for removal of bio-solids from the wastewater treatment plant. The bio-solids will be disposed of in the Kenai Peninsula Borough Landfill in Soldotna.

II. Background: Public Works staff did not have time to do the work of removing the bio-solids ourselves, so on July 10, 2023, requests for quotation were sent out to five contractors who, according to our experience were qualified to do the work. The City of Homer Procurement Manual only requires publicly advertised bids and formal procedures for sealed bids on contracts exceeding $25,000 in value. For contracts between $10,000 and $25,000 the City is required to solicit quotation from at least two bidders whenever possible.

Public Works ended solicitation of quotations on July 28, 2023 having received two quotations:

a. Raven Ridge Dirtworks, LLC $24,000
b. Dutch Boy Landscaping & Paving $24,942

III. Recommendation: That the City Council authorize the City Manager to issue a contract with Raven Ridge Dirtworks, LLC for the Disposal of Bio-solids at the City of Homer Wastewater Treatment Plant.
RESOLUTION 23-075

A RESOLUTION OF THE CITY COUNCIL OF HOMER, ALASKA
APPROVING A CONTRACT WITH RAVEN RIDGE DIRTWORKS, LLC.
OF HOMER, ALASKA IN THE AMOUNT OF $24,000 FOR THE
DISPOSAL OF BIO-SOLIDS AT THE CITY OF HOMER WASTEWATER
TREATMENT PLANT AND AUTHORIZING THE CITY MANAGER TO
NEGOTIATE AND EXECUTE THE APPROPRIATE DOCUMENTS.

WHEREAS, Bio-solids need to be moved from the wastewater treatment plant to the Kenai
Peninsula Borough Landfill and City staff do not have time to move the bio-solids, meaning that the
services of a contractor are required; and

WHEREAS, A request for quotation was sent to more than two qualified potential bidders, in
accordance with the City of Homer Procurement Manual guidelines for contracts under $25,000; and

WHEREAS, Quotations were due Friday, July 28, 2023 and two quotations were received; and

WHEREAS, Raven Ridge Dirtworks, LLC was determined to be the lowest responsive, responsible bidder.

NOW, THEREFORE, BE IT RESOLVED that the City Council of Homer, Alaska hereby awards a
contract for the Disposal of Bio-Solids at the City of Homer Wastewater Treatment Plant to Raven Ridge
Dirtworks, LLC, of Homer, Alaska in the amount of $24,000 and authorizes the City Manager to negotiate
and execute the appropriate documents.

Resolution 23-076, A Resolution of the City Council of Homer, Alaska Approving a Contract to Kachemak Electric Company in the Amount of $40,000 to Upgrade the Electrical Works at the Fish Grinder Sewage Lift Station and Authorizing the City Manager to Negotiate and Execute the Appropriate Documents. City Manager/Public Works Director.

Item Type: Backup Memorandum
Prepared For: City Council
Date: July 18, 2023
From: Janette Keiser, PE, Public Works Director/City Engineer
Through: Rob Dumouchel, City Manager

I. Issue: The purpose of this Memorandum is to recommend the award a Sole Source contract to Kachemak Electric Company to upgrade the Fish Grinder sewage lift station.

II. Scope of Work:

The FY24 Capital Budget included $40,000 to upgrade the electrical and control works for the sewage lift station at the Fish Grinder Building. This is a companion project to the work that was authorized by Ordinance 22-80, which funded upgrades to electrical/control works for six other sewage lift stations. Resolution 22-089 awarded a sole source contract to Kachemak City Electric for that work. The FY24 Capital Budget provides funding to upgrade one more sewage lift station, the one at the Fish Grinder.

We recommend adding a small contingency to cover unforeseen conditions. For example, the cost of freight could differ from what we’ve estimated. Or, we could find that field installation is more

challenging than what’s been estimated – renovation of old systems almost always raises the unexpected. Or, materials costs could have increased since late 2022.

III. Sole Source Procurement

Homer City Code requires an open market procurement where the estimated value is more than $25,000 unless an exception exists. Three authorized exceptions are applicable in this case:

a. “Procurement of consultant and technical services”, HCC 3.16.060(d). The scope of work includes assessing the complex, highly technical issues, identifying the components that need to be replaced/rehabilitated, furnishing the components, installing the components and integrating the components with existing control systems. This needs to be done in the dangerous environment of high voltage electricity, operating lift sewage stations and fragile existing systems.

b. “Procurement of …construction completion services,” HCC 3.16.060(f). The goal is not to demolish the existing lift stations, but to rehabilitate the electrical/control systems that run those lift stations. In this context, the work is to “complete” fully functional lift station systems.

c. “Sole source procurement” HCC 3.16.060(i). When staff first started exploring the issues, they contacted four local electrical contracting companies, including: Shank Electric, Woodworth Electric, Liberty Electric and Kachemak Electric. Kachemak Electric was the only company that responded. It is unlikely we would get any better response advertising further afield because so much of the work requires on-site field investigations to assess the problems and prescribe fixes.

Kachemak Electric has worked with the City for over 20 years, helping to keep these electrical panels functioning. Its work included the upgrade to our current stand-alone SCADA system about 10 years ago. Kachemak Electric is the only local representative for our lift station SCADA manufacturer and is the only authorized supplier of parts for the system. There is no one else in town that has the degree of expertise and intimate knowledge of the workings of our complex lift station electrical/control systems that Kachemak Electric has. We think this is why the other local contractors chose not to respond. They knew they could not compete with Kachemak Electric. One of the local contractors said as much.

IV. RECOMMENDATION: That the City Council award a sole source contract to Kachemak Electric Company in the amount of $40,000.
Proposal is based on Mark Cialek email request of 6/20/23. Customer wants to proceed with unit B as proposed under PRIMEX original proposal 20222349.

Proposal references the following project information used in the original proposal as referenced above and includes those items as described in the attached Bill of Materials:

- E-Mails
  - 5/10/22 – Includes Overview Notes
  - 5/14/22 – Pictures
  - 5/25/22 – From James Trissel Clarifications and Motor Information
- Specifications (As related to proposed equipment)

Qty 1 - Spit Fish Grinder (Retrofit Existing Control Panel)

1. Equipment to furnished loose for in field mounting by others. New equipment to operate on existing voltages. New VFDs will replace existing motor starters. Front panel mounted equipment (Indicators, Operators, Resets) will be supplied on a new bezel to cover removed Eaton pump operators and indicators. Equipment for panel cooling will be supplied for installation on to existing panels. To include the following main items:
2. 2 VFD – Yaskawa sized for 480 volt, 3 phase, 15 HP at 22 FLA Hydromatic motors (Need to Verify Space in Panel and Motor FLA) - Space available in panel after removal of existing motor starters to accommodate new VFDs. (It is anticipated that each VFD will require 16” H x 9” W x 7” D space for mounting.
3. 1 Thermostatically Controlled Ventilation System
4. 2 Motor Current Transmitters
5. 1 Bezel Sized to cover the holes left by removal of the Eaton motor operators/monitors and reset PBs. – To include the following operators and indicators:
6. 2 Selector Switch – HOA
7. 2 Potentiometer, 1 Turn – VFD Speed
8. 2 Indicator Run
9. 2 Indicator VFD Failure
10. 2 Running Time Meter
11. 2 Display – Motor Current.
Note:

1. Existing panel to be retained and reworked to accommodate the above new equipment. It is anticipated that the following existing panel equipment will need to be moved to accommodate the replace the existing motor starters with new VFDs:
   1. Existing Motor Circuit Breakers to be Moved higher
   2. Small Transformer Next to existing Motor Starters may need to be moved. (It is not known if this item is necessary after the removal of the Eaton motor starters and may be able to just be removed.)
Space available in panel after removal of existing motor starters to accommodate new VFDs. (It is anticipated that each VFD will require 16" H x 9" W x 7" D space for mounting.)

Clarifications:

1. PRIMEX® requires a purchase order for all submittals for the amount quoted with “HOLD FOR APPROVAL” noted.
2. This proposal includes PRIMEX standard documentation package to include the following:
   1. Schematics
   2. Enclosure Layout
   3. Basic Bill of Material
   4. Cut Sheets/Data Sheets
   5. Description of Operation
3. Documentation package is provided electronically
4. PRIMEX quotations are based on factory estimated lead times at the time of quotation and can change without notice. PRIMEX does not accept responsibility for any delays in equipment delivery which are beyond our control.
   1. Allow 6-8 weeks after receipt of Purchase Order for Engineering submittals to be sent.
   2. Allow 12-16 weeks for manufacturing and testing, after a formal release to production is received.
   3. Allow 15 Days transit time to job site.
   4. The above time estimates above DO NOT include time for ENGINEERS submittal review or equipment installation.
5. Proposal is based on using PRIMEX standard equipment and designs including:
   1. 22 MM Selector Switches and Indicators
   2. FV LED Indicator Lights
   3. Variable Speed Drives, Circuit Breakers
   4. Controllers
6. System uses VFDs for control of motors. Proposed VFDs cannot be mounted more than 100 feet away from motor. Consult factory if motor is to be mounted more than allowed distance from VFDs.

Resolution 23-077, A Resolution of the City Council of Homer, Alaska approving a Task Order with RESPEC Company LLC in the Not to Exceed Amount of $42,000 to Design the Paintbrush Booster Station Upgrades and authorizing the City Manager to Negotiate and Execute the Appropriate Documents. City Manager/Public Works Director.

Item Type: Backup Memorandum
Prepared For: City Council
Date: July 18, 2023
From: Janette Keiser, PE, Public Works Director/City Engineer
Through: Rob Dumouchel, City Manager

I. Issue: The purpose of this Memorandum is to recommend the award a Task Order to RESPEC Company LLC (RESPEC) to design renovations to the Paintbrush Booster Station.

II. Background:

The FY24 Capital Budget includes $250,000 to upgrade the Paintbrush Booster Station. A booster station is a pump that “boosts” the pressure in a water main that is on the low pressure side of a pressure zone. Last winter, the pump in the Paintbrush station failed, leaving over a dozen homes without water. We delivered cases of bottled water to the customers up there and scrambled to fix the problem. The problem was a burned out relay switch, which was so old, we could not get replacement parts. The staff dug in our stashes of old parts that had been salvaged from other repair projects and found a relay switch that had been removed from the waste water treatment plant. It was our lucky day! The relay fit and we were able restore water service. But, this put us on notice that more comprehensive upgrades were needed as soon as possible. That’s why we requested funding in the FY24 Capital Budget.

A local mechanical engineer, employed by RESPEC) helped us scope out and estimate the costs of a more permanent solution. Once we got the project funded, we asked RESPEC to submit a proposal to provide more comprehensive engineering services to implement the permanent solution. They’ve proposed to do this work for the Not to Exceed cost of $42,000.

III. Recommendation: That the City Council award a Task Order to RESPEC in the Not To Exceed amount of $42,000.
STATEMENT OF SERVICES

CITY OF HOMER – BOOSTER PUMP STATION UPGRADES

AUGUST 2023
CITY OF HOMER — BOOSTER PUMP STATION UPGRADES

The City of Homer (CITY) has requested that RESPEC Company, LLC and S&B, Inc. (ENGINEER) provide engineering services to upgrade the Paintbrush potable water booster pump station serving the Homer distribution network. This Statement of Services serves to identify the proposed scope, deliverables, assumptions, owner’s responsibilities, schedule, and fee.

1.0 PROJECT SCOPE SUMMARY

A. Paintbrush Booster Pump Station
   a. Replace existing pump skid with like sized variable speed pumps (VFD’s not integral to pump)
   b. Replace pumping system accessories
      i. Pressure transmitter on inlet header
      ii. Pressure gauge on inlet header
      iii. Pressure transmitter on outlet header
      iv. Pressure gauge on outlet header
      v. Isolation valves x4
      vi. Check Valves x3
      vii. Pressure Tank x1
   c. Add level (float) switch in vault for flood detection
   d. Add temperature sensors in vault for high/low temperature alarms
   e. Add control panel with cellular telemetry for remote monitoring and alarms
      i. Pumps (New)
         1. High/Low Inlet Pressure
         2. High/Low Outlet Pressure
         3. Pump Fault
         4. Pump Hours
      ii. Vault
         1. High water level (flood)
         2. High/Low Temp
         3. Station Intrusion
         4. Smoke Detection
   f. Replace power service equipment (meter/main, and panelboard)
   g. Add surge protection device (Type 2 SPD)

2.0 ENGINEERING REQUIREMENTS

Upon this Agreement becoming effective, the ENGINEER shall perform the tasks:

/ Design development submittal, Pre-final design document submittal, Construction documents submittal
/ RESPEC Project Management
   » Coordinate project design with RESPEC and S&B engineers to develop a singular complete ready-for-construction design package.
/ Mechanical
   » Replace booster pumps, inlet and outlet pipe headers, valves, and pressure tank at the Paintbrush BPS
» Support Electrical and I&C upgrades.

/ Electrical
» Replace electrical service equipment, panelboard, and booster pumps.
» Provide surge protection device at panelboard (Type 2 SPD).
» Support Mechanical and I&C upgrades.
» Coordinate power service modifications with local utility, HEA.

/ Instrumentation and Controls (S&B Inc.)
» Support Mechanical and Electrical upgrades and replace booster pumps.
» Provide cellular telemetry and remote monitoring for alarms.

2.1 65% DESIGN DEVELOPMENT
/ Review as-built drawings and photos of the site to determine existing conditions.
/ Develop design documents to upgrade BPS and replace booster pumps, per Project Scope summary listed above.
» Design narrative/ design criteria document
» Drawings
  ▪ Mechanical plans
  ▪ Electrical site and vault layout plans, schedules, one-line and details
  ▪ I&C Block Diagrams, Network Diagrams, and Panel Elevations
» Mechanical and Electrical Specifications (on the drawings)

2.2 95% PRE-FINAL DESIGN DOCUMENTS
/ Update the design based on comments received from 65% design and further develop for construction.
» Design narrative/ design criteria document
» Drawings
  ▪ Mechanical plans
  ▪ Electrical site and vault layout plans, schedules, one-line and details
  ▪ I&C Block Diagrams, Network Diagrams, and Panel Elevations
» Mechanical and Electrical Specifications (on the drawings)
» I&C Specifications
  ▪ 40 61 00 – Control Systems Integration
  ▪ 40 61 10 – Control Narratives (May be provided on Block Diagrams)
2.3 CONSTRUCTION DOCUMENTS

/  Update the design based on comments received from 95% design and finalize design and
issue signed Construction Documents.

»  Design narrative/design criteria document

»  Drawings
  ▪  Mechanical plans
  ▪  Electrical site and vault layout plans, schedules, one-line and details
  ▪  I&C Block Diagrams, Network Diagrams, and Panel Elevations

»  Mechanical and Electrical Specifications (on the drawings)

»  I&C Specifications
  ▪  40 61 00 – Control Systems Integration
  ▪  40 61 10 – Control Narratives (May be provided on Block Diagrams)

3.0 ASSUMPTIONS

1. No demolition plans/drawings. Demo work will be covered via notes and within specifications if
needed.

2. Site work is limited to intercepting the underground feeder at the service equipment – no
additional site work is anticipated.

3. P&ID’s will not be included in the design package.

4. Permitting support and services during construction are excluded from this Statement of
Services and can be covered by a separate scope of work that is to be developed at the City’s
request.

4.0 OWNER RESPONSIBILITIES

1. Provide record drawings for the booster pump station.

2. Drawings in AutoCAD format of the site for use as the Project base plans.

3. Access to booster pump station for on-site investigations as needed.

5.0 SCHEDULE

The schedule for the project is as follows, or to be determined, pending coordination with the OWNER:

1. Notice-to-Proceed: TBD
2. 65% Design Development 10 weeks after NTP
3. 95% Pre-Final Design Documents 8 weeks after receiving comments on 65%
4. Construction Documents 3 weeks after receiving comments on 95%
6.0  METHOD OF PAYMENT

The Consultant will perform the services on a lump sum basis for $41,819.65. See attachment for additional information.

END OF STATEMENT OF SERVICES
The prices quoted are valid and in effect for 90 days. After 90 days, prices are subject to change in accordance with RESPEC's commercial practices.

RESPEC Design Team  

Subject: City of Home, AK  
Booster Pump Station – Design for Paintbrush  
I&C Systems Engineering Services

Dear Design Team:

We are pleased to provide the following scope of work for your review and consideration as you plan for the overall efforts in design for the planned one rehabilitated pressure pump station (Paintbrush) added to the City’s water SCADA system. Our scope of work provides control system integration in the form of instrumentation, SCADA system additions, and modifications to the existing SCADA infrastructure. We envision our role as a niche technical resource for your planning and design efforts for the overall automation and control. We provided the control system integration for the City’s Water system and are therefore familiar with the current features and requirements of the water system. We bring a knowledge base about the existing control system operation and should minimize your time spent integrating the new facilities with the legacy systems.

S&B proposes to participate with your design team to provide drawings, specifications and attend preliminary design and review meetings as part of the overall control system package for this project. The specifications will include an operating narrative that will describe operation of the control system, narrative may be included on block diagram drawing set. Our control system drawing delivery package will include:

• Control system block diagrams  
• Network diagrams  
• CSI type Specifications for Control Systems and network connected devices.

Please note that the instrumentation and control system specification will include a paragraph stating:

The I&C and telemetry system scope of work is an addition and modification to the Owner’s existing system, which was designed and furnished by S&B, Inc. For compatibility with their comprehensive system, I&C design and control system integration will be provided by the Owner’s I&C Consultant/Integrator, S&B, Inc.

Pricing is estimated at least three times during the design process: the first at the 65% submittal, second pre-final design, and final for pre-bid final design drawing and specification benchmarks. The pricing will provide detailed information for field sensors, and SCADA equipment. The scope of work and pricing letter may be included in the bid document if requested by the City.

We are confident that we will successfully work with your selected Engineer and City of Homer design team to meet your expectations for quality and cost efficiency. As part of the collaborative effort in...
design, we will allocate time for project conference calls and provide assistance where needed by your design team.

Control System Approach:
The control system will utilize a programmable logic controller (PLC), cellular communication method to the WWTP, instrumentation, and field sensors. The SCADA system will provide control, monitoring and alarms for the following system parameters: Pump operation, pressure, vault flood, station intrusion, smoke detection, and various ancillary conditions as defined by the Design team.

Design Meetings
We anticipate the following meetings with City of Homer staff and pertinent design team members along with the stated output summaries. Meetings will be suitable for online participation using Teams or similar platform. Three group meetings are described below:

Conceptual design meeting for automation system to affirm the level of networked automation devices, size of HMIs, types of PLC IO and processors, etc. The meeting will result with a direction for network topology, automation hardware, automation features and types of instruments we should use for flow, pressure, and analytical measurements. We anticipate 1 hrs of meeting time and 30 minutes to review and approve meeting minutes as output from this work.

A 65% design meeting to review the control system block diagrams and automation system control narratives. We estimate 2 hrs of preparation time to review our design drawings and written document information and prepare questions, 2 hours for meeting discussion / Q&A and 15 minutes to review our meeting minutes and drawing markups.

A pre-final design meeting to review the control system block diagrams and automation system control narratives. We estimate 1 hrs of preparation time to review our design drawings and written document information and prepare questions, 1 hours for meeting discussion / Q&A and 15 minutes to review our meeting minutes and drawing markups.

Final design meeting with project staff to review control narratives, review how system will provide operators and mechanics access to the control of the system. This meeting will review interlocks (hardware and process as applicable), affirm methods and resulting process states (fail-safes) following an event trigger. Staff should estimate 1 hr of prep time, and up to 2 hrs of large group meeting time.

Small group meetings may be requested by the Owner to review 65%, pre-final, and 100% cost estimates of the automation system as prepared by S&B. The design team electrical engineer lead or manager should assume up to 2 hrs for the 65% and up to 1 hour for pre-final and 100% submittals.

Control System Engineering Deliverables
We propose to supply the following deliverables as part of the project:

Pre-Bid Deliverables
Drawings:
Block diagrams provide details of PLC I/O, wiring/cabling, control panel construction. The content of these diagrams will include:
Control Systems general requirements, wiring methods, color standards for display of controlled devices, device installation details.
• Instrument installation details.
• Control System Block Diagrams for Pressure Pump stations.
• Network Diagram
• Panel Elevations: PLC, HMI.

Specifications:
40 61 00 Control System Integration / I&C
40 61 10 Control Narratives (may be provided on blocks)

Project Assumptions:
Working as a specialty sub-consultant on this project we require a basis of design report (BODR) to begin the control system strategy and design work. We ask that RESPEC provide coordination of drawings, schedules and meetings for interdisciplinary work, as required. For this project work we require working lead times of ten weeks for 65%, and eight weeks for pre-final and three weeks for 100% drawing releases or a mutually agreed upon time schedule. P&ID drawings are not included in our scope of work, however we will provide review of the upper band information related to SCADA integration.

Design Budget Estimate
The budget is organized by deliverable in project origination work, 65%, pre-final, and 100% product deliverables with a not to exceed price of $14,499.68 as summarized in the attached table ‘Attachment A’. Hourly fees are in accordance with our July 2023 fees that are used by our firm for current work with City of Homer as ‘Attachment B’.

RESOLUTION 23-077

A RESOLUTION OF THE CITY COUNCIL OF HOMER, ALASKA APPROVING A CONTRACT WITH RESPEC COMPANY LLC IN THE NOT TO EXCEED AMOUNT OF $42,000 TO DESIGN THE PAINTBRUSH BOOSTER STATION UPGRADES AND AUTHORIZING THE CITY MANAGER TO NEGOTIATE AND EXECUTE THE APPROPRIATE DOCUMENTS.

WHEREAS, The FY24 Capital Budget includes $250,000 to upgrade the Paintbrush Booster Station; and

WHEREAS, the City asked RESPEC Company LLC (RESPEC), represented by Homer’s only professional mechanical engineer, to provide a proposal for designing the Booster Station Upgrades because RESPEC had already consulted with City staff to make emergency repairs when the Booster Station failed last year; and

WHEREAS, RESPEC proposed to provide more detailed investigations and specifications for new equipment, for the estimated cost of $41,819.65; and

NOW THEREFORE BE IT RESOLVED that the Homer City Council hereby authorizes issuance of a Task Order to RESPEC, in the Not to Exceed amount of $42,000 to prepare professional services to help the City upgrade the Paintbrush Booster Station and authorizes the City Manager to negotiate and execute the appropriate documents.

PASSED AND ADOPTED by the Homer City Council this 14th day of August, 2023.

CITY OF HOMER

Fiscal note: FY24 Capital Budget
Resolution 23-078, A Resolution of the City Council of Homer, Alaska Approving a Contract to MacSwain Appraisals LLC in the amount of $55,200 to Provide Appraisal Services to Support the Kachemak Sponge Project and Authorizing the City Manager to Negotiate and Execute the Appropriate Documents. City Manager/Public Works Director.

Item Type: Backup Memorandum
Prepared For: Mayor Castner and Homer City Council
Date: July 10, 2023
From: Janette Keiser, PE, Public Works Director/City Engineer
Through: Rob Dumouchel, City Manager

**Issue:** The purpose of this Memorandum is to recommend award of a contract for appraisals to support the Kachemak Sponge Green Infrastructure Storm Water Management Project.

**I. Background**

At its July 24th regular Meeting, the Homer City Council is being asked to accept a grant from NOAA, through the Kachemak Bay National Estuarine Research Reserve (KBNERR), for the Kachemak Sponge Green Infrastructure Storm Water Management Project. This project involves acquisition of 56.49 acres of wetlands to be used for the development of a nature-based wetland treatment system for storm water. Of this, 46.41 acres will be preserved for conservation and as such, eligible for purchase using the NOAA grant. Because federal funds will be used for part of the real estate acquisition, stringent rules apply. First, the property must be appraised and then, those appraisals must be reviewed by another independent appraiser. The subject contract is for the first set of appraisals.

MacSwain Associates LLC (MacSwain) is the company that prepared the appraisals we used to support the grant application in May 2022. Sadly, those appraisals have expired and while useful for background information, cannot be the basis of the property purchased with the NOAA grant. MacSwain has proposed to produce a new set of appraisals for the sum of $52,600, distributed as follows:

---

1 The remainder will be purchased with City funds, allocated in the City’s FY24 Capital Budget.

In addition, there will be travel expenses of approximately $3,000 to visit the sites. We request authorization to award a contract to MacSwain Associates LLC in the not to exceed amount of $55,200, of which $25,800 would be covered by the NOAA grant.

Re: Contract for Appraisal of City of Homer Properties

Dear Ms. Keiser:

MacSwain Associates, LLC will prepare Appraisal Reports that analyze the City of Homer properties, as outlined below. The properties are delineated into five separate reports, which will comply with the Uniform Standards of Professional Appraisal Practice (USPAP) and Uniform Standards for Federal Land Acquisitions (UASFLA). The purpose of each report is to estimate either market value based on fee simple entitlements. Because the purchase of the properties will be funded by National Estuarine Research Reserve (NERR) grant funds, UASFLA reviews are required, depending on the value conclusions. We are prepared to respond to review comments for the appraisal reports of which the City of Homer obtains reviews.

Engagement terms and conditions applicable to all five reports are as follows. Terms and conditions applicable to only one report follow subsequently in respective order. Should the City of Homer elect to engage MacSwain Associates, LLC, please find the attached invoice for the retainer.

**Client:** City of Homer  
**Intended Users:** Client, Kachemak Moose Habitat, Inc., National Oceanic and Atmospheric Administration (NOAA), Review Appraiser  

**Intended Use:** Assist the City of Homer with purchasing subject properties to facilitate the Kachemak Sponge Green Infrastructure Project  

**Type of Value:** Market value  
**Property Rights:** Fee simple estate  

**Number of Copies:** PDF of each report, hard copies upon request  

**Payment Terms:**  
1. Retainer due upon engagement (1/3 of total fee)  
2. Partial payment due upon submission of draft reports (1/3 of total fee)  
3. Balance due upon final approval of reports (1/3 of total fee plus inspection costs)  

**Property Inspections:** Our intent is to inspect all properties at one time. Travel costs will be billed to the City of Homer.
Report 1: Kennedy Parcel – Portion of SW¼ NW¼, Section 14, T6S, R13W, SM

Report Description: 

An Appraisal Report that estimates the market value of 26.50± acres of the Kennedy Parcel, which excludes the salvage yard and associated improvements on the northwest portion George M. Kennedy’s property.

File No: 23-3834

Hypothetical Condition: 

Appraised property is legally separated and developable to its highest and best use.

Extraordinary Assumption: 

Potential contamination on northwest portion of property has not affected appraised land.

Appraisal Fee: $13,200

Completion Date: Draft report submitted within 90 days from receipt of retainer.

Fiscal note: Ordinance 23-46, $25,800 and FY24 Capital Budget, $29,400
Resolution 23-79, An Ordinance of the City Council of Homer, Alaska Amending the Fee Schedule by adding Community Recreation participation fees. City Manager.

Item Type: Backup Memorandum
Prepared For: Mayor Castner and Homer City Council
Date: August 7, 2023
From: Mike Illg. Recreation Manager
Through: Rob, Dumouchel, City Manager

Background
The City of Homer Community Recreation division (formerly Community Schools) has been a function of the City of Homer since 2006 through voters’ approval via ballot question. Currently Community Recreation charges and collects daily participation fees through many indoor/outdoor educational and recreational programmatic opportunities and special events. The Community Recreation division generates an average of $35,000-$40,000 in participation fees annually through the current rates of $3/adults and $2/youth for each drop in and class with the exception of miscellaneous fees for special events such as the Mountainfilm Festival, specialized instructional clinics and sponsorship fees (Adult Basketball league). This revenue stream is deposited into the General Fund.

As staff continues to improve services, formalize and digitalize registration/payments and work on an ongoing business plan for a future community recreation center, staff recommends the implementation of “Community Recreation Participation Fees” into the City Fee Schedule. Staff has been reviewing the current participation rates and is proposing to increase the rates from $3/adults and $2/youth to $5/adults and $3/youth. While it is priority to ensure accessibility and affordability for our local municipal recreation opportunities, our current participation rates have remained the same for at least the last 20 years despite the increasing costs to deliver these services. The estimated additional revenue to the general fund through this increase rate would be $8,000-$10,000 based on traditional participation and current available space.

There are three different proposed fees: Drop-In Activities, Contracted Instructor Classes and Special Events. Drop-In Activities are ongoing indoor/outdoor activities that are typically supervised by volunteers and it includes activities such as volleyball, basketball, pickleball, soccer, Frisbee, weight room ping pong, etc. There is no commitment with drop in activities which is why we will offer a single entry, a 10 visit pass, or a 3 month pass. We are also proposing to waive fees for drop in
activities for active service members, and for youth participants for activities held on school district facilities. We will charge youth drop in fees for activities on city owned facilities. The Contracted Instructor Fees are the cost per person for each class they attend as these classes have a designated start and end date. These fees are separate from the contracted instructor fees, ex. Partner Dance class is $12/person, $5 to CR and $7 to the instructor. There is no discount or membership rates with contracted instructor classes. Special Event fees are for one time Community Recreation (no contracted instructors or memberships) special events/activities/series and are determined based upon the estimated cost of the event, activity or production. An example would include the Telluride Mountainfilm Festival for individual ticket sales, Adult Basketball League participation (pay for entire season) or instructional clinics/camps.

At the Parks, Arts, Recreation and Culture Advisory Commission May 18th meeting, PARCAC has reviewed and formally recommended “to increase the usage fees for Community Recreation.”

RECOMMENDATION:
Adopt a resolution amending the City Fee Schedule by adding the Recreation Participation Fees.
- outcomes  
  o where we have been, what we have done  
- Changes over time  
  o What may be successful now compared to then  
- Options available

Recreational Manager Illg facilitated discussion and responded to questions regarding:  
- Previous efforts creating a Recreational Service Area and implementing a Bed Tax  
- How the process will be conducted, what will be requested of the Commission so they can be properly prepared and responsive due to the short timeline  
  o Who would be involved in the process  
  o having a roadmap outlining what was done, outcome  
- Information available through membership to the Alaska Parks and Recreation so reinventing the wheel was not needed but more of a cut and paste then refining the product  
- Homer is the only Community that does not have a Parks and Recreation Department  
  o Wasilla Pool at their High School is actually labeled or has signage stating it is a Community Pool, not School District  
  o Typically, pools are managed by the Municipality  
- Mobi-Mats – the Water Trail purchased three of them and these are kept at the Alaskan Coastal Center  
  o Independent Living Center has some also

PUBLIC HEARING(S)

PENDING BUSINESS
  9. A. Deaccessioning the Poopdeck Trail Sign Posts - Memorandum PARC 23-015

Vice Chair Lowney introduced the item and reviewed the memorandum.

Commissioner Archibald reported that he has consulted with the Public Works Director who was going to have a contractor review the posts and provide an estimate on whether the posts can be repaired and while reviewing the posts he ran into Councilmember Aderhold and she informed him that the posts are actually on the Library’s property and opined that they should provide some input. He recommended postponing to allow the Contractor time to review and get the Library Advisory Board’s input too.

Vice Chair Lowney stated that if they postpone this item she only wanted to postpone it for one more meeting. Commissioner Archibald can report back at the June meeting.

The Commission agreed by Consensus to postpone the item to the June meeting.

NEW BUSINESS
  10. A. Recreation Fee Schedule Review  
Memorandum PARC 23-016

Vice Chair Lowney deferred to Recreation Manager Illg.
Recreation Manager Illg opened by stating that the item is just informational for now, it has been forwarded to Economic Development Manager Engebretsen and the City Manager for their review and input but no response has been received at this time. He continued by stating that as part of a Business Plan for a new Community Center, it would be a requirement to have the fees in the Fee Schedule. There is nothing outlined in city code regarding recreation fees. This is a proposal and is reflective of what has been conducted over the past twenty years. The goal is to ensure affordability and accessibility but charge fees that are not wholly subsidized by the taxpayers. He noted that is the standard practice by recreational facilities across the country to use a cost recovery percentage which is 26% of the operating budget. He believed that was a great target market that should be used moving forward with the potential business plan.

Recreation Manager Illg provided additional information on the value that having recreational software will do including online payment of fees versus the current honor system and actual data tracking of volunteers and participants. He also believed that the public has a right to know the actual costs to offer a community recreation program. He facilitated discussion on the following:

- Fees have increased minimally if at all since the 1980’s
- Members of the community are expecting services without payment and that time has come to its end
- Fees have fluctuated between $3.00 and $4.00 over the past 20 years
  - Even lower rates of $2.00 for students
  - Participants have paid as much as $10 to $15 in other locations
- Special relationships with the School District
  - Value of relationships and partnerships
- Offering Seasonal memberships and Family memberships
- Scholarships and Waivers
- Costs compared to revenues
  - Increased CPI for 2022 was 8%
- SPARC and Kevin Bell Ice Arena Rates per person are $5.00
- No threshold on revenue expected for the Community Recreation program in 20 years
- Economic factor is prohibitive to moving forward

City Clerk Jacobsen advised the Commission that if they want to make a recommendation to increase the fees they could.

Chair Lowney asked if the Commission would like to make a motion on that recommendation.

HARRALD/ARCHIBALD MOVED TO INCREASE THE USAGE FEES FOR COMMUNITY RECREATION.

Further discussion on the impact of increased fees, expectation of the community, and the amount is nominal in comparison to other things, offering waivers and scholarships as appropriate.
Recreation Manager Illg recommended waiting on increasing fees until they receive the software citing a one man operation and capacity to do that now.

Vice Chair Lowney stated that was not the intent of the motion requested the Clerk to read the motion before the Commission.

City Clerk Jacobsen read the motion on the floor, “to increase the usage fees for Community Recreation.”

There was no further discussion.

VOTE: NON-OBJECTION. UNANIMOUS CONSENT.

Motion carried.

10. B. Letter to the Editor Topics

Vice Chair Lowney asked Commissioner Fair if he had any direction on the topic.

Commissioner Fair stated that he was opened to writing the article but due to being out of town for the past month and sick for the past week he was not up on what is going on around town.

Commissioner Harrald commented that it would be nice to write about Parks and Recreation and bike accessibility or a historical account of our parks or one park to go along with the Guiding Growth conversation that is going on right now.

Vice Chair Lowney suggested going into two sections and the parks are coming to us but they are not quite here yet for us to make a lot of movement on but the trails are and Drawdown is having a tremendous amount of impact on those trails as well. This summer Matt Steffy is putting a huge focus on getting volunteers on to the community trails to bring them up to a specific standard which may be something to recruit more volunteers into that system for maintenance but also write an article about. Another idea would be writing about the Church Groups that Mr. Steffy has organized for a community cleanup. She noted that there were a lot of topics to write about.

Commissioner Fair responded that Commissioner Harrald’s idea about the parks history would be too much for the space allowed of 250 words even if they could pare it down to fit there would not be enough information. But the last two topics he could write 250 words about. The Church groups and the trails which in his opinion makes more sense. he expressed his preference to write about the highlighting the Drawdown’s efforts or the Church volunteer work as both do have a function of encouraging people to get out and help make the whole system better and become part of the solution rather than sideline observers.

Fiscal note: Revenue amounts not defined in the FY24/25 budget.
MEMORANDUM

Item Type: Backup Memorandum
Prepared For: Mayor Castner and Homer City Council
Date: July 11, 2023
From: Rob Dumouchel, City Manager

Alaska awards funds to the City on an annual basis as part of the Community Assistance Program (CAP). We stopped including these funds as revenue within the budget because they are very inconsistent from year to year, opting instead to put together an ordinance once the funds are received for Council consideration.

This year we received $204,991.19. Ordinance 23-43 has been structured to pay for a selection of projects that would have otherwise been funded by General Fund CARMA as part of the FY24/25 Capital Budget. The projects include: Upgrading of City Workstations to Microsoft Office 2021; NextGen Firewall; an Upgraded Internet Link for City Hall; Two Ballistic Shields for HPD; a GIS Upgrade; Air Conditioning for the Public Works Server Room; ADA Accessibility Equipment; and Library Chairs. Funding these projects with CAP has the additional benefit of allowing the City to retain a balance of approximately $500k in the General Fund CARMA account for future use by the Council.

Staff Recommendation: Adopt Ordinance 23-43
CITY OF HOMER
HOMER, ALASKA

ORDINANCE 23-43

AN ORDINANCE OF THE CITY COUNCIL OF HOMER, ALASKA,
AMENDING THE FY23 CAPITAL BUDGET BY ACCEPTING AND
APPROPRIATING THE FY23 STATE OF ALASKA COMMUNITY
ASSISTANCE PROGRAM PAYMENT IN THE AMOUNT OF $204,991.19
FOR VARIOUS CAPITAL PROJECTS.

WHEREAS, In FY23 the City of Homer received $204,991.19 from the Community
Assistance Program (CAP) which has not yet been accepted or appropriated; and

WHEREAS, The application for the FY23 Community Assistance Program funds
indicated the City of Homer would designate those funds towards ADA Improvements for City
facilities; and

WHEREAS, Ultimately it is up to the Council as to where the funds are spent and we are
not obligated by the State to follow the original application; and

WHEREAS, The City would benefit from applying Community Assistance Program funds
towards select FY24/25 General Fund CARMA projects.

NOW, THEREFORE, THE CITY OF HOMER ORDAINS:

Section 1. The Homer City Council hereby amends the FY23 Capital Budget by accepting
the FY23 Community Assistance Program payment in the amount of $204,991.19 as follows:

Since arriving in Homer, I have been looking for opportunities to modify the organization in ways that would better integrate teams, better carry out the will of the Council, provide a more transparent view of City operations, and increase the organization’s effectiveness at providing services to the City’s residents, businesses, and visitors. Over the last three years I have observed how my staff interacts with each other, how our systems work (or don’t work) well with each other, and the gaps between where we are as a City right now and where we’re aspiring to be as we go through a phase of growth and transformation as a community. I previewed the general vision back in March 2022 at the Council Visioning work sessions, and I have been piloting the proposed changes in the meantime. There have been some changes over time as I tested out the different combinations of divisions and departments. This memo provides a high level overview of the multiple actions that I am proposing which will require Council approval due to their impact on Homer City Code.

As to why I’m bringing an employee organization issue to the Council, it’s because a change in code is required to officially create a department. As City Manager I can hire/fire, move employees from one department to another, and create any number of different reporting hierarchies between employees. What I cannot do without Council is officially create a department, and all of our departments (Administration, Finance, Police, Volunteer Fire, Port & Harbor, and Public Works) are defined in Homer City Code. Regarding the creation of any other departments, at this time, I don’t believe that any other present division(s) are ripe for elevation to department status. Therefore, I am bringing forward three departmental proposals: IT, Library, and Community Development.
Move #1: Creation of a Library Department and an IT Department

In early 2021, I combined the Library and IT Divisions under the leadership of the Library Director. This has been a very successful experiment. Originally I wanted to spin these Divisions out of the Administration Department and keep them together as a new department. That proposal created some controversy and resistance from the Library Advisory Board. In the time since it was introduced, we’ve had some significant changes in personnel and culture within the IT Division. At this time I am much more comfortable creating standalone departments for each Division. From a management perspective, I’m still going to keep these Departments closely aligned because of the benefits that can be generated when they work with each other.

Move #2: Creation of a Community Development Department

I believe that Homer is poised for significant growth, development, and redevelopment that will have impacts on daily life in Homer, and we need a future-focused department that can take on the challenges this transformative change will have on the community together.

Creating a Community Development Department will bring together planning, economic development, building & code enforcement, and community recreation under one director. This will help focus development in Homer, while also ensuring quality of life programming is integrated into our community’s growth. In anticipation of creating a Community Development Department, I created an Economic Development Division and designated an Economic Development Manager in March 2022. That move has been successful and well received by Council, staff, the Economic Development Commission, and external stakeholders. Some elements housed in the Parks Division related to tasks like park & trail planning, beautification, invasive species mitigation, and volunteer coordination have also transferred into Economic Development. We are beginning to lay the groundwork for the creation of a Building & Code Enforcement Division. The special projects team submitted a grant applications to support the adoption and implementation of a building code within the City and it has been selected for further review by FEMA. Community Recreation will benefit from having a dedicated director and additional staff support from the other divisions within Community Development.
Future consideration: Merge the Finance Department into Administration
The integration of Finance into an Administration Department is a common arrangement in cities across the country that have Administrative Services departments. I’ve been piloting a framework in which Administration and Finance are much more integrated. It has been successful in some ways and faced challenges in others. I want to continue to dial in that concept before I consider bringing an ordinance to Council that would merge the departments.

Fiscal Considerations: The re-organization plan, as proposed, is expected to create very little direct financial impact. The Human Resources Division, with help from the Finance Department, analyzed the changes and expects that we’ll see an impact of approximately $3500 per year between FY24 and FY25. Where the re-organization has more of a financial benefit is in that it makes each department’s budget and spending more transparent while also giving the new department heads increased purchasing authority under the procurement manual which streamlines operations.

Staff Recommendation: Introduce/adopt ordinance creating Library, IT, and Community Development Departments.

Section 2. Homer City Code Chapter 2.32 Departments and Boards is hereby amended to read as follows:

Chapter 2.32
DEPARTMENTS AND BOARDS

Sections:

2.32.010 Departments – Directors.
2.32.020 Repealed.
2.32.030 Designation and function of departments.
2.32.040 Departmental administrative fee schedule.

Prior legislation: Ords. 1-100.4 and 73-8.

2.32.010 Departments – Directors.
There shall be principal subdivisions of the City government known as departments. Each department shall be headed by the City Manager until such time as the Council shall approve the appointment of a “director” who shall then head the designated department. The director shall be appointed by and be responsible to the City Manager. These departments are the functional units under which all matters of an administrative, organizational or utilitarian nature shall fall and shall be all-inclusive of every City function as defined in this chapter. Each department may be further subdivided into divisions for operational purposes.

2.32.040  Departmental administrative fee schedule.

Unless established by ordinance or resolution of the City Council, the director of each department of the City shall have the authority, subject to the approval of the City Manager and ratification by the City Council, to promulgate and maintain an administrative fee schedule for services provided by that department. Fees for identical services shall be uniform throughout all departments. A current copy of the departmental administrative fee schedule shall be available for inspection by any person at the front reception area of the department and at the office of the City Clerk. Unless otherwise provided by ordinance or resolution, all fees collected under this schedule shall be forwarded to the Finance Department for deposit into the general fund. [Ord. 92-07(S)(A), 1992. Code 1981 § 1.40.040].

2.48.010 Library functions. The major functions of the library are the operation of the Homer Library, including control and supervision of library use, acquisition of library property and other related matters. [Ord. 85-35 § 5, 1985; Ord. 80-2 § 1, 1980. Code 1981 § 1.48.010].

2.48.020 Library Director – Appointment. The head of the Homer Library is the Library Director, who shall be appointed by the City Manager. The Library Director must hold a master’s degree in library or information science, or other relevant credential, as required for library grant eligibility by the State of Alaska. [Ord. 09-28(S) § 1, 2009; Ord. 85-35 § 5, 1985; Ord. 80-2 § 2, 1980. Code 1981 § 1.48.020].

2.48.030 Library Director – Duties. The Library Director of the City shall be responsible for and shall have supervision and control of the library and hold responsibilities as denoted in the job description for the position. [Ord. 09-28(S) § 1, 2009; Ord. 85-35 § 5, 1985; Ord. 80-2 § 3, 1980. Code 1981 § 1.48.030].

2.48.040 Board – Creation and membership. There is created the City of Homer Library Advisory Board, referred to in this chapter as the Board, which shall act in an advisory capacity to the Library Director and the City. The Board shall consist of seven members comprised as follows:

a. At least five members of the Board shall reside within the corporate limits of the City.

b. Members shall serve for three years with initial appointments to be made for staggered terms as follows: Two one-year terms; two two-year terms; and three three-year terms.

2.48.050 Library Advisory Board – Powers and duties. The Library Advisory Board shall:

a. Establish operational policies for the library program, and submit same to the City Council for approval. There shall be an annual review of policies and revisions may be recommended by the Board.

b. Assist the Librarian in preparation and presentation of the annual budget request to the City Council.

c. Adopt bylaws and regulations for internal operations governing the proper and orderly discharge of its responsibilities.

d. Make recommendations through the City Manager to the Mayor and City Council concerning the library and its programs.

e. Solicit donations of money and/or property for the benefit of the library. Any money donations shall be deposited to the City treasury in a reserve fund designated for public library use. If property, it shall be accepted by deed or other conveyance subject to approval by the City Council. Such property shall be held or disposed of for public library purposes as the Council may direct. The Board may make recommendations for disposition of money or

Memorandum

TO: Mayor Castner and Homer City Council  
FROM: Rob Dumouchel, City Manager  
DATE: August 10, 2023  
SUBJECT: City Manager’s Report for August 14, 2023 Council Meeting

Employee Appreciation BBQ
On August 2nd, a rare sunny day, the City Manager’s office hosted an employee appreciation BBQ at City Hall. Staff from all over the City, and a few elected officials, converged on the City Hall for an afternoon of good food and good company. With numerous work sites scattered all over the City, it’s uncommon for the whole team to be able to get together like this, but it’s always a good time when we can make it happen. A big thank you to Assistant to the City Manager Bella Vaz for coordinating the event!

Visit with DOT Commissioner Anderson
In an effort to address transportation challenges in Alaska’s Central Region, Representative Sarah Vance organized a visit with Alaska Department of Transportation and Public Facilities (DOT&PF) Commissioner Ryan Anderson to Homer on July 27. The visit aimed to familiarize the Commissioner with the area's needs and gain firsthand insights. Accompanied by DOT&PF Legislative Liaison/Special Assistant Andy Mills, the delegation met with local officials to discuss projects and plans, including Homer Mayor Ken Castner, Kachemak City Mayor Connie Isenhour, Homer City Councilmember Shelly Erikson, and City of Homer Special Projects Coordinator Jenny Carroll. Key topics included: addressing safety concerns and managing increased traffic on East End Road; evaluating road conditions and ensuring pedestrian safety on Kachemak Drive; exploring stormwater and groundwater management during road construction and the importance of local knowledge; analyzing Homer’s Kachemak Sponge project and its significance; and erosion conditions on the Homer Spit.
**Alaska Municipal League Summer Conference**

At the time of this report’s submittal, the AML summer conference is underway. On Wednesday, I led the one-day Alaska Municipal Management Association (AMMA) conference as president of the organization. We had about 25 participants from all over the state and wide ranging discussions covering topics like mental health/manager sustainability, homelessness in Alaska, strategic planning, and the future of generative AI in local government. The rest of the AML programming on Thursday and Friday is focused on legislative topics of statewide interest. The event will also feature a reception hosted by the City, coordinated by AML staff and Assistant to the City Manager Bella Vaz, on Thursday evening.

**Finance Funds Overview**

Working with the Finance Director, I have sketched out all of the various funds currently in use within the City. In future meetings, what we’d like to do is start working with Council to create policies for these funds. A few funds have existing policy documents, but the vast majority do not. We have approximately 40 to 50 funds to talk about. Some will be easy, some just need to be emptied and deleted, and others will require extended conversation. I anticipate that we’ll be ready to get underway with the first of those discussions in September.

**Transit Meeting**

On August 3rd, I meet with Lisa Reinhart and Brad Parsons from the Southern Kenai Peninsula Transit Coalition (SKPTC) to discuss transit issues in Homer. There are a lot of benefits to enhanced public transportation, but Homer is a particularly tricky place in which to implement such services due to our population density, topography, lack of street parking, etc. We had a very wide ranging discussion about transit from the perspective of the City as a place, as an organization, and as an employer. Brad and Lisa are conducting numerous community interviews and I am very interested to see what findings come from the conversations.

**Third Airline Potentially Coming to Homer**

The City has been approached by Aleutian Airlines about signing a lease that would allow them the possibility of expanding their flights to include a Homer-Anchorage daily service starting this fall. Staff met with an Aleutian Air representative on July 20th for a walk through of the available terminal space for lease and to discuss options and operations. Aleutian Airlines run Saab 2000 aircraft, which are 50 seat passenger planes with takeoff capabilities that do well on short runways. They’re thinking of providing a reliable business travel option, with service in the early morning and again in the evening to facilitate easy daily roundtrips. The collaborative meeting generated some positive ideas on how the available lease space within the Homer airport terminal might fit those plans. The City has received a lease application from the company that is going through internal staff review now and is slated to be included in the August 28th packet for Council review.

**Advisory Body Work Session Scheduling**

In March, Council discussed the benefits of conducting off cycle work sessions with boards and commissions to conduct training that primarily addresses roles and responsibilities of advisory bodies, the report structure at Council meetings, recommendations to and from Council, and provide opportunity for questions and discussion. A successful session was scheduled in April with the Port and Harbor Advisory Commission. Sessions still need to be scheduled with the five remaining groups. City Clerk Jacobsen is interested in knowing if Council wants to begin scheduling in September or wait until October after elections, and if the preference to conduct one or two off-cycle work sessions per month.
AMLJIA Meeting
On July 28th I attended an Alaska Municipal League Joint Insurance Agency (AMLJIA) meeting of the board of trustees. As a reminder, I joined the board in 2022 as a member representative and all travel related to participation is paid for by AMLJIA. The big take away from this meeting, and frankly all recent meetings, is that “hard” market conditions continue to persist and will remain for an unknown number of years into the future. Members, like the City of Homer, should prepare for significant increases in the coming years. I think the increases already forecasted into the FY24/25 budget will cover our needs, but the next biennium may see big changes. These market conditions are not unique to Alaska, it is a nationwide phenomenon driven by large losses from fires, hurricanes, etc. One method AMLJIA is exploring to potentially reduce costs is a merger with Alaska Public Entity Insurance (APEI) to expand the pool in Alaska. Those talks are going well, but are a long term play.

MEMORANDUM

Item Type: Backup Memorandum
Prepared For: Mayor Castner and Homer City Council
Date: July 18, 2023
From: Ryan Foster, AICP, City Planner
Through: Rob Dumouchel, City Manager

At their regular meeting on May 22, 2023 the Homer City Council remanded Resolution 23-051 changing the Planning Commission meeting schedule to once a month to the Planning Commission. At their regular meeting on June 21, 2023 the Planning Commission voted unanimously to withdraw their request in Resolution 23-051 to change the Planning Commission meeting schedule to one meeting a month. The Planning Commission would like to keep the current, two meetings a month schedule, in order to ensure that the workload required of the Planning Commission is balanced and applications and agenda items the Planning Commission reviews are completed in a timely manner.

RECOMMENDATION:
Recommend Denial of Resolution 23-051

ATTACHMENTS:
Unapproved Meeting Minutes for the June 21, 2023 Planning Commission Meeting
glad it was brought back in front of the Commission to discuss and maybe change their decision that was made on that issue.

Commissioner Venuti stated that Mayor Castner brought this ordinance forward along with Council member Lord and commented that at a glance it does appear to be completely anti-conditional use permit and questioned what his concerns were with Conditional Use Permits.

Mayor Castner stated he was trying to achieve, through his urging of development of findings, things that did not require a conditional use permit and making them an allowable use. It was to pick out things that were ordinarily going to be just granted and anything that was not going to be granted, required a conditional use permit with conditions, if you issue a CUP there should be a condition attached to the conditional use permit because the applicant is asking for permission to do something that is not otherwise allowed. The four unit issue was something that he never thought of as a regular sort of action to grant without having a CUP. He continued stating that if you ask for a second dwelling or building, you go through the process and you increase the setback for the second building or something like that, but the four buildings just did not seem to fit, in his opinion. He expressed his opinion on this when the issue was presented to the Commission the first time. Mayor Castner further commented that he believed the conditional use permit process was very handy and provides the ability to create conditions that are totally unique for the lot and for the circumstance.

Chair Smith confirmed that there were no additional questions from the Commission, and offered the floor to the Mayor for additional comments.

Mayor Castner expressed his belief that Council was feeling a bit frustrated on being stuck on certain topics and not achieving desired outcomes. He believed that Council was split with some members thinking that a new Comprehensive Plan was going to solve all the issues and then some members thinking that issues will not be resolved until new code is created. It is reactionary. Mayor Castner agreed that it was not the best planning method, and cited again the frustration of Council now on just how much time is being used without much in the way of progress on cleaning up code, especially when it comes to platting and such. He believed that what was attempted by the Commission in cleaning up conditional use permits was really good, with the exception of the one item being addressed. He commented there was plenty of time for the Commission to work through it.

Memorandum PC 23-40 from Acting City Planner as backup

Chair Smith introduced the item by reading of the title and deferred to Acting City Planner Foster.

Acting City Planner Foster reviewed Memorandum PC 23-40 for the Commission stating the recommendations from the Planning Department, elaborating on the analysis that staff could bring forward comparing one meeting versus two meetings on how staff would address work items. he noted that as Staff liaison he is here to facilitate the role of the Commission in reviewing and processing the applications that come before the Commission especially those that require public hearings and quasi-judicial decisions. It is the Commission’s decision on whatever schedule that is needed to address the work of the city.
Discussion was facilitated on the following topics:

- Keeping the meeting schedule as is and canceling meetings as needed.
- Moving to once a month meetings would require the Commission to be more conscious of deliberate discussion and not straying off topic.
- Required time limits to review and approve or recommend specific actions and not addressing Borough related items would result in automatic approvals and having enough meetings to complete the required work.
- The Commission will be driving the bus when it comes to a Comprehensive Plan
- Having more work sessions to discuss topics that may require more in-depth consideration such as the issues that are coming forward and not being railroaded into a specific agenda.
- Canceling meetings in the months that are typically slow such as January and February
  - Review this possibility when the Commission approves the 2024 meeting schedule in October
- Planning Department needing additional staff and requesting or submitting recommendation to Council
- How to improve the efficiency of the Planning department to produce what the Commission requires.
  - Bi Weekly meetings compresses the time it requires to draft and write a thorough report on action items or discussion items between meetings and sometimes does not provide enough time required.
  - Planning Staff pays attention to the requirements and deadlines and with complex applications Staff does address the issues that will come about with those projects.
  - Capacity to address four action items per meeting, the more applications received the less likely that the Staff will be efficiently providing the appropriate and thorough review.
- if the Commission reduces meetings to once per month that would require working into the meeting timelines to allow sufficient review of meeting materials as well. Meetings could actually end up being longer in order to fully address a subject.
  - Some topics would require more than one meeting
- The Comprehensive Plan is required to be updated every ten years and they did an update in 2018 so they do not really need to update the Comprehensive Plan.
  - The 2018 Update was actually a technical review and not an update.
- Recommendation to Council to hire a third person, if temporary, for a specific time period such as one or two years in order to complete tasks that were presented as reasons to support the hiring of additional personnel, even temporarily.
- Shifting work from the Planning Staff to the Applicant
  - Preference to have the applicant sign the bottom of a checklist and have the city review rather than Planning Staff waste valuable time
- The Commission required Asbuilts be submitted on completed projects and staff has very little time for enforcement and question was posed on where the department was in making sure the City received those asbuilts.
  - All planning staff is aware of the requirement and the asbuilts have been coming in, consideration has to be given that projects are 18 months out and they can be extended for one year.
  - It is easy now with the software that has been implemented to review and search very quickly who is out of compliance.
Digitally there are currently 23 asbuilts available, Planning Staff will follow up on this topic for the next regular meeting.

- Establishing priorities
- It is not the Commission’s role to analyze all the applicants
- Status of the Comprehensive Plan funding and the Title 21 re-write
  - Should the Commission start reviewing the Comprehensive Plan and Title 21 rewrite
  - Funding is there but what was needed was benchmarks

VENUTI/HIGHLAND MOVED TO RECOMMEND THE PLANNING COMMISSION WITHDRAW THE REQUEST TO CHANGE THE MEETING SCHEDULE AND FORWARD THE RECOMMENDATION TO CITY COUNCIL.

There was no further discussion.

VOTE. NON-OBJECT. UNANIMOUS CONSENT.

Motion carried.

13. COMMENTS OF THE AUDIENCE Members of the audience may address the Commission on any subject. (3 min limit)

14. COMMENTS OF THE STAFF

15. COMMENTS OF THE MAYOR/COUNCIL MEMBERS

Mayor Castner reported on an Ordinance that was referred to the Planning Department regarding Title 22 and platting and it was never brought forward for the consideration of the Planning Commission. This will be on the Council agenda on Monday, June 26th because the time period has elapse and he will recommend that it be further postponed since he did not believe that it could be approved by Council since the Planning Commission has not reviewed it and they have not held the required Public Hearing. He then cited some issues with the Borough having the final say so and he expressed hope that if fulfilled the Commissioners questions.

Commissioner Venuti stated that they update the Comp Plan every 10 years, so if other entities get involved are they still going to update this Comp Plan?

Mayor Castner is not opposed to spending planning money and having the consultant whom has written just about every comp plan in the state, if they are improving the harbor then is seems that the Spit Comp Plan should be addressed.
