Memorandum 22-012

TO: Mayor Castner and Homer City Council
THROUGH: Rob Dumouchel, City Manager
FROM: Julie Engebretsen, Deputy City Planner
DATE: 12/27/2021
SUBJECT: Land Allocation Plan

Introduction

The Land Allocation Plan (LAP) serves two purposes; one is a code requirement regarding leases, and the other is as land management tool.

HCC 18.08.020 states in part that the city administration will have a list of properties available for lease, and that the Council can adopt preferences or restrictions on that land. In section A of the plan, Lands Available for Lease, you can find the terms that Council has set. After a work session and approval of the plan by resolution, the Administration must provide public notice of plan adoption and properties available for lease within 60 days.

The City also uses the LAP as an index of all municipal lands. Generally each parcel has its own page with acquisition history, any adopted plans, and the most recent council designation. Changes to the plan are adopted by resolution of the City Council. Staff uses the LAP and the annual Council work session to identify policy issues with municipal lands and seek direction.

As part of the annual approval process, comments are solicited from the Economic Development (EDC) and Port and Harbor (PHAC) Advisory Commissions. Both Commissions reviewed the plan in December.

Comments:

1. Neither Commission recommended changes to lands available for lease.
2. Both Commissions recommended to designate Lot 20 (page C-6) for Port Use, removing reference to a future travel lift. A lift would require expensive and extensive changes to the existing boat basin. The harbor expansion would be the time and location to plan for a travel lift, is something larger than the new Northern Enterprise's lift is desired.

3. The EDC recommended designating Tracts A and B, Barnett South Slope Subdivision Quiet Creek Park Unit 3, as parkland. These lots were deeded to the city as part of the subdivision process. (PHAC didn't comment on this as it wasn't Spit related).

The Chair of each Commission has been invited to participate in the annual work session with council.

Future Considerations

In the manager's report is a request from a leaseholder to purchase their lease lands from the City. There is a lot of history behind city ownership of various parcels. As time passes and that history is no longer common knowledge, it takes more effort to research and explain the hows and whys of city ownership. It may be worthwhile for Council to adopt a formal policy about the sale of Spit lands. If this is a direction Council would like to go, staff can work with the Port and Harbor Commission and staff and present a recommendation at a future meeting.

Staff Recommendation: Adopt the 2022 Land Allocation Plan by Resolution

Statement of Purpose:

Homer City Code Title 18 regulates municipal property management. Per HCC 18.08.020, the Council annually adopts a land allocation plan that identifies which properties are available for lease, the rate and referred lease terms, and any particular requirements or preferences. Once the plan is adopted by resolution, the City provides public notice of available real estate.

Note: Any lands not included in this document are listed in the previous version of the Land Allocation Plan, and their designations carry forward to this plan.

Zoning: Urban Residential

Wetlands: possibly on a small portion

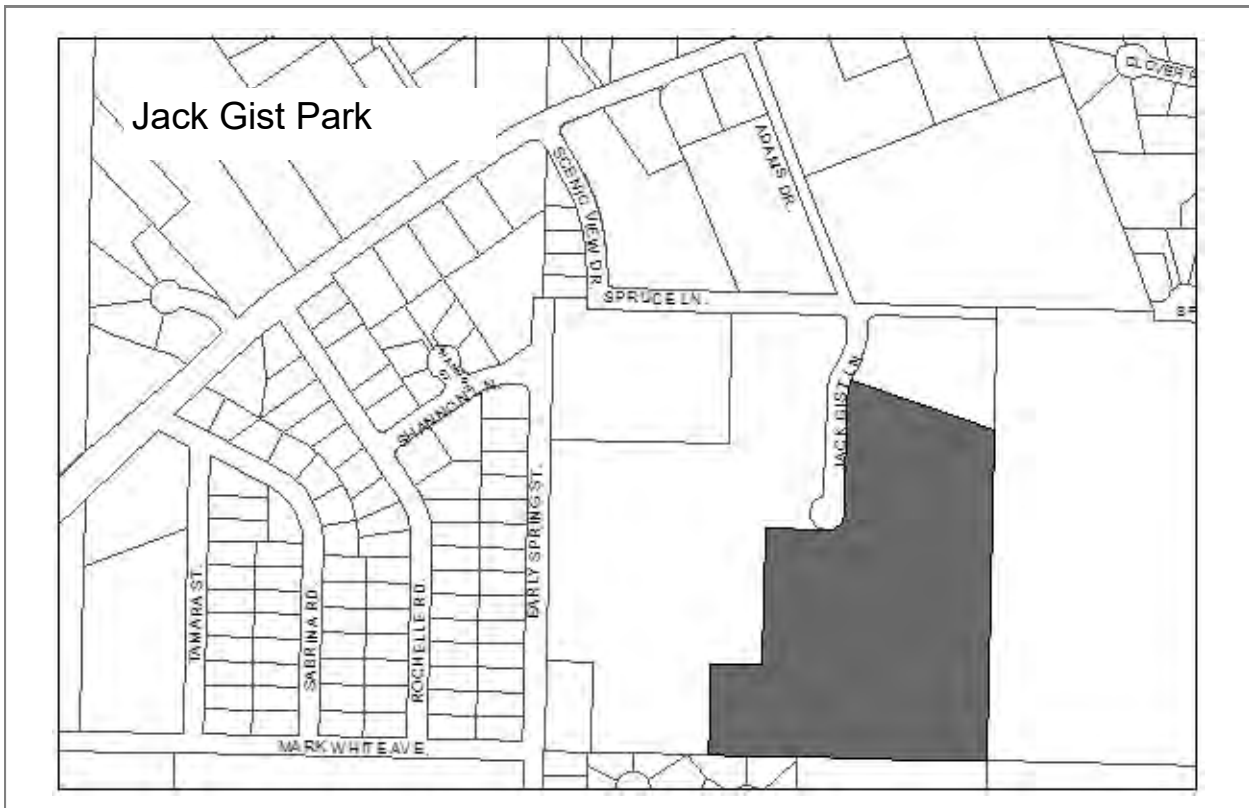

Infrastructure: Road access

Notes: This lot has a public use easement granted by the plat. This lot will likely be needed in the future to connect Virginia Lynn Way, because the adjacent lots are not wetlands and are developable. Access to Mattox Road is not know at this time; the ground drops and becomes very swampy.

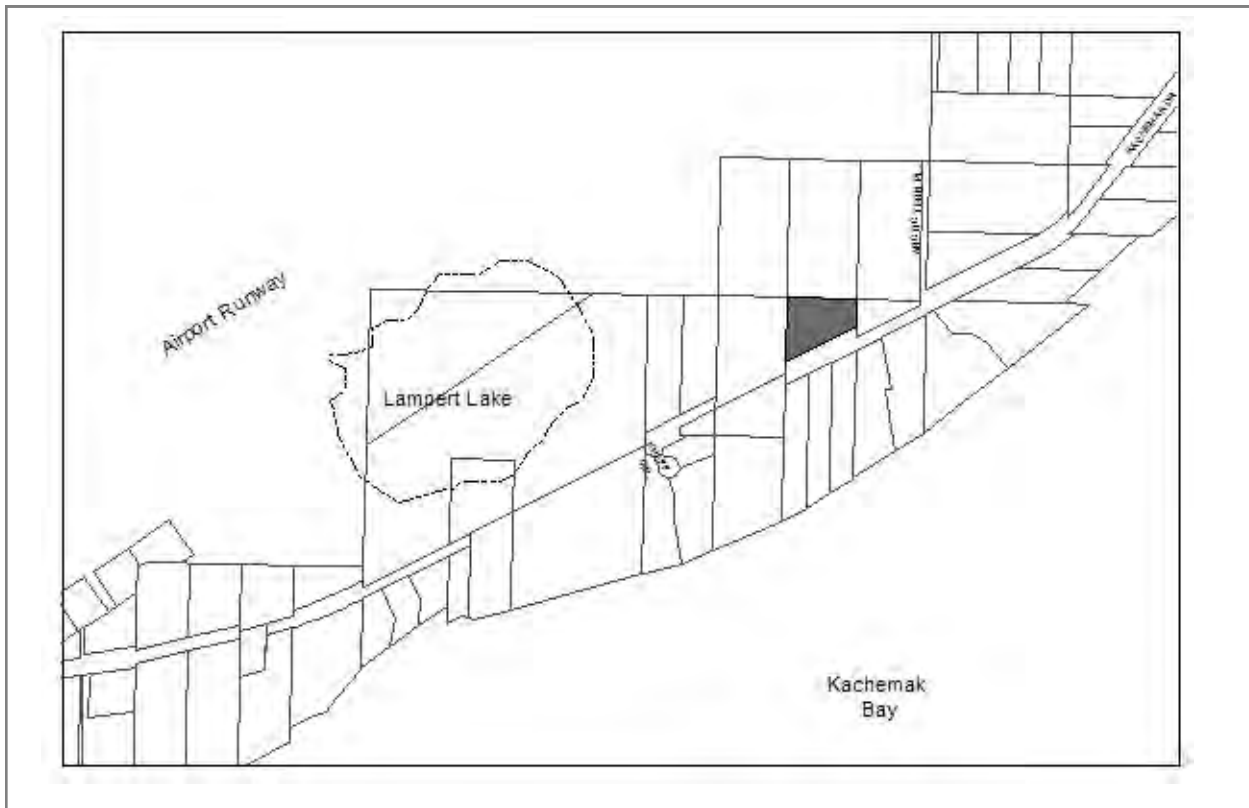

Resolution 09-33: Dedicate road access for Virginia Lynn Way, across Lot 2 Block 4 Lakeside Village Subdivision Amended. Hold the remainder of the lot for use as a public neighborhood park. In 2009 the City retained a surveyor to work on this issue. 2010: professional opinion was given that no right of way dedication is required, however, a legal opinion may be sought to determine city liability outside a dedicated right of way, Spruceview Ave is a similar situation: a roadway is constructed across a parcel, not within a right of way.

2020: Road construction across the parcel is complete. New homes are under construction to the east.

Homer Conservation Easement Lands

Most conservation lands in Homer were acquired through Exxon Valdez Oil Spill funding. Generally there are very strict easements on these lands as they were purchased to protect habitat, particularly shorebird habitat in sensitive areas. A portion of Louie's Lagoon has a conservation easement held by the Kachemak Heritage Land Trust. In 2020, The Nature Conservancy donated a 2.62 acre parcel along the Homer Spit to the city.

Total acreage: 172.34 acres.

TO: Economic Development and Port and Harbor Advisory Commissions
FROM: Julie Engebretsen, deputy City Planner and Special Projects Coordinator
DATE: December 1, 2021
SUBJECT: 2022 Draft Land Allocation Plan

Requested Action:

1. Review lands currently available for long term lease (Section A). Are there any recommended changes?
2. Review and consider changing the designation for Lot 20, on page C-6. The lot is currently reserved for a future travel lift, per Resolution 12-032.
3. Designate Tracts A and B, Barnett South Slope Subdivision Quiet Creek Park Unit 3, as parkland

Background

Homer City Code Title 18.08 regulates city property leases. Each year, the City Council reviews and passes a resolution on which lands should be available for lease. Council will have a work session with the Port and Harbor and Economic Development Advisory Commissions, tentatively in January, to discuss any changes.

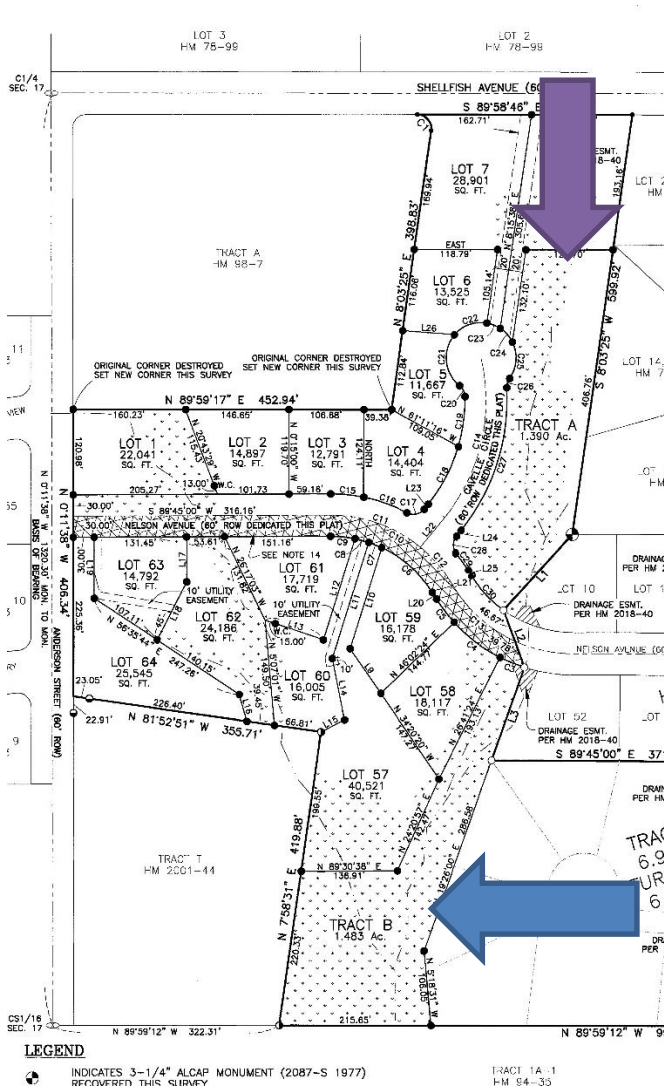

Most City leasing occurs on the Spit and at the airport terminal. The Port and Harbor Commission usually provides the most detailed comments about the Spit, as they typically are most familiar with area operations and long-term leases. The Port and Harbor and Economic Development Commissions provide comments by memorandum to the Council. The kinds of comments that code solicits include: which parcels should be available for lease, the lease rate, preferred length of the lease term, and any requirements, preferences or restrictions regarding use and or development.

1. Properties for Lease: Staff has no recommendations for changes

2. Lot 20, Homer Spit Road. Staff recommends removing reference to the travel lift, and retaining the land for Port purposes. Upon discussion with the Harbormaster, it would require a significant retrofit to the current boat basin to incorporate a travel lift. It may be something to include in the port expansion. For now, staff recommends removing reference to Lot 20 and designating it for port purposes.

3. Tracts A and B, “Quiet Creek” Subdivision. These were deeded to the city as part of the subdivision process. Recommend to retain these as park land, as intended by the grantor.

Tract A, has some flat area, but mostly low/wet/creek area

Tract B, connects from the High School, up the creek area, to Nelson Ave

Requested Actions:

1. Recommend any changes to lands available for long term lease.
2. Review and consider changing the designation for Lot 20, on page C-6. The lot is currently reserved for a future travel lift, per Resolution 12-032.

3. Designate Tracts A and B, Barnett South Slope Subdivision Quiet Creek Park Unit 3, as parkland

18.08.020 Land allocation plan – Property available for lease.

a. Unless dedicated or reserved to another purpose, all real property including tide, submerged or shore lands to which the City has a right, title and interest as owner or lessee, or to which the City may become entitled, may be leased as provided in this chapter. In the case of any conflict between this chapter and any local, State or Federal law governing the leasing of City tide and submerged lands, the law governing the leasing of City tide and submerged lands shall prevail.

b. The City administration shall maintain a list of all City-owned properties authorized for lease by Council. This list shall be adopted annually and contain the information required under this chapter. The list may be called the land allocation plan and will be made available to the public at the City Clerk's office.

c. Council shall adopt a land allocation plan that identifies:

1. City-owned property available for lease;
2. The property description, lease rate, preferred length of the lease term for each available parcel; and
3. Any requirements, preferences or restrictions regarding use and/or development.

d. Council may identify property in the land allocation plan that is subject to competitive bidding. Property subject to competitive bidding in the land allocation plan need only identify the property description in the land allocation plan but all other terms required in subsection (c) of this section shall be identified in the request for proposal for such properties.

e. Prior to the adoption of the land allocation plan, Council shall hold a work session. Commission members and City staff may provide recommendations to Council during the work session regarding City-owned property available for lease and the terms of such leases.

f. The City shall provide public notice of the adoption of the land allocation plan and the City-owned real property available for lease no more than 60 days after its adoption.

g. All uses and activities on City-owned real property available for lease are subject to all applicable local, State, and Federal laws and regulations.

h. The Council may restrict specific City-owned properties to certain uses or classes of use that serve the City's best interest. [Ord. [18-16\(S\)\(A\)](#) § 1, 2018].
