REGULAR BUSINESS:

CASE 23-22: Special Use Permit for a Crematorium

Chairman Sierzega read the description of the case and swore in the applicant, Jeffrey Sachs. Mr. Sachs presented his case.

Ms. Mesaros stated that she had received two objections for this use. One of them was from a business owner located in the same building.

Chairman Sierzega asked if the applicant had operated another crematorium. Mr. Sachs stated no and added that he currently has a service to pick up and deliver bodies to funeral homes and crematoriums.

Member Cap asked if the applicant was familiar with the quality standards set by the Illinois Pollution Control Board, what the standards are that must be met, and the name of the company that will be installing the cremation systems. Mr. Sachs stated he was unaware of the standards and stated the Company is BNL Cremation Systems out of Florida.

Member Cap also asked how the systems work, what the maintenance is for them, and if there was any sort of odor. Mr. Sachs stated everything is collected inside the stacks, maintenance is done roughly every 6 months unless there is an issue, and as long as the system is maintained and working properly there is no odor.

Member O'Brien asked the applicant what impact this business would have on his current clients, including the existing crematorium in Homewood, and if he would still be a customer of his current clients. Mr. Sachs stated he has spoken to the owner of the existing crematorium and does not believe this business would directly compete with it; further stating his business would not advertise to the public and would deal directly with local funeral homes. Mr. Sachs added that he wants to be more of a partner than a competitor.

Member Johnson asked the applicant what percentage of the work would be from funeral homes, how busy the location would be with the number of cremations, and asked about deliveries. Mr. Sachs stated he was unsure of the exact number, but estimates 75% and anticipates approximately 500 cremations. Deliveries would be from smaller vehicles like minivans in the rear to the bay.

Member Castaneda asked the applicant why he chose this location. Mr. Sachs stated it was an opportunity that arose.

Member Castaneda asked Staff if there were any details to the received objections. Staff Liaison Mesaros stated there were no details.

Member Castaneda stated she looked up crematoriums and the main concern was the mercury emissions from the dental fillings and added that the numbers were quite varied with one study stating 7% while another said 1%.

Chairman Sierzega asked the applicant what the planned hours would be, asked about potential staff, and if there would be services on site. Mr. Sachs stated the office hours would be limited and the cremation process would vary from 1-2 per day or 5-6 per day; it would depend on the numbers coming in; and the hours could change based on demand. Mr. Sachs stated there would be one person other than himself and he would add staff as the business grows. Chairman Sierzega asked if there would be memorial services on site. Mr. Sachs stated no.

Chairman Sierzega asked about the number of remains that would be stored on-site if urns would be sold, and if the business would be open to the public for the sale, and asked what the ashes would be in. Mr. Sachs stated how many bodies would be stored would depend on the storage unit he gets. If he goes with the 10' x 20' it would be about 12. If he goes with the 10' x 30' it would be 14-16 bodies. Any urns would be sold only if he started selling directly to the public. The ashes go into a temporary container.

Member Bransky asked the applicant who would be operating the equipment and what kind of training was involved. Member Bransky stated that it has to be recognized by the State Comptroller's office. Mr. Sachs stated the employee would operate the equipment. And added that most equipment is automated with removed access, but either he or the employee would be on site. There is an 8-hour training session that is offered by the State Association, the Cremation Society, and the equipment manufacturer offer it, and stated the State requires the individual operating the equipment to be certified.

Member Castaneda asked how all the guidelines and mandates could be learned in 8 hours. Mr. Sachs stated the knowledge of the State laws and statutes is up to the business owner and he would make sure his employees learned them.

Meeting Minutes | August 10, 2023

Member Johnson stated there are no local requirements, just State mandates for environmental requirements. Member Johnson asked Staff if the Inspector would look at it. Staff Liaison Mesaros stated not the Village, it would be the State Inspector.

Chairman Sierzega asked the applicant if someone from the State would come by periodically. Mr. Sachs stated yes, from the State Comptroller's office; they come out before opening and periodically after opening but he is not sure of the frequency.

Member Bransky asked if there would be an audit of practices and records and how often it occurs. Mr. Sachs stated it does occur, but he has never been present when the State is in the facility so he does not know how often it occurs.

Chairman Sierzega asked if anyone in the audience had any questions.

David McDermott of 2001 Ridge Road was sworn in. Mr. McDermott asked the applicant several questions including how long the corporation has existed, about the previous corporation that was involuntarily dissolved by the State, the location in Homewood versus the one that was proposed in South Holland, how far into development the South Holland location had been, if the applicant was licensed to operate the machinery, if the applicant was a member of the Cremation Society of America, if licenses were obtained in previous years, previous employment at a local funeral home and if he had left under bad terms, if there were any individuals in mind to be employees, how the experience was obtained to get certification without experience, the status of the litigation of the property in South Holland, and how many remains could be cremated in a day. Mr. Sachs stated the business was recently incorporated, and that the previous corporation was involuntarily dissolved in 2021, the location in Homewood is larger than the facility he had planned to open in South Holland. The facility in South Holland was ready to break ground, he had never had a license to operate the machinery. Indiana does not require a certification. Mr. Sachs stated that membership in the cremation society is on hold until after he gets the approval from the Village, he has not obtained licenses in the past, he has 4 people in mind, and he has experience working under others. He did not leave the funeral home on bad terms. He did not finish the probation period.

Mr. McDermott asked the applicant about the status of the litigation of the property in South Holland and the names of the companies involved. Mr. Sachs stated it is in mediation and the properties are Lex Management and Golf Construction.

Member Johnson asked the applicant the time period it takes to cremate a body. Mr. Sachs stated it depends on the machine and the size of the remains.

Vicki Grantham, of the Cremation Society of America, 17859 Bretz Drive, and secretary of the Condo Association, was sworn in. Ms. Grantham asked if the machines with the remote access were the ones that were being obtained. Mr. Sachs stated BNL does not have that technology in their machines so he is unsure what he will get.

Ms. Grantham asked if there was an agreement in place; if the applicant was aware of the cool-down period the machine needs; if the applicant had already signed a lease; if the applicant was aware the Association has to be informed the location will be leased; if he was going to buy the location; if the lease has a clause to fix the roof if the business closes and the equipment is removed; and if the public would be allowed in to witness the cremations. Mr. Sachs stated he does not have a signed contract, the newer and more advanced machines have less of a cool-down period, he has already signed a lease, but was unaware the Condo Association was to be informed, was unaware of the requirements, and was unaware that he could have gotten the information from the Association directly. He has been

requesting this from the broker and the property owner. He is not sure if he will buy the location and there is a clause in the lease allowing him to purchase. It is not in the lease to repair the roof and there are other things that were left out of the lease that were not addressed. Mr. Sachs stated there are no plans at this time to allow the public to witness cremations.

Member Johnson asked the applicant if the lease was approved by the Condo Association. Mr. Sachs stated no it wasn't and that is a question for the broker and the building owner.

Member Bransky asked if they could add their concerns to the Findings of Fact because the business plan is thin and it's a concern.

Chairman Sierzega stated they can be added to the Findings of Fact.

Member Castaneda asked what is required by the State to operate in Illinois. Mr. Sachs stated the certifications can be done before the machines are installed, which takes 4-6 months and is dependent on the Special Use.

Member Johnson moved to recommend approval of Case 23-22 to grant a special use for a crematorium, Manna Crematory, at 17803 Bretz Drive, subject to the requirements of Section 44-04-10 b of the Village of Homewood Zoning Ordinance and subject to all other local, State, and Federal requirements and licenses. Seconded by Member O'Brien.

CASE 23-23: Special Use Permit and a Zoning Variance for Ground-Mounted Solar Energy Collections System

Chairman Sierzega read the description of the case and swore in the applicant, Tony Jaswal, who presented the application.

Mr. Jaswal stated the proposed solar panels would be on a 2-acre plot of land owned by INX, it would have 1 million kilowatt hours offset per year, they would connect to INX, the modules would face south with a 10° tilt and they are non-rotating. Mr. Jaswal stated the variance request is to increase the height to 5'7" from 5'.

Member Cap asked the applicant about the plates, the proportion of consumption of INX, if the excess power would be stored onsite or put back into the power grid, who would own the equipment, what plants would be used for the ground cover, how the list of plants compares to the State Statute being pollinator-friendly, the cleaning of the panels, what the fencing would be. Mr. Jaswal stated the plates are 950 kW dc, on an annual basis it would be 3-14% of the annual usage. The power has the option to go into the grid, but most of the power would be consumed onsite. Any power that would go into the grid would be a 1:1 credit. The finance partner would own the equipment and sell the power to INX. The plan provided a list of plants that have been reviewed by the Village Arborist Bryon Doerr. The plants are pollinator-friendly. The panels would be cleaned twice a year and there would be landscape maintenance. There is no plan to remove any snow from the panels. The proposal is a 5-foot tall vinyl fence.

Staff Liaison Mesaros stated that both the Police and Fire Chiefs expressed concern about the proposed fence since it couldn't be see-through. Mr. Jaswal stated they are not opposed to changing the fence type.

Mr. Jaswal stated Cook County has no plans to tax the solar arrays. Member Cap asked if there were any examples of solar panels inside Cook County. Mr. Jaswal stated there are ground-mounted systems in Tinley Park, Chicago, Chicago Heights, and University Park with some of them larger than the proposed one. Member Cap asked about the tax assessment on solar arrays outside of Cook County. Mr. Jaswal stated there is the potential for the County to add it as a resource for property taxes in DuPage County, but it's not set yet.

Member Bransky asked about the decommission sequence and what would be removed and asked who would install the conduit, how it would be installed, and in what material. Mr. Jaswal stated the concrete foundation and everything below grade would stay. The conduit would be installed below ground by DSD.

Member Bransky also asked if there would be a battery storage system and if the generator would get the overage. Mr. Jaswal stated this system does not have a battery and yes the generator would get the overage. Member Bransky asked if there would be ponding under the panels from the erosion. Mr. Jaswal stated they have not had that issue.

Chairman Sierzega swore in 4 representatives from INX, Mike DeRosa, Tim Roth, Kevin, Cochran, and Ashley Rooney.

Member O'Brien asked who selected the ground-mounted solar system, why they selected ground-mounted instead of roof-mounted, when they purchased the vacant lot, why canopy mounting has not been considered, and why the height variance is being requested. Mr. Jaswal stated General Energy selected the system. The roof was evaluated and it was determined that the roof was not structurally sound enough for the roof-mounted system and the land space was available. Mr. Cochran stated the lot was purchased in 2008 at the same time the land was purchased for the development of INX's facility to the east. Mr. Jaswal stated canopy mounting is an option, but there are no incentives for it in Illinois and it is not feasible economically. The standard height to get under the panels for maintenance is 3 feet, having that and adding the tilt makes the height 5-foot 7 inches. Mr. Jaswal stated canopy installation is not available in Illinois yet, but when the costs come down it could be done, and added that the company is interested in exploring it.

Member O'Brien asked why they wanted to install a 5-foot fence instead of the 4-foot stated in the code. Mr. Jaswal stated typically they do 5 feet as anything taller would cast a shadow. Chairman Sierzega stated it would not be a closed fence. Mr. Jaswal stated it would be an open fence.

Member Johnson stated it is something that should be encouraged and stated it should be included in the staff comments so the information is clear.

Member Castaneda asked if the main disconnect can be done remotely and if MWRD is required. Mr. Jaswal stated it is required and they are in the process of obtaining the MWRD permit.

Chairman Sierzega asked if the company has done any system decommissions and how many panels are being installed. Mr. Jaswal stated the decommissioning is typically done by DSD. His company has the

option to do them, but they haven't. Mr. Jaswal stated each panel has 5, so there would be about 2,000 panels.

Member Johnson moved to recommend approval of Case 23-23 to grant (1) a Special Use permit for a ground-mounted solar collection system; (2) a variance from Subsection 44-04-14 (s)1 to located in the front yard; and (3) a variance from Subsection 44-04-14(s)2 for a maximum height of 5.7 feet, at INX International Ink Co. at 1000 Maple Avenue, subject to all other requirements of Section 44-04-14(s) of the Village of Homewood Zoning Ordinance and including the comments from staff regarding the site plan review committee fence and electric main disconnect installation; Seconded by Member O'Brien.

BACKGROUND

The applicant, Robert Garrity, Ink-N-Um LLC, proposes to locate his tattoo studio and body piercing facility at 18661 Dixie Highway. The space is located in a multi-tenant commercial building that was constructed in 1951. The tenant space was most recently occupied by Time Quest, an escape room. Prior to that, the space was occupied by VIP Security, a security office. Other current tenants in the shopping center include a health and fitness center (Body by Ivory), a chiropractor (Barton Chiropractic), and a thrift store (Sweet and Thrifty).

Mr. Garrity is a lifelong Homewood resident who has operated a tattoo studio in Calumet City for 26 years. He proposes to move the studio to Homewood. Mr. Garrity previously inquired about locations for his business in the B-1 and B-2 districts of Homewood; however, the zoning code does not allow tattoo studios in those areas. With the recent zoning map amendment, the Southgate commercial area was rezoned from B-2 to B-3; and tattoo studios are allowed as a special use in the B-3 district.

DISCUSSION

SPECIAL USE PERMIT

The applicant, Mr. Garrity, proposes to open a tattoo studio in a vacant tenant space at 18661 Dixie Highway. The use is classified by the Zoning Ordinance as a “tattoo studio/body piercing facility.” A tattoo studio/body piercing facility is a special use in the B-3 district. The special use process allows for a case-by-case review to assess the suitability of the proposed use to a specific site and consider the potential impact on neighboring properties.

The applicant proposes to operate a tattoo studio in the 1,250 SF tenant space. He plans to have a reception lobby and workstations for tattooing. The newly adopted zoning ordinance establishes parking requirements of 1 space per 250 square feet for a tattoo studio/body piercing facility. The proposed location would require 5 parking spaces. The applicant anticipates, at maximum capacity 6 to 8 people at the facility and approximately 5 parking spaces occupied at one time. The shopping center provides shared parking for all its uses and can accommodate the required parking.

Section 44-04-06 (d) of the Homewood Zoning Ordinance requires that a tattoo studio and/or body piercing facility shall be located a minimum of 1,000 feet from another tattoo studio and/or body piercing facility. The proposed location is approximately 4,960 feet from the other tattoo studio in Homewood, located at 18354 Governors Hwy.

The hours of operation would be Tuesday through Saturday, 12:00 p.m. to 9:00 p.m., and closed on Sundays and Mondays.

The applicant’s responses to the standards for special use are attached for consideration.

DRAFT FINDINGS OF FACT

The staff has prepared the draft findings of fact in accordance with the standards set forth in Section 44-07-11 of the Zoning Ordinance for Special Use. The findings of fact, as proposed or as amended, may be entered into the record.

1. The subject property is located at 18661 Dixie Highway in an existing multi-tenant commercial center;
2. The applicant, Robert Garrity, is the business owner and tenant, applying with authorization by the property owner;
3. The subject property is located in the B-3 Service Business District;
4. A tattoo establishment is a special use in the B-3 Service Business District; and
5. The tattoo studio/body piercing facility will meet the requirement for a minimum distance of 1,000 feet from another tattoo studio/body piercing facility.

RECOMMENDED PLANNING & ZONING COMMISSION ACTION

If the Commission finds that the request meets the standards for a special use, the Planning and Zoning Commission may consider the following motion:

Recommend approval of Case 23-26 to grant a Special Use Permit for a Tattoo Studio/Body Piercing Facility in the B-3 Service Business District for “Ink-N-Um” at 18661 Dixie Highway on application by Robert Garrity; and

Incorporate the findings of fact into the record.

The Planning and Zoning Commission and Village Board shall consider the following responses to the Standards for a Special Use in evaluating the application. No one is controlling.

1. Is the special use deemed necessary for the public convenience at this location?

Describe why this location is best-suited for your business to serve the community.

I was born and raised in homewood and have been a homeowner, raising my family here, for 23 years. While at my previous business address, I donated to charities, donated to raffles, and sponsored sports for the community. I would love to provide that same support in my hometown. I feel this location is on a well traveled through area, has ample parking, and is easy to access from the main street.

2. Is the special use detrimental to the economic welfare of the community?

Will the business have a negative impact on other businesses?

No, this business will attract more people who are seeking services from a well known professional tattoo business in Homewood. The old stereotypes of tattoos have been greatly diminished, particularly among Millennials and Gen Z, who are known for valuing authenticity and individuality. They see tattoos as a way to showcase their uniqueness. This artistic expression is more positive and accepting,

3. Will the special use be consistent with the goals and policies of the Comprehensive Plan?

Describe how your business fits with the goals and policies summarized on the attached sheet.

New and existing clients will be exposed to the multitude of Homewood businesses in the area. People will notice other establishments they may wish to patronize and spend their money.

4. Is the special use so designed, located, and proposed to be operated, that the public health, safety, and welfare will be protected?

Describe any neqative impacts, external to your business, that may result from it operating at this location.

Yes. This business was established more than a quarter-century ago. I maintained a clean, safe, welcoming environment; followed all professional standards; adhered to local ordinances and laws/ rules; and was an asset to the community.

5. Is the special use a suitable use of the property, and will the property will be substantially diminished in vaiue without the special use?

Describe why your business is best-suited for your this property.

Ink-N-Um LLC is well suited for this location. It will draw more people to the South Gate area for services, shopping, dining and more.

6. Will the special use cause substantial injury to the value of other property in the neighborhood in which it is located?

Will your business decrease the value of other properties?

My business will enhance the property and its surroundings.

7. Will the special use be consistent with the uses and community character of the neighborhood surrounding the property?

Describe how your business is compatible with its neighbors.

With this special use, I will be able to bring a business of 26 years and its customers — existing and new — to Homewood.

8. Will the special use be injurious to the use or enjoyment of other property in the neighborhood for the purposes permitted in the zoning district?

Describe any negative impacts, external to your business, that may result from it operating at this location.

This business will have no negative impact. It will only improve the vitality of the local economy.

9. Will the special use impede the normal and orderly development and improvement of surrounding properties for uses permitted in the zoning district?

Describe any negative impacts, external to your business, that may result from it operating at this location.

This business will not impede the development of surrounding properties.

10. Does the special use provide adequate measures of ingress and egress in a manner that minimizes traffic congestion in the public streets?

Describe how will customers get to and from your business.

Customers visiting 18661 Dixie Hwy. will have adequate access by vehicle, public transportation or pedestrian walkways.

11. Is the special use served by adequate utilities, drainage, road access, public safety and other necessary facilities?

A new business going into an existing development, may answer 'no.'

No.

12. Will the special use substantially adversely affect one or more historical, archaeological, cultural, natural or scenic resources located on the parcel or surrounding properties?

A new business going into an existing development, may answer 'no.'

No.

1999 COMPREHENSIVE PLAN

Below is an excerpt of the 1999 Comprehensive Plan containing those goals and objectives related to land use and community economic development which may be informative in the evaluation of special use permits.

Goal 1 - Land Use and Community Economic Development

Promote development of all remaining undeveloped property within the Village of Homewood for sound and orderly residential, commercial, and industrial development consistent with the Comprehensive Plan and the Future Land Use Map.

Objectives

- 1.1 - Recruit additional appropriate retail and industrial development for designated vacant commercial and industrial areas shown on the Future Land Use Map [current zoning map].
- 1.2 - Prepare a streetscape right-of-way plan for 183rd Street from the intersection of Dixie Highway to Governor's Highway to establish commercial "entryways" into the downtown central business district.
- 1.3 - Complete a plan to assess the potential for the Downtown to serve as a regional entertainment and "upscale" shopping district, serving residents within a 10-mile radius.
- 1.4 - Establish a transition zone surrounding the current downtown where, depending on market timing, changes in zoning from residential to commercial or mixed-uses would be favorably considered depending on specifics of the proposal.

The judgment of any court of competent jurisdiction or the admission of Tenant in any action against Tenant, whether Landlord be a party thereto or not, that Tenant has violated any law, statute, ordinance or governmental rule, regulation or requirement, shall be conclusive of that fact as between Landlord and Tenant.

8. ALTERATIONS AND ADDITIONS.

Tenant shall not make or allow to be made any alterations, additions or improvements to or of the Premises or any part thereof without first obtaining the written consent of Landlord. Any alterations, additions or improvements to or of said Premises, including, but not limited to, wall covering, paneling and built-in cabinet work, but excepting movable furniture and trade fixtures, shall at once become a part of the realty and belong to Landlord and shall be surrendered with the Premises. being in good, sanitary order, condition and repair. Tenant shall, at Tenant's sole cost and expense, keep the Premises and every part thereof in good condition and repair (except as hereinafter provided with respect to Landlord's obligations) including, without limitation, the maintenance, replacement and repair of any storefront, doors, window casements, glazing, plumbing, pipes, electrical wiring and lighting fixtures and conduits, heating and air conditioning system (when there is an air conditioning system). Tenant shall, upon the expiration or sooner termination of this Lease, surrender the Premises to Landlord in good condition, broom clean, ordinary wear and tear and damage from causes beyond the reasonable control of Tenant excepted. All tenant improvements shall be removed from the Premises unless otherwise noted in a separate signed agreement. Any damage to adjacent premises caused by Tenant's use of the Premises shall be repaired at the sole cost and expense of Tenant.

- (c) Notwithstanding any other provision herein, Landlord, at its expense, shall maintain and repair the structural portions of the Shopping Center, including the exterior walls and the structural portions of the roof, unless such maintenance and repair are caused in part or in whole by the act, neglect, fault or omission of any duty by the Tenant, its agents, servants, employees, invitees, or any damage caused by breaking and entering, in which case Tenant shall pay to Landlord the actual cost of such maintenance and repairs. Except as provided in Section 25 below, there shall be no abatement of rent and no liability of Landlord by reason of any injury to or interference with Tenant's business arising from the making of any repairs, alterations or improvements in or to any portion of the Shopping Center or the Premises or in or to fixtures, appurtenances and equipment therein. Tenant shall keep the Premises and the property in which the Premises are situated free from any liens arising out of any work performed, materials furnished or obligations incurred by or on behalf of Tenant. Landlord may require, at Landlord's sole option, that Tenant shall provide to Landlord, at Tenant's sole cost and expense, a lien and completion bond, performance bond and/or payment bond in an amount equal to one and one-half (1-1/2) times the estimated cost of any improvements, additions, repairs or alterations in the Premises which Tenant desires to make, to insure Landlord against any liability for mechanics' and materialmen's liens and to insure completion of the work.

Tenant shall not either voluntarily, or by operation of law, assign, transfer, mortgage, pledge, hypothecate or encumber this Lease or any interest, rights or entitlements herein, and shall not sublet the Premises or any part thereof, or any right or privilege appurtenant thereto, or allow any other person (the employees, agents, servants and invitees of Tenant excepted) to occupy or use the Premises, or any portion thereof, without first obtaining the written consent of Landlord, which consent shall not be unreasonably withheld. Consent to one assignment, subletting, occupation or

use by any other person shall not be deemed to be a consent to any other assignment, subletting, occupation or use by another person. Consent to any such assignment or subletting shall in no way relieve Tenant of any liability under this Lease. Any such assignment or subletting without such consent shall be void, and shall, at the option of Landlord, constitute a default under the terms of this Lease. In the event that Landlord shall consent to a sublease or assignment hereunder, Tenant shall pay Landlord reasonable fees, not to exceed One Thousand and No/100ths Dollars (\$1,000.00), incurred in connection with the processing of documents necessary to giving of such consent.

12. INDEMNIFICATION AND HOLD HARMLESS.

- (a) Tenant shall indemnify and hold harmless Landlord and Landlord's Management Company against and from any and all claims arising from Tenant's use of the Premises or from the conduct of Tenant's business or from any activity, work, or other things done, permitted or suffered by Tenant in or about the Premises, and shall further indemnify and hold harmless Landlord and Landlord's Management Company against and from any and all claims arising from any breach or default in the performance of any obligation on Tenant's part to be performed under the terms of this Lease, or arising from any act or negligence of Tenant, or any officer, agent, employee, guest or invitee of Tenant, and from all costs, attorneys' fees, and liabilities incurred in or about the defense of any such claim or any action or proceeding brought thereon. If any action or proceeding is brought against Landlord or Landlord's Management Company by reason of such claim, Tenant upon notice from Landlord shall defend Landlord and Landlord's Management Company, at Tenant's expense, by counsel reasonably satisfactory to Landlord. Tenant, as a material part of the consideration to Landlord, hereby assumes all risk of damage to property or injury to persons in, upon or about the Premises, from any cause other than Landlord's negligence, and Tenant hereby waives all claims in respect thereof against Landlord and Landlord's Management Company. Tenant shall give prompt notice to Landlord and Landlord's Management Company in case of casualty, injury or accidents in the Premises.
- (b) Landlord or its agents shall not be liable for any loss or damage to persons or property resulting from fire, explosion, falling plaster, steam, gas, electricity, water or rain which may leak from any part of the Shopping Center or from the pipes, appliances or plumbing works therein or from the roof, street or subsurface or from any other place resulting from dampness or any other cause whatsoever, unless caused by or due to the negligence of Landlord, its agents, servants or employees. Landlord or its agents shall not be liable for interference with the light, air or for any latent defect in the Premises.

13. SUBROGATION.

As long as their respective insurers so permit, Landlord and Tenant hereby mutually waive their respective rights of recovery against each other for any loss insured by fire, extended coverage and other property insurance policies existing for the benefit of the respective parties. Each party

shall apply to their insurers to obtain said waivers. Each party shall obtain any special endorsements, if required by their insurer to evidence compliance with the aforementioned waiver.

Tenant shall, at Tenant's expense, obtain and keep in force during the Lease Term or Renewal Term a policy of commercial general liability insurance (sometimes known as comprehensive public liability insurance) insuring Landlord, Landlord's Management Company and Tenant (and, if requested by Landlord, Landlord's lender) against any liability for bodily injury, property damage (including loss of use of property) and personal injury arising out of the ownership, use, occupancy or maintenance of the Premises and all areas appurtenant thereto. Such insurance shall be in the amount of not less than \$500,000.00 per occurrence. The limit of any such insurance shall not, however, limit the liability of Tenant hereunder. Tenant may provide this insurance under a blanket policy, provided that said insurance shall have a Landlord's protective liability endorsement attached thereto. If Tenant shall fail to procure and maintain said insurance, Landlord may, but shall not be required to, procure and maintain same, but at the expense of Tenant. In the event any or all of Tenant's leasehold improvements, equipment, furniture, fixtures and other personal property shall be assessed and taxed with the real property, Tenant shall pay to Landlord its share of such taxes within ten (30) days after delivery to Tenant by Landlord of a statement in writing setting forth the amount of such taxes applicable to Tenant's property.

17. RULES AND REGULATIONS.

Tenant shall faithfully observe and comply with the rules and regulations that Landlord shall from time to time promulgate and/or modify. Thirty days' notice will be given to comply by tenant. The rules and regulations shall be binding upon Tenant upon delivery of a copy of them to Tenant. Landlord shall not be responsible to Tenant for the nonperformance of any said rules and regulations by any other tenants or occupants.

18. HOLDING OVER.

If Tenant remains in possession of the Premises or any part thereof after the expiration of the Lease Term or Renewal Term with or without the express written consent of Landlord, such occupancy shall be a tenancy from month to month at a rental in the amount of one hundred and fifty percent (150%) of the last monthly Base Rent, plus Tenant's Proportionate Share of all Taxes and other expenses as set forth in Section 6 above, and upon all the terms hereof applicable to a month to month tenancy. Landlord at any and all times shall have the right to use any and all means which Landlord may deem proper to open said doors in an emergency, in order to obtain entry to the Premises without liability to Tenant except for any failure to exercise due care for Tenant's property and any entry to the Premises obtained by Landlord by any of said means, or otherwise, shall not under any circumstances be construed or deemed to be a forcible or unlawful entry into, or a detainer of, the Premises, or an eviction of Tenant from the Premises or any portion thereof.

20. CONDITION OF PREMISES ON SURRENDER.

At the expiration or earlier termination of this Lease, Tenant shall surrender the Premises in as "broom-clean" condition as the Premises were on the Lease Term Commencement Date, reasonable wear and tear and loss due to acts of Landlord or casualty excepted, and shall surrender all keys for the Premises to Landlord at the place then fixed for the payment of Rent, and shall inform Landlord of all combinations on locks, safes and vaults, if any, in the Premises. Tenant shall repair any

damage to the Premises caused by the removal of Tenant's property from the Premises. Tenant's obligation to observe or perform this covenant shall survive the expiration or other termination of the Lease Term or Renewal Term.

21. EVENTS OF DEFAULT BY TENANT.

The occurrence of any one or more of the following events shall constitute a default and breach of this Lease by Tenant:

- (a) The vacating or abandonment of the Premises by Tenant.
- (b) The failure by Tenant to make any payment of Base Rent, Tenant's Proportionate Share of Taxes and other expense, Rent, Rental or any other payment required to be made by Tenant hereunder, as and when due, where such failure shall continue for a period of five (5) days after written notice thereof by Landlord to Tenant. Landlord shall charge Tenant, as additional Rent, seventy-five dollars (\$75.00) for each notice served. Any payment received by Landlord from Tenant shall be applied in the following order: first to any outstanding Late Charges (as described in Section 33(i) below), then to any payments of additional Rent (Tenant's Proportionate Share of Taxes and other expenses) and other charges due hereunder, and then to payment of Base Rent.
- (c) The failure by Tenant to observe or perform any of the covenants, conditions or provisions of this Lease to be observed or performed by Tenant, other than described in Section 22(b) above, where such failure shall continue for a period of thirty (30) days after written notice thereof by Landlord to Tenant; provided, however, that if the nature of Tenant's default is such that more than thirty (30) days are reasonably required for its cure, then Tenant shall not be deemed to be in default if Tenant commences such cure within said thirty (30) day period and thereafter diligently prosecutes such cure to completion.
- (d) The making by Tenant of any general assignment or general arrangement for the benefit of creditors; or the filing by or against Tenant of a petition to have Tenant adjudged a bankrupt, or a petition or reorganization or arrangement under any law relating to bankruptcy unless, in the case of a petition filed against Tenant, the same is dismissed within sixty (60) days or the appointment of a trustee or a receiver to take possession of substantially all of Tenant's assets located at the Premises or of Tenant's interest in this Lease, where possession is not restored to Tenant within thirty (30) days; or the attachment, execution or other judicial seizure of substantially all of Tenant's assets located at the Premises or of Tenant's interest in this Lease, where such seizure is not discharged within thirty (30) days.

22. LANDLORD'S REMEDIES UPON TENANT'S DEFAULT.

In the event of any such default or breach by Tenant, Landlord may at any time thereafter, in its sole discretion, without statutory notice or demand and without limiting Landlord in the exercise of a right or remedy which Landlord may have by reason of such default or breach:

- (a) Terminate Tenant's right to possession of the Premises by any lawful means, in which case this Lease shall terminate and Tenant shall immediately surrender possession of the Premises to Landlord. In such event, Landlord shall be entitled to recover from Tenant all damages incurred by Landlord by reason of Tenant's default including, but not limited to, the cost of recovering possession of the Premises; expenses of reletting, including necessary renovation and alteration of the Premises; reasonable attorneys' fees; court costs and other expenses of legal proceedings; the worth, discounted to present value, of the amount by which the unpaid Base Rent and Tenant's Proportionate Share of Taxes and other expenses and other charges called for in this Lease for the balance of the Lease Term or Renewal Term less the amount of such loss for the same period that Tenant proves could be reasonably avoided; and that portion of any leasing commission or fee paid by Landlord and applicable to the unexpired Lease Term or Renewal Term of this Lease. Unpaid installments of Rent or other sums shall bear interest from the date due at the maximum legal rate.
- (b) Maintain Tenant's right to possession, in which case this Lease shall continue in effect whether or not Tenant shall have abandoned the Premises. In such event Landlord shall be entitled to enforce all of Landlord's rights and remedies under this Lease, including the right to recover the Base Rent, Tenant's Proportionate Share of Taxes and other expenses and any other charges as may become due hereunder.
- (c) Landlord may elect with or without notice of such election, and with or without demand, to terminate this Lease and Tenant's right to possession of the Premises without terminating this Lease.
- (d) Upon any termination of this Lease or Tenant's right to possession, Tenant shall surrender possession to Lessor and vacate the Premises immediately, and if Tenant fails to surrender possession, Landlord may elect whether or not to re-enter the Premises.
- (e) If Tenant fails to surrender possession and Landlord elects not to re-enter the Premises, Tenant will pay as liquidated damages for the time such possession is withheld, 1.5 times the amount of the Base Rent plus Tenant's proportionate share of all Taxes and other expenses as set forth in paragraph 19, applicable at the time of termination of this Lease for each month or partial month during which Tenant retains possession of the Premises; provided, however, that this sub-paragraph shall not be held to be a waiver of Landlord's right of re-entry nor shall the receipt of any sums under this sub-paragraph operate as a waiver of the right to terminate this Lease. Tenant shall indemnify Landlord against all liabilities and damages sustained by Landlord by reason of such retention of possession.

- (f) If Tenant fails to surrender possession and Landlord does elect to re-enter the Premises, or if Tenant abandons the Premises, Landlord may re-enter after notice and compliance with the law. Such entry shall not be deemed to terminate this Lease or release Tenant, in whole or in part, from its obligation to pay Rent under this Lease and in any such case, Tenant shall pay to Landlord, at Landlord's election, a sum equal to the entire amount of the Rent due for the remainder of the Lease Term or Renewal Term of this Lease, plus any sums due for repairs, alterations, additions or redecorating of the Premises. Upon making such payment, Tenant shall be entitled to receive from Landlord all the rents received from subsequent tenants in the Premises during the remainder of the Lease Term or Renewal Term under this Lease; provided, however, that Tenant shall not be entitled to receive any money in excess of that paid by Tenant as the remainder of the Rent due under this Lease.
- (g) After re-entry by Landlord, Landlord may, but need not, re-let the Premises for the account of Tenant to any person or entity other than Tenant and for any such rent and upon such terms as Landlord shall determine in its sole and absolute discretion. Landlord shall not be required to accept any leases offered by Tenant or to observe any instructions given by Tenant in connection with such re-letting. Tenant shall, upon demand, pay to Landlord the cost of any repairs, alterations, additions or redecorating deemed by Landlord, in its sole and absolute discretion, to be necessary or desirable, together with all expenses of the re-letting. Nothing herein shall be deemed to waive the duty of the Landlord and Landlord agrees to mitigate damages which Landlord is obligated to do under this Lease.
- (h) Any and all property which may be removed from the Premises by Landlord pursuant to the authority of this Lease or of law, to which Tenant is or may be entitled, may be handled, removed or stored by Landlord at the risk, cost and expense of Tenant and Landlord shall in no event be responsible for the value, preservation or safekeeping of such property. Tenant shall pay to Landlord, upon demand; all expenses incurred in such removal and all storage charges so long as the same shall be in the possession of Landlord or under its control. Any such property owned by Tenant not removed from the Premises or retaken from storage by Tenant within thirty (30) days of the end of the term, however ended, or within thirty (30) days of the termination of Tenants right to possession without termination of this Lease, shall be presumed to have been conveyed by Tenant to Landlord under this Lease as a bill of sale without further payment or credit to Tenant; and Tenant will pay and discharge all reasonable costs, attorney's fees and expenses that may be incurred by Landlord, in enforcing the covenants and agreements of this Lease.
- (i) Pursue any other remedy or combination of remedies now or hereafter available to Landlord under the laws or judicial decisions of the State in which the Premises are located.

- (j) Landlord's rights and remedies hereunder or otherwise permitted by law shall be cumulative, and none of which shall exclude any other right or remedy allowed by law.

23. EVENTS OF DEFAULT BY LANDLORD.

Landlord shall not be in default unless Landlord fails to perform obligations required of Landlord within a reasonable time, but in no event later than thirty (30) days after written notice by Tenant to Landlord and to the holder of any first mortgage or deed of trust covering the Premises whose name and address shall have theretofore been furnished to Tenant in writing, specifying wherein Landlord has failed to perform such obligation. If the nature of Landlord's obligation is such that more than thirty (30) days are required for performance, then Landlord shall not be in default if Landlord commences performance within such thirty (30) day period and thereafter diligently prosecutes the same to completion. In case of Landlord default, the Tenant has the right to terminate this Lease as a result of Landlord's default and Tenant's remedies shall be limited to actual damages.

24. RECONSTRUCTION.

- (a) In the event the Premises are damaged by fire or other perils covered by extended coverage insurance, Landlord agrees to forthwith repair same, and this Lease shall remain in full force and effect, except that Tenant shall be entitled to a proportionate reduction of the Base Rent from the date of damage and while such repairs are being made, such proportionate reduction to be based upon the extent to which the damage and making of such repairs shall reasonably interfere with the business carried on by Tenant in the Premises. If the damage is due to the fault or neglect of Tenant or its employees, there shall be no abatement of Base Rent.
- (b) In the event the Premises are damaged to any extent as a result of any cause other than the perils covered by fire and extended coverage insurance, Landlord shall have the option: (1) to repair, reconstruct or restore the Premises, in which event this Lease shall continue in full force and effect, but the Base Rent shall be proportionately reduced, only in the case of business closing, as hereinabove provided in Section 25(a) during the period of such repair, reconstruction or restoration; or (2) to give notice to Tenant at any time within sixty (60) days after such damage, terminating this Lease as of the date specified in such notice, which date shall be no more than thirty (30) days after the giving of such notice. In the event of giving such notice, this Lease shall expire and all interest of Tenant in the Premises shall terminate on the date so specified in such notice and the Base Rent, reduced by a proportionate reduction, based upon the extent, if any, to which such damage interfered with the business carried on by Tenant in the Premises, shall be paid up to date of said such termination.

- (c) Anything to the contrary contained in this Section 25 notwithstanding, Landlord shall not have any obligation whatsoever to repair, reconstruct or restore the Premises when the damage resulting from any casualty covered under this Section occurs during the last twenty-four (24) months of the Lease Term or Renewal Term or any extension thereof. If landlord decided to repair , tenant will have to terminate lease.
- (d) Landlord shall not be required to repair any injury or damage by fire or other cause, or to make any repairs or replacements of any leasehold improvements, fixtures or other personal property of Tenant.

25. EMINENT DOMAIN.

- (a) If more than fifty percent (50%) of the Premises shall be taken or appropriated by any public or quasi-public authority under the power of eminent domain, either party hereto shall have the right, at its option, within sixty (60) days after said taking, to terminate this Lease upon thirty (30) days written notice. If either less than or more than fifty percent (50%) of the Premises are taken (and neither party elects to terminate as herein provided), the Base Rent thereafter to be paid shall be equitably reduced. If any part of the Shopping Center other than the Premises may be so taken or appropriated, Landlord shall within sixty (60) days of said taking have the right at its option to terminate this Lease upon written notice to Tenant.
- (b) In the event of any taking or appropriation whatsoever, Landlord shall be entitled to any and all awards and/or settlements which may be given on account of the reduction in the value of the leasehold, the taking of the fee or otherwise and Tenant shall have no claim against Landlord for the value of any unexpired portion of the Lease Term or Renewal Term.

26. PARKING AND COMMON AREAS.

- (a) Landlord covenants that parking available for the non-exclusive use of Tenant during the full Lease Term or Renewal Term or any extension thereof, provided that the condemnation or other taking by any public authority, or sale in lieu of condemnation, of any or all of such Common Areas shall not constitute a violation of this covenant. Landlord reserves the right to change the entrances, exits, traffic lanes and the boundaries and locations of such Common Areas, provided, however, that anything to the contrary contained in this Section 27.
- (b) Tenant, for the use and benefit of Tenant, its agents, employees, customers, licensees and sub-tenants, shall have the non-exclusive right in common with Landlord, and other present and future owners, tenants and their agents, employees, customers, licensees and sub-tenants, to use said Common Areas during the entire Lease Term or Renewal Term, or any extension thereof; for ingress and egress, and automobile parking.

- (c) Tenant, in the use of said Common Areas, agrees to comply with such reasonable rules, regulations and charges for parking as Landlord may adopt from time to time for the orderly and proper operation of said Common Areas. Such rules may include, but shall not be limited to, the following: (i) the restricting of employee parking to a limited, designated area or areas; and (ii) the regulation of the removal, storage and disposal of Tenant's refuse and other rubbish at the sole cost and expense of Tenant.

27. SIGNS.

Tenant may affix and maintain upon the glass panes and supports of the show windows and within twelve (12) inches of any window and upon the exterior walls of the Premises only such signs, advertising placards, names, insignia, trademarks and descriptive material as shall have first received the written approval of Landlord as to type, size, color, location, copy nature and display qualities. Anything to the contrary in this Lease notwithstanding, Tenant shall not affix any sign to the roof. Tenant shall, however, erect one sign on the front of the Premises not later than the date Tenant opens for business. The design of such sign shall be prepared by Tenant in accordance with Landlord's sign criteria and shall be subject to the approval of Landlord, and compliance with all local zoning requirements. At the expiration of the Lease Term or Renewal Term, Tenant shall remove all signs and make all repairs necessary to restore the building facade to its original condition.

28. DISPLAYS.

Tenant may not display or sell merchandise or allow grocery carts or other similar devices within the control of Tenant to be stored or to remain outside the defined exterior walls and permanent doorways of the Premises. Tenant further agrees not to install any exterior lighting, amplifiers or similar devices or use in or about the Premises any advertising medium which may be heard or seen outside the Premises, such as flashing lights, searchlights, loudspeakers, phonographs or radio broadcasts or to affix anything, including signage, to the roof of the building.

29. AUCTIONS.

Tenant shall not conduct or permit to be conducted any sale by auction in, upon or from the Premises whether said auction be voluntary, involuntary, pursuant to any assignment for the payment of creditors or pursuant to any bankruptcy or other insolvency proceeding.

30. HOURS OF BUSINESS.

- (a) Subject to the provisions of Section 25 above, Tenant shall continuously during the entire Lease Term or Renewal Term conduct and carry on Tenant's business in the Premises and shall keep the Premises open for business and cause Tenant's business to

be conducted therein during the usual business hours of each and every business day as is customary for businesses of like character in the city in which the Premises are located to be open for business; provided, however, that this provision shall not apply if the Premises should be closed and the business of Tenant temporarily discontinued therein on account of strikes, lockouts or similar causes beyond the reasonable control of Tenant. Tenant shall keep the Premises adequately stocked with merchandise, and with sufficient sales personnel to care for the patronage, and to conduct said business in accordance with sound business practice.

- (b) In the event of breach by Tenant of any of the conditions contained in this Section, Landlord shall have, in addition to any and all remedies herein provided, the right at its option to collect not only the Base Rent herein provided, but additional rent at the rate of one-thirtieth (1/30) of the Base Rent herein provided for each and every day that the Tenant shall fail to conduct its business as herein provided.

31. MERCHANTS' ASSOCIATION.

If a majority of tenants in the Shopping Center shall determine that it is in the best interests of the Shopping Center, Tenant will become a member of and participate fully in, and remain in good standing in the Merchants' Association (as soon as the same has been formed), organized for tenants occupying premises in the Shopping Center, and Tenant will abide by the regulations of such Association. Each member tenant shall have one (1) vote, and Landlord shall also have one (1) vote, in the operation of said Association. The objects of such Association shall be to encourage its members to deal fairly and courteously with their customers, to encourage ethical business practices and to assist the business of the tenants by sales promotion and center wide advertising. Tenant agrees to pay minimum dues to the Merchants' Association, provided however, that in no event shall the dues paid by Tenant in any fiscal year of said Association be in excess of twenty (20) cents per square foot of Premises leased to Tenant. Default in payment of dues shall be treated in similar manner to default in Rent with like rights of Landlord at its option to the collection thereof on behalf of the Merchants' Association.

32. GENERAL PROVISIONS.

- (a) **Plats and Riders.** Clauses, exhibits, schedules, plats, riders and addenda, if any, affixed to this Lease are a part hereof.
- (b) **Waiver.** The waiver by Landlord of any term, covenant or condition herein contained shall not be deemed to be a waiver of such term, covenant or condition or any subsequent breach of the same or any other term, covenant or condition herein contained. The subsequent acceptance of Rent hereunder by Landlord shall not be deemed to be a waiver of any preceding default by Tenant of any term, covenant or condition of this Lease, other than the failure of Tenant to pay the particular Rent so accepted, regardless of Landlord's knowledge of such preceding default at the time of the acceptance of such Rent.

- (c) **Joint Obligation.** If there be more than one Tenant, the obligations hereunder imposed shall be joint and several.
- (d) **Headings.** The headings and Section titles to the Sections of this Lease are not a part of this Lease and shall have no effect upon the construction or interpretation of any part hereof.
- (e) **Time.** Time is of the essence of this Lease and each and all of its provisions in which performance is a factor.
- (f) **Successors and Assigns.** The covenants and conditions herein contained, subject to the provisions and limitations as to assignment, apply to and bind the heirs, successors, executors, administrators and assigns of the parties hereto.
- (g) **Recordation.** Neither Landlord nor Tenant shall record this Lease, but a short form memorandum hereof may be recorded at the request of, or with the permission of, Landlord.
- (h) **Quiet Possession.** Upon Tenant's paying the Rent reserved hereunder and observing and performing all of the covenants, conditions and provisions on Tenant's part to be observed and performed hereunder, Tenant shall have quiet possession of the Premises for the entire Lease Term or Renewal Term, subject to all the provisions of this Lease.
- (i) **Late Charges.** Tenant hereby acknowledges that late payment by Tenant to Landlord of Base Rent, Tenant's Proportionate Share of " ", Taxes or other expenses or other sums due hereunder will cause Landlord to incur costs not contemplated by this Lease, the exact amount of which will be extremely difficult to ascertain. Such costs include, but are not limited to, processing and accounting charges, and late charges which may be imposed upon Landlord by terms of any mortgage or trust deed covering the Premises. Accordingly, if any installment of Rent or any Rent due from Tenant shall not be received by Landlord or Landlord's designee by the fifth (5th) day of the month that said amount is due, then Tenant shall pay to Landlord as additional rent, the sum of \$50.00, plus any attorneys' fees incurred by Landlord by reason of Tenant's failure to pay Rent and/or other charges when due hereunder. Additionally, beginning on the tenth (10th) day of the month, an additional ten percent (10%) of the total monthly rent shall be due each month until all Rents are received. The parties hereby agree that such Late Charges represent a fair and reasonable estimate of the cost that Landlord will incur by reason of the late payment by Tenant. Acceptance of such Late Charges by Landlord shall in no event constitute a waiver of Tenant's default with respect to such overdue amount, nor prevent Landlord from exercising any of the other rights and remedies granted hereunder.
- (j) **Prior Agreements.** This Lease contains all of the agreements of the parties hereto with respect to any matter covered or mentioned in this Lease, and no prior

agreements, representations or understandings pertaining to any such matters shall be effective for any purpose. No provision of this Lease may be amended or added to except by an agreement in writing signed by the parties hereto or their respective successors in interest. This Lease shall not be effective or binding on any party until fully executed by both parties hereto.

- (k) **Inability to Perform.** This Lease and the obligations of Tenant hereunder shall not be affected or impaired because Landlord is unable to fulfill any of its obligations hereunder or is delayed in doing so, if such inability or delay is caused by reason of strike, labor troubles, acts of God or any other cause beyond the reasonable control of Landlord.
- (l) **Partial Invalidity.** Any provision of this Lease which shall prove to be invalid, void, illegal or against public policy shall in no way affect, impair or invalidate any other provision hereof and such other provision shall remain in full force and effect.
- (m) **Cumulative Remedies.** No remedy or election hereunder shall be deemed exclusive, but shall, whenever possible, be cumulative with all other remedies at law or in equity.
- (n) **Choice of Law.** This Lease shall be governed by the laws of the State in which the Premises are located.
- (o) **Attorneys' Fees.** In the event of any action or proceeding is brought by Landlord seeking to enforce any provisions under this Lease or related to or arising out of this Lease, Landlord shall be entitled to recover its expenses and costs, including reasonable attorneys' fees, expert witness fees, court costs and other costs and expenses of or associated with such action or proceedings, including costs of appeal, if any. In the event of any action or proceeding is brought against Landlord by Tenant seeking to enforce any provisions under this Lease or related to or arising out of this Lease, if Landlord prevails in such action or proceeding, Landlord shall be entitled to recover its expenses and costs, including reasonable attorneys' fees, expert witness fees, court costs and other costs and expenses of or associated with such action or proceedings, including costs of appeal, if any.
- (p) **Sale of Premises by Landlord.** In the event of any sale of the Premises or Shopping Center by Landlord, Landlord shall be and is hereby entirely freed and relieved of all liability under any and all of its covenants and obligations contained in or derived from this Lease arising out of any act, occurrence or omission occurring after the consummation of such sale, and the purchaser, at such sale or any subsequent sale of the Premises shall be deemed, without any further agreement between the parties or their successors in interest or between the parties and any such purchaser, to have assumed and agreed to carry out any and all of the covenants and obligations of Landlord under this Lease.

- (q) **Subordination; Attornment.** Upon request of Landlord, Tenant will in writing subordinate its rights hereunder to the lien of any mortgage or deed of trust, to any bank, insurance company or other lending institution, now or hereafter in force against the Premises or Shopping Center, and to all advances made or hereafter to be made upon the security thereof. In the event any proceedings are brought for foreclosure or in the event of the exercise of the power of sale under any mortgage or deed of trust made by Landlord covering the Premises or Shopping Center, Tenant shall attorn to the purchaser upon any such foreclosure or sale and recognize such purchaser as Landlord under this Lease. The provisions of this Section to the contrary notwithstanding, and so long as Tenant is not in default hereunder, this Lease shall remain in full force and effect for the full term hereof.
- (r) **Notices.** Wherever this Lease requires or permits notice or demand to be given by either party to the other, such notice or demand shall be in writing and given or served either personally or in writing forwarded by certified mail, return receipt requested, or by nationally recognized overnight carrier addressed to the parties at the addresses specified in Sections 3(d), 3(e) and 3(f) above. Either party may change such address by written notice to the other as herein provided.
- (s) **Tenant's Statement (Estoppel Certificate).** Tenant shall at any time and from time to time, upon not less than three (3) days prior written notice from Landlord, execute, acknowledge and deliver to Landlord a statement in writing (i) certifying that this Lease is unmodified and in full force and effect (or, if modified, stating the nature of such modification and certifying that this Lease as so modified is in full force and effect), and the date to which the Rental and other charges are paid in advance, if any, and (ii) acknowledging that there are not, to Tenant's knowledge, any uncured defaults on the part of Landlord hereunder, or specifying such defaults if any are claimed, and (iii) setting forth the date of commencement of Rents and expiration of the Lease Term or Renewal Term. Any such statement may be relied upon by the prospective purchaser or encumbrancer of all or any portion of the real property of which the Premises are a part.
- (t) **Authority of Tenant.** If Tenant is a corporation, Limited Liability Company or other entity, each individual executing this Lease on behalf of Tenant represents and warrants that he or she has full authority to do so and that this Lease binds the corporation, Limited Liability Company or other entity. If Tenant is a partnership, each individual executing this Lease for Tenant represents and warrants that he, she or it is a general partner of the partnership, that he, she or it has full authority to sign for the partnership and that this Lease binds the partnership and all general partners of the partnership.
- (u) **Real Estate Taxes**

Lessor shall be responsible for payment of all property taxes levied on the building in which the premises is located up to a tax stop value \$2.75 per square foot. Lessee agrees to

pay a prorated share of any increase in the property tax bill levied in excess of \$2.70 per square foot. Lessee's prorated share shall be based on the ratio of the square foot area the premises bears in proportion to the total square footage of the building in which the premises is located. Sums due shall be paid to Lessor by Lessee within thirty (30) days after Lessor has provided Lessee copies of tax bills documenting this property tax increase. In addition, one twelfth (1/12th) of such an annual tax increase for which Lessee is liable shall be added to Lessee's monthly rent amount due for the duration of the lease term. In addition attorney fees for a successful tax appeal will be prorated among tenants in the same manner as the tax stop.

33. BROKERS.

Tenant warrants that it has had no dealings with any real estate brokers or agents in connection with the negotiation of this Lease excepting only the brokers named in Section 3(c) of this Lease, and Tenant represents that it knows of no other real estate broker or agent who is entitled to a commission in connection with this Lease. Tenant shall indemnify and hold harmless Landlord for any undisclosed and unidentified real estate broker or agent commissions, fees, expenses, charges and liens.

34. COMPLIANCE.

- (a) The parties hereto agree to comply with all applicable federal, state and local laws, regulations, codes, ordinances and administrative orders having jurisdiction over the parties, the Premises, the Shopping Center or the subject matter of this Lease including, but not limited to, the 1964 Civil Rights Act and all amendments thereto, the Foreign Investment In Real Property Tax Act, the Comprehensive Environmental Response Compensation and Liability Act, and The Americans With Disabilities Act.
- (b) Tenant agrees and covenants that Tenant will keep the Premises in a clean and healthful condition, free of any Hazardous Material (hereinafter defined) except such Hazardous Materials kept in compliance with Environmental Laws (hereafter defined), and will not engage in any conduct, events or actions which could interfere with or prevent compliance with Environmental Laws or with requirements relating to health, safety and protection of the environment, or which may give rise to any legal liability or otherwise form the basis of any claim, action, proceeding, hearing or investigation based on any condition or violation or alleged violation of Environmental Laws or requirements relating to health, safety and protection of the environment. For purposes hereof, the term "Hazardous Material" shall mean any health endangering mold or any hazardous, toxic or dangerous waste, substance or material defined as such in (or for purposes of) the Comprehensive Environmental Response, Compensation and Liability Act, as may be amended from time to time, any so-called "superfund" or "super lien" law, or any other law, statute, code, ordinance, order, rule or regulation or other requirement of any governmental authority as now or at any time

hereafter in effect regulating, relating to, or imposing obligations, liability or standards of conduct concerning, any hazardous, toxic or dangerous waste, substance or material. For purposes hereof, "Environmental Laws" means any federal, state or local laws, ordinances or regulations governing or regulating Hazardous Material, pollution, the environment or public health. Tenant agrees (to the extent it is adjudicated to be at fault) to indemnify, defend and hold the Landlord forever harmless from and against any and all conditions, liabilities, demands, claims, actions or causes of action, assessments, losses, costs, damages or expenses, whether asserted or unasserted, direct or indirect, existing or inchoate, known or unknown, having arisen or to arise in the future (whether by existing or subsequently-adopted federal, state or local statutes, ordinances, regulations or other requirements), including reasonable attorneys' fees, sustained or incurred resulting from or arising out of, relating to, or by virtue of any condition of the Premises, created by the Tenant (without limiting the generality of the foregoing, by means of arranging for the disposal or treatment of Hazardous Material), or Tenant's violation of the Environmental Laws existing or subsequently enacted, or Tenant's violation of requirements relating to health, safety and protection of the environment, including, but not limited to, those relating to the release or threatened release of Hazardous Material, or by reason of the imposition of any lien for the recovery of any costs expended related to the release or threatened release of Hazardous Material (or allegations of the release or threatened release of Hazardous Material).

35. NON-COMPETE.

Landlord agrees that it will not lease nor allow to be leased any space within the Shopping Center under its control to any other tenant whose primary business is a **Tato Artist/Body Enhancement facility** without the prior written consent of Tenant. For purposes of this Section, "primary" means that the gross revenue from such activities exceeds fifty percent (50%) of such tenant's total revenue.

36. Business License CONTINGENCY.

The tenant shall have thirty (30) days from the date of execution of this Lease within which to obtain a business license from the City of Homewood. Tenant shall apply for a business license no later than fifteen (15) days from the Lease execution date and shall diligently pursue same. If, within thirty (30) days from the Lease execution date Tenant is unable to obtain a business license from the city of Homewood, then Tenant shall be entitled to terminate this Lease and all monies deposited will be refunded, provided that written notice thereof is given to Landlord within said five (5) day period. If written notice is not given of Tenant's inability to obtain a business license from the City of Homewood within said thirty (30) day period, then this contingency shall expire and have no further force and effect.
