Re: 101 S. Main Street

Dear Mr. Ward,

This letter shall serve as the above referenced property owner's consent for the application of a Conditional Use Permit to redevelop the property to a mixed use project consisting of:

Fifteen (15) one bedroom / one bath apartments, typically smaller than 1000SF each

One (1) two bedroom / two bath apartments, smaller than 1000SF

Three (3) Live-Work style units, typically smaller than 1000SF each

One (1) Commercial space of approximately 975SF.

We support this proposed Condition Use Permit.

Thank you,

 *Cindy Burkett*

Attachment to Conditional Use Permit Application for: 101 South Main Street

The Conditional Use Permit (CUP) will allow Fifteen one bedroom / one bathroom apartments, One two bedroom / two bathroom apartment, Three Live-Work units and One Commercial / Retail space. The fully commercial space, located at the corner of E. City Point Road and S. Main Street, will ideally be filled by a destination commercial user such as a coffee shop or bakery, and be entered from an existing entrance on S. Main Street. The remainder of the first floor S. Main Street façade will include 3 Live-Work style units that promote street level commercial style presence but still allow residential use. It is intended these units be occupied by home based businesses that could include businesses such as artists, accountants, etc. The sixteen (total) apartments will have modern layouts and include upscale finishes such as tile and wood floors, modern cabinets, granite countertops, stainless steel kitchen appliances and in unit washer/dryer.

The health, safety and welfare of those working or residing in the neighborhood will not be affected adversely because the CUP will allow the redevelopment of the currently vacant building into a vibrant mixed use project. The 2018 Comprehensive plan identifies an excess of vacant buildings as an impediment to growth in the City – this proposal takes away a vacant building from the Downtown Priority Planning Area. The presence of additional residents adding population to the downtown area and becoming customers of existing and forthcoming businesses will be a tremendous benefit.

This proposed development, as allowed by an approved CUP, will not be detrimental to the public welfare or injurious to the property or improvements in the neighborhood. In fact, this approved CUP will be beneficial to the adjacent property and improvements as it will replace a vacant building with a vibrant mixed-use project. The property is within the Downtown Priority Planning Area, and will be additive to development efforts in the downtown. Problems typically associated with vacant buildings (trash, vandalism, etc) will be eliminated by the presence of residential density and the daily property management associated with it. Trash generated by the residents and commercial users will be collected and disposed of appropriately. The existing building exterior will be repaired and repainted and new windows will be installed.

This proposed project and CUP application are in conformance with what is intended by the 2018 Comprehensive Plan. The Downtown district anticipates a variable mix and density of mixed use, with individual dwelling units between 500 and 2000SF per dwelling unit (see excerpt below).

	Downtown District & Special Emphasis Area Residential Mixed-Use	Residential Emphasis w/ Urban Development Area Designation: High Density Single, Attached & Multifamily Residences; Residential Units in Mixed-Use Buildings; Live-Work Dwellings	Detached: 5-7 DU/AC Multifamily: 20-40 DU/AC Attached: 10-14 DU/AC Mixed Use: Variable Mix & Density by Small Area Plan	500-2000 SF/DU	UDA & Form Based Codes; DHD Small Area Plan

It is a mixed use infill development, as anticipated and desired by section 7 of Chapter 5, and renews the building and strengthens the real estate market. The building's former upstairs residential use will be

brought back to life (it is currently demo'd to the structure) and the addition of first floor residential use in the rear of the building will provide updated, high end residential options. While the building is appr. 100 years old, it will be rehabbed fully, renewing its useful life and providing effectively new housing stock. Because the project is seeking Federal and State Historic Tax Credits, all work will be performed under the requirements of VA Department of Historic Resources and National Park Service standards for construction. Additionally, Chapter 9 of the Comprehensive Plan, the City should encourage the development of a mix of uses and housing types, particularly in areas near downtown, which this proposed CUP provides.

III. EXECUTIVE SUMMARY:

The City of Hopewell has received a request from JRT Virginia Properties LLC, agent of the owner of 101 South Main Street, also identified as Sub-Parcel #079-0010 and #0779-0015, to (1) allow apartments on the second and subsequent floors of commercial and office buildings/uses and (2) apartment units containing an average square footage below nine hundred (900) gross square feet.

IV. APPLICABLE CODE SECTIONS:

The provisions of the Zoning Ordinance that are germane to this request for a Conditional Use Permit are the following:

Article IX-B, Downtown Central Business District, Section A. Use Regulations

Structures to be erected and land to be used shall be only for the following uses:

1. Apartments on second and subsequent floors of commercial and office buildings/uses containing average square footage below nine hundred (900) gross square feet, with a Conditional Use Permit.

Article XVIII, General Provisions, Section G, Conditional and Special Use Permits, Sub-Section c. 1-3:

1. When the Director has certified that the application is complete, it shall be deemed received and referred to the Planning Commission for its review and recommendation to City Council.
2. The Planning Commission shall, within ninety (90) days after the first meeting of the Planning Commission after such referral, report to the City Council its recommendation as to the approval or disapproval of such application and any recommendation for establishment of conditions, in addition to those set forth in this Article, deemed necessary to protect the public interest and welfare. Failure of the Planning Commission to report within ninety (90) days shall be deemed a recommendation of approval.
3. Upon receipt of the recommendation of the Planning Commission, the City Council, after public notice in accordance with Virginia Code § 15.2-2204, shall hold at least one public hearing on such application, and as a result thereof, shall either approve or deny the request.

Article XVIII, General Provisions, Section G, Sub-Section c.4.

4. In approving any conditional use permit, the City Council may impose conditions or limitations on any approval as it may deem necessary to protect the public interest and welfare. Such additional standards may include, but need not be limited to:
 - i. Special setbacks, yard or construction requirements, increased screening or landscaping requirements, area requirements, development phasing, and standards pertaining to traffic, circulation, noise, lighting, hours of operation and similar characteristics; and
 - ii. A performance guarantee, acceptable in form, content and amount to the City, posted by the applicant to ensure continued compliance with all conditions and requirements as may be specified.

Article XVIII, General Provisions, Section G, Sub-Section d.

d. Approval Criteria

As may be specified within each zoning district, uses permitted subject to conditional use review criteria shall be permitted only after review by the Planning Commission and approval by the City Council only if the applicant demonstrates that:

1. The proposed conditional use is in compliance with all regulations of the applicable zoning district, the provisions of this Article, and any applicable General Provisions as set forth in the Zoning Ordinance.

2. The establishment, maintenance, or operation of the proposed use is not detrimental to, and will not endanger, the public health, safety, morals, comfort, or general welfare.
3. The conditional use will not be injurious to the use and enjoyment of other property in the immediate vicinity for the purposes already permitted, nor substantially impair the use of other property within the immediate proximity.
4. The proposed conditional use conforms to the character of the neighborhood within the same zoning district in which it is located. The proposal as submitted or modified shall have no more adverse effects on health, safety or comfort of persons living or working in or driving through the neighborhood, and shall be no more injurious to property or improvements in the neighborhood, than would any other use generally permitted in the same district. In making such a determination, consideration shall be given to the location, type, size, and height of buildings or structures, type and extent of landscaping and screening on the site, and whether the proposed use is consistent with any theme, action, policy or map of the Comprehensive Plan.
5. The exterior architectural appeal and function plan of any proposed structure will not be so at variance with either the exterior architectural appeal and functional plan of the structures already constructed or in the course of construction in the immediate neighborhood or the character of the applicable zoning district, and shall enhance the quality of the neighborhood.
6. The public interest and welfare supporting the proposed conditional use is sufficient to outweigh the individual interests which are adversely affected by the establishment of the proposed use.
7. The proposed use will not result in the destruction, loss or damage of any feature determined to be of significant ecological, scenic or historic importance.

V. SUBJECT PROPERTY:

The subject property is located in the 100 block of South Main Street at the southeast corner of the intersection with West City Point Road. The two story brick building was constructed in 1916 and is a contributing structure in the Downtown Historic District. It is approximately 16,166 square feet. The adjacent unimproved parcel will serve as off-street parking which is not required in the B-1 district.

VI. OWNER'S POSITION:

The owner of the property is requesting a conditional use permit to provide fifteen (15) one bedroom/one bathroom apartments, typically smaller than 1000SF each and one (1) two bedroom/two bathroom apartments smaller than 1000SF. Additionally, the building will have three (3) live/work apartment units typically smaller than 1000SF each and one (1) commercial space of approximately 975SF. See application provided by the applicant for preliminary floor plans. Eight (8) apartment units will be on the second floor with the remaining eleven (11) apartment units and one (1) commercial unit on the first floor. The unimproved adjacent parcel will have an undetermined number of parking spaces.

VII. ZONING/STAFF ANALYSIS:

The applicant would like to construct eight (8) apartments on the second floor of the building in the B-1 Zoning District with eleven (11) first floor apartments and one (1) commercial space. A conditional use permit is required for apartments containing an average square footage below nine hundred (900) gross square feet on the second and subsequent floors. The eight (8) second floor apartments will range in size between 861SF and 521SF with an average square footage of 651SF.

Table 1 Source: CUP Applicant

The subject property is located right at the edge of the designated Urban Development Area (UDA). The UDA is addressed extensively in the 2028 Comprehensive Plan, Chapter 5.

Hopewell's UDA Boundary and Context

Within the City of Hopewell, the UDA encompasses a land area that extends from the City's eastern border along the Appomattox River to Cavalier Square Shopping Center. It includes Downtown Hopewell, City Point, the John Randolph Medical Center, the marina, and residential housing around the Appomattox Cemetery. In total, the UDA area encompasses about 2,526 acres or 3.95 square miles. Hopewell's UDA should be addressed in terms of The Commonwealth's Department of Rail and Public

Transportation (DRPT) Multimodal Design Guidelines. The DRPT has developed statewide guidelines for multimodal planning and design.

This guideline system provides jurisdictions with a process of identifying centers of activity and developing connected networks for multiple modes of travel. OIPI has asked that these guidelines be applied where possible in developing UDA's for Virginia's cities and towns of varying sizes and densities.

Overall UDA Urban Design Framework

All development within the overall UDA boundary must, as a minimum, meet the Commonwealth's mandated requirements for Urban Development Areas. These include:

- Densities per acre on the developable acreage of at least four single-family residences, six townhouses, or 12 apartment/condominium units
- A Floor Area Ratio (FAR) of at least 0.4 per acre for commercial development
- A mix of uses within the context of a Traditional Neighborhood Design concept, to include:
 - Road, street and building locations that create walkable neighborhood centers.
 - Interconnected local streets and roads, both existing and new, in order to form a walkable/bikeable street network.
 - A diversity of land uses as a mixed use concept.
 - Facilities that allow for, and encourage, multimodal access (public transit, biking, walking, jogging) to work, home, shops, and recreation.

The current interconnectedness of the roads and sidewalks in the downtown area is what made it ideal as the UDA. There are instances where improvements can be made. The subject property does not pose a threat to the character of the UDA.

The mixed use building will allow for commercial space and living quarters that could support a live to work scenario. In fact, three (3) live/work units are proposed on the ground floor of South Main Street, thereby supporting the ideals of the UDA.

Comprehensive Plan Land Use Category

The subject property is located within the Downtown Commercial/Business Mixed Use Land Use category. The Downtown Commercial/Business Mixed Use (DC/BMU) category is a companion to the Downtown Residential Mixed-Use category. The differences are subtle but important. Both encourage mixed-use; however the Commercial/Business Mixed Use category prioritizes commercial activities over residential uses in the downtown core area, while the latter promotes higher density residential on the periphery of the core central business area (Chapter 5, 2028 Hopewell Comprehensive Plan).

The DC/BMU category emphasizes pedestrian oriented mixed retail, financial institutions, personal services, professional and general offices, entertainment and residential mixed use. The typical Floor Area Ratio would be 0.50-3.00, while the gross square footage of each establishment is between 800-20,000.

Regardless of the end user of the commercial space, the addition of nineteen (19) apartments enhances a residential element on the west side of Route 10 within the historic downtown district that recently started with the apartments at 106 N. Main street.

Parking

The B-1 Zoning District does not require off street parking spaces. There have been discussions of changing this but that has not happened at this time. If parking spaces were required the minimum would be 21 for the residential uses (1 for each bedroom plus one for handicap accessibility). The maximum an owner could provide is 41 (2 for each bedroom plus one for handicap accessibility). If required for the commercial space, the minimum number of parking spaces would range from 2 to 21 depending on the use.

Four marked on-street parking spaces exist on South Main in front of the subject property. A possibility exists for approximately 6 more on-street parking spaces along City Point Road (marked with blue line in above image). One marked on-street parking space will likely be marked as a loading zone location for the commercial space. The adjacent parcel will provide approximately 12-15 parking spaces.

Building Facade

Because the building in question is located within the B-1 Zoning District the exterior façade must be approved by the Downtown Design Review Committee (DDRC). The applicant presented the building plans to the DDRC on October 12, 2022 and received unanimous support for the project. The applicant will be utilizing historic rehabilitation tax credits on this project which makes all interior and exterior rehabilitation work subject to review and approval of the Virginia Department of Historic Resources (DHR).

VII. STAFF RECOMMENDATION:

Staff has reviewed the application and offers the following:

1. The proposed end use of the building in question meets the land use category designation outlined in the Comprehensive Plan.
2. Staff finds that the applicant has proven that this application meets Criteria 1 – 7.

Staff supports the approval of this Conditional Use Permit application and does not place any conditions on the approval.

VIII. PLANNING COMMISSION RESOLUTION:

In accordance with Article XVIII, Section G, of the Hopewell Zoning Ordinance, the Hopewell Planning Commission recommended by a vote of 4 - 0 to approve the request submitted by JRT VA Properties LLC for a Conditional Use Permit for 101 South Main Street, also identified as Sub-Parcel 079-0010 and #179-0015, to allow apartments containing an average square footage below nine hundred (900) gross square feet on the ground, second and subsequent floors.

Pictures of Building

IX. PROPOSED CITY COUNCIL RESOLUTION:

The CUP application is being presented to City Council during the work session for informational purposes only. Staff will ask for City Council action at the public hearing tentatively scheduled January 24, 2023.

Proposed Loitering Ordinance

A) Definitions: For the purposes of this Section, the following words and phrases shall have the meanings respectively ascribed to them by this Section:

Loiter: to stand around or remain or to park or remain parked in a motor vehicle at a public place or place open to the public and engage in any conduct prohibited under this law. "Loiter" also means to collect, gather, congregate or be a member of a group or a crowd of people who are gathered together in any crowded place or place open to the public and to engage in conduct prohibited under this law.

Public place: any public street, road or highway, alley, land, sidewalk, crosswalk or other public way, or any public resort, place of amusement, park, playground, public building or ground appurtenant thereto, school building, school grounds or public parking lot, or private parking lot or any other publicly owned parking lot or the area in front of or adjacent to any store, shop, restaurant, or other place of business.

Place open to the public: shall mean any place open to the public or any place to which the public is invited or may reasonably expect to be invited, and in, on or around any privately owned place of business, private parking lot, or private institution, including places of worship, cemeteries, or any place of amusement, entertainment whether or not a charge of admission or entry thereto is made. It includes elevators, lobbies, halls, corridors, and areas open to the public of any store, office or apartment building.

(B) Prohibited Conduct

1. In accordance with section 15.2-926, code of Virginia, as amended, the following prohibited conduct regarding the act of loitering is established.

2.. Prohibited Conduct. It shall be unlawful for any person to loiter at or in a public place or place open to the public in the following manner:

- a. To interfere, impeded or hinder the free passage of pedestrian or vehicular traffic.
- b. To threaten or do physical harm to the property of another member or members of the public.
- c. To threaten or do physical harm to another member or members of the public.
- d. That by words, acts or other conduct, it is clear that there is a present danger of a breach of the piece or disorderly conduct.

- e. To engage in acts or illicit displays of public nudity
- f. Refusing to move on when so requested by a police officer or returning after having been told to move on provided that the public officer has exercise his or her discretion reasonably under the circumstances in order to preserve and to promote public peace and order.

(C) Violations and penalties

Any person violating this chapter shall be guilty of a Class 3 misdemeanor and shall be subjected to the penalties as prescribed by law upon conviction. Nothing herein shall be construed to prohibit orderly picketing or other lawful assembly.

Financial and Compliance Reporting

City and Schools Progress Fiscal Year 2019

Closing and Reporting Status:

City and schools have completed the closing and reporting process related to the Fiscal Year 2019. Specifically, as of 12.31.2022 both city and schools have uploaded documents and schedules as requested by the Auditor.

Audit Status:

The Auditor has completed on site audit reviews and testing functions at Schools. Also, city site audit reviews and testing have been conducted and direct access to the city's administrative accounting system (Munis) has been granted to the Auditor; enabling a more expeditious onsite city review and testing to be completed.

RESOLUTION

RESOLUTION ADOPTING AN EMERGENCY AND INCLEMENT WEATHER OPERATIONS AND SAFETY POLICY

WHEREAS, the occurrence of adverse weather or other emergency conditions may impact the ability of City Council to safely attend Council meetings, and

WHEREAS, such conditions also may impact the regular operations of City Council, and

WHEREAS, City Council has considered the need to adopt guidelines to respond to inclement weather and other emergency conditions, and

WHEREAS, believing it necessary to provide appropriate direction for response in such instances,

**BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF HOPEWELL,
VIRGINIA:**

1. City Council hereby adopts an Emergency and Inclement Weather Operation and Safety Policy as follows: that should the mayor, or in her absence or incapacity, the vice-mayor determines that adverse weather or other emergency conditions make it hazardous to attend a regularly-scheduled meeting of City Council, then the regularly-scheduled meeting shall be continued to the following Tuesday, if possible. If the adverse weather or emergency is such that continuing to the next Tuesday is not feasible, or if Council is unable to meet on that date, then the Mayor shall select another date with concurrence of the majority Council.
2. City Council reserves the right to alter or amend this policy as deemed necessary.
3. This Resolution shall become effective upon the date of adoption as established below.

ADOPTED by the City Council of the City of Hopewell, Virginia, at an open public meeting this ____ day of January, 2023.
