Presentation- Flag Retirement Box from Thomas Greenough with Boy Scout Troop 654

Thomas Greenough stated he has been a member of the Boy Scouts for 10 years with the goal of becoming an Eagle Scout which includes creating an impactful community-based project that requires planning, coordination, and leadership from the Scout. When he learned community members repeatedly asking if the troop could retire their US flags, he knew this would be his Eagle Scout Project- to give the community a place where flags could be retired with respect and dignity. The box will be kept in City Hall and the Troop will gather the retired flags monthly and then disposed of during the Troops next Flag Retirement Ceremony, where the history and meaning of the flag is told, followed by the Pledge of Allegiance, and then the flag is placed in a fire where the audience stands at attention until the flag has been transformed to ash.

Eagle Scout Thomas Greenough thanked City Hall- City Recorder Alarcon-Strong, The Boy Scouts, John Fisher for assisting him with the plaque, and his family- with special emphasis to his grandpa who helped him build the box and his father who helped him achieve his goal.

Council members praised Eagle Scout Thomas Greenough for his leadership, dedicated community effort, and beautiful gift to the City, as well as congratulated him for his Eagle Scout Rank as it is not an easy achievement to accomplish. Applause from the audience.
