Christmas Express

Maria and Mark gave information regarding the Christmas Express Program that helps give families in need food, and gifts to children 0-11 each Christmas. Boxes of food and gifts are given to about 500 families each year; however, the need is so great this year that 700 boxes are expected to be assembled and given to families. Donations are needed of food, toys and money and can be accepted at the police department. Hermiston School District staff and students also participate in an annual can food drive competition to help this cause.

City staff work to assemble these food boxes and wrap gifts; the Agape House helps distribute these items. ID's are required to pick up food and gift baskets to make sure items are being given to the correct family as some last names are common, ie: Smith, Garcia, etc. Pick up days and times are: December 15th, 16th, and 19th from 10am to 5pm at Agape House. Bilingual volunteers will also be on site.

Families receiving food and gift boxes must be Hermiston residents and must be referred to the police department using a submission form (attached) by a third party, ie: school personnel, churches, civic organizations, etc. Families cannot sign themselves up. If a family is not on the Christmas Express Program list, they will not be given these items.

Public Comment

Kelly Moralez from Eualcree stated there are many Guatemalan and Columbian families that are coming into the area that are very needy and could greatly benefit from this program that she could refer.

Mark G. agreed saying there has been a large influx of homeless families from Guatemala and Columbia that are staying at Martha's House. Currently, 14 out of 18 rooms are filled. He is grateful that Eualcree referred these families to Martha's House who are helping them find jobs and permanent housing, as well as parenting, cooking, and other classes.

Eualcree Presentation

Kelly Moralez, Eualcree representative- Stated she focuses on helping people, specifically undocumented people, with resources they may need. She also has a passion to showcase and teach Hispanic folklore dances to the Hispanic population so people know and remember their roots and the potential they have to display these talents to others. Kelly stated she has traveled the world proudly showcasing multicultural dances. Asked that people who are interested in learning folklore dances reach out to her.

Committee Comments

Jose thanked Mark, the Agape House, Martha's House for providing shelter and necessities to the family who recently lost their home in a fire. Jose stated he does a lot of outreach in the community and has heard from homeless individuals living in parks that City employees are throwing away their personal belongings, blankets, and tents without warning and asked if City representatives could give information about this complaint.

Lilly stated the City has asked homeless individuals who are staying in parks to please make sure all of their belonging, including blankets and tents, are picked up and packed out each morning by a certain time. Individuals are given ample opportunity to do this daily before items are picked up by City staff. Unfortunately, due to vandalism and other crimes, some park areas, gazebo, and cook shakes are now fenced off and are unable to be used.
