Byron presented and reviewed Chapters 1-3 of the 2015 Adopted City Charter with the Committee. The Committee agreed that the following should be included in recommended changes to the Council- new language will be identified in red and underlined - language removed will be in ~~red and crossed out~~ in the 2027 Proposed Charter Amendments:

1. PREAMBLE

 - a. Section 7. Council
 - i. Byron gave information regarding possibly changing the way electors vote for ward council candidates, stating the City of Pasco, Washington recently underwent a legal battle as their Charter was the same as Hermiston's- allowing all electors in the city to vote for ward council candidates instead of only allowing ward electors to vote for the councilor in their ward. The Committee discussed possibly changing the language on who should be allowed to vote for ward council candidates vs at-large council candidates. Byron stated the Committee will be discussing this in further detail during review of Chapter VII, ELECTIONS.
 - ii. Remove language.
 - b. Section 8. Council Wards
 - i. The Committee reviewed existing and conceptual ward boundary maps (attached) detailing specific populations in each ward and asked that multiple conceptual ward boundary maps be created and presented to the Committee at another meeting stating they would like to see cleaner simplified ward lines with some flexibility keeping each ward population within 2-3% of each other.
 - ii. Adding more specific language to the last paragraph/sentence addressing extending ward boundary lines though annexation.
