Cinco de Mayo Presentation

Martha De Leon, Cinco de Mayo Committee Representative (not a City Committee), stated this Event will be held on Sunday, May 4th at EOTEC. The event was planned at the last minute as the Committee was not sure if they wanted to host the event due to the current political climate. The event will host out of town and local bands, food and other vendors, face painting, bounce houses, non-profit information booths, but is also seeking additional vendors. There will not be a pageant this year due last-minute planning. A schedule of events will be released as soon as the bands are confirmed. Information is being pushed out through the Cinco de Mayo's Facebook page and flyers. Martha apologized for not communicating with HAC prior as again, it was up in the air if the event would take place this year or not. Martha thanked the City for allowing the event to be held at EOTEC as this event has outgrown previous locations and is also a great way to showcase EOTEC.

Closing Comments

Public Comments

Virgina Rome Garcia, 435 E Sunset Dr- invited all to attend the Juneteenth Celebration at McKenzie Park. The Community event is free for the public to attend. Jesus Rome can be contacted for further questions.

Rosalba Salinas from WaFD asked who the City uses to make city banners as she felt the prices were expensive for businesses to purchase and recommended the City seek additional local quotes.

Lilly stated the City always tries to use local businesses, however the City is not selling the banners that she is referring to, a private company is selling the banners, and therefore the City does not profit from or have anything to do with the quoted price.

Committee Comments

Jessica asked for an explanation of the \$300.00 event fee the City charges stating she did not remember being given information on this.

Hispanic Advisory Committee Minutes

April 21, 2025

Lilly stated that HAC, at a previous HAC meeting, had been presented all of this information, ie: all new proposed fees, proposed implementation process, and why the fees were being proposed, and that she and Jesse had also volunteered to translate this information at a different City Council meeting.

Martha De Leon, Cinco de Mayo Committee Member (not a City Committee), stated she did not know a \$300.00 event fee was required for the Cinco de Mayo event until a City representative called her about this. Martha stated the information was difficult to find and understand on the website specifically for her "as a Latina and all Latinas" and came to City Hall for an explanation stating she did not believe that the Cinco de Mayo Group should be required to pay the event fee as she felt it was a co-organized event with the City- but now understands that the event is not co-organized but a City Sponsored event and therefore she has paid the event fee. Martha asked that HAC let the City Council know that this information was not supplied transparently, should be explained better, and, as she suggested last year to the City Council when she was on the Hermiston Civic Leadership Academy, "that only the most important information should be supplied on the City's website", and repeatedly demanded that staff/HAC repeat, "say you validate me".

Lilly displayed on the screens several different ways to find the information on the website regarding fees and the ordinance passed, explained that the information was widely publicized in various City and non-city meetings to push out the information to various groups of people, held an Open House event, was supplied on the City's website and social media, paper and online surveys were published and obtained, through the Chamber of Commerce, and a separate Ad-Hoc Business License Committee was formed who did in-person interviews, pushed-out another survey, and met monthly until they reached a recommendation that they presented to the City Council that the Council approved. Lilly stated that a wide range of information is supplied on the website as what is important to her may not be important to others.

Alberto stated he understood Martha's concerns and Council Representatives present would relay the information to Administration.

Jessica gave information regarding a Know Your Rights event that would be held on April 23rd from 6:00pm to 8:00pm at the BMCC Campus.

Alberto stated he is reaching out to EOTEC General Manager Al Davis to give HAC information about all the different Hispanic Events held at EOTEC and that Umatilla County Fire District 1 is asking for public feedback regarding how they can better assist the community.
