Planning Commission Recommendation

At their meeting on 3/23, the Planning Commission recommended approval with the following conditions:

1. Traffic Control Plan – Road and Bridge Department to approve an Access Permit, signage plan, and lower truck speed limit, on Lascar between I-25 and the access/haul road.
2. Access from Lascar Rd onto Section to be as close as feasible to I-25.
3. Road Maintenance: Require paving of Lascar Rd. between the end of CDOT's pavement and the access onto the Section in compliance with County road design standards.
4. Letter from a legal water supplier demonstrating proof of available water.
5. Noxious weed plan approved by County Weed Control Officer with security bond in the amount of \$5000. Annual reviews to be conducted by Weed Control Officer.
6. Acreage/scope of operations is limited to the 30-acre scope of operations presented in the site plan as part of this application. Subsequent operations subject to BOCC approval of an amendment to this Conditional Use Permit.
7. One-year performance review and site visit from the Land Use Office. Additional reviews or site visits to be conducted on a complaint basis.
8. Hours of operation: Crushing/Mining hours of operation: 7:00AM to 5:00PM; Truck Traffic hours: 7:00AM to 6:00PM; Maintenance and labor: no restriction on hours.
9. The Tom Branch Apache Creek, an intermittent stream, runs through the section. If more than the thirty acres initially proposed is to be permitted for mining, a 200 ft. setback to be required between mining operations and intermittent streambeds.
10. No explosives to be used.
