5. New Business

A. Introduction of New Civilian Animal Control Officer - Kelsey Galloway

Introductions of committee members.

B. Brainstorming Discussion

The City of Hendersonville and Henderson County are still in Hurricane recovery mode, therefore; it is not a good time for a survey to be sent out to residents.

6. Old Business

A. Onboarding Checklist

Caroline is continuing to work on an onboarding packet that each new ASAC member will receive when coming onto the committee, to include Quasi-Judicial training information and instructions; goals for the year ahead; and information pertinent to the committee members such as the Chapter 10 Ordinance.

B. Website Ideas

Currently, HPD has an app that has a "Submit a Tip" button on the page as well as the HPD website page. The tips are sent directly to Chief Myhand, most of those tips come from the website. There is a possibility that another icon can be added so that citizens can report things such as animal abuse. Chief Myhand and Caroline will talk to Allison Justus about what can go on the website, with specific goals of ease of reporting and access to information for citizens.

C. Infographics

Pictures/flowcharts to be used as educational pieces in English and Spanish to assist citizens with how things are reported. This would be used as a tool so that citizens would know what steps to take in certain situations instead of calling the Police emergency line. (This item was placed on agenda so that it's not forgotten)

7. Adjournment

There being no further business Katie Weibel made a motion to adjourn the meeting at 6:08pm.
