Mrs. Yarckin stated that she had served on the Planning and Zoning board for the Town of Windermere.

#### 4. Discussion: **Capital Improvement Plan (CIP)**

Mayor MacFarlane introduced this item. Mayor MacFarlane asked the Town Planner, Tom Harowski, to give a background on the Capital Improvements Element of the Town's Comprehensive Plan. Mr. Harowski explained the Capital Improvements Plan includes a 5-year schedule of projects.

Mayor Pro Tem Gallelli explained that she felt the way that the funding source was listed on the 5-year schedule was confusing. It was suggested that a legend on the 5-year schedule be added so that it would be clearer as to what the expected funding source would be for each project. Mr. O'Keefe committed to a legend being added in a future iteration of the 5-year schedule.

Councilor Miles stated that he believed that the \$1,500 threshold for projects to appear on this 5-year schedule was too low. Councilor Miles stated that he thought that it should be changed in the future to \$10,000. Councilor Miles also stated that he was not in favor of the organization of the schedule and that currently it didn't seem like the organization of the schedule was consistent. Councilor Miles suggested that the 5-year schedule be organized by funding source or by category.

Mayor MacFarlane asked Mr. Harowski about why Table 20A's items were separated from the rest of the 5-year schedule items. Mr. Harowski explained that the projects listed under Table 20A were part of the Town's "Fair Share" Project, which had been designed to have developers pay their fair share to improve transportation needs in Town that would be impacted by the growth in their developments.

Councilor Miles stated that he believed that it is a problem that there are no sewer projects in the 5-year schedule, and he would like to see more sewer-related projects added. Councilor Miles also stated that the Town should have a one-to-two-page document that is filled out for each project, so that people can understand the scope of each project on the 5-year schedule.

Mayor Pro Tem Gallelli stated that she felt that the Town needed to have its own sewage treatment plant, and that the creation of this item should be added to the 5-year schedule. Councilor Lehning agreed and stated that the Town should either build or buy its own sewage treatment plant.

Mayor MacFarlane stated that she believed that the Town needs a Town Administrative Building, and she believed that the "Design for New Town Hall" funding should be moved to 2023 or 2024. Mayor MacFarlane stated that the "Purchase Land for New Park" project should be moved from 2027 to 2025

and that the land she thought would be appropriate for this project was the 10.25 acres of land at the end of South Mare Ave. Mayor MacFarlane stated that she believed that the amount listed for the “Repair/renovate Sara Maude Park” project was much too low and would need to be increased.

Councilor Miles suggested that the Town Council hold a workshop on this item in January 2023 in an effort to do a comprehensive review of the entire Capital Improvement Plan. Town Manager, Sean O’Keefe, suggested merging Councilor Miles’ workshop with the Strategic Planning Workshop that he was working on organizing for January. Councilor Lehning suggested that the Planning and Zoning Board and Town Council both review the Capital Improvement Plan and combine both sets of comments into a new document to be voted on by the Town Council.

Councilor Miles suggested that the Town use a standard (one-to-two-page) form for the description of each project. Councilor Miles stated he would compose a form and give it to the Town Manager for his review. Mr. O’Keefe committed to the Town using some sort of form and each project owner completing a form for each project.

Mayor MacFarlane opened Public Comment for this item only.

**Tom Ballou, 1005 N Tangerine Ave.** – Mr. Ballou had questions about funding sources.

**Tim Everline, 1012 N. Lakeshore Blvd.** – Mr. Everline had questions about the Venezia Park and why the Town would put any money into it. Mr. Everline would like to see more projects for the enhancement of Lakeshore and the Little Lake Harris area.

Mayor MacFarlane closed Public Comment for this item.

### 7. Code Enforcement

Mayor MacFarlane explained that the Code Enforcement monthly report was included in the meeting’s packet and that if anyone had any questions they should email Azure Botts, the Town’s Code Enforcement Officer.

### 8. Public Works

Town Manager, Sean O'Keefe, review the attached item that he included in the meeting's packet about the Town's retired landfill. Mr. O'Keefe summarized the Town Engineer's review of the land and its uses. A wastewater or town administrative building would not be an advisable use for the land, but a recreational use such as a park could be. Mr. O'Keefe stated he would have the Town Engineer complete a proposal of recreation park uses. Councilor Miles stated he believed the Town Engineer needs to do an analysis of any hazards that are remaining in the property from its decades as a landfill.

Mr. O'Keefe stated that the Beucher family had sold Mission Inn to a new owner and that he and the Mayor had recently met with the new managers of the property. Mr. O'Keefe stated that he and the Mayor had separately met with the Silver Springs representatives and that there was positive talk about utility provisions. Mr. O'Keefe also thanked all the town employees and volunteers for making the Town's Christmas Festival a success.

## **COUNCIL MEMBER REPORTS**

14. Mayor Pro Tem Gallelli

Mayor Pro Tem Gallelli said that she had received positive comments about the Town's Christmas Parade, but that the Town needed to bring vendors back, a banner advertising the festival was needed, the Town should get at least 4 food trucks next year, and Town needed a larger tree in front of the library next year.

Mayor Pro Tem Gallelli stated that she thought the last meeting was too long and the Town Councilors needed to respect the public's time and give them plenty of time for public comments. Mayor Pro Tem Gallelli also suggested that the DRC might need a resident on the committee.

15. Councilor Lehning

Councilor Lehning stated he would like a workshop early next year to review documents that are given to developers in relation to what the Town wants from developers. Councilor Lehning would like to see the Town create a set of documents with minimum standards that would be allowed for developers. Councilor Lehning would like the Planning and Zoning board to take the first steps in creating this.

Councilor Miles stated that he would like the Town Manager to give a proposal to the Town Council, during the first January meeting, as to when the Planning and Zoning board would have a Workshop on PUDs and when that item would come to Town Council. Councilor Miles also stated that he would like the Town Manager to propose a time for the CIP workshop during the first meeting in January.

Councilor Lehning stated that he had attended an MPO meeting recently, and that Howey-in-the-Hill's sidewalk extension plan had been funded.

None

17. Councilor Lannamañ

Councilor Lannamañ was absent, no report was given.

Councilor Lehning thanked Kathy Coleman for helping to get participants for the Christmas Car Show.

Mayor MacFarlane stated that she had met with the Town's new State Representative Taylor Yarkosky, and that he was supportive of the Town Water Project. Mayor MacFarlane asked residents to sign petitions in favor of the Town Water Project and its appropriation from the state legislature.

Mayor MacFarlane thanked the Police Department and Public Works department for their participation and support during the Town's Christmas Festival. Mayor MacFarlane also thanked the Town Clerk, John Brock, for his work during the Town's Christmas Festival.

**INTERLOCAL AGREEMENT  
RELATING TO  
USE OF LIBRARY IMPACT FEES**

**THIS INTERLOCAL AGREEMENT** is made by and between Lake County, Florida, a political subdivision of the State of Florida, hereinafter the “County,” and the Town of Howey-in-the-Hills, Florida, a municipal corporation organized under the laws of the State of Florida, hereinafter the “Town,” for use of library impact fee monies for the Marianne Beck Memorial Library, located at 112 West Central Avenue, Howey-in-the-Hills, Florida 34737, hereinafter the “Library.”

**WHEREAS**, Ordinance No. 2003-99, approved November 18, 2003, created a library impact fee for the purposes of providing a source of revenue to fund construction or improvement in the Lake County Library System necessitated due to growth; and

**WHEREAS**, Section 22-61, Lake County Code, states that library impact fee money shall be used solely for the purpose of constructing or improving the Lake County Library System, including, but not limited to, design and construction plan preparation, permitting and fees, land acquisition, construction and design of new facilities, and acquisition of collection items, public access computers and other capital equipment; and

**WHEREAS**, Policy LCC-7 sets forth the minimum guidelines for entry into the Lake County Library System as a member library; and

**WHEREAS**, Policy LCC-63 sets forth the process for distribution of funds from the Library Impact Fee Trust Fund; and

**WHEREAS**, in accordance with Policy LCC-63, the Town has requested impact fee funds in the amount of \$40,260.00 for the purchase of a Homeschool Book Collection that will offer a wide range of reading resources for new and experience homeschoolers of all ages; and

**WHEREAS**, on October 25, 2022, the County voted to approve the above-referenced request for a total of \$20,707.00 in impact fee funds.

**NOW, THEREFORE**, the parties hereby agree as follows:

**1. Legal Findings.** The foregoing recitals are hereby adopted as legislative findings of the Board of County Commissioners and are ratified and confirmed as being true and correct and are hereby made a specific part of this agreement upon adoption hereof.

**2. County Obligations.** The County agrees to provide funding in the maximum and total amount of **\$20,707.00** to the Town from the Library Impact Fee Trust Fund, to be used for the purchase of Homeschool Book Collection (hereinafter and collectively the “Project”). The Project would address the needs of homeschoolers. Work towards the Project shall be consistent with the representations made by the Town in the Town’s applications for use of library impact fee attached hereto and incorporated herein

as **Exhibit A**, as well as the Howey Homeschool Collection List, attached hereto and incorporated herein as **Exhibit B**. The County will make payments on a reimbursement basis with the submittal of an invoice and proper documentation. Invoices shall be submitted to the Office of Library Services Director at P.O. Box 7800, Tavares, Florida 32778. Payments shall be made in accordance with Part VII, Chapter 218, Florida Statutes, known as the Florida Prompt Payment Act.

**3. Town Obligations.**

A. The Town will be solely responsible for the purchasing and inspection of the Project. The Town must comply with all applicable competitive procurement provisions contained within the Florida Statutes, including, if applicable, Section 255.0525, Section 255.20, and Section 287.055. If the competitive bidding/selection process is required for the completion of the Project, the County will have the right to review the competitive bidding/selection process used by the Town and will have the right to review all solicitation responses received. In the event the County determines that the Town's procurement process is insufficient, the County will require the Town to reject all bids and re-bid the Project. If the Town refuses to reject all bids and re-bid the Project, then the County will have the option to terminate this agreement and will receive a return of all payments made from the County to the Town under this agreement, if any.

B. The Town will remain a member of the Lake County Library System for a period of three years following the effective date of this agreement. In the event the Town withdraws from the Lake County Library System or does not renew its membership in the Lake County Library System within that three-year period, the Town must repay the money granted herein as follows: for each year the Town maintains its member status, the amount to be repaid will be reduced by 33%. For example, if the Town withdraws from the Lake County Library System after one year from the effective date of this agreement, the Town must repay the County 66% of the funding contribution that has been made to that point; after two years, the Town must repay 33% of the funding contribution, etc.

**4. Allowable Uses of Impact Fee Money.** The Town must use the impact fee money granted herein for the purposes set forth in Section 22-61, Lake County Code. By executing this agreement, the Town certifies that the Project qualifies as a capital facility need resulting from new growth or development and is not being constructed or undertaken to remedy an existing deficiency in library services, as such terms are defined within the adopted Lake County Comprehensive Plan, Capital Improvements Element.

**5. Indemnification.** The Town will, to the extent permitted by Florida law, protect, defend, indemnify, and hold the County, its officers, commissioners, employees and agents from and against any and all losses, penalties, damages, settlements, costs, charges, professional fees, including a reasonable attorneys' fee or other expenses or liabilities, of every kind and character resulting from any error, omission,

or negligent act of the Town, its agents, employees, or representatives in the performance of the obligations under this agreement. Furthermore, nothing herein will be construed as a waiver of sovereign immunity on the part of the County.

**6. Effective Date, Term and Termination.** This agreement will become effective upon the day of the last signature of the parties and will remain in force until two years after the effective date. Either party has the right to terminate this agreement for cause with 30 days written notice to the other; provided, however, that in the event of termination by the County, the Town will be entitled to reimbursement of purchases relating to the Project up to and including the day of termination, as long as such purchases qualify for impact fee money. In the event that the Project materials have not been purchased within two (2) years after the effective date of this agreement, the agreement shall be considered null and void.

**7. Modifications.** Unless otherwise specified herein, no modification, amendment, or alteration of the terms or conditions contained herein will be effective unless contained in a written document executed by the parties hereto, with the same formality and of equal dignity herewith.

**8. Notices.**

A. All notices, demands, or other writings required to be given or made or sent in this agreement, or which may be given or made or sent, by either party to the other, will be deemed to have been fully given or made or sent when in writing and addressed as follows:

**11. PROJECT NARRATIVE – (No more than 3 pages, Maximum of 30 points)**

a. Briefly describe project (0-5)

Marianne Beck would like to create a homeschool collection that offers a wide array of reading resources for the new and experienced homeschooler of all ages. The curating of this collection would allow for families to round-out their homeschooling curricula with a significantly broad range of specifically recommended titles. Often, these titles and curricula connect to supporting online supplemental educational materials.

b. Include justification for use of impact fees (0-5)

Receiving impact fees for a homeschool collection would allow Marianne Beck to provide a source of materials available for the homeschool community that would include original-text and adapted materials of general readership interest. This collection would not include textbooks, but rather the works that would be supplemental to each of these curricula, typically in the form of recommending reading lists. In particular, these curricula would include:

The Good & the Beautiful (PreK-8) is a Christian curriculum with an emphasis on literature.

Simply Charlotte Mason (K-8) is a Christian Charlotte Mason-style curriculum.

Beautiful Feet (K-12) is a history and literature curriculum in the style of Charlotte Mason.

Notgrass History (1-12) is a Christian history curriculum.

Build Your Library (K-12) is a secular, literature-based Charlotte Mason-style curriculum.

Seton Home Study (K-12) is a Catholic curriculum with a robust supplemental reading list.

c. Establish need for the project (0-5)

There is a lack of many of these listed titles throughout the system. Although what would be considered "classics of literature" may be available at a given location, there are certain abridgements, retellings, and/or illustrated editions that are recommended for various homeschool curricula. This project aims to bridge that gap.

d. Describe how the project will benefit the local community (0-5)

Howey-in-the-Hills is home to a robust homeschooling community that is strongly connected to the library for resources and programming. Making these materials available will greatly facilitate the existing homeschooling patrons, as well as strengthen the development of the homeschool group and related library programming.

Lake County Library Impact Fees – PROJECT APPLICATION

e. Describe how the project will benefit county-wide library service (0-5)

Although Lake County is 19<sup>th</sup> in population for the state, it is 7<sup>th</sup> in highest percentage of homeschoolers and 11<sup>th</sup> in highest actual number of homeschoolers. Homeschoolers are high-volume users at many libraries. By creating a homeschool collection, both the local as well as the county would benefit from new book acquisitions. Homeschoolers throughout the county that subscribe to a variety of curricula would be able to benefit from this shared collection.

f. Provide an itemized cost estimate for equipment requests (0-5)

The 2,500+ books cost an average of \$16.00 each. The entire proposed collection has an estimated cost of \$40,260.51. A complete list of items is contained in the 75-page attached spreadsheet

KOHA: 1,776, Digital: 208 total KOHA: 1,984. Computer sessions: 98. We currently had 23 new patrons and our collection is at 12,757 items. The library was opened 26 days in November.

**Funds collected for December:**

**Copies/Fax: \$96.51 Fines: \$32.30 Total: \$128.81**

**Activities during the month of December:**

Public works installed the Christmas tree on the plaza and Marcia Schneider and another volunteer decorated it for the season.

Friday of the Christmas Festival was held at the library. The FOL hosted a baked goods auction, patrons decorated ornaments and made out Christmas cards for wounded soldiers at Walter Reed Hospital. Ladies from the choir at the Howey Community church lead residents in Christmas carols before lighting of the tree.

Holiday season is always fairly quiet but the "American Girl" book club tea that was hosted by the Friends on the 29<sup>th</sup> had an attendance of 47! Many came dressed as Felicity. She was the character and series of books that were discussed. An excellent turnout for the first one. The yoga classes continue to increase. This past Monday there were 13 taking part.

Looking forward to new and exciting programs in 2023 such as a drone competition.

Respectively Submitted,  
Tara Hall, Library Director
