Date: December 30, 2021
To: Mayor and Town Council
From: Sean O’Keefe, Town Administrator
Re: Discussion: Upcoming CDD/Developer Wastewater Meeting

Objective:

To discuss the Town Council’s stance towards the expansion of utilities, particularly wastewater management by the Central Lake CDD.

Summary:

The CDD has requested Town administration to organize a meeting on January 6th, 2022, with representatives from all proposed developments throughout the Town (and Town’s ISBA) that have not yet reserved wastewater capacity through the CDD. This includes:

Whispering Hills
Simpson Development
Lake Hills/Four Seasons
Drake Pointe
Bouis Development/Thompson Grove
Westminster (Marina Property)
Silver Springs Citrus/Country Pure Foods
Daryl Carter parcels (160 acres)

The purpose of this meeting, as stated in the attached letter, is to establish need for plant expansion and to secure funding guarantees for this expansion that would be managed by the Central Lake CDD.

Fiscal Impact:

Decisions on this topic will affect the finances of the Town in capital expenditures, utility revenues, and staffing and related expenses for the foreseeable future.

You are invited to a meeting on January 6, 2022 at 1:00 PM at the Marianne Beck Memorial Library (112 W. Central Avenue, Howey-in-the-Hills) to discuss wastewater service for your property/development. Representatives of the Central Lake Community Development District (Central Lake CDD) will attend.

The Town's Water and Wastewater Systems

In 2003, the Howey Town Council established its water and wastewater service area under Chapter 180 of Florida Statutes. The service area includes the entire town of Howey and much of the unincorporated areas surrounding Howey. A map of the Town's utility-service area is available at Town Hall.

The Town owns and operates a potable-water system and wastewater-collection/transmission lines, but does not own a wastewater-treatment plant. The Town purchases wastewater-treatment services from the Central Lake CDD on a wholesale basis. The Town then provides wastewater services to its customers on a retail basis. The wastewater is collected and transmitted by the Town to a wastewater plant operated by the CDD on land leased from Sewer & Water Plant Investments, LLC. The CDD treats the wastewater and disposes of the treated effluent.

The District's Treatment Capacity

The CDD states a current treatment plant capacity of 870,000 gallons per day (gpd), or 3,480 "equivalent residential units" (ERUs). The CDD tells us that it has committed 100% of its current capacity to properties and developments in and outside of the Town, including Venezia, Talichet, Bishop's Gate, The Reserve, Las Colinas, Boondocks, the School Board of Lake County, and others. Although the full capacity is reserved, developments needing access to capacity before the plant expansion is complete may make use of unutilized capacity as described at the end of this letter.

The district says it has a plan for expanding plant capacity. The district tells us it can expand its plant capacity by up to 2,610,000 gallons per day, which the district says will allow the Town to service future development in its service area.

Expansion Plan

We are told the following by the district, based on discussions the district and its landlord have had with their engineers and consultants and a general contractor:

- The minimum plant expansion must be 435,000 gpd, or 1,740 ERUs. Any greater expansion must be in increments of 435,000 gpd. The next level would be 870,000 gpd, and so on.
- Start to finish will take approximately 24 months.

The CDD says it believes its capital charge of \$3,517.50/ERU will be sufficient to fund the plant expansion costs. This is subject to final confirmation upon receipt of construction bids.

The CDD says it plans to fund the expansion as follows:

- Each property owner/developer must pay in advance the district's capital charges for the ERUs the owner needs for its property. This is how construction of the existing

wastewater plant was financed. As an example, if a property owner/developer needs 200 ERUs, then its expansion cost would be \$703,500.

- To make that payment, each property owner/developer must provide an irrevocable letter of credit (“LOC”) in an amount equal to the sum of the capital charges for the needed ERU’s.
- Draws will be made against the LOC as construction progresses.
- The LOC must be renewed annually.
- If a property owner/developer fails to provide a replacement LOC no later than 30 days before expiration of the current LOC, the balance of the current LOC will be drawn in full.

The district says that if a property owner needs ERUs before the 24-month timeline above, the CDD– through an understanding with an existing property owner holding a substantial number of unused ERUs – will be able to provide the needed ERUs to the owner.

The Town is optimistic that the meeting will be informative for both the Town and the property owners/developers needing future wastewater service. We look forward to seeing you on January 6, 2022.

Summary of Significant Requests for the Latest (2021)

“CDD Amended and Restated Wholesale Wastewater Service Agreement”

2.8. “Excluded Parcels” means the following four parcels of real property: Lake County Parcel Number/Alternate Key 22-20-25-0003-000-00700, 1092515; 21-20-25-0004-000-01901, 1780411; 22-20-25-0003-000-01800, 3355792; and 22-20-25-0003-0000-2300, 3871761.

[THIS REQUEST IS TO EXPAND THE CDD SERVICE AREA, THEREBY EFFECTIVELY REDUCING THE TOWN’S ISBA.]

Section 7.b Wholesale Wastewater User Charges

(b) The initial rate payable by Howey shall be \$37.49 per month per ERU for customers connected to Howey’s Collection Facilities. This rate shall remain in effect for no less than four (4) years running from the effective date of this Agreement unless [...]

[THIS INCREASES THE RATE BY 56% FROM THE CURRENT \$24, WHICH SHOULD REQUIRE A RATE STUDY PER THE CURRENT AGREEMENT.]

SECTION 26. MARINA PROPERTY CONNECTION. Notwithstanding any other provision of this Agreement, the Owner of the Marina Property, the legal description and map depicting the area of which are attached as Exhibit “E” to this Agreement, shall have the right, at the sole cost and expense of the owner of the Marina Property and without becoming a customer of Howey, to connect to Howey’s nearest lift station without payment of any costs or fees to Howey, and Howey shall allow the wastewater from the Marina Property to flow through the Howey Collection Facilities free of charge to the Point of Connection. The cost and expense, if any, to (i) upsize Howey’s lines or pipes, (ii) repair, replace, or add any lines or pipes, or (iii) repair, replace, or add any other component of Howey’s Collection Facilities so that Howey can accommodate the wastewater from the Marina Property, shall be paid by the owner of the Marina Property. Should the owner of the Marina Property exercise this option, then Howey and the owner of the Marina Property will have their respective engineers work together to memorialize in a separate writing the details of the connection to Howey’s lift station.

[THIS CLAUSE IS NECESSARY (FROM THE CDD’S POINT OF VIEW) DUE TO THE NON-CONTIGUOUS EXCLUSION OF THE MARINA PROPERTY FROM THE TOWN’S ISBA IN A PREVIOUS CDD AGREEMENT. A SUITABLE SOLUTION FOR DELIVERY OF WATER AND WASTEWATER TO THE MARINA WOULD NEED PROPER COORDINATION WITH THE ADJACENT LAKE HILLS/FOUR SEASONS DEVELOPMENT.]

SECTION 27. AMENDMENT OF COUNTY INTERLOCAL AGREEMENT. The CDD intends to seek amendment of the County Interlocal Agreement to include the Excluded Parcels within the area for which the CDD is authorized to provide potable water and wastewater utility services. Howey hereby consents to such amendment, agrees to provide to the County confirmation of such consent if and to the extent such confirmation may be required, and agrees that the CDD shall be the exclusive provider of potable water and wastewater utility services to the Excluded Parcels.

[EXCLUSIVITY IS REQUESTED BY THE CDD TO ALLOW FOR DEFINITIVE PLANNING OF PLANT EXPANSION.]

SECTION 3. PROVISION AND ALLOCATION OF WASTEWATER SERVICE CAPACITY. On and after the effective date of this Agreement, as set forth in Section 22, Wastewater Service Capacity shall be provided by the CDD to Howey for service in the Developments in the following manner and subject to the following terms and conditions:

3.1. Capacity Reservation by the Remaining 2007 Developments. The CDD represents and warrants to Howey that, pursuant to the CDD Service Agreements that remain in good standing, the Remaining 2007 Developments have reserved capacity, and the CDD has set aside and encumbered capacity, in the CDD's Wastewater System for the residential and nonresidential land development contemplated by the CDD Service Agreements to occur in the future at the Remaining 2007 Developments in the amounts set forth in Exhibit “D” to this Agreement.

3.2 Certificate of Wastewater Service Availability. To ensure that contributions in aid of construction have been paid and that the wastewater-treatment demand of land development to be permitted from time to time by Howey within the Developments does not exceed the treatment and disposal capacity of the CDD's Wastewater Facilities, the Town Council for Howey shall require, as a condition to the issuance of a building permit for the construction of a residence or commercial building within the Developments, that the landowner or other developer seeking such building permit secure from the CDD the issuance of a certificate assuring Howey that, as required by Section 163.3180 of Florida Statutes, wastewater service will be available concurrent with the new development and that appropriate contributions in aid of construction have been paid.

3.3. Capacity Needs of the Remaining 2007 Developments. On and after the effective date of this Agreement, the CDD shall accept, treat, and dispose of the Wastewater Service Capacity as required by the CDD Service Agreements to serve the Remaining 2007 Developments. Howey shall have no liability for any charges for the capital costs of capacity at the Treatment Facilities or any other capital costs associated with expanding the CDD's Wastewater System to serve the Remaining 2007 Developments.

3.4. Purchase of Capacity for Future Development. For Future Development, Howey shall purchase capacity in the CDD's Wastewater System as follows:

(a) On each occasion that Wastewater Service Capacity is to be requested, Howey shall submit a written Capacity Request Notice to the CDD specifying the capacity being requested and the proposed date of delivery of such capacity. Within thirty (30) days of receipt of the Capacity Request Notice the CDD shall notify Howey in writing whether such capacity is

currently available. If the CDD notifies Howey that Wastewater Service Capacity in the amount specified in the Capacity Request Notice is currently available, Howey shall confirm its intention to purchase such capacity by tendering a capacity payment to the CDD at the then prevailing rate per ERU.

(b) If the CDD notifies Howey that Wastewater Service Capacity in the amount specified in the Capacity Request Notice is not currently available:

(i) Howey shall amend its request (A) to specify a capacity amount that is in increments not less than 435,000 GPD without the express written consent of the CDD, (B) to specify a proposed capacity delivery date that is not less than 24 full calendar months after the date of delivery of such notice, and (C) to estimate the anticipated increase in the maximum wastewater flow rate in GPM.

(ii) Upon receipt of the amended Capacity Request Notice, the CDD shall have one-hundred twenty (120) days to verify in writing whether a plant expansion to accommodate the requested increase in treatment capacity, the proposed delivery date, and the maximum wastewater flow rate are technically and economically feasible, including determining whether any adjustment to the prevailing capacity rate per ERU is adequate to cover all design and construction costs of the proposed expansion. The written verification from the CDD to Howey shall advise whether the requested increase in treatment capacity is technically and economically feasible, and if feasible, shall further advise the estimated date by which the requested capacity should be available and the total capacity payment that will be due for the expansion.

(iii) If the CDD's verification advises that the requested increase in treatment capacity is technically and economically feasible, Howey shall have sixty (60) days to confirm its request by tendering the capacity payment to the CDD. Upon receipt of the capacity payment in the amount specified in the CDD's verification to Howey, the CDD shall commence design and construction of an amount of Wastewater Service Capacity, in MGD, as also specified in such verification.

(c) The capacity payment shall be an amount equal to the amount of connection fees, impact fees, or contribution-in-aid-of construction (CIAC) fees that would be payable by a customer within the 180 Service Area to reserve the requested amount of treatment capacity in the CDD's Wastewater System at the time of the CDD's verification to Howey of existing capacity availability as provided in Section 3.4(a) or the cost of an increase in treatment capacity as provided in Section 3.4(b)(iii). Upon delivery of a capacity payment, and confirmation by the CDD that such payment is adequate to fund design and construction of the requested treatment capacity, Howey shall be deemed to own the right to the collection, transmission, treatment, and disposal of the purchased amount of capacity in the CDD's Wastewater System, and the CDD may not earmark, sell, assign, or convey any portion of the purchased capacity without Howey's consent, which may be granted or withheld at Howey's discretion.

(d) The CDD shall deliver the Wastewater Service Capacity to Howey on a date as close as reasonably practicable to the date requested by Howey in the capacity request notice. Upon such capacity becoming available for use by Howey, including completing construction of

any required expansion of the Treatment Facilities, the CDD shall provide written notice to Howey of such availability.

(e) Notwithstanding any other provision of this Agreement, the CDD may, but shall not be required, to expand the Treatment Facilities beyond a total wastewater treatment capacity of 2.71 MGD.

3.5. Technical and Operation and Maintenance Requirements. The CDD shall determine each Point of Connection of the two systems to serve the Developments.

(a) The CDD will provide to Howey the required system pressures and elevations to connect, along with any other applicable technical requirements for connections. Howey shall review the proposed Point of Connection based upon the CDD's technical requirements. Should service to a Development necessitate the CDD increasing the size of its wastewater main to connect to the Point of Connection, the involved Development and/or Howey shall be responsible for payment of all costs of such increase in size.

(b) Both Howey and the CDD acknowledge that each party operates and maintains its own wastewater system on its respective side of the Point of Connection. At the Point of Connection, the CDD may provide appropriate metering and in such case, the maintenance and reading of the Point of Connection meters. If a meter is installed, the meter shall be calibrated as required by law and the results provided to Howey. In the event of meter failure, both Howey and the CDD will mutually develop a method to estimate flows until the meter is repaired.

3.6. Delivery Pressure; Peak Flows; Usage. Howey shall deliver Wastewater through Howey's Collection Facilities and to the Interconnect Facilities at a pressure not less than 26 PSI to enable receipt of Wastewater into the Treatment Facilities without repumping. The CDD shall receive Wastewater flows from Howey at a flow rate not exceeding 1,500 GPM unless increased in conjunction with a purchase of additional wastewater treatment capacity as provided in Section 3.3. If at any time sanitary Wastewater flow from Howey exceeds 1,500 GPM or other maximum accepted by the CDD in conjunction with a purchase of additional wastewater treatment capacity, Howey shall, at its expense, plan, construct, operate, and maintain a surge tank as a part of the Howey Collection Facilities, in order to reduce Wastewater flows to a rate that is at or below 1,500 GPM or other accepted maximum.

3.7. Treated Wastewater. Wastewater received by the CDD from Howey through the Interconnect Facilities shall be deemed to be the property of the CDD.

SECTION 4. PURCHASE OF EXCESS WASTEWATER CAPACITY. In the event that Howey's wastewater usage exceeds its subscribed capacity for three (3) consecutive months, Howey shall either buy additional wastewater capacity from the CDD in the manner provided in Section 3.4 or shall pay the capital costs of providing the additional capacity needed, but only if the CDD provides Howey written notice that wastewater received by the CDD has exceeded Howey's subscribed capacity for a one (1) month period and such notice is received by Howey within fifteen (15) days following the termination of that one (1) month period for which Howey's usage exceeded its subscribed capacity.

SECTION 5. SERVICE STANDARDS. The parties mutually agree that after connection of Howey's Collection Facilities to the Interconnect Facilities, the CDD agrees to comply with all state, regional, and federal requirements and rules applicable to the provision of Wastewater Service Capacity to the public. Notwithstanding the above, the CDD does not guaranty or warrant any special service, pressure, quality, capacity, availability, or other facility other than what is required to fulfill a duty of reasonable care to the customers to whom it provides such Wastewater Service Capacity. Upon connection of Howey's Collection Facilities to the Interconnect Facilities, any customers that have connected or will connect into Howey's Collection Facilities shall be Howey's retail customers. Howey shall be the party responsible for discontinuing services to customers provided for hereunder if customers fail to pay bills for said services.

SECTION 6. CONSISTENCY OF WASTEWATER. Howey acknowledges and recognizes that in the operation and maintenance of the CDD's Wastewater System, the CDD has certain obligations to protect the health, safety and welfare of the public and to prevent undue burden to the CDD's customers resulting from extraordinary discharges attributable to Howey.

(a) Howey agrees that all Sewage collected by Howey and transmitted to the CDD shall conform to the CDD's published standards prior to introduction into the CDD's Treatment Facilities.

(b) No substance other than Residential Wastewater Strength, including but not limited to hazardous, flammable, toxic, and/or industrial constituents, regardless of the concentrations of such constituents, will be placed into the CDD's Wastewater System and delivered to the Treatment Facilities. Non-domestic wastes from commercial establishments may be introduced into the CDD's Wastewater System only upon prior written approval from the CDD based on the CDD's determination that such non-domestic waste will not harm the Treatment Facilities. Should any non-domestic wastes, grease or oils, including but not limited to, floor wax, paint, chlorides, or salt water be delivered to the Treatment Facilities, Howey will be responsible for payment of the cost and expense required in correcting or repairing any resulting damage to the Treatment Facilities or property of third parties. The CDD shall have the right to sample Howey's sewage to verify compliance with this Agreement.

(c) In the event the CDD determines that property served or to be served by Howey poses a threat of introducing chlorides, salt water, or similar constituents into the Treatment Facilities at levels determined by the CDD, in accordance with current industry standards, to be harmful to the Treatment Facilities, including but not limited to, the Treatment Facilities' ability to provide effluent meeting reuse standards, and its acceptability as an irrigation supply source for vegetation, the CDD has the right to decline or discontinue service, or charge a higher rate due to increased treatment costs if applicable, to such property or customer and to require such pretreatment or other measures as are necessary to protect the integrity of Treatment Facilities. In the event of such declination or discontinuance of service, Howey shall have the right to provide or obtain treatment of the effluent from such property through its own facilities or from a third party.

SECTION 7. WHOLESALE WASTEWATER USER CHARGES. The CDD agrees to provide transmission, treatment and disposal of Howey's wastewater for a monthly charge per ERU.

(a) The volume may be measured by the CDD at the Point of Connection between the CDD and Howey. After the first of each month, the CDD shall submit an invoice to Howey for treatment services rendered to Howey during the previous month detailing the number of ERUs. Howey shall pay the invoice within twenty-five (25) days of receipt. Any invoice not paid within such time shall bear interest at the prime rate as published in the Wall Street Journal plus two percent (2%).

(b) The initial rate payable by Howey shall be \$37.49 per month per ERU for customers connected to Howey's Collection Facilities. This rate shall remain in effect for no less than four (4) years running from the effective date of this Agreement unless:

CDD elects to conduct, at its expense, a rate study for the entire CDD Wastewater System, both inside and outside the boundaries of Howey. The study shall arrive at a uniform retail rate for all retail customers of the CDD's Wastewater System, and may consider conversion to a metered rate per thousand gallons of wastewater flow. Upon completion of the rate study, that replacement rate shall be charged uniformly to all CDD retail wastewater customers, and the wholesale rate to be charged to Howey will be eighty-five percent (85%) of the retail rate determined by the study. That replacement rate (and the 85% wholesale rate to be paid by Howey) shall remain in effect for at least the remainder of the four (4) years running from the date of the first building permit issued in the Developments.

At the end of the four (4) year period as referenced hereinabove, either Howey may require the CDD to conduct, or the CDD may elect to conduct, a new rate study to determine both retail and wholesale rates, and such study may consider conversion to a metered rate per thousand gallons of wastewater flow. Howey and the CDD each shall pay one-half (1/2) the cost of this second rate study. If neither party requests a rate study at the end of the four-year period, then any future rate studies shall be at the discretion of the CDD and at the expense of the CDD.

(c) One of the following firms will be selected to conduct these two rate studies, if they are conducted:

- (1) Burton & Associates (Mike Burton);
- (2) Brown & Caldwell (Mike Rocca); or
- (3) PRMG (Rob Ori); or
- (4) such other firm that the parties may hereinafter agree to.

The retail rate determined by the study shall apply uniformly to all the CDD's retail wastewater customers, both inside and outside Howey's boundaries. The wholesale rate to be charged to Howey shall be the wholesale rate determined by the study conducted after the four-year period, and the retail rate charged by Howey to its retail wastewater customers shall be a rate determined

by Howey's Town Council to be sufficient to pay the costs of Howey's retail wastewater operation.

(d) In all events, at such time as the wholesale rate charged to Howey exceeds \$37.49 per ERU or, in accordance with the findings of a rate study as provided above, converts to a metered rate per thousand gallons of wastewater flow, and thereafter throughout the term of this Agreement, the CDD shall charge a uniform rate to all its retail wastewater customers, both within the town limits of Howey and outside the town limits, without discrimination. If and when rate studies are conducted from time to time, as allowed by Section 8 and this Section, such studies shall assume, for purposes of calculating Howey's wholesale rate, that the costs incurred by the CDD for administration, billing and collection, capital improvements, and operation and maintenance of its treatment, collection and transmission system not related to providing service to Howey shall be excluded from the wholesale rate.

SECTION 8. CHANGE OF RATES. For each year after the expiration of the initial rate established as provided in Section 7, the CDD may increase its retail wastewater rates and the wholesale rate paid by Howey either

- (i) by a percentage not exceeding the price-increase-or-decrease index established during that year by the Florida Public Service Commission for wastewater utilities as required by Section 367.081(4)(a) of Florida Statutes, or
- (ii) as determined and calculated by a rate study performed by one of the firms listed in Section 7.

SECTION 9. ASSIGNMENT OF CDD RETAIL WASTEWATER AGREEMENTS. The CDD hereby confirms its assignment to Howey by the 2007 Wholesale Agreement of the right to be the retail wastewater service provider for the 2007 Developments and Howey confirms its assumption of such obligations for the 2007 Developments. The CDD retains the right under the CDD Service Agreements to provide wastewater service to the 2007 Developments, but only as a wholesale provider to Howey. Howey confirms that the 2007 Developments have purchased and made provision for payment in full of Wastewater Service Capacity sufficient for the needs of such customers, and that no other or additional wastewater connection fee, impact fee, service availability fee, or other capital charges whatsoever (however characterized by Howey) shall be due from the 2007 Developments for or on account of the provision of wastewater service.

SECTION 10. RESERVATION AND MAINTENANCE FEES. In the event that the CDD adopts reservation and maintenance fees that apply to customers uniformly, both inside and outside the boundaries of Howey, the fees shall be payable by the Developments, and the CDD shall be entitled to receive from Howey all such fee revenues collected, without deduction of any type. Howey shall use reasonable efforts to collect such fees from its customers and shall pay the amounts collected to the CDD within twenty-five (25) days of receipt. Any payments not made within such time shall bear interest at the prime rate as published in the Wall Street Journal plus two percent (2%). Should any customer not pay reservation and maintenance fees,

then the CDD shall notify Howey, at which time such capacity will be forfeited in accordance with the procedure adopted by the CDD.

SECTION 11. INDEPENDENT CONTRACTOR RELATIONSHIP; NO LIABILITY FOR HOWEY OR CDD DEBT.

11.1. Neither the CDD nor Howey is or shall be deemed to be an agent of the other, and neither shall have the authority or power to obligate or act for or on behalf of the other. Each is entering into this Agreement as an independent contractor.

11.2. The parties agree expressly that (i) the CDD has no obligation whatsoever to creditors of Howey or other third-parties for any existing or future debts or other obligations of Howey of any type or nature, and (ii) Howey has no obligation whatsoever to creditors of the CDD or other third-parties for any existing or future debts or other obligations of the CDD of any type or nature.

SECTION 12. DISCLAIMER OF THIRD PARTY BENEFICIARIES. This Agreement is solely for the benefit of the formal parties herein, and no right or cause of action shall accrue upon or by reason hereof, to or for the benefit of any third party not a formal party hereto.

SECTION 13. ASSIGNMENT. This Agreement shall be binding on the parties hereto and their representatives, successors, and assigns. Neither party shall assign this Agreement or the rights and obligations to any other party without the prior written consent of the other party hereto, which may not be unreasonably withheld.

SECTION 14. INDEMNIFICATION.

14.1. Neither party hereto waives sovereign immunity, except that, consistent with applicable Florida law, including, but not limited to Chapter 768, Florida Statutes, each party shall hold the other harmless for the negligent acts of itself and its officers, agents, and employees, but only to the extent permitted by law.

14.2. If service provided hereunder is discontinued to a customer due to failure of the customer to pay for services provided, the party responsible for discontinuing service shall hold the other party harmless as to any and all claims or suits regarding such action.

SECTION 15. DEFAULT.

15.1. Either party to this Agreement, in the event of or act of default by the other, shall have all remedies available to it under the laws of the state of Florida including but not limited to injunction to prevent default or specific performance to enforce this Agreement. Each party agrees to pay all reasonable costs and attorneys fees to the other party not in default provided such costs and attorneys fees are payable under this section only to the prevailing party in such suit. The rights of the parties shall be considered cumulative and shall not be waived now or in

the future by the exercise of any rights and remedies provided under the terms of this Agreement and authorized by law.

15.2. In the event of a default by Howey, the CDD agrees that it will not discontinue service to Howey except in the case of an emergency resulting from a substantial and material default under Section 6 of this Agreement, provided all payments for service required hereunder are made by Howey and until such time as a court of competent jurisdiction has rendered an adjudication of default. In the event Howey disputes amounts payable for service pursuant to this Agreement, Howey shall continue to make such payments under protest. Upon resolution of the protest, CDD shall refund any amounts determined to be overpaid, plus interest at the prime rate as published daily in the Wall Street Journal plus two percent (2%).

15.3. In the event of default by the CDD, Howey shall be entitled to any and all remedies available to customers of the CDD's water and sewer system.

15.4. Each of the parties hereto shall give the other party written notice of any defaults hereunder and shall allow the defaulting party thirty (30) days from the date of receipt to cure such defaults (or if the default cannot be cured within thirty (30) days, the defaulting party shall commence the cure within such period and shall complete such cure within a reasonable period thereafter), and shall otherwise comply with any state law related to resolving disputes between local governments.

SECTION 16. NOTICES. Any notice required or allowed to be delivered hereunder shall be in writing and be deemed to be delivered when either (1) hand-delivered to the official hereinafter designated, or (2) upon receipt of such notice when deposited in the U.S. mail, postage prepaid, certified mail, return-receipt requested, addressed to a party at the address set forth opposite the party's name below, or at such other address as the party's name below, or at such other address as the party shall have specified by written notice to the other party delivered in accordance herewith:

SECTION 17. SEVERABILITY. If any part of this Agreement is found invalid or unenforceable by any court, such invalidity or unenforceability shall not affect the other parts of the Agreement if the rights and obligations of the parties contained herein are not materially prejudiced and if the intentions of the parties can continue to be effected. To that end, this Agreement is declared severable.

SECTION 18. RECORDATION. The parties hereto agree that an executed copy of this Agreement and Exhibits attached hereto shall be recorded in the Public Records of Lake County at the expense of the parties, said expense to be shared equally.

SECTION 19. TIME OF THE ESSENCE. Time is hereby declared of the essence to the lawful performance of the duties and obligations contained in this Agreement.

SECTION 20. APPLICABLE LAW. This Agreement and the Provisions contained herein shall be construed, controlled, and interpreted according to the laws of the state of Florida.

SECTION 21. FORCE MAJEURE. In the event that the performance of this Agreement by either party is prevented or interrupted in consequence of any cause beyond the control of either party, including but not limited to an Act of God or of the public enemy, war, state or national emergency, allocation or of other governmental restrictions upon the use or availability of labor or materials, rationing, civil insurrection, riot, racial or civil rights disorder or demonstration, strike, embargo, flood, tidal wave, fire, explosion, bomb detonation, nuclear fallout, windstorm, hurricane, earthquake, pandemic, or other casualty or disaster or catastrophe, governmental rules or acts or orders or restrictions or regulations or requirements, acts or action of any government or public or governmental authority or commission or board or agency or agent or official or officer, the enactment of any statute or ordinance or resolution or regulation or rule or ruling or order, order or decree or judgment or restraining order or injunction of any court, such party shall not be liable for such non-performance.

SECTION 22. EFFECTIVE DATE; TERM. This Agreement shall be effective as of the date last executed by the parties. This Agreement shall continue in full force and effect until midnight on the December 31st next following the 35th anniversary of the effective date (such date the "Initial Termination Date"). This Agreement shall automatically be extended for one twenty (20) year period, until midnight on December 31 twenty (20) years following the Initial

Termination Date, unless one party provides the other party written notice of its intent to cancel this Agreement at the expiration of the initial term, and such notice is delivered no later than December 31, 2046. Both parties shall be fully discharged from any service obligations arising from any cancellation.

SECTION 23. ENTIRE AGREEMENT; EFFECT ON PRIOR AGREEMENT.

This instrument constitutes the entire Agreement between the parties and supersedes all previous discussions, understandings, and agreements between the parties relating to the subject matter of this Agreement, including the 2007 Wholesale Agreement and the 2012 Wholesale Agreement, but shall not amend, alter, or supersede the School Board Agreement. Amendments to and waivers of the provisions herein may be made only by the parties in writing, by formal waiver or amendment approved by majority vote of both Howey's Town Council and the CDD's Board of Supervisors.

SECTION 24. EXERCISE OF POLICE POWER. Without limiting Howey's obligations under this Agreement, nevertheless, nothing contained in this Agreement shall be construed to require Howey to exercise the police power, and nothing herein shall act as a waiver of Howey's authority to require a permit, license, certificate, approval, exception, or variance applicable to similar projects and uniformly imposed by Howey.

SECTION 25. DISPUTE RESOLUTION. By Resolution No. 2006-03, dated July 7, 2006 ("Conflict Resolution"), the Board of Supervisors of the CDD initiated the conflict resolution procedures set forth in the Florida Government Conflict Resolution Act, Chapter 164, Florida Statutes, with respect to Howey's adoption of its Ordinance 2006-005. The parties confirm that the dispute that occasioned the CDD's adoption of the Conflict Resolution was resolved by the 2007 Wholesale Agreement, that no further conflict exists between the parties, and that the 2007 Wholesale Agreement, as amended and restated by this Agreement, constituted and continues to constitute a full and complete resolution of such conflict in accordance with Section 164.1057, Florida Statutes.

SECTION 26. MARINA PROPERTY CONNECTION. Notwithstanding any other provision of this Agreement, the Owner of the Marina Property, the legal description and map depicting the area of which are attached as Exhibit "E" to this Agreement, shall have the right, at the sole cost and expense of the owner of the Marina Property and without becoming a customer of Howey, to connect to Howey's nearest lift station without payment of any costs or fees to Howey, and Howey shall allow the wastewater from the Marina Property to flow through the Howey Collection Facilities free of charge to the Point of Connection. The cost and expense, if any, to (i) upsize Howey's lines or pipes, (ii) repair, replace, or add any lines or pipes, or (iii) repair, replace, or add any other component of Howey's Collection Facilities so that Howey can accommodate the wastewater from the Marina Property, shall be paid by the owner of the Marina Property. Should the owner of the Marina Property exercise this option, then Howey and the owner of the Marina Property will have their respective engineers work together to memorialize in a separate writing the details of the connection to Howey's lift station.

SECTION 27. AMENDMENT OF COUNTY INTERLOCAL AGREEMENT. The CDD intends to seek amendment of the County Interlocal Agreement to include the Excluded

Parcels within the area for which the CDD is authorized to provide potable water and wastewater utility services. Howey hereby consents to such amendment, agrees to provide to the County confirmation of such consent if and to the extent such confirmation may be required, and agrees that the CDD shall be the exclusive provider of potable water and wastewater utility services to the Excluded Parcels.

SECTION 28. PUBLIC RECORDS.

28.1. To the extent required by Section 119.0701, Florida Statutes, the CDD shall comply with Florida's Public Records Act, Chapter 119, Florida Statutes, and agrees to: (i) keep and maintain all public records that ordinarily and necessarily would be required by Howey to keep and maintain in order to perform the services, (ii) upon request from Howey's custodian of public records, provide copies to Howey within a reasonable time and public access to such public records on the same terms and conditions that Howey would provide the records and at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes, or as otherwise provided by law, (iii) ensure that such public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law, and (iv) comply with all requirements for retaining such public records and transfer, at no cost, to Howey, all such public records in possession of the CDD upon termination of this Agreement and destroy any duplicate public records that are exempt or confidential and exempt from Chapter 119, Florida Statutes, disclosure requirements. All records stored electronically must be provided to Howey in a format that is compatible with the information technology systems of Howey. **IF THE CDD HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CDD'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS ENGAGEMENT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT: Clerk Office: 101 N. 28.2. To the extent required by Section 119.0701, Florida Statutes, Howey shall comply with Florida's Public Records Act, Chapter 119, Florida Statutes, and agrees to: (i) keep and maintain all public records that ordinarily and necessarily would be required by the CDD to keep and maintain in order to perform the services, (ii) upon request from the CDD's custodian of public records, provide copies to the CDD within a reasonable time and public access to such public records on the same terms and conditions that the CDD would provide the records and at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes, or as otherwise provided by law, (iii) ensure that such public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law, and (iv) comply with all requirements for retaining such public records and transfer, at no cost, to the CDD, all such public records in possession of Howey upon termination of this Agreement and destroy any duplicate public records that are exempt or confidential and exempt from Chapter 119, Florida Statutes, disclosure requirements. All records stored electronically must be provided to the CDD in a format that is compatible with the information technology systems of the CDD. **IF HOWEY HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO HOWEY'S DUTY TO**

**INTERLOCAL AGREEMENT BETWEEN
THE COUNTY OF LAKE, FLORIDA,
AND CENTRAL LAKE COMMUNITY DEVELOPMENT DISTRICT**

THIS INTERLOCAL AGREEMENT is entered into this 10 day of May, 2001 (the "Agreement"), by and between LAKE COUNTY, FLORIDA (the "County"), and the CENTRAL LAKE COMMUNITY DEVELOPMENT DISTRICT (the "District").

RECITALS:

1. The District is a local unit of special purpose government created pursuant to Chapter 190, Florida Statutes (the "Act").
2. The County is a political subdivision of the State of Florida authorized by Chapter 125, Florida Statutes to provide for the health, safety, and welfare of its citizens.
3. The District is authorized by the Act to exercise within its boundaries those powers conferred by the Act.
4. Pursuant to the Act, particularly Sections 190.011(12), and pursuant to Section 163.01 Florida Statutes, the County and the District may provide by interlocal agreement for the District to provide certain services outside its geographical boundaries.
5. The District and the County have determined that the residents and businesses of the District and the County would be benefitted by the District providing certain services to that portion of the County described in Exhibit "A".

NOW, THEREFORE, the parties agree as follows:

1. **Authority.** This Agreement is entered into pursuant to the authority set forth in Chapters 163, and 190, Florida Statutes.
2. **Definitions.** Capitalized terms used and not otherwise defined in this Agreement shall have the meaning ascribed to such term in the Act.
3. **Additional Powers and Duties of the District.** In addition to any powers that the District may have, the District shall have and is hereby granted the authority to exercise those powers granted to districts pursuant to Chapter 190, Florida Statutes, including those powers set forth in Sections 190.011 and 190.012 of the Act, and to exercise all of the powers necessary or incidental thereto, including the right to set and collect fees, in that area of the County described in Exhibit "A", as though the area was included within the boundaries of the District, except that the District shall have no authority to levy or assess, ad valorem taxes or assessments under the provisions of Sections 190.021 or 190.022 of the Act. Furthermore, the District shall not exercise a taking without prior approval by resolution of the governing body of the county.
4. **Indemnification of County by District.** To the extent permitted by law (not to be construed as a waiver of sovereign immunity), the District shall indemnify and hold harmless the County for all acts or omissions of the District arising out of authority granted herein, and in connection with the performance of this Agreement.

5. Revenue Bonds; County Not Liable. The County acknowledges that the District may issue revenue bonds of the District in accordance with the Constitution and laws of the State of Florida to finance its activities, which bonds may be secured by and payable from revenues derived from services provided within the territory governed by this Agreement. Any such revenue bonds issued by the District shall neither be, nor constitute, general obligations or indebtedness of the County, the State of Florida, or any political subdivision thereof, but shall be payable solely from and secured by a lien upon and a pledge of revenues of the District and all monies in the funds and accounts established under the indenture pursuant to which any such bonds are issued or other security provided by the District, in the manner and to the extent provided in such indenture. No bondholder shall ever have the right to compel the exercise of the ad valorem taxing power of the County, or the State of Florida, or of any political subdivision thereof; or taxation in any form on any real or personal property to pay any such bonds or the interest thereon, nor shall any bondholder be entitled to payment of such principal and interest from any other funds of the County, the State of Florida, or any political subdivision thereof, other than from the security pledged by the District in such indenture.

6. Term. Unless earlier terminated or extended by mutual agreement of the parties, this Agreement shall expire ninety-nine (99) years from the date hereof.

7. Amendment. This Agreement may be modified in writing only by the mutual agreement of both parties in accordance with their respective laws, rules and procedures.

8. Severability. If any one or more of the covenants, agreements, or provisions of this Interlocal Agreement shall be held contrary to any expressed provision of law or contrary to any policy or expressed law, although not expressly prohibited, contrary to any expressed provision of public policy, or shall for any reason whatsoever be held invalid, then such covenants, agreements, or provisions shall be null and void, and shall be deemed separate from the remaining covenants, agreements, or provisions of this Interlocal Agreement.

INTERLOCAL AGREEMENT BETWEEN
THE COUNTY OF LAKE, FLORIDA,
AND CENTRAL LAKE COMMUNITY DEVELOPMENT DISTRICT

THIS INTERLOCAL AGREEMENT is entered into this 10 day of May, 2001 (the "Agreement"), by and between LAKE COUNTY, FLORIDA (the "County"), and the CENTRAL LAKE COMMUNITY DEVELOPMENT DISTRICT (the "District").

RECITALS:

1. The District is a local unit of special purpose government created pursuant to Chapter 190, Florida Statutes (the "Act").
2. The County is a political subdivision of the State of Florida authorized by Chapter 125, Florida Statutes to provide for the health, safety, and welfare of its citizens.
3. The District is authorized by the Act to exercise within its boundaries those powers conferred by the Act.
4. Pursuant to the Act, particularly Sections 190.011(12), and pursuant to Section 163.01 Florida Statutes, the County and the District may provide by interlocal agreement for the District to provide certain services outside its geographical boundaries.
5. The District and the County have determined that the residents and businesses of the District and the County would be benefitted by the District providing certain services to that portion of the County described in Exhibit "A".

NOW, THEREFORE, the parties agree as follows:

1. Authority. This Agreement is entered into pursuant to the authority set forth in Chapters 163, and 190, Florida Statutes.
2. Definitions. Capitalized terms used and not otherwise defined in this Agreement shall have the meaning ascribed to such term in the Act.
3. Additional Powers and Duties of the District. In addition to any powers that the District may have, the District shall have and is hereby granted the authority to exercise those powers granted to districts pursuant to Chapter 190, Florida Statutes, including those powers set forth in Sections 190.011 and 190.012 of the Act, and to exercise all of the powers necessary or incidental thereto, including the right to set and collect fees, in that area of the County described in Exhibit "A", as though the area was included within the boundaries of the District, except that the District shall have no authority to levy or assess, ad valorem taxes or assessments under the provisions of Sections 190.021 or 190.022 of the Act. Furthermore, the District shall not exercise a taking without prior approval by resolution of the governing body of the county.
4. Indemnification of County by District. To the extent permitted by law (not to be construed as a waiver of sovereign immunity), the District shall indemnify and hold harmless the County for all acts or omissions of the District arising out of authority granted herein, and in connection with the performance of this Agreement.

5. Revenue Bonds; County Not Liable. The County acknowledges that the District may issue revenue bonds of the District in accordance with the Constitution and laws of the State of Florida to finance its activities, which bonds may be secured by and payable from revenues derived from services provided within the territory governed by this Agreement. Any such revenue bonds issued by the District shall neither be, nor constitute, general obligations or indebtedness of the County, the State of Florida, or any political subdivision thereof, but shall be payable solely from and secured by a lien upon and a pledge of revenues of the District and all monies in the funds and accounts established under the indenture pursuant to which any such bonds are issued or other security provided by the District, in the manner and to the extent provided in such indenture. No bondholder shall ever have the right to compel the exercise of the ad valorem taxing power of the County, or the State of Florida, or of any political subdivision thereof; or taxation in any form on any real or personal property to pay any such bonds or the interest thereon, nor shall any bondholder be entitled to payment of such principal and interest from any other funds of the County, the State of Florida, or any political subdivision thereof, other than from the security pledged by the District in such indenture.

6. Term. Unless earlier terminated or extended by mutual agreement of the parties, this Agreement shall expire ninety-nine (99) years from the date hereof.

7. Amendment. This Agreement may be modified in writing only by the mutual agreement of both parties in accordance with their respective laws, rules and procedures.

8. Severability. If any one or more of the covenants, agreements, or provisions of this Interlocal Agreement shall be held contrary to any expressed provision of law or contrary to any policy or expressed law, although not expressly prohibited, contrary to any expressed provision of public policy, or shall for any reason whatsoever be held invalid, then such covenants, agreements, or provisions shall be null and void, and shall be deemed separate from the remaining covenants, agreements, or provisions of this Interlocal Agreement.

9. Matters Unaffected. No right or obligation that may currently or subsequently exist respecting the parties and their relationship one to the other shall be deemed waived or otherwise affected by this Agreement unless such right or obligation is specifically addressed herein.

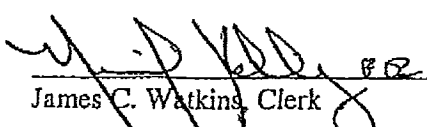

10. Effective Date. This Agreement shall become effective upon, (1) execution by the District and the County, and (2) recording this Agreement in the Public Records of Lake County, Florida.
