PUBLIC HEARING:

TO RECEIVE PUBLIC COMMENT CONCERNING A REQUEST BY HAYDEN AND COLLETTE PETERSEN TO REZONE PROPERTY AT APPROXIMATELY 605 PARK DRIVE APPROXIMATELY .47 ACRES TIN #01-013-0031 FROM RESIDENTIAL R-2 TO RESIDENTIAL R-2A.

ACTION

Commissioner Angi Bair made a motion at 6:34 p.m. to open the Public Hearing to receive public comment concerning a request by Hayden and Collette Petersen to rezone property at approximately 605 Park Drive approximately .47 acres TIN #01-013-0031 from residential R-2 to residential R-2A. Commissioner Kevin Anderson seconded the motion and Commissioners Anderson, Bair, Foster, Mann and Willardson voted aye.

Zoning Administrator Matt Holmes read an email from Ronald J Huppi addressing the Planning Commissioners to express concerns regarding the Hayden and Collette Petersen request for rezone. One concern was that if the rezone was to be accepted then the landowners within 660 feet of that property would not be able to develop their properties in a similar manner. Another concern was that because the owner would not have to live in the home, that regular maintenance and management of the property may discontinue.

There being no further comments Commissioner Angi Bair made a motion to close the public hearing.

ACTION

Commissioner Angi Bair made a motion to close the public hearing at 6:41 p.m. Commissioner Terry Mann seconded the motion and Commissioners Anderson, Bair, Foster, Mann, and Willardson voted aye.

SCHEDULED DELEGATIONS:

HAYDEN AND COLLETTE PETERSEN - TO PETITION THE CITY TO CHANGE THE ZONING DESIGNATION OF PARCEL 01-013-0031 FROM R-2 TO R-2A TO ALLOW THE EXISTING HOME THAT CONTAINS AN ACCESSORY DWELLING UNIT TO BE MODIFIED INTO A DUPLEX.

Tyson Hamilton representing Hayden and Collette Peterson read a petition written by Hayden and Collette Peterson. The home already has a separate access and has plenty of parking. If the rezone is approved there would be changes made to the inside of the homes such as removing the staircase and the access between floors would be removed to make it a functional duplex.

Commissioner Terry Mann asked what the plan is for garbage removal.

Tyson Hamilton stated that an additional garbage can would be brought in so each rental would have their own can.

There was a discussion amongst the Planning Commission about the approval process, effects the approval may have on surrounding properties, and if there needs to be additional meters installed for utilities.

Commissioner Angi Bair asked if there were any additional comments that were submitted to the city.

Zoning Administrator Matt Holmes advised that there had not been any more comments but that the public could continue to submit any comments or concerns anytime up until the City Council Meeting.

Commissioner Kevin Anderson stated that the Planning Commissions duty is to verify that the request complies with city code and that the request does not have negative impact on the surrounding properties.

ACTION **Commissioner Paul Willardson made a motion to recommend approval to change the zoning designation of parcel 01-013-0031 from R-2 to R-2A to allow the existing home that contains an accessory dwelling unit to be modified into a duplex as presented. Commissioner Kevin Anderson seconded the motion and Commissioners Anderson, Bair, Foster, Mann, and Willardson voted aye.**
