MINUTES OF A CITY COUNCIL MEETING HELD JUNE 4, 2026 AT THE HYRUM CITY COUNCIL CHAMBERS, 60 WEST MAIN, HYRUM, UTAH.

CONVENED: 6:30 P.M.

CONDUCTING: Mayor Steve Miller

ROLL CALL: Councilmembers Rebecca Foulger, Michael Nelson, NaLyn Nelson, Craig L. Rasmussen, and Mont Wright.

CALL TO ORDER: There being five members present and five members representing a quorum, Mayor Miller called the meeting to order.

OTHERS PRESENT: City Administrator Daniel Ferris, City Treasurer Todd Perkins, Fire Chief Tony Stauffer, Recreation Manager Robert Stroud, Power Superintendent Larry Coleman, Senior Accountant and Auditor Wes Bingham and three citizens. City Recorder Stephanie Fricke recorded the minutes.

WELCOME: Mayor Miller welcomed everyone in attendance and invited audience participation.

PLEDGE OF ALLEGIANCE: Fire Chief Tony Stauffer

INVOCATION: Citizen Paula Stauffer

APPROVAL OF MINUTES:

The minutes of regular City Council Meeting held on May 21, 2026 were approved as written.

ACTION **Councilmember Rasmussen made a motion to approve the City Council Minutes of a regular meeting held on May 21, 2026 as written. Councilmember Michael Nelson seconded the motion and Councilmembers Foulger, NaLyn Nelson, Michael Nelson, Rasmussen, and Wright voted aye. The motion passed.**

The minutes of a special City Council Meeting held on May 21, 2026 were approved as written.

ACTION **Councilmember Wright made a motion to approve the City Council Minutes of a special meeting held on May 21, 2026 as written. Councilmember NaLyn Nelson seconded the motion and Councilmembers Foulger, NaLyn Nelson, Michael**

Nelson, Rasmussen, and Wright voted aye. The motion passed.

AGENDA ADOPTION: A copy of the notice and agenda for this meeting was emailed to The Herald Journal, posted on the Utah Public Notice Website and Hyrum City's Website, provided to each member of the governing body, and posted at the City Offices more than forty-eight hours before meeting time.

ACTION **Councilmember Michael Nelson made a motion to approve the agenda for June 4, 2026 with the following amendment: Delete item 10.A. Tim Tuckett and Taner Atwoood JBS Foods. Councilmember Wright seconded the motion and Councilmembers Foulger, Michael Nelson, NaLyn Nelson, Rasmussen, and Wright voted aye. The motion passed.**

8. PUBLIC COMMENT

9. PUBLIC HEARING

A. Adjustments to the 2025-2026 General and Enterprise Operating budgets.

B. The adoption of fiscal 2026-2027 operating budgets for the General Fund, The Capital Projects Fund, the Culinary Water Fund, the Sewer Treatment Fund, the Electric Fund, the Irrigation Water Fund, the Storm Water Fund, and Sewer Collection Fund.

C. Setting salaries of the elected and appointed officials; Department/Division Supervisors/Directors and their assistants; and other municipal employees for 2026-2027 and amending Section 2.12.010 of the Hyrum City Municipal Code.

10. SCHEDULED DELEGATIONS

~~A. Tim Tuckett and Taner Atwood, JBS Foods – To present Hyrum City with a donation to the Elite Hall.~~

B. Austin Taylor – To request permission to rent Bandits Disc Golf Course for a tournament.

11. INTRODUCTION AND APPROVAL OF RESOLUTIONS AND ORDINANCES

A. Resolution 26-16 - A resolution amending Section XII Employee Classification and Compensation of the Personnel Policies and Procedures Manual for Hyrum City Corporation to amend on-call compensation.

B. Resolution 26-18 – A resolution establishing a fall baseball competition league, authorizing program fees, and providing for the administration of the program by the Hyrum City Recreation Department.

C. Resolution 26-19 – A resolution requesting admission to the Firefighters Retirement System.

12. OTHER BUSINESS

A. Consideration and approval of the 2026 utility billing write-offs.

B. Consideration and approval to purchase an easement for underground powerline.

C. Consideration and award of bid for the Water Reclamation Facility Master Plan.

D. Mayor and City Council reports.

13. ADJOURN

PUBLIC COMMENT:

Mayor Miller asked if anyone had questions or comments to keep it under three minutes.

There being no public comment, Mayor Miller moved on to the next agenda item.

PUBLIC HEARING

ADJUSTMENTS TO THE 2025-2026 GENERAL AND ENTERPRISE OPERATING BUDGETS. THE ADOPTION OF FISCAL 2026-2027 OPERATING BUDGETS FOR THE GENERAL FUND, THE CAPITAL PROJECTS FUND, THE CULINARY WATER FUND, THE SEWER TREATMENT FUND, THE ELECTRIC FUND, THE IRRIGATION WATER FUND, THE STORM WATER FUND, AND SEWER COLLECTION FUND. SETTING SALARIES OF THE ELECTED AND APPOINTED OFFICIALS; DEPARTMENT/DIVISION SUPERVISORS/DIRECTORS AND THEIR ASSISTANTS; AND OTHER MUNICIPAL EMPLOYEES FOR 2026-2027 AND AMENDING SECTION 2.12.010 OF THE HYRUM CITY MUNICIPAL CODE.

Mayor Miller called for a motion to open the Public Hearing to receive public comment on adjustments to the 2025-26 general and enterprise operating budgets; adoption of fiscal 2026-27 operating budgets for the General Fund, the Capital Projects Fund, the Culinary Water Fund, the Sewer Treatment Fund, the Electric Fund, the Irrigation Water Fund, the Storm Water Fund, and Sewer Collection Fund; and setting salaries of elected and appointed officials, Department/Division Supervisors/Directors and their assistants, and other municipal employees for 2026-27 and amending Section 2.12.010 of the Hyrum City Municipal Code.

ACTION **Councilmember NaLyn Nelson made a motion to open the public hearing at 6:36 p.m. to receive public comment on the adjustments to the 2025-26 general and enterprise**

operating budgets; adoption of fiscal 2026-27 operating budgets for the General Fund, the Capital Projects Fund, the Culinary Water Fund, the Sewer Treatment Fund, the Electric Fund, the Irrigation Water Fund, the Storm Water Fund, and Sewer Collection Fund; and setting salaries of elected and appointed officials, Department/Division Supervisors/Directors and their assistants, and other municipal employees for 2026-27 and amending Section 2.12.010 of the Hyrum City Municipal Code. Councilmember Rasmussen seconded the motion and Councilmember Foulger voted aye, Councilmember Michael Nelson, Councilmember NaLyn Nelson voted aye, Councilmember Rasmussen voted aye, and Councilmember Wright voted aye. The motion passed.

City Treasurer Todd Perkins presented a power point presentation of the adjustments to the 2025-26 General and Enterprise operating budgets as well as the Fiscal 2026-27 operating budgets. The presentation included pictures of the current fiscal year's projects and proposed projects for the coming year. The budget does not include any transfers from the Enterprise Funds to the General Funds. The 2026-2027 Wage Scale for all elected, appointed and city employees of Hyrum City was discussed. The budget includes a 5% increase for personnel salaries. The cost of labor adjustment will be between 2.5% to 3% with the remaining increase allocated toward merit increases and wage adjustments as provided for in the budget.

Mayor Miller asked if there was any public comment, there being none he called for a motion to close the public hearing.

ACTION **Councilmember Rasmussen made a motion to close the public hearing at 8:34 p.m. to receive public comment on the adjustments to the 2025-26 general and enterprise operating budgets; adoption of fiscal 2026-27 operating budgets for the General Fund, the Capital Projects Fund, the Culinary Water Fund, the Sewer Treatment Fund, the Electric Fund, the Irrigation Water Fund, the Storm Water Fund, and Sewer Collection Fund; and setting salaries of elected and appointed officials, Department/Division Supervisors/Directors and their assistants, and other municipal employees for 2026-27 and amending Section 2.12.010 of the Hyrum City Municipal Code. Councilmember Wright seconded the motion and Councilmember Foulger voted aye, Councilmember**

Michael Nelson, Councilmember NaLyn Nelson voted aye, Councilmember Rasmussen voted aye, and Councilmember Wright voted aye. The motion passed.

SCHEDULED DELEGATIONS:

AUSTIN TAYLOR - TO REQUEST PERMISSION TO RENT BANDITS DISC GOLF COURSE FOR A TOURNAMENT.

Jason Lynch said Austin Taylor was unable to attend the meeting and asked him to attend in his place. Austin would like to request permission to rent Hyrum City’s Bandits Cove for a Disc Golf Course Tournament on June 27, 2026. If approved there will be port a potty for every 50 people registered. There will be no garbage or liter left on the course.

The City Council discussed the rules to rent Bandits Cove for a disc golf course tournament to Jason to ensure he understood that if there were no vendors then the CC Camp did not have to be reserved but the CC Campground can not be used for parking for their event. If the CC Campground is rented there is to be not more than ten vehicles in the CC Campground There must be port a potties (one for at least every 50 people in attendance) and the port a potties must be removed within 24 hours after the event. No smoking, alcohol, music, disruptive, destructive, hazardous, lewd or illegal activity on Hyrum City’s property. No entering the course before 8:00 a.m. and the course must be vacated by 5:00 p.m. The course can only be rented one time per calendar year per individual/company/group etc. If any of these rules are broken or violated Hyrum City will keep the deposit and the right to rent Hyrum City’s property in the future.

ACTION **Councilmember Rasmussen made a motion to allow Austin Taylor to rent Bandits Cove for a Disc Golf Tournament on June 27, 2026 subject to all of the conditions in the rental agreement and that the tournament organizers provide shuttle services to help mitigate parking issues near Bandits Cove, and that if the CC Campground is rented not more than ten vehicles at any one time permitted in the CC Camp. Councilmember NaLyn seconded the motion and Councilmembers Foulger, Michael Nelson, NaLyn Nelson, Rasmussen, and Wright voted aye. The motion passed.**

INTRODUCTION AND APPROVAL OF RESOLUTIONS AND ORDINANCES:

RESOLUTION 26-16 - A RESOLUTION AMENDING SECTION XII EMPLOYEE CLASSIFICATION AND COMPENSATION OF THE PERSONNEL POLICIES AND PROCEDURES MANUAL FOR HYRUM CITY CORPORATION TO AMEND ON-CALL COMPENSATION.

City Administrator Dan Ferris said Resolution 26-16 will amend Section XII Employee Classification and Compensation of the Personnel Policies and Procedures Manual for Hyrum City Corporation to amend on-call compensation. He explained that the current on-call compensation rate is $2.00 per hour and $2.50 per hour on holidays. This rate is significantly lower than those offered by surrounding cities with complex utility departments, where on-call compensation typically ranges from $3.00 to $4.00 per hour. The estimated fiscal impact of increasing the on-call compensation rate to $3.00 per hour is approximately $19,000 annually and that the cost has been incorporated into the proposed Fiscal Year 2026–2027 budget. Approval of this resolution will increase the employee on-call compensation rate to $3.00 per hour effective July 1, 2026, and there will no longer be a different rate for holidays. He explained that the current rate has remained unchanged for several years while neighboring municipalities and comparable organizations have adopted higher compensation levels. Increasing the rate would improve the City's competitiveness in recruiting and retaining employees and better recognize the restrictions and responsibilities associated with being available for emergency response outside regular working hours.

The City Council discussed the proposal and the impact the adjustment would have on employee recruitment, retention, and compensation practices. It was noted that the proposed rate would align the City's compensation structure more closely with surrounding jurisdictions while maintaining a fiscally responsible approach.

ACTION **Councilmember Wright made a motion to approve Resolution 26-16 a resolution amending Section XII Employee Classification and Compensation of the Personnel Policies and Procedures Manual for Hyrum City Corporation to amend on-call compensation. Councilmember Foulger seconded the motion and Councilmembers Foulger, Michael Nelson, NaLyn Nelson, Rasmussen, and Wright voted aye. The motion passed.**

RESOLUTION 26-18 – A RESOLUTION ESTABLISHING A FALL BASEBALL COMPETITION LEAGUE, AUTHORIZING PROGRAM FEES, AND PROVIDING FOR THE ADMINISTRATION OF THE PROGRAM BY THE HYRUM CITY RECREATION DEPARTMENT.

Recreation Manager Robert Stroud presented Resolution 26-18, a resolution establishing a Fall Baseball Competition League, authorizing program fees, and providing for administration of the program by the Hyrum City Recreation Department. He explained that the proposed league would provide competitive baseball opportunities during the fall season and increase utilization of the City's baseball facilities beyond the summer months. He stated that teams would register as independent teams and pay a participation fee. The league would serve youth ages 11 to 14 and include two umpires and a site supervisor/scorekeeper for each game.

Mayor Miller asked how many teams were anticipated to participate, and how the proposed league would fit alongside other youth sports programs..

Recreation Manager Robert Stroud estimated approximately 16 teams with three games played each evening. The six-week season would conclude by the end of September. He plans to continue offering flag football during the same season and is also exploring a Saturday youth volleyball program. Hyrum City would be the only community in Cache Valley offering a weekday competitive baseball league for this age group.

Councilmember Foulger asked whether the program would operate concurrently with Junior Jazz basketball and whether the City currently offers basketball during the fall season

Recreation Manager Robert. Stroud responded that the baseball league would conclude before Junior Jazz begins, and Hyrum City currently does not have a fall basketball league.

Councilmember Michael Nelson said he had spoken with Mountain Crest’s Athletic Director Kevin Anderson regarding competitive baseball opportunities in the valley. Kevin reviewed the existing baseball programs, including Rocky Mountain Baseball, and the challenges local schools face in managing additional extracurricular programs due to existing commitments and facility demands.

Recreation Manager Robert Stroud explained that the proposed league would focus on youth ages 11 to 14 and would not conflict with participants choosing to play football or other sports. He further noted that the City has invested approximately $800,000 in its turf fields and that utilizing the facilities more frequently would maximize the value of that investment.

Councilmember Rasmussen stated that the turf fields were designed for increased usage and that proper field rules and maintenance practices would minimize wear and tear.

Recreation Manager Robert Stroud explained that the proposed team fee would be $625 per team for the six-week season. The fee would cover baseballs, scorekeepers, umpires, and administrative costs. He estimated the program could generate between $3,000 and $4,000 in net revenue.

Mayor Miller expressed support for expanding recreation opportunities and commended Robert Stroud for the growth and success of Hyrum City's recreation programs. However, he also expressed concern about the increasing number of programs being administered and the potential for staff burnout. Mayor Miller emphasized the importance of ensuring adequate volunteer and community support to help manage future program growth.

Colter Leishman addressed the Council and expressed support for the proposed league. He explained that baseball participation continues to grow throughout Cache Valley and that many families would prefer a weeknight league rather than traveling longer distances for Saturday games. He has already identified sufficient interest to support multiple teams and offered to assist with league administration and umpire recruitment.

Recreation Manager Robert Stroud stated that the six-week season would require limited additional management and that volunteer assistance, site supervisors, and available umpires would help support league operations.

Mayor Miller encouraged the Recreation Department to develop a long-term vision and strategic plan for recreation programming to help guide future growth and staffing needs.

Councilmember Rasmussen said the Recreation Department has introduced numerous successful programs but agreed that prioritization and long-term planning would be beneficial.

Councilmember Michael Nelson echoed those comments and expressed interest in understanding the overall vision and future direction of recreation programming.

Mayor Miller also noted the positive economic impact recreation programs can have on local businesses by bringing participants and visitors into the community.

Councilmember Foulger stated that the proposed league would be a good use of the City's facilities and supported giving the program an opportunity to succeed.

ACTION **Councilmember Rasmussen made a motion to approve Resolution 26-18 a resolution establishing a fall baseball competition league, authorizing program fees, and providing for the administration of the program by Hyrum City's Recreation Department with the condition that Recreation Manager Robert Stroud provide the City Council with a summary report detailing participation levels and staff hours required to administer the program at the end of the season. Councilmember Foulger seconded the motion and Councilmembers Foulger, Michael Nelson, NaLyn Nelson, Rasmussen, and Wright voted aye. The motion passed.**

RESOLUTION 26-19 - A RESOLUTION REQUESTING ADMISSION TO THE FIREFIGHTERS RETIREMENT SYSTEM.

City Administrator Dan Ferris presented Resolution 26-19 a resolution requesting admission to the Firefighters Retirement System. This resolution will authorize Hyrum City to participate in the Firefighters Retirement Systems offered through Utah Retirement Systems (URS). Utah State law authorizes public employers to provide retirement and related benefits for qualified public safety personnel. The proposed resolution would authorize Hyrum City to enroll eligible firefighters and emergency medical services personnel in the Firefighters Retirement Systems administered by Utah Retirement Systems. Approval of this resolution is in the best interest of the City to provide these benefits and authorizes the Mayor and City Administrator to undertake all actions necessary to enroll the City in the applicable retirement and death benefit programs offered through Utah Retirement Systems for qualified employees.

The Council discussed the benefits available through the program and the eligibility requirements for firefighters and emergency medical services personnel. The City Council expressed support for providing retirement and death benefit coverage to qualified public safety personnel through Utah Retirement Systems.

ACTION **Councilmember NaLyn Nelson made a motion to approve Resolution 26-19 a resolution requesting admission to the Firefighters Retirement System. Councilmember Foulger seconded the motion and Councilmembers Foulger, Michael Nelson, NaLyn Nelson, Rasmussen, and Wright voted aye. The motion passed.**

OTHER BUSINESS

CONSIDERATION AND APPROVAL OF THE 2026 UTILITY BILLING WRITE-OFFS.

Mayor Miller reviewed the list of delinquent utility accounts. The total proposed write-off is $4,437.22 for the Fiscal Year 2025-2026. Delinquent accounts are sent to a collection agency, but after three years the accounts are deemed uncollectable and sent back to the City. This year 62% of the write-off accounts are property renters. The delinquent utility account balances from 2022 that have previously been assigned to the Credit Service of Logan for collection. The write-off is an accounting action that removes the balances from the City's active accounts receivable records and recognizes them as bad debt for financial reporting purposes. This action does not forgive or cancel the debt owed by the customers. Collection efforts will continue through Hyrum City. The delinquent accounts have been determined to be uncollectible through normal City billing processes and have previously been transferred to the collection agency for continued recovery efforts.

ACTION **Councilmember Rasmussen made a motion to approve the list of Fiscal Year 2025-2026 Delinquent Utility Accounts in the amount of $4,437.22 as a write-off. Councilmember NaLyn Nelson seconded the motion and Councilmembers Foulger, Michael Nelson, NaLyn Nelson, Rasmussen, and Wright voted aye. The motion passed.**

CONSIDERATION AND APPROVAL TO PURCHASE AN EASEMENT FOR UNDERGROUND POWERLINE.

Power Superintendent Larry Coleman presented a request for approval to purchase a utility easement from the Elizabeth Green Living Trust as part of the Hammer Substation electrical infrastructure upgrade project. The Power Department is currently upgrading the electrical infrastructure serving the Hammer Substation located on Hammer Road (1600 East). The project will increase capacity on the existing line and provide additional flexibility to accommodate future growth on the east and south sides of Hyrum City. As part of the project, underground electrical facilities must be installed on the east side of Hammer Road. The City worked with Jeff Nielsen of Foresight Surveying to determine the appropriate easement location. During that process, it was determined that a utility easement would be required within an existing parcel owned by the Elizabeth Green Living Trust in order to preserve adequate right-of-way for future development. Negotiations with the property owners had been completed and that the parties had agreed upon a compensation amount consistent with market values for utility easements in the area. The proposed easement consists of approximately 0.0155 acres at a purchase price of $4,261.59. City Staff is recommending approval of the easement purchase.

ACTION **Councilmember Michael Nelson made a motion to approve the purchase of a utility easement for $4,261.59 in the amount of .0155 acres from the Elizabeth Green Living Trust for the installation of underground electrical facilities associated with the Hammer Substation upgrade project. Councilmember Rasmussen seconded the motion.**

Councilmember Rasmussen recommended amending the motion to include that a 10′ wide utility easement needs to specifically address that it can also be used for a temporary construction access outside of the boundaries provided. This authorization is for temporary construction access as necessary for installation and maintenance of the utilities, with restoration of any affected property to be completed by the City at its expense. Councilmember Michael Nelson accepted Councilmember Rasmussen’s amendment and Councilmembers Foulger, Michael Nelson, NaLyn Nelson, Rasmussen, and Wright voted aye. The motion passed.

CONSIDERATION AND AWARD OF BID FOR THE WATER RECLAMATION FACILITY MASTER PLAN.

City Administrator Dan Ferris reported that Wastewater Reclamation Manager Angela Pritchett was unable to attend the meeting and asked him to present her recommendation regarding the Water Reclamation Facility (WRF) Master Plan. He explained that completion of the WRF Master Plan is time-sensitive due to rapid growth within the service area and the recent addition of Millville City to the wastewater system. These changes have accelerated wastewater flows and loading beyond previous projections. The Master Plan is needed to establish a roadmap for future capital improvements and to provide updated information for impact fee and utility rate studies to ensure the long-term financial sustainability of the wastewater system. The Utah Division of Water Quality (DWQ) has directed Hyrum City to update the Engineering Report prepared for the 2021 Water Reclamation Facility upgrade. A discrepancy between the 2005 and 2021 design criteria has resulted in a reduction of the facility's permitted treatment capacity. DWQ has required the City to resolve the discrepancy and submit an updated Engineering Report by the end of July 2026. To begin the Master Plan process, Hyrum City issued a Request for Proposals (RFP) on May 11, 2026. A site tour for interested firms was held on May 18, 2026, and proposals were due on May 29, 2026. Pursuant to the RFP selection process, a committee reviewed the proposals using established evaluation criteria, including experience, project team qualifications, references, project understanding, scope of work, schedule, and fee. The selection committee evaluated the two proposals submitted from JUB Engineering, and Sunrise Engineering and unanimously recommended JUB Engineers for the project. The committee determined that JUB demonstrated greater experience with similar projects and achieved higher overall evaluation scores than the competing proposal. The committee also noted that JUB's proposed fee was substantially lower than the competing proposal.

ACTION **Councilmember Michael Nelson made a motion to award the bid for the Water Reclamation Facility Master Plan to JUB Engineers. Councilmember Foulger seconded the motion and Councilmembers Foulger, Michael Nelson, NaLyn Nelson, Rasmussen, and Wright voted aye. The motion passed.**

MAYOR AND CITY COUNCIL REPORTS.

Councilmember Wright reported that installation of a Veterans Monument at the cemetery has been delayed until Veterans Day. He stated that the cemetery grounds are looking very good and that the monument placement will be an excellent addition to the cemetery. He provided an update on preparations for the 4th of July Celebration and noted that planning efforts for the parade are progressing well. He has arranged for a wagon from American West Heritage Center for members of the City Council to ride on in the parade. Mayor Miller will ride in a vehicle provided by Tony Johnson. Vehicles have also been arranged for the Distinguished Citizen and Grand Marshal.

Councilmember Foulger reported that Dan Solomon will serve as the Town Crier and will be dressed as Paul Revere to announce that the Parade is starting, and Recreation Manager Robert Stroud will wear an Uncle Sam costume during the festivities.

Councilmember Wright stated that organizers still need to determine which City vehicle will be used in the parade and identify individuals authorized to drive City vehicles. Two vans from the Senior Center may also be utilized.

Councilmember Foulger reported that the 4th of July Fun Run will be held prior to the parade. An inflatable Uncle Sam arch will be used for the event, and all participants will receive an America 250 commemorative t-shirt. Robert Stroud has arranged to borrow timing equipment from the elementary school. Checketts Amusements will provide and set up numerous activities for the celebration, including bounce houses, slides, obstacle courses, inflatable games, and other family activities. The company has provided proof of insurance.

Councilmember Wright reported that America 250 banners will be installed near McDonald's, along the soccer field fence near 800 East, and near the rodeo grounds. The banners are expected to be installed during the upcoming weekend. He also noted that banners recognizing the City's Sterling Scholar recipients have been installed.

Councilmember Michael Nelson reported on recent fire district meetings and emergency preparedness efforts. He stated that an Emergency Planning Training Session was recently held and is available for viewing on YouTube. Another training session focused on active shooter preparedness is scheduled for the fourth Tuesday of the month and will also be recorded and made available online. He further reported that a Ham Radio meeting is scheduled for Tuesday.

Councilmember NaLyn Nelson reported that the Senior Center has completed approximately 70 community surveys, with the majority of responses coming from Hyrum residents. She stated that the survey data will be helpful in future planning efforts. The Candy Cabin has opened and the Youth Council is busy running it. It is extremely successful and is receiving significant number of attendees purchasing candy every day its open. In addition, she reported that 129 children participated in the recent Patriotic Program and Children's Choir.

Councilmember Rasmussen reported that the Hot Wheels in Hyrum event will be held during the upcoming weekend. He encouraged residents to attend and support the event, noting that proceeds benefit the Hyrum City Museum. He also reported that preparations for the Independence Day fireworks display are complete and that staff are coordinating the final details of the show. The patriotic flag display at Elite Hall has been expanded with additional flags as part of the America 250 celebration. He also reported that Steve Downs has requested permission to leave flag display brackets installed for future use. He expressed concern regarding the City's website listing only the general City Office telephone number for elected officials and suggested that individual contact numbers be considered.

Mayor Miller complimented Fire Chief Tony Stauffer and Assistant Chief Luke Schmid for their leadership and professionalism during recent fire district meetings. Hyrum City is hosting a Business Appreciation Lunch on July 14, 2026, at the Civic Center at 12:00 noon. This event would provide an opportunity to thank local businesses (due to space limitations Home Occupation Business have not been invited) for their contributions to the community and express appreciation for their continued investment in Hyrum City.

ADJOURNMENT:

ACTION **There being no further business before the City Council, the Council Meeting adjourned at 10:03 p.m.**
