Executive Council of Iowa

29C.20 Claim Procedure, Policy & Best Practices Meeting

Welcome

Emergency Allocation Procedure

When your agency incurs a loss covered by [29C.20](#), follow these steps to insure timely payment of bills. In an emergency situation, the agency may repair the damage immediately – but they must still follow this procedure for payment of bills.

Report the loss to the Treasurer’s Office and to the Auditor’s Office on or before the end of the next regular working day.

- Tammy.Hollingsworth@aos.iowa.gov
- ExecutiveCouncil@tos.iowa.gov

Submit a written request for an allocation to the Treasurer’s Office and to the Auditor’s Office within 60 days from the time of the damage.

Include:

- Estimate of the amount of the loss
- Description of the loss

The estimate should be based on quotations, contracts, catalog prices, etc.

Best Practice! This should all be contained in 1 pdf file.

Emergency Allocation Procedure

3

After the Auditor's Office has reviewed the claim and recommends the allocation, the request will be presented to the Executive Council at the next available meeting.

In order to make the agenda, the letter that the Auditor's office sends to the Executive Council Secretary must match what the agency sent.

- It is important to include ExecutiveCouncil@tos.iowa.gov and Tammy.Hollingsworth@aos.iowa.gov on all communications.

4

After the allocation request has been approved by the Executive Council, the agency may incur the costs and submit the invoice(s), along with a cover letter referencing the 29C.20 claim, to the Executive Council.

Invoices can be sent for the entire amount at once or you can submit invoices over the course of time.

- **It is a best practice to include the requested accounting string in your payment request letter so payment is not delayed.**
- **This should all be contained in 1 pdf file.**

Emergency Allocation Procedure

5

After the Auditor's Office has reviewed the invoices and recommends payment, the cost items will be presented to the Executive Council for approval.

6

After the Executive Council has approved the cost item, the invoice will be paid by the Treasurer's Office.

Emergency Allocation Procedure

Special Circumstances:

- In some instances, you may submit the request for the allocation at the same time as the invoices. This is appropriate when the work was completed immediately in an emergency situation. The Council does prefer that the allocation request be presented before the actual work is completed.
- An agency may pay the invoices directly and seek reimbursement from the Executive Council if that meets the needs of the vendor and the agency.
- In the event that the actual work expenses exceed the originally requested allocation, an agency can request an increase in the allocation amount. This request must follow the same procedure as the original request.

Additional best practices

- Have an e-mail subject
- Rename your PDF (lots of scan with the generic scan numbering)
- Utilize the AOS claim number
- Make it a PDF packet (agencies send in many different formats: excel, video, txt, email attachments). This should all be contained in 1 pdf file.
- If you send it to Tammy, make sure you send it to ExecutiveCouncil@tos.iowa.gov
- TOS isn't on Google, so sending links to drives or attachments doesn't work for TOS
- <https://state-treasury-ia.municodemeetings.com/>
- Given the size of a monthly meeting, please allow up to 2 weeks for payment. TOS strives to do this as quickly as possible
