**Bring Science to Life**

**Miracle® Museum™** is a new-to-the-playground-industry children's museum experience that gives kids the chance to engage in sensory events.

Children **touch, listen, see,** and **play** their way through this mesmerizing collection of products.

Use events from the Miracle Museum collection to create an area that kids will want to spend their time exploring. Because most Miracle Museum products don't require safety surfacing, they can convert under-utilized indoor and outdoor spaces into sensory-rich play areas.
