(Note: The leave for the birth or placement of a son or daughter expires 12 months after the birth or placement with the employee).

2. Spouses Working for the Same Employer:

When both spouses work for the Police Jury the total leave in any 12-month period for both spouses will be limited to 12 weeks if the leave is taken (1) for the birth, placement or adoption of a child or (2) to care for a parent with a serious health condition.

3. <u>Intermittent or Reduced Schedule Leave:</u>

- a. Employees seeking intermittent or reduced schedule leave based on planned medical treatment will be required to produce medical certification outlining the dates on which treatment is expected and the duration of the treatment.
- b. Employees must also provide 30 days notice, or as much notice as is practicable, of their intentions.

4. <u>Coordination with Other Leave Time:</u>

While on leave under this provision, you will be required to use any other available leave concurrently, including but not necessarily limited to, pregnancy/maternity leave, vacation, and/or sick leave.

5. Notice Requirement:

Employees are required in the case of foreseeable events (expected birth or placement of a child or planned medical treatment) to provide not less that 30 days notice. If the date of the event justifying leave begins in less than 30 days, employees are required to provide such leave as is practicable.

C. <u>CERTIFICATION:</u>

- Certification issued by a health care provider is required to support an employee's request for leave due to a serious health condition. Certification forms are available from management.
- 2. The Police Jury may require the employee to obtain the opinion of a second health care provider designated or approved and paid by the Police Jury. In the event of a conflict between the first and second opinions, the Police Jury may, again at its own expense, obtain a third opinion from a health care provider approved jointly by the Police Jury and the employee. This opinion would be final and binding.
- 3. The Police Jury may require that the eligible employee obtain subsequent recertifications on a reasonable basis.

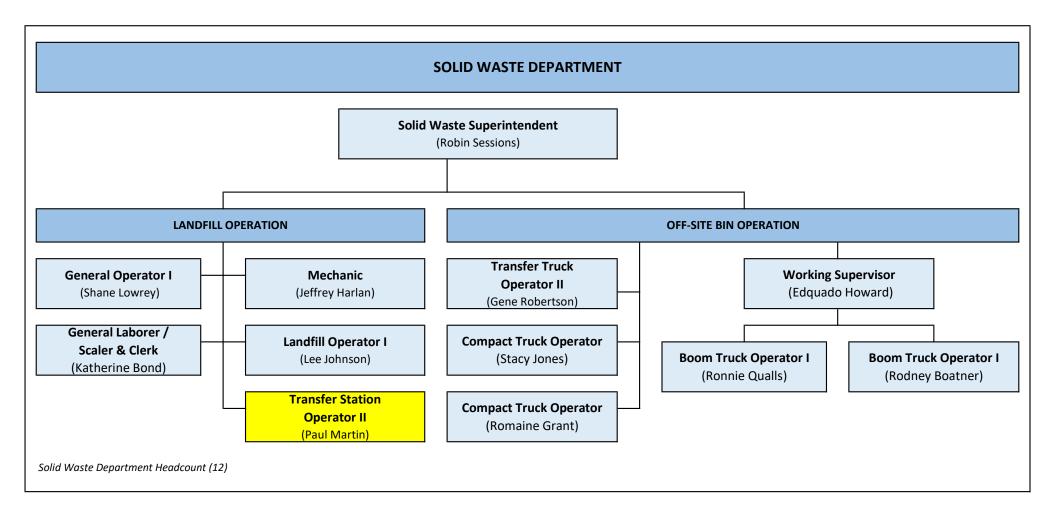

D. BENEFIT EXTENSION DURING FAMILY/MEDICAL LEAVE:

1. An employee can continue to participate in the Police Jury's health care plans if the employee pays the premium which will be due on the 1st day

- of each month. If payment is not received within the thirty (30) day grace period, the coverage may cease.
- 2. While employees are on Family/Medical leave, they continue to participate in other benefit plans whose premiums are paid by the Police Jury, if applicable.

E. MILITARY FAMILY LEAVE ENTITLEMENTS:

- Eligible employees with a spouse, son, daughter, or parent on active duty or call to active duty status in the National Guard or Reserves in support of a contingency operation may use their 12-week leave entitlement to address certain qualifying exigencies. Qualifying exigencies may include attending certain military events, arranging for alternative childcare, addressing certain financial and legal arrangements, attending certain counseling sessions, and attending post-deployment reintegration briefings.
- 2. The Police Jury's Family/Medical Leave policy also includes a special leave entitlement that permits eligible employees to take up to 26 weeks of leave to care for a covered servicemember during a single 12-month period. A covered servicemember is a current member of the Armed Forces, including a member of the National Guard or Reserves, who has a serious injury or illness incurred in the line of duty on active duty that may render the servicemember medically unfit to perform his or her duties for which the servicemember is undergoing medical treatment, recuperation, or therapy; or is in outpatient status; or is on the temporary disability retired list.
