JOURNAL OF THE PLANNING & ZONING COMMISSION
CITY OF JACKSON, MISSOURI
WEDNESDAY, JULY 9, 2025, 6:00 P.M.
REGULAR MEETING
CITY HALL COUNCIL ROOM, 101 COURT STREET, JACKSON, MISSOURI

Call to Order

Chairman Harry Dryer called the Planning and Zoning Commission Meeting to order at 6:00 p.m. in the City Hall Board Room.

Roll Call

Commission members present/absent:

- Bill Fadler – Present
- Harry Dryer – Present
- Tony Koeller – Present
- Russ Wiley – Present
- Heather Harrison – Absent
- Tina Weber – Present
- Travis Niswonger – Present
- Angelia Thomas – Absent
- Michelle Weber – Present

Also Present:

- Mayor Dwain Hahs
- City Administrator Matt Winters
- Assigned Aldermen: Mike Seabaugh, Eric Fraley, and Steve Stroder
- Citizens in Attendance: Pastor Kevin Mann, Jim Goggin, and Belinda Goggin

Approval of Minutes

Item 1: Approval of the minutes from the June 11, 2025, meeting.

Staff noted a correction regarding previously included roll-call votes, which were removed from the official minutes because a roll call wasn't conducted at the last meeting on the items. It was clarified that while roll-call voting is not required under the Sunshine Law, it is recommended. Roll-call voting will take place moving forward.

Motion: Motion by Tina Weber, seconded by Tony Koeller, to approve the corrected minutes.

Vote: All in favor. Motion carried.

New Business

Item 2:

Request: Removal of the north section of East Main Street (as shown on the Major Street Plan) that connects to North Donna Drive – *Submitted by Mike Haynes.*

- Staff reported the applicant has withdrawn the request to an undetermined future date.
- Mayor Dwain Hahs and City Administrator Matt Winters spoke in favor of the removal, citing better alternatives through Ridge Road and the Shawnee roundabout.
- Discussion focused on development potential, cost implications, and the impact on existing infrastructure.
- No vote was taken. Matter deferred until resubmittal by the applicant.

Item 3:

Request: Land exchange between Connection Point Church and Tim Sadler involving property near East Deerwood Drive.

Applicant: Kevin Mann, Executive Pastor, Connection Point Church.

- Mr. Mann explained that the purpose was to correct an irregular parcel boundary by having Mr. Sadler donate a triangular portion of land to the church.
- No opposition or questions from the Commission.

Motion: Motion by Tony Koeller, seconded by Travis Niswonger, to approve the land exchange.

Roll Call Vote:

- Bill Fadler – Yes
- Harry Dryer – Yes
- Russ Wiley – Yes
- Tina Weber – Yes
- Travis Niswonger – Yes
- Tony Koeller – Yes
- Michelle Weber – Yes

Motion carried.

Item 4:

Request: Approval of a resubdivision plat of Goggin Subdivision No. 1 – *Submitted by James and Belinda Goggin.*

- Applicant seeks to subdivide property on Old Cape Road East into five lots and install a new water main to replace a non-permitted private line.
- Three variances requested:
 1. To classify as a minor subdivision despite containing five lots.

2. To allow lots 3–5 without public street frontage.
3. To allow private water distribution with individual taps off a new private line instead of connecting each lot to the public main.

Applicant: James Goggin, 4580 State Highway W, explained the history and necessity of the request.

- Extensive discussion occurred regarding existing infrastructure, legal access, value creation, and long-term intent.
- Staff confirmed the proposed plat meets requirements with variances.

Motion: Motion by Tina Weber, seconded by Bill Fadler, to approve the resubdivision plat and grant the three variances.

Roll Call Vote:

- Bill Fadler – Yes
- Harry Dryer – Yes
- Russ Wiley – Yes
- Keena Weber – Yes
- Travis Niswonger – Yes
- Tony Koeller – Yes
- Michelle Weber – Yes

Motion carried.

Item 5:

Request: Text amendment to Chapter 65 of the Zoning Code – revising off-street parking requirements for medical and dental clinics.

- Current ordinance requires parking based on exam rooms, employees, and doctors. This resulted in a requirement of 81 spaces for a recently proposed clinic renovation, which staff and the Board of Aldermen deemed excessive.
- Staff proposed simplifying the standard to **one parking space per 250 square feet** of gross floor area.
- Supporting research from peer cities (Cape Girardeau, Perryville, Lebanon, etc.) showed most use square footage-based standards.
- Commission discussion supported staff findings.

Motion: Motion by Tony Koeller, seconded by Tina Weber, to direct staff to draft an ordinance amendment using the one space per 250 sq ft standard.

Roll Call Vote:

- Bill Fadler – No
- Harry Dryer – Yes
- Russ Wiley – Yes
- Tina Weber – Yes

- Travis Niswonger – Yes
- Tony Koeller – Yes
- Michelle Weber – Yes

Motion carried.

Other Discussion:

- The transfer of the special use permit for the McCombs Crematorium to a new owner was handled administratively and approved by the Board of Aldermen, as the use and operations will remain unchanged.

Adjournment

Motion: Motion by Tina Weber, seconded by Tony Koeller, to adjourn.

Vote: All in favor. Meeting adjourned.

Meeting adjourned at approximately 7:00 p.m.

Respectfully submitted,

Tony Koeller
Planning and Zoning Commission Secretary

Attest:

Larry Miller
Building and Planning Manager

NOTE: ACTION (IF ANY) ON LAND EXCHANGE CERTIFICATIONS, COMPREHENSIVE PLAN, AND MAJOR STREET PLAN IS FINAL APPROVAL; ALL OTHER ACTION TAKEN BY THE PLANNING AND ZONING COMMISSION SERVES AS A RECOMMENDATION TO THE BOARD OF ALDERMEN AND NOT AS FINAL APPROVAL OF THE ITEMS CONSIDERED AT THIS MEETING

MEMO

TO: Chairman Harry Dryer and Members of the Planning & Zoning Commission

FROM: Larry Miller, Building & Planning Manager

DATE: July 11, 2025

SUBJECT: Major Street Plan

Mr. Haynes, a property owner along East Main Street, has submitted a request asking the City to remove a future street connection (shown through his property) from the Major Street Plan (MSP). The planned connection would extend East Main Street north to connect with North Donna Drive, as shown on the maps in your packet.

This request has been reviewed by staff. Based on current conditions and planning priorities, staff have identified the following considerations related to the request:

- The property in question has greater long-term value to the City as a commercially developed site generating sales and property tax, rather than as a future street corridor.
- Observations indicate that the City's current focus in this area is the continued commercial development of Main Street.
- The City does not currently own any right-of-way across Mr. Haynes's property for the proposed connection.
- There are no formal engineering studies, designs, or development timelines for the road.
- Construction of this segment, likely including a bridge over an existing creek, would involve substantial costs.
- No alternate route is proposed; past amendments to the MSP have included relocations rather than removals.

- The 2018 Jackson City-Wide Transportation Plan (prepared by Lochmueller Group) retained Donna Drive as a north/south corridor and did not recommend its removal.
- In 2014, the City paid to oversize North Donna Drive near East Elementary to accommodate the street expansion in the future.
- Donna Drive is planned as a critical link between Jackson Blvd., Main Street, Ridge Road, and Greensferry Road—part of the City's overall traffic network.
- With new growth in Savers Farm and rural subdivisions near Greensferry, alternate east-west routes are needed to reduce traffic on narrow, winding roads.
- Corner properties on collector routes are often more valuable for commercial development, not less.
- Amending the MSP sets a precedent and could lead to more requests that weaken the City's street network.

The Planning & Zoning Commission is the deciding body on amendments to the Major Street Plan. If the Commission approves the request, a public hearing would need to be scheduled before the final approval.

Mr. Haynes' original letter is attached for your review.

City of Jackson Planning & Zoning Commission
101 Court Street
Jackson, MO 63755

Dear Members of the Planning & Zoning Commission,

I am writing to formally request the removal of a portion of the proposed North Donna Drive from the City of Jackson Major Street Plan.

Specifically, I am requesting the removal of the section located north of East Main Street extending to the existing North Donna Drive. The inclusion of this proposed roadway in the Major Street Plan significantly limits the future development potential of property that I currently own in this area.

I simply want to gain clarity from the City of Jackson regarding this proposed street's future and remove it from the City of Jackson Major Street Plan if the proposed street is deemed no longer necessary.

I respectfully ask the Commission to consider this request and evaluate the impact that the proposed roadway may have on private property development and land use flexibility.

Thank you for your time and consideration. Please feel free to contact me if further information or discussion is needed.

Sincerely,

Michael Haynes

PROPOSED USE: C-2 General Commercial

ZONING: C-2 general Commercial

SURROUNDING LAND USE: All directions – C-2 General Commercial

HISTORY: N/A

TRANSPORTATION AND PARKING: N/A

APPLICABLE REGULATIONS: Land Subdivision Regulations (Chapter 57)

2024 COMPREHENSIVE PLAN: Parks and Open Space - The open space designation includes riparian corridors, preserved open lands, and other natural features. Open space and environmental features contribute significantly to the city's overall quality of life and character. The city should require the preservation of creeks and floodplain areas, which will aid in protecting the environment, lessening flooding problems, and providing an opportunity to interact with nature through trails.

MAJOR STREET PLAN: Does not affect the major street plan

FLOODPLAIN INFORMATION: Not in the Flood Plain per panel 29031C0232E and 29031C0251E Dated 9-29-2011.

PHYSICAL CHARACTERISTICS: Various Sizes

COMMENTS: N/A

ACTION REQUIRED: The commission shall approve or deny this request based on the Land Subdivision Regulations. The Board of Aldermen requires no action.

ACTION ITEM: Consider a request for approval of a minor subdivision of Blues Highway Center submitted by Mongoose Properties, LLC.

APPLICANT: Mongoose Properties, LLC.

APPLICANT STATUS: Owners

PURPOSE: Dividing one lot into three separate lots.

SIZE: 16.9 Acres Total, Lot 1- 10.88 Acres, Lot 2- 1.51 Acres, Lot 3- 4.51 Acres

PRESENT USES: Bryant Restoration

PROPOSED USE: Bryant Restoration on lot 2, and unknown on lots 1 and 3

PROPERTY ZONING: C-2 General Commercial.

SURROUNDING LAND USE: North, South, East, and West – C-2 General Commercial

HISTORY: The Jackson Waterslide was on the proposed lot 1.

TRANSPORTATION AND PARKING: All required street frontage is provided.

APPLICABLE REGULATIONS: Land Subdivision Regulations (Chapter 57); Zoning Code (Chapter 65)

2024 COMPREHENSIVE PLAN: Parks and Open Spaces:

The parks designation includes areas for active or passive recreation – both public parks owned and maintained by the city and private parks in planned subdivisions. There are several parks located throughout Jackson, including Jackson City Park, Litz Park, and Brookside Park. Several of the city's parks are connected by a trail system.

The open space designation includes riparian corridors, preserved open lands, and other natural features. Open space and environmental features contribute significantly to the city's overall quality of life and character. The city should require the preservation of creeks and floodplain areas which will aid in protecting the environment, lessening flooding problems, and providing an opportunity to interact with nature through trails.

MAJOR STREET PLAN: The major street plan won't be affected.

FLOODPLAIN INFORMATION: Not in the floodplain per FEMA panel 29031C0251E and 29031C0232E dated 9/29/2011.

PHYSICAL CHARACTERISTICS: No unusual physical characteristics were noted.

ACTION REQUIRED: The Commission shall vote to recommend approving or denying this request. The Commission's action serves as a recommendation to the Board of Aldermen. A negative recommendation requires approval from a super-majority (6 votes) of the Board of Aldermen. No public hearings are required for subdivision applications.

MEMO

TO: Members of the Planning and Zoning Commission
FROM: Larry Miller, Building & Planning Manager
DATE: July 29, 2025
SUBJECT: Special Use Permit Request – Billboard Relocation Along
E. Jackson Blvd (Jansco Investments Inc.)

Jansco Investments Inc. is requesting a Special Use Permit to place two existing billboards along East Jackson Boulevard, one on each side of Wanda Lee Way.

These billboards were positioned adjacent to East Jackson Boulevard for visibility to passing traffic. However, due to the MoDOT realignment and rerouting of the roadway, the billboards are no longer located directly along the new road alignment. As a result, new buildable land has been created between the current billboard locations and East Jackson Boulevard. The surrounding area is a mix of commercial and industrial zoning, consistent with locations where billboards are typically permitted.

The applicant is concerned that future development on this newly created land could obstruct the billboards' visibility. To address this, they request a Special Use Permit to relocate the billboards closer to the new alignment of East Jackson Boulevard to maintain visibility and functionality.

Section 65-21(13) of the City of Jackson Code of Ordinances regulates billboards, including their location, size, spacing, setbacks, and structural requirements. Billboards are allowed only in specific zoning districts (C-2, C-4, I-1, I-2, and I-3) and are generally permitted along designated roadways such as Interstate 55. Standard requirements include a 30-foot minimum setback from the street edge, 1,400-foot spacing on the same side of the street, and a 100-foot buffer from residential districts unless a special use permit is granted. Billboards not meeting these standards, such as those proposed in this case, due to the change in road alignment, require a special use permit.

If the Planning & Zoning Commission recommends approving the Special Use Permit, the request will move to the Board of Aldermen for final consideration. While a public

hearing at the Commission level is optional, a public hearing before the Board of Aldermen is required before final action.

MEMO

TO: Planning and Zoning Commission
FROM: Larry Miller, Building & Planning Manager
DATE: July 23, 2025
SUBJECT: Code Amendment – Chapter 65-22(21), Off-Street Parking for Medical and Dental Clinics

Following the discussion and support for a code amendment, a revision to Chapter 65-22(21) of the zoning ordinance, which addresses off-street parking for medical and dental clinics, is needed.

The current code is a formula based on the number of doctors, employees, exam rooms, and square footage. This formula often results in significantly higher parking requirements than other Missouri cities.

To simplify the code and align with other cities, a proposal to replace the existing code with the following amendment:

"One (1) parking space shall be provided for every 250 square feet of total floor area, per floor."

This change offers a clearer standard for applicants and will help encourage redevelopment and expansion in already-developed commercial areas where additional parking cannot be easily added.

Staff recommends that the Commission consider adopting this amendment to ensure the zoning ordinance remains practical and supports continued medical service development in Jackson.

The Commission shall vote to approve, deny, or modify the draft language for this code amendment. A public hearing is optional at the P&Z level but required for the Board of Aldermen.

Sec. 65-22. - Off-street parking and loading regulations.

The regulations hereinafter set forth in this section are in addition to, qualify, or supplement, as the case may be, the district regulations appearing elsewhere in this chapter.

(4) *Schedule of minimum parking spaces required.*

b. Commercial, industrial, and institutional.

21. Medical or dental clinic: ~~one (1) parking space for each doctor practicing in the building and one (1) parking space for every two (2) persons regularly employed in the building, plus four (4) parking spaces for every one thousand (1,000) square feet of floor area, or four (4) parking spaces for each examination room, whichever is greater.~~

21. Medical or dental clinic: **One (1) parking space shall be provided for every 250 square feet of total floor area, per floor.**

This is an example of how the current code works with Mercy's convenient care building on East Main Street, which has 48 available parking spaces.

4 doctors, 18 employees, 17 exam rooms, 8400 square feet

Base Requirement (applies in both scenarios):

- 4 doctors = 4 spaces
- 18 employees \div 2 = 9 spaces
- **Subtotal = 13 spaces**

Option A – Based on Floor Area (8,400 sq ft):

- $8.4 \times 4 = 33.6 \rightarrow 34$ spaces
- **Total = 13 + 34 = 47 spaces (Option A)**

Option B – Based on Examination Rooms (17 rooms):

- $17 \times 4 = 68$ spaces
- **Total = 13 + 68 = 81 spaces**

Required Minimum (Greater of the Two):

- **81 spaces (Option B)**

Example under proposed code.

Required Minimum:

- $8400 / 250 = 33.6$ **37 Spaces**

St. Francis wants to expand onto its 2nd floor on E Jackson Boulevard. Below are the figures based on the current code, which has approximately 100 available parking spaces.

1st floor 17 exam rooms, 2 Doctors, 23 employees, 11,096 square feet

2nd floor 8 exam rooms, 1 Doctor, 8 employees, 10,372 square feet

Base Requirement (applies in both scenarios):

- 2 doctors = 2 spaces
- 23 employees ÷ 2 = 11.5 12 spaces
- **Subtotal = 12 spaces**

Option A – Based on Floor Area (11,096 sq ft):

- $11.096 \times 4 = 44.4 \rightarrow 44$ spaces
- **Total = 12 + 44 = 56 spaces (Option A)**

Option B – Based on Examination Rooms (17 rooms):

- $17 \times 4 = 68$ spaces
- **Total = 56 + 68 = 124 spaces**

Required Minimum (Greater of the Two):

- **124 spaces (Option B) 1st floor**

Base Requirement (applies in both scenarios):

- 1 doctors = 1 spaces
- 8 employees ÷ 2 = 16 spaces
- **Subtotal = 12 spaces**

Option A – Based on Floor Area (10,372 sq ft):

- $10.372 \times 4 = 41.5 \rightarrow 42$ spaces
- **Total = 12 + 42 = 54 spaces (Option A)**

Option B – Based on Examination Rooms (17 rooms):

- $8 \times 4 = 32$ spaces

- Total = $54 + 32 = 86$ spaces

Required Minimum (Greater of the Two):

- 86 spaces (Option B) 2nd floor
 - TOTAL = 110 Spaces (Option A)
210 Spaces (Option B)

Example under proposed code.

Required Minimum:

- $11,096 / 250 = 44.4$ 44 Spaces 1st floor
- $10,372 / 250 = 41.5$ 42 Spaces 2nd floor
 - TOTAL = 86 Spaces

Re: Parking in City Lots.

JPD observed a car parked in a city lot for more than seventy-two (72) hours. Upon reviewing the relevant ordinance, it was learned that Sections 39-416 and 39-417 prohibit parking in a city ***metered*** parking lot for more than seventy-two (72) hours or without a current state license tag. The city no longer has metered parking. In order to enforce these ordinances, it is necessary to amend Sections 39-416 and 39-417 by deleting the word “metered.” Attached are the relevant code sections with redline.

Please let me know if you have any questions.

Sec. 39-416. Maximum period vehicle may be left on any street.

No vehicle shall be parked or left standing in the same place on any street, alley or city parking lot for a longer time than seventy-two (72) consecutive hours.

Sec. 39-417. Parking unlicensed vehicles on streets prohibited.

No vehicle shall be parked and left standing on the streets, alleys or city parking lots of the city without having thereunto attached a current state license tag.
