MEMO

TO: Mayor Hahs and Members of the Board
FROM: Larry Miller, Building & Planning Manager
DATE: September 18, 2025
SUBJECT: Public Hearing – Special Use Permit Request (Billboards)

Jansco Investments Inc. has submitted a request for a Special Use Permit to relocate two existing billboards along East Jackson Boulevard, one on each side of Wanda Lee Way.

The billboards were originally positioned adjacent to East Jackson Boulevard for visibility to passing traffic. However, due to the Missouri Department of Transportation's realignment and rerouting of the roadway, the billboards are no longer located directly along the new alignment. This has resulted in the creation of new buildable land between the current billboard locations and East Jackson Boulevard.

The surrounding area consists of a mix of commercial and industrial zoning districts, consistent with locations where billboards are typically permitted. The applicant has expressed concern that future development on this newly created land could obstruct the billboards' visibility. To address this, Jansco Investments Inc. is requesting approval to relocate the billboards closer to the new roadway alignment to maintain visibility and functionality.

This request will be considered and voted on during the regular session. The Special Use Permit must be approved by a majority vote of the Board (5 of 8 Aldermen in favor).

MEMO

TO: Mayor Hahs and Members of the Board
FROM: Larry Miller, Building & Planning Manager
DATE: September 18, 2025
SUBJECT: Public Hearing – Code Amendments to Chapter 65-22 (21),
Off-Street Parking for Medical and Dental Clinics

This is a public hearing regarding off-street parking requirements for medical and dental clinics in Chapter 65-22 of the zoning ordinance.

The current code uses a formula based on the number of doctors, employees, exam rooms, and square footage. This formula often results in significantly higher parking requirements than in other Missouri cities.

To simplify the code and align with other municipalities, staff proposes replacing the existing formula with the following standard:

“One (1) parking space shall be provided for every 250 square feet of total floor area, per floor.”

This request will be considered and voted on during the regular session. The amendment must be approved by a majority vote of the Board (5 of 8 Aldermen in favor).

PUBLIC WORKS MEMORANDUM

City of Jackson

TO: Mayor and Board of Aldermen

FROM: Janet Sanders, Director of Public Works

DATE: August 27, 2025

RE: Generator Maintenance Services Contract Proposals
Agenda items #9-12

The City has carried ongoing annual maintenance service agreements for large industrial generators at two of our water wells through a three-year contract with CK Power that has now expired. Those two agreements were budgeted into the line item of wastewater equipment maintenance in 2025. Not budgeted for 2025 was the need to add similar service agreements for maintenance of the relatively new Kimbeland lift station and for our Wastewater Plant backup generators. These critical generators also need to receive all annual inspections and service needed to ensure they work properly during an extended power outage.

Proposals were received for Generator Maintenance Services for the following items:

Alternate #1:

- Kohler Industrial Generator at Water Well #4
- Kohler Industrial Generator at Water Well #6
- Kohler Industrial Generator at Kimbeland Lift Station

Alternate #2:

- Cummins Industrial Generator for backup operation Ultraviolet Treatment units and high water pumps at the Wastewater Plant

Alternate #3:

- Cummins Industrial Generator for backup operation of remainder of the Wastewater Plant

The specifications were written so that the City can accept any combination of the Alternates from one or more proposers.

Although CK Power was slightly higher for each of their generator prices, their total cost difference for the three Kohler generators is very minor and they have already serviced two of those generators this year. Therefore, I recommend CK Power be awarded the three-year agreement for the three Kohler generators at an annual cost of \$8,610.00 and three year total of \$25,830.00.

I also recommend that Cummins, Inc. be awarded the two new Cummins generator annual maintenance agreements for a three-year period at an annual cost of \$6,041.96 and a three-year total of \$18,125.88.

Based on these recommendations, the expected budget increase for 2025 with the addition of the three additional generators would be \$8,911.96 and would become regularly budgeted items for future years.

RE: Phase 3 Williams Creek Sewer Extension / South Old Orchard Rd –
Change Order 1

Attached is Change Order 1 to the Phase 3 Williams Creek Sewer Extension / South Old Orchard Rd. This change order adds \$159,053.00 to the \$237,866.10 project and extends the sewer extension along South Old Orchard Rd to the property owned by The Villas of West Park, LLC.

We already have an MOU in place with the Villas of West Park to reimburse \$85,000 of this additional extension, in addition to an MOU with KB413, LLC for reimbursement \$85,000 of the original contract. In the original contract, a large amount of rock was estimated. Rock excavation has been considerably less than expected, which is expected to result in a reduction in the original contract cost in a future change order.

Due to the fortunate lack of rock, construction is moving faster than originally anticipated and approval of this change order is needed at this time to keep the contractor moving forward.

PUBLIC WORKS MEMORANDUM

City of Jackson

TO: Mayor and Board of Aldermen

FROM: Janet Sanders, Director of Public Works

DATE: September 10, 2025

RE: 2025 Asphalt Pavement Improvement Program

Bids for the 2025 Asphalt Pavement Improvement Program were opened on September 9th. Two bids were received, and the bid tabulation is attached.

The low bidder this year is Apex Paving Company, a subsidiary of Delta Companies. This is the same company that did last year's project, and they did a good job. I recommend their total bid of \$189,743.12 be accepted. It is within the budgeted funds for this year's project.

Due to the lateness in the year, I recommend that the attached contract also be approved at this meeting so work can begin as soon as possible. Asphalt plants typically close during the winter months.

MEMO

To: Mayor Dwain Hahs and Members of the Board of Aldermen
From: Rodney Bollinger, Director of Administrative Services
Date: September 19, 2025
Re: Repeal of No Parking Zones on N. Donna Dr.

This memo accompanies one agenda item concerning an update to the City's Parking Prohibited Schedule.

The Planning and Zoning Commission previously adopted a resolution amending the Major Street Plan by removing North Donna Drive, between East Main Street and Ridge Road, from the plan.

Following this amendment, City staff has reviewed the existing traffic conditions and determined that the current no parking designation on North Donna Drive is no longer necessary to ensure the safe and efficient movement of traffic.

The proposed repeal of this designation reflects current traffic patterns, supports improved access, and better aligns with the City's overall traffic management objectives.

Staff will be available during the meeting to answer any questions or provide additional information regarding this proposed change.

.

It is the intent of the Mayor and Board of Aldermen of the City of Jackson, Missouri, that this ordinance become and be made a part of the "Parking Prohibited Schedule, Schedule IX," and the City Clerk of the City of Jackson, Missouri, is directed to replace said schedule in accordance herewith.

Section 3. The City Administrator of the City of Jackson, Missouri, is hereby directed to cause appropriate signs to be removed or added at the locations set forth hereinabove.

Section 4. This ordinance shall not be codified in the Code of Ordinances of the City of Jackson, Missouri, but kept on file in the office of the City Clerk.
