- a.** **Approve on First Reading** Ordinance 2026-08 Amending Title 8, Section 3-11 to Limit the Number of Liquor Stores Within the City Limits of Jefferson City

11. Adjourn

Minutes of Regular Meeting
July 6, 2026

The City Council of Jefferson City, Tennessee, met in regular session on Monday, July 6, 2026, at 5:06 p.m., following the special called Beer Board Meeting, at City Hall, 112 City Center Drive, with Mayor Mitch Cain presiding.

The opening prayer and Pledge of Allegiance was led by Mayor Cain.

Roll Call by the City Recorder was as follows:

Mayor Mitch Cain	Present
Vice Mayor Kevin Bunch	Present
Councilwoman Aileen Combs	Present
Councilman Rocky Melton	Present
Councilwoman Sheala Purkey	Present

Also, present were James Gallup, City Manager; Robert Burts, City Attorney; and Bettina Chandler, City Recorder.

Upon motion of Councilman Melton, seconded by Councilwoman Combs, the Regular Meeting minutes of June 1, 2026, and the Special Meeting minutes from June 16, 2026, were unanimously approved as written.

Upon request from Mayor Cain for citizen comments, Jimmy Summers, 807 Windstone Drive, expressed concerns regarding the proposed prohibition of U-turns at the intersection of Highway 11E and Chucky Pike. He stated that he frequently uses U-turns at this location to access nearby businesses and believes it is the safest location to do so.

Jeff Brown, owner of Brown Insurance Company located near Meadow Springs and Broadway Blvd., expressed concerns about prohibiting U-turns at Chucky Pike and Clinchview. He stated that the restriction could cause motorists to make U-turns in front of his business, where, according to the traffic study, there have already been a higher number of accidents.

Shelia Parlier, 1245 Clinchview Circle, stated that she has had trouble entering and exiting the neighborhood for the past 31 years. She said she does not believe the proposed U-turn restrictions provide a convenient solution and suggested that a dedicated turn lane extending through the median to the water treatment plant would be a better alternative. Ms. Parlier encouraged the Council to consider other options.

Councilman Melton stated that he believes prohibiting U-turns at Chucky Pike and Clinchview may create confusion for motorists attempting to access businesses on the opposite side of the roadway.

In communications from the mayor, he stated that it was wonderful to see the community come together to celebrate the Fourth of July holiday and expressed his appreciation to the Parks and Recreation Department for its hard work organizing the festivities. The mayor also reported that May local sales tax collections decreased by 0.57% compared to the same period last year. He noted that overall sales tax revenues remain healthy for the fiscal year.

The following reports were presented to City Council: Building/Codes/Planning Department Monthly Report, Fire Department Monthly Report, Parks and Recreation Monthly Report, Police Department Monthly Report, Public Works/Utilities Monthly Report, and the City Manager's Monthly Report.

James Gallup, City Manager, announced the following: ORNL Bank groundbreaking event is scheduled for July 9th at 11:00 a.m.; Downtown Summer Movie Nights will be July 17th at 8:00 p.m. with "Captain America" being the featured film; the finance department will transition to Citisen Portal for credit card processing; potholes on 11E are still scheduled for maintenance by the state and on the schedule to be resurfaced in 2027; and the July calendar and newsletter for the Jefferson City Public Library, the July calendar and schedule of events for the Jefferson Senior Center, and the MTAS Summary of Public Acts 2026 are attached to the city manager's report.

Upon motion of Councilwoman Purkey, seconded by Councilwoman Combs, Michelle Templin was unanimously appointed to the Jefferson Healthcare Foundation Board by Council appointment for a three-year term.

Upon motion of Councilwoman Purkey, seconded by Councilman Melton, David Hensley, Wayne Hinkle, and Don Miller were unanimously appointed to the Industrial Development Board by Council appointment for a six-year term.

Upon motion of Councilman Melton, seconded by Vice Mayor Bunch, a request in the amount of approximately \$26,000.00, to add IT and Low Voltage Wiring for Fire Station 2, was unanimously approved.

Upon motion of Councilwoman Combs, seconded by Councilwoman Purkey, the request to approve Change Order # 9 (increases the contract by \$1,356.17 to add an electric strike at door 122), Change Order # 10 (increases contract by \$972.37 to add a CFS Header for LVL at Mezzanine), and Change Order # 12 (increases contract by \$652.83 to add a shear brace to CMU) for a total contract increase of \$2,981.37 and a new contract sum of \$5,176,064.93, was unanimously approved. Change Order # 11 was not approved, as the project architect did not recommend approval of the contractor's request.

Upon motion of Councilman Melton, seconded by Vice Mayor Bunch, the request to waive the bid process to purchase of three (3) patrol vehicles and one (1) CID SUV for the Police Department in the amount of \$174,406.00 from Blue Sky Automotive, Inc.-Carville Dodge of TN on the TN state-wide contract SWC 209/Contract # 88761, was unanimously approved.

Upon motion of Councilman Melton, seconded by Councilwoman Purkey, the request to waive the bid process and use a local company (MB & R Contractor's) that we have a positive work history with and has a background knowledge of our system, to clean sedimentation basins at the Water Plant in the amount of \$69,540.00, was unanimously approved.

Upon motion of Councilwoman Combs, seconded by Councilwoman Purkey, the request to waive the bid process and purchase a Brush Hawg boom truck for the Sanitation Department in the amount of \$224,000.00 from Joe Johnson Equipment using a quote through North Carolina Sheriff's Association, a purchasing cooperative, per NCSA Contract 26-10-0422R-Item #1374, was unanimously approved.

Vice Mayor Bunch made a motion to approve Ordinance 2026-07, an ordinance prohibiting U-turns at the median of Highway 11-E at the intersection of Clinchview Circle and Chucky Pike, which was seconded by Mayor Cain. Council members discussed the proposed ordinance, including potential impacts on traffic flow, business access, and public safety. Following the discussion, Vice Mayor Bunch requested a roll call vote. The vote was as follows:

Vice Mayor Bunch	Yes
Councilwoman Combs	Yes
Councilman Melton	No
Councilwoman Purkey	Abstain
Mayor Cain	Yes

Ordinance 2026-07 was adopted on second reading by a vote of 3-1, with one abstention.

Upon motion of Vice Mayor Bunch, seconded by Councilman Melton, Resolution 2026-15, a resolution authorizing an extension of the mowing and maintenance of city properties with Full-Service Property Management for the FY 2026-2027, was unanimously adopted.

Upon motion of Councilwoman Combs, seconded by Vice Mayor Bunch, Resolution 2026-16, a resolution authorizing participation in the Certified Tennessee Downtowns Program and committing to meet program requirements, was unanimously adopted.

The meeting was adjourned at 5:47 p.m.

Mitch Cain, Mayor

Bettina Chandler, City Recorder

Minutes of Beer Board Meeting
July 6, 2026

The City Council of Jefferson City met in special called Beer Board meeting on Monday, July 6, 2026, at 5:00 p.m., prior to the regular City Council meeting at City Hall, 112 City Center Drive, with Chairman Mitch Cain presiding.

Roll call by the City Recorder was as follows:

Chairman Mitch Cain	Present
Vice Chairman Kevin Bunch	Present
Board Member Aileen Combs	Present
Board Member Rocky Melton	Present
Board Member Sheala Purkey	Present

Also present were James Gallup, City Manager; Robert Burts, City Attorney, and Bettina Chandler, City Recorder.

A Public Hearing was held for an application for a Certificate of Compliance for an off-premises liquor store for The Barrell House Liquor & Wine located at 110 West Broadway Blvd. There were no citizen comments.

Keyur Patel of The Barrell House Liquor & Wine spoke on behalf of the application.

Vice Chairman Bunch made a motion, seconded by Chairman Cain, to approve an off-premises liquor store for The Barrell House Liquor & Wine located at 110 West Broadway Blvd. Board Member Melton stated he would like to see a cap placed on the number of liquor stores permitted within Jefferson City. Vice Chairman Bunch requested a roll call. The vote was as follows:

Vice Chairman Bunch	Yes
Board Member Combs	No
Board Member Melton	No
Board Member Purkey	No
Chairman Cain	Yes

The motion failed on a 3-2 vote.

Mr. Patel asked if he could address the Board, and Chairman Cain granted his request. Mr. Patel stated that he is not opening a new liquor store but is purchasing and taking over an existing store already operating at the location. Chairman Cain acknowledged Mr. Patel’s statement but advised that the Board had already rendered its decision.

Chairman Cain then asked whether the application could be reconsidered at a future meeting. Mrs. Chandler, City Recorder, responded that it could be considered again; however, she would need to review the City’s code to determine whether a waiting period applies. She also advised that Mr. Patel

would be required to submit a new application and pay the \$250 application fee, as it is a non-refundable fee.

The meeting was adjourned at 5:06 p.m.

Mitch Cain, Mayor

Bettina Chandler, City Recorder

Minutes of Beer Board Meeting
July 21, 2026

The City Council of Jefferson City met in special called Beer Board meeting on Tuesday, July 21, 2026, at 5:46 p.m., following the regular City Council work session at City Hall, 112 City Center Drive, with Chairman Mitch Cain presiding.

Roll call by the City Recorder was as follows:

Chairman Mitch Cain	Present
Vice Chairman Kevin Bunch	Present
Board Member Aileen Combs	Present
Board Member Rocky Melton	Present
Board Member Sheala Purkey	Present

Also present were James Gallup, City Manager; Robert Burts, City Attorney, and Bettina Chandler, City Recorder.

Upon request from Mayor Cain for citizen comments, Keyur Patel of The Barrell House Liquor & Wine located at 110 West Broadway Blvd., spoke on behalf of the application stating he is not opening a new store but purchasing and taking over the existing liquor store already operating at the location.

A Public Hearing was held for an application for a Certificate of Compliance for an off-premises liquor store for The Barrell House Liquor & Wine located at 110 West Broadway Blvd. There were no comments.

City Attorney/Beer Board Attorney Robert Burts advised the Board that, absent a valid legal basis for denying a Certificate of Compliance, the City could be exposed to potential legal action. He stated that denying an application based on a proposed cap on liquor stores, where no such cap currently exists in the City's code, would effectively be changing the rules after the application had been submitted. Mr. Burts explained that if the City Council were to adopt a cap on liquor stores in the future, that would apply prospectively. However, if an applicant meets all requirements for a Certificate of Compliance under the current ordinances, denying the certificate could subject the City to legal challenge.

Mr. Burts also referenced an opinion from the Municipal Technical Advisory Service (MTAS), which states that if an applicant satisfies all applicable requirements, the Board does not have discretion to deny the Certificate of Compliance.

Board Member Purkey stated that she had not been aware the application involved an existing liquor store. Board Member Melton stated that he had not understood the application was for the purchase of an existing business. Vice Chairman Bunch stated that he understood the application was for the purchase and transfer of ownership of an existing store.

Chairman Cain asked Mrs. Chandler, City Recorder, to confirm that the application pertained to the existing liquor store located at 110 West Broadway Blvd. and that only the business name was changing. Mrs. Chandler confirmed that the location is an existing liquor store and stated that the business name would change from Mossy Creek Wine and Spirits to The Barrell House Liquor & Wine.

Chairman Cain thanked Mr. Burts for providing the Board with legal guidance regarding the Board's actions.

Mr. Burts advised that, before the Board could reconsider the Certificate of Compliance during the current meeting, it would first need to adopt a motion rescinding the action taken at the July 6, 2026, Beer Board meeting. Upon motion of Board Member Combs, seconded by Board Member Purkey, the Board unanimously voted to rescind the action taken at the July 6, 2026, Beer Board meeting.

Board Member Melton made a motion to approve an application for a Certificate of Compliance for an off-premises liquor store for The Barrell House Liquor & Wine located at 110 West Broadway Blvd. The motion was seconded by Board Member Combs. Prior to the vote, Vice Chairman Bunch asked whether Mr. Patel would be required to pay an additional \$250 application fee. Mrs. Chandler, City Recorder, responded that he would not be required to pay another application fee. The Board then voted to approve the Certificate of Compliance for The Barrell House Liquor & Wine.

The meeting was adjourned at 5:54 p.m.

Mitch Cain, Mayor

Bettina Chandler, City Recorder

PROCLAMATION

Whereas, Charles “Pop” Wright devoted more than a decade of service beginning in 1971 to coaching Little League Baseball, where he helped shape the lives of young athletes both on and off the field; and

Whereas, through his leadership, he taught the values of teamwork, sportsmanship, discipline, and respect, leaving lessons that extended far beyond the game; and

Whereas, Mr. Wright served as President of the local Little League, strengthening and growing the program for future generations; and

Whereas, his passion for the game extended to officiating youth, high school, and college baseball, where he earned the respect of players, coaches, and fellow officials alike; and

Whereas, he further demonstrated his commitment to excellence by establishing the TSSAA Umpire Association of Jefferson County, helping recruit, train, and support baseball officials throughout the area; and

Whereas, in addition to his many contributions to baseball, Mr. Wright also volunteered his time with Little League Football, showing unwavering dedication to the youth of our community; and

Whereas, through his service, leadership, and mentorship, Charles “Pop” Wright made a lasting impact on Jefferson County athletics and on the countless young people whose lives he influenced;

Now, therefore, I, the Mayor of Jefferson City, Tennessee, do hereby proclaim and celebrate the induction of **Charles “Pop” Wright** into the **Jefferson City Sports Hall of Fame**, and extend on behalf of the City our sincere appreciation for his extraordinary contributions to our community.

IN WITNESS WHEREOF, I have hereunto set my hand and caused this proclamation to be issued in Jefferson City, Tennessee, this 3rd day of August 2026.

Mitch Cain, Mayor

August at JCPL

What's happening at the library

Section 6, Item f.

Closings/ Holidays

The library will be closed Thursday, August 6, 2026 for Election Day.

Children

Section 6, Item f.

Homeschool Academy: Tuesdays at 10:30am
Join us for special guest speakers and programs to enrich your child's learning experiences. For homeschoolers of all ages!

Storytime, Go: Wednesdays at 10:30am
Join us for stories, songs, and crafts designed to promote children's early literacy skills. Geared towards children ages 3-5.

Little Listeners: Thursdays at 10:30am
A Storytime for babies and toddlers to enjoy songs, books, and rhymes with their caregiver. Geared towards children under 3 years old.

Lego Builders: Thursday, August 20 at 4:00pm
The third Thursday of every month, bring your imagination and we'll bring the Legos!

Teens and Up

Scribble Society Writing Group: Fridays at 3:30pm
For teens and adults. Join us for writing, sprints, and fun with fellow writers. We meet every Friday and talk about how our writing is going before working on a prompt and then sharing our work.

Anime Club: Monday, August 24 4:00-5:30pm
Anime Club will be meeting once monthly. For more information, contact Andrew Smith at 865-318-5890.

Mon-Fri: 9:00AM-6:00PM Sat.: 9:00AM-2:00PM
Sun: Closed

Adults

Mixed Media Arts & Crafts: Tuesday, August 18 at 4:00pm
Join us the third Tuesday of every month. All supplies will be provided. **Class size is limited - registration is required!** Sign up sheet is at the circulation desk.

Book Social: Tuesday, August 4 at 4:30pm
The first Tuesday of every month, come to talk about your latest reads. Make friends, have snacks, and enjoy the company of other readers!

Watercolor Club: Wednesdays at 3:00pm
No talent required. Bring your own supplies and get creative!

Yoga: Fridays at 9:00am
Bring your own mat. Beginner friendly!

Teens and Up

Rock Painting Workshop: Tuesday, August 11 at 4:00pm

Join us to learn how to paint some rocks!

Poetry Perspectives: Saturdays at 11:00am
Join us as we read published poems and share and discuss our own works. This is for mature teens and adults.

Knoxville, TN 37919
(865) 974-6070

OVERVIEW OF JULY 1, 2026 CERTIFIED POPULATIONS3

PART 1: 2026 CERTIFIED AGGREGATE POPULATION.....4

PART 2: 2026 CERTIFIED POPULATION OF INCORPORATED MUNICIPALITIES AND EQUIVALENTS5

PART 3: 2025 CERTIFIED POPULATION OF COUNTIES AND SUBCOUNTY AREAS25

OVERVIEW OF JULY 1, 2026 CERTIFIED POPULATIONS

Section 6, Item f.

The 2026 population figures are those certified by the Department of Economic and Community Development in accordance with the provisions of § 4-3-710, 9-16-101, 67-6-103, 54-4-203 and 57-5-205 of the Tennessee Code Annotated for use in the distribution of state shared taxes to incorporated municipalities and counties.

The Department of Economic and Community Development certifies the population of each county, municipality, subcounty area, and the aggregate population of the state, for use in the population-based allocation and distribution of state-shared revenues. The certified populations are provided to the Department of Revenue and the Department of Finance and Administration. Historically, certified populations have been based on the regular decennial federal census and on special censuses conducted during the interim between decennial censuses. A county or municipality may conduct a special census either through its own enumeration, in a manner satisfactory to the Department of Economic and Community Development, or by using the services of the U.S. Census Bureau. Beginning with this report, Public Chapter 501, enacted May 21, 2025, requires that the population of each county and municipality be revised and certified annually during the interim between the regular decennial federal census. Under the terms of the act, the Boyd Center for Business and Economic Research at the University of Tennessee, through the Tennessee State Data Center, generates annual population estimates for each county and municipality and provides the estimates to the Department of Economic and Community Development for review and certification.

For 2026, the certified populations presented in this report are based on the Vintage 2025 Population Estimates produced by the U.S. Census Bureau, which reflect estimated resident population as of July 1, 2025. Those estimates include any special censuses conducted by the agency. Where a county or municipality has had a special census certified by the Department of Economic and Community Development during the interim between the 2020 decennial federal census and the date of this report, and the special census count exceeds the corresponding Census Bureau population estimate at the time of enumeration, the population estimate has been adjusted to reflect the special census result, with Census Bureau-estimated population net change applied forward from the point of enumeration to arrive at the July 1, 2025, estimate. Special census counts that do not exceed the corresponding Census Bureau estimate have not been used. In the state's three metropolitan counties, the population of the Urban Services District and the General Services District, as described in Tennessee Code Annotated § 7-2-108(a)(5), has been estimated separately from the consolidated county population to ensure compatibility with statutory provisions governing the allocation of municipal-shared revenues.

2026 Tennessee Certified Population Report

Part 1: 2026 Certified Aggregate Population

Area	Aggregate Population
State	7,317,201
Municipalities and equivalents	4,228,793
Unincorporated areas and equivalents	3,088,408

PART 2: 2026 CERTIFIED POPULATION OF INCORPORATED MUNICIPALITIES AND EQUIVALENTS

Section 6, Item f.

The 2026 population figures are those certified by the Department of Economic and Community Development in accordance with the provisions of § 4-3-710, 9-16-101, 67-6-103, 54-4-203 and 57-5-205 of the Tennessee Code Annotated for use in the distribution of state shared taxes to incorporated municipalities.

Jefferson City Fire Department
AGENDA ITEM REPORT

TO: Mayor and City Council

FROM: Lee Turner, Fire Chief

DATE: 7/13/2026

SUBJECT: FY26-27 Portable Radio Purchase/Waiver of Sealed Bid Requirement for State Contract Pricing

BACKGROUND:

- The Jefferson City Fire Department is updating its portable radio inventory to improve communication interoperability and responder safety.
- The impact of this purchase will directly impact the safety of our responders and personnel during operations on emergency incident scenes and daily operations.

FISCAL IMPACT:

The cost of the Five (5) portable radios is approved through the JCFD FY2026-27 Budget. The cost for the Five (5) Kenwood VP8000 Multiband Radios on State Contract Pricing is \$5,480.15 each, for a total of \$27,400.77. Funding in the amount of \$30,000 has been approved for the purchase through the FY2026-27 Fire Department Budget.

REQUEST/RECOMMENDATION:

I am requesting to waive the sealed bid process requirement and purchase the 6 multiband portable radios from LandAir Communications.

ATTACHMENTS:

SUBJECT: Proposed Change Orders #13-#14 to Fire Station #2

BACKGROUND:

- Change Order #13 increases the contract by \$5,424.91 to add brick to wing walls and structural support.
- Change Order #14 increases the contract by \$12,830.00 to change the height of parapet walls.

FISCAL IMPACT:

The net price change for the project will now be \$18,254.91 for these two change orders. The new contract sum will be \$5,194,319.84.

REQUEST/RECOMMENDATION:

We are requesting Change Orders #13 and #14 be approved as presented and recommended by the City's Architect.

PARKS & RECREATION DEPARTMENT
AGENDA ITEM REPORT

TO: City Council
FROM: Parks & Recreation
DATE: July 21, 2026
SUBJECT: Two HVAC units for the Community Center

BACKGROUND:

- This project involves the replacement of (2) original HVAC units at the Jefferson City Community Center.
- This will help with the heating and cooling of the building.

FISCAL IMPACT:

- This is included in the 2026-2027 budget. The total amount budgeted for the project was \$50,000.00.
- The cost for the completion of this project is \$47,500.00. It comes in \$2,500.00 under budget.

REQUEST/RECOMMENDATION:

I’m requesting council to waive the bid process and use RT Service to order these units.

WATER/SEWER DEPARTMENT
AGENDA ITEM REPORT

TO: Mayor and City Council

FROM: Porter Massengill, Director of Public Works and Utilities

DATE: July 16, 2026

SUBJECT: Meter Reader Pickup Truck

BACKGROUND:

- City Council approved \$50,00.00 in the 26-27 budget for this item. Because of growth in the City, it is necessary to add an extra meter reader and vehicle to get billing done in a timely fashion.

FISCAL IMPACT:

The cost will be \$42,470.00 per statewide contract quote (SWC209) quote from Allen Jay Fleet. This is \$7,530.00 under the budget approved amount.

REQUEST/RECOMMENDATION:

I am requesting City Council to waive the bid process and move this item to the agenda for the regular City Council meeting on August 3, 2026, for consideration and approval.

PUBLIC WORKS DEPARTMENT
AGENDA ITEM REPORT

TO: Mayor and City Council

FROM: Porter Massengill, Director of Public Works

DATE: July 16, 2026

SUBJECT: Street Department 1 Ton Service Truck Purchase

BACKGROUND:

City Council approved \$90,00.00 in the 26-27 budget for this equipment purchase.

FISCAL IMPACT:

The cost will be \$88,436.34 per the statewide contract quote (SWC 209) from Carl Black Auto Group. This is \$1,563.66 under the budget approved amount.

REQUEST/RECOMMENDATION:

I am requesting City Council waive the bid process and move this item to the agenda for the regular City Council meeting on August 3, 2026, for consideration and approval.

ATTACHMENTS:

Engine, 6.6L V8 with Direct Injection and Variable Valve Timing, gasoline (401 hp [299 kW] @ 5200 rpm, 464 lb-ft of torque [629 N-m] @ 4000 rpm) (STD)

Transmission, 10-Speed automatic (STD)

Rear axle, 3.73 ratio (Requires (L8T) 6.6L V8 gas engine. Not available with (L5P) Duramax 6.6L Turbo-Diesel V8 engine.)

Auto-locking rear differential

Air filter, heavy-duty

Air filtration monitoring

Transfer case, two-speed, electronic shift with push button controls (Requires 4WD models.)

Four wheel drive

Cooling, external engine oil cooler

Cooling, auxiliary external transmission oil cooler

Battery, heavy-duty 720 cold-cranking amps/80 Amp-hr, maintenance-free with rundown protection and retained accessory power (Included and only available with (L8T) 6.6L V8 gas engine.)

Alternator, 170 amps (Requires (L8T) 6.6L V8 gas engine.)

Trailer brake controller, integrated

Recovery hooks, front, frame-mounted, Black

Body, Chassis Cab

Frame, fully-boxed, hydroformed front section and an open "C" rear section

GVWR, 14,000 lbs. (6350 kg)

Suspension Package

Steering, Recirculating Ball with smart flow power steering system

Brakes, 4-wheel antilock, 4-wheel disc with DURALIFE rotors

Fuel tank, front and rear, 63.5 gallon

Capped Fuel Fill

Exterior

Wheels, 17" (43.2 cm) painted steel (STD)

Tires, LT235/80R17E all-terrain, blackwall (STD)

Spare tire delete Deletes the spare tire and wheel. (STD)

Dual Rear Wheels

PUBLIC WORKS DEPARTMENT AGENDA ITEM REPORT

TO: Mayor and City Council

FROM: Porter Massengill, Director of Public Works

DATE: July 16, 2026

SUBJECT: Street Department Backhoe Purchase

BACKGROUND:

City Council approved \$185,00.00 in the 26-27 budget for this equipment purchase.

FISCAL IMPACT:

The cost will be \$152,662.56 per the Sourcewell quote from Contractor's Machinery, Inc. This is \$32,337.44 under the budget approved amount.

REQUEST/RECOMMENDATION:

I am requesting City Council to waive the bid process and move this item to the agenda for the regular City Council meeting on August 3, 2026 for consideration and approval.

PUBLIC WORKS DEPARTMENT

AGENDA ITEM REPORT

TO: Mayor and City Council

FROM: Porter Massengill, Director of Public Works

DATE: July 16, 2026

SUBJECT: IWorQ Street Condition Survey and Sign Inventory

BACKGROUND:

City Council approved \$30,000.00 in the 26-27 budget for this item. It is a digital (video) of all City streets (appx. 75 miles), plus ranking on the condition of each. Also, it will be capturing our sign inventory.

FISCAL IMPACT:

The cost will be \$27,700.00 per the quote from IWorQ Systems. This is \$2,300.00 under the budget approved amount. Public Works uses IWorQ Systems for work order management, so this is compatible with these systems. There are no recurring costs associated with this survey, unless we need to update sometime in the future.

REQUEST/RECOMMENDATION:

I am requesting City Council to move this item to the agenda for the regular City Council meeting on August 3, 2026, for consideration and approval.

Service Agreement

For PublicWorks1 Asset & Data Tracking Services

Prepared for:

Jefferson City, TN
112 City Center Drive
P.O. Box 530, Jefferson City, TN 37760
Centerline Miles: 75

Prepared by:

Todd Mattson
iWorQ Systems

Agreement ID: 262321

Jefferson City, TN here, known as ("Customer"), enters into THIS SERVICE(S) AGREEMENT ("Agreement") with PublicWorks1 Inc. ("PW 1") with its principal place of business 1125 West 400 North, Suite 102, Logan, UT 84321.

Recitals

Whereas the Customer is seeking onsite data collection services provided by Public Works 1.

Whereas the Customer is seeking technical support and software provided by iWorQ Systems Inc.

Therefore, in consideration of the mutual promises contained in this agreement, the parties agree as follows:

1. Data Tracking Services:

PW 1 will send staff member(s) onsite to track requested street-level imagery, assets, and GPS data points utilizing our Trimble MX7 high resolution camera and / or a pavement condition assessment if requested. The price in Appendix A is based on the mileage provided by the Customer.

2. CUSTOMER RESPONSIBILITY:

Customer agrees to provide the time, implementing personnel to assist in scheduling and completing the onsite assessment, and to implement iWorQ's service(s) and application(s). iWorQ will assign a senior account manager and an account management team to implement service(s) and application(s). Typical implementation will take less than 60 days. iWorQ account managers will call twice per week, provide remote training once per week, and send weekly summary emails to the implementation team. iWorQ can provide project management and implementation documents upon request.

3. Customer Data & Software Terms of Access:

Customer acknowledges that an iWorQ Service(s) Agreement is required in conjunction with this agreement for a term of 3 years, and that customer is authorized to access and track the converted PW 1 data in the associated iWorQ software applications.

Customer data will be stored on AWS GovCloud. iWorQ will use commercially reasonable efforts to backup, store and manage Customer data. iWorQ does backups twice per week and offsite backups twice per week. The subscription will renew each year on the anniversary date of this Agreement unless terminated (see 6. TERMINATION).

Customer can run reports and export data from iWorQ application(s) at any time.

Customer can pay iWorQ for additional data management service(s), onsite backups, application(s) and other service(s).

Street Level imagery is provided through iWorQ. Street Level imagery (360 Degree JPG) will not be downloadable through iWorQ. PW1 will make the imagery publicly available.

Data upload and usage is provided to every customer. This includes uploading files up to 25MB and 100GB of managed data usage on AWS GovCloud. Additional upload file sizes and managed data usage sizes can be provided based on the application(s) and service(s) listed in Appendix A.

Customers can upload and store images with personal information like driver's license, and more. This data can be used by the customer to complete the permitting, licensing, or code enforcement processes. Customer understands that the data must be uploaded and stored in the sensitive data upload section of the iWorQ software for access and security purposes.

iWorQ is not responsible for: (1) For the content entered into iWorQ's database, (2) For images or documents scanned locally and uploaded by the iWorQ users, (3) For documents or images uploaded by citizen over the web, and (4) For data sent to the Customer by iWorQ.

Data upload and usage is provided to every customer. This includes uploading files up to 25MB and 100GB of managed data usage on AWS GovCloud. Additional upload file sizes and managed data usage sizes can be provided based on the application(s) and service(s) listed in Appendix A.

Customers can upload and store images with personal information like driver's license, and more. This data can be used by the customer to complete the permitting, licensing, or code enforcement processes. Customer understands that the data must be uploaded and stored in the sensitive data upload section of the iWorQ software for access and security purposes.

iWorQ is not responsible for: (1) For the content entered into iWorQ's database, (2) For images or documents scanned locally and uploaded by the iWorQ users, (3) For documents or images uploaded by citizen over the web, and (4) For data sent to the Customer by iWorQ.

Billing:

PW 1 will invoice Customer after the team has come onsite and completed the data collection and/or assessment. The invoice will be generated and will be sent out the day fieldwork has been completed. PW 1 will send the invoice by mail and by email to the address listed in Appendix A. Terms of the invoice are net 30 days. Any billing changes will require that a new Service Agreement be signed by the Customer.

Any additional costs imposed by the Customer including business licenses, fees, or taxes will be added to the Customer's invoice yearly.

4. TERMINATION:

Either party may terminate this agreement after the initial 3-Year Term, without cause if the terminating party gives the other party sixty (60) days written notice. Should the Customer terminate any application(s) and or service(s) the remaining balance will immediately become due. Should the Customer terminate any part of the application(s) and or service(s) a new Service(s) Agreement will need to be signed.

Termination will discontinue all application(s) and or service(s) under this Agreement; PW1 will provide customer with an electronic copy of all of Customer's data, if requested by the Customer. Backups will be completed within 3-5 business days.

During the term of the Agreement, the Customer may request a copy of all of Customer's data for a cost of no more than \$2500; and all provisions of this Agreement will continue.

5. CUSTOMER SUPPORT:

Customer support and training are FREE and available Monday-Friday, from 6:00 A.M. to 5:00 P.M. MST, for any authorized user with a login. iWorQ provides unlimited remote Customer training (through webinars), phone support, help files, and documentation. Basic support requests are typically handled the same day. iWorQ provides "Service NOT Software".

6. ACCEPTABLE USE:

Customer represents and warrants that the applications and services will only be used for lawful purposes, in a manner allowed by law, and in accordance with reasonable operating rules, and policies, terms and procedures. iWorQ may restrict access to users upon misuse of applications and services.

7. CUSTOMER IMPLEMENTATION INFORMATION:

PUBLIC WORKS DEPARTMENT AGENDA ITEM REPORT

TO: Mayor and City Council

FROM: Porter Massengill, Director of Public Works

DATE: July 16, 2026

SUBJECT: Street Dept. 4X4 Mowing Tractor Purchase

BACKGROUND:

City Council approved \$75,00.00 in the 26-27 budget for this equipment purchase.

FISCAL IMPACT:

The cost will be \$64,125.36 per the Sourcewell quote from Plateau Truck and Tractor, LLC. This is \$10,874.64 under the budget approved amount.

REQUEST/RECOMMENDATION:

I am requesting City Council waive the bid process and move this item to the agenda for the regular City Council meeting on August 3, 2026, for consideration and approval. If possible, I would like Council to consider adding the side mower attachment option, at a cost of \$51,407.01, as this would improve the speed and quality of the mowing of rights-of-way in the City.

The company reserves the right to change the above specifications without notice. This brochure is for descriptive purpose only.

Some of the items pictured in this brochure are optional, and not standard equipment. Please contact your local Kubota dealer for warranty, safety or product information. For your safety, KUBOTA strongly recommends the use of a Rollover Protective Structure (ROPS) and seat belt in almost all applications. Not for sale in Nebraska.

FRONT LOADER

The M-Series Front Loader puts power and visibility front and center.

Quick Coupler

This standard M-Series feature makes attaching buckets, bale spears and pallet forks quick and easy. A Euro type quick coupler is optionally available.

4-Bar Linkage

Thanks to an upgraded 4-bar bucket linkage, the rollback and dumping angle has been increased for quicker scooping and dumping.

Loader Lever

Conveniently located in the central console, the Loader Lever provides quick and easy control of loader operations.

Quick-Mount Attach/Detach

Attach or detach the front loader in moments without the use of tools. The boom stands and mounting pins make this task a snap, allowing an extra measure of productivity and tractor versatility. A single-lever valve hose Quick Coupler (option), available for the loader's hydraulic fittings, allows you to release all four lines at once.

Front Loader Specifications

Model		LA1854	
Tractor applications		M5-091, M5-111	
Boom Cylinder Fulcrum		Height position	Power position
Maximum Lift Height (Pivot pin)	in. (mm)	145.7 (3700)	131.9 (3350)
Clearance w/Attachment Dump	in. (mm)	110.6 (2808)	94.7 (2405)
Reach @ Maximum Height	in. (mm)	19.1 (484)	34.4 (875)
Maximum Dump Angle	degrees	52	64
Reach w/Attachment on Ground	in. (mm)	87.9 (2233)	
Maximum Rollback Angle	degrees	40	
Digging Depth (When Bucket is Level)	in. (mm)	7.8 (198)	7.3 (185)
Overall Height in Carry Position	in. (mm)	66.7 (1695)	
Material Bucket Width / capacity (Heaped)	in. /cu.ft.(m³)	72 / 19.43 (0.55), 84 / 22.60 (0.64)	
Lift Capacity (Pivot pin)	lbs. (kg)	3990 (1810)	4144 (1880)
Raising Time to Full Height w/out Load ^{*)}	second	4.2	
Lowering time w/out Load (powerdown) ^{*)}	second	2.9	
Attachment Rollback Time	second	2.4	
Attachment Dumping Time	second	2.2	

^{*)}w/Standard valves.

HEAVY DUTY

Long-lasting strength, durability and reliability to tackle just about anything with ease.

Hydraulics

The hydraulics on the M5-091/M5-111 are powerful and fast-acting. External hydraulic cylinders improve lifting power and ensure easier maintenance, while the large pump capacity (17 gpm; 15.9 gpm for ROPS models) shortens front-loader cycle times, enhancing productivity and performance. One (SCD) hydraulic remote valve is standard, with the option to add up to 2 more. An optional flow control valve lets you adjust the oil flow volume.

540/540E Change Lever

The PTO lever is now located inside the cabin for more convenient access. You no longer have to exit the cabin to operate the PTO lever when working with PTO implements.

Bevel-Gear Front Axle

The bevel-gear front axle provides the M5-091/M5-111 with greater all-around maneuverability. It enables M5-091/M5-111 tractors a tighter turning radius than ever before—an amazing 55 degrees. This makes easy work of jobs in tight spaces. Limited Slip Differential on the front and Differential Lock on the rear are standard features, offering increased stability and traction on challenging ground conditions.

Hydraulic Independent PTO

Pulling, lifting, cutting or baling; the standard 540 rpm hydraulic independent PTO of the Kubota M-Series tractors makes your toughest work easier. The PTO brake engages when the clutch is shut off and securely holds the PTO shaft. The PTO clutch can be hydraulically engaged and disengaged on the go. This means mowing, operating hay equipment or spraying orchards are all made more efficient. 1000rpm and 540E PTOs are optionally available.

3-Point Hitch

The Category II 3-point hitch provide fast and simple attachment of rear-mounted implements weighing up to 4,630 lbs./2,100 kg (ISO standard) or 5182lbs./2350 kg (ASAE standard) and optionally up to 6064 lbs./2,750 kg (ISO standard) or 7275 lbs./3,300 kg (ASAE standard). On models with the FR12/R12 or F24/R24 transmission, the hitch is compatible with implements weighing up to 6064 lbs./2,750 kg (ISO standard) or 7275 lbs./3,300 kg (ASAE standard).

Floating Lift Rods

Floating lift rods are standard on both sides of the M5-091 and M5-111. Floating lift rods give the M5-091/M5-111 tractors a smoother ride and enhanced traction while using the 3-point hitch, especially on uneven terrain.

Economy PTO (standard on F12/R12 and F24/R24 models)

The M5-091/M5-111 optional economy PTO can save you money as well as reduce operating noise. Simply select "540E" and the PTO shaft rotation speed is maintained at 540 rpm while the engine speed runs at 1519rpm with limitation to 1772rpm. Thereby reducing both operating noise and fuel consumption.

M5-091/M5-111 HDC12 TRAVELING SPEED (F12/R12, 18.4-30 rear tires) @ rated engine rpm

M5-091/M5-111 HDC24 TRAVELING SPEED (F24/R24 w/ Dual Speed, 18.4-30 rear tires) @ rated engine rpm

TRANSMISSION

A choice of three transmissions gives you the tractor performance you need with less hassle.

F8/R8 Transmission

The synchronized four speeds of the main shift and a high/low range supply tractors with 8 Forward and 8 Reverse speeds.

F12/R12 Transmission (Factory option)

For heavy-duty work such as plowing, hay work and heavy trailer applications, the M5-091 and M5-111 can be equipped with an F12/R12 transmission. This transmission features six speeds of the main shift and a high/low range giving it a total of 12 Forward and 12 Reverse speeds.

F24/R24 Transmission Non-Clutch Shift with Dual Speed (Factory option)

The M5-111 CAB models can be fitted with the F24/R24 transmission for users who demand maximum performance. With six synchromesh speeds in the main shift, Dual Speed which offers instant upshifts and downshifts, and a high/low range, it offers 24 Forward and 24 Reverse speeds.

Over Drive (F12/R12 and F24/R24 models only)

The Over Drive function keeps the engine revolutions at around 2000 rpm during high speed driving for better fuel economy.

Electro Hydraulic Shuttle

Better than ever, our Electro Hydraulic Shuttle for the M5-091/M5-111 makes shifting between forward and reverse smooth and quick. With the Hydraulic Shuttle, a column-mounted lever, conveniently located next to the steering wheel, does all the work. Boost productivity, especially while using loaders, by eliminating the need to depress the clutch every time you change directions. And when attaching

implements, our improved inching feature is easy to perform, giving you the same feel as a half-clutch operation.

Hydraulic Wet Disc Brakes

To decrease operator effort and increase overall tractor longevity, the Kubota M5-091 and M5-111 is standard with Hydraulic Wet Disc Brakes. These brakes require less pedal effort and retain high performance efficiency even after repeated heavy-duty work.

Multiple Wet Disc Clutch

The multiple wet disc clutch provides durability and a long operating life.

Limited Slip Differential

Limited Slip Differential on the front helps you maintain a stable travel speed should the drive wheel on either side of the tractor slip. A standard feature on the M5-091 and M5-111, Limited Slip Differential is perfect when reliable traction is essential.

Easy to shift 4WD Engagement

Switching the 4-wheel drive on and off is easy and quick, and done with one simple lever (One simple switch for M5-111 HDC24). Best of all, there's no need to stop the tractor even when moving out of a field onto a road, so you can stay productive. The 4WD indicator on the LED readout lets you know you're in 4WD.

(Do not engage while carrying heavy loads, or when rear wheel is spinning.)

COMFORT

A spacious and ergonomically designed cab brings comfort to the workplace.

Instructor's Seat (Optional)

The optional instructor's seat is useful when training new operators. When not in use, it can be folded down to increase spaciousness.

New Functional Platform

The M5-091/M5-111 cab has been redesigned for better ergonomics. All levers (except the 4WD lever) and electrical switches are located on the right side for easy access and continuous operations.

Easy-Step Tilt Steering Wheel

The steering wheel of the cab gets out of the way when the operator is dismounting the tractor. Just step on a pedal and raise the steering wheel to its original position.

Heater/Air Conditioner

The heating and cooling unit is now located under the seat. The overall air circulation in the cab has been optimized by the cab's rounded glass as well as by placing the air outlets in the dash tower to keep you cooler on hot summer days and warmer on cold mornings, for year around environment control.

Standard Equipment

- Front halogen work lights
- Front windshield wiper and washer
- Rear halogen work lights
- Interior dome light
- External left and right mirrors
- Sun visor
- Cup holder
- Power outlet
- 7-pin trailer coupler

Options

- Additional 2 front work lights for CAB models
- Rear wiper and washer
- Rear defogger
- 130Amp for CAB (80 Amp for ROPS) alternator
- Air ride seat suspension
- CD/radio with weather band
- Radio with weather band

ULTRA GRAND CAB II

More space and more visibility make our cab a great place to work.

Sunroof with Retractable Sunshade

A glass sunroof provides a clear view of the front loader fully raised and pallet forks. The non-opening sunroof is equipped with a retractable sunshade to keep the sun out of the cab while traveling or performing low-level types of work.

Ultra Grand Cab II

Here's a feature you can really get into: an extra-wide, ultra-spacious, fully enclosed cab. One of the largest in its class, this stylish new cab is equipped with air conditioning, a sunroof with retractable sunshade, and rubber cushions that provide new levels of comfort and operating efficiency all year round. Full-length doors open wide for easy access, while the flat floor and unobstructed ceiling provide more head and leg room. All displays, levers and controls are ergonomically located for easy access and intuitive operation.

Rounded Glass

We've rounded the cab glass of our Ultra Grand CAB II to provide the operator with more visibility and a more spacious feel—ideal for long days inside the cab. Furthermore, we've increased the glass coverage area on the cab door, which makes it easier to get in and out of the cab.

• Stay Productive On Your Farm By Using Constant RPM Management

Note:

In a mechanically-controlled engine, the engine speed changes according to increases and decreases in the load. For example, when working in a hilly area, the load increases and engine speed drops while ascending a slope, and conversely the load drops when descending. These changes in engine speed effect the travel speed and PTO-driven implements. In order to minimize these effects, the operator must make fine adjustments to the travel speed and hand throttle lever.

When the Constant RPM Management switch

is turned "On", the engine speed will be kept nearly constant in response to a certain level of work fluctuations. This improves the accuracy of work without the need for troublesome manipulation of the travel speed and hand throttle lever.

There is a limit to the range within which a constant speed can be maintained. If a load exceeding the engine performance is applied, the engine speed will drop. The purpose of Constant RPM Management is not to increase the engine power.

"The engine speed drops when the load exceeds the engine performance."

Constant RPM Management

The M5-091/M5-111 engines feature a new electronic governor that gives you electronic control of engine RPM. Activating the system keeps engine revolution constant, preventing drops in PTO speed and enabling stable operation. It makes working with PTO-driven implements much more efficient.

RPM Memory

RPM memory lets you save the RPM setting for an oft-performed task, such as PTO work, front loader work, or changing directions. To recall that setting, simply press a single button, and you can start working immediately without having to adjust the throttle.

NEW ENGINE

Kubota Clean Diesel Solution (K-CDS)

Re-engineered to exceed the latest emissions standards Kubota engines offer clean performance that exceeds even the latest emissions standards, thanks to the latest advances in clean-engine technology. Selective Catalytic Reduction (SCR) sprays the hot exhaust from the engine with diesel exhaust fluid (DEF), which transforms the exhaust into harmless water vapor and nitrogen. The Common Rail System (CRS) electronically controls the timing and amount of high-pressure injected fuel in stages for optimal combustion, which results in greater efficiency, better fuel economy, and less engine noise. The combination of these two system with a Diesel Particulate Filter (DPF) muffler and an Exhaust Gas Recirculation (EGR) system ensure the M5-091 and M5-111 meet the Tier4 Final emissions regulations.

EPA EMISSION REGULATION

With the start of 2012, EPA Tier4 Interim will be enforced to over 56kW off-highway diesel engines. Kubota has been executing emissions reductions for more than a decade. However, it is a big challenge this time. Furthermore, Tier 4 Final will be enforced in 2015, and by which engine manufacturer must lower both PM (Particulate Matter) and NOx (Nitrogen Oxide) to nearly zero level.

EPA nonroad emission regulations:
56-75 kW

M5-111

The M5-091/M5-111 tractors have been redesigned and re-engineered inside and out for greater comfort and cleaner emissions. You'll work comfortably, thanks to a new extra-wide, ultra-spacious cabin that features a convenient optional instructor's seat and a glass sunroof with retractable sun shade. And you'll work clean, thanks to a re-engineered exhaust system that combines Selective Catalytic Reduction with a Common Rail System, Diesel Particulate Filter muffler, and Exhaust Gas Recirculation system to dramatically reduce emissions without sacrificing power or economical performance. Best of all, the M5-091/M5-111 carry the Kubota name, so you can depend on them to get the job done.

KUBOTA DIESEL TRACTOR **M5-091/M5-111**

A new wide cabin, dramatically cleaner emissions, and powerful engines highlight the new M5-091/M5-111 diesel tractors from Kubota.

the CuttingEdge Safetyprogram

T.M.O.S.T. (Tractor Mower Operator Safety Training) 8 Hour Safety Training Course

- Includes both classroom & hands-on training with your actual equipment
- Led by an instructor with 28+ years of safety training experience, who is an OSHA Authorized, National Association of Safety Professionals (NASP) certified Safety Training / Planning Specialist and Equipment Authorized Trainer with an unusual methodology of making safety training fun and interesting
- Based upon the strict guidelines of the American Equipment Manufacturers Assn. (AEM)
- Covers ANY and ALL industrial mower and agricultural tractor manufacturers including but not limited to: Terrain King, Alamo Industrial, Tiger, M&W, Rhino, Bush Hog, John Deere, New Holland, Woods, Land Pride And Many Others
- Conducted at your location directly with your employees OR with your safety trainer(s)

What are the benefits to me and my organization?

- Pre and post-course testing for all participants
- Effective training can significantly decrease mower-related incidents
- Potentially affects your bottom line
- Supports your commitment to providing a safe, hazard free work environment for your employees

Additional Courses Offered:

- TMOST 2.5 Hour Safety Training
- Workplace Safety & Personal Responsibility
- Operator & Technician Service Tips

MOUNTING FRAME

- Mid-Mounted Between Front and Rear Wheels of Tractor

- Dual Rear Axle Supports Offer a More Solid Mounting Foundation

HYDRAULIC RESERVOIR

- Large Fender Mounted Tank Allows for System Capacity of 55 Gallons

MOWER LIFT ASSEMBLY

- Can Raise 17" Above Grade*
- Can Lower 6" Below Grade*
- 3 1/2" Bore Lift & Curbing Cylinders

* Depending on Tractor Applications

HYDRAULICS

- Steel Gear Type Pump
- Rated 74 HP and Flow 51 GPM at 2400 RPM
- Maximum Operating Pressure: 3000 PSI
- 47 GPM At Operating Speed of 2200 RPM

MOWER LIFT ARM

- 3 1/2" Bore x 6 1/4" Stroke Cylinder
- 1,300 PSI Relief Pressure
- Optional 30° Break-Away Capability

ALTERNATE CUTTING HEAD DESIGN

- 45° x 18 3/4" Chamfered Rear Corner to Prevent Rear Tire Interference
- Required For Breakaway Option

TERRAINKING™

Engineering Practical Solutions™

GENERAL SPECS

- 60" Cutting Swath
- Cutting Capacity: 2"
- Total Weight: 2492 lbs.
- Ability to Mow 90° Up to 45° Down

COMPATIBLE TRACTORS

- KUBOTA M8560 series
- KUBOTA M9960 series
- KUBOTA M108S series
- KUBOTA M100GX series
- KUBOTA M110GX series

CUTTING HEAD

- 1/2" x 4" Steel Updraft Blades
- 1 1/4" x 6" Steel Blade Carrier

SKID SHOES

- Full-Length & Replaceable

DEFLECTORS

- Front & Rear Chain Guards

HYDRAULIC CONTROL VALVE

- Valve to Raise / Lower Mower:
2 Spool, Open Center, Tapered
Positive Metering Type

PUBLIC WORKS DEPARTMENT AGENDA ITEM REPORT

TO: Mayor and City Council

FROM: Porter Massengill, Director of Public Works

DATE: July 16, 2026

SUBJECT: Street Dept. Single Axle Dump Truck Purchase

BACKGROUND:

City Council approved \$150,00.00 in the 26-27 budget for this equipment purchase.

FISCAL IMPACT:

The cost will be \$144,185.09 per the Sourcewell quote from Joe Johnson Equipment.
This is \$5,814.91 under the budget approved amount.

REQUEST/RECOMMENDATION:

I am requesting City Council waive the bid process and move this item to the agenda for the regular City Council meeting on August 3, 2026, for consideration and approval.

ATTACHMENTS:

Quote

QUOTATION - SWITCH-N-GO 2026

ACCOUNT	CITY OF JEFFERSON CITY
CONTACT	BRIAN RHODES
DATE	17-Jul-26

To provide one (1) Switch-N-Go Interchangeable Truck Body Hoist system, suitable to be mounted on a factory approved, customer supplied chassis (mounting not included)

Features:

Winch Cable Hoist System

Powder Coated Carbone Steel

Electric Winch Cable Capacity with Swivel Hook and Cable V Roller

50 degree dump angle

Self-Engaging body lock to secure body for transport and dumping

Easy one person Loading, dumping and off loading

Installation Kit- Includes the following: Power Wire, Ground Wire, Controller/Pendant, In-Cab harness, 600amp ANL fuse and Fender Mounting Kits

Installation extra

OPTION CONTENT:

PART NO.	DESCRIPTION	Order	PRICE PER UNIT
6670514	11' Electric hoist with 15,000lb winch - 14 ton dump capacity	1	\$ 15,210.36
6110501-KIT	Universal mounting bumper with light bars (Ford, Ram, CV, GMC chassis)	1	\$ 1,236.00
3170174	One pair of plastic fenders for 19.5 tires, with mounting brackets	1	\$ 739.00

QUOTATION - SWITCH-N-GO 2026

TERMS & CONDITIONS

1. **PRICES:** All orders are subject to current prices in effect at the time of order acknowledgement. F.O.B. Point: Unless otherwise stated, all prices listed are F.O.B. . JJE reserves the right to increase the order price set forth in this Proposal Summary at any time before delivery to Buyer to reflect any increase in JJE's costs to manufacture or deliver the ordered product due to any factor beyond the reasonable control of JJE. JJE shall provide Buyer with prompt electronic notice of any such price increase. Buyer shall have five days from receipt of such notice to cancel its order, absent which Buyer shall be deemed to have consented to the price increase.

2. **PAYMENT:** In full is required at time of delivery. All orders are subject to current prices in effect at the time of this Agreement. The sale price is valid for [7] days from the quotation date. A quotation does not guarantee availability of the Equipment. Unless otherwise specified, all shipments are F.O.B. . The Purchaser shall pay all Insurance, taxes, shipping charges, and other costs or expenses relating to the sale and transfer of the Equipment, it being the intent that the sales price shall be net to the JJE of any and all costs or expenses. In the event of cancellation of this agreement, the Purchase shall assume all costs associated with the cancellation. All Purchaser supplied chassis must meet the requirements of the body manufacturer and JJE. The costs of any chassis modifications or repairs shall be borne by the Purchaser. All warranty work is F.O.B. the closest JJE location.

3. **DEPOSIT:** If applicable and as set out on page one of this Agreement, any deposit shall be due and payable at the time of signing this Agreement. At delivery of the Equipment, the amount of the deposit shall be credited to the Purchase Price. If the Purchaser cancels or is in default with this Agreement in accordance with Section 10, any deposit paid by the Purchaser shall become forfeited to JJE as liquidated damages, as a genuine pre-estimate of its damages but without prejudice to any rights and remedies contained herein or which JJE may have at law.

4. **RISK OF LOSS.** After delivery of the Equipment in good order to the Carrier of Purchaser's choice, risk of loss shall be with the Purchaser and JJE's responsibility shall cease. JJE reserves and Purchaser grants to JJE a purchase money security interest in the Equipment and all cash receivables or cash from resale thereof to secure the full payment and performance by Purchaser of its liabilities and obligations to JJE under this Agreement. If Purchaser is located in the Province of Québec, JJE reserves and Purchaser grants to JJE, at the discretion of JJE: i) a hypothec in the Equipment sold and all cash receivables or cash from resale thereof for a sum equal to the total amount of the orders plus an additional hypothec of 20%, the whole with interest thereon at the rate of twenty percent (20%) per annum from the date of the order, or ii) a reservation of ownership of the Equipment until full payment of the sale price notwithstanding delivery. Purchaser acknowledges that this document may be filed with the appropriate authorities as a financing statement and Purchaser agrees to execute and deliver such documents as JJE may request in order to perfect its security interest (or hypothec or reservation of ownership).

5. **FORCE MAJEURE.** JJE shall be excused for any delay or failure to perform due to any cause beyond its reasonable control, including but not limited to civil commotion or riot, natural disaster, lightning, fire, earthquake, storm, flood, drought, severe weather conditions, other acts of God, disease, health epidemic or pandemic, accident, explosion, power surges, industrial action, boycotts, lockouts, strikes or other labor trouble or concerted acts of workmen, delays in transportation or delivery, shortages or inability to secure raw materials, fuel, power, machinery or other equipment necessary for production, currency restriction, embargo, acts of civil or military authority, acts of the public enemy, acts of war, action or inaction by a government (including a change in law), material changes in import or export duties, terrorism or threats of terrorism. JJE's shipping schedule shall be extended by a period equal to the time lost because of any excusable delay. In the event JJE is unable to perform in whole or in part because of any excusable failure to perform, JJE may cancel orders without liability to Purchaser.

6. **SHIPPING:** a) If shipment is delayed beyond the time stipulated pursuant to this Agreement by any cause beyond the control of JJE, the delivery date shall be extended for a period equal to the delay due to such cause. JJE will in no way be held liable for loss or damages, direct or consequential, due to delays in delivery cause by events outside our direct control. b) If shipment is delayed by fault of the Purchaser, payment of the Purchase Price shall not be delayed thereby and the Equipment shall be at the Purchaser's risk of damage or loss from any cause whatsoever and any expense incurred in handling, storage or insuring the Equipment shall be paid by the Purchaser.

7. **WAIVER OF CLAIMS.** Acceptance of the Equipment by the Purchaser from the Carrier will constitute a waiver of all claims against JJE for damage or delay resulting or arising from any cause in relation to this Agreement or the Equipment. Purchaser waives, to the fullest extent permitted by law, the application of all applicable laws relating to the sale of property in any jurisdiction. Buyer agrees that the provisions of this Agreement are commercially reasonable.

8. **TITLE.** Title to and ownership of the Equipment and to all repairs, replacements of and accessions to the Equipment shall not pass to the Purchaser after delivery but shall remain with and is reserved by JJE until payment in full of the Purchase Price together with all other amounts due hereunder. To the extent the Purchase Price is not fully paid, the Purchaser may not move the Equipment outside of Canada.

9. **DEFAULT.** If the Purchaser defaults in compliance with any term or condition of this Agreement, or defaults in payment of any installment of the Purchase Price or any applicable taxes or charges relating to the Equipment, or uses the Equipment for an illegal purpose, or if levy is made upon the Equipment, or if any bankruptcy, receivership, winding-up or insolvency proceedings are instituted by or against the Purchaser, or if at any time JJE reasonably deems the Purchaser at risk of any of the foregoing, then and in any such events the entire balance of the Purchase Price and all notes given therefore together with all expenses, costs and solicitors fees incurred by JJE in the collection of the Purchase Price shall become immediately due and payable on account of the Purchase Price shall remain the property of JJE as payment for the use and depreciation of the Equipment and not as a penalty.

10. **LIABILITY AND INDEMNIFICATION.** JJE shall not be held liable or responsible for any damages, whether on account of personal injuries or otherwise suffered or sustained in the operation of the Equipment, nor for any damages resulting to Purchaser by reason of any delays or any alleged failure of the Equipment to operate. Purchaser shall defend, indemnify and hold harmless JJE, its subsidiary and affiliated companies, their officers, agents and employees, from and against all loss liability, claim, action or expense including reasonable attorney's fees by reason of bodily injury including death, and property damage, sustained by any person or persons, including but not limited to employees of Purchaser, as a result of the maintenance, ownership, use, operation, storage, erection, dismantling, servicing or transportation of Equipment or Purchaser's failure to comply with this order.

11. **REPOSSESSION AND REMEDIES.** In the event of default by the Purchaser in Section 8 and subject to the applicable laws:

a) JJE, in addition to all remedies available at law or hereunder, may take possession of the Equipment without notice or demand and without legal process and for the purpose of taking possession of and removing the Equipment JJE or its assigns or agents may enter into or upon the Purchaser's lands and premises using such forces as is necessary in the circumstances. The Purchaser hereby waives all claims for damages arising out of the re-possession, removal or re-sale of the Equipment as against to JJE or JJE's assigns.

b) If the Equipment comes into possession of JJE through the re-possession, voluntary surrender thereof by the Purchaser or otherwise, JJE may at its option sell the Equipment for its own account or may re-sell the Equipment on behalf of the Purchaser either at a 12. **PRIVACY.** Purchaser hereby consents and authorizes JJE and its affiliates, agents, subcontractors and representatives, from time to time, (a) to collect, verify, use, disclose and communicate to third parties (including credit bureaus, financial institutions, creditors, vendors, partners, regulatory agencies and other persons) any credit information, financial or other information about Purchaser (the "Information"), including personal information (if any) and information relating to their creditworthiness, financial capacity and payment history, as JJE deems necessary to process, complete, manage and enforce the transactions contemplated herein and any other existing or possible transactions, or as required or otherwise permitted by law; (c) to provide information to persons to whom JJE wishes to assign, grant an interest in or otherwise dispose of rights or obligations under the transactions herein; and (d) to provide copies of this Agreement to any person.

13. **INTERPRETATION.** The Purchaser and JJE agree that this Agreement shall be interpreted, construed and be governed by and in accordance with the laws of the Province / State in which it was made. The Purchaser and JJE further agree that should any term or condition, or any part thereof, contained in this Agreement be unenforceable or prohibited by present or future provincial or federal laws, then such term or condition, or part thereof, shall be ineffective to the extent of such unenforceability or prohibition. Failure at any time by JJE to exercise any of its rights under this Agreement shall not constitute a waiver thereof nor prejudice JJE's right to enforce it thereafter.

14. **ENTIRE AGREEMENT.** It is acknowledged and agreed that this Agreement constitutes the entire agreement between JJE and Purchaser and there are no representations, warranties, conditions or guarantees, expressed or implied, statutory or otherwise, other than contained herein.

15. **ASSIGNMENT.** This Agreement will ensure to the benefit of and be binding upon the parties hereto and their respective successors and permitted assigns. Without the prior written consent of JJE, Purchaser will not, to the extent the Purchase Price has not been fully paid: (i) assign, transfer, pledge, hypothecate or otherwise encumber this Agreement, or the Equipment, any part thereof or any interest therein; or (ii) lend or lease the Equipment, any part thereof or any interest therein.

16. **DISCLAIMER.** Except as may be expressly set out in the Description of Equipment term of this Agreement there are no expressed or implied warranties on the part of JJE as to the quality, merchantability, capability or fitness for a particular purpose of the equipment which is the subject of this agreement.

17. **INTEREST.** Interest or any overdue payment shall be at the rate of eighteen (8%) percent per annum, without prejudice to any other conditions of this Agreement.

18. **INSURANCE.** The Purchaser hereby undertakes to keep the Equipment fully insured against loss by reason of accident, fire, theft and all other risks to an amount not less than the amount owed to JJE, such insurance being payable to JJE, until the Purchase Price of the Equipment together with all interest and costs which may have been incurred, have been paid. The Purchaser undertakes to supply evidence of such insurance satisfactory to JJE upon demand. If the Purchaser does not place such insurance on the Equipment, JJE shall have the right to affect such insurance at the expense of the Purchaser, who hereby undertakes to pay the premium for the same.

19. **TRADE-INS.** The Purchaser hereby warrants and represents that all equipment and machinery granted, sold or assigned to JJE in connection with this Agreement in satisfaction of the Purchase Price or otherwise shall be free and clear of all liens, levies, charges and encumbrances. The Purchaser further agrees to indemnify and hold harmless JJE from and against liens, levies, charges and encumbrances that the JJE may be required to pay or discharge in respect of such machinery or equipment.

20. **ENGLISH.** The parties agree that they have requested that this Sales Agreement as well as any other documents relating to this Sales Agreement, including notices, schedules and authorizations, shall be drawn up in the English language only. Les parties ont convenu que cette convention de même que tous les documents s'y rattachant, y compris tout avis, annexe et autorisation, soient rédigés en anglais seulement.

21. **FURTHER ASSURANCES.** The Purchaser hereby authorizes JJE to file such financing statements and do such acts, matters and effects as JJE may deem appropriate to protect its interests in the Equipment until payment in full of the Purchase Price together with all amounts due hereunder

Jefferson City Police Department AGENDA ITEM REPORT

TO: Mr. James A. Gallup, City Manager
FROM: Andy Dossett, Chief of Police
DATE: July 17, 2026
SUBJECT: FY 26-27 Police Vehicle Emergency Equipment and Installation

BACKGROUND:

- Equipment purchase and installation of police emergency equipment for (3) new Patrol units.

FISCAL IMPACT:

- Cost will be approximately \$45,000.

REQUEST/RECOMMENDATION:

I recommend the bid process be waived and the 3 Patrol SUV's be constructed by Dana Safety Supply on the state-wide contract.

ATTACHMENTS:

JEFFERSON CITY, TENNESSEE

Ordinance 2026 - 08

AN ORDINANCE AMENDING TITLE 8, SECTION 3-111
TO LIMIT THE NUMBER OF LIQUOR STORES WITHIN
THE CITY LIMITS OF JEFFERSON CITY

WHEREAS, pursuant to *Tennessee Code Annotated*, Section 57-3-208(c), municipalities are authorized to limit the number of licenses issued within their jurisdictions; and

WHEREAS, pursuant to *Tennessee Code Annotated*, Section 57-3-208(c), no local law, ordinance or resolution may limit the location and number of licenses authorized under Section 57-3-204, so as to unreasonably restrict the availability of alcoholic beverages for the residents of such municipalities and counties; and

WHEREAS, the City of Jefferson City currently has five liquor stores to serve the community; and

WHEREAS, the City Council of the City of Jefferson City desires to limit the number of liquor stores within the City limits.

NOW THEREFORE, BE IT RESOLVED by the City Council of the City Jefferson City as follows:

- Section 1. Section 8-311 of the City’s Municipal Code shall be amended to limit the number of retail package stores allowed within the city limits to five (5).
- Section 2. This ordinance shall become effective 30 days from its final passage, the public welfare requiring it.

First Reading: August 3, 2026.

Second Reading _____ . 2026.

APPROVED:

Mitch Cain, Mayor

Attest: _____
Bettina Chandler, City Recorder
