 Public Comment / Question

The mayor crossed a serious line at the December 2025 Council meeting by publicly attacking Councilmember DD Halpern accusing her of sending an anonymous letter to the State Police Accreditation Department during the police department's re-accreditation process. This accusation was made without proof and was therefore baseless, irresponsible, and damaging to both the council and public trust.

First, the accusation relied solely on the claim that the concerns raised in the anonymous letter were similar to comments DD had previously shared with the head of state accreditation. This is not evidence. Anonymous letters, while not always ideal are sometimes used by people who fear retaliation or feel unheard. DD has consistently represented her constituents by relaying concerns expressed by residents and business owners. Doing so is not only appropriate, it is her responsibility as an elected official. Sharing widely known community concerns does not imply authorship of an anonymous letter!

Second, the mayor's accusation ignored an important reality: the concerns raised in the letter could have come from any number of people. There has been widespread discussion in the community about issues within the police department. These concerns are not secret, nor are they limited to one council member. Residents and business owners have openly discussed:

- Statements made by the Police Chief that were perceived as veiled and/or actual threats against residents, both on the record at a council meeting and at a "Coffee with a Cop" event;
- Well-known serious legal issues involving a senior officer in a prior municipality;
- Questions about whether the department meets accepted guidelines for appointing an Assistant Chief, which typically recommend such a position only for departments with significantly larger staffing levels etc.

Given this context, it is unreasonable and unfair to single out one council member as the source of the letter. The skepticism and concern surrounding the police department are widely shared, extend beyond town limits, and are discussed openly by many people. The mayor's decision to assign blame without evidence ignores this broader reality.

Third, instead of focusing on who might have written the letter, responsible leadership would have focused on the content and implications of the concerns raised. If issues within the police department are serious enough to reach a state accreditation body, the appropriate response would have been to listen, inquire, and develop a plan to address those concerns, not to dismiss them as false and publicly accuse a colleague.

Finally, transparency is essential. Since the mayor publicly referenced the letter, it should be made public so residents and business owners can understand what concerns were communicated to the state. Openness would help restore trust and allow the community to engage constructively rather than fueling speculation and division.

In conclusion, the mayor should not have accused another council member of sending the anonymous letter because the accusation was unsupported by evidence, undermined due process, damaged professional relationships, and distracted from addressing legitimate concerns within the police department. Strong leadership requires restraint, fairness, and a willingness to confront problems, not denial and blame.

Item #2.

If you have evidence to support your claim, you need to come forward with it now or do the professional, responsible honorable action and take ownership of your shameful comments. I believe that DD is owed a public apology.

To be clear, I did not know about the letter until you brought it up, did not write the letter, do not know who wrote the letter, and am only speculating about the contents of the letter based on concerns discussed openly around town.

I would like to state for the record that I find the fact that these items are on this agenda, "fast tracked" by this council to be (even for this council which I consider to be one of the worst in this towns history), pretty brazen. Trying to change the ordinances that have been in place for years, before you leave, that cannot be undone, right before more than .50% of the council is changed in less than 2 months is absolutely disgusting. It's so obvious what you are doing...is this how you want to be remembered?

Why now?! What is the rush!?!? Why not let the new council deal with this. Unless, you personally stand to gain from these changes... The way this council has "conducted" itself the past couple of years is just horrendous. Embarrassing to say the least, and very disheartening. Nott the way public officials, servants or any other governmental figure should behave. You listen to no one, certainly not the residents of Juno Beach, which are your constituents, who voted for you, only to be treated with the disrespect and contempt. I realize that Carreta was built to "code" - that they were allowed to do what they did. But you all voted for it . Rushing to change the ordinances to allow developers to get away with EVEN MORE after that, is unconscionable I respectfully request you reconsider these items, think about how this effects those of us that actually care about Juno Beach, not development, and leave them for the new council to deal with.

Dear Mayor and Members of the Town Council,

I would like to take time to thank the Mayor and the councilors whose terms will soon end with the upcoming election. I appreciate the time and dedication you have given in service to our community.

I respectfully urge the Council to table agenda items 15–17, which concern Ordinances 795, 796, and 797. These proposed ordinances could significantly shape the future look and character of our town. Given their potential long-term impact, I believe these decisions should be made by the newly elected council, which will represent the most current will of the voters.

It is my understanding that the Town Attorneys have confirmed our current codes remain valid. If that is the case, I question the need to make immediate changes—especially since SB 180 will sunset, we may find that altering or weakening our existing harmony codes is unnecessary.

I ask that you please consider the voices of your constituents and allow the next council to address these important matters.

Thank you for your time and continued service to our town.

I am opposing the ordinances 795, 796 and 797 to remove long-standing codes that require architectural reviews, adherence to harmony criteria and review by the Planning and Zoning Board to protect our single-family homes. The current Council should not fast-track the reading and approvals of these ordinances in lieu of the upcoming election. Let the residents decide at the ballot box!

Agenda Item Number (Ex: 1, 2, 3) discussion on ordinances 795-796-797

Public Comment / Question

To: Juno Beach Town Council Members / Town Manager and Planning and Zoning Board Members

Re: Request for review of potential voting conflicts and disclosure obligations related to Ordinances 795, 796, and 797

I want to clearly state at the outset that I am not accusing any individual of any wrongdoing, nor am I alleging that any ethics violations have occurred. My purpose in writing is to raise governance and transparency questions that, in my view, warrant careful consideration before further action is taken on Ordinances 795, 796, and 797.

Given the significant and permanent nature of these proposed ordinances, particularly the removal of architectural review, harmony review, and citizen board participation for single-family homes, it is important for the Town of Juno Beach to ensure that all applicable disclosure and conflict-of-interest requirements have been fully evaluated and satisfied.

The expedited scheduling of these ordinances for adoption prior to the March election raises legitimate public-policy questions. Specifically, residents may reasonably ask why decisions that fundamentally alter neighborhood protections are being advanced before voters have the opportunity to weigh in through the election of a new Mayor and Council. Proceeding in this manner risks undermining public confidence, particularly when waiting a short period would allow newly seated officials to participate in decisions that will shape the Town for decades.

These ordinances would materially increase allowable development intensity for single-family homes, compared to existing neighborhood averages. The removal of existing architectural and harmony review standards would eliminate long-standing safeguards intended to protect neighborhood character and existing homeowners' property values. These changes raise reasonable questions about whether the ordinances could create substantial economic benefits for certain segments of the real estate and development market. (i.e., benefits are to new construction at the expense of existing homeowners)

Accordingly, it is appropriate to ask whether any elected official may receive a "special financial benefit," as defined by applicable ethics laws, that would require recusal from voting or, at a minimum, the filing of disclosure forms.

Based solely on publicly available records, Mayor Peggy Wheeler, also known as Peggy Davies, is associated with multiple Florida limited liability companies that appear to be related to real estate activities, including but not limited to:

- Ocean Properties Florida, Inc.
- Oceanside Enterprises of Florida, LLC
- Oceanside Inc.
- Cambrian LLC
- Exclusive Real Estate Consulting LLC, (formed May 14, 2025)
- Oceanside LLC

The existence of these entities does not, by itself, establish any conflict. However, given the scope and potential economic impact of the proposed ordinances, it is reasonable and prudent to

request confirmation as to whether any disclosure obligations apply, and whether recusal should be considered under Florida law.

It has also been publicly noted that Anne Bosso of Bosso Realty has previously served as a contact associated with one of Mayor Wheeler's listed entities and has been an outspoken advocate for eliminating the harmony review requirements. This observation is included solely to illustrate why heightened transparency is essential to maintaining public trust, not to suggest coordination or improper influence.

In the interest of good governance, the most prudent course of action would be to pause consideration of Ordinances 795, 796, and 797 until:

- Any necessary ethics disclosures or determinations regarding voting conflicts have been completed
 - The newly elected Council and Mayor are seated
 - Updated legislative guidance, including developments related to SB 180, can be fully evaluated
- I have attached Palm Beach County Code of Ethics Section 2-445 and Florida Statutes Section 112.3143 regarding voting conflicts for reference.

Transparency and caution serve both the Town and its elected officials. Delaying action until these questions are addressed protects the integrity of the process, honors the fiduciary duty owed to residents, and preserves public confidence in our local government.

Thank you for your thoughtful consideration. Respectfully,

Brian Cole

Statement Encouraging Deference to the March 10, 2026 Election

Members of Council, Mayor, Staff, Candidates and fellow residents of Juno Beach,

I write this out of respect—for this Council's service, for the rule of law, and most importantly, for the citizens of Juno Beach who will soon exercise their most fundamental right: the right to vote.

On March 10, 2026, our community will elect a mayor and two council members. Three seats—representing a majority of this governing body—will be determined by the voters. Only one of those seats is currently held by an incumbent. By any measure, this election has the potential to significantly reshape the policy direction of our Town.

Against that backdrop, I ask this Council to pause and reflect on the consequences of fast-tracking highly consequential and deeply contentious land-use ordinances in the weeks immediately preceding that election.

I want to be clear: this is not an argument against property rights. Nor is it an argument against adapting to state law, including Senate Bill 180. Reasonable people can and do disagree on where that balance should be struck. But the question before us at these next Council meeting is not what policy choice is ultimately made—it is who should make it, and when.

SB 180 is, by its own terms, temporary. It sunsets. It faces legal and legislative uncertainty in the coming term. The Florida Weekly wrote recently, "We're hoping to see legislative fix for SB 180, the 'Emergencies' bill, which started out as a really good bill, adding some clarifications and necessary legal tools to deal with the storms we experienced two seasons ago. But then the 11th hour, (legislators changed) that bill and it became hugely detrimental to communities like Sanibel and Captiva, or anywhere."

The ordinances now being advanced would permanently restructure local processes—eliminating Planning and Zoning review, relaxing long-standing harmony standards, and reshaping development expectations in ways that will outlive both SB 180 and this Council's current composition.

If these ordinances are adopted now, they will not resolve disagreement—they will defer it. They will do so by binding a newly elected mayor and council to decisions made by officials whose terms are ending, potentially creating immediate governance friction, legal vulnerability, and community division.

That is not stability. That is not predictability. And it is not respectful of the democratic process.

Elections are not an inconvenience to be worked around. They are the mechanism by which communities decide how competing values—property rights, neighborhood character, predictability, and due process—are balanced. When major policy shifts are rushed through just before voters weigh in, it risks being perceived not as leadership, but as preemption. Allowing this election to serve as a referendum is not weakness. It is confidence—confidence that your policy vision can withstand public scrutiny, and confidence that the citizens of Juno Beach are capable of choosing representatives aligned with their priorities.

Deferring these decisions until after March 10 would:

- Honor the will of the electorate;
- Reduce the risk of immediate repeal or reversal;
- Avoid placing newly elected officials in an adversarial posture from day one; and
- Preserve trust in local governance at a time when that trust is especially fragile.

Juno Beach has long prided itself on thoughtful, deliberate decision-making—especially where land use and community character are concerned. Exercising restraint now would be consistent with that tradition.

I respectfully urge the Mayor and Council to allow the voters to speak first, and to let those chosen by the community chart the path forward on these enduring and consequential issues.

Thank you for your service, and for your consideration.

Respectfully,

Aldo Rovere

Please fast track the codifications of ordinances 795, 796, 797 now before the Juno Beach March 2026 election to ensure these ordinances protecting our single family home property rights. This fast tracking process will protect our long standing single family base code preventing our town legislative gridlock, securing administrative rules and simplifying legal enforcement by removing contradictory and ambiguous single family architectural harmony codes.

FLORIDA STATUTES

SECTION 112.3143

112.3143 Voting conflicts.

(1) As used in this section:

(a) "Principal by whom retained" means an individual or entity, other than an agency as defined in s. 112.312(2), that for compensation, salary, pay, consideration, or similar thing of value, has permitted or directed another to act for the individual or entity, and includes, but is not limited to, one's client, employer, or the parent, subsidiary, or sibling organization of one's client or employer.

(b) "Public officer" includes any person elected or appointed to hold office in any agency, including any person serving on an advisory body.

(c) "Relative" means any father, mother, son, daughter, husband, wife, brother, sister, father-in-law, mother-in-law, son-in-law, or daughter-in-law.

(d) "Special private gain or loss" means an economic benefit or harm that would inure to the officer, his or her relative, business associate, or principal, unless the measure affects a class that includes the officer, his or her relative, business associate, or principal, in which case, at least the following factors must be considered when determining whether a special private gain or loss exists:

1. The size of the class affected by the vote.
2. The nature of the interests involved.
3. The degree to which the interests of all members of the class are affected by the vote.
4. The degree to which the officer, his or her relative, business associate, or principal receives a greater benefit or harm when compared to other members of the class.

The degree to which there is uncertainty at the time of the vote as to whether there would be any economic benefit or harm to the public officer, his or her relative, business associate, or principal and, if so, the nature or degree of the economic benefit or harm must also be considered.

(2)(a) A state public officer may not vote on any matter that the officer knows would inure to his or her special private gain or loss. Any state public officer who abstains from voting in an official capacity upon any measure that the officer knows would inure to the officer's special private gain or loss, or who votes in an official capacity on a measure that he or she knows would inure to the special private gain or loss of any principal by whom the officer is retained or to the parent organization or subsidiary of a corporate principal by which the officer is retained other than an agency as defined in s. 112.312(2); or which the officer knows would inure to the special private gain or loss of a relative or business associate of the public officer, shall make every reasonable effort to disclose the nature of his or her interest as a public record in a memorandum filed with the person responsible for recording the minutes of the meeting, who shall incorporate the memorandum in the minutes. If it is not possible for the state public officer to file a memorandum before the vote, the memorandum must be filed with the person responsible for recording the minutes of the meeting no later than 15 days after the vote.

(b) A member of the Legislature may satisfy the disclosure requirements of this section by filing a disclosure form created pursuant to the rules of the member's respective house if the member discloses the information required by this subsection.

(3)(a) No county, municipal, or other local public officer shall vote in an official capacity upon any measure which would inure to his or her special private gain or loss; which he or she knows would inure to the special private gain or loss of any principal by whom he or she is retained or to the parent organization or subsidiary of a corporate principal by which he or she is retained, other than an agency as

defined in s. 112.312(2); or which he or she knows would inure to the special private gain or loss of a relative or business associate of the public officer. Such public officer shall, prior to the vote being taken, publicly state to the assembly the nature of the officer's interest in the matter from which he or she is abstaining from voting and, within 15 days after the vote occurs, disclose the nature of his or her interest as a public record in a memorandum filed with the person responsible for recording the minutes of the meeting, who shall incorporate the memorandum in the minutes.

(b) However, a commissioner of a community redevelopment agency created or designated pursuant to s. 163.356 or s. 163.357, or an officer of an independent special tax district elected on a one-acre, one-vote basis, is not prohibited from voting, when voting in said capacity.

(4) No appointed public officer shall participate in any matter which would inure to the officer's special private gain or loss; which the officer knows would inure to the special private gain or loss of any principal by whom he or she is retained or to the parent organization or subsidiary of a corporate principal by which he or she is retained; or which he or she knows would inure to the special private gain or loss of a relative or business associate of the public officer, without first disclosing the nature of his or her interest in the matter.

(a) Such disclosure, indicating the nature of the conflict, shall be made in a written memorandum filed with the person responsible for recording the minutes of the meeting, prior to the meeting in which consideration of the matter will take place, and shall be incorporated into the minutes. Any such memorandum shall become a public record upon filing, shall immediately be provided to the other members of the agency, and shall be read publicly at the next meeting held subsequent to the filing of this written memorandum.

(b) In the event that disclosure has not been made prior to the meeting or that any conflict is unknown prior to the meeting, the disclosure shall be made orally at the meeting when it becomes known that a conflict exists. A written memorandum disclosing the nature of the conflict shall then be filed within 15 days after the oral disclosure with the person responsible for recording the minutes of the meeting and shall be incorporated into the minutes of the meeting at which the oral disclosure was made. Any such memorandum shall become a public record upon filing, shall immediately be provided to the other members of the agency, and shall be read publicly at the next meeting held subsequent to the filing of this written memorandum.

(c) For purposes of this subsection, the term "participate" means any attempt to influence the decision by oral or written communication, whether made by the officer or at the officer's direction.

(5) If disclosure of specific information would violate confidentiality or privilege pursuant to law or rules governing attorneys, a public officer, who is also an attorney, may comply with the disclosure requirements of this section by disclosing the nature of the interest in such a way as to provide the public with notice of the conflict.

(6) Whenever a public officer or former public officer is being considered for appointment or reappointment to public office, the appointing body shall consider the number and nature of the memoranda of conflict previously filed under this section by said officer.

PALM BEACH CODE OF ETHICS

SECTION 2-443

PARAGRAPH (b) : Corrupt misuse of official position

Sec. 2-443. Prohibited conduct.

(a) Misuse of public office or employment. An official or employee shall not use his or her official position or office, or take or fail to take any action, or influence others to take or fail to take any action, or attempt to do any of these things, in a manner which he or she knows or should know with the exercise of reasonable care will result in a special financial benefit, not shared with similarly situated members of the general public, for any of the following persons or entities: (1) Himself or herself; (2) His or her spouse or domestic partner, household member or persons claimed as dependents on the official or employee's latest individual federal income tax return, or the employer or business of any of these people; (3) A sibling or step-sibling, child or step-child, parent or step-parent, niece or nephew, uncle or aunt, or grandparent or grandchild of either himself or herself, or of his or her spouse or domestic partner, or the employer or business of any of these people; (4) An outside employer or business of his or hers, or of his or her spouse or domestic partner, or someone who is known to such official or employee to work for such outside employer or business; (5) A customer or client of the official or employee's outside employer or business; (6) A substantial debtor or creditor of his or hers, or of his or her spouse or domestic partner— "substantial" for these purposes shall mean at least ten thousand dollars (\$10,000) and shall not include forms of indebtedness, such as a mortgage and note, or a loan between the official or employee and a financial institution; (7) A civic group, union, social, charitable, or religious organization, or other organization of which he or she (or his or her spouse or domestic partner) is an officer or director. However, this sub-section shall not apply to any official or employee who is required to serve on the board of directors of any organization solely based on his or her official position (ex-officio), regardless of whether he or she has Page 4 of 13 voting rights on the board, and who receives no financial

compensation for such service on the board of directors, and otherwise has no personal ownership interest in the organization.

(b) Corrupt misuse of official position. An official or employee shall not use or attempt to use his or her official position or office, or any property or resource which may be within his or her trust, to corruptly secure or attempt to secure a special privilege, benefit, or exemption for himself, herself, or others. For the purposes of this subsection, "corruptly" means done with a wrongful intent and for the purpose of obtaining, or compensating or receiving compensation for, any benefit resulting from some act or omission of an official or employee which is inconsistent with the proper performance of his or her public duties.

(c) Disclosure of voting conflicts. County and municipal officials as applicable shall abstain from voting and not participate in any matter that will result in a special financial benefit as set forth in subsections (a)(1) through (7) above. The term "participate" as used in this section shall be defined as: "To take any action, or to influence others to take any action, or to attempt to do any of these things, in order to affect the passage or defeat of the specific matter before the voting body in which the official is required to abstain from voting." The official shall publicly disclose the nature of the conflict and when abstaining from the vote, shall complete and file a State of Florida Commission on Ethics Conflict Form 8B pursuant to the requirements of **Florida Statutes, §112.3143**. Simultaneously with filing Form 8B, the official shall submit a copy of the completed form to the county commission on ethics. Officials who abstain and disclose a voting conflict as set forth herein, shall not be in violation of subsection (a), provided the official does not otherwise use his or her office to take or fail to take any action, or influence others to take or fail to take any action, in any other manner which he or she knows or should know with the exercise of reasonable care will result in a special financial benefit, not shared with similarly situated members of the general public, as set forth in subsections (a)(1) through (7). **(d) Contractual relationships.**

Motion to ask Staff to accomplish the following 6 things:

1. Create an Ordinance that amends the Zoning Code to return Appearance Review for single family detached homes to the town Planning & Zoning Department and removes it from the responsibilities of the Planning & Zoning Board.

2. Create an Ordinance that adds clarifying language to our Zoning Code stating the original intent is to be followed when judging Harmony for single family homes, which is that the Harmony requirements adopted in 1992 restricted the APPEARANCE of a proposed home (no castles or domes), but not the SIZE, MASS, BULK, SCALE, or PROPORTION of the home.

3. Publicize the existing Zoning Code restrictions on house sizes by the height and lot coverage limits, and minimum setbacks listed for the various zoning districts.

4. Publicize that the existing Harmony definition and statements in our Code regarding aesthetically pleasing buildings, etc. are informational regarding the intent of town codes, but not enforceable requirements.

5. Create an Ordinance that revises the architecture requirements in our Zoning Code to clarify that "building design elements" are not to be used in staff decision making as to whether a proposed single family detached home is acceptable.

6. Continue with current plans to encourage voluntary compliance with the town's preferred architectural styles such as with the Pattern Book now being produced.

Fla. Statute 163.3202 (5)(a) Land development regulations relating to building design elements may not be applied to a single-family or two-family dwelling unless:

1. The dwelling is listed in the National Register of Historic Places, as defined in s. 267.021(5); is located in a National Register Historic District; or is designated as a historic property or located in a historic district, under the terms of a local preservation ordinance;
2. The regulations are adopted in order to implement the National Flood Insurance Program;
3. The regulations are adopted pursuant to and in compliance with chapter 553;
4. The dwelling is located in a community redevelopment area, as defined in s. 163.340(10);
5. The regulations are required to ensure protection of coastal wildlife in compliance with s. 161.052, s. 161.053, s. 161.0531, s. 161.085, s. 161.163, or chapter 373;
6. The dwelling is located in a planned unit development or master planned community created pursuant to a local ordinance, resolution, or other final action approved by the local governing body before July 1, 2023; or
7. The dwelling is located within the jurisdiction of a local government that has a design review board or an architectural review board created before January 1, 2020.

(b) For purposes of this subsection, the term:

1. "Building design elements" means the external building color; the type or style of exterior cladding material; the style or material of roof structures or porches; the exterior nonstructural architectural ornamentation; the location or architectural styling of windows or doors; the location or orientation of the garage; the number and type of rooms; and the interior layout of rooms. The term does not include the height, bulk, orientation, or location of a dwelling on a zoning lot; or the use of buffering or screening to minimize potential adverse physical or visual impacts or to protect the privacy of neighbors. Neighbor Acknowledgment & Support: Front Setback Variance

New Palm Beach Heights: Parcel 28-43-41-28-10-015-0030

Property owners Michael & Melissa Bates of Parcel 28-43-41-28-10-015-0030 in New Palm Beach Heights are requesting a front yard setback variance from the Town of Juno Beach.

What is Being Requested:

The current zoning requires a 25-foot front setback. The owners are requesting approval to reduce this setback to 20 feet, which will allow the footprint of the proposed single-family home to shift forward by approximately 4.5 feet. This neighborhood is in one of five residential zoning districts (RS-5) in Juno Beach and uniquely combines the town's largest front setback requirements with comparatively smaller minimum lot sizes.

Purpose of the Request:

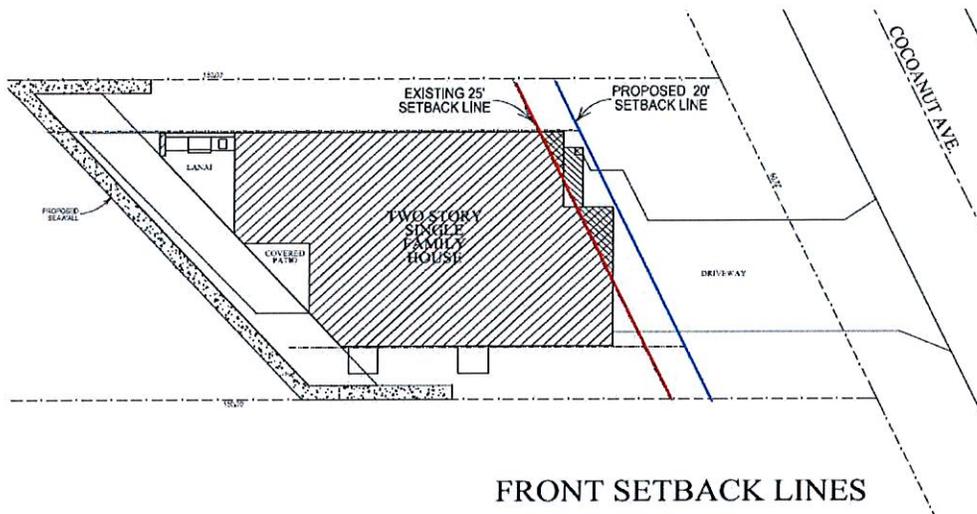

This adjustment allows for a more functional home design while remaining consistent with the scale and character of the surrounding neighborhood. The request does not increase the overall size, height, or density of the home and does not alter side or rear setbacks.

Impact to Neighboring Properties:

- The variance affects only the front yard setback
- No change to lot coverage, building height, or number of stories
- No encroachment onto adjacent properties
- The home will remain a single-family residence consistent with nearby homes

Proposed Change:

A graphic is provided below showing the existing required setback, the requested setback, and the portion of the home affected by the variance.

Acknowledgment:

By signing below, I acknowledge that I have reviewed the proposed variance and understand the nature of the request.

This signature is provided to acknowledge awareness and indicate support for the variance request and does not create any legal obligation.

New Palm Beach Heights: Parcel 28-43-41-28-10-015-0030

Property owners Michael & Melissa Bates of Parcel 28-43-41-28-10-015-0030 in New Palm Beach Heights are requesting a front yard setback variance from the Town of Juno Beach.

What is Being Requested:

The current zoning requires a 25-foot front setback. The owners are requesting approval to reduce this setback to 20 feet, which will allow the footprint of the proposed single-family home to shift forward by approximately 4.5 feet. This neighborhood is in one of five residential zoning districts (RS-5) in Juno Beach and uniquely combines the town's largest front setback requirements with comparatively smaller minimum lot sizes.

Purpose of the Request:

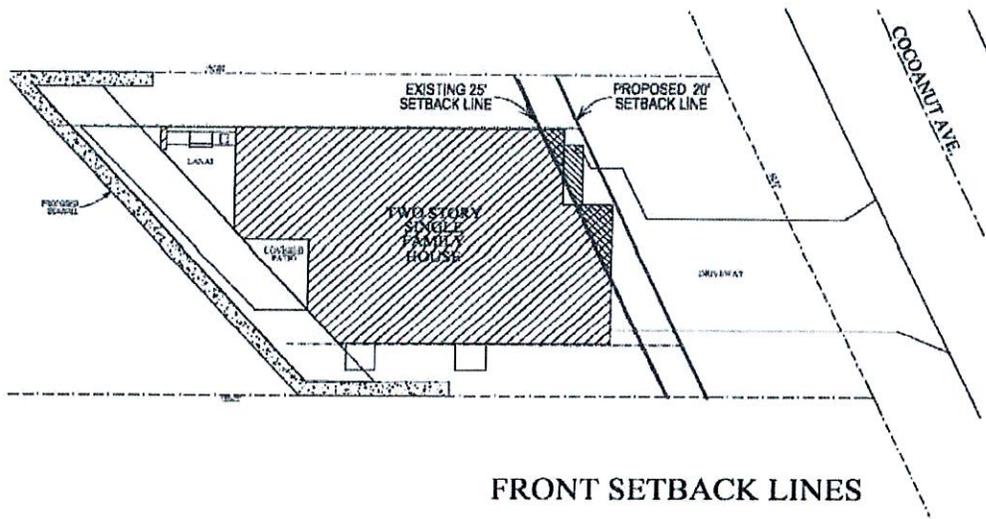

This adjustment allows for a more functional home design while remaining consistent with the scale and character of the surrounding neighborhood. The request does not increase the overall size, height, or density of the home and does not alter side or rear setbacks.

Impact to Neighboring Properties:

- The variance affects only the front yard setback
- No change to lot coverage, building height, or number of stories
- No encroachment onto adjacent properties
- The home will remain a single-family residence consistent with nearby homes

Proposed Change:

A graphic is provided below showing the existing required setback, the requested setback, and the portion of the home affected by the variance.

Acknowledgment:

By signing below, I acknowledge that I have reviewed the proposed variance and understand the nature of the request.

This signature is provided to acknowledge awareness and indicate support for the variance request and does not create any legal obligation.

Zoning District Comparison

	RS-1	RS-2	RS-3	RS-4	RS-5
Front Setback	25 Ft	15 Ft	20 Ft	20 Ft	25 Ft
Minimum Lot Area	10,000 SqFt	8,000 SqFt	6,000 SqFt	5,500 SqFt	6,500 SqFt

- RS-5 Minimum Lot Size: 6,500 SF
- RS-5 Front Setback: 25 Feet (largest of all districts)
- RS-1: 10,000 SF Lot / 25-Foot Setback
- RS-2: 8,000 SF Lot / 15-Foot Setback
- RS-3 & RS-4: 6,000–5,500 SF Lots / 20-Foot Setbacks
- RS-5 imposes a disproportionately large setback relative to lot size.
- The already small lot size, combined with the required front setback of 25 feet (17% of the lot) and the DEP-mandated preservation of roughly 42% of the rear of the property, significantly limits the buildable area.
- Approximately 59% of the lot is not buildable.

Item Title: Proclamation – Florida Bicycle Month

BACKGROUND:

Florida Bicycle Month is observed annually in March to promote bicycling as a safe, healthy, and environmentally friendly mode of transportation and recreation. The observance encourages residents and visitors to consider bicycling for commuting, fitness, and leisure, while also highlighting the importance of bicycle safety and awareness.

DISCUSSION:

Bicycling contributes to improved public health, reduced traffic congestion, and enhanced quality of life. Recognizing Florida Bicycle Month provides an opportunity for the Town to support active transportation, promote roadway safety for bicyclists and motorists, and encourage community engagement in healthy lifestyle choices.

Issuing a proclamation demonstrates the Town's commitment to promoting safety, sustainability, and wellness for all users of its transportation network.

RECOMMENDATION:

It is recommended that the Town Council approve the proclamation recognizing Florida Bicycle Month in the Town of Juno Beach.

Proclamation

Town of Juno Beach of Palm Beach County, Florida

Florida Bicycle Month March 2026

WHEREAS, the Town of Juno Beach recognizes the importance of bicycling in the lives of Juno Beach's residents and visitors; and

WHEREAS, bicycling is a popular form of recreation and transportation choice, which increases access to employment through economic means, reduces traffic congestion and emissions, promotes health and wellness, enhances economies, and connects communities; and

WHEREAS, the Town of Juno Beach encourages the safe use of bicycles as non-motorized transportation; and

WHEREAS, Palm Beach County ranks sixth (top 25%) in the state of Florida, for counties with a population of over 200,000 for traffic crashes resulting in serious and fatal injuries to pedestrians and bicyclists, with 1,357 collisions resulting in 135 serious injuries crashes, and 69 fatalities in 2022, according to the Palm Beach County Sheriff's Office (PBSO); and

WHEREAS, as a local promoter of Florida Bicycle Month in Palm Beach County, DDEC provides resources to help communities celebrate Florida Bicycle Month, accelerating the momentum around bicycling in Palm Beach County; and

WHEREAS, the state of Florida recognizes March officially as Florida Bicycle Month, which is recognized locally by many Palm Beach County municipalities;

NOW, THEREFORE BE IT RESOLVED, I, Mayor Wheeler, of the Town of Juno Beach, Florida do hereby proclaim the month of March 2026 as Florida Bicycle Month in the Town of Juno Beach.

Item Title: Proclamation – National Eating Disorders Awareness Week

BACKGROUND:

National Eating Disorders Awareness Week is observed annually to raise awareness about eating disorders, promote early intervention, and reduce stigma associated with these conditions. The observance encourages education, understanding, and access to resources that support prevention, treatment, and recovery.

DISCUSSION:

Eating disorders affect individuals of all ages, genders, and backgrounds and can have serious physical and mental health consequences if left unaddressed. Recognizing National Eating Disorders Awareness Week provides an opportunity for the Town to demonstrate its commitment to community well-being, public education, and compassion for those impacted by eating disorders and their families.

Issuing a proclamation helps bring attention to the importance of awareness, support services, and open dialogue surrounding mental and physical health challenges within the community.

RECOMMENDATION:

It is recommended that the Town Council approve the proclamation recognizing National Eating Disorders Awareness Week in the Town of Juno Beach.

Proclamation

Town of Juno Beach of Palm Beach County, Florida

National Eating Disorders Awareness Week 2026

WHEREAS, eating disorders affect 28.8 million Americans or 9% of the U.S. population during their lifetime; and

WHEREAS, eating disorders, including the specific disorders of anorexia nervosa, bulimia nervosa, binge eating disorder, avoidant/restrictive food intake disorder, and other specified feeding or eating disorders, are complex, biologically based illnesses; and

WHEREAS, eating disorders are associated with serious physical health consequences, including irregular heartbeats, heart disease and heart failure, kidney failure, osteoporosis, gastric rupture, tooth decay, obesity, gallbladder disease, diabetes, and death; and

WHEREAS, at least once every 52 minutes, someone dies as direct result of an eating disorder, resulting in 10,200 deaths per year and anorexia nervosa has the second highest mortality rate among all psychiatric illnesses; and

WHEREAS, eating disorders know no boundaries with respect to genders/gender identity, ages, races, ethnicities, body shapes and weights, abilities, sexual orientations, and socioeconomic statuses; and

WHEREAS, eating disorders have a high prevalence amongst active military services members and veterans; and

WHEREAS, the yearly economic cost of eating disorders is \$64.7 Billion with an additional loss of wellbeing per year of \$326.5 Billion; and

WHEREAS, with early detection and intervention, full recovery from an eating disorder is possible; and

WHEREAS, The Alliance for Eating Disorders Awareness, a 501(c)(3) non-profit organization, is a leading, national eating disorders organization, headquartered in the State of Florida, dedicated to the outreach, education, support, and early intervention for all eating disorders.

NOW, THEREFORE BE IT RESOLVED, the Town of Juno Beach, Florida hereby proclaims February 23, 2026 - March 1, 2026 as National Eating Disorder Awareness Week.

Item Title: Proclamation – Let’s Move Palm Beach County

DISCUSSION:

The Town has been asked to support the *Let’s Move: Commit to Change Physical Activity Challenge* through the issuance of a proclamation. This annual initiative inspires residents throughout Palm Beach County to take control of their physical and mental health. The program is spearheaded by Digital VibeZ, Inc. in partnership with Palm Health Foundation.

In its inaugural year, participants logged approximately 100,000 minutes of physical activity. Participation has continued to grow each year, culminating in a significant milestone in 2025 with more than 101 million minutes recorded communitywide. Organizers are seeking to maintain and build upon this momentum.

To increase awareness and participation in the month-long programs and events scheduled for March 2025, the organizers are requesting the issuance of a proclamation designating March 2025 as “Let’s Move Palm Beach County.” A draft proclamation has been provided for consideration.

RECOMMENDATION:

Staff recommends the Town Council consider and approve the Let’s Move Palm Beach County proclamation.

Proclamation

Town of Juno Beach of Palm Beach County, Florida

Let's Move Palm Beach County

WHEREAS, the Town of Juno Beach takes special notice and acknowledges exceptional organizations that help residents who live, work and play within the jurisdiction; and

WHEREAS, in 2014 Digital Vibez became a nonprofit to reach out to underserved youth in Palm Beach County by empowering them through dance fitness, technology and the arts; and

WHEREAS, Digital Vibez partners with the Palm Health Foundation, annually to host The Let's Move: Commit to Change Physical Activity Challenge: a county-wide initiative that focuses on physical activity, nutrition and healthy behaviors; and

WHEREAS, Digital Vibez, Inc. and Palm Health Foundation present the annual challenge, which takes place annually from March 1-31 and encourages individuals within and beyond Palm Beach County to take charge of their health by participating in fun fitness exercises; and

WHEREAS, The Let's Move initiative was originally introduced on a national level, by First Lady Michelle Obama in 2010, with the goal of decreasing childhood obesity throughout the United States due to the fact that nearly one in three children in the United States are overweight or obese and if this problem persists, 1/3 of all children born in 2000 or later will suffer from diabetes at some point in their lives, or will face other obesity-related health problems such as heart disease, high blood pressure, asthma and cancer; and

WHEREAS, Digital Vibez and the Palm Health Foundation invite all residents to take the challenge to MOVE by forming teams, registering online, committing to exercising for at least 30 minutes a day throughout the month of March, and logging their minutes on the Let's Move website, www.letsmovePBC.org. In 2012, Palm Beach County logged 100,000 minutes in the first year of the challenge and we have met the challenge each year since, rising in 2025 to over 101 million minutes logged!

NOW, THEREFORE, the Town of Juno Beach, Florida hereby proclaims the month of March, as:

Let's Move Palm Beach County

and urge all citizens to join us in moving to improve their fitness, mental health, and overall health.

PROCLAIMED this 25th day of February, 2026.

Item Title: Special Event Request: 2026 Town of Jupiter Turtle Trot 5K Run

BACKGROUND:

Staff received a request for a special event from Michael Frabotta, Recreation Coordinator with the Town of Jupiter, for the Turtle Trot 5K Run/Walk. The entire event will take place within the Town of Jupiter, but will require the roadway closure of Ocean Drive, starting at Donald Ross Road. **This event is a recurring event in Town at the same location along Ocean Drive, therefore it is being placed on the consent portion of the agenda. As a note, staff is working with the applicant (Town of Jupiter) and recommends waving all fees due to the applicant being the Town of Jupiter.**

DISCUSSION:

The location of this event will take place at Ocean Cay Park, located in the Town of Jupiter along Marcinski Road and Ocean Drive, and will extend into the Town via Ocean Drive, with the road closure occurring north of Donald Ross Road. Participants will start at Marcinski Road, head north on Ocean Drive, turn around just north of Beach Access #48, and finish at Ocean Cay Park. The closure of Ocean Drive starting at Donald Ross Road was recommended by the Juno Beach Police Department for added safety to participants and vehicular traffic during the event. The event will require Ocean Drive to be closed on Saturday, May 2, 2026, from 6:00 a.m. to 10:30 a.m. The event is expected to attract up to 650 athletes, and the Town of Jupiter will both produce and manage the event with a support staff of approximately 50 to 75 employees and volunteers.

Staff recommends the Town of Jupiter not be charged the Permit Fee of \$100 and a \$500 Security Deposit for this event as they are an adjacent Municipality seeking an Off-Site Special Event. Based on the event type the applicant will be responsible for providing all required items and Staff will apply all the regular conditions for such an event plus any identified by the Town Council.

RECOMMENDATION:

Staff recommends that the Town Council consider the request for the Off-Site Special Event proposed in Juno Beach as stated above, subject to all conditions and requirements of the application, including any additional agency reviews and approvals.

The Honorable Mayor, Town Council and Citizens:

State law requires that all general-purpose local governments publish a complete set of financial statements presented in conformity with U.S. Generally Accepted Accounting Principles (GAAP) and audited in accordance with U.S. generally accepted auditing standards and *Government Auditing Standards* by a firm of licensed certified public accountants. Pursuant to that requirement, we hereby issue the annual comprehensive financial report of the Town of Juno Beach for the fiscal year ended September 30, 2025.

This report consists of management's representations concerning the finances of the Town of Juno Beach. Consequently, management assumes full responsibility for the completeness and reliability of all of the information presented in this report. To provide a reasonable basis for making these representations, management of the Town of Juno Beach has established a comprehensive internal control framework that is designed both to protect the Town's assets from loss, theft, or misuse and to compile sufficient reliable information for the preparation of the Town of Juno Beach's financial statements in conformity with GAAP. Because the cost of internal controls should not outweigh their benefits, the Town of Juno Beach's comprehensive framework of internal controls has been designed to provide reasonable, rather than absolute, assurance that the financial statements will be free from material misstatement. As management, we assert that, to the best of our knowledge and belief, this financial report is complete and reliable in all material respects.

The Town of Juno Beach's financial statements have been audited by Mauldin & Jenkins, LLC., a firm of licensed certified public accountants. The goal of the independent audit was to provide reasonable assurance that the financial statements of the Town of Juno Beach for the fiscal year ended September 30, 2025 are free of material misstatement. The independent audit involved examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements; assessing the accounting principles used and significant estimates made by management; and evaluating the overall financial statement presentation. The independent auditor concluded, based upon the audit, that there was a reasonable basis for rendering an unmodified opinion that the Town of Juno Beach's financial statements for the fiscal year ended September 30, 2025 are fairly presented in conformity with GAAP. The independent auditor's report is presented as the first component of the financial section of this report.

The Town is required to provide a narrative introduction, overview, and analysis to accompany the basic financial statements in the form of Management's Discussion and Analysis (MD&A). This letter of transmittal is designed to complement the MD&A and should be read in conjunction with it. The Town's MD&A can be found on page 4 of this report.

Profile of the Government

The Town of Juno Beach was incorporated in 1953 and is located approximately 14 miles north of West Palm Beach, which is the county seat of Palm Beach County. The Town encompasses an area of 2.72 square miles. This special and unique Town is an island with the Intracoastal Waterway to the west, the Atlantic Ocean to the east, Jupiter Inlet to the north and Palm Beach Inlet to the south.

The Town has operated under the Council-Manager form of government since 1985. Policy-making and legislative authority are vested in a five member Town Council. The Council is elected on a non-partisan basis. Councilmembers serve three-year staggered terms. The Councilmembers are elected at large. Beginning with the 2024 election, the voters of the Town elect the Mayor, who will serve a two-year term. The Councilmembers will select a vice mayor and vice mayor pro-tem annually. The Town Council is responsible for among other things, passing ordinances, adopting the budget, appointing committees, and hiring both the Town Manager and Town Attorney. The Town Manager is responsible for carrying out the policies and ordinances of the Town Council, for overseeing the day-to-day operations of the government, and for appointing the heads of the various departments.

The Town of Juno Beach is empowered to levy a property tax on both real and personal properties located within its boundaries. It also is empowered by state statute to extend its corporate limits by annexation, which occurs periodically when deemed appropriate by the Town Council.

The Town provides general municipal services such as police protection, planning, zoning and building, code enforcement, parks, public works, stormwater utilities and cultural events. Fire protection and emergency medical services are provided by Palm Beach County. Utility services, such as water and wastewater are provided by neighboring jurisdictions including the Town of Jupiter, Loxahatchee River District and Seacoast Utility Authority. Sanitation collection services are currently contracted with Waste Management, Inc. until September 2027. The Town contracts with Diversified Building Department Management Corporation for building official, plan review and inspection services for our building and permitting department needs through September 2026, with an option to renew for one additional two-year term.

The annual budget serves as the foundation for the Town of Juno Beach's financial planning and control. The Town of Juno Beach's budget process begins in April with staff meetings between the Town Manager and Department Directors to review budget philosophy and develop overall goals and objectives. The Town Council is required to hold public hearings on the proposed budget and must adopt a final budget as required by the Florida Property Tax Truth in Millage (TRIM) Process. Changes or amendments to the total budgeted expenditures of the Town or total departmental expenditures must be approved by the Town Council; however, changes within a department, which do not affect the total departmental expenditures, may be approved by the Town Manager. Accordingly, the legal level of control is at the department level. The budgetary process is very valuable in communicating with the Town Council and citizens of the Town.

Town-Wide Amenities: The Town has many special features that contribute to its wonderful quality of life. The following is a list of some of these special features:

Beach

The Town has 2.4 miles of wonderful beaches along a spectacular blue ocean. Eleven (seven Town owned) dune walkovers provide beach access for the public that include a variety of structures, showers, parking, gazebo and chickee huts among other amenities.

Juno Beach Pier	The Town has a County owned and operated 990-foot pier at its northern edge. It is visited and enjoyed by sightseers and fishermen from all over.
Loggerhead Marinelife Center/ Turtle Nesting	The Town's coastline is one of the highest density nesting areas for sea turtles in the world. The Loggerhead Marinelife Center (LMC), a not-for-profit organization, monitors the nests and is dedicated to promoting the conservation of Florida's coastal ecosystem through education, research and rehabilitation with a special focus on threatened and endangered sea turtles. The LMC is located in the County owned Loggerhead Park.
Environmentally Sensitive Lands	Approximately 594 acres of land or 43% of the Town's total land area has been purchased by the County for preservation. The County has installed trails throughout these parcels, known as the Juno Dunes Natural Area, to serve as a beautiful nature walk and to educate the public about the importance of preservation. Additional improvements include a light vessel boat dock, erosion control and other amenities along the intracoastal waterway.
Town Parks	Pelican Lake Park includes a 12-acre lake adjacent to the Town Center Property with lush landscaping and a $\frac{3}{4}$ mile – 8 feet wide public concrete and paver brick sidewalk, covered gazebos and fountains is the setting for Town events and leisure strolls. South of Pelican Lake the Town owns and operates Kagan Park, which has playground equipment, bocci, basketball, and adult exercise stations. Town Hall Park is our newest park completed in 2018; it is the site of the Town's first Town Hall from 1961-1991. The park includes a gazebo, sidewalk, paver bricks, seating and lush landscape.
County Parks in Town	The Town benefits from two beach-front County parks. Loggerhead Park has covered picnic areas and a playground and houses the Loggerhead Marinelife Center. Juno Beach Park, at the northern edge of Town, serves as a large parking lot for beach goers and the County owned and operated pier.
Cultural Resources	The Town hosts and takes part in many cultural activities. Many local history, art and civic organizations utilize the Town's resources for their activities. The "Juno Beach Historical Society" collects items linked to the history of the Town, preserves them for future generations, and shares this history with the public. The "Friends of the Arts" organizes art shows for local artists; artwork is displayed year-round in the Town Center Council Chambers. "Artfest by the Sea in Juno Beach" draws some 30,000 visitors and is held along A1A and the Ocean at the north end of Town.
Diverse Housing	The Town has assisted living facility units, mobile home parks, townhouses, condominium units and single-family homes with values in excess of several million dollars.

Seminole Golf Club

A prestigious private oceanfront golf course designed by Donald Ross and opened in 1929.

Town Center

This complex was designed to house all of the Town's government operational needs and also function as a cultural center to facilitate social activities, host events and serve as a meeting place for homeowners associations, businesses, social groups, etc.

Local Economy

Juno Beach is a seasonal, residential community with a permanent population of approximately 3,895. With over 3,000 residential units, the Town's population, supports the notion that more property owners are choosing Juno Beach as their seasonal residence as opposed to their permanent residence. During the seasonal months (November through April) the population of the Town increases dramatically, nearly tripling. This influx of residents also brings an increase in tourists that seek the wonderful temperate climate that is south Florida. Neighboring cities and towns also experience significant increases in resident and tourist traffic during the winter and early spring months which help support many local businesses. The Town and surrounding communities generally experience a stable economy and real estate market. The Town benefits from the County's persuasion and initiative to foster job creation by targeting the industries of biotechnical science and aerospace engineering. The Scripps Research Institute and bioscience industry spin-offs have materialized with the addition of the Max Planck Florida Institute to the life sciences cluster at the expanding Florida Atlantic University campus which is located west of town in the Town of Jupiter. This diversification of the local economy in relation to its long-standing economic base of tourism, retail, healthcare and housing activities will positively influence the Town for the coming years.

The Town had the following projects that were completed during 2024/2025:

- Several new single-family homes throughout Town

The Town had the following major projects that were in progress or started during 2024/2025:

Several new single-family homes throughout the Town

- The Waterford Campus Remodel (first and second phase)
- Caretta – an infill mixed use project featuring 95 multi-family units, 13,978 sq ft of retail use, 2,000 sq ft of office space, 7,112 sq ft of restaurant space, and 2,5000 sq ft of outdoor dining space
- The Dunes at Juno Beach – 40 Townhouse project

Juno Beach is fortunate to have two major corporate headquarters located here:

NextEra Energy, Inc. (NEE), encompasses approximately one million square feet of office space at their Juno Beach headquarters, where over two thousand employees work at this location. NEE is ranked No. 1 in the electric and gas utilities industry in Fortune's 2023 list of "World's Most Admired Companies" and they are the parent company of Florida Power & Light Company (FPL) and NextEra Energy Resources, LLC (NEER). FPL serves more than 12 million people through approximately 5.8 million customer accounts in Florida and is one of the largest rate-regulated electric utilities in the United States. NEER, which together with its affiliated entities, is the world's largest generator of renewable energy from the wind and sun and world leader in battery storage. It's strategic focus is centered on the development, construction and operation of long-term contracted assets throughout the U.S. and Canada.

Document Storage Systems (DSS), Inc. was founded in 1991 and is an internationally recognized health information technology (HIT) company headquartered in Juno Beach. DSS specializes in the integration, development and innovation of healthcare technology to promote interoperable information exchange throughout the industry. The company serves both federal and commercial spaces, with a heavy focus on serving the Veterans Health Administration (VHA). DSS acquired Sage Health Management Solutions (Sage HMS) in 2007 and Informatix Laboratories Corporation (ILC) in 2009. Sage HMS is the developer of RadWise, a radiology decision support system. ILC specializes in billing and accounts receivables software for Native American healthcare facilities.

Future Economic Outlook

In the Town's near future, we face the loss of a voter approved sales tax revenue that helps to fund many capital projects. Combine that with constant attempts at legislative changes to revenue opportunities like increased homestead exemptions, reduction in business tax, revamping of short-term rental fees and Juno Beach could see revenue short falls in the future. Florida's employment and sales tax receipts are increasing, tourism is improving, and the overall Florida housing sector is in demand. With the influx of new residents moving to Florida, rents and home sale prices have increased significantly. Approximately 350,000 new residents moved to Florida in 2025 with the coastal communities being in the highest demand, which makes Juno Beach a desirable place to live.

The Town of Juno Beach's property values have increased fourteen years in a row, including the 2025 fiscal year. The Town's residential values and sales are strong. The Town is experiencing some new residential construction and commercial properties are stable. Building permit activity is increasing with new development. The Town's ocean views are beautiful with healthy beaches. Our weather is very pleasant and our density and traffic, although increasing, are not too demanding.

Major Initiatives

The Town is coordinating with Palm Beach County Engineering to resurface Ocean Drive from US Highway 1 to Donald Ross Road and improve drainage from S. Juno Lane to just north of N. Lyra Circle. The enhancements to the stormwater drainage system along Ocean Drive include additional catch basins and drainage pipe. The project will also create two new littoral shelves in Pelican Lake to improve the overall water quality of the lake. The County is expecting to complete this project in 2026.

The Town was awarded another Florida Recreation Development Assistance Program (FRDAP) grant in July 2024 in the amount of \$150,000 to renovate a newly acquired beach access site at Donald Ross Road. This grant will renovate the existing structure by replacing it and extending it westward towards Ocean Drive. Additional funding from the Town will address the drainage and erosion concerns at this location.

In March 2024, the Town of Juno Beach and the State of Florida entered into a grant agreement to create a Comprehensive Vulnerability Assessment. This funding from the Resilient Florida grant provides \$224,999 to create a Vulnerability Assessment Plan specific to Juno Beach. This is a 15-month project and will be completed in early 2026. An environmental consultant has been hired by the Town to write this comprehensive plan.

One-Cent Surtax

On November 8, 2016, the voters of Palm Beach County approved a one-cent sales surtax. The approval effectively raised the sales tax from 6 cents to 7 cents on the dollar, giving the county government, its public schools and municipal governments funding intended primarily for repairing infrastructure and public facilities, and purchasing capital equipment needs. The surtax commenced on January 1, 2017, and automatically ceased on December 31, 2025. The Town has received \$2,632,238 in Surtax revenue through fiscal year 2025. The Town's completed and proposed projects are identified below.

Completed Surtax Projects:

- Building and facility improvements include: The second-floor library area of the Town Center was renovated. The improvements included removing walls and opening up the area to better utilize the space and accommodate larger gatherings. New and additional bookshelves were installed, along with cabinets and other furnishings, a large smart television to aid in presentations was added. The Town Center's north parking lot storage building included attic storage, insulation, and climate control improvements to provide more effective use of the space. Automation of the Town Center's front door provides easier access for the community.
- Renovation of the Town's dune walkover structures over the years to enhance the accessibility for residents and visitors. Funding has been through Surtax, or in conjunction with State of Florida FRDAP grants. The improvements include seating areas, aluminum handrails and they are constructed with composite lumber to provide many years of longevity and enjoyment for the community.
- The Town has completed multiple park improvements. The Kagan Park playground area had improvements to drainage and installation of new surface material in the play structure fall zones. Town Hall Park, the Town's newest park, was the recipient of new landscaping, a park sign, and an additional sidewalk that includes engravable paver bricks so residents and visitors can make their "mark in the park." Pelican Lake Park received a new granite fountain to replace an aged fountain. The beautiful three-tier fountain will adorn the lakeside park for many years.
- Various police and public works vehicles and equipment were purchased by the Town to enhance and improve the fleet.

Proposed Surtax Projects:

- The Town has budgeted multiple projects for the 2025-2026 fiscal year. Projects include the renovation of the Kagan Park Playground, renovation of the Dune Walkover JB0, the South Littoral Shelf construction, 2 hybrid marked police vehicles, a public works vehicle, a sidewalk sweeper, the re-thatch of Chickee Huts and the replacement of the silent alarm system.

Relevant Financial Policies

The establishment of financial policies is an important part of prudent financial management. The Town maintains various financial policies within which it operates to reduce ambiguity and guide the creation, maintenance and use of resources for financial consistency and stability.

Long-term Financial Planning: The Town's unassigned fund balance policy is to maintain a minimum balance of 50% of the operating budget. This is mainly due to the small size of our budget, the high percentage of our budgeted revenues derived from property taxes, (about 50% excluding grants and non-cash revenues) and the location of our Town along the Atlantic Ocean. Reserve funds are intended to smooth out economic downturns, deal with unexpected situations, and purchase major capital items without incurring debt. The most important reason for adequate reserves for the Town of Juno Beach is the potential problems that could arise from the advent of a catastrophe such as a major hurricane. A major storm could substantially reduce the Town's tax base for several years and during this "rebuilding period" after a storm, demands for service will be substantially higher.

Reserves are also supplementing the budget with investment income. These investments are consistently outperforming the three-month U.S. Treasury Bill rate.

Cash management policies and practices: Cash temporarily idle during the year is invested in various instruments including certificates of deposit, money market accounts, Florida Prime fund and the Florida Municipal Investment Trust, which is administered by the Florida League of Cities. The average yield on all investments was 6.4 percent for the 12-month period ending September 30, 2025. The Town of Juno Beach's investment policy places first priority upon security of the investment and secondary priority on investment yield.

Debt administration: The Town currently has no outstanding long-term debt. The Town became debt-free as of April 1, 2013. The Town has no legal debt margin.

Risk management: Management and staff are committed to a comprehensive risk management program. Risk management topics, issues and incidents are consistently discussed at monthly staff meetings and quarterly safety committee meetings. The Town purchases insurance for property, general liability, automobile, and workers compensation coverage through the Florida League of Cities insurance programs. The Town's employee health insurance coverage as of January 1, 2025, is through Blue Cross and Blue Shield of Florida-Florida Blue. Insurance coverages are evaluated annually by management and adjusted as necessary to provide the most cost-effective protection for the Town.

Awards and Acknowledgements

Awards: The Government Finance Officers Association of the United States and Canada (GFOA) awarded a Certificate of Achievement for Excellence in Financial Reporting to the Town of Juno Beach for its comprehensive annual financial report for the fiscal year ended September 30, 2024. The Certificate of Achievement is a prestigious national award recognizing achievement of the highest standards for preparation of state and local government financial reports.

In order to be awarded a Certificate of Achievement, a government must publish an easily readable and efficiently organized annual comprehensive financial report, whose contents conform to program standards. Such an annual comprehensive financial report must satisfy both U.S. generally accepted accounting principles and applicable legal requirements.

A Certificate of Achievement is valid for a period of one year only. The Town of Juno Beach has received a Certificate of Achievement for the last forty-four consecutive fiscal years. We believe our current report continues to conform to the Certificate of Achievement program requirements and we are submitting it to GFOA.

Acknowledgements: The preparation of this report on a timely basis could not have been accomplished without the cooperation and dedicated service of the entire staff of the Town and the efficient assistance of the independent auditors.

We wish to express our sincere appreciation to the members of the Town Council for their interest and support in conducting the financial operations of the Town in a sound and progressive manner, thus assuring the citizens a high level of financial stability.

Respectfully submitted,

Independent Auditor's Report

**Honorable Mayor and Members of the Town Council
Town of Juno Beach, Florida**

Report on the Audit of the Financial Statements

Opinions

We have audited the accompanying financial statements of the governmental activities and the major fund of the Town of Juno Beach, Florida (the "Town"), as of and for the year ended September 30, 2025, and the related notes to the financial statements, which collectively comprise the Town's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities and the major fund of the Town as of September 30, 2025, and the respective changes in financial position for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Town and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Town's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Town's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Town's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis on pages 4 through 9, budgetary comparison on pages 47 and 48, the schedule of the Town's proportionate share of the net pension liability (FRS), schedule of Town contributions (FRS), the schedule of the Town's proportionate share of the net pension liability (HIS), schedule of Town contributions (HIS), and the schedule of changes in the Town's total OPEB liability on pages 50 through 54 be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Management is responsible for the other information included in the annual report. The other information comprises the introductory and statistical sections but does not include the basic financial statements and our auditor's report thereon. Our opinions on the basic financial statements do not cover the other information, and we do not express an opinion or any form of assurance thereon.

In connection with our audit of the basic financial statements, our responsibility is to read the other information and consider whether a material inconsistency exists between the other information and the basic financial statements, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated February 17, 2026, on our consideration of the Town's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Town's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Town's internal control over financial reporting and compliance.

Management's Discussion and Analysis

As management of the Town of Juno Beach, we offer readers of the Town's financial statements this narrative overview and analysis of the financial activities of the Town of Juno Beach for the fiscal year ended September 30, 2025. We encourage readers to consider the information presented in the MD&A in conjunction with additional information that we have furnished in our letter of transmittal.

The information contained within this Management's Discussion and Analysis (MD&A) is only one component of the entire financial statement report. Readers should take time to read and evaluate all sections of the report, including the footnotes and the other Required Supplementary Information that is provided in addition to this MD&A.

FINANCIAL HIGHLIGHTS

- The assets plus deferred outflows of resources of the Town of Juno Beach exceeded its liabilities plus deferred inflows of resources at September 30, 2025, by \$18,252,534. Of this amount, unrestricted net position of \$4,956,389 may be used to meet the government's ongoing obligations to citizens and creditors.
- The total net position increased by \$2,078,486 (page 11).
- As of the close of the current fiscal year, the Town of Juno Beach's General Fund reported ending fund balance of \$14,071,701, an increase of \$1,819,672. Of this amount, \$7,363,919 is unassigned and available for spending and \$1,243,984 has been assigned for the subsequent year's budget. The remainder is either non-spendable or restricted.
- At the end of the current fiscal year, the unassigned and assigned fund balance (page 12) for the General Fund represented 103% of total General Fund expenditures (page 14) or 375 days of available funding.

OVERVIEW OF FINANCIAL STATEMENTS

This discussion and analysis is intended to serve as an introduction to the Town of Juno Beach's basic financial statements. The Town of Juno Beach's basic financial statements are comprised of three components: (1) government-wide financial statements, (2) fund financial statements, and (3) notes to the financial statements. This report also contains other supplementary information in addition to the basic financial statements themselves.

Government-Wide Financial Statements: The government-wide financial statements are designed to provide readers with a broad overview of the Town of Juno Beach's finances, in a manner similar to a private-sector business.

The statement of net position (page 10) presents information on all of the Town's assets plus deferred outflows of resources and liabilities plus deferred inflows of resources, with the difference between the two reported as net position. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the Town is improving or deteriorating.

OVERVIEW OF FINANCIAL STATEMENTS (CONTINUED)

The statement of activities (page 11) presents information showing how the government's net position changed during the most recent fiscal year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, regardless of the timing of related cash flows. Thus, revenues and expenses are reported in this statement for some items that will only result in cash flows in future fiscal periods.

Both of the government-wide financial statements focus on functions of the Town that are principally supported by taxes and intergovernmental revenues (governmental activities), since the Town does not have any business-type activities. The governmental activities of the Town of Juno Beach include administrative, planning and zoning, public safety, and public works.

Fund Financial Statements: A fund is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The Town, like other state and local governments, uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements. The Town of Juno Beach has one fund category: governmental funds.

Governmental Funds: *Governmental funds* are used to account for essentially the same functions reported as governmental activities in the government-wide financial statements. However, unlike the government-wide financial statements, governmental fund financial statements focus on near term inflows and outflows of spendable resources, as well as on balances of spendable resources available at the end of the fiscal year. Such information may be useful in evaluating a government's near-term financing requirements.

Because the focus of governmental funds is narrower than that of the government-wide financial statements, it is useful to compare the information presented for governmental funds with similar information presented for governmental activities in the government-wide financial statements. By doing so, readers may better understand the long-term impact of the government's near-term financing decisions. Both the governmental fund balance sheet and the governmental fund statement of revenues, expenditures, and changes in fund balances provide a reconciliation to facilitate this comparison between the two. The Town's only governmental fund is the General Fund. The governmental fund financial statements are presented on pages 12 through 15.

The Town of Juno Beach adopts an annual budget for its General Fund. A budgetary comparison schedule has been provided as required supplementary information for the General Fund (pages 47 through 49) to demonstrate compliance with the fiscal year 2025 budget.

Notes to the Financial Statements: The notes begin on page 16 and provide additional information that is essential to a full understanding of the data provided in the government-wide and fund financial statements.

Other Information: In addition to the basic financial statements and accompanying notes, this report also presents certain other required supplementary information. This includes the budgetary comparison for the General Fund referred to earlier in connection with governmental funds and various schedules of pension and other post-employment benefits information which is presented on pages 50 through 54.

GOVERNMENT-WIDE FINANCIAL ANALYSIS

Net Position: The table below is a summary of the statement of net position at September 30, 2025 and 2024.

As noted earlier, net position may serve over time as a useful indicator of a government's financial position. At September 30, 2025, the Town's assets plus deferred outflows of resources exceeded liabilities plus deferred inflows of resources by \$18,252,534. The largest portion of the Town's net position (42%) reflects its investment in capital assets. Capital assets are used to provide services to citizens and they are not available for future spending. A portion of the net position, \$5,456,389 or 30%, represents resources that are subject to external restrictions on how they may be used. The remaining balance of unrestricted net position, \$5,070,104 or 28%, may be used to meet the government's ongoing obligations to citizens and creditors.

Net position, end of year	<u>\$ 18,252,537</u>	<u>\$ 16,174,051</u>

The Town's net position increased by \$2,078,486 for 2025. Total revenues increased approximately \$174,801 or 2% from the prior year which is mainly attributed to the following:

- A \$446,946 increase in charges for services that is mainly attributable to an increase in building related activities due to some large development projects;
- A \$222,827 decrease in grants received;
- A \$272,098 increase in property taxes.

Expenses increased approximately \$693,381 or 9%. The increase in expenses is primarily due to the following:

- Administrative professional fee increases.
- Building Permit Inspections with offsetting permit revenue.

FINANCIAL ANALYSIS OF THE GOVERNMENT'S FUNDS

As noted earlier, the Town of Juno Beach uses fund accounting to ensure and demonstrate compliance with finance related legal requirements.

Governmental Funds: The purpose of the Town's governmental fund financial statements is to provide information on near-term inflows, outflows, and balances of spendable resources. Such information is useful in assessing the Town's financing requirements. In particular, unassigned fund balance may serve as a useful measure of a government's net resources available for spending at the end of the fiscal year.

At September 30, 2025, the Town's General Fund reported ending fund balance of \$14,071,701, which was an increase of \$1,819,672 in comparison to the prior year. Of this amount, \$7,363,919 (52%) is unassigned fund balance, which is available for spending at the government's discretion. In addition, the Town Council has assigned \$1,243,984 to be used for subsequent year's expenditures. The remainder of fund balance is non-spendable (\$7,409) or restricted for specific purposes (\$5,456,389). As a measure of the General Fund's liquidity, it may be useful to compare both unassigned fund balance and total fund balance to total fund expenditures. Unassigned fund balance represents 88% of total General Fund expenditures, while total fund balance represents 168% of that same amount.

The fund balance of the Town's General Fund increased by \$1,819,672 during the current fiscal year. The key factors in this increase were a combination of higher than expected revenues from Investment earnings, and charges for services (Building permit fees carried forward), in addition to the deferral of purchases and projects to future budgets.

GENERAL FUND BUDGETARY HIGHLIGHTS

The annual General Fund budget is adopted after two public hearings and approval of the Town Council. Any amendments that would exceed the original budget at the fund level or would require funds to be transferred from contingency would require a formal budget amendment by an ordinance, two public hearings and approval by the Town Council. The original General Fund appropriation was amended during 2025 to cover the increase in building related activity. In addition, funds were transferred from an appropriated General Fund contingency account to department/program accounts in the budget to provide for unanticipated expenditures in accordance with Town Council authorizations.

In comparing budget to actual revenues and expenditures on pages 47 and 48, the following variances are considered noteworthy:

- The Town's actual revenues of \$10,021,664 were \$1,698,719 over budgeted revenue. Licenses, permits and fees were over budget \$910,544, mainly related to building related activity; Investment earnings were over budget \$291,242, the increase was related to the rising interest rate environment; Intergovernmental revenues were under budget by \$324,601, primarily due to not receiving the awarding of grant funds.
- Administrative expenditures were \$728,838 under budget which was mainly attributed to contingency excess and staff vacancies.
- Planning and zoning expenditures were \$69,461 under budget which was mainly due to reduced professional fees.
- Public safety expenditures were \$348,363 under budget which was mainly due to lower salary costs due to staff turnover.
- Public works expenditures were \$1,339,276 under budget which was mainly due to delays in capital outlay related to ongoing projects.

CAPITAL ASSETS AND DEBT

Capital Assets: The Town's investment in capital assets for its governmental activities at September 30, 2025 amounts to \$7,726,041 (net of accumulated depreciation). This investment in capital assets includes land, buildings, improvements other than buildings, equipment, vehicles and infrastructure.

Capital asset additions during the fiscal year totaled \$784,187 and included the following:

- Buildings and Improvements – The metal roofs on three dune walkovers were replaced.
- Equipment and Vehicles – The audio/visual system in the Town Center Council Chambers was upgraded. Two new police vehicles were purchased. Tasers were replaced for the police department.
- Construction in Process – Work started on the repair of the Pelican Lake Gazebo as well as the renovation of Dune Walkover JB0.

Additional information on the Town's capital assets can be found in Note 4 of this report.

Debt: The Town has no debt outstanding at September 30, 2025.

ECONOMIC FACTORS AND NEXT YEAR'S BUDGETS AND OTHER EVENTS

For fiscal year 2026, the Town Council adopted a General Fund budget of \$10,645,492, representing a 1.3% decrease from the 2025 fiscal year budget. The primary decrease in the fiscal year 2026 budget is the reduction of the rollover funds.

The 2026 fiscal year budget capital improvement items include; renovations of Kagan Park Playground and Dune Walkover JB0, sidewalk and paver repairs, various computer network hardware and software needs, vehicles for the police and public works departments, various equipment purchases, and several other smaller projects and improvements.

The Town has a relatively stable property tax base. Property taxes represent approximately 43% of the 2026 budgeted operating revenues of the Town. The balance of revenues comes from sales and use taxes, intergovernmental revenues, utility taxes, charges for Town services, licenses, permits, fines, reserves, grants, contributions, etc.

REQUESTS FOR INFORMATION

This financial report is designed to provide our citizens, taxpayers, customers, investors and creditors with a general overview of the Town's finances and to demonstrate the Town's accountability. Notes To Financial Statements

NOTE 1. NATURE OF ORGANIZATION AND REPORTING ENTITY

The Town of Juno Beach, Florida (the "Town"), is a municipal corporation established on June 4, 1953. Pursuant to authority granted by the Florida Constitution and Florida Statutes Chapter 165, the Town enacted its current Charter by Town Ordinance No. 280, adopted on March 6, 1985, and approved by referendum on March 12, 1985. The Town is governed by a five-member, elected Town Council and provides a range of municipal services including police protection, planning and zoning, roads and streets, recreation and park facilities, public improvements and general administration functions.

As defined by U.S. generally accepted accounting principles (GAAP), the financial reporting entity consists of: (a) the primary government, (b) organizations for which the primary government is financially accountable, and (c) other organizations for which the primary government is not accountable, but for which the nature and significance of their relationship with the primary government are such that exclusion would cause the reporting entity's financial statements to be misleading or incomplete. Component units are legally separate organizations for which the elected officials of the primary government are financially accountable. In addition, component units can be other organizations for which the nature and significance of their relationship with the primary government are such that exclusion would cause the reporting entity's financial statements to be misleading or incomplete. Based upon the application of these criteria, the following discusses Seacoast Utility Authority (a jointly governed organization) as a potential component unit in defining the Town's financial reporting entity:

Seacoast Utility Authority: The Seacoast Utility Authority (the "Authority") was formed in August 1988. The Town signed an interlocal agreement with four other local governments to create the authority to provide water and sewer services to its residents. The Authority is governed by a five-member board with one representative from each participating local government. The Town is not financially accountable for the Authority and does not hold title to any of the Authority's assets, nor does it have any right to the Authority's surpluses or any ongoing financial interest and/or responsibility for the Authority. Accordingly, the Authority is not a component unit required to be included in the Town's financial statements.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Government-Wide and Fund Financial Statements

The government-wide financial statements consist of the statement of net position and the statement of activities and report information on all non-fiduciary activities of the Town. These statements include the General Fund as the sole governmental fund to be accounted for as governmental activities. Such activities are normally supported by taxes and intergovernmental revenue. The Town does not have any business-type activities.

Notes To Financial Statements

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Government-Wide and Fund Financial Statements (Continued)

The statement of activities demonstrates the degree to which direct expenses of a given function or identifiable activity are offset by program revenue. Direct expenses are those that are clearly identifiable with a specific function or identifiable activity. Program revenues include three categories of transactions: (1) charges to customers or applicants who purchase, use or directly benefit from goods, services or privileges provided by a given function or segment; (2) operating grants and contributions; and, (3) capital grants and contributions. Taxes and other items not meeting the definition of program revenues are reported as general revenues.

Fund Financial Statements: The underlying accounting system of the Town is organized and operated on the basis of separate funds, each of which is considered to be a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its assets, deferred outflows of resources, liabilities, deferred inflows of resources, fund balance, revenue, and expenditures or expenses, as appropriate.

Governmental resources are allocated to and accounted for in individual funds based upon the purposes for which they are to be spent, and the means by which spending activities are controlled. The fund used by the Town is classified into one category: governmental.

Governmental Fund Financial Statements: Governmental fund financial statements include a balance sheet and a statement of revenue, expenditures, and changes in fund balance for the General Fund, the Town's only governmental fund. An accompanying schedule is presented to reconcile and explain the differences in fund balance and changes in fund balance as presented in these statements, to the net position and changes in net position presented in the government-wide financial statements. The Town's major governmental fund is as follows:

General Fund – this fund is used to account for all financial transactions not accounted for in another fund. Revenue is derived primarily from property taxes, state distributions, and other intergovernmental revenue.

Property Tax Calendar: Ad valorem property taxes are assessed on property valuations as of January 1st and levied the following October 1st. Taxes are due by March 31st and become delinquent on April 1st, when liens are filed against the subject property. Ad valorem taxes are assessed by the Palm Beach County Property Appraiser and collected by the Palm Beach County Tax Collector, which remits the taxes to the Town.

Property Tax Reform: During 2007, the Florida Legislature passed property tax reform legislation limiting the property tax levies of local governments in the State of Florida and increasing the homestead exemption. Local governments that adopt a property tax levy in excess of the limit under State law will lose their Half-Cent Sales Tax distribution from the State for the succeeding 12 months. For the fiscal year ending September 30, 2025, the maximum tax levy allowed by a majority vote of the governing body is generally based on a percentage adjustment applied to the prior year (2023/2024) property tax revenue.

Notes To Financial Statements

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Government-Wide and Fund Financial Statements (Continued)

The percentage adjustment is calculated based on the compound annual growth rate in the per capita property taxes levied for the five preceding fiscal years.

State law allows local governments to adopt a higher millage rate based on the following approval of the governing body: (1) a majority vote to adopt a rate equal to the adjusted current year "rolled-back" millage rate plus an adjustment for growth in per capita Florida personal income; (2) a two-thirds vote to adopt a rate equal to the adjusted current year "rolled-back" millage rate plus 10%; or (3) any millage rate approved by unanimous vote or referendum. For the fiscal year ended September 30, 2025, the Town adopted a 1.8195 millage rate (\$1.8195 per \$1,000 of assessed value). This millage rate resulted in a tax levy of \$4,249,694 for 2025, representing an increase of 6.8% from the property tax levy of \$3,977,596 in 2024. Future property tax growth is limited to the annual growth rate of per capita personal income plus the value of new construction. State Statutes permit municipalities to levy property taxes at a rate of up to 10 mills. Since Palm Beach County provides fire rescue services to the Town, the Palm Beach County Fire Rescue MSTU (municipal services taxing unit) taxes Town property owners 3.4581 mills. This millage rate is deducted from the Town's legal millage rate limit of 10 mills, thereby limiting the 2024/2025 Town millage rate to 6.5419.

Measurement Focus and Basis of Accounting: The government-wide financial statements are reported using the economic resources measurement focus and the accrual basis of accounting. Revenue is recognized when earned and expenses are recognized when incurred, regardless of the timing of related cash flows. Property taxes are recognized as revenue in the year for which they are levied. Grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider have been met.

Governmental fund financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Under the modified accrual basis of accounting, revenue is recognized in the period in which it becomes both measurable and available. Revenue is considered to be available when it is collectible within the current period or soon enough thereafter to pay liabilities of the current period. The Town considers revenue to be available if it is collected within 60 days of the end of the current fiscal year. Deferred revenue consists primarily of local business taxes collected in advance of the year to which they relate. Expenditures are generally recognized in the accounting period in which the fund liability is incurred, except for principal and interest on general long-term debt, which is recognized when due. Intergovernmental revenue, franchise fees, charges for services and investment income are all considered susceptible to accrual and so have been recognized as revenue in the current fiscal year. All other revenue items are considered to be measurable and available only when received in cash by the Town.

Assets, Liabilities, and Net Position or Fund Balance

Cash and Cash Equivalents: Cash and cash equivalents consist of petty cash, checking accounts, and money market accounts.

Investments: Investments consist of participation in money market funds, external investment pools, and certificates of deposit. The fair value of the Town’s investment in money market funds is based on the net asset value (NAV). Certificates of deposit are stated at cost plus accrued interest, which is fair value. The fair value of the Town’s investment in the Florida Municipal Investment Trust external investment pool is based on the fair value of the underlying portfolio assets of the Trust.

The Town also invests in the Florida Prime fund, an external investment pool administered by the State of Florida, the Florida Public Assets for Liquidity Management (the “FL PALM”) Portfolio, and the FL PALM Term Series. Under Governmental Accounting Standards Board (GASB) Statement No. 79, the Florida Prime fund and the FL PALM Portfolio use amortized cost for valuation of the pool shares and the fair value of the shares in the pool is the same as the Town’s investment in the shares. The fair value of the Town’s investment in the FL PALM Term Series is based on the net asset value (NAV).

Accounts Receivable: Accounts receivable represent amounts due from insurance, franchise and utility taxes, and charges for services. Receivables are not collateralized.

Prepaid Expenses/Items: Expenditures for various administrative expenses extending over more than one accounting period are accounted for as prepaid expenses/items under the consumption method and allocated between accounting periods.

Capital Assets: The Town has reported all capital assets, including infrastructure (roads, sidewalks, lighting, and similar items), in the government-wide statement of net position. Capital assets are defined by the Town as assets with an initial, individual cost of more than \$5,000 and an estimated useful life in excess of one year. Capital assets are recorded at cost or, if donated, acquisition value at the date of donation. Expenses, which materially extend the useful life of existing assets, are capitalized. Certain costs for professional services associated with the acquisition and construction of capital assets have been capitalized. The cost of capital assets sold or retired is removed from the appropriate accounts and any resulting gain or loss is included in the change in net assets. Depreciation is computed using the straightline method over the estimated useful lives of all reported capital assets, except land. Estimated useful lives assigned to the various categories of assets are as follows:

	<u>Years</u>
Streets and lighting	20 - 30
Buildings and improvements	10 - 30
Equipment and vehicles	5 - 20

Assets, Liabilities, and Net Position or Fund Balance (Continued)

Compensated Absences: Accumulated unpaid annual leave amounts are accrued when earned. Benefits that were earned but not used during the current year were accrued at the employees' pay rate in effect at September 30, 2025. This accrual also includes salary related payments such as the Town's share of social security taxes and Medicare taxes, as well as the Town's pension plan contributions. A liability for these amounts is reported in governmental funds only if they have matured. The remainder of the liability is reported in the government-wide statement of net position.

Deferred Outflows/Inflows of Resources: In addition to assets and liabilities, the government-wide statement of net position reports a separate section for deferred outflows or deferred inflows of resources. The separate financial statement element, deferred outflows of resources, represents a consumption of net assets that applies to a future period(s) and so will not be recognized as an outflow of resources (expense/expenditure) until that time. The Town's deferred outflows of resources are related to its pension and other post-employment benefits obligations.

The separate financial statement element, deferred inflows of resources, represents an acquisition of net assets that applies to a future period(s) and so will not be recognized as an inflow of resources (revenues) until that time. The Town's deferred inflows are related to its pension and other post-employment benefit obligations, which are reported as deferred inflows of resources on the government-wide statement of net position.

Pension Benefits: For purposes of measuring the net pension liability, deferred outflows of resources and deferred inflows of resources related to pensions, and pension expense, information about the fiduciary net position of the Florida Retirement System Pension Plan (FRSP) and the Florida Retirement System Health Insurance Subsidy Program and additions to/deduction from the FRSP and HIS fiduciary net position have been determined on the same basis as they are reported by FRSP and HIS. For this purpose, benefit payments (including refunds of employee contributions) are recognized when due and payable in accordance with the benefit terms. Investments are reported at fair value.

Post-Employment Benefits: As required by Florida Statutes, the Town offers retired employees the option of participating in the health insurance plan provided to Town employees. Premiums for insurance coverage of retirees are paid by the retirees.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Assets, Liabilities, and Net Position or Fund Balance (Continued)

Net Position/Fund Balances: The government-wide financial statements utilize a net position presentation. Net position is categorized as follows:

Investment in Capital Assets – This component of net position consists of capital assets, net of accumulated depreciation and reduced by the outstanding balance of bonds, notes or other borrowings that are attributable to the acquisition, construction, or improvement of those assets, if any. If there are significant unspent related debt proceeds at year-end, the portion of the debt attributable to the unspent proceeds is not included in the calculation of net investment in capital assets. Rather, that portion of the debt is included in the same net position component as the unspent proceeds. At September 30, 2025, the Town had no outstanding debt.

Restricted – This component of net position consists of constraints placed on the use of net position by external restrictions imposed by creditors (such as through debt covenants), grantors, contributors, or laws or regulations of other governments or constraints imposed by law through constitutional provisions or enabling legislation. Of the Town's total net position, \$5,456,389 is restricted by laws and regulations.

Unrestricted – This component of net position consists of the net position that does not meet the definition of Investment in Capital Assets or Restricted.

Governmental Accounting Standards Board Statement No. 54, *Fund Balance Reporting and Governmental Fund Type Definitions*, establishes accounting and financial reporting requirements for all governmental funds and establishes criteria for classifying fund balance. Accordingly, the General Fund financial statements report fund balance classifications that comprise a hierarchy based primarily on the extent to which the Town is legally bound to honor the specific purposes for which amounts in fund balance may be spent.

The fund balance classifications are summarized as follows:

Non-spendable – Non-spendable fund balance includes amounts that cannot be spent because they are either: (a) not in spendable form, or (b) legally or contractually required to remain intact.

Restricted – Restricted fund balance includes amounts that are restricted to specific purposes either by: (a) constraints placed on the use of resources by creditors, grantors, contributors, or laws or regulations of other governments, or (b) imposed by law through constitutional provisions or through enabling legislation. Of the Town's total fund balance, \$5,456,389 is restricted by laws and regulations.

Notes To Financial Statements

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Assets, Liabilities, and Net Position or Fund Balance (Continued)

Committed – Committed fund balance includes amounts that can only be used for specific purposes pursuant to constraints imposed by the Town Council through an ordinance. Once adopted, the limitation imposed by the ordinance remains in place until a similar action is taken to remove or revise the limitation.

Assigned – Assigned fund balance is intended to be used by the Town for specific purposes but does not meet the criteria to be classified as committed. The Council has by resolution authorized Town management to assign fund balance. The Council may also assign fund balance as it does when appropriating fund balance to cover a gap between estimated revenue and appropriations in the subsequent year's budget. Normally, additional action does not have to be taken for the removal of assignments.

Unassigned – The General Fund reports a positive, unassigned fund balance that includes amounts that have not been restricted, committed or assigned to specific purposes.

Net Position Flow Assumption: Sometimes the Town will fund outlays for a particular purpose from both restricted and unrestricted resources. In order to calculate the amounts to report as restricted net position in the government-wide financial statements, a flow assumption must be made about the order in which the resources are considered to be applied. It is the Town's policy to consider restricted net position to have been used before unrestricted net position is applied.

Fund Balance Flow Assumption: Sometimes the Town will fund outlays for a particular purpose from both restricted and unrestricted resources (the total of committed, assigned, and unassigned fund balance). In order to calculate the amounts to report as restricted, committed, assigned, and unassigned fund balance in the General Fund financial statements a flow assumption must be made about the order in which the resources are considered to be applied. It is the Town's policy to consider restricted fund balance to have been used before using any of the components of unrestricted fund balance. Further, when the components of unrestricted fund balance can be used for the same purpose, committed fund balance is used first, followed by assigned fund balance. Unassigned fund balance is applied last.

Minimum Fund Balance Policy: The Town Council has adopted a formal minimum fund balance policy whereby the Town strives to maintain a minimum unassigned fund balance in the General Fund of 50% of the following year's budgeted expenditures less amounts funded by grants or committed fund balance. In the event that the unassigned fund balance exceeds the minimum amount, the excess may be utilized for any lawful purpose of the Town or for one-time costs including the establishment of or increase in commitments or assignments of fund balance.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Assets, Liabilities, and Net Position or Fund Balance (Continued)

Interfund Transactions: The only interfund transactions made during the year were transactions for services rendered. These transactions are recorded as revenue in the receiving fund and expenditures/expenses in the disbursing fund.

Risk Management: The Town is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. The Town purchases commercial insurance for the risks of losses to which it is exposed. Policy limits and deductibles are reviewed annually by management and established at amounts to provide reasonable protection from significant financial loss. There were no significant reductions in insurance coverage from the prior year. Insurance settlements have not exceeded the Town's coverage in any of the prior three fiscal years.

Grants: Amounts received or receivable from grantor agencies are subject to audit and adjustment by those agencies. Any disallowed claims, including amounts already received, might constitute a liability of the Town for the return of those funds.

Implementation of GASB Statements: The following GASB Statements were effective for the Town for the fiscal year ended September 30, 2025:

GASB Statement No. 101, *Compensated Absences*. The unified recognition and measurement model in this statement will result in a liability for compensated absences that more appropriately reflects when a government incurs an obligation. In addition, the model can be applied consistently to any type of compensated absence and will eliminate potential comparability issues between governments that offer different types of leave. The model also will result in a more robust estimate of the amount of compensated absences that a government will pay or settle, which will enhance the relevance and reliability of information about the liability for compensated absences.

GASB Statement No. 102, *Certain Risk Disclosures*. The requirements of this statement will improve financial reporting by providing users of financial statements with essential information that currently is not often provided. The disclosures will provide users with timely information regarding certain concentrations or constraints and related events that have occurred or have begun to occur that make a government vulnerable to a substantial impact. As a result, users will have better information with which to understand and anticipate certain risks to a government's financial condition. This statement is effective for the fiscal year ending September 30, 2025.

Recent Accounting Pronouncements: The GASB has issued the following statements effective in future years that may impact the Town. Management has not completed its analysis of the effects, if any, of these GASB statements on the financial statements of the Town.

GASB Statement No. 103, *Financial Reporting Model Improvements*. The requirements for MD&A will improve the quality of the analysis of changes from the prior year, which will enhance the relevance of that information. They also will provide clarity regarding what information should be presented in MD&A. The requirements for the separate presentation of unusual or infrequent items will provide clarity regarding which items should be reported separately from other inflows and outflows of resources. The definitions of operating revenues and expenses and of nonoperating revenues and expenses will replace accounting policies that vary from government to government, thereby improving comparability. The addition of a subtotal for operating income (loss) and noncapital subsidies will improve the relevance of information provided in the proprietary fund statement of revenues, expenses, and changes in fund net position. The requirement for presentation of major component unit information will improve comparability. The requirement that budgetary comparison information be presented as RSI will improve comparability, and the inclusion of the specified variances and the explanations of significant variances will provide more useful information for making decisions and assessing accountability. This statement is effective for the fiscal year ending September 30, 2026.

GASB Statement No. 104, *Disclosure of Certain Capital Assets*. The requirements of this statement will improve financial reporting by providing users of financial statements with essential information about certain types of capital assets in order to make informed decisions and assess accountability. Additionally, the disclosure requirements will improve consistency and comparability between governments. This statement is effective for the fiscal year ending September 30, 2026.

GASB Statement No. 105, *Subsequent Events*. This statement defines subsequent events as transactions or other events that occur after the date of the financial statements but before the date the financial statements are available to be issued. This Statement describes the date the financial statements are available to be issued as the date at which: (1) the financial statements are complete in a form and format that complies with generally accepted accounting principles, and (2) approvals necessary for issuance have been obtained. That definition modifies the subsequent events time frame throughout the GASB literature. This statement also requires the date through which subsequent events have been evaluated to be disclosed. This statement is effective for the fiscal year ending September 30, 2027.

Estimates: Management uses estimates and assumptions in preparing financial statements in accordance with U.S. generally accepted accounting principles. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenue and expenditures/expenses. Actual results could vary from the estimates that were used.

NOTE 3. DEPOSITS AND INVESTMENTS

Deposits: The deposits with financial institutions were covered by a combination of federal depository insurance and a collateral pool pledged to the State Treasurer of Florida by financial institutions which comply with the requirements of Florida Statutes and have been designated as a qualified public depository by the State Treasurer. Qualified public depositories are required to pledge collateral to the State Treasurer with a fair value equal to a percentage of the average daily balance of all government deposits in excess of any federal deposit insurance. In the event of a default by a qualified public depository, the amount of public funds would be covered by the proceeds of federal deposit insurance, pledged collateral of the public depository in default and, if necessary, a pro rata assessment to the other qualified public depositories in the collateral pool. Accordingly, all deposits with financial institutions are considered fully insured or collateralized in accordance with the pronouncements of GASB. As of September 30, 2025, deposits with financial institutions had a bank balance of \$4,683,722 and a carrying amount of \$4,681,582. The Town also had \$850 in petty cash for a total carrying amount of cash and cash equivalents of \$4,682,432. Additionally, as of September 30, 2025, the Town had \$1,097,427 in Certificates of Deposit with financial institutions.

Investments: Florida Statutes authorize the Town to invest in the Local Government Surplus Funds Trust Fund (also known as Florida Prime fund) or any intergovernmental investment pool authorized pursuant to the Florida Interlocal Cooperation Act of 1969, as provided in s.163.01; Securities and Exchange Commission registered money market funds with the highest credit quality rating from a nationally recognized rating agency; negotiable direct obligations of or obligations unconditionally guaranteed by the U.S. government; interest-bearing time deposits or savings accounts in financial institutions located in Florida and organized under federal or Florida laws; obligations of the Federal Farm Credit Banks, Fannie Mae, the Federal Home Loan Bank or its district banks; obligations guaranteed by Gennie Mae and obligations of Freddie Mac; and, any additional investments specifically authorized by Town Ordinance. The Town has also adopted ordinances permitting investment in the Florida Municipal Investment Trust, an external, government investment pool administered by the Florida League of Cities.

The investments held by the Town at September 30, 2025 consist of the following:

<u>General Fund</u>	<u>2025</u>
Certificates of Deposit	\$ 1,097,427
Money Market Fund	3,004,557
Florida Prime Fund	708,112
FL PALM Portfolio	552
FL PALM Term Series	3,363,884
Investments in Florida Municipal Investment Trust	
0-2 Year High Quality Bond Fund	253,721

NOTE 3. DEPOSITS AND INVESTMENTS (CONTINUED)

The money market fund is a sweep account that automatically transfers uninvested cash balances into a money market fund. The money market fund invests in high-quality, short-term money market instruments that consist of U.S. government obligations and repurchase agreements collateralized by U.S. government obligations and seeks current income, while preserving capital and liquidity. The money market fund is reported at net asset value and \$1 per share.

The Florida Prime fund consists of equity in an external investment pool administered by the State of Florida which meet the requirements with GASB Statement No. 79, *Certain External Investment Pools and Pool Participants*. GASB Statement No. 79 allows reporting the investments at amortized cost. As of September 30, 2025, there were no redemption fees or maximum transaction amounts, or any other requirements that serve to limit a participant's daily access to 100% of their account value. However, the Trustees of the funds can suspend the right of withdrawal or postpone the date of payment if the Trustees determine that there is an emergency that makes the sale of a Portfolio's securities or determination of its net asset value not reasonably practical.

The FL PALM Portfolio provides daily liquidity and allows unlimited investments and redemptions. The minimum investment is \$10,000. The FL PALM Portfolio is an external investment pool and is not registered with the Securities and Exchange Commission (SEC). The investment in the FL PALM Portfolio is reported at amortized cost in accordance with GASB Statement No. 79, *Accounting and Financial Reporting for Certain Investments and for External Investment Pools (GASB 79)*. As of September 30, 2025, there were no redemption fees or maximum transaction amounts, or any other requirements that serve to limit a participant's daily access to 100% of their account value. However, the Trustee of the FL PALM Portfolio can suspend the right of withdrawal or postpone the date of payment if the Trustee determines that there is an emergency.

The FL PALM Term Series invests in highly rated securities including U.S. Treasury securities, U.S. government agency securities, deposits including certificates of deposit and commercial paper Securities that are rated at least 'A/F1' by Fitch Ratings or equivalent. The term portfolio is a fixed-rate, fixed-term portfolio with a maximum term of one year. The maturity profile of the term portfolio is managed to meet preset redemptions of the portfolio's participants. Upon investing in the program, a participant selects a planned maturity date on which the portfolio seeks to produce a share price of at least \$1.00 for the participant that redeems on said date. Participants may request premature redemption, but the portfolio may charge significant penalties for any redemption prior to the agreed-upon redemption date, and net asset value may be more or less than \$1.00 per share. Redemptions will be made seven days after the request is received.

NOTE 3. DEPOSITS AND INVESTMENTS (CONTINUED)

The Florida Municipal Investment Trust (the "Trust") is an external investment pool established in 1993 and administered by the Florida League of Cities, Inc. pursuant to the laws of the State of Florida. The Trust is exempt from registration under the Securities Act of 1933, the Investment Company Act of 1940, and the Florida Securities and Investors Protection Act. Participants in the Trust are limited to governmental entities in the State of Florida. The Trust operates several portfolios with differing investment goals. The Town invests in two Short Term Bond Portfolios and one Intermediate Term Bond Portfolio designed to provide an investment horizon and yield greater than that of money market instruments. The fair value of the Town's position in the Trust is the same as the fair value of the Trust shares. Purchases and redemption of shares in the Trust may only be made once or twice a month, depending upon the pool, and the Town must maintain an account balance of at least \$50,000.

Fair Value of Investments: The Town follows the provisions of GASB Statement No. 72, *Fair Value Measurement and Application*, which establishes a framework for measuring the fair value of investments in a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives highest priority to unadjusted quoted prices in active markets for identical assets (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under GASB Statement No. 72 are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets in active markets that the Town has the ability to access at the measurement date.

Level 2: Inputs to the valuation methodology include the following:

- Quoted prices for similar assets in active markets.
- Quoted prices for identical or similar assets in inactive markets.
- Inputs other than quoted prices that are observable for the assets.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement. These unobservable inputs reflect the entity's own estimates for assumptions that market participants would use in pricing the asset or liability. Valuation techniques would typically include discounted cash flow models and similar techniques, but may also include the use of market prices of assets that are not directly comparable to the subject asset.

The fair value measurement of an asset within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. The categorization of an investment does not necessarily correspond to the Town's perceived risk of that investment.

Notes To Financial Statements

NOTE 3. DEPOSITS AND INVESTMENTS (CONTINUED)

Valuation Methodologies: The following valuation methods and assumptions were used by the Town in estimating the fair value of financial instruments that are measured at fair value on a recurring basis under GASB Statement No. 72.

Certificates of Deposit – Valued at cost plus accrued interest and exempt from reporting under the fair value hierarchy. Money Market Funds: Valued at net asset value and exempt from reporting under the fair value hierarchy.

Florida Prime Fund – Valued at amortized cost and exempt from reporting under the fair value hierarchy.

Florida Municipal Investment Trust Bond Funds – Valued at the net asset value of the fund based on the underlying securities that are actively traded or using security prices obtained from a pricing service, Interactive Data Corporation (IDC). Securities that are not actively traded are valued by IDC using a matrix pricing technique based on the securities' relationship to quoted benchmark prices.

FL PALM Portfolio – Valued at amortized cost and exempt from reporting under the fair value hierarchy.

FL PALM Term Series – Valued at net asset value and exempt from reporting under the fair value hierarchy.

The methods and assumptions described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Town believes its valuation methodologies are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date. There were no changes in the methods and assumptions used for the year ended September 30, 2025.

NOTE 3. DEPOSITS AND INVESTMENTS (CONTINUED)

The financial assets measured at fair value on a recurring basis include the Town’s investments. There are no liabilities measured at fair value on a recurring basis at September 30, 2025. The fair value of the Town’s investments at September 30, 2025 is summarized as follows:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Fair Value</u>

Interest Rate Risk: Interest rate risk is the risk that changes in interest rates will adversely affect the fair value of an investment in debt securities. Generally, the longer the time to maturity, the greater the exposure to interest rate risk. The Town’s investment policy limits the maturities of its investments to shorter term securities, money market mutual funds, or similar investment pools. However, the policy does not limit maturities to a specific number of years. The table below summarizes the weighted average maturity of the Town’s fixed income investments at September 30, 2025:

<u>General Fund</u>	<u>Weighted Average Maturity</u>	<u>Fair Value</u>
Certificates of Deposit	100 days	\$ 1,097,427

Credit Risk: Credit risk is the risk that a debt issuer will not fulfill its obligations. The security rating by a Nationally Recognized Statistical Rating Organization (NRSRO) is an indication of credit risk. The Town does not have a policy requiring that investments in debt securities be rated in certain investment grades by a NRSRO.

The NRSRO ratings for the general fund investments at September 30, 2025, are listed below:

General Fund	NRSRO Rating	Fair Value
Certificates of Deposit	Not Rated	\$ 1,097,427
Money Market Fund	Not Rated	3,004,557
Florida Prime Fund	AAAm S&P	708,112
FL PALM Portfolio	AAAm S&P	552
FL PALM Term Series	AAAm S&P	3,363,884

1-3 Year High Quality Bond Fund	AAAf/S2 Fitch	485,395
Intermediate High Quality Bond Fund	AAf/S3 Fitch	593,846
		9,507,494

Custodial Credit Risk: Custodial credit risk is defined as the risk that the Town may not recover cash and investments held by another party in the event of a financial failure. The investments in the Florida Prime fund, FL Palm Portfolio, FL Palm Term Series, and the Florida Municipal Investment Trust are considered unclassified pursuant to the custodial credit risk categories of GASB Statement No. 40, *Deposit and Investment Risk Disclosures*, an amendment of GASB Statement No. 3, because they are not evidenced by securities that exist in physical or book-entry form.

NOTE 6. FLORIDA RETIREMENT SYSTEM

All full-time Town employees hired before January 1, 1996, and all Town police officers are required to participate in the Florida Retirement System Pension Plan (FRS) and the Retiree Health Insurance Subsidy Program (HIS), administered by the Florida Department of Management Services' Division of Retirement. All full-time and eligible part-time, general employees hired after January 1, 1996, are required to participate in the Town's defined contribution pension plan administered by the Town through the Florida League of Cities, Inc.

General Information: The FRS was created in Chapter 121, Florida Statutes, to provide a defined benefit pension plan for participating public employees. The FRS was amended in 1998 to add the Deferred Retirement Option Program (DROP) under the defined benefit plan, and amended in 2000 to provide a defined contribution plan alternative to the defined benefit plan for FRS members effective July 1, 2002.

This integrated defined contribution pension plan is the Florida Retirement System Investment Plan. Chapter 112, Florida Statutes, established the Retiree Health Insurance Subsidy (HIS) Program, a cost sharing, multiple-employer defined benefit pension plan, to assist retired members of any state administered retirement system in paying the costs of health insurance.

Provisions relating to the FRS are established by Chapters 121 and 122, Florida Statutes; Chapter 112, Part IV, Florida Statutes; Chapter 238, Florida Statutes; and FRS Rules, Chapter 60S, *Florida Administrative Code*; wherein eligibility, contributions, and benefits are defined and described in detail. Such provisions may be amended at any time by further action from the Florida Legislature. The FRS is a single retirement system administered by the Florida Department of Management Services, Division of Retirement, and consists of the two cost-sharing, multiple-employer defined benefit plans, and other nonintegrated programs.

The State of Florida annually issues a publicly available financial report that includes financial statements and required supplementary information for the FRS. The latest available report may be obtained by writing to the State of Florida Division of Retirement, Department of Management Services, P.O. Box 9000, Tallahassee, Florida 32315-9000 or calling toll free at 877-377-1737. The report is also available at the Florida Department of Management Services web site www.dms.myflorida.com.

Pension Plan

Plan Description: The FRS Pension Plan is a cost-sharing, multiple-employer defined benefit pension plan, with a Deferred Retirement Option Program (DROP) for eligible employees. The general classes of membership are as follows:

- Regular Class
- Special Risk Class
- Senior Management Service Class

NOTE 6. FLORIDA RETIREMENT SYSTEM (CONTINUED)

Pension Plan (Continued)

Employees enrolled in the Plan prior to July 1, 2011, vest at six years of creditable service and employees enrolled in the Plan on or after July 1, 2011, vest at eight years of creditable service. All vested members, enrolled prior to July 1, 2011, are eligible for normal retirement benefits at age 62 or at any age after 30 years of service.

Section 121.091, Florida Statutes, permits employees eligible for normal retirement under the Plan to defer receipt of monthly benefit payments while continuing employment with an FRS employer. An employee may participate in DROP for a period not to exceed 60 months after electing to participate, except that certain instructional personnel may participate for up to 96 months. During the period of DROP participation, deferred monthly benefits are held in the FRS Trust Fund and accrue interest. The net pension liability does not include amounts for DROP participants, as these members are considered retired and are not accruing additional pension benefits.

Benefits Provided: Benefits under the Plan are computed on the basis of age and/or years of service, average final compensation, and service credit. Credit for each year of service is expressed as a percentage of the average final compensation. For members initially enrolled before July 1, 2011, the average final compensation is the average of the five highest fiscal years' earnings; for members initially enrolled on or after July 1, 2011, the average final compensation is the average of the eight highest fiscal years' earnings. The total percentage value of the benefit received is determined by calculating the total value of all service, which is based on the retirement class to which the member belonged when the service credit was earned. Members are eligible for in-line-of-duty or regular disability and survivors' benefits.

The following table shows the percentage value for each year of service credit earned:

Regular Class members initially enrolled before July 1, 2011	
Retirement up to age 62 or up to 30 years of service	1.60%
Retirement at age 63 or with 31 years of service	1.63%
Retirement at age 64 or with 32 years of service	1.65%
Retirement at age 65 or with 33 or more years of service	1.68%
Regular Class members initially enrolled on or after July 1, 2011	
Retirement up to age 65 or up to 33 years of service	1.60%
Retirement at age 66 or with 34 years of service	1.63%
Retirement at age 67 or with 35 years of service	1.65%
Retirement at age 68 or with 36 or more years of service	1.68%
Special Risk Class	
Service from December 1, 1970 through September 30, 1974	2.00%
Service on or after October 1, 1974	3.00%
Senior Management Service Class	2.00%

NOTE 6. FLORIDA RETIREMENT SYSTEM (CONTINUED)

Pension Plan (Continued)

As provided in Section 121.101, Florida Statutes, if the member is initially enrolled in the FRS before July 1, 2011, and all service credit was accrued before July 1, 2011, the annual cost-of-living adjustment is 3% per year. If the member is initially enrolled before July 1, 2011, and has service credit on or after July 1, 2011, there is an individually calculated cost-of-living adjustment. The annual cost-of-living adjustment is a proportion of 3% determined by dividing the sum of the pre-July 2011 service credit by the total service credit at retirement multiplied by 3%. Plan members initially enrolled on or after July 1, 2011 will not have a cost-of-living adjustment after retirement.

Contributions: Effective July 1, 2011, all enrolled members of the FRS, other than DROP participants, are required to contribute 3% of their salary to the FRS. In addition to member contributions, governmental employers are required to make contributions to the FRS based on state-wide contribution rates established by the Florida Legislature. These rates are updated as of July 1 of each year. The employer contribution rates by job class for the fiscal year ended September 30, 2025 were as follows:

Class	October 1, 2024 through June 30, 2025	July 1, 2025 through September 30, 2025
Regular class	13.63%	14.03%
Senior management service class	34.52%	33.24%
Special risk class	32.79%	35.19%
Drop	21.13%	22.02%

The employer contribution rates include a 2.00% HIS Plan subsidy. Except for the DROP, the rates also include 0.06% for administrative costs of the Public Employee Optional Retirement Program.

For the fiscal year ended September 30, 2025, the Town made contributions of \$509,905 to the Pension Plan and the Town's employees made contributions of \$45,173, for total contributions of \$555,078.

Pension Liabilities, Pension Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions: At September 30, 2025, the Town reported a liability of \$2,548,212 for its proportionate share of the Pension Plan's net pension liability. The net pension liability was measured as of June 30, 2025, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of July 1, 2025. The Town's proportionate share of the net pension liability was based on the Town's 2024-2025 plan year contributions relative to the 2024-2025 plan year contributions of all participating members. At June 30, 2025, the Town's proportionate share was 0.008210732%, which was an increase of 0.000283606% from its proportionate share measured as of June 30, 2024.

NOTE 6. FLORIDA RETIREMENT SYSTEM (CONTINUED)

Pension Plan (Continued)

For the fiscal year ended September 30, 2025, the Town recognized pension expense of \$146,179 related to the Plan. In addition, the Town reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources:

Descriptions	Deferred Outflows of Resources	Deferred Inflows of Resources
Difference between expected and actual experience	\$ 272,176	\$ -
Changes of assumptions	295,914	-
Net difference between projected and actual earnings of pension plan investments	-	425,450

NOTE 6. FLORIDA RETIREMENT SYSTEM (CONTINUED)

Pension Plan (Continued)

Actuarial Assumptions: The total pension liability in the June 30, 2025 actuarial valuation was determined using the following actuarial assumptions:

Valuation date:	July 1, 2025.
Measurement date:	June 30, 2025.
Inflation:	2.40%
Salary increases:	3.50%, average, including inflation.
Investment rate of return:	6.70%, net of pension plan investment expense, including inflation.
Mortality:	PUB2010 base table varies by member category and sex, projected generationally with Scale MP-2021.
Actuarial cost method:	Individual entry age.

The actuarial assumptions that determined the total pension liability as of June 30, 2025, were based on the results of an actuarial experience study for the period July 1, 2018 through June 30, 2023.

The long-term expected rate of return on investments is not based on historical returns, but instead is based on a forward-looking capital market economic model. The allocation policy's description of each asset class was used to map the target allocation to the asset classes shown below. Each asset class assumption is based on a consistent set of underlying assumptions and includes an adjustment for the inflation assumption. The target allocation and best estimates of arithmetic and geometric real rates of return for each major asset class are summarized in the following table:

Description	⁽¹⁾ Target Allocation	Annual Arithmetic Return	Compound Annual (Geometric) Return	Standard Deviation
Cash	1.0%	3.2%	3.2%	1.1%
Fixed income	29.0%	5.5%	5.4%	4.0%
Global equity	45.0%	8.5%	6.9%	18.3%
Real estate	12.0%	8.4%	7.1%	16.8%
Private equity	11.0%	12.4%	8.8%	28.4%
Strategic investments	2.0%	6.5%	6.1%	8.7%
Total	100.0%			
Assumed inflation - mean			2.4%	1.5%

NOTE 6. FLORIDA RETIREMENT SYSTEM (CONTINUED)

Pension Plan (Continued)

Discount Rate: The discount rate used to measure the total pension liability as of June 30, 2025 was 6.70%. The Pension Plan’s fiduciary net position was projected to be available to make all projected future benefit payments of current active and inactive employees. Therefore, the discount rate for calculation the total pension liability is equal to the long-term expected rate of return.

Sensitivity of the Town’s Proportionate Share of the Net Position Liability to Changes in the Discount Rate: The following represents the Town’s proportionate share of the net pension liability calculated using the discount rate of 6.70%, as well as what the Town’s proportionate share of the net pension liability would be if it were calculated using a discount rate that is one percentage point lower (5.70%) or one percentage point higher (7.70%) than the current rate:

	1% Decrease (5.70%)	Current Discount Rate (6.70%)	1% Increase (7.70%)
Town’s proportionate share of the net pension liability	<u>\$ 5,000,827</u>	<u>\$ 2,548,212</u>	<u>\$ 491,975</u>

Pension Plan Fiduciary Net Position: Detailed information regarding the Pension Plan’s fiduciary net position is available in the separately issued FRS Pension Plan and Other State-Administered Systems Annual Comprehensive Financial Report.

Payables to the Pension Plan: At September 30, 2025, the Town reported a \$15,700 payable for outstanding contributions to the Pension Plan for the fiscal year ended September 30, 2025.

Retiree Health Insurance Subsidy (HIS) Program

Plan Description: The HIS Plan is a cost-sharing, multiple-employer defined benefit pension plan established under Section 112.363, Florida Statutes, and may be amended by the Florida legislature at any time. The benefit is a monthly payment to assist retirees of state-administered retirement systems in paying their health insurance costs and is administered by the Florida Department of Management Services, Division of Retirement.

Benefits Provided: For the fiscal year ended September 30, 2025, eligible retirees and beneficiaries received a monthly HIS payment of \$5 for each year of creditable service completed at the time of retirement, with a minimum HIS payment of \$30 and a maximum HIS payment of \$150 per month. To be eligible to receive these benefits, a retiree under a state-administered retirement system must provide proof of health insurance coverage, which may include Medicare.

NOTE 6. FLORIDA RETIREMENT SYSTEM (CONTINUED)

Retiree Health Insurance Subsidy (HIS) Program (Continued)

Contributions: The HIS Plan is funded by required contributions from FRS participating employers as set by the Florida Legislature. Employer contributions are a percentage of gross compensation for all active FRS members. For the fiscal year ended September 30, 2025, the HIS contribution was 2.00%. The Town contributed 100% of its statutorily required contributions for the current and preceding three years. HIS Plan contribution are deposited in a separate trust fund from which payments are authorized. HIS Plan benefits are not guaranteed and are subject to annual legislative appropriation. In the event legislative appropriation or available funds fail to provide full subsidy benefits to all participants, benefits may be reduced or cancelled.

The Town’s contributions to the HIS Plan totaled \$35,921 for the fiscal year ended September 30, 2025.

Pension Liabilities, Pension Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions: At September 30, 2025, the Town reported a liability of \$502,144 for its proportionate share of the HIS Plan’s net pension liability. The net pension liability was measured as of June 30, 2025, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of July 1, 2025. The Town’s proportionate share of the net pension liability was based on the Town’s 2024-2025 plan year contributions relative to the 2023-2024 plan year contributions of all participating members. At June 30, 2025, the Town’s proportionate share was 0.003917658%, which was an increase of 0.000011893% from its proportionate share measured as of June 30, 2024. For the fiscal year ended September 30, 2025, the Town recognized pension benefit of \$24,720. In addition, the Town reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources:

Descriptions	Deferred Outflows of Resources	Deferred Inflows of Resources

NOTE 6. FLORIDA RETIREMENT SYSTEM (CONTINUED)

Retiree Health Insurance Subsidy (HIS) Program (Continued)

Discount Rate: The discount rate used to measure the total pension liability as of June 30, 2024 was 5.20%, which increased from the discount rate of 3.93% as of June 30, 2024. In general, the discount rate for calculating the total pension liability is equal to the single rate equivalent to discounting at the long-term expected rate of return for benefit payments prior to the projected depletion date. Because the HIS benefit is essentially funded on a pay-as-you-go basis, the depletion date is considered to be immediate, and the single equivalent discount rate is equal to the municipal bond rate selected by the HIS Plan sponsor. The Bond Buyer General Obligation 20-Bond Municipal Bond Index was adopted as the applicable municipal bond index.

Sensitivity of the Town’s Proportionate Share of the Net Position Liability to Changes in the Discount Rate: The following represents the Town’s proportionate share of the net pension liability calculated using the discount rate of 5.20%, as well as what the Town’s proportionate share of the net pension liability would be if it were calculated using a discount rate that is one percentage point lower (4.20%) or one percentage point higher (6.20%) than the current rate:

	1% Decrease (4.20%)	Current Discount Rate (5.20%)	1% Increase (6.20%)
Town’s proportionate share of the net pension liability	<u>\$ 566,248</u>	<u>\$ 502,144</u>	<u>\$ 448,381</u>

Pension Plan Fiduciary Net Position: Detailed information regarding the HIS Plan’s fiduciary net position is available in the separately issued FRS Pension Plan and Other State-Administered Systems Annual Comprehensive Financial Report.

Payables to the Pension Plan: At September 30, 2025, the Town did not report a payable for outstanding contributions to the HIS Plan for the fiscal year ended September 30, 2025.

NOTE 6. FLORIDA RETIREMENT SYSTEM (CONTINUED)

Investment Plan

Plan Description: The Florida Retirement System Investment Plan is a defined contribution retirement plan qualified under Section 401(a) of the Internal Revenue Code. The Florida Legislature enacted the Plan during the 2000 legislative session, and amendments to the Plan can only be made by an act of the Florida Legislature. The Plan is administered by the State Board of Administration of Florida. The Investment Plan is reported in the SBA's annual financial statements and in the State of Florida Annual Comprehensive Financial Report.

As provided in Section 121.4501, Florida Statutes, eligible FRS members may elect to participate in the Investment Plan in lieu of the FRS defined benefit plan. Town employees participating in DROP are not eligible to participate in the Investment Plan. Employer and employee contributions, including amounts contributed to individual member's accounts, are defined by law, but the ultimate benefit depends in part on the performance of investment funds. Benefit terms, including contribution requirements, for the Investment Plan are established and may be amended by the Florida Legislature.

Funding Policy: The Investment Plan is funded with the same employer and employee contribution rates that are based on salary and membership class (Regular Class, Special Risk Class, etc.), as the Pension Plan. Contributions are directed to individual member accounts, and the individual members allocate contributions and account balances among various approved investment choices. Costs of administering the Investment Plan, including the FRS Financial Guidance Program, are funded through an employer contribution of 0.06% of payroll and by forfeited benefits of plan members.

Participating employers are required to make contributions based upon statewide contributions rates. The contribution rates by job class for the Town's employees for the fiscal year ended September 30, 2025, are as follows:

Class	October 1, 2024 through June 30, 2025	July 1, 2025 through September 30, 2025
Regular class	13.63%	14.03%
Senior management service class	34.52%	33.24%
Special risk class	32.79%	35.19%
Drop	21.13%	22.02%

NOTE 6. FLORIDA RETIREMENT SYSTEM (CONTINUED)

Investment Plan (Continued)

For all membership classes, employees are immediately vested in their own contributions and are vested after one year of service for employer contributions and investment earnings. If an accumulated benefit obligation for service credit originally earned under the Pension Plan is transferred to the Investment Plan, the member must have the years of service required for Pension Plan vesting (including the service credit represented by the transferred funds) to be vested for these funds and the earnings on the funds. Nonvested employer contributions are placed in a suspense account for up to five years. If the employee returns to FRS-covered employment within the five-year period, the employee will regain control over their account. If the employee does not return within the five-year period, the employee will forfeit the accumulated account balance. For the fiscal year ended September 30, 2025, the information for the amount of forfeitures was unavailable from the SBA; however, management believes that these amounts, if any, would be immaterial to the Town.

After termination and applying to receive benefits, the member may rollover vested funds to another qualified plan, structure a periodic payment under the Investment Plan, receive a lump sum distribution, leave the funds invested for future distribution, or any combination of these options. Disability coverage is provided; the member may either transfer the account balance to the Pension Plan when approved for disability retirement to receive guaranteed lifetime monthly benefits under the Pension Plan, or remain in the Investment Plan and rely upon that account balance for retirement income. The Town's Investment Plan pension expense totaled \$59,136 for the fiscal year ended September 30, 2025.

NOTE 7. GENERAL EMPLOYEES' RETIREMENT PLAN AND TRUST FUND

The Town also provides retirement benefits through a defined contribution pension plan administered by the Town through the Florida League of Cities, Inc. At September 30, 2025, there were 29 plan members, including 17 active Plan members. Effective October 1, 2024, the Town amended its retirement policy such that plan members are required to contribute 2% and the Town is required to contribute 10% of Plan members' covered payroll. The Town's net retirement expense recognized in 2025 was \$146,442. Town contributions vest 100% after five years. Plan provisions and contribution requirements are established and may be amended by the Town Council. The Town's pension trust fund uses the accrual basis of accounting. Employer contributions are recognized in the period that the contributions are due. Plan members may invest their contributions in a variety of mutual funds selected by the Plan administrator. Plan investments are reported at fair value. The investments are valued based on the last reported net asset value of mutual fund shares traded on a national exchange. The fair value of investments of the Plan at September 30, 2025 was \$1,202,967.

Notes To Financial Statements

NOTE 8. OTHER POST-EMPLOYMENT BENEFITS

General Information about the Other Post-Employment Benefits (OPEB) Plan:

Plan Description: The Town provides a single employer defined benefit health care plan to all of its employees. The plan allows its employees and their beneficiaries to continue to obtain health benefits upon retirement. The benefits of the plan are in accordance with Florida Statutes, which are the legal authority for the plan. A trust has not been established to fund the plan. The plan has no assets and does not issue a separate financial report.

Contributions: The Town does not directly make a contribution to the plan on behalf of retirees. Retirees and their beneficiaries pay the same group rates as are charged to the Town for active employees by its healthcare provider. However, the Town’s actuaries in their actuarial valuation, calculate an offset to the cost of these benefits as an Employer Contribution, based upon an implicit rate subsidy. This offset equals the total age-adjusted costs paid by the Town or its active employees for coverage of the retirees and their dependents for the year net of the retiree’s own payments for the year.

Plan Membership: The following table provides a summary of the participants in the plan as of July 1, 2024, the latest valuation date:

Active employees	26
Retirees and beneficiaries receiving benefits	-
Inactive employees not yet receiving benefits	-
	-
Total	26

Total OPEB Liability

As of September 30, 2025, The Town’s Total OPEB Liability of \$79,886 was measured as of September 30, 2025, and was determined by the actuarial valuation as of July 1, 2024.

Actuarial Methods and Significant Assumptions: The actuarial methods and significant assumptions used to determine the Town’s total OPEB liability for the current year are summarized as follows:

Valuation date:	July 1, 2024
Measurement date:	September 30, 2025
Demographics:	Mortality rates, turnover, disability, and retirement rates based on the 2022 FRS actuarial experience study report.

Discount Rate: The Town does not have a dedicated Trust to pay retiree healthcare benefits. Per GASB 75, the discount rate is a yield or index rate for 20-year, tax-exempt general obligation municipal bonds with an average rating of AA/Aa or higher. As of September 30, 2025, the calculation used a rate of 4.50%.

Changes in the Total OPEB Liability

The changes in the Total OPEB Liability were as follows for the year ended September 30, 2025:

	<u>2025</u>
Balance as of September 30, 2024	\$ 70,244
Change for the year:	
Service cost	11,143
Interest	3,142

Changes in assumptions	<u>(3,851)</u>
Net changes	9,642
 Balance as of September 30, 2025	 <u><u>\$ 79,886</u></u>

Changes in Assumptions: All assumptions, methods, and results are based on the fiscal year 2025 GASB 75 actuarial report dated December 1, 2025. Changes were made since the prior valuation dated January 6, 2025 where the discount rate was increased from 3.88% to 4.50%; the healthcare cost trend assumption was updated based on the latest Getzen model released by the Society of Actuaries (SOA) in 2025.

Sensitivity of the Total OPEB Liability to Changes in the Discount Rate: The following table presents the total OPEB liability of the Town calculated using the current discount rate of 4.50%, as well as what the total OPEB liability would be if it were calculated using a discount rate that is one percentage point lower (3.50%) or one percentage point higher (5.50%) than the current rate:

	<u>1% Decrease (3.50%)</u>	<u>Current Discount Rate (4.50%)</u>	<u>1% Increase (5.50%)</u>

NOTE 9. COMMITMENTS AND CONTINGENCIES

Litigation: The Town is exposed to various risks of loss related to torts; theft of, damage to and destruction of assets; errors and omissions; injuries to employees, and natural disasters for which the Town carries commercial insurance. Retention of risks is limited to those risks that are uninsurable and deductibles. The Town has not significantly reduced insurance coverage from the prior year, and there were no settled claims which exceeded insurance coverage during the past three fiscal years.

Florida Statutes limit the Town's maximum loss for most liability claims to \$200,000 per person and \$300,000 per occurrence under the Doctrine of Sovereign Immunity. However, under certain circumstances, a plaintiff can seek to recover damages in excess of statutory limits by introducing a claims bill to the Florida Legislature. The limits addressed in Florida Statutes do not apply to claims filed in federal courts.

Cost Sharing Agreement: The Town entered into an Interlocal Agreement ("Agreement") with the City of Palm Beach Gardens, Florida ("PBG"), and the Town of Jupiter, Florida, for the sharing of costs related to public safety dispatch services. The Agreement was for a five-year period ending September 30, 2026. The Dispatch Services are performed by PBG employees who operate the dispatch center. Each contracting municipality's share of the costs of operating the dispatch center are based upon the percentage of each municipality's population as compared to the total population of the contracting municipalities being served. The Town's total costs related to this Agreement were \$156,532 for the year ended September 30, 2025.

Encumbrances: At September 30, 2025, the Town had no encumbrances.

NOTE 10. INDUSTRIAL DEVELOPMENT BONDS

On November 20, 2019, the Town issued \$975,000 of Series 2019A Industrial Development Bonds to provide financial assistance to the Loggerhead Marinelifelife Center, Inc. Project for facility expansions deemed to be in the public interest. The bonds do not represent or constitute a debt, liability, or obligation or pledge of the faith and credit or taxing power of the Town. Accordingly, the bonds are not reported as liabilities in the accompanying financial statements. The bonds were paid off during the fiscal year ended September 30, 2025.

NOTE 11. SUBSEQUENT EVENT

The Town has evaluated subsequent events through February 17, 2026, the date the financial statements were issued.

**Notes To Required Supplementary Information
September 30, 2025**

NOTE 1. BUDGETARY CONTROL

Budgets: The Town is legally required to adopt a budget for the General Fund. This budget is prepared on the modified accrual basis of accounting consistent with U.S. generally accepted accounting principles (GAAP), except that for budgetary purposes current year encumbrances, if any, are treated as expenditures. Unencumbered appropriations lapse at fiscal year-end.

Changes or amendments to the total budgeted expenditures of the Town or total departmental expenditures must be approved by the Town Council; however, changes within a department, which do not affect the total departmental expenditures, may be approved by the Town Manager. Accordingly, the legal level of control is at the department level.

During the year, the Town made several administrative changes on the departmental level approved by the Town Council. The Town has complied with the Florida Statute requirement that budgets be in balance. The budgeted expenditures reflected in the accompanying financial statements exceed revenue by the amounts budgeted from beginning fund balance.

Encumbrances: Encumbrance accounting, under which purchase orders, contracts and other commitments for the expenditure of funds are recorded in order to reserve that portion of the applicable appropriation, is employed as part of the budgetary accounting system in the General Fund. Encumbrances outstanding at year-end, if any, are reported as committed or assigned fund balance since they do not constitute expenditures or liabilities.

NOTE 2. BUDGET AND ACTUAL COMPARISONS

The Budgetary Comparison Schedule for the General Fund is required to be prepared under the basis of accounting used in preparing the budget, which is the modified accrual basis of accounting. Current year encumbrances are treated as expenditures for budgetary purposes. As a result, General Fund revenue reported in the budget and actual statement differs from the corresponding amount reported on the basis of U.S. generally accepted accounting principles. The differences can be reconciled as follows:

	<u>Revenue</u>	<u>Expenditures</u>
GAAP basis	\$ 10,206,611	\$ 8,386,939
Prior year encumbrances	-	(87,500)

OTHER INDEPENDENT AUDITOR'S REPORTS

Independent Auditor's Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards*

Honorable Mayor and Members of the Town Council Town of Juno Beach, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities and the major fund of the Town of Juno Beach, Florida, as of and for the year ended September 30, 2025, and the related notes to the financial statements, which collectively comprise the Town of Juno Beach, Florida's basic financial statements and have issued our report thereon dated February 17, 2026.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Town of Juno Beach, Florida's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Town of Juno Beach, Florida's internal control. Accordingly, we do not express an opinion on the effectiveness of the Town of Juno Beach, Florida's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Town of Juno Beach, Florida's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Auditor's Responsibility

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States; and Chapter 10.550, Rules of the Auditor General.

Other Reporting Requirements

We have issued our Independent Auditor's Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards* and Independent Accountant's Report on an examination conducted in accordance with AICPA Professional Standards, AT-C Section 315, regarding compliance requirements in accordance with Chapter 10.550, Rules of the Auditor General. Disclosures in those reports, which are dated February 17, 2026, should be considered in conjunction with this Management Letter.

Prior Audit Findings

Section 10.554(1)(i)1., Rules of the Auditor General, requires that we determine whether or not corrective actions have been taken to address findings and recommendations made in the preceding financial audit report. No findings and recommendations were made in the preceding financial audit report.

Official Title and Legal Authority

Section 10.554(1)(i)4., Rules of the Auditor General, requires that the name or official title and legal authority for the primary government and each component unit of the reporting entity be disclosed in this Management Letter, unless disclosed in the notes to the financial statements. This information was disclosed in Note 1 to the financial statements. There were no component units included in the Town of Juno Beach, Florida's financial statements.

Financial Condition and Management

Sections 10.554(1)(i)5.a. and 10.556(7), Rules of the Auditor General, require us to apply appropriate procedures and communicate the results of our determination as to whether or not the Town of Juno Beach, Florida met one or more of the conditions described in Section 218.503(1), Florida Statutes, and to identify the specific condition(s) met. In connection with our audit, we determined that the Town of Juno Beach, Florida did not meet any of the conditions described in Section 218.503(1), Florida Statutes.

Financial Condition and Management

Sections 10.554(1)(i)5.a. and 10.556(7), Rules of the Auditor General, require us to apply appropriate procedures and communicate the results of our determination as to whether or not the Town of Juno Beach, Florida met one or more of the conditions described in Section 218.503(1), Florida Statutes, and to identify the specific condition(s) met. In connection with our audit, we determined that the Town of Juno Beach, Florida did not meet any of the conditions described in Section 218.503(1), Florida Statutes.

Pursuant to Sections 10.554(1)(i)5.b. and 10.556(8), Rules of the Auditor General, we applied financial condition assessment procedures for the Town of Juno Beach, Florida. It is management's responsibility to monitor the Town of Juno Beach, Florida's financial condition, and our financial condition assessment was based in part on representations made by management and review of financial information provided by same. Our assessment was done as of the fiscal year-end. The results of our procedures did not disclose any matters that are required to be reported.

Section 10.554(1)(i)2., Rules of the Auditor General, requires that we communicate any recommendations to improve financial management. In connection with our audit, we did not have any such recommendations.

Property Assessed Clean Energy (PACE) Programs

As required by Section 10.554(1)(i)6.a., Rules of the Auditor General, a PACE program authorized pursuant to Section 163.081 or Section 163.082, Florida Statutes, did not operate within the Town's geographical boundaries during the fiscal year under audit.

Special District Component Units

Section 10.554(1)(i)5.c, Rules of the Auditor General, requires, if appropriate, that we communicate the failure of a special district that is a component unit of a county, municipality, or special district, to provide the financial information necessary for proper reporting of the component unit within the audited financial statements of the county, municipality, or special district in accordance with Section 218.39(3)(b), Florida Statutes. In connection with our audit, we did not note any special district component units that failed to provide the necessary information for proper reporting in accordance with Section 218.39(3)(b), Florida Statutes.

Additional Matters

Section 10.554(1)(i)3., Rules of the Auditor General, requires us to communicate noncompliance with provisions of contracts or grant agreements, or abuse, that have occurred, or are likely to have occurred, that have an effect on the financial statements that is less than material but which warrants the attention of those charged with governance. In connection with our audit, we did not note any such findings.

Purpose of this Letter

Our Management Letter is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, Federal and other granting agencies, the Town Council, and applicable management, and is not intended to be and should not be used by anyone other than these specified parties.

Independent Accountant's Report

Honorable Mayor and Members of the Town Council Town of Juno Beach, Florida

We have examined the Town of Juno Beach, Florida's compliance with Section 218.415, Florida Statutes during the year ended September 30, 2025. Management of the Town of Juno Beach, Florida is responsible for the Town of Juno Beach, Florida's compliance with the specified requirements. Our responsibility is to express an opinion on the Town of Juno Beach, Florida's compliance with the specified requirements based on our examination.

Our examination was conducted in accordance with attestation standards established by the AICPA. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether the Town of Juno Beach, Florida complied, in all material respects, with the specified requirements referenced above. An examination involves performing procedures to obtain evidence about whether the Town of Juno Beach, Florida complied with the specified requirements. The nature, timing, and extent of the procedures selected depend on our judgement, including an assessment of the risks of material noncompliance, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

We are required to be independent and to meet our other ethical responsibilities in accordance with relevant ethical requirements relating to the examination engagement.

Our examination does not provide a legal determination on the Town of Juno Beach, Florida's compliance with the specified requirements.

In our opinion, the Town of Juno Beach, Florida complied, in all material respects, with Section 218.415, Florida Statutes for the year ended September 30, 2025.

This report is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and Florida House of Representatives, the Florida Auditor General, applicable management, and the Town Council, and is not intended to be and should not be used by anyone other than these specified parties.

Operational and Performance Assessment – Walton County, Georgia

David led a multi-department Operational and Performance Assessment for Walton County. The scope included assessing organizational structure, operational efficiency, staffing levels and resource utilization, comparison to leading practices, and observations and recommendations to assist the County in achieving the desired future state. The final report included numerous observations with associated recommendations and a detailed Roadmap/Implementation Plan.

Outsourcing Feasibility Study – City of Rocky Mount, North Carolina

David led a feasibility study for the City of Rocky Mount to assess its current service delivery model for providing parks maintenance and landscaping services. City operations used of a hybrid model of both internal resources and third-party contractors to provide parks maintenance and landscaping. The project evaluated the pros and cons (both financial and non-financial) of: (1) maintaining the hybrid model, (2) performing all services in-house, and (3) performing all services externally.

Finance Functional Assessment – Richland County Library, South Carolina

David led a functional assessment of the Library's finance department. The project consisted of understanding the current state – current service provision, performance, workflow, business processes, internal controls, organizational structure, reporting, and communications. The current state was compared to leading practices and gaps were identified. An implementation roadmap was created that aligned recommendations to leaderships' vision to help the organization achieve its desired future state.

Grant Compliance Audit – Decide DeKalb (Georgia)

David led a Grant Compliance Assessment of various development projects for Decide DeKalb. The project reviewed the established grant and contractual criteria to be maintained by developers and compared with tenant information related to low-income occupants. The project identified areas of compliance, non-compliance, and recommendations for remediation.

Forensic Audit – Confidential City

David led a forensic investigation into questionable cash management activity for a City Parks and Recreation department. The project reviewed bank account activity, cancelled checks, cash withdrawals, and purchased item documentation as well as conducted interviews with account cardholders to determine the collection, handling, and use of several hundred thousand dollars collected in fees, sponsorships, and contributions made to the City. Numerous observations and corresponding recommendations were developed to enhance internal controls, written policies, and procedures to correct conflicts of interest, mishandling of funds, and misappropriation of funds.

INDEPENDENT AUDITOR'S REPORT

The independent auditor's report has specific significance to readers of the financial report.

Opinion

We have issued an unmodified audit report, which is the highest form of assurance we can render with regard to the fairness of financial information on which we are opining. The financial statements are considered to present fairly the financial position and results of operations as of, and for the year ended September 30, 2025.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. We are required to be independent of the Town and to meet our ethical responsibilities.

Management's Responsibility for the Financial Statements

The financial statements are the responsibility of management. Management is also required to evaluate the Town's ability to continue as a going concern.

Auditor's Responsibility

Our responsibility, as external auditors, is to express opinions on these financial statements based on our audit. We planned and performed our audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

Other Reporting

Government Auditing Standards require auditors to issue a report on our consideration of internal control over financial reporting and on our tests of compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. We have issued such a report and reference to this report is included in the independent auditor's report.

COMPLIANCE REPORTS

The Financial Report Package Contains Three Compliance Reports:

Yellow Book Report: The first compliance report is a report on our tests of the Town's internal controls and compliance with laws, regulations, etc. The tests of internal controls were those we determined to be required as a basis for designing our financial statement auditing procedures. Such tests also considered the Town's compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. In accordance with the respective standards, the report is not intended to provide an opinion, but to provide a form of negative assurance as to the Town's internal controls and compliance with applicable rules and regulations.

Independent Auditor's Management Letter: The Independent Auditor's Management Letter is required to document the Town's Compliance with the requirements of the Rules of the Auditor General. In accordance with the respective rules, the report is not intended to provide an opinion, but to provide a form of negative assurance as to the Town's internal controls and compliance with applicable rules and regulations.

Independent Accountant's Report: The Independent Accountant's Report is required to provide the results of our examination procedures performed concerning the Town's investment of public funds in accordance with Florida Statutes.

REQUIRED COMMUNICATIONS

**The Auditor's Responsibility Under Government Auditing Standards
and Auditing Standards Generally Accepted in the United States of America**

Our audit of the financial statements of Town of Juno Beach, Florida (the "Town") for the year ended September 30, 2024, was conducted in accordance with auditing standards generally accepted in the United States of America and *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether caused by error, fraudulent financial reporting or misappropriation of assets. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. Accordingly, the audit was designed to obtain reasonable, rather than absolute, assurance about the financial statements. We believe our audit accomplishes that objective.

In accordance with *Government Auditing Standards*, we have also performed tests of controls and compliance with laws and regulations that contribute to the evidence supporting our opinion on the financial statements. However, they do not provide a basis for opining on the Town's internal control or compliance with laws and regulations.

Accounting Policies

Management has the ultimate responsibility for the selection and use of appropriate accounting policies used by the Town. During the current year, the Town implemented GASB 101, *Compensated Absences*, which did not have a significant impact on the Town's financial statements. There were no other significant accounting pronouncements implemented by the Town. There are several new accounting standards which will be required to be implemented in the coming years. These are discussed later in this document.

In considering the qualitative aspects of the Town's accounting policies, we did not identify any significant or unusual transactions or significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus. The Town's policies relative to the timing of recording of transactions are consistent with GAAP and typical government organizations.

Management Judgments and Accounting Estimates

Accounting estimates are an integral part of the preparation of financial statements and are based upon management's current judgment. The process used by management encompasses their knowledge and experience about past and current events and certain assumptions about future events. Management has informed us they used all the relevant facts available to them at the time to make the best judgments about accounting estimates and we considered this information in the scope of our audit. We considered this information and the qualitative aspects of management's calculations in evaluating the Town's significant accounting policies. Estimates significant to the financial statements include such items as: the estimated lives of depreciable assets; actuarial assumptions and concepts relative to the benefit plans; deferred revenues; valuation of financial and non-financial instruments; the estimated incurred-but-not-reported liabilities; conservation commitments; extraordinary items; and the estimated allowance for uncollectible accounts.

Financial Statement Disclosures

The footnote disclosures to the financial statements are also an integral part of the financial statements. The process used by management to accumulate the information included in the disclosures was the same process used in accumulating the financial statements, and the accounting policies described above are included in those disclosures. The overall neutrality, consistency, and clarity of the disclosures was considered as part our audit and in forming our opinion on the financial statements.

Significant Difficulties Encountered in Performing the Audit

We encountered no difficulties in dealing with management relating to the performance of the audit.

Audit Adjustments

During our audit of the Town's basic financial statements as of and for the year ended September 30, 2025, there were auditor adjustments proposed and posted to the Town's records.

Uncorrected Misstatements

We had no passed adjustments.

Disagreements with Management

We encountered no disagreements with management over the application of significant accounting principles, the basis for management's judgments on significant matters, the scope of the audit or significant disclosures to be included in the financial statements.

Representation from Management

We requested written representations from management relating to the accuracy of information included in the financial statements and the completeness and accuracy of various information requested by us, during the audit. Management provided those written representations without a problem.

Management's Consultations with Other Accountants

We are not aware of any consultations management had with other accountants about accounting or auditing matters.

Significant Issues Discussed with Management

There were no significant issues discussed with management related to business conditions, plans, or strategies that may have affected the risk of material misstatement of the financial statements. We are not aware of any consultations management had with us or other accountants about accounting or auditing matters. No major issues were discussed with management prior to our retention to perform the aforementioned audit.

Independence

We are independent of the Town, and all related organizations, in accordance with auditing standards promulgated by the American Institute of Public Accountants and *Government Auditing Standards*, issued by the Comptroller General of the United States.

ADDITIONAL MATTERS

New Governmental Accounting Standard Board (GASB) Standards and Pronouncements

As has been the case for the past ten years, GASB has issued several other new pronouncements which will be effective in future years. The following is a brief summary of the new standards:

- a) **Statement No. 103, *Financial Reporting Model Improvements*** was issued in April 2024 and is effective for fiscal years beginning after June 15, 2025 and all reporting periods thereafter.

The objective of this statement is to improve key components of the financial reporting model to enhance its effectiveness in providing information that is essential for decision making and assessing a government's accountability. This statement also addresses certain application issues.

Management's Discussion and Analysis

This statement continues the requirement that the basic financial statements be preceded by management's discussion and analysis (MD&A), which is presented as required supplementary information (RSI). MD&A provides an objective and easily readable analysis of the government's financial activities based on currently known facts, decisions, or conditions and presents comparisons between the current year and the prior year. This statement requires that the information presented in MD&A be limited to the related topics discussed in five sections: (1) Overview of the Financial Statements, (2) Financial Summary, (3) Detailed Analyses, (4) Significant Capital Asset and Long-Term Financing Activity, and (5) Currently Known Facts, Decisions, or Conditions. Furthermore, this statement stresses that the detailed analyses should explain why balances and results of operations changed rather than simply presenting the amounts or percentages by which they changed. This statement emphasizes that the analysis provided in MD&A should avoid unnecessary duplication by not repeating explanations that may be relevant to multiple sections and that "boilerplate" discussions should be avoided by presenting only the most relevant information, focused on the primary government. In addition, this statement continues the requirement that information included in MD&A distinguish between that of the primary government and its discretely presented component units.

Unusual or Infrequent Items

This statement describes unusual or infrequent items as transactions and other events that are either unusual in nature or infrequent in occurrence. Furthermore, governments are required to display the inflows and outflows related to each unusual or infrequent item separately as the last presented flow(s) of resources prior to the net change in resource flows in the government-wide, governmental fund, and proprietary fund statements of resource flows.

TOWN OF JUNO BEACH, FLORIDA
Auditor's Discussion and Analysis (AD&A)
September 30, 2025

Presentation of the Proprietary Fund Statement of Revenues, Expenses, and Changes in Net Position

This statement requires that the proprietary fund statement of revenues, expenses, and changes in fund net position continue to distinguish between operating and nonoperating revenues and expenses. Operating revenues and expenses are defined as revenues and expenses other than nonoperating revenues and expenses. Nonoperating revenues and expenses are defined as: (1) subsidies received and provided, (2) contributions to permanent and term endowments, (3) revenues and expenses related to financing, (4) resources from the disposal of capital assets and inventory, and (5) investment income and expenses.

In addition to the subtotals currently required in a proprietary fund statement of revenues, expenses, and changes in fund net position, this statement requires that a subtotal for *operating income (loss) and noncapital subsidies* be presented before reporting other nonoperating revenues and expenses. Subsidies are defined as: (1) resources received from another party or fund: (a) for which the proprietary fund does not provide goods and services to the other party or fund, and (b) that directly or indirectly keep the proprietary fund's current or future fees and charges lower than they would be otherwise, (2) resources provided to another party or fund: (a) for which the other party or fund does not provide goods and services to the proprietary fund, and (b) that are recoverable through the proprietary fund's current or future pricing policies, and (3) all other transfers.

Major Component Unit Information

This statement requires governments to present each major component unit separately in the reporting entity's statement of net position and statement of activities if it does not reduce the readability of the statements. If the readability of those statements would be reduced, combining statements of major component units should be presented after the fund financial statements.

Budgetary Comparison Schedule

This statement requires governments to present budgetary comparison information using a single method of communication—RSI. Governments also are required to present: (1) variances between original and final budget amounts, and (2) variances between final budget and actual amounts. An explanation of significant variances is required to be presented in notes to RSI.

- b) Statement No. 104, *Disclosure of Certain Capital Assets*** was issued in September 2024 and is effective for fiscal years beginning after June 15, 2025 and all reporting periods thereafter.

State and local governments are required to provide detailed information about capital assets in notes to financial statements. Statement No. 34, *Basic Financial Statements—and Management's Discussion and Analysis—for State and Local Governments*, requires certain information regarding capital assets to be presented by major class. The objective of this statement is to provide users of government financial statements with essential information about certain types of capital assets.

TOWN OF JUNO BEACH, FLORIDA
Auditor's Discussion and Analysis (AD&A)
September 30, 2025

This statement requires certain types of capital assets to be disclosed separately in the capital assets note disclosures required by Statement 34. Lease assets recognized in accordance with Statement No. 87, *Leases*, and intangible right-to-use assets recognized in accordance with Statement No. 94, *Public-Private and Public-Public Partnerships and Availability Payment Arrangements*, should be disclosed separately by major class of underlying asset in the capital as-sets note disclosures. Subscription assets recognized in accordance with Statement No. 96, *Subscription-Based Information Technology Arrangements*, also should be separately disclosed. In addition, this Statement requires intangible assets other than those three types to be disclosed separately by major class.

This statement also requires additional disclosures for capital assets held for sale. A capital asset is a capital asset held for sale if: (a) the government has decided to pursue the sale of the capital asset, and (b) it is probable that the sale will be finalized within one year of the financial statement date. Governments should consider relevant factors to evaluate the likelihood of the capital asset being sold within the established time frame. This statement requires that capital assets held for sale be evaluated each reporting period. Governments should disclose: (1) the ending balance of capital assets held for sale, with separate disclosure for historical cost and accumulated depreciation by major class of asset, and (2) the carrying amount of debt for which the capital assets held for sale are pledged as collateral for each major class of asset.

- c) **Statement No. 105, *Subsequent Events*** was issued in December 2025 and is effective for fiscal years beginning after June 15, 2026 and all reporting periods thereafter. The primary objective of this statement is to improve the financial reporting requirements for subsequent events, thereby enhancing consistency in their application and better meeting the information needs of financial statement users.

This statement defines subsequent events as transactions or other events that occur after the date of the financial statements but before the date the financial statements are available to be issued. This statement describes the date the financial statements are available to be issued as the date at which: (1) the financial statements are complete in a form and format that complies with generally accepted accounting principles, and (2) approvals necessary for issuance have been obtained. That definition modifies the subsequent events time frame throughout the GASB literature.

This statement also requires the date through which subsequent events have been evaluated to be disclosed. This statement clarifies the subsequent events that constitute recognized and nonrecognized events and establishes specific note disclosure requirements for nonrecognized events.

TOWN OF JUNO BEACH, FLORIDA
Auditor's Discussion and Analysis (AD&A)
September 30, 2025

d) **Other Pending or Current GASB Projects.** As noted by the numerous pronouncements issued by GASB over the past decade, the GASB continues to research various projects of interest to governmental units. Subjects of note include:

- **Infrastructure Assets.** This project will address issues related to accounting and financial reporting for infrastructure assets. The project will evaluate standard-setting options related to reporting infrastructure assets to make information: (1) more comparable across governments and more consistent over time, (2) more useful for making decisions and assessing government accountability, (3) more relevant to assessments of a government's economic condition, and (4) better reflect the capacity of those assets to provide service and how that capacity may change over time.
- **Revenue and Expense Recognition** is another long-term project where the GASB is working to develop a comprehensive application model for recognition of revenues and expenses from non-exchange, exchange, and exchange-like transactions. The final standard is expected in mid-2027.
- **Going Concern Uncertainties and Severe Financial Stress** is a major project where the goal is to address issues related to disclosures regarding going concern uncertainties and severe financial stress. The project will consider: (1) improvements to existing guidance for going concern considerations to address diversity in practice and clarify the circumstances under which disclosure is appropriate, (2) developing a definition of severe financial stress and criteria for identifying when governments should disclose their exposure to severe financial stress, and (3) what information about a government's exposure to severe financial stress is necessary to disclose. This technical topic is being examined by the GASB due to a wide diversity in practice regarding required presentation on the face of the financial statements, disclosures, etc. An exposure draft on this topic is expected by mid-2025.

Governmental Newsletters. We periodically produce newsletters tailored to meet the needs of governments. The newsletters have addressed a variety of subjects and are intended to be timely in their subject matter. The newsletters are authored by Mauldin & Jenkins employees and are not purchased from an outside party. The newsletters are intended to keep you informed of current developments in the government finance environment.

In the past several years, the following topics have been addressed in our monthly newsletters:

- Are Your Government's Funds Secure?
- COVID-19 Updates (several)
- Cybersecurity Awareness
- Employee vs Independent Contractor
- Federal Funding and Accountability Transparency Act
- Forensic Audit or Financial Audit?
- GASB Invitation to Comment – the New Financial Reporting Model
- Grants Management
- OMB Compliance Supplements
- Property Tax Assessments
- Remote Auditing Best Practices
- Refunding Debt
- Rotating or Not Rotating Auditors
- Sales Tax Collections and Remittances by the State
- SAS Clarity Standards and Group Audits
- Single Audit, including Uniform Guidance (several)
- Various GASB statements

Communication. In an effort to better communicate our complimentary continuing education plans and newsletters, please email Paige Vercoe at pvercoe@mjcpa.com and provide to her individual names, mailing addresses, email addresses, and phone numbers of anyone you wish to participate and be included in our database.

CLOSING

If you have any questions regarding any items set forth in this memorandum, we will be pleased to discuss it with you at your convenience. This information is intended solely for the use of the Town of Juno Beach management, and others within the Town's organization and is not intended to be and should not be used by anyone other than these specified parties.

We appreciate the opportunity to serve the Town of Juno Beach and look forward to serving the Town in the future. Thank you.

Meeting Name: Town Council Meeting
Meeting Date: February 25, 2026
Prepared By: Emily Alves, CPA Finance/HR Director
Item Title: Asset Disposals

DISCUSSION:

Per the Town's Accounting Manual, Fixed Assets Disposals are to be recorded in the minutes of a regularly scheduled meeting of the Town Council.

Staff are recommending the disposal of seven assets. The three police vehicles will be sold on govdeals.com.

RECOMMENDATION:

Staff recommends the Town Council consider a motion to approve attached disposals on the Consent Agenda.

Meeting Name: Town Council Meeting
Meeting Date: February 25, 2026
Prepared By: Steven J. Hallock, Director of Public Works
Item Title: FY 2025-2026 “Return of US1 Median to 2005 Plans” CIP project

DISCUSSION:

The FY 2025-2026 “Return of US1 Median to 2005 Plans” CIP project was originally scheduled for the January 28 Town Council agenda. Due to time constraints, it was rolled over to this meeting. This delay has proven fortuitous, as a significant development regarding the project budget has occurred in the interim.

The approved FY 2025-2026 budget allocated \$21,594.00 for this project, based on a prior Terracon proposal that only addressed maintenance needs, not replanting to match the 2005 landscape plan (Attachment 1). This miscommunication has been resolved, and the updated Terracon proposal #15453 (Attachment 2) is now estimated at \$393,578.50.

Given this substantial increase, there is currently no Town funding available to undertake a project of this scale during this fiscal year.

Of note is the Town has received very few complaints regarding the appearance of the US1 medians in recent years. Staff remain committed to addressing necessary maintenance promptly and will continue the Standard Operating Procedure (SOP) of replacing dead or damaged landscaping using the plant list identified in the 2005 landscape plan.

RECOMMENDATION:

Eliminate the project proposed for FY 2025-26 and reallocate the funding (\$21,594) to US1 routine landscape maintenance, including medians and Town rights-of-way along US1. As to the medians, we could incrementally transition back to the 2005 plan as plants are damaged or die, or a future Town Council could decide to undertake the approximate \$400K project should they wish to do so.

Meeting Name: Town Council Meeting
Meeting Date: January 28, 2026
Prepared By: C. Copeland-Rodriguez, Town Clerk
Item Title: Explanation of Legal and Practical Limitations on Posting Public Records on the Town's Website

BACKGROUND:

The Town is committed to transparency and open government in accordance with Article I, Section 24 of the Florida Constitution and Chapter 119, Florida Statutes. As part of this commitment, the Town routinely posts a wide range of records on its website to provide convenient access to information of public interest such as Agenda Backup Materials, Minutes, Resolutions, Ordinances, Comprehensive Development Plan, Event flyers, Annual Comprehensive Financial Reports, etc.

Florida's Public Records Law requires that public records be made available for inspection and copying upon request unless a statutory exemption applies. However, state law does not require municipalities to proactively post all public records on their websites. As a result, not all records maintained by the Town can or should be published online.

1. Statutory Exemptions and Confidential Records *(See Attachment 1)*

Under Chapter 119, Florida Statutes, certain records are confidential or exempt from public disclosure and may not be released or posted online. Examples include, but are not limited to:

- Confidential personnel and employment-related information (e.g., Social Security numbers, medical information, addresses of law enforcement officers and their families)
- Attorney-client privileged communications (§ 90.502, Fla. Stat.)
- Active law enforcement and security-related records (§ 119.071, Fla. Stat.)
- Certain building permit records related to public facilities (§ 119.071(3)(b), Fla. Stat.)
- Information that could facilitate unauthorized access to information technology systems or otherwise compromise cybersecurity (§ 119.0725(2)(3)(5), Fla. Stat.)

These records cannot be posted on the Town's website and, in some cases, cannot be released at all. Additionally, certain records that may not be exempt at the time of posting may become exempt in the future.

2. Temporarily Exempt Records

Some public records are temporarily exempt from disclosure and may only be released after specific statutory conditions are met. For example, § 119.071(1)(b), Florida Statutes, provides that sealed bids, proposals, or replies received in response to a competitive solicitation are exempt from disclosure until notice of an intended decision is issued or until 30 days after the opening, whichever occurs first. Posting such records online prior to the expiration of the exemption would violate state law.

3. Records Requiring Review and Redaction

Many records contain both public and exempt information. Before release, these records must be reviewed and, where required, redacted in accordance with § 119.07(1)(d), Florida Statutes. The redaction process is necessary to ensure compliance with the law and to prevent the inadvertent disclosure of protected information. Due to the volume of records created and maintained by the Town, it is not feasible to review and redact all records for proactive online posting.

4. Operational and Technical Limitations

The Town maintains a significant volume of records across multiple departments and formats. Posting all records online would require substantial staff time, technical resources, and ongoing maintenance. Additionally, not all records are suitable for online posting due to file size, format, or accessibility considerations.

5. Public Records Request Process

Public access to records is ensured through the Town's established public records request process. All non-exempt public records remain available for inspection and copying upon request, in accordance with Chapter 119, Florida Statutes. Requests are processed in a manner that ensures compliance with Florida law. To enhance efficiency and accessibility, the Town Clerk has obtained quotes for Public Records Request software (*see Attachments 2 & 3*). This software program will streamline request management, improve tracking of responses, and help ensure timely fulfillment of requests. ***Please note that CivicPlus is the only provider capable of offering bi-directional search integration across its Website platform, Social Media Archiving (Open Archive), Agenda and Meeting Management, NextRequest, and Municode Online Code Hosting solutions. This software would enable the Town to go above and beyond its current practices by enhancing accessibility, efficiency, and transparency.***

6. Posting Confidential or Exempt Records is a Violation of Florida's Public Records Law

Release of confidential or exempt records is a violation of Florida's Public Records Law that can expose the Town, its officers, elected officials, and employees to serious consequences. Section 119.10(1)(b), Florida Statutes, states that a public officer who knowingly violates the provisions of s. 119.07(1), Florida Statutes, is subject to suspension and removal or impeachment and commits a misdemeanor of the first degree, punishable by possible criminal penalties of one year in prison, or \$1,000 fine, or both. *See State v. Webb*, 786 So. 2d 602 (Fla. 1st DCA 2001) (s. 119.10[1][b] authorizes a conviction for violating s. 119.07 only if a defendant is found to have committed such violation "knowingly"; statute cannot be interpreted as allowing a conviction based on mere negligence).

Section 119.10(1)(a), F.S., provides that a violation of any provision of Ch. 119, F.S., by a public officer is a noncriminal infraction, punishable by fine not exceeding \$500. *Cf. s. 838.022(1)(b), F.S.* (unlawful for a public servant or public contractor, to knowingly and intentionally obtain a benefit for any person or to cause unlawful harm to another, by concealing, covering up, destroying, mutilating, or altering any official record or official document, except as authorized by law or contract, or causing another person to perform such an act).

A state attorney may prosecute suits charging public officials with violations of the Public Records Act, including those violations which may result in a finding of guilt for a noncriminal infraction. AGO 91-38.

Proactive Review and Posting of Contracts

Staff is actively reviewing Town contracts to determine which documents may be released for public viewing through the Town's Laserfiche public portal. As part of this process, contracts are evaluated to confirm they are fully executed, no longer subject to negotiation, and do not contain confidential or exempt information that would require redaction under Florida law. Where contracts are determined to be eligible for public release, staff will post them to the Laserfiche portal to enhance transparency and improve public access to frequently requested records. This ongoing review process is intended to balance transparency with the Town's obligation to comply with Chapter 119, Florida Statutes, and to safeguard confidential information.

CONCLUSION:

The Town remains fully committed to transparency and compliance with Florida's Public Records Law. While posting records on the Town's website enhances public access where appropriate, it does not replace the statutory public records request process. Legal exemptions, temporary confidentiality, and practical limitations prevent all records from being posted online. The Town will continue to balance transparency with its legal obligations and operational responsibilities.

RECOMMENDATION:

Staff recommends that the Town Council considers approval to proceed status quo on posting records to the Town's website, continuing to post records where appropriate and maintain review and redaction processes as described. Also, consider approval of funding for the proposed agreement with CivicPlus for Public Records Request Software in the next budget cycle and approve the agreement at an annual cost of \$9,498 for a two-year term, with an option to renew annually thereafter, and an initial term cost of \$10,998; and authorize the Town Manager to execute the agreement and any related documentation necessary to implement the contract.

Public-Facing FAQ: Access to Public Records

Why aren't all public records posted on the Town's website?

Florida law does not require municipalities to post all public records online. Some records are confidential or exempt from disclosure, while others must be reviewed and redacted before release.

Does this mean the records are being withheld from the public?

No. Public records that are subject to disclosure remain available through the Town's public records request process, as required by Chapter 119, Florida Statutes.

What types of records cannot be posted online?

There are more than 600 types of exempt and confidential records under Florida's Public Records Law. Records that are confidential or exempt by law, temporarily exempt (such as active procurement materials), or those containing protected information that requires redaction cannot be posted online.

How can I obtain records that are not posted on the website?

Members of the public may submit a public records request to the Town. Requests are processed in accordance with Florida law.

Why does the Town need time to respond to some requests?

Some records require legal review and redaction to ensure compliance with state law and to protect confidential information.

When will I receive the records I have requested?

Florida Law Chapter 119 provides that when copies of records are requested, the records custodian must respond in a reasonable amount of time to allow the custodian to retrieve the records and delete those portions of the records the custodian asserts are exempt.

Is posting records online required by Florida law?

No. Florida law requires access to public records upon request but does not require municipalities to proactively post all records online.

Memorandum

To: Honorable Mayor & Town Council of the Town of Juno Beach, Florida

From: Zackery Good, Esq., Town Attorney

Date: December 10, 2025

Re: Public Records, Confidential and Exempt Records

Florida's Public Records Law, Chapter 119, Florida Statutes, provides a right of access to the records of state and local governments, as well as to private entities acting on their behalf. In the absence of a statutory exemption, this right of access applies to all materials made or received by an agency in connection with the transaction of official business which are used to perpetuate, communicate, or formalize knowledge. This memorandum will address public records generally, exempt and confidential records, and penalties for violations of the Public Records Law.

Public Records Generally

Section 119.011(12), Florida Statutes, defines "public records" to include, "all documents, papers, letters, maps, books, tapes, photographs, films, sound recordings, data processing software, or other material, regardless of the physical form, characteristics, or means of transmission, made or received pursuant to law or ordinance or in connection with the transaction of official business by any agency." The Florida Supreme Court has interpreted this definition to encompass all materials made or received by an agency in connection with official business which are used to perpetuate, communicate or formalize knowledge. *Shevin v. Byron, Harless, Schaffer, Reid and Associates, Inc.*, 379 So. 2d 633, 640 (Fla. 1980). All such materials, regardless of whether they are in final form, are open for public inspection unless the Legislature has exempted them from disclosure. *Wait v. Florida Power & Light Company*, 372 So. 2d 420 (Fla. 1979).

Exempt and Confidential Records

Article I, s. 24(c), Florida Constitution, authorizes the Legislature to enact general laws creating exemptions provided that such laws “shall state with specificity the public necessity justifying the exemption and shall be no broader than necessary to accomplish the stated purpose of the law.” “The Constitution allows for the legislature, not the courts to provide for exceptions to the public records act.” *Cruz v. State*, 297 So. 3d 154 (Fla. 4th DCA 2019). See *Halifax Hospital Medical Center v. News-Journal Corporation*, 724 So. 2d 567 (Fla. 1999) (statute providing an exemption from the Sunshine Law for portions of hospital board meetings is unconstitutional because it does not meet the constitutional standard of specificity as to stated public necessity and it is broader than necessary to achieve its purpose).

There is a difference between records the Legislature has determined to be exempt from the Public Records Act and those which the Legislature has determined to be exempt from the Act *and confidential*. *WFTV, Inc. v. School Board of Seminole County*, 874 So. 2d 48, 53 (Fla. 5th DCA 2004), *review denied*, 892 So. 2d 1015 (Fla. 2004). *And see State v. Wooten*, 260 So. 3d 1060, 1069-1070 (Fla. 4th DCA 2018) (Ch. 119, F.S., refers to both “exempt” records and records which are “confidential and exempt”). If information is made confidential in the statutes, the information is not subject to inspection by the public and may be released only to those persons and entities designated in the statute. *Id.* *And see* AGOs 08-24, 04-09 and 86-97.

If records are not made confidential but are simply exempt from the mandatory disclosure requirements in s. 119.07(1), Florida Statutes, the agency is not prohibited from disclosing the documents in all circumstances. See *Williams v. City of Minneola*, 575 So. 2d 683, 687 (Fla. 5th DCA), *review denied*, 589 So. 2d 289 (Fla. 1991), in which the court observed that pursuant to s. 119.07(3) (d), F.S. [now s. 119.071(2)(c), F.S.], “active criminal investigative information” was exempt from the requirement that public records be made available for public inspection. However,

as stated by the court, “the exemption does not *prohibit* the showing of such information. There are many situations in which investigators have reasons for displaying information which they have the option not to display.”

Once an agency has gone public with information which could have been previously protected from disclosure under Public Records Act exemptions, no further purpose is served by preventing full access to the desired information. *Downs v. Austin*, 522 So. 2d 931, 935 (Fla. 1st DCA 1988). *Cf.* AGO 01-74 (taxpayer information that is confidential in the hands of certain specified officers under s. 193.074, F. S., is subject to disclosure under the Public Records Act when it has been submitted by a taxpayer to a value adjustment board as evidence in an assessment dispute).

Importantly, if the Legislature is “clear in its intent,” an exemption to the Public Records Act may be applied retroactively. *Campus Communications, Inc. v. Earnhardt*, 821 So. 2d 388, 396 (Fla. 5th DCA 2002), *review denied*, 848 So. 2d 1153 (Fla. 2003) (statute exempting autopsy photographs from disclosure is remedial and may be retroactively applied). *See also Palm Beach County Sheriff’s Office v. Sun-Sentinel Company, LLC*, 226 So. 3d 969 (Fla. 4th DCA 2017); *City of Orlando v. Desjardins*, 493 So. 2d 1027, 1028 (Fla. 1986); and *Roberts v. Butterworth*, 668 So. 2d 580 (Fla. 1996). *Cf. Cebrian By and Through Cebrian v. Klein*, 614 So.2d 1209 (Fla. 4th DCA 1993) (amendment to child abuse statute limiting access to unfounded reports was remedial in nature and therefore applied retroactively); AGO 11-16 (applying exemption to a public records request received before the statute’s effective date because the legislation creating the exemption states that it “applies to information held by an agency, before, on, or after the effective date of this exemption”); and AGO 94-70 (amendment to expungement statute appears to be remedial and,

therefore, should be retroactively applied to those records ordered expunged prior to the effective date of the amendment).

Violations of the Public Records Law

Section 119.10(1)(b), Florida Statutes, states that a public officer who knowingly violates the provisions of s. 119.07(1), Florida Statutes, is subject to suspension and removal or impeachment and commits a misdemeanor of the first degree, punishable by possible criminal penalties of one year in prison, or \$1,000 fine, or both. *See State v. Webb*, 786 So. 2d 602 (Fla. 1st DCA 2001) (s. 119.10[1][b] authorizes a conviction for violating s. 119.07 only if a defendant is found to have committed such violation “knowingly”; statute cannot be interpreted as allowing a conviction based on mere negligence).

Section 119.10(1)(a), F.S., provides that a violation of any provision of Ch. 119, F.S., by a public officer is a noncriminal infraction, punishable by fine not exceeding \$500. *Cf.* s. 838.022(1)(b), F.S. (unlawful for a public servant or public contractor, to knowingly and intentionally obtain a benefit for any person or to cause unlawful harm to another, by concealing, covering up, destroying, mutilating, or altering any official record or official document, except as authorized by law or contract, or causing another person to perform such an act).

A state attorney may prosecute suits charging public officials with violations of the Public Records Act, including those violations which may result in a finding of guilt for a noncriminal infraction. AGO 91-38.

D. EXEMPT AND CONFIDENTIAL RECORDS AND MEETINGS- EX Item #12.
SUMMARIES.

It is recommended that these summaries be used as a reference only—interested parties should refer to the full text in the Florida Statutes before drawing legal conclusions.

Section 11.0431(2), F.S. – The text of s. 11.0431, F.S., relating to exemptions from disclosure for legislative records, is set forth in Appendix E.

Section 11.045(5)(b), F.S. – The legislative committee responsible for ethical conduct of lobbyists shall make sufficient deletions in advisory opinions issued pursuant to this subsection to prevent disclosing the identity of persons in the decisions or opinions.

Section 11.26(1), F.S. – Subject to s. 11.0431, legislative employees may not reveal to anyone outside the area of their direct responsibility the contents or nature of any request for services made by a legislator except with the consent of the member making the request.

Section 11.45(3)(i), F.S. – The identity of a donor or prospective donor to the capital development board who desires to remain anonymous is confidential and exempt from public disclosure requirements and such anonymity shall be maintained in the auditor's report.

Section 11.45(4)(c), F.S. – Audit reports prepared by the Auditor General become public records when final. Audit workpapers and notes are not public records; however, those materials necessary to support the computations in the final audit report may be made available by majority vote of the Legislative Auditing Committee after a public hearing showing proper cause.

Section 11.51(4), F.S. -- Work papers held by the Office of Program Policy Analysis and Government Accountability (OPPAGA) which relate to an authorized project or a research product are exempt.

Section 14.28, F.S. – All records developed or received by a state entity relating to a Board of Executive Clemency investigation are confidential and exempt from disclosure; however, such records may be released upon the approval of the Governor.

Section 15.07, F.S. – The journal of the executive session of the Senate shall be kept free from inspection or disclosure except upon order of the Senate or court of competent jurisdiction.

Section 15.16(3)(c), F.S. – Email addresses and secure login credentials held by the Department of State pursuant to the subsection are exempt from disclosure requirements.

Section 16.64, F.S. – Except as provided in the exemption, names, dates of birth, driver license numbers, home addresses, mailing addresses, telephone numbers, or electronic mail addresses in an application submitted to the Department of Legal Affairs by a person seeking compensation through the Dozier School for Boys and Okeechobee School Victim Compensation Program is confidential.

Section 16.716(1)(2), F.S. – Any information obtained by the Florida Gaming Control Commission which is exempt or confidential shall retain its exempt or confidential status. The information may be released by the commission to a governmental entity under the conditions prescribed in the exemption. Any portion of a commission meeting during which exempt or confidential information is discussed is exempt provided certain requirements are met.

Section 17.0401, F.S. – Except as otherwise provided by this section, information relative to an investigation by the Chief Financial Officer pursuant to s. 17.04 is confidential and exempt from disclosure until the investigation is complete or ceases to be active, or if the Chief Financial Officer submits such information to a law enforcement or prosecutorial agency, until that agency's investigation is complete or ceases to be active as that term is defined in the section.

Section 17.076(5), F.S. – All direct deposit records made prior to October 1, 1986, are exempt from s. 119.07(1). With respect to direct deposit records made on or after October 1, 1986, the names of the authorized financial institutions and the account numbers of the beneficiaries, as defined in the section, are confidential and exempt.

Section 17.325(3), F.S. – A caller on the governmental efficiency hotline es the Chief Financial Officer under this section may remain anonymous, and, if the caller provides his or her name, the name is confidential.

Section 20.055(6)(b), F.S. – Inspector general audit workpapers and reports are public records to the extent that they do not include information which has been made confidential and exempt from s. 119.07(1). However, when the inspector general or a member of the staff receives from an individual a complaint or information that falls within the definition provided in s. 112.3187(5), the name or identity of the individual shall not be disclosed to anyone else without the individual's written consent, unless the inspector general determines that such disclosure is unavoidable during the course of the audit or investigation.

Section 24.1051(1), F.S. – Specified information, including records relating to security, lottery games and tickets, background checks, and nonpublic financial information about an entity that is provided in connection with financial responsibility review by the Department of the Lottery, is confidential and exempt.

Section 24.1051(2), F.S. – The street address and telephone number of a winner are confidential and exempt from disclosure, unless the winner consents to the release of such information, or as provided in cited statutes.

Section 24.1051(3), F.S. – The name of a winner of a prize valued at \$250,000 or more is confidential and exempt from disclosure for 90 days from the date the prize is claimed unless the winner consents to the release of his or her name or as provided for in cited statutes.

Section 24.108(7)(b), F.S. – The portion of the Lottery Department's security report that contains specific recommendations is confidential and exempt from disclosure and may be released only as authorized in the subsection.

Section 27.151, F.S. – An executive order assigning or exchanging state attorneys pursuant to s. 27.14 or s. 27.15, if designated by the Governor to be confidential, is confidential and exempt from disclosure. The Governor may make public any such executive order by a subsequent executive order and at the expiration of a confidential executive order or any extensions thereof, the executive order and all associated orders and reports shall be open to the public pursuant to Ch. 119 unless the information contained in the executive order is confidential pursuant to cited laws.

Section 28.222(3)(g), F.S. – Certified copies of death certificates authorized for issuance by the Department of Health which exclude information made confidential under s. 382.008 and certified death certificates issued by another state shall be recorded by the clerk of circuit court.

Section 28.2221(5), F.S. – A county recorder may not place on a publicly available Internet website for general public display information made exempt from inspection or copying under s. 119.071 or a military discharge; death certificate; or court records relating to matters or cases governed by Florida rules relating to family law, juvenile procedure, or probate.

Section 28.47(5)(b), F.S. – All electronic mail addresses, telephone numbers, personal and business names, and parcel identification numbers submitted to the clerk or property appraiser for the purpose of registering for a recording notification service or a related service pursuant to this section are confidential and exempt.

Section 30.15(6), F.S. – All information held by the Department of Law Enforcement, a law enforcement agency, a school district, or a charter school that would identify whether a person has been certified to serve as a school guardian is exempt.

Section 39.00145(4), F.S. – Notwithstanding any other provision of law, all state and local agencies and programs that provide services to children or that are responsible for a child's safety, including the listed agencies, and any provider contracting with such agencies, may share with each other confidential records or information if the records or information are reasonably necessary to ensure access to appropriate services for the child. However, records or information

made confidential by federal law may not be shared. Also, this subsection does not apply to information concerning clients and records of certified domestic violence centers which are confidential under s. 39.908 and privileged under s. 90.5036.

Section 39.0132(3), F.S. – The clerk shall keep official records required by this chapter separate from other court records. The records may be inspected only upon court order by persons deemed to have a proper interest therein, except that, subject to s. 63.162, a child, and the parents of the child and their attorneys, guardian ad litem, criminal conflict and civil regional counsels, law enforcement agencies, the Department of Children and Families and its designees, and the attorney ad litem, if one is appointed, always have a right to inspect and copy official records pertaining to the child.

Section 39.0132(4)(a)1., F.S. -- All information obtained pursuant to this part in the discharge of official duty by any of the officials specified in the subsection is confidential and may not be disclosed to anyone other than persons entitled to receive such information under Ch. 39 or upon court order.

Section 1001.453(4), F.S. – The identity of donors and all information identifying donors and prospective donors are confidential and exempt from s. 119.07(1) and that anonymity shall be maintained in the auditor’s report of a district school board direct-support organization.

Section 1002.221, F.S. – Education records, as defined in the Family Educational Rights and Privacy Act (FERPA), 20 U.S.C. s. 1232g, and the federal regulations, are confidential and exempt. An agency or institution, as defined in s. 1002.22, may not release a student’s education records without the written consent of the student or parent except as provided in the exemption and as permitted by FERPA.

Section 1002.225, F.S. – All public postsecondary educational institutions shall comply with the Family Educational Rights and Privacy Act, 20 U.S.C. s. 1232g, with respect to the education records of students.

Section 1002.36(7)(d), F.S. – The criminal records, private investigator findings, and information from reference checks obtained by the Florida School for the Deaf and the Blind for determining the moral character of employees of the school are confidential and exempt from disclosure.

Section 1002.395(6)(y), F.S. – Information and documentation provided to the Department of Education and the Auditor General relating to the identity of a taxpayer that provides an eligible contribution under this section (Florida Tax Credit Scholarship Program) shall remain confidential at all times in accordance with s. 213.053.

Section 1002.42(18)(c), F.S. – Any information that may identify whether a particular individual has been assigned as a safe-school officer pursuant to s. 1006.12 at a private school and that is held by a law enforcement agency is exempt from disclosure requirements.

Section 1002.72, F.S. – Except as provided in the exemption, the records of children enrolled in the Voluntary Prekindergarten Education Program are confidential.

Section 1002.97, F.S. – Except as provided in the exemption, individual records of children enrolled in school readiness programs, held by a VPEP provider, an early learning coalition or the Department of Education are confidential and exempt.

Section 1003.25(1), F.S. – The cumulative record of a public school pupil that is required by this section is confidential and exempt from s. 119.07(1) and is open to inspection only as provided in Ch. 1002.

Section 1003.53(6), F.S. – School districts and other agencies receiving information contained in student records and juvenile justice records shall use such information only for official purposes connected with the certification of students for admission to and for the administration of the dropout prevention and academic intervention program, and such agencies shall maintain the confidentiality of such information unless otherwise provided by law or rule. Such information is confidential and exempt from s. 119.07(1).

Section 1003.57(1)(c), F.S. – Hearings on exceptional student identification, evaluation, and eligibility determination, or lack thereof, are exempt from s. 286.011, except to the extent that the State Board of Education adopts rules establishing other procedures, and any records created as a result of such hearings are confidential and exempt.

Section 1004.055, F.S. – Certain records held by a state university or Florida College System institution which identify detection, investigation, or response practices for suspected

confirmed security incidents are confidential and exempt. Those portions of a public record which would reveal such data and information are exempt from s. 286.011, F.S.

Section 1004.0962 (2) and (4), F.S. – A campus emergency response, as defined in the exemption, held by a public postsecondary institution or specified agencies is exempt from disclosure requirements. That portion of a public meeting which would reveal a campus emergency response is exempt from s. 286.011, F.S.

Section 1004.098(1), F.S. – Personal identifying information of an applicant for president of a state university or a Florida College System institution held by a state university or college is confidential and exempt, except that the age, race, and gender of all applicants who met the minimum qualifications established for the position who were considered and the personal identifying information of an applicant included in the final group of applicants, are no longer confidential and exempt beginning at the earlier of the date the final group of applicants to be considered is established or 21 days before the date of a meeting at which an interview of an applicant will be conducted or at which final action or a vote is to be taken on the offer of employment of an applicant as president.

Section 1004.098(2), F.S. – Any portion of a meeting held for the purpose of identifying or vetting applicants for president of a state university or Florida College System institution, including any portion of a meeting which would disclose personal identifying information of such applicants which is otherwise confidential and exempt under s. 1004.098(1) is exempt from open meetings requirements. A complete recording must be made of any portion of a meeting which is closed and the closed portion may not be held off the record. The recording of the closed portion is exempt. The exemption does not apply to portions of meetings held to establish qualifications for the position or for establishing any compensation framework to be offered to an applicant, or to any meeting held after a final group of applicants has been established.

Section 1004.22(2), F.S. – Materials relating to methods of manufacture or production, potential or actual trade secrets, potentially patentable material, business transactions, or proprietary information received, generated, ascertained or discovered during the course of research conducted within state universities are confidential and exempt from s. 119.07(1), except that a division of sponsored research shall make available, upon request, title and description of a research project, name of the researcher, and amount and source of funding for the project.

Section 1004.24(4), F.S. – The claims files of a self-insurance program adopted by the Board of Governors, or the board's designee, pursuant to this section are confidential and exempt from s. 119.07(1), and are only for the use of the program in fulfilling its duties.

Section 1004.28(5), F.S. – Other than the auditor's report, management letter, any records related to the expenditure of state funds, and any financial records related to the expenditure of private funds for travel, all records of a university direct-support organization and any supplemental data requested by the Board of Governors, the university board of trustees, the Auditor General, and the Office of Program Policy Analysis and Government Accountability shall be confidential and exempt from s. 119.07(1). The identity of donors who desire to remain anonymous shall be protected, and that anonymity shall be maintained in the auditor's report. Any portion of a meeting of the board of directors of the organization, or of the executive committee or other committees of such board, at which any proposal seeking research funding from the organization or a plan or program for either initiating or supporting research is discussed is exempt from s. 286.011, F.S.

Section 1004.30, F.S. – Certain records of university health services support organizations are made confidential; however, some records become public records at a specified time in the future. Any portion of a governing board or peer review panel or committee meeting during which a confidential and exempt contract, document, record, marketing plan, or trade secret is discussed is exempt from s. 286.011, as well as any records generated during the closed portion of a governing board or peer review panel or committee meeting which contain information relating to contracts, documents, records, marketing plans, or trade secrets which are made confidential and exempt by this section. A person may petition a court for release of certain documents

a finding of compelling public interest for release. The organization may petition for continued confidentiality upon a showing of good cause.

Section 1004.43(8), F.S. – Proprietary confidential business information, as defined in the subsection, of the not-for-profit corporation organized pursuant to this section for the purpose of operating the H. Lee Moffitt Cancer Center and Research Institute, and the corporation's subsidiaries, is confidential and exempt from disclosure, except that the Auditor General, Office of Program Policy Analysis and Government Accountability, and the Board of Governors must be given access and must maintain the confidentiality of the information so received.

Section 1004.43(9), F.S. – Meetings of the governing body of the not-for-profit corporation operating the H. Lee Moffitt Cancer Center and Research Institute, or its subsidiaries are exempt from open meeting requirements except that meetings at which expenditures of dollars appropriated to the corporation by the state are discussed must remain open to the public.

Section 1004.44(2), F.S. – Specified materials held by the Florida Institute for Human and Machine Cognition, Inc., or its subsidiary, including certain donor information, as well as trade secrets, patentable material, proprietary information received or generated from research, and exempt information received from other states or the federal government, are confidential and exempt from disclosure requirements. Portions of meetings where confidential information is discussed are exempt from open meetings requirements.

Section 1004.45(2)(h), F.S. – Information that, if released, would identify donors who desire to remain anonymous, is confidential and exempt. Information which, if released, would identify prospective donors to the museum is confidential and exempt unless the direct-support organization has obtained the name from another source. Identities of such donors and prospective donors shall not be revealed in the auditor's report.

Section 1004.55(6), F.S. – Records that relate to the client of a regional autism center are confidential and exempt from public disclosure. Personal identifying information of a donor or prospective donor who desires to remain anonymous is also confidential.

Section 1004.70(6), F.S. – Records of a Florida College System institution direct-support organization other than the auditor's report, any information necessary for the auditor's report, any information related to the expenditure of funds, and any supplemental data requested by the board of trustees, the Auditor General, and the Office of Program Policy Analysis and Government Accountability are confidential and exempt from s. 119.07(1). The identity of donors who desire to remain anonymous shall be protected, and that anonymity shall be maintained in the auditor's report.

Section 1004.71(6), F.S. – The identity of a donor or prospective donor to a statewide Florida College System direct-support organization who desires to remain anonymous, and all information identifying such donor or prospective donor are confidential and exempt from disclosure. Such anonymity shall be maintained in the auditor's report.

Section 1004.78(2), F.S. – Materials relating to methods of manufacture or production, potential or actual trade secrets, potentially patentable material, business transactions, or proprietary information received, generated, ascertained or discovered during the course of activities conducted within a Florida College System institution are confidential and exempt from s. 119.07(1) provided that an institution shall make available, upon request, the title and description of a project, the name of the investigator and the amount and source of the funding provided for the project.

Section 1005.36(3), F.S. – Confidentiality of student records of closed nonpublic postsecondary institutions which are furnished to the Commission for Independent Education in accordance with this section shall be maintained, to the extent required by law.

Section 1005.38(6), F.S. – Investigatory records held by the Commission for Independent Education are exempt from public disclosure requirements for a period not to exceed 10 days after the panel makes a determination regarding probable cause. Those portions of meetings of the probable cause panel at which exempt records are discussed are exempt from open m

requirements but must be recorded. The recording of a closed portion of a meeting minutes and findings of such meeting are exempt from disclosure for a period not to exceed 10 days after the panel makes a determination regarding probable cause.

Section 1006.07(1)(a), F.S. – Student expulsion hearings are exempt from s. 286.011. However, the student’s parent must be given notice of the Sunshine Law and may elect to have the hearing held in compliance with that section.

Section 1006.12(8), F.S. – Any information held by listed agencies that would identify whether an individual has been appointed as a safe-school officer is exempt.

Section 1006.1493(5), F.S. – In accordance with s. 119.071(3)(a), data and information related to security risk assessments administered pursuant to cited statutes and the security information contained in the annual report required pursuant to s. 1006.1493(4), are confidential and exempt.

Section 1006.52(1), F.S. – Each public postsecondary educational institution may prescribe the content and custody of records which the university may maintain on its students. A student’s education records, as defined in the Family Educational Rights and Privacy Act, 20 U.S.C. s. 1232g, and the federal regulations, and applicant records as defined by this section are confidential and exempt.

Section 1008.23(1), F.S. – All examination and assessment instruments, including developmental materials and workpapers directly related thereto, which are prepared, prescribed or administered pursuant to cited statutes, shall be confidential and exempt.

Section 1008.23(2), F.S. – All examination and assessment instruments, including developmental materials and workpapers directly related thereto, which are prepared, prescribed, or administered by a Florida College System institution, a state university, or the Department of Education shall be confidential and exempt.

Section 1008.24(4)(b), F.S. – The identity of a school or postsecondary educational institution, personal identifying information of any personnel of any school district or postsecondary educational institution, or any specific allegations of misconduct obtained or reported pursuant to an investigation conducted by the Department of Education of a testing impropriety are confidential and exempt until the conclusion of the investigation or until such time as the investigation ceases to be active.

Section 1008.39(3), F.S. – The Florida Education and Training Placement Information Program must not make public any information that could identify an individual or the individual’s employer.

Section 1008.41(1)(b), F.S. – Uniform management information systems for workforce education coordinated by the Commissioner of Education pursuant to this section must provide for compliance with state and federal confidentiality requirements except that the department shall have access to certain reemployment assistance wage reports to collect and report placement data about former students. Such placement reports must not disclose the individual identities of former students.

Section 1009.98(6), F.S. – Information that identifies the purchasers or beneficiaries of a prepaid college plan and their advance payment account activities is exempt from s. 119.07(1). Information which is authorized to be released to postsecondary institutions shall be maintained as exempt from s. 119.07(1).

Section 1009.981(6), F.S. – Information that identifies the benefactors or the designated beneficiary of any account initiated pursuant to the Florida College Savings Program is confidential and exempt from public disclosure requirements. However, the board is authorized to release such information to a community college, college, or university in which a designated beneficiary may enroll or is enrolled. The receiving institution shall maintain the confidentiality of such information.

Section 1009.983(4), F.S. – The identity of donors who desire to remain anon

shall be confidential and exempt from disclosure, and such anonymity shall be maintained in the auditor's report of the direct-support organization of the Florida Prepaid College Program. Information received by the direct-support organization that is otherwise confidential or exempt shall retain such status and any sensitive, personal information regarding contract beneficiaries, including their identities, is exempt from disclosure.

Section 1009.987, F.S. – The personal financial and health information of a consumer (defined as a party to a participation agreement) held by the Florida Prepaid College Board, Florida ABLE Inc., or the Florida ABLE program relating to an ABLE account or participation agreement or any information that would identify a consumer is confidential and exempt. Disclosure is authorized in specified circumstances.

Section 1012.31(3), F.S. – Public school system employee personnel files are subject to the provisions of s. 119.07(1) except that any complaint and material relating to the investigation of a complaint against an employee is confidential and exempt until the conclusion of the preliminary investigation or until the preliminary investigation ceases to be active; employee evaluations are confidential until the end of the school year immediately following the school year during which the evaluation was made, but no evaluations made prior to July 1, 1983, shall be made public; payroll deduction records of the employee and medical records are confidential and exempt. However, an employee's personnel file shall be open at all times to the officials designated in the subsection.

Section 1012.56(10)(e), F.S. – For any examination developed by this state, the Department of Education and the State Board of Education shall maintain confidentiality of the examination, developmental materials, and workpapers, which are exempt from s. 119.07(1).

Section 1012.56(10)(g), F.S. – Examination instruments, including developmental materials and workpapers directly related thereto, which are prepared, prescribed, or administered pursuant to this section (educator certification) are confidential and exempt from s. 119.07(1) and from s. 1001.52. Provisions governing access to, maintenance of, and destruction of such instruments and related materials shall be prescribed by rules of the State Board of Education.

Section 1012.796(4), F.S. – The complaint against a teacher or administrator and all information obtained pursuant to the investigation by the Department of Education shall be confidential and exempt from s. 119.07(1) until the conclusion of the preliminary investigation, until such time as the preliminary investigation ceases to be active, or until such time as otherwise provided by s. 1012.798(6). However, the complaint and all material assembled during the investigation may be inspected and copied by the certificate holder or the certificate holder's designee, after the investigation is concluded, but prior to the determination of probable cause.

Section 1012.798(9), F.S. – Information obtained by the recovery network program (established within the Department of Education to assist impaired educators) from a treatment provider which relates to a person's impairment and participation in the program is confidential and exempt from disclosure.

Section 1012.798(11), F.S. – Medical records released pursuant to paragraph (8)(e) of this section relating to the impaired educators recovery network program may be disclosed only to the entities specified only as required for purposes of this section, or as otherwise authorized by law. The medical records are confidential and exempt from disclosure.

Section 1012.81, F.S. – Rules of the State Board of Education shall prescribe the content and custody of limited-access records maintained by a Florida College System institution on its employees. Such limited-access records may include only the records described in the section. Limited access records are confidential and exempt and may not be released except as authorized in the section.

Section 1012.91, F.S. – Each university board of trustees shall adopt rules prescribing the content and custody of limited-access records maintained on its employees. Such limited-access records are limited to the records described in the section. Limited access records are confidential and exempt and may not be released except as authorized in the section.

Section 1012.9931, F.S. – Any portion of a meeting of the Interstate Teacher Compact Commission or its executive committee in which specified information is discussed is exempt from open meetings requirements. Recordings, minutes, and records generated during any portion of an exempt meeting are exempt. Records relating to an investigation of a teacher received from another member state held by the Commissioner of Education or the Department of Education pursuant to the Compact are exempt from disclosure requirements until such time as the investigation ceases to be “active,” as defined in the exemption, or until such time as a preliminary investigation has been concluded with a finding that there is probable cause to proceed and a complaint is filed.

Section 1013.14(1)(a), F.S. – In any case where a board, pursuant to the provisions of Ch. 1013, seeks to purchase real property for educational purposes, all appraisals, offers, or counteroffers are exempt from s. 119.07(1) until an option contract is executed or, if no option contract is executed, until 30 days before a contract or agreement for purchase is considered for approval by the board. If a contract or agreement for purchase is not submitted to the board for approval, then the exemption from s. 119.07(1) expires 30 days after the negotiations end.

E. SECTION 11.0431, FLORIDA STATUTES - LEGISLATIVE RECORDS; EXEMPTIONS FROM PUBLIC DISCLOSURE.

Item #12.

11.0431 Legislative records; intent of legislation; exemption from public disclosure.—

- (1) It is the policy of the Legislature that every person has the right to inspect and copy records of the Senate and the House of Representatives received in connection with the official business of the Legislature as provided for by the constitution of this state. To that end, public records shall be open to personal inspection and copying at reasonable times except when specific public necessity justifies that public records be exempt from such inspection and copying.
- (2) The following public records are exempt from inspection and copying:
 - (a) Records, or information contained therein, held by the legislative branch of government which, if held by an agency as defined in s. 119.011, or any other unit of government, would be confidential or exempt from the provisions of s. 119.07(1), or otherwise exempt from public disclosure, and records or information of the same type held by the Legislature.
 - (b) A formal complaint about a member or officer of the Legislature or about a lobbyist and the records relating to the complaint, until the complaint is dismissed, a determination as to probable cause has been made, a determination that there are sufficient grounds for review has been made and no probable cause panel is to be appointed, or the respondent has requested in writing that the President of the Senate or the Speaker of the House of Representatives make public the complaint or other records relating to the complaint, whichever occurs first.
 - (c) A legislatively produced draft, and a legislative request for a draft, of a bill, resolution, memorial, or legislative rule, and an amendment thereto, which is not provided to any person other than the member or members who requested the draft, an employee of the Legislature, a member of the Legislature who is a supervisor of the legislative employee, a contract employee or consultant retained by the Legislature, or an officer of the Legislature.
 - (d) A draft of a bill analysis or fiscal note until the bill analysis or fiscal note is provided to a person other than an employee of the Legislature, a contract employee or consultant retained by the Legislature, or an officer of the Legislature.
 - (e) A draft, and a request for a draft, of a reapportionment plan or redistricting plan and an amendment thereto. Any supporting documents associated with such plan or amendment until a bill implementing the plan, or the amendment, is filed.
 - (f) Records prepared for or used in executive sessions of the Senate until 10 years after the date on which the executive session was held.
 - (g) Portions of records of former legislative investigating committees whose records are sealed or confidential as of June 30, 1993, which may reveal the identity of any witness, any person who was a subject of the inquiry, or any person referred to in testimony, documents, or evidence retained in the committee's records; however, this exemption does not apply to a member of the committee, its staff, or any public official who was not a subject of the inquiry.
 - (h) Requests by members for an advisory opinion concerning the application of the rules of either house pertaining to ethics, unless the member requesting the opinion authorizes in writing the release of such information. All advisory opinions shall be open to inspection except that the identity of the member shall not be disclosed in the opinion unless the member requesting the opinion authorizes in writing the release of such information.
 - (i) Portions of correspondence held by the legislative branch which, if disclosed, would reveal: information otherwise exempt from disclosure by law; an individual's medical treatment, history, or condition; the identity or location of an individual if there is a substantial likelihood that releasing such information would jeopardize the health or safety

individual; or information regarding physical abuse, child abuse, spouse abuse or the elderly.

- (3) Any record created prior to July 1, 1993, which was not available to the public from the house, commission, committee, or office of the legislative branch that created the record, is exempt from inspection and copying until July 1, 1993. Prior to July 1, 1993, the presiding officer of each house shall determine which records held by that house should remain exempt from inspection and copying. The presiding officers of both houses shall jointly determine which records held by joint committees should remain exempt from inspection and copying. No later than July 1, 1993, the presiding officers shall publish a list of records that remain exempt from inspection and copying.
- (4) For purposes of this section, “public record” means all documents, papers, letters, maps, books, tapes, photographs, films, sound recordings, or other material, regardless of physical form or characteristics, made or received pursuant to law or ordinance or in connection with the transaction of official business by the legislative branch.
- (5) Nothing herein shall be construed to limit the authority of each house of the Legislature to adopt rules pursuant to s. 24, Art. I of the State Constitution.

E. TABLE OF APPELLATE CASES (GOVERNMENT- IN-THE-SUNSHINE AND THE PUBLIC RECORDS ACT) NOTE: This listing includes federal cases and Florida appellate (i.e., District Court of Appeal or Supreme Court) cases cited in the Sunshine Manual; the complete text of cited Florida county court and circuit court cases is available online at the Office of the Attorney General website: myfloridalegal.com.

To Whom It May Concern,

CivicPlus is the only provider capable of integrating the bi-directional search functionality between CivicPlus' Websites, Social Media Archiving Open Archive, Agenda and Meeting Management, NextRequest and Municode Online Code Hosting solutions.

Search Integrations:

This search integration enables staff and residents who are performing a search on their CivicPlus websites to simultaneously search Agenda and Meeting Management, Municode Online Code Hosting, NextRequest and Social Media Archiving Open Archive as appropriate. (Social Media Archiving Open Archive integrates with Engage Central websites. Engage Open websites integrate with Agenda and Meeting Management Essential. Engage Central websites integrate with Agenda and Meeting Management Select.)

Only CivicPlus Websites (Open, Central, and Evolve) integrate with Municode's Online Code Hosting Platform, providing a bi-directional search between CivicPlus Websites and Municode's Online Code Hosting Platform. This search feature is unique to CivicPlus.

Legislative Process Integrations:

Our CivicPlus Agenda and Meeting Management solutions, Select and Essential (formerly CivicClerk and Municode Meetings, respectively), are the only agenda and meeting management solutions that integrate with Municode's Online Code Hosting Platform. The integration between Select/Essential and Municode's Online Code Hosting Platform allows users to push newly adopted legislation directly to the Municode Online Code Hosting Platform's landing page. Municode Online Code Hosting Platform's subscription feature, eNotify, proactively notifies staff and residents via email when Select/Essential has pushed new or updated legislation to the Municode Online Code Hosting Platform landing page.

When coupled with OrdBank (a feature of Municode's Online Code Hosting Platform), the integration between Select/Essential and the Municode Online Code Hosting Platform also enables the creation of Enhanced History Notes. Upon supplementation of legislation pushed from Select/Essential to Municode Codification, the Enhanced History Notes for amended sections are hyperlinked directly to the Select/Essential instance for the specific meeting in which that piece of legislation was adopted. This link gives staff and residents instant access to the agenda, minutes, audio, video and vote tallies (if applicable) related to the legislation that amended the specific section of the municipal code. The only platforms capable of creating Enhanced History Notes inside the Municode Online Code Hosting Platform are Select/Essential. Both of which are CivicPlus solutions.

Public Portal Integrations:

Our CivicPlus NextRequest software solution is integrated with the CivicPlus Portal, enabling residents to access an embedded view of the NextRequest portal within the CP Public Portal. This integration enables users to start a public records request and view archived public records requests. No other freedom of information act software solution integrates with the CivicPlus Portal in this way. The CivicPlus Public Portal unifies multiple CivicPlus solutions into one simple transactional hub, presenting residents with available forms, notifications, and upcoming public meetings.

Sole Provider:

No other companies or individuals in the United States have the right to sell these integrated products. No other companies or individuals have the right to sell, support or service each of these products together. Only CivicPlus is authorized to sell all of the following CivicPlus solutions as one suite of products: Municipal Websites, Municode Codification Services, Social Media Archiving (ArchiveSocial), NextRequest FOIA, and Agenda and Meeting Management.

Please let me know if you have any questions or would like any further documentation.

Powering & Empowering Government

We empower municipal leaders to transform interactions between residents and government into consistently positive experiences that elevate resident satisfaction, increase revenue, and streamline operations.

Government leaders tell us that one of their most pressing needs is to improve how residents access and experience municipal services; however, they struggle with budget cutbacks and technology constraints. CivicPlus enables civic leaders to solve these problems, making consistently positive interactions between residents and government possible.

CivicPlus is the only government technology company exclusively committed to powering and empowering governments to efficiently operate, serve, and govern using our innovative and integrated technology solutions built and supported by former municipal leaders and award-winning support teams. With it, municipalities increase revenue and operate more efficiently while fostering trust among residents.

CUSTOM FORMS

- Staff can customize requester forms on the public side to select by department, requester subject, etc.
- It makes requests more accessible and easy to understand for requesters
- Saves time to get requests to the correct department or connect requester with necessary resources

Our records request software empowers organizations to collaborate remotely and asynchronously.

Implementation (Virtual Only)

Standard Plan Overview

The success of your onboarding is a priority to CivicPlus. Over the course of four stages, we'll work with you to:

Configure the portal to match your agency's process for responding to public records requests and set up agency-specific information such as:

- Users and Departments
- Message Templates
- Instructions for the Requester
- Tags

Train users on how to manage and respond to public records requests. All training is recorded, so you can rewatch and share it at any time or join any of our ongoing bi-weekly virtual training webinars.

- One Admin training with a Launch Manager for those administering the portal
- One Staff training via Webinar for staff users responding to records requests

Keys to a Successful Rollout

Designate a Primary Contact

Choosing someone who is involved in responding to public records requests frequently is ideal.

Clearly Map Out Processes

This is a vital step. Mapping out current processes as well as desired changes is the foundation of a great rollout.

Set Training Dates Early

This will help ensure maximum attendance for your Admin & Staff trainings.

Standard Project Timeline

A typical Standard NextRequest onboarding rollout takes ~8-12 weeks.

STAGE 1	Week 1	Key Stakeholders	Process Mapping: Fill out customer success plan, gather information, and add users, departments, and portal images.
STAGE 2	Week 2	Key Stakeholders	Kickoff Call: 30-60 minute meeting to outline the onboarding and training process as well as set a Go Live date.
	Weeks 2-3	Portal Admins	Gather Info for Portal: Finalize users and departments list. Update templates, alerts, tags, and custom text.
STAGE 3	Week 4	Portal Admins	Admin Training: 60-90 minute meeting for users who will be administering the portal and managing records requests as an Admin.
	Week 6	All Staff Users	Staff Training: 60 minute training for staff who will be responding to record requests within the portal. Note: This staff training is via webinar only.
STAGE 4	Week 7	Communication Team	Go Live: Your agency's portal is now live and available to the public.
	Weeks 8-12	Portal Owner(s)	Check-in Review: Compare the first month of NextRequest usage against 30-day success goals and how you are using NextRequest.

OUR PROMISE TO YOU

Our team is dedicated to giving you the best experience in customer support. If your team changes, if your process changes, or if your agency evolves we're here to help you transition and get you back on track

Continuing Services

Technical Support & Services

With technology, unlimited support is crucial. Our live technical support engineers based in North America are ready to answer your staff members' questions and ensure their confidence.

CivicPlus' support team is available

8 a.m. – 5 p.m. CST to assist with any questions or concerns regarding technical functionality and usage of your solution

CivicPlus Technical Support will provide a toll-free number, chat, and an online email support system for users to submit technical issues or questions. If the customer support specialist is unable to assist with the question or issue, the three-tier escalation process will begin to report issues to our product engineering team for resolution.

Support at a Glance

- Technical support 8 a.m. – 5 p.m. (CST) Monday – Friday (excluding holidays)
- Accessible via phone, email, and chat
- 4-hour response during normal hours
- Dedicated customer success manager
- Online self-service help with the CivicPlus Help Center (civicplus.help)

AWARD-WINNING

CivicPlus has been honored with three Gold Stevie® Awards, six Silver Stevie® Awards, and eight Bronze Stevie® Awards. The Stevie Awards are the world's top honors for customer service, contact center, business development, and sales professionals.

CIVICPLUS HELP CENTER

CivicPlus customers have 24/7 access to our online Help Center where users can review articles, user guides, FAQs, and can get tips on best practices. Our Help Center is continually monitored and updated by our dedicated Knowledge Management Team to ensure we are providing the information and resources you need to optimize your solution. In addition, the Help Center provides our release notes to keep your staff informed of upcoming enhancements and maintenance.

CONTINUING PARTNERSHIP

We won't disappear after your website is launched. You'll be assigned a dedicated customer success manager who will partner with you by providing information on best practices and how to utilize the tools of your new system to most effectively engage your residents.

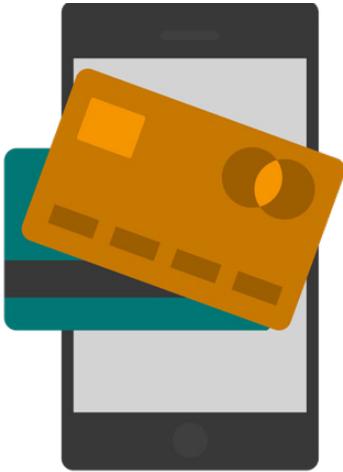

Hosting & Security

<p>Infrastructure</p>	<p>Application Security – NextRequest servers and databases are hosted on Amazon Web Services. All data is hosted in the United states.</p> <p>Storage Security – Customer image assets and documents are stored in Amazon S3.</p> <p>Backups – Your data is backed up daily, weekly, and monthly.</p> <p>Redundancy – We maintain redundancy to prevent single points of failure, are able to replace failed components, and utilize multiple data centers designed for resiliency.</p> <p>Disaster Recovery – We have a step-by-step plan in place to take precautions and minimize the effects of a disaster.</p>
<p>Compliance</p>	<p>SOC 2 Type II Audit – NextRequest has successfully completed a SOC 2 Type II audit.</p> <p>CJIS – NextRequest enables agency Criminal Justice Information Services (CJIS) compliance by mapping features and the organization to CJIS security controls.</p> <p>Encryption – All data is encrypted at rest using AES-256 and in transit using TLS v1 .2. Documents can only be accessed through a valid token that expires. For data, we encrypt in transit using TLS 1.2 and AES-256 at rest.</p> <p>Codebase – The NextRequest codebase is built on the latest version of Ruby and Ruby on Rails. Changes are made to repositories via GitHub Pull Requests (PRs).</p> <p>HTTPS & SSL – All web requests between web clients and NextRequest are secured by TLS version 1.2.</p> <p>Monitoring – Standard application logs are collected daily and weekly. Individual user access is logged within the application and kept in application logs. System status reports are available 24/7 here: https://bit.ly/2YGxbhZ</p> <p>Security Updates – NextRequest’s architecture allows security updates to be made to all customers in real-time, preventing delays in the patching of security vulnerabilities.</p> <p>Data Destruction – At the request of a customer, we will expunge all customer data from NextRequest servers.</p>
<p>Additional Information</p>	<p>Updates & Patches – NextRequest uses a software-as-a-service (SaaS) delivery model. This means customers are always using the most up-to-date version of the application and don’t have to wait for new releases, including security updates. Development is conducted on a 2-week cycle.</p> <p>Single Sign-On (SSO) – NextRequest can add SSO integrations including Active Directory and OAuth to improve password security and access controls across the enterprise organization.</p> <p>Data Exports – Your agency can export your NextRequest data at any time. If you were to leave NextRequest in the future, we can provide a data dump for you.</p> <p>Password Standards – We enforce strong passwords based on the NIST 800-63B guidelines.</p> <p>Browser Compatibility – NextRequest is optimized for Chrome but works with IE11 and up and other modern web browsers.</p>

Optional Add-Ons

Credit Card Processing

CivicPlus Pay (Pay) is our integrated, secure, PCI-compliant, utility application. Local governments can use Pay within many of our solutions to enable seamless payment capabilities.

Pay acts as the connector to facilitate a transaction between the CivicPlus solution and the selected payment gateway. Pay offers integrations with several common payment gateways to provide flexible payment solutions. CivicPlus has partnered with several integrated gateways to enhance the customer experience through a streamlined relationship between the CivicPlus solution and the gateway that processes the payments.

If you utilize a partner payment gateway, CivicPlus can assist with the facilitation, set-up, support, and troubleshooting services. Pay can also integrate with many other supported gateway providers in addition to our partner network, in a more limited fashion, to assist you in developing a successful system. Additional details on our approved partner network and other supported gateway providers are available upon request.

To utilize any of the approved gateways, an agreement will need to be executed directly between you and the vendor, that will assess separate merchant account and transaction fees. Additional information can be provided upon request.

Because EMV and Card-Swipe devices are encrypted specifically for individual payment gateways, you'll need to procure any required devices directly from your selected gateway provider for either purchase or rent. We are happy to assist in your procurement of such devices.

Risk Module

- Personally Identifiable Information, like full names, phone numbers, SSNs, mailing addresses, passport numbers, and much more
- Credentials, including many common API and encryption keys
- Financial Information, like credit card and bank account numbers
- Personal Health Information, including identification numbers associated with health insurance, prescription drugs, and medical devices
- An extra layer of security to help keep track of how many documents have been reviewed and understand their 'Risk Level' on a scale from Low to High, based on the information identified

Proposal as Non-Binding Document

A successful project begins with a contract that meets the needs of both parties. This proposal is intended as a non-binding document, and the contents hereof may be superseded by an agreement for services. Its purpose is to provide information on a proposed project we believe will meet your needs based on the information available. If awarded the project, CivicPlus reserves the right to negotiate the contractual terms, obligations, covenants, and insurance requirements before a final agreement is reached. We look forward to developing a mutually beneficial contract with you.

Dear Caitlin Copeland,

Thank you for considering **JustFOIA's Proposal** in your organization's search for a Records Request Tracking Solution. Please consider the following benefits included with your JustFOIA partnership and subscription:

- **Long-Term Partnership Ensuring Client Success:** We are with you every step of your JustFOIA Client Journey. Our Delivery Team conducts live trainings and partners with you to ensure the system is configured to your unique needs. Our partnership continues throughout your journey, supported by our Technical Support & dedicated Client Success Teams.
- **Continuous Training:** In addition to live training, JustFOIA provides a complimentary subscription to a Learning Management System (LMS) including on-demand continuing educational videos and content.
- **Government Security & Compliance:** All JustFOIA client sites are deployed exclusively on the Microsoft Azure Government Cloud, the Gold Standard in government-level security. As a certified SOC 2 organization, JustFOIA ensures the foundational principles of security, privacy, compliance, and transparency.
- **Unlimited Administrators, Power Users & General Users:** No matter the number of staff involved in records requests, JustFOIA allows unlimited users for all contracted modules at no additional charge.
- **Configurability & Flexibility:** JustFOIA is more than *just*FOIA. Receive a better return on investment by leveraging the solution for more than public records. Liens, Permits and Subpoenas are just a few client examples. With JustFOIA, you have more control over system settings and functionality than any other solution. Dynamic fields recognize keywords entered by citizens to point them to the right place.
- **Having a Voice:** JustFOIA was created based on client feedback, which continues to be the main source of product roadmap ideas. Clients play an essential role in our product feedback loop, collaborating with JustFOIA's Product Development & Quality Assurance Teams to ensure powerful and easy-to-use releases.

If you have any questions concerning our proposal or desire additional information, please do not hesitate to contact me. We appreciate your consideration and hope that we will have the pleasure of partnering with you.

Sincerely,

Scott Mursten

EXECUTIVE SUMMARY

Records request challenges continue to increase, and the call for transparency is at an all-time high. Organizations are selecting JustFOIA to bridge the transparency gap with their community to create an environment of trust and accountability. JustFOIA licenses a software-as-a-service solution (the “Solution”), which is the **easiest-to-use records requests software** that manages every step of the process from intake to delivery. Our Solution can help you save valuable time by automating repetitive tasks, such as redactions, assignments, reminders, and communication with requesters and responders. It is now essential to leverage technology to streamline your records requests process.

OUR COMPANY

Built by users, for users

JustFOIA, Inc. (“JustFOIA”) began as a product built for MCCi’s public sector clients from a deep understanding gained through 20+ years of servicing municipal clerks, records managers, and the public sector. From its founding roots as a Municode company, MCCi has accelerated more than 1,600 clients’ digital transformation journeys by adding intelligence to their processes.

Because many of these clients were searching for a way to better manage the rise in complexity and volume of their organizations’ records requests, MCCi’s development team and leadership worked hand-in-hand with these clients to simplify the process and provide a better user experience for records managers and the constituents they serve. **In 2014, the JustFOIA Solution was launched.** Fast forward to 2020, JustFOIA’s success sparked the need for its own brand and evolution into becoming a sister-company to MCCi. In 2022, we celebrated the milestone of over 1 MILLION records requests processed in JustFOIA, serving more than 500 clients in 44 states.

WHAT MAKES US DIFFERENT

Development fueled by client ideas

Our clients continue to be a vital component of our product feedback loop with client success, implementation, and support teams all regularly contributing ideas to product management. With the launch of our [Ideas Portal](#), **we ensure clients have a voice**, providing a direct line to submit ideas for development consideration, see the status of their development request, and actively vote for the most important features and improvements.

We believe ideas get better when you create an environment of sharing. We regularly organize specialized group discussions, where users with similar challenges engage with our team to make the system work better for them. In addition to testing done by our seasoned, in-house development and quality assurance testing teams, when large features are ready to be tested, we gather beta clients for focus groups and trial usage before releases make it to prime time.

Personalized, consultative services approach

When choosing a records request management solution partner, there are many things to consider. Features and functionality are certainly part of any software partner buying decision, but what will truly dictate your overall experience will be the support you receive during the initial implementation and beyond. We know records requests are only a part of your overall responsibilities, so we start by taking a personalized, consultative approach to the implementation. You’re not expected to figure this out on your own – we take the time to fully understand your unique needs and conduct multiple live trainings with your Administrators and Power Users, making sure the end result is the desired one.

Best-in-class technical support

Once your project is complete, you will have access to our stellar Technical Support Team, maintaining a documented **100% client satisfaction rate**, for troubleshooting and supporting the Solution. We offer optional supplementary support packages as well, giving you more access to our staff based on your needs.

Proactive client success

JustFOIA

We are fanatical about client success. Don't just take our word for it—check out our [G2 Reviews](#). Success starts with our eagerness to understand our clients' needs and where they are headed on their journey to streamlining their records requests processes. We believe in a proactive support methodology, which begins with client education, excellent service, and communication. Your organization will have a **dedicated Client Success Specialist** that can:

- Identify any needs that could easily be addressed by the Solution
- Serve as a resource for questions and answers, best practices, how other clients are using the system with the use of documented case studies, support center, etc.
- Provide continued education for existing and new users through webinars, workshops, user groups, and more
- Coordinate with our sales operations team for pricing/renewals inquiries and budgetary information

Easiest-to-use or we'll retrain you free

We understand that software – no matter how many features it has – can't be great unless it's easy to use. **We guarantee that JustFOIA is the easiest-to-use records request software, or we will train you again at no extra cost.**

To back this up and to supplement our **live trainings**, we offer our industry-exclusive [Learning Management Software platform](#) – The Training Center for JustFOIA – to our clients for free. With unlimited, on-demand access to hundreds of help videos and product documentation, live monthly learning sessions, and peer-based user groups, training new departments and employees is a breeze. We leverage the platform as we roll out JustFOIA to new clients every day, using it to store custom training videos and designing courses for users that simplify training on new features and functionality. If you are as passionate about learning as we are about training, get JustFOIA certified. We offer certifications for Administrators, Power Users and General Users.

The creation of new DirectRoute Workflows is not included in Supplemental Support Services.

HOW DOES IT WORK?

Receive Records Requests through Your Configurable Public Portal

Direct requesters to an online experience to submit and track the status of their requests, search previous requests, pay invoices, and more. Requesters are automatically notified of receipt.

Create Custom Request Forms

Modernize paper forms and emailed PDF requests with as many configurable, web-based forms as you want. Digital forms allow you to quickly collect all the information you need from the start!

Reduce Response Times through Workflow

Streamline your process by automating repetitive tasks and communications through process mapping. Departments and users can be assigned and automatically notified of tasks and due dates. Reminders, escalations, reassignments, and approvals are configurable within each task.

Centralize All Communications - With the Requester and Internal

Create transparency and simplify your communications both internally and externally. Design and automate common communications with templated messages and workflows.

Redact Sensitive Information

Automatically redact documents with one click or manually remove sensitive data. Features include text search, proximity search, redact selected text and/or full page(s). There is no per-user fee, so any user can redact a document if they are permitted by your organization. An exemption log can be automatically generated to accompany each request to explain any redactions.

Estimate & Log Time & Materials

Keep track of the labor, time, and materials costs of fulfilling requests. Configure individual user hourly rates and standard material fees, so invoicing is made simple.

Generate Invoices and Receive Payments

Issue invoices and receive payments inside the Public Portal. Accept all forms of payments including credit cards via our optional, PCI-Compliant Payment Portal, using third-party payment processors.

Import & Organize Response Documents

Easily upload documents from your computer, network or via our optional Laserfiche integration for the requestor to retrieve through your secure JustFOIA Public Portal. Using our optional Any & All Document Management module, extract .PST files and simplify managing hundreds of files.

Analyze Comprehensive Reports

Custom reports are available, in addition to standard reports, such as:

- Processed Requests
- Bottlenecks
- User Activity
- Paused Requests
- Fees Totals
- Time and Materials
- Deleted Requests
- User Task Activity
- Correspondence
- Open Requests
- Request Retention
- Payment Details

WORLD-CLASS, STANDARD SECURITY & COMPLIANCE

JustFOIA is committed to providing a secure platform for our clients that meets or exceeds industry standards. JustFOIA's SOC 2 Type 2 certification, as defined by the American Institute of Certified Public Accountants (AICPA) demonstrates that an external auditing firm has verified the implementation of strict information security and risk management policies and procedures. JustFOIA's CIO is CISSP certified. **All JustFOIA client sites are deployed exclusively on the Azure Government Cloud**, which was built upon the foundational principles of security, privacy and control, compliance, and transparency. JustFOIA is also the only TX-RAMP Certified records request management cloud product.

SOC 2 COMPLIANCE

The official SOC 2 audit report provides a thorough review of processes relating to risk management, including:

- Internal Controls
- IT Infrastructure
- Logical Security
- Environmental Security
- Disaster Recovery Plans
- Access Management Policies
- Software Development Lifecycle
- Network Security
- Computer Operations
- Acceptable Use Policies
- Subservice Due Diligence
- Change Management Procedures
- Physical Security
- Business Continuity
- Corporate Ethics

MICROSOFT AZURE GOVERNMENT CLOUD

Microsoft Azure Government Cloud is FedRAMP Authorized at Level High and designed to handle data subject to certain government regulations and requirements, such as NIST800.171 (DIB), ITAR, IRS 1075, DoD L4, and CJIS. Azure Government uses physically isolated datacenters and networks (located in U.S. only).

ENCRYPTED DATA

The Solution is a web-based application, and all HTTP communications are secured in transit by TLS 1.2 (aka HTTPS). Your data is encrypted at rest transparently using 256-bit AES encryption, one of the strongest block ciphers available, and is FIPS 140-2 compliant.

WEB APPLICATION FIREWALL

Azure Web Application Firewall (WAF) provides protection of your web applications from common exploits and vulnerabilities. SQL injection and cross-site scripting are among the most common attacks. WAF on Application Gateway is based on Core Rule Set (CRS) 3.1, 3.0, or 2.2.9 from the Open Web Application Security Project (OWASP). With no additional configuration required, the WAF automatically updates to protect against new vulnerabilities.

LAYER 7 LOAD BALANCING & NETWORK SECURITY GROUPS

Load Balancing distributes traffic across multiple servers to improve availability and performance. Azure Application Gateway serves as a web traffic load balancer that directs traffic to web applications. While traditional load balancers operate at the transport layer (OSI layer 4), Azure Application Gateway makes routing decisions based on additional attributes of an HTTP request, such as URI path or host headers. Application layer (OSI layer 7) load balancing gives the JustFOIA team greater control in managing the Solution's infrastructure. As a second layer of protection, Network Security Groups applied will only allow traffic that is explicitly defined as allowed.

MONITORING & PERFORMANCE ANALYSIS

Our monitoring and alerting systems notify our Network Operations Center (NOC) of any issues with availability or performance. Our engineers are available 24/7 to address any cloud infrastructure issues.

P2S = POINT TO SITE VPN

Support & administrative personnel access the Solution's backend infrastructure via secure VPN connections only.

UPDATE MANAGEMENT

Updates for Windows Server OS and SQL Server are managed through Azure Automation Update Management, deploying critical and security updates monthly and classification updates quarterly.

AZURE BACKUP & SITE RECOVERY SERVICES

Azure's backup service provides independent and isolated backups to guard against accidental destruction of original data. Backups are encrypted and stored in a Recovery Services Vault with built-in management of recovery points.

The Solution's Disaster Recovery is built upon Azure Site Recovery (ASR), a native disaster recovery as a service that replicates all Virtual Machine disks (OS and Data for all web, application, and database servers) from the Azure Region hosting your production environment to a geographically disparate Azure Region. Replicas are kept up to date within five (5) minutes.

ONGOING SECURITY INNOVATION

As you can see, we take numerous measures to secure your data. While we're confident in our technology, we recognize that no system can guarantee data security with 100% certainty. For that reason, we will continue to innovate, maintain state of the art security measures, and thoroughly investigate any reported security issues concerning JustFOIA's services or software.

508/ADA COMPLIANCE

As part of our ongoing commitment to providing the easiest-to-use records requests software, we are dedicated to providing a web application that is accessible to the widest possible audience, regardless of technology or ability. As such, we strive to remove barriers that might prevent a person with disabilities from using our products by adhering to the Revised Section 508 Standards published by the United States Access Board.

ADA
Americans with
Disabilities Act

The WCAG level of compliance is approved by the ADA for websites and provides recommendations for making content accessible. JustFOIA's citizen-facing pages perform at a Level AA (or level two) conformance to these guidelines, including:

- **Text Equivalents:** Alternative text for appropriate images and other non-text elements
- **Full Keyboard Access:** Built so that it can be accessed using a keyboard
- **Site Consistency:** Feature and functions perform the same way every time
- **Site Structure:** Appropriate headings, lists, paragraphs, style sheets, and other format features to enable easy use with assistive technology
- **Links:** Descriptive link titles, unless the link text already fully describes the target

JustFOIA routinely completes a Voluntary Product Accessibility Template (VPAT) and engages with external consultants certified by the International Association of Accessibility Professionals to ensure our Solution conforms with required standards. Our [VPAT Report](#) allows us to provide the data needed for your procurement team to verify that the JustFOIA Solution complies with Section 508 technical requirements.

CLIENT JOURNEY TO EMPOWERMENT

We're going to walk with you hand-in-hand throughout your JustFOIA Client Journey, actively supporting and guiding your team as they interact and engage with the Solution – thus, empowering your team to manage the system post-implementation. This journey is not viewed as a one-time transaction but as an ongoing partnership, where we remain committed to client success and satisfaction at every stage.

DELIVERY TEAM

Once you have selected your “destination” of JustFOIA, our Delivery Team will guide you through four phases of implementation, ensuring a smooth path to Go-Live:

Phase 1: Pre-Implementation

We think it's important that we get to know each other first – building upon the knowledge gained during the decision-making process to configure the Solution to your specific needs. Your Project Coordinator will gather configuration data and outline expectations for the upcoming implementation phases. During our “Implementation Launch Session,” your assigned Project Coordinator will discuss training, confirm the timeline and key milestone dates, and introduce you to the public-facing side of your JustFOIA site and request form(s).

Phase 2: System Training & Configuration

This phase will consist of two remote/live “*System Training Sessions*” for Administrators and Power Users, focusing on the practical application of the Solution through a hands-on experience submitting and working with mock requests to create a deep practical understanding of requests and administration settings. Clients are introduced to form configurations, retention options, redaction capabilities, communication tools, and more.

Phase 3: Request Training, Processing & Testing

Administrators and Power Users will be guided through the designed request form workflow, creating a collaborative, problem solving experience that results in a more intimate understanding of the process.

As Administrators and Power Users become experts in the Solution, the JustFOIA Delivery Team will collaborate with you to assist in onboarding general users. With numerous resources to onboard and introduce your staff to the Solution including custom training outlines, workflow maps, and guides for long-term reference, JustFOIA empowers you to create an internal training program while reinforcing your own knowledgebase.

Following training, a designated testing window reinforces training principles while preparing to launch the JustFOIA Solution to the public. Your assigned Project Coordinator will be on stand-by to make necessary system modifications.

Phase 4: Launching JustFOIA

Now, the moment we've been waiting for – it's time to Go-Live with JustFOIA! The Delivery Team is invested in your success and will be with you every step of the way. We will remove test data from your JustFOIA site and provide a press kit to spread the word about your efforts to promote transparency. High-level priority is given to inquiries and adjustments during our *Hypercare Check-in Service* period until you are transitioned to your long-term Client Success and Technical Support Teams.

CLIENT SUCCESS

Once you have launched JustFOIA to the public, your journey is only just beginning. Every JustFOIA client is assigned a dedicated Client Success Specialist to ensure they are getting the most out of their investment. Your Client Success Specialist can consult with you to recommend best practices and solutions to common records request issues. We invite clients to participate in periodic user webinars, training opportunities, user communities, and focus groups. Regardless of user type, there is something for everyone.

In addition to ensuring your satisfaction with JustFOIA, your Client Success Specialist will recommend resources found in the Training Center for JustFOIA, our complimentary learning management system with unlimited, on-demand access to hundreds of help videos and product documentation.

JUSTFOIA DEFINITIONS

To determine which modules are applicable, please refer to the Pricing section. Your specific implementation may not include all modules described below.

REDACTION MODULE

Our powerful in-App Redaction Module allows you to upload and redact documents automatically with one click or manually remove sensitive data. Features include text search, pattern matching, proximity search, redact selected text and/or full page(s). Easily apply exemption codes to cite redaction reasons. Once applied, redacted areas are burnt into the document and cannot be recovered or removed so only the redacted version can be released. There is no per-user fee, so any permitted user can redact a document.

JUSTFOIA TRAINING CENTER

The JustFOIA Training Center is a robust Learning Management System that offers remote learning, ongoing training and certification. This complimentary subscription provides an easy solution for new users and refresher training.

Benefits include:

- 24/7 access to on-demand JustFOIA training videos, certification courses and other resources
- Reduction in training time and expenses
- Catered learning for all skill levels from Basic Users to System Administrators
- Unlimited access for Client's entire organization
- Reduction in internal support and increased user productivity
- Increased efficiency through improved internal usage/adoption of JustFOIA
- Customized with fully indexed, recorded training sessions

ADVANCED REPORTING

The Advanced Reporting module will allow Client to select data points to create custom reports and includes the following:

- User-selectable data points
- User-defined date ranges
- Saving created reports
- Ability to export data

SINGLE SIGN-ON (SSO)

The JustFOIA authentication system enables [Single Sign-On](#) ("SSO") integration by allowing connection to one of many supported identity providers. This allows users to login to JustFOIA via trusted connections established with their IT infrastructure (e.g., Microsoft Entra ID (formerly known as Azure Active Directory) login) instead of using username and password authentication within JustFOIA. This feature eliminates the need for users to maintain two sets of credentials, is easier for Client's IT organization to maintain security protocols and gives Client better control over managing user access.

The following types of enterprise connections can be made:

- Microsoft Entra ID (formerly known as Azure Active Directory)
- ADFS
- Open ID Connect
- Active Directory
- PingFederate
- Google Workspace (formerly G Suite, formerly Google Apps)
- SAML
- Duo

PAYMENT PORTAL

JustFOIA integrates with Global Payments, Authorize.net, PayPal, NIC, Catalis, and Paymentus payments to collect payments from requestors online. These third-party payment processors handle all monetary transactions and sensitive credit card data. The requestor enters the request number/security key to see any fees that they owe. If they owe fees, they can pay through a secure Global Payments, Authorize.net, PayPal, NIC, Catalis, or Paymentus payments site. Once they pay, users are able to make the request documents available for immediate release.

LASERFICHE INTEGRATION

Our exclusive Laserfiche integration is a seamless bridge, allowing your organization to leverage Laserfiche to fulfill records requests more quickly and efficiently. From inside the JustFOIA Solution, users can securely connect to their Laserfiche repository to search and browse for responsive documents, sending selected documents to a specific request in the same file format as they are in the repository. As part of your Laserfiche Integration, you can export custom system reports directly into your Laserfiche repository, as well as all parts of a request including communications, response documents, invoices, and a full timeline history of activity on the request. This integration requires each user to have a full Laserfiche license. Please see the [Laserfiche Integration User & Configuration Guide](#).

ANY & ALL DOCUMENT MANAGEMENT

For clients who receive requests for “Any and All” communications, the effort to determine the responsive documents can be overwhelming. Built for clients who need to work with a large number of files, JustFOIA’s Any & All Document Management tool helps simplify and speed up this process with a variety of features, including:

- Extract .PST files (emails and attachments)
- Detect duplicate emails
- Bulk redact and sort all files with one-click
- Combine files into one PDF
- Create custom folders and review documents in the document viewer

DIRECTROUTE WORKFLOWS

DirectRoute Workflows enhance your organization’s efficiency by automating the initial routing of requests. This empowers requestors to pinpoint the exact department responsible for receiving and addressing their submission. This leads to a significant reduction in processing time, a streamlined user experience, and assurance that requests are routed accurately.

Like JustFOIA’s standard workflow capabilities, DirectRoute Workflows can include due dates, reminders, escalations, approvals and trigger the dispatch of system and customized emails.

DYNAMIC FORM FIELDS

For clients looking for a more advanced form experience, Dynamic Form Fields provides a way to create highly interactive and user-centric request forms. These fields adapt the form’s behavior to requestor input and predefined conditions, specifically enhance the requestor experience. Dynamic Form Fields can be especially valuable in complex forms where all fields are not relevant to every requestor. The use of Dynamic Form Fields ensures all data necessary to process a request is collected at the initial submission.

A JustFOIA Dynamic Form Field is defined as a single form field (Dropdown, Checkbox, Text Area, Text Input, Date or Label) that becomes visible and/or required based on form selections or requestor input.

SANDBOX

For clients that prefer to test proposed changes before making updates to their live system, JustFOIA offers a Sandbox environment. JustFOIA will provide a sandbox/testing environment based on a snapshot of the configuration and database on the day requests begin being processed via the JustFOIA Public Portal. An update can be requested at any time, for an additional cost.

INSTANCE

For agencies that prefer to have multiple instances of JustFOIA, there are options available. Ideal for shared services environments with centralized IT administration and billing needs, an additional instance can be used for an additional agency, division or even a sandbox environment. An additional instance includes:

- Per-instance administration interface
- Same add-ons as initial system
- A separate, unique URL
- Unique set of system email templates
- Independent branding and separate Public Portal
- Independent reporting
- A different SSO domain and/or payment account

SERVICE PACKAGES

GENERAL ASSUMPTIONS

The following assumptions serve as the basis for the Service Package(s) reflected below. Any service or activity not described below is not included in the scope of services to be provided. Variations to the following may impact the Service Package's cost and/or schedule, justifying a change order.

- JustFOIA's completion of a Deliverable to Client shall constitute that JustFOIA has conducted its own review and believes it meets Client's requirements. Client shall then have the right to conduct its own review of the Deliverable as Client deems necessary. If Client, in its reasonable discretion, determines that any submitted Deliverable does not meet the agreed upon expectations, Client shall have five (5) business days after JustFOIA's submission to give written notice to JustFOIA specifying the deficiencies in reasonable detail. JustFOIA shall use reasonable efforts to promptly resolve any such deficiencies. Upon resolution of any such deficiencies, JustFOIA shall resubmit the Deliverable for review as set forth above. Notwithstanding the foregoing, if Client fails to reject any Deliverable within five (5) business days, such Deliverable shall be deemed accepted.
- If either party identifies a business issue during the project, JustFOIA and Client must jointly establish a plan to resolve the issues with potential impact analysis of timeline and budget within five (5) business days of identification. Any necessary business decision resulting from the identified business issues must be made by Client within five (5) business days from request.
- Client will maintain primary contacts and project staff for the duration of the project, as a change in staff may result in a change order for time spent by JustFOIA on retraining, reeducating, or changes in direction.
- Any deviations from the contract will be documented in a Change Order that Client must execute.
- All rates are based on normal business hours, Monday through Friday from 8 am to 5 pm local time. If scheduling needs to occur after business hours, additional rates may apply.
- For JustFOIA to excel in providing the highest level of service, Client must provide timely access to technical resources. Client must provide adequate technical support for all JustFOIA installation and support services. If Client does not have "in-house" technical support, it is Client's responsibility to make available the appropriate Information Technology resources/consultant when needed.
- Client will ensure that all Client's personnel who may be necessary or appropriate for the successful performance of the services will, on reasonable notice: (i) be available to assist JustFOIA personnel by answering business, technical and operational questions and providing requested documents, guidelines, and procedures in a timely manner; (ii) participate in the services as reasonably necessary for performance under this Order; and (iii) be available to assist JustFOIA with any other activities or tasks required to complete the services in accordance with this Order.
- Note that all services contracted for must be done as part of the initial implementation. For the avoidance of doubt, if there are services or portions thereof that the Client does not elect to implement as part of the initial implementation, such services are forfeited.
- All services, unless otherwise noted, will be performed remotely.

AGENDA ITEM

Meeting Name: Town Council Meeting
Meeting Date: January 28, 2026
Prepared By: C. Copeland-Rodriguez, MMC, Town Clerk
Item Title: Town Council Orientation Packet

DISCUSSION:

At the December 10, 2025 Town Council Meeting, Mayor Wheeler, Vice Mayor Pro Tem Davis, and Councilmember Halpern gave consensus to have the Town Council Orientation Packet as a discussion item on the next agenda.

Town Staff propose facilitating an orientation work session with qualified candidates and current elected officials to review the contents of the packet and address any questions.

The draft orientation packet is intended to provide a comprehensive overview of Town operations, policies, procedures, and expectations applicable to Town Council members.

The Town Council Orientation Packet consists of the following:

- Attachment #1 - Cover Page, Orientation Packet Overview, and Tables of Contents
- Attachment #2 – Foundational Governance
- Attachment #3 – Administrative Structure and Operations
- Attachment #4 – Community and Public Engagement
- Attachment #5 – Financial and Planning Overview

RECOMMENDATION:

Town staff recommends facilitating an Orientation Work Session with the qualified candidates and current elected officials to review the materials contained in the packet and to address any questions on Wednesday, February 4, 2026 at 3pm.

TOWN COUNCIL ORIENTATION PACKET

MEMORANDUM

Prepared By: Town Clerk

Item Title: 2025-2026 Orientation Packet Overview and Table of Contents

INTRODUCTION

Welcome Town Council Members & Candidates. This memorandum serves as a guide to your comprehensive resource packet, which contains all foundational documents and critical operational information necessary for your effective transition into public service. These materials are organized to quickly familiarize you with the Town's legal framework, financial standing, administrative structure (under the Council-Manager form of government), and community engagement protocols.

TABLE OF CONTENTS

The resources provided in your packet are organized into four major categories:

Foundational Governance

The following attachments establish the legal, ethical, and procedural framework for municipal governance:

- Memorandum on the Council–Manager Form of Government
 - Official Organizational Chart
 - Town Charter
 - Rules of Procedure and Town Council Protocols
 - Procedures for the Conduct of Quasi-Judicial Hearings
 - Florida Commission on Ethics: *Guide to the Sunshine Amendment and Code of Ethics*
 - *2025 Florida Government in the Sunshine Manual*, Vol. 47, Office of the Florida Attorney General (Public Records)
 - Palm Beach County Code of Ethics
 - Robert’s Rules of Order (Simplified)
-

Administrative Structure and Operations

This section outlines the Town’s administrative organization and key points of contact:

- Department Head, Town Attorney, and Town Council Contact Information
-

Community and Public Engagement

This section provides information related to boards and committees:

- Information on All Town Boards and Committees
-

Financial and Planning Overview

This section provides insight into the Town’s financial status and long-term planning efforts:

- Current Operating Budget
- Current Capital Improvement Plan (CIP)
- Comprehensive Plan

NEXT STEPS

Staff encourages you to review these materials thoroughly prior to the formal orientation Work Session. The orientation will include dedicated sessions led by the Town Attorney and the Town Manager to specifically discuss the legal compliance and the administrative relationship outlined in Sections 1 and 3.

If you have any initial questions regarding the contents of this packet, please contact the Town Clerk's office directly at ccopeland@juno-beach.fl.us or (561)656-0316.

DRAFT

MEMORANDUM

Prepared By: Town Clerk
Item Title: Understanding the Florida Council-Manager Form of Government

INTRODUCTION

The Council-Manager form of government is the most common governing structure used in Florida cities and counties. It is designed to combine the strong political leadership of an elected governing body (the Town Council) with the strong administrative leadership of an appointed professional manager (the Town Manager). This system is fundamentally rooted in efficiency, non-political administration, and responsiveness to the governing body's policy directives.

KEY ROLES & RESPONSIBILITIES

1. The Elected Council (Policy-Making Branch)

The Council is the legislative body of the municipality. Its primary responsibilities are to set policy, pass local ordinances, adopt the annual budget, and determine the vision and direction of the town.

- **Policy Focus:** Council members are part-time public officials elected by the community. They focus on community representation, responding to citizen needs, and creating long-term strategic goals.
- **Appointment Power:** The Council's single most critical administrative function is the appointment and supervision of the Town Manager.

2. The Appointed Manager (Administrative Branch)

The Town Manager is a full-time, professional administrator appointed by the Council based on education, experience, and executive qualifications, not political affiliation. The Manager is responsible for the day-to-day operations of the municipality.

- **Executive Focus:** The Manager acts as the chief executive officer, carrying out the policies set by the Council.
- **Core Duties:** These duties include preparing the budget, overseeing all municipal departments (e.g., Police, Finance, Public Works), hiring and firing department heads, and providing expert advice to the Council.
- **Accountability:** The Manager serves at the pleasure of the Council and is accountable directly to them for the efficient management of municipal affairs.

CHARACTERISTICS & BENEFITS

Characteristic	Description
Separation of Powers	Clear distinction between legislative (Council) and executive (Manager) functions.
Professional Management	Ensures administrative decisions are based on professional expertise rather than political considerations.
Stability	While Council members may change following elections, the professional Manager provides continuity and institutional knowledge.

Responsiveness The Manager is directly responsive to the Council, ensuring administrative execution aligns precisely with the Council's policy goals.

In short, the Town of Juno Beach is under the Council-Manager system, which is designed to provide democratic accountability through the elected Council, coupled with professional, efficient service delivery through the appointed Town Manager.

PART I - CHARTER

Footnotes:

--- (1) ---

Editor's note— Part I contains the Charter of the Town as proposed by Ordinance No. 474, enacted November 29, 1995, and as approved at referendum held March 12, 1996. Formerly, Part I contained the Charter of the Town as enacted by Ord. No. 280, enacted March 6, 1985, and approved at referendum on March 12, 1985, as amended by Ord. No. 430, enacted October 28, 1992. Subsequent amendments will be worked into their proper places and amended or repealed provisions deleted. Subsequent amendments will be reflected by history notes enclosed in parentheses following the sections affected. The absence of such a history note indicates that the provision has not been amended, and is as originally enacted in 1996. The editors have added words and phrases in brackets where desirable to clarify meaning or facilitate use. Any bracketed catchlines or material included by the editor for clarity were not part of the Charter as approved.

State Law reference— Municipal Home Rule Powers Act, F.S. ch. 166.

ARTICLE I. - CORPORATE NAME

[Sec. 1. - Name of municipality.]

The municipality hereby established shall be known as the "Town of Juno Beach."

ARTICLE II. - TERRITORIAL BOUNDARIES

Footnotes:

--- (2) ---

State Law reference— Municipal annexation and contraction, F.S. ch. 171.

[Sec. 1. - Established.]

The corporate boundaries of the town shall remain fixed and established as they exist on the date this Charter takes effect, provided that the town shall have the power to change its boundaries in the manner prescribed by law. The official legal description of the town shall be maintained by the town clerk.

ARTICLE III. - LEGISLATIVE

Sec. 1. - Form of government; town council; power and composition; qualification; residency.

- (a) The town shall operate under the council-manager form of government, as provided herein. There shall be a town council vested with all legislative powers. The town council shall consist of five (5) members; one of whom shall be the mayor and four of whom shall be councilmembers

- (b) Only electors of the town who have been continuous residents for at least one (1) year immediately preceding the date of filing of their notice of candidacy shall be eligible to hold the office of mayor or councilmember. All candidates for mayor or councilmember shall submit an affidavit prior to qualification for office demonstrating that they meet the residency requirement. As used in this section and for the purpose of completing the affidavit, "residency" shall require: a place of abode within the town where the prospective candidate actually lives. Additionally, the affidavit shall state that the candidate is registered to vote at the candidate's place of abode at the time of qualification. No elector shall qualify for the office of mayor or councilmember if he or she has been convicted or pled nolo contendere to any felony or has been convicted or pled nolo contendere to any crime of fraud or dishonesty including, by way of example, larceny, theft, burglary, forgery, perjury, or embezzlement.
- (c) The town council adopts policies and appropriates town funds through its budgetary responsibilities, and its members have fiduciary responsibilities as trustees of public funds.

(Ord. No. 635, § 2, 5-12-2010; Res. No. 2023-03, election of 3-14-23; Charter Amend. of 03-22-2023; Ord. No. 773, § 2, 11-15-2023; Ord. No. 777, § 2, 11-15-2023)

Sec. 2. - Election and terms.

On a date established by ordinance of the town, a general election shall be held in each year to elect members of the town council. The selection of members of the town council shall be by seats to be known as seats 1, 2, 3, 4 and 5. Commencing with the 2011 general election and continuing thereafter, the councilmembers in seats 1 and 3 shall serve a term of three (3) years. The councilmember in seat 5 shall continue to serve a term of two (2) years. Commencing with the 2012 general election and continuing thereafter, the councilmembers in seats 2 and 4 shall serve a term of three (3) years. Commencing with the 2013 general election and continuing thereafter, the councilmember in seat 5 shall serve a term of three (3) years. Commencing with the 2024 general election and continuing thereafter, councilmember seat 2 shall be redesignated as the seat of "mayor" which shall then and thereafter be an elected office with a two (2) year term. The term of office of the mayor and of a councilmember shall commence upon election and qualification and shall continue until a successor is elected and qualified.

(Ord. No. 637, § 2, 5-12-2010; Res. No. 2023-03, election of 3-14-2023; Charter Amend. of 03-22-2023)

Sec. 3. - Mayor.

The mayor shall preside at meetings of the council, shall be recognized as head of town government for all ceremonial purposes, by the governor for purposes of military law, for service of process, execution of deeds and as the town official designated to represent the town in all agreements with other governmental entities or certifications to other governmental entities. The mayor shall have no administrative duties except as required to carry out the responsibilities herein.

(Res. No. 2023-03, election of 3-14-2023; Charter Amend. of 03-22-2023)

Item #13.

Sec. 4. - Annual council officer appointments.

The council shall elect from among its members a vice mayor, and a vice mayor pro tem to serve at the pleasure of the council, Election of the vice mayor and vice mayor pro tem shall be done annually at the first council meeting after the town election. The vice mayor shall act as mayor during the absence or disability of the mayor. The vice mayor pro tem shall preside over council meetings in the absence of the mayor and the vice mayor.

(Res. No. 2023-03, election of 3-14-2023; Charter Amend. of 03-22-2023)

Sec. 5. - Compensation and expenses.

The council may determine the annual salary of the mayor and of council members by ordinance, but no ordinance increasing such salary shall become effective until the date of commencement of the terms of the mayor or councilmembers elected at the next regular election.

(Res. No. 2023-03, election of 3-14-2023; Charter Amend. of 03-22-2023)

Sec. 6. - Vacancies; forfeiture of office; filling of vacancies.

- (a) *Vacancies.* The office of mayor or of a councilmember shall become vacant upon death, resignation, or removal from office in any manner authorized by law of such mayor or councilmember or if such mayor or councilmember ceases to be an elector of the town or ceases to meet the requirements for candidacy set forth in section 1(b) of this article as determined by the remaining members of the council.
- (b) *Filling of vacancies.* If there is a vacancy on the council, including both the office of mayor or any councilmember seat, the council by a majority vote of the remaining members may choose a successor mayor or councilmember as applicable, to serve until the next regular town election at which time an election shall be held regardless of whether an election of the seats in which the vacancy occurred is scheduled. If the election for the seats in which the vacancy occurred is not scheduled, the election for those seats shall be for the remainder of the term of the seat or seats in which the vacancy occurred. Any elector seeking appointment to the council including both the office of mayor or any councilmember seat, shall meet all of the requirements for election set forth in section 1(b) above and shall complete and submit the required affidavit and ethics commission form 1. The council shall consider such documentation when choosing a successor.
- (c) *Extraordinary vacancies.* In the event that there is a vacancy in all five (5) seats of the council, the governor is authorized to appoint an interim council, such interim council to serve until the next regularly scheduled election. If the governor does not appoint an interim council within sixty (60)

days, the town manager shall schedule a special election at the earliest practicable date.

(Ord. No. 731, § 2, 11-17-2020; Res. No. 2023-03, election of 3-14-2023; Charter Amend. of 03-22-2023; Ord. No. 777, § 2, 11-15-2023)

State Law reference— Mandate for establishing procedure for filling vacancies, F.S. § 166.031(6).

Sec. 7. - Council appointed officials.

The council shall appoint a town attorney. The council shall have the power to employ and retain other professional advisors and consultants.

(Ord. No. 732, § 2, 11-17-2020; Res. No. 2023-03, election of 3-14-2023; Charter Amend. of 03-22-2023)

Sec. 8. - Procedure.

- (a) *Meetings.* The council shall meet regularly at least once in every month at such times and places as the council may prescribe. Special meetings may be held on the call of the mayor or of a majority of the members and in the absence of a state of emergency, upon no less than twenty-four (24) hours' notice to each member and the public.
- (b) *Rules.* The council shall determine its own rules and order of business.
- (c) *Voting.* Voting on ordinances and resolutions shall be recorded. A majority of the council shall constitute a quorum; a smaller number may adjourn from time to time and may compel the attendance of absent members in the manner and subject to penalties prescribed by rules of the council. No action of the council, except as otherwise provided in this charter, shall be valid or binding unless adopted by the affirmative vote of the majority of the quorum present. Notwithstanding the foregoing, no ordinance shall be adopted unless by the affirmative vote of at least three (3) councilmembers. In all matters coming before the council for a vote, the mayor shall have the same authority, powers and privileges as all other councilmembers.
- (d) *Environmentally sensitive land.* No change to the land use classification or zoning designation of environmentally sensitive land shall be adopted unless by the unanimous vote of all five (5) councilmembers.
- (e) *Police department.* No contract or interlocal agreement shall be entered into between the town and a third-party whereby that party assumes the management of or performs the duties and responsibilities of the police department unless the proposed agreement is approved by the affirmative vote of four (4) councilmembers and by a majority of the town electors who vote in a referendum election conducted in accordance with all legal requirements.
- (f) *Land development regulations.* Any amendment to the town's land development regulations that increases the permitted height or density within any zoning district shall require an affirmative vote of all five (5) councilmembers.

(g) *Variances.* Any order granting a variance to the permitted height within any zoning district require an affirmative vote of all five (5) councilmembers.

ARTICLE IV. - ADMINISTRATIVE

Sec. 1. - Town manager.

There shall be a town manager who shall be the chief executive officer of the municipal corporation. The manager shall be responsible to the council for the administration of all town affairs placed in their charge by or under this charter.

Sec. 2. - Appointment; removal; compensation.

(a) *Appointment.* The council shall appoint a town manager by a majority vote of the mayor and all the council members.

(b) *Removal.* The council may remove the manager by a majority vote of the mayor and all the councilmembers and the manager shall hold office at the pleasure of the council.

(c) *Compensation.* The compensation of the manager shall be fixed by the council.

(Res. No. 2023-03, election of 3-14-2023; Charter Amend. of 03-22-2023)

Sec. 3. - Acting town manager.

By written notification to the town council, the manager shall designate a qualified town executive officer to exercise the powers and perform the duties of manager during his or her temporary absence or disability. During absence or disability, the council may revoke such designation at any time and appoint another officer of the town to serve until the manager shall return or such disability shall cease.

(Ord. No. 735, § 2, 11-17-2020)

Sec. 5 [4]. - Powers and duties of the town manager.

The town manager shall:

(a)

Appoint, suspend or remove all town employees. The town manager may authorize any administrative officer who is subject to his or her direction and supervision to exercise these powers with respect to subordinates in that officer's department, or office;

- (b) Establish and supervise the administration of all departments and offices of the town, except as otherwise provided by this charter or by law;
- (c) Attend all council meetings and shall have the right to take part in discussion, but may not vote;
- (d) See that all laws, provisions of this charter and acts of the council, subject to enforcement by the town manager or by officers subject to the town manager's direction and supervision are faithfully executed;
- (e) Prepare and submit the annual budget, budget message and capital improvements program to the council;
- (f) Submit to the council and make available to the public a complete report on the finances of the town as of the end of each fiscal year.
- (g) Make such other reports as the council may require concerning the operations of town departments and offices;
- (h) Keep the council fully advised as to the financial condition and future needs of the town and make such recommendation to the council concerning the affairs of the town as is deemed advisable;
- (i) Sign contracts on behalf of the town;
- (j) Perform such other duties as are specified in this charter or may be required by the council.

Sec. 7 [5]. - Town clerk.

There shall be a town clerk appointed by the town manager who shall be responsible to the council for the proper administration of all affairs of the town coming under his or her control and to that end the powers and duties of the town clerk are and shall be:

- (a) To attend all official meetings of the council in person or by deputy and keep minutes of its proceedings which, after being approved, shall be recorded in a well bound book and signed by the town clerk.
- (b) To be the custodian of the town seal and of all records and papers of a general or permanent character pertaining to the affairs of the municipality.
- (c) To attest all executory contracts made on behalf of the town as evidence of the authorization of such contracts by the council or town manager; and no executory contracts made on behalf of the town or to which the town is a party shall be valid unless attested by the town clerk or his or her designee.

(d) To preserve, file and index all contracts to which the town is a party.

(Ord. No. 579, § 2, 12-29-2004; Ord. No. 735, § 2, 11-17-2020)

Sec. 7 [6]. - Prohibitions.

- (a) *Appointment and removals.* Neither the council nor any of its members shall in any manner dictate the appointment or removal of any town administrative officers or employees whom the manager or any subordinates are empowered to appoint, but the council may express its views and fully and freely discuss with the manager anything pertaining to appointment and removal of such officers and employees.
- (b) *Interference with administration.* Except for the purpose of inquiries and investigations, the council or its members shall deal with town officers and employees who are subject to the direction and supervision of the manager solely through the manager, and neither the council nor its members shall give orders to any such officer or employee either publicly or privately. Nothing in the foregoing is to be construed to prohibit individual members of the council from closely scrutinizing all aspects of town government operations so as to obtain independent information. It is the express intent of this charter, however, that recommendations for improvement in town government operations by individual council members be made to and through the town manager, so that the manager may coordinate efforts of all town departments to achieve the greatest possible savings through the most efficient and sound means available.

ARTICLE V. - QUALIFICATION AND ELECTIONS

Footnotes:

--- (3) ---

State Law reference— *Florida Election Code, F.S. ch. 97 et seq.*

Sec. 1. - Non-partisan election.

All qualifications and elections for the office of mayor and town council member shall be conducted on a non-partisan basis without regard for or designation of political party affiliation of any nominee on any nomination petition or ballot.

(Res. No. 2023-03, election of 3-14-2023; Charter Amend. of 03-22-2023)

Sec. 2. - Qualifications.

Candidates for the office of mayor and town council member shall qualify for such office by the filing of a written notice of candidacy with the town clerk at such time and in such manner as may be provided by law.

(Res. No. 2023-03, election of 3-14-2023; Charter Amend. of 03-22-2023)

Item #13.

Sec. 3. - Form of ballots.

- (a) *Candidates*. The council by resolution shall prescribe the form of ballot including the method for listing candidates for town council elections and any other town election unless the form of a ballot is prescribed by state law.
- (b) *Charter amendments*. Whenever a charter amendment is to be voted on by the town, the amendment shall be placed on that portion of the ballot following the candidates for town council, if any. The substance of such amendment shall be printed in clear and unambiguous language on the ballot and followed by the word "yes" and also by the word "no." The proposed amendment shall be styled in such a manner that a "yes" vote will indicate approval of the proposal and a "no" vote will indicate rejection. The wording of the substance of the amendment and the ballot title to appear on the ballot shall be embodied in the town ordinance approving such amendment to be placed before the voters. In accordance with Florida law, the substance of the amendment shall be an explanatory statement of the chief purpose of the measure. The ballot title shall consist of a caption by which the measure is commonly referred to or spoken of.

(Ord. No. 580, § 2, 1-12-2005)

Sec. 4. - General and run-off election.

Whenever a general or a special election is held to fill any elective office in the town, the candidate receiving a majority of the votes cast at such election to fill such office shall be declared to be duly elected; provided that in the event no candidate for a particular elective office shall receive a majority of the votes cast at such election to fill such office, then a run-off election shall be held on such date as is provided by ordinance of the town; provided further that in such event only the names of the two (2) candidates having received the greatest number of votes in the election for such office shall be submitted to the voters and the one receiving the majority number of votes in such run-off election shall be declared to be duly elected to such office; provided further, that should two (2) or more candidates receive an equal number of votes to any such office, so that it cannot be determined which two (2) had received the greatest and the next greatest number of votes, then the names of all such candidates shall be submitted at the run-off election and the candidate receiving the greatest number of votes at such election shall be declared elected to such office, regardless of whether such candidate received a majority of the votes cast to fill such office at such run-off election.

Sec. 5. - Unopposed candidate: vacancies in candidacy.

- (a) In the event only one person qualifies as a candidate for a designated seat on the town council, that seat shall be filled at an election, that seat shall not be listed on the regular town election ballot. In the event a vacancy in candidacy caused by death, withdrawal or removal from the ballot leaves only one remaining qualified candidate, that candidate shall be treated in the same manner as an unopposed candidate. Each unopposed candidate shall be deemed to have voted for him or herself and thereafter declared to be duly elected to such office.
- (b) If the death, withdrawal or removal from the ballot of a qualified candidate occurs after the close of the qualification period leaving no candidates for an open seat with at least twenty (20) days remaining before the election, the qualifying period for that seat shall be reopened for a period of five (5) business days following the date the vacancy occurs and all qualified candidates registering during that period shall be placed on the ballot. The town clerk shall advertise the reopening of the qualification period.
- (c) If the death, withdrawal or removal from the ballot of a qualified candidate occurs after the close of the qualification leaving no candidates for an open seat with less than twenty (20) days remaining before the election, the election for such office shall be delayed for at least thirty (30) and no more than forty-five (45) days at which time the general election for that office shall take place. The town clerk shall advertise notice of the rescheduling of the election and the reopening of the qualifying period. Qualifying shall be reopened for a period of at least ten (10) business days.

(Ord. No. 580, § 2, 1-12-2005)

State Law reference— Mandate for establishing procedure for filling vacancies in candidacy, F.S. § 166.031(6).

Sec. 6. - Recall.

The qualified voters of the town shall have the power to recall and remove from office any elected official of the town as provided by general law.

State Law reference— Recall of members of governing body, F.S. § 100.361.

ARTICLE VI. - INITIATIVE AND REFERENDUM

[Sec. 1. - Procedures for initiative and referendum.]

(a) *General provisions.*

(1)

Initiative. Electors of the town shall have power to propose ordinances to the council and, if the council fails to adopt an ordinance so proposed without any change in substance, to adopt or reject it at a town election, provided that such power shall not extend to the budget or capital improvements program or any ordinance relating to appropriation of money, levy of taxes, salaries of town officers or employees, annexation of property, the rezoning of property, or the town's adopted comprehensive plan.

- (2) *Referendum.* Electors of the town shall have power to require reconsideration by the council of any adopted ordinance and if the council fails to repeal an ordinance so reconsidered, to approve or reject it at a town election, provided that such power shall not extend to the budget or capital improvements program or any emergency ordinance or ordinance relating to the appropriation of money, levy of taxes, salaries of town officers or employees, annexation of property, the rezoning of property, or the town's adopted comprehensive plan.
- (b) *Commencement of proceedings.* Any five (5) electors of the town may commence initiative or referendum proceedings by filing with the town clerk an affidavit stating they will constitute the petitioners committee and be responsible for circulating the petition and filing it in proper form, stating their names and addresses and specifying the address to which all notices to the committee are to be sent, and setting out in full the proposed initiative ordinance or citing the ordinance sought [to] be reconsidered.

Promptly after the affidavit of the petitioners committee is filed, the town clerk shall, at the committee's request, issue the appropriate petition blanks to the petitioners committee at the committee's expense.

(c) *Petitions.*

- (1) *Number of signatures.* Initiative and referendum petitions must be signed by electors of the town equal in number to at least fifteen (15) percent of the total number of electors registered to vote at the last regular town election.
- (2) *Form and content.* All papers of a petition shall be uniform in size and style and shall be assembled as one instrument for filing. Each signature shall be executed in ink or indelible pencil and shall be followed by the address of the person signing. Petitions shall contain or have attached thereto throughout their circulation the full text of the ordinance proposed or sought to be reconsidered.
- (3) *Affidavit of circulator.* Each paper of a petition shall have attached to it when filed an affidavit executed by the circulator thereof stating that the circulator personally circulated the paper, the number of signatures thereon, that all the signatures were affixed in the circulator's presence, and that the circulator believes them to be the genuine signature of the persons whose names they purport to be and that each signer had an opportunity before signing to read the full text of the ordinance proposed or sought to be reconsidered.
- (4) *Time for filing referendum petitions.* Referendum petitions must be filed within thirty (30) days after adoption by the council of the ordinance sought to be reconsidered.

(d) *Procedure for filing.*

- (1) *Certificate of clerk; amendment.* Within twenty (20) days after the initiative or referendum petition is filed the town clerk shall complete a certificate as to its sufficiency, specify if it is insufficient, the particulars wherein it is defective and shall promptly send a copy of the certificate to the petitioners committee by registered mail. Grounds for insufficiency are only those specified in subsection (c). If the petitioners committee does not request council review under subsection (2) of this section within the time required, the clerk's certificate shall be a final determination as to the sufficiency of the petition.
- (2) *Council review.* If a petition has been certified insufficient the committee may, within two (2) days after receiving the copy of such certificate, file a request that it be reviewed by the council. The council shall review the certificate within thirty (30) days of the filing of such request and approve or disapprove it, and the council's determination shall then be a final determination as to the sufficiency of the petition.

(e) *Referendum petitions.* When a referendum petition is filed with the town clerk the ordinance sought to be reconsidered shall remain in effect until:

- (1) The council repeals the ordinance, or;
- (2) A vote of the town's qualified electors repealing the ordinance has been certified.

(f) *Action on petitions.*

- (1) *Action by council.* When an initiative or referendum petition has finally been determined sufficient, the council shall consider the proposed initiative ordinance or reconsider the referred ordinance by voting its repeal. If the council fails to adopt a proposed initiative ordinance without any change in substance or fails to repeal the referred ordinance within sixty (60) days, a vote of the town's qualified electors on a proposed or referred ordinance shall be held.
- (2) *Submission to voters.* The election shall be held not less than ninety (90) days and not later than one hundred twenty (120) days from the date that the petition was determined sufficient. If no regular town election is scheduled to be held within the period described in this subsection, the council shall provide for a special election, within the described period. Copies of the proposed or referred ordinance shall be made available at the polls.
- (3) *Withdrawals of petitions.* An initiative or referendum petition may be withdrawn at any time prior to the fifteenth day preceding the day scheduled for a vote of the town by filing with the town clerk or other official designated by the council a request for withdrawal signed by at least four (4) members of the petitioners committee. Upon the filing of such request the petition shall have no further force or effect and all proceedings thereon shall be terminated.

(g) *Results of election.*

- (1)

Initiative. If a majority of the qualified electors voting on a proposed initiative ordinance vote in its favor, it shall be considered adopted upon certification of the election results and shall be treated in all respects in the same manner as ordinances of the same kind adopted by the council; provided, however that the council may amend or repeal an ordinance enacted by initiative only upon the affirmative vote of at least four (4) councilmembers.

(Ord. No. 776, § 2, 11-15-2023)

ARTICLE VII. - TRANSITION SCHEDULE

Sec. 1. - Ordinances preserved.

All ordinances in effect upon the adoption of this Charter to the extent not inconsistent with it, shall remain in force until repealed or changed as provided herein.

Sec. 2. - Pending matters.

All rights, claims, actions, orders, contracts and legal or administrative proceedings involving the town shall continue except as modified pursuant to the provisions of this Charter.

Sec. 3. - Miscellaneous provisions.

- (a) In case any one or more of the sections or provisions of this Charter or the application of such sections or provisions to any situation shall for any reason be held to be unconstitutional, such unconstitutionality shall not affect any other sections or provisions of this Charter or the application of such sections or provisions as to any other situation and it is intended that this charter shall be construed and applied as if such unconstitutional section or provision had not been included herein.
- (b) As often as the council may deem necessary, but in any event, at least every five (5) years, the terms and provisions of this charter shall be reviewed.

TOWN OF JUNO BEACH

Rules of Procedure and Town Council Protocols

A. Policy Statement

It is Juno Beach Town Council (Council) policy that these Rules of Procedure and Protocols shall govern all official Council meetings and generally promote excellence in local government, characterized by effective and efficient meetings, respectful interactions between and among Town Councilmembers, staff, and the public, and thoughtful consideration of the role of public leadership in maintaining the reputation of Juno Beach as a professional council-manager form of local government.

Councilmembers shall conduct official Town business in a manner consistent with their status in the community as leaders, convenors, and collaborators. Committed to modeling civility, honesty, and integrity in their public and private lives, the Town Council embraces ethical, transparent, and accountable governance.

These Rules of Procedure and Town Council Protocols are intended to provide general rules of engagement for the Council while conducting the business of the Town of Juno Beach, FL. It is understood that there will be extenuating circumstances at times that will mean certain protocols will be waived or adjusted. However, it is also understood that such circumstances should be the exception and not the rule.

Any rule or procedure not covered by these Rules or under applicable law shall be decided upon by the Presiding Officer in accordance with Robert's Rules of Order Revised for Deliberative Assemblies (Current Edition, Henry Robert et al). The Town Attorney shall serve as the Parliamentarian and shall advise and assist the Presiding Officer on matters of parliamentary law and on enforcement of procedural rules.

B. Applicability

These rules shall apply to all public meetings of the Town Council, the Planning and Zoning Board and any other Town board or committee. Additionally, in accordance with Section 286.0114(3) (a-d), Florida Statutes, the right of public participation shall not apply to the following:

1. An official act that must be taken to deal with an emergency situation affecting the public health, safety and welfare if compliance with these rules and policies would cause an unreasonable delay in the ability of the Council, Board, or Committee to act;
2. An official act involving no more than a ministerial act, including, but not limited to, approval of minutes and ceremonial proclamations;
3. A meeting that is exempt from Section 286.011, Florida Statutes ("Government in the Sunshine Law"); and

4. An item during which the Council, Board, or Committee is acting in a quasi-judicial capacity, during which different rules and timeframes may be applicable.

C. Public Participation Rules

The Town of Juno Beach welcomes comments from the public, and all members of the public shall be given a reasonable opportunity to make general comments and be heard on items placed on the agenda at any public meeting. Public Comment is intended to foster dialogue in a respectful and civil manner. Any person who makes disrespectful and uncivil remarks, or who utters loud, threatening, personal or abusive language, or engages in any other disorderly conduct which disrupts, disturbs or otherwise impedes the orderly conduct of a meeting shall, at the discretion of the Presiding Officer, be ordered to yield the floor and may be barred from further participation during that meeting. Public comments are requested to be made with these guidelines in mind.

1. Each speaker shall be given an opportunity to speak for three (3) minutes during the public comment portion of the meeting or to address a particular agenda item. This time may be extended by the Presiding Officer; however, speakers may not yield their allotted time to another speaker.
2. All speakers are recommended to complete a comment card, indicating whether they wish to speak during the public comment portion or address a specific agenda item, and hand the comment card to the Town Clerk. Any person wishing to participate electronically shall contact the Town Clerk no later than noon on the day of the meeting to receive the log in instructions.
3. When called to speak by the Presiding Officer or Town Clerk, the speaker shall step up to one of the podiums. Speakers participating electronically will be notified by the Town Clerk when to begin speaking. Each speaker shall identify him or herself by name and address. The speaker shall state if he or she is speaking on behalf of a group or organization and identify the group or organization.
4. Any person wishing to address an item not on the agenda or on the consent agenda shall speak under the public comment portion of the meeting.
5. Members of the Council, Board, or Committee should either withhold comments or address comments during the Council, Board, or Committee comment portion of the agenda. The Council may request that the Town Manager take action on requests or comments made by members of the public.
6. There is no right to public participation at a Workshop or Work Session. Public participation during such meetings may be permitted at the discretion of a majority vote of the Town Council, Board, or Committee.

D. Decorum Rules

1. All Town meetings shall be conducted in an orderly and businesslike manner. All participants and attendees shall be treated with respect.
2. Everyone shall adhere to the following norms of civility:
 - a. A person who has the floor shall be permitted to speak without interruption, whether by other participants or attendees, unless addressed by the Presiding Officer pursuant to subsection F below.
 - b. Speakers shall refrain from impertinent or slanderous comments, defined as comments that are immaterial to official Town business, and which tend to impugn the reputation of the person about whom the comment is made.
 - c. A speaker's tone of voice and word choice shall be appropriate for a formal, civic meeting. The use of gratuitous profanity or the making of abusive or threatening comments shall not be tolerated.
 - d. No person shall engage in disruptive behavior, such as calling out from the audience, clapping, booing, or whistling.

E. Enforcement of Procedural Rules

1. Should the Presiding Officer determine that the Rules of Procedure have been violated, the Presiding Officer may interrupt the meeting and give the violator a verbal warning to cease such conduct. The Presiding Officer may inform the violator that any subsequent violations may result in his or her removal from the meeting.
2. Following the issue of a verbal warning, should the Presiding Officer determine that the Rules of Procedure have again been violated by the same person at the same meeting, the Presiding Officer may direct the violator to leave the meeting. In the event the violator is requested to leave and refuses, the Presiding Officer may recess the meeting and direct Town law enforcement personnel to assist.
3. Any determination by the Presiding Officer regarding enforcement of the Rules of Procedure may be overruled by a majority of the Councilmembers, Boardmembers, or Committee Members present at the meeting.

F. Duties and Responsibilities of the Presiding Officer

1. The Mayor shall be the Presiding Officer of the Town Council. In case of the absence or inability of the Mayor, the Vice Mayor shall assume the responsibilities of the Presiding Officer, and if both are absent or unable, the Vice Mayor Pro Tem shall preside.

2. The Presiding Officer shall preserve order. The Presiding Officer may call to order any member of the Town Council or any member of the public who may violate any of these rules or otherwise disrupt the orderly proceeding of the meeting. The Presiding Officer shall decide all questions of order subject to a majority vote on an appeal of the decision.
3. The Presiding Officer shall recognize all Councilmembers who seek the floor when entitled to do so.
4. The Presiding Officer will represent the Council and its consensus policies at meetings, conferences, or other occasions involving other governmental entities, agencies, officials or groups, or nongovernmental organizations, departments, agencies or officials, and report back to the Council anything of significance.
5. The Presiding Officer has the power to call for a recess not to exceed ten (10) minutes. Recesses requested by any other Councilmembers require a majority vote of Council.

G. General Meeting Procedures (Order of Business)

1. The order of business for a regular meeting shall ordinarily be:
 1. Call to Order
 2. Pledge Allegiance to the Flag
 3. Additions, Deletions, Substitutions to the Agenda
 4. Presentations
 5. Comments from the Town Manager, the Town Attorney, and Staff
 6. Comments from the Public
 7. Consent Agenda
 8. Council Action/Discussion Items
 9. Comments from the Council
 10. Adjournment
2. The order of business may be revised by a majority vote.
3. Except for matters advertised for public hearing, any matter may be removed from an agenda by the person who placed it on the agenda or by a majority vote.

H. Agenda Procedures

1. Agenda distribution deadline: The deadline for distributing a final agenda with supporting documents shall be no later than 4PM Wednesday, one (1) week prior to the regularly scheduled Town Council meeting.

For all Special Meetings, Workshops, or Work Sessions of the Town Council, the agendas with supporting documents will be distributed one (1) week prior.

2. If a Councilmember wishes to add an item to a future agenda, a majority agreement of the Council is required. If approved, the requesting Councilmember must submit a memorandum and any supporting documentation to staff by the established agenda submittal deadline.
3. Agenda submittal deadline: The deadline for submitting items for inclusion on the agenda shall be no later than 12PM on Monday prior to the agenda distribution deadline.
4. All Agenda items with supporting documentation shall be reviewed and approved as deemed appropriate by the Town Manager or his/her designee.
5. If a Councilmember wishes to share information through a presentation, all related materials must be submitted by Friday at 12PM following the agenda distribution date.

I. Scheduling of Meetings, Workshops, and/or Work Sessions

1. Regular meetings of the Town Council shall be held on the fourth Wednesday of each month at 5PM in the Council Chambers, Town Center, 340 Ocean Drive, Juno Beach, Florida, unless otherwise specified, and must conclude by 10PM in accordance with Ordinance No. 759.
2. If a regular meeting date falls on a holiday, the meeting shall be held in the same location on either the second Wednesday of the month, or on a date specified and agreed upon by the Town Council.
3. Special Meetings may be held on the call of the Mayor or of a majority of the members and in the absence of a state of emergency. Notice of Special Meetings shall be given to each Council member and to the public at least twenty-four (24) hours in advance except for emergency meetings. If the Mayor or a member of the Town Council is absent from the Town or otherwise beyond reach of actual notice, failure to give such notice shall not prevent the convening of the Special Meeting. The Town Council may act on any matter presented at the Special Meeting unless prohibited by the Town Charter or by rules established by the Town Council. Public participation shall occur consistent with these rules and applicable law. Special meetings shall be held in the Council Chambers at Town Center, 340 Ocean Drive, Juno Beach, Florida, or at such other location within the Town as may be designated in the notice of the meeting, beginning at a time to be specified in the notice of the Special Meeting.
4. Workshops must be approved by a majority vote of the Town Council in order to be scheduled. Council deliberation should remain confined to the matter at hand. No official action may be taken by the Town Council during a Workshop. All Workshops shall be limited to a maximum duration of four (4) hours.
5. Work Sessions require approval by a majority vote of the Town Council and any topic may be discussed during a Work Session. Because Work Sessions are for Councilmembers to discuss particular matters prior to initiating formal action or public engagement, no official

action of the Town Council shall be taken at Work Sessions, and no public participation shall occur unless authorized by majority of the Town Council. All Work Sessions shall be limited to a maximum duration of four (4) hours.

6. Emergency Meetings can be called by the Town Manager or Mayor if in his/her opinion an emergency exists requiring immediate action by the Council. Whenever an Emergency Meeting is called, the Mayor and/or Town Manager shall notify the Clerk, who will inform each Councilmember in writing or verbally of the date, time, and place, as well as the emergency purpose for which it is called; no other business shall be transacted in that meeting. At least twenty-four (24) hours shall elapse between the time the Clerk receives notice of the meeting and the time the meeting is to be held. If because of the nature of the emergency it is not possible to give notice to each Councilmember, or it is impossible to allow twenty-four (24) hours to elapse between the time the Clerk receives notice of the meeting and the time the meeting is held, such failure shall not affect the legality of the meeting if a quorum is in attendance. Reasonable public notice of any Emergency Meeting sufficient to comply with Section 286.011, Florida Statutes, shall be given. In those instances where there is a Town meeting subject to Section 286.011, Florida Statutes, scheduled due to an emergency, and it is not possible to post the notice within the time frames set forth in the Town Code and/or herein, the Town shall be required to post the notice on the Town's website at the earliest practicable time. In the written notice calling the Emergency Meeting, the Town Manager shall include a detailed statement explaining the emergency nature of the meeting.

J. Motions and Debate

1. With the exception of quasi-judicial matters, items before the Council, Board, or Committee shall be commenced by the presentation by a member of Staff (unless the item is initiated by a Councilmember, Boardmember, or Committee Member), followed by public comment. Once the Presiding Officer closes public comment, public comment shall not be reopened unless the Presiding Officer or a majority of the Council, Board, or Committee votes to do so. After the discussion of the item by the Council, Board, or Committee, the Presiding Officer shall call for a motion. In order for a motion to proceed to discussion, it must receive a second which shall be requested by the Town Clerk. If no second is provided, or if discussion begins prior to a second, the motion is deemed to have failed. Once any discussion on the motion has concluded, the Presiding Officer shall call for a vote on the motion. The Town Clerk will conduct a roll call.
2. The Presiding Officer may make or second a motion only after temporarily passing the gavel to the next highest-ranking officer of the Council, Board, or Committee. If that individual is absent, the gavel shall be passed to the highest-ranking officer. Once the motion has been seconded, the Presiding Officer shall resume his or her role by reclaiming the gavel.
3. When engaging in discussion, each Councilmember, Boardmember, or Committee Member shall be allotted three (3) minutes to address the item under consideration. Following this, a motion must be made and seconded before further discussion may

proceed. A Councilmember, Boardmember, or Committee Member shall address the Presiding Officer and await recognition before speaking again on an item.

4. Motions may be withdrawn and modified by the maker (with the consent of the member who seconded the motion) at any time prior to a vote. During the discussion of a motion, a Councilmember, Boardmember, or Committee Member may make a motion to amend. If the motion to amend is seconded, the Council, Board, or Committee shall first vote on the motion to amend and then vote on the original motion (as may be amended).
5. No member of the Council, Board, or Committee who is present at any meeting at which an official action is taken may abstain from voting except when there is a possible conflict of interest pursuant to Chapter 112, Florida Statutes, or the Palm Beach County Code of Ethics. In such cases, the Councilmember, Boardmember, or Committee Member shall comply with all applicable disclosure requirements.
6. A motion that receives a tie vote fails. The failure of a motion in the negative (such as a motion to deny) shall not constitute an approval.
7. Any member of the Town Council on the prevailing side may move to reconsider any action of the Town Council provided that new relevant information is presented to the Town Council and the motion is made at the following Town Council meeting. No motion to reconsider shall be made more than once on any subject or matter.

K. Town Council Code of Conduct

Goal Statement: The Code of Conduct describes the way members of the Town Council should treat each other, members of Town staff, constituents, and others when representing the Town of Juno Beach. *The Code of Conduct represents aspirational goals that guide Councilmembers toward the highest principles of governance. Although this Code does not represent a body of enforceable rules, the Code should be considered by Councilmembers when arriving at an ethical course of action and course of behavior – each of which should be worthy of the public’s trust in government and the high office to which each Councilmember has been entrusted.*

The consistent theme through this Code of Conduct is respect. Elected officials are called upon to exhibit appropriate behavior at all times. Demonstrating respect for each Councilmember and others through words and actions is the “North Star” that guides Councilmembers to do the right thing, even in difficult situations.

A. Guiding Principles and Commitments

To promote public trust and faith in local government, Councilmembers agree to abide by the guiding principles and commitments contained herein.

B. Public Meeting Decorum

Councilmembers will:

1. Prepare in advance for all Council meetings by reviewing agenda materials, including speaking with community members, and becoming familiar with issues. Preparation includes taking advantage of opportunities to meet with the Town Manager and staff to ask questions and/or request additional information to support informed decision making and efficient public meetings.
2. Embrace a philosophy of “no surprises,” including alerting the Town Manager in advance of important questions planned to be asked during a meeting so that staff can be prepared to provide the Council and public the desired information at the Council meeting.
3. Request the floor from the Presiding Officer before speaking, excepting Points of Order, and refrain from interrupting or otherwise disturbing another Councilmember who has the floor.
4. Honor and respect the role of the Presiding Officer in maintaining order.
5. Refrain from personal attacks, comments, or innuendo directed toward other Councilmembers, Town staff, or members of the public.
6. Respect the Autonomy of Appointed Boards and Committees: Councilmembers should refrain from speaking in meetings of other Town boards or committees. These appointed bodies are entrusted with the responsibility of providing independent recommendations for Council consideration.
7. Fully participate in all Council meetings, either in person or via Zoom, and practice civility, professionalism, and respect in all discussions and debates.
8. Councilmembers shall ensure that all comments pertain to the topic under discussion and focus on the facts of a decision, including any applicable legal parameters.
9. Make the public feel welcome, avoiding any form of disrespect toward an individual participating in a public meeting. To that end, members of the Town Council will:
 - a) Actively listen to speakers;
 - b) Ask for clarification with the consent of the Presiding Officer, but avoid debate and argument with members of the public; and
 - c) Be mindful of one’s tone and body language.
10. Refrain from using cellular phones or any other type of audible device in a manner that would be disruptive to other members of the Council or members of the public.

C. Conduct Outside of Public Meetings

To support trust and confidence in local government, adhere to the professionalism standards mandated by the council-manager form of government, and promote the dissemination of official public information that is clear, consistent, and accurate, Councilmembers recognize and value the importance of maintaining the following standards of conduct and communication protocols.

Councilmembers will:

1. Not make derogatory personal comments about other Councilmembers, Town Staff, members of the public, or members of any Town-related board, through the dissemination of written materials, including newsletters, blogs, or similar.
2. Curate any personal newsletter, blog, or similar, such that content excludes statements that may be perceived as insulting or demeaning, sarcastic, defamatory, or disparaging to others. Any personal newsletter, blog, or similar must contain a statement that these are the opinions of the writer only and not intended to be the official opinion of the Town or Council.
3. Avoid contemporaneous communications in order not to violate the Sunshine Law. If an individual Councilmember nonetheless sends an email to the Council as a whole, no Councilmember will use “reply all,” but may direct a private response to the Town Manager and/or Town Attorney.
4. Recognize that their official Town e-mail is the appropriate mechanism for communicating by email with members of the public and further understand that they are personally responsible for maintaining records of all communications that are conducted on a platform other than their Town e-mail, including all text messages.
5. Will not make any official statements, representations, or inquiries to any public or private agency on behalf of the Town Council without specific authorization from the Council.
6. Members of the Town Council will be free to take public positions on local, county, state, and federal political issues. Similarly, members of the Town Council have the option to endorse candidates for local, county, state, and federal office.
7. Comply with the following prohibitions set forth in Article IV, Section 6 of the Town Charter:
 - a. Appointment and removals. Neither the Council nor any of its members shall in any manner dictate the appointment or removal of any town administrative officers or employees whom the manager or any subordinates are empowered to appoint, but the Council may express its views and fully and freely discuss

with the manager anything pertaining to the appointment and removal of such officers and employees.

- b. Interference with administration. Except for the purpose of inquiries and investigations, the Council or its members shall deal with town officers and employees who are subject to the direction and supervision of the manager solely through the manager, and neither the Council nor its members shall give orders to any such officer or employee either publicly or privately. Nothing in the foregoing is to be construed to prohibit individual members of the Council from closely scrutinizing all aspects of town government operations so as to obtain independent information. It is the express intent of this charter, however, that recommendations for improvement in town government operations by individual Councilmembers be made to and through the Town Manager, so that the manager may coordinate efforts of all town departments to achieve the greatest possible savings through the most efficient and sound means available.
8. Direct non-routine questions or requests of Town staff to the Town Manager and he/she will direct staff, as may be appropriate. Any commentary on staff performance or personnel issues shall only be directed to the Town Manager without a copy to staff. In communicating directly with Town staff, Councilmembers should:
 - a. Avoid directing new staff work or assignments – requests to create or modify work products should first be directed though the Town Manager, without a copy to staff.
 - b. Avoid the impression of supervisory tone, e.g., critiquing professional skills or abilities would not be appropriate.
 - c. Avoid using one’s position to influence staff actions, decisions, work products, work prioritization, etc.
9. The Town Manager may seek a Council consensus at a regular meeting prior to initiating staff response to any Councilmember’s request involving substantial staff time to complete, or if the request deviates from prior Council direction. Routine operational questions may be presented directly to staff.

L. Amendment or Waiver of Rules

These Rules of Procedure may be amended or waived by a majority vote, provided that no such amendment shall conflict with any applicable provision of Florida Law, the Town Charter, or an ordinance of the Town.

TOWN OF JUNO BEACH PROCEDURES FOR
CONDUCT OF QUASI-JUDICIAL HEARINGS

1. Definitions:

- A. *Applicant* - the owner of record, or owner's agent, or any person with a legal or equitable interest in the property that is the subject of the proceeding.
- B. *Council* - The Town Council, Planning and Zoning Board, or any other Board to which this policy is made applicable.
- C. *Ex parte Communications* - any written or oral communication with the Council members other than those made on the record at the time of the hearing and site visits to the property as set forth in Section 4(C) below.
- D. *Interested Person* - any person, natural or corporate, who owns property within three hundred (300) feet of the property that is the subject of the application or any person, natural or corporate, who will suffer a negative effect to a protected interest as a result of the quasi-judicial application where such interest exceeds in degree the general interest of the community or public at large.
- E. *Participants* - those members of the general public other than the Applicant or an Interested Person who attends a public hearing for the purpose of being heard on a particular application.
- F. *Relevancy* - In order to be relevant, the evidence submitted must strengthen or weaken the application by supporting or disproving factual assertions contained in the application or be directly related to the application. The Council shall determine the relevancy of the evidence.

2. General Standards:

- A. Ex Parte Communications Between Council Members and Public. Members of the Town Council and the Planning and Zoning Board shall not engage in private oral or written communications with the Applicant or the Applicant's agents prior to the completion of the quasi-judicial hearing. Notwithstanding the foregoing, members of the Town Council and the Planning and Zoning Board may privately meet with the Applicant or the Applicant's agents prior to the completion of the quasi-judicial hearing when accompanied by a member of Town Staff.
- B. Town Staff Report. The staff report on the case and all supporting materials shall be sent to the Council members and be available to the general public at least five (5) business days prior to the hearing on the case.
- C. Appearances and Evidence.
 - (1) Persons claiming to represent a group or organization must demonstrate proof of membership of that group and proof that the person representing the group has actual authority to do so.
 - (2) All participants must state their name, address, and the party they represent at the time they wish to speak.

3. Communications Between Council and Town Staff

- A. Councilpersons may communicate with Town staff including discussions relative to the staff report and recommendations. Staff may answer questions and render opinions.
- B. The Town Attorney may render legal opinions when requested by the Council members, but shall not advocate one party's position over another, except to the extent necessary to respond fully to a legal question.

4. Ex-Parte Communications.
 - A. Written Communications. All written communications received by the Council members concerning an application or pending case shall be deemed public information if made a part of the record prior to final action on the matter.
 - B. Oral Communications. Except as limited by Section 2(A) above, oral communication may be permitted and shall be deemed public information provided the substance of the communication and with whom the communication took place is divulged and made part of the record prior to final action in the matter.
 - C. Inspection of Property. Members of the Council may physically inspect the property. Such investigation or site visits shall be disclosed and made a part of the record prior to final action on the matter.
5. Town Staff File. All written communications shall be included in the file maintained by staff and available for public inspection. Any written communication received by staff shall be reported as part of the oral staff report. The staff report, any petitions or other submissions from the public, and all other documents pertaining to the case shall also be kept in the file and available for public inspection. During its presentation, staff shall offer all such written communications into evidence, subject to any objections imposed by participants.
6. Disclosure. At the public hearing at which a vote is to be taken on the matter, a Council person who has received an ex parte communication, conducted an investigation, received expert opinions, or has physically inspected the property, shall summarize for the record the substance of the communication, the person making the same, the nature of the investigation, substance of the expert opinion or the date of the inspection.
7. Basis of Decision. All decisions by the Council shall be based on the record of the evidence presented to the Council at the hearing on the case, which shall include staff testimony of all witnesses, and other evidence presented. Strict rules of evidence shall not apply, but evidence must be relevant to the issues before the Council.
8. Public Presentations. Prior to any quasi-judicial proceeding before the Planning and Zoning Board or Town Council, the Applicant shall conduct two public presentations for all major projects. For the purposes of this section, a major project includes all new commercial developments, multi-family residential developments, mixed-use developments, and planned unit developments.
9. Interested Persons. Any Interested Person desiring to become a party to quasi-judicial proceeding shall provide written notice to the Planning and Zoning Department which notice shall, at a minimum, set forth the Interested Person's name, address, e-mail address and telephone number and indicate how the person qualifies as an Interested Person for the proceeding at issue. The filing of notice with the Planning and Zoning Department shall serve as notice of the Interested Person's request to appear at the applicable quasi-judicial proceeding to testify, present evidence, bring forth witnesses, and cross-examine witnesses. The required notice must be received by the Planning and Zoning Department no later than the close of business (5:00 p.m.) five (5) business days prior to the hearing. The Department, in consultation with the Town Attorney, shall verify that the person seeking designation as an Interested Person satisfies the requirements for such status and shall provide written confirmation. In the event that multiple Interested Persons seeking to become a party in a quasi-judicial proceeding share the same protected interest and are members of the same community or association, the Town shall recognize the community or association as the Interested Party absent a compelling reason for each Interested Person to be recognized as a separate party.
10. Conduct of Hearing. The order of appearance at the hearing shall be as follows:
 - A. Council members shall summarize the substance of any ex parte communication; including the identity of the person, group, or entity with whom the communication took place;

- B. The Town Staff shall present its reports and offer its file into evidence.
- C. The Applicant shall present its case and/or respond to or refute any ex parte communication;
- D. Interested Persons shall present their case and/or respond to or refute any ex parte communication.
- E. Participants shall present their case and/or respond to or refute any ex parte communications.
- F. Cross-examination of the witnesses;
- G. Council discussion and decision.

Testimony may be subject to cross-examination, upon request, by the Applicant, Interested Persons, the designated representative of the Participants and the Town staff. The Applicant or its representative, Interested Persons or their representative, and the designated representative of the Participants wishing to cross-examine witnesses must reserve that right at the beginning of their presentation. Council members may interpose questions at any time during the conduct of the hearing.

11. Testimony Under Oath or Affirmation.

The Applicant, Interested Persons, witnesses and all Participants asking to speak shall be sworn collectively at the beginning of the hearing.

12. Cross Examination

- A. The Applicant, Interested Persons, Participants, and all witnesses are subject to cross-examination during the hearing.
- B. The cross-examination of the Applicant, Interested Persons, witnesses and Participants shall be limited to five (5) minutes by the individual conducting the cross-examination for the adverse party.
- C. The scope of the cross-examination shall be limited to the facts alleged by the participant, witness, or applicant in relation to the application.
- D. The cross-examination cannot be designed to merely harass, intimidate, or embarrass the participants, applicant, or witnesses.
- E. The Mayor or presiding officer will determine the scope of the cross-examination on his or her own initiative, or when the individual being questioned objects to the cross-examination for going beyond the scope of the facts alleged by the individual.
- F. The Mayor or presiding officer may defer to the Town Attorney to determine the scope of the cross-examination.
- G. The Mayor or presiding officer may direct the party conducting the cross-examination to stop a particular line of questioning that is not relevant and beyond the scope of the facts alleged by the individual being cross-examined.
- H. If the party conducting the cross-examination continuously violates directions from the Mayor or presiding officer to end a line of questioning deemed irrelevant and merely designed to harass, intimidate, or embarrass the individual, the Mayor or presiding officer may terminate the cross-examination.
- I. The purpose of cross-examination is not to debate a particular matter or issue but is permitted for the sole purpose of testing the credibility of a witness or the particular weight a particular piece of evidence should be given.

13. Time Limits.
- A. Applicant - Up to thirty (30) minutes.
 - B. Interested Person - Up to thirty (30) minutes.
 - C. Participants –
 - i. members of the public - three (3) minutes each speaker.
 - ii. speakers representing a group of six (6) or more in attendance at the meeting - five (5) minutes each speaker.
 - iii. speakers representing an organization - five (5) minutes each speaker.
 - D. Participants shall be given one opportunity to present their evidence and/or comments and must present their testimony at that time. Multiple opportunities for the same participant to speak and a debate style format are not permitted.
 - E. Expert Witnesses - ten (10) minutes.
 - F. At the discretion of the Mayor or presiding officer, the time allowed for any testimony may be extended.
14. Record of the Case. All evidence admitted at the hearing, Town staff reports, and the adopted resolution, ordinance or minutes setting forth the decision of the Council shall be maintained in a file constituting the record of the case. The record shall be kept in custody of the appropriate staff at all times during the pendency of the case, except that any member of the public may examine the file in the appropriate Town Staff Office.
15. Applicability. These rules shall apply to all site specific rezonings, special exception and variance proceedings and at any time the Town Council or Planning and Zoning Board sits in a quasi-judicial or an appellate capacity, including administrative appeals.
16. Rehearing/Reconsideration and Appeal. A final determination of the Town Council or the Planning and Zoning Board acting in its quasi-judicial capacity is subject to judicial review in a court of competent jurisdiction within thirty (30) days of the Council or Commission's rendition of its written determination. The Council or Board may only entertain a request for rehearing or reconsideration of a previously entered quasi-judicial order prior to the filing of a petition for writ of certiorari challenging the order or prior to the expiration of the thirty (30) day appeal period, whichever first occurs.

I. HISTORY OF FLORIDA'S ETHICS LAWS

Florida has been a leader among the states in establishing ethics standards for public officials and recognizing the right of citizens to protect the public trust against abuse. Our state Constitution was revised in 1968 to require a code of ethics, prescribed by law, for all state employees and non-judicial officers prohibiting conflict between public duty and private interests.

Florida's first successful constitutional initiative resulted in the adoption of the Sunshine Amendment in 1976, providing additional constitutional guarantees concerning ethics in government. In the area of enforcement, the Sunshine Amendment requires that there be an independent commission (the Commission on Ethics) to investigate complaints concerning breaches of public trust by public officers and employees other than judges.

The Code of Ethics for Public Officers and Employees is found in Chapter 112 (Part III) of the Florida Statutes. Foremost among the goals of the Code is to promote the public interest and maintain the respect of the people for their government. The Code is also intended to ensure that public officials conduct themselves independently and impartially, not using their offices for private gain other than compensation provided by law. While seeking to protect the integrity of government, the Code also seeks to avoid the creation of unnecessary barriers to public service.

Criminal penalties, which initially applied to violations of the Code, were eliminated in 1974 in favor of administrative enforcement. The Legislature created the Commission on Ethics that year "to serve as guardian of the standards of conduct" for public officials, state and local. Five of the Commission's nine members are appointed by the Governor, and two each are appointed by the President of the Senate and Speaker of the House of Representatives. No more than five Commission members may be members of the same political party, and none may be lobbyists, or hold any public employment during their two-year terms of office. A chair is selected from among the members to serve a one-year term and may not succeed himself or herself.

II. ROLE OF THE COMMISSION ON ETHICS

In addition to its constitutional duties regarding the investigation of complaints, the Commission:

- Renders advisory opinions to public officials;
- Prescribes forms for public disclosure;
- Prepares mailing lists of public officials subject to financial disclosure for use in distributing forms and notifying delinquent filers;
- Makes recommendations to disciplinary officials when appropriate for violations of ethics and disclosure laws, since it does not impose penalties;
- Administers the Executive Branch Lobbyist Registration and Reporting Law;
- Maintains financial disclosure filings of constitutional officers and state officers and employees; and,
- Administers automatic fines for public officers and employees who fail to timely file required annual financial disclosure.

III. THE ETHICS LAWS

The ethics laws generally consist of two types of provisions, those prohibiting certain actions or conduct and those requiring that certain disclosures be made to the public. The following descriptions of these laws have been simplified in an effort to provide notice of their requirements. Therefore, we suggest that you also review the wording of the actual law. Citations to the appropriate laws are in brackets.

The laws summarized below apply generally to all public officers and employees, state and local, including members of advisory bodies. The principal exception to this broad coverage is the exclusion of judges, as they fall within the jurisdiction of the Judicial Qualifications Commission.

Public Service Commission (PSC) members and employees, as well as members of the PSC Nominating Council, are subject to additional ethics standards that are enforced by the Commission

on Ethics under Chapter 350, Florida Statutes. Further, members of the governing boards of charter schools are subject to some of the provisions of the Code of Ethics [Sec. 1002.33(26), Fla. Stat.], as are the officers, directors, chief executive officers and some employees of business entities that serve as the chief administrative or executive officer or employee of a political subdivision. [Sec. 112.3136, Fla. Stat.]

A. PROHIBITED ACTIONS OR CONDUCT

1. *Solicitation and Acceptance of Gifts*

Public officers, employees, local government attorneys, and candidates are prohibited from soliciting or accepting anything of value, such as a gift, loan, reward, promise of future employment, favor, or service, that is based on an understanding that their vote, official action, or judgment would be influenced by such gift. [Sec. 112.313(2), Fla. Stat.]

Persons required to file financial disclosure FORM 1 or FORM 6 (see Part III F of this brochure), and state procurement employees, are prohibited from **soliciting** any gift from a political committee, lobbyist who has lobbied the official or his or her agency within the past 12 months, or the partner, firm, employer, or principal of such a lobbyist or from a vendor doing business with the official's agency. [Sec. 112.3148, Fla. Stat.]

Persons required to file FORM 1 or FORM 6, and state procurement employees are prohibited from directly or indirectly **accepting** a gift worth more than \$100 from such a lobbyist, from a partner, firm, employer, or principal of the lobbyist, or from a political committee or vendor doing business with their agency. [Sec.112.3148, Fla. Stat.]

However, notwithstanding Sec. 112.3148, Fla. Stat., no Executive Branch lobbyist or principal shall make, directly or indirectly, and no Executive Branch agency official who files FORM 1 or FORM 6 shall knowingly accept, directly or indirectly, **any expenditure** made for the purpose of lobbying. [Sec. 112.3215, Fla. Stat.] Typically, this would include gifts valued at less than \$100 that formerly were permitted under Section 112.3148, Fla. Stat. Similar rules apply to members and employees of

the Legislature. However, these laws are not administered by the Commission on Ethics. [Sec. 11.045, Fla. Stat.]

Also, persons required to file Form 1 or Form 6, and state procurement employees and members of their immediate families, are prohibited from accepting any gift from a political committee. [Sec. 112.31485, Fla. Stat.]

2. *Unauthorized Compensation*

Public officers or employees, local government attorneys, and their spouses and minor children are prohibited from accepting any compensation, payment, or thing of value when they know, or with the exercise of reasonable care should know, that it is given to influence a vote or other official action. [Sec. 112.313(4), Fla. Stat.]

3. *Misuse of Public Position*

Public officers and employees, and local government attorneys are prohibited from corruptly using or attempting to use their official positions or the resources thereof to obtain a special privilege or benefit for themselves or others. [Sec. 112.313(6), Fla. Stat.]

4. *Abuse of Public Position*

Public officers and employees are prohibited from abusing their public positions in order to obtain a disproportionate benefit for themselves or certain others. [Article II, Section 8(h), Florida Constitution.]

5. *Disclosure or Use of Certain Information*

Public officers and employees and local government attorneys are prohibited from disclosing or using information not available to the public and obtained by reason of their public position, for the personal benefit of themselves or others. [Sec. 112.313(8), Fla. Stat.]

6. *Solicitation or Acceptance of Honoraria*

Persons required to file financial disclosure FORM 1 or FORM 6 (see Part III F of this brochure), and state procurement employees, are prohibited from **soliciting** honoraria related to their public offices or duties. [Sec. 112.3149, Fla. Stat.]

Persons required to file FORM 1 or FORM 6, and state procurement employees, are prohibited from knowingly **accepting** an honorarium from a political committee, lobbyist who has lobbied the person's agency within the past 12 months, or the partner, firm, employer, or principal of such a lobbyist, or from a vendor doing business with the official's agency. However, they may accept the payment of expenses related to an honorarium event from such individuals or entities, provided that the expenses are disclosed. See Part III F of this brochure. [Sec. 112.3149, Fla. Stat.]

Lobbyists and their partners, firms, employers, and principals, as well as political committees and vendors, are prohibited from **giving** an honorarium to persons required to file FORM 1 or FORM 6 and to state procurement employees. Violations of this law may result in fines of up to \$5,000 and prohibitions against lobbying for up to two years. [Sec. 112.3149, Fla. Stat.]

However, notwithstanding Sec. 112.3149, Fla. Stat., no Executive Branch or legislative lobbyist or principal shall make, directly or indirectly, and no Executive Branch agency official who files FORM 1 or FORM 6 shall knowingly accept, directly or indirectly, **any expenditure** made for the purpose of lobbying. [Sec. 112.3215, Fla. Stat.] This may include honorarium event related expenses that formerly were permitted under Sec. 112.3149, Fla. Stat. Similar rules apply to members and employees of the Legislature. However, these laws are not administered by the Commission on Ethics. [Sec. 11.045, Fla. Stat.]

B. **PROHIBITED EMPLOYMENT AND BUSINESS RELATIONSHIPS**

1. *Doing Business With One's Agency*

- a) A public employee acting as a purchasing agent, or public officer acting in an official capacity, is prohibited from purchasing, renting, or leasing any realty, goods, or

services for his or her agency from a business entity in which the officer or employee or his or her spouse or child owns more than a 5% interest. [Sec. 112.313(3), Fla. Stat.]

- b) A public officer or employee, acting in a private capacity, also is prohibited from renting, leasing, or selling any realty, goods, or services to his or her own agency if the officer or employee is a state officer or employee, or, if he or she is an officer or employee of a political subdivision, to that subdivision or any of its agencies. [Sec. 112.313(3), Fla. Stat.]

2. *Conflicting Employment or Contractual Relationship*

- a) A public officer or employee is prohibited from holding any employment or contract with any business entity or agency regulated by or doing business with his or her public agency. [Sec. 112.313(7), Fla. Stat.]
- b) A public officer or employee also is prohibited from holding any employment or having a contractual relationship which will pose a frequently recurring conflict between the official's private interests and public duties or which will impede the full and faithful discharge of the official's public duties. [Sec. 112.313(7), Fla. Stat.]
- c) Limited exceptions to this prohibition have been created in the law for legislative bodies, certain special tax districts, drainage districts, and persons whose professions or occupations qualify them to hold their public positions. [Sec. 112.313(7)(a) and (b), Fla. Stat.]

3. *Exemptions*—Pursuant to Sec. 112.313(12), Fla. Stat., the prohibitions against doing business with one's agency and having conflicting employment may not apply:

- a) When the business is rotated among all qualified suppliers in a city or county.
- b) When the business is awarded by sealed, competitive bidding and neither the official nor his or her spouse or child have attempted to persuade agency personnel to enter

the contract. NOTE: Disclosure of the interest of the official, spouse, or child and the nature of the business must be filed prior to or at the time of submission of the bid on Commission FORM 3A with the Commission on Ethics or Supervisor of Elections, depending on whether the official serves at the state or local level.

- c) When the purchase or sale is for legal advertising, utilities service, or for passage on a common carrier.
- d) When an emergency purchase must be made to protect the public health, safety, or welfare.
- e) When the business entity is the only source of supply within the political subdivision and there is full disclosure of the official's interest to the governing body on Commission FORM 4A.
- f) When the aggregate of any such transactions does not exceed \$500 in a calendar year.
- g) When the business transacted is the deposit of agency funds in a bank of which a county, city, or district official is an officer, director, or stockholder, so long as agency records show that the governing body has determined that the member did not favor his or her bank over other qualified banks.
- h) When the prohibitions are waived in the case of ADVISORY BOARD MEMBERS by the appointing person or by a two-thirds vote of the appointing body (after disclosure on Commission FORM 4A).
- i) When the public officer or employee purchases in a private capacity goods or services, at a price and upon terms available to similarly situated members of the general public, from a business entity which is doing business with his or her agency.
- j) When the public officer or employee in a private capacity purchases goods or services from a business entity which is subject to the regulation of his or her agency where the price and terms of the transaction are available to similarly situated members of

the general public and the officer or employee makes full disclosure of the relationship to the agency head or governing body prior to the transaction.

4. *Additional Exemptions*

No elected public officer is in violation of the conflicting employment prohibition when employed by a tax exempt organization contracting with his or her agency so long as the officer is not directly or indirectly compensated as a result of the contract, does not participate in any way in the decision to enter into the contract, abstains from voting on any matter involving the employer, and makes certain disclosures. [Sec. 112.313(15), Fla. Stat.]

5. *Legislators Lobbying State Agencies*

A member of the Legislature is prohibited from representing another person or entity for compensation during his or her term of office before any state agency other than judicial tribunals. [Art. II, Sec. 8(e), Fla. Const., and Sec. 112.313(9), Fla. Stat.]

6. *Additional Lobbying Restrictions for Certain Public Officers and Employees*

A statewide elected officer; a member of the legislature; a county commissioner; a county officer pursuant to Article VIII or county charter; a school board member; a superintendent of schools; an elected municipal officer; an elected special district officer in a special district with ad valorem taxing authority; or a person serving as a secretary, an executive director, or other agency head of a department of the executive branch of state government shall not lobby for compensation on issues of policy, appropriations, or procurement before the federal government, the legislature, any state government body or agency, or any political subdivision of this state, during his or her term of office. [Art. II Sec 8(f)(2), Fla. Const. and Sec. 112.3121, Fla. Stat.]

7. *Employees Holding Office*

A public employee is prohibited from being a member of the governing body which serves as his or her employer. [Sec. 112.313(10), Fla. Stat.]

8. *Professional and Occupational Licensing Board Members*

An officer, director, or administrator of a state, county, or regional professional or occupational organization or association, while holding such position, may not serve as a member of a state examining or licensing board for the profession or occupation. [Sec. 112.313(11), Fla. Stat.]

9. *Contractual Services: Prohibited Employment*

A state employee of the executive or judicial branch who participates in the decision-making process involving a purchase request, who influences the content of any specification or procurement standard, or who renders advice, investigation, or auditing, regarding his or her agency's contract for services, is prohibited from being employed with a person holding such a contract with his or her agency. [Sec. 112.3185(2), Fla. Stat.]

10. *Local Government Attorneys*

Local government attorneys, such as the city attorney or county attorney, and their law firms are prohibited from representing private individuals and entities before the unit of local government which they serve. A local government attorney cannot recommend or otherwise refer to his or her firm legal work involving the local government unit unless the attorney's contract authorizes or mandates the use of that firm. [Sec. 112.313(16), Fla. Stat.]

11. *Dual Public Employment*

Candidates and elected officers are prohibited from accepting public employment if they know or should know it is being offered for the purpose of influence. Further, public employment may not be accepted unless the position was already in existence or was created without the anticipation of the official's interest, was publicly advertised, and the officer had to meet the same qualifications and go through the same hiring process as other applicants. For elected public officers already holding public employment, no promotion given for the purpose of influence may be accepted, nor may promotions that are inconsistent with those given other similarly situated employees. [Sec. 112.3125, Fla. Stat.]

C. RESTRICTIONS ON APPOINTING, EMPLOYING, AND CONTRACTING WITH RELATIVES

1. *Anti-Nepotism Law*

A public official is prohibited from seeking for a relative any appointment, employment, promotion, or advancement in the agency in which he or she is serving or over which the official exercises jurisdiction or control. No person may be appointed, employed, promoted, or advanced in or to a position in an agency if such action has been advocated by a related public official who is serving in or exercising jurisdiction or control over the agency; this includes relatives of members of collegial government bodies. NOTE: This prohibition does not apply to school districts (except as provided in Sec. 1012.23, Fla. Stat.), community colleges and state universities, or to appointments of boards, other than those with land-planning or zoning responsibilities, in municipalities of fewer than 35,000 residents. Also, the approval of budgets does not constitute “jurisdiction or control” for the purposes of this prohibition. This provision does not apply to volunteer emergency medical, firefighting, or police service providers. [Sec. 112.3135, Fla. Stat.]

2. *Additional Restrictions*

A state employee of the executive or judicial branch or the PSC is prohibited from directly or indirectly procuring contractual services for his or her agency from a business entity of which a relative is an officer, partner, director, or proprietor, or in which the employee, or his or her spouse, or children own more than a 5% interest. [Sec. 112.3185(6), Fla. Stat.]

D. POST OFFICE HOLDING AND EMPLOYMENT (REVOLVING DOOR) RESTRICTIONS

1. *Lobbying by Former Legislators, Statewide Elected Officers, and Appointed State Officers*

A member of the Legislature or a statewide elected or appointed state official is prohibited for two years following vacation of office from representing another person or entity for compensation before the government body or agency of which the individual was an officer or member. Former members of the Legislature are also prohibited for two years from lobbying the executive branch. [Art. II, Sec. 8(e), Fla. Const. and Sec. 112.313(9), Fla. Stat.]

2. *Lobbying by Former State Employees*

Certain employees of the executive and legislative branches of state government are prohibited from personally representing another person or entity for compensation before the agency with which they were employed for a period of two years after leaving their positions, unless employed by another agency of state government. [Sec. 112.313(9), Fla. Stat.] These employees include the following:

- a) Executive and legislative branch employees serving in the Senior Management Service and Selected Exempt Service, as well as any person employed by the Department of the Lottery having authority over policy or procurement.
- b) serving in the following position classifications: the Auditor General; the director of the Office of Program Policy Analysis and Government Accountability (OPPAGA); the Sergeant at Arms and Secretary of the Senate; the Sergeant at Arms and Clerk of the House of Representatives; the executive director and deputy executive director of the Commission on Ethics; an executive director, staff director, or deputy staff director of each joint committee, standing committee, or select committee of the Legislature; an executive director, staff director, executive assistant, legislative analyst, or attorney serving in the Office of the President of the Senate, the Office of the Speaker of the House of Representatives, the Senate Majority Party Office, the Senate Minority Party Office, the House Majority Party Office, or the House Minority Party Office; the Chancellor and Vice-Chancellors of the State University System; the general counsel to the Board of Regents; the president, vice presidents, and deans of each state university; any person hired on a contractual basis and having the power normally conferred upon such persons, by whatever title; and any person having the power normally conferred upon the above positions.

This prohibition does not apply to a person who was employed by the Legislature or other agency prior to July 1, 1989; who was a defined employee of the State University System or the Public Service Commission who held such employment on December 31, 1994; or who reached normal retirement age and retired by July 1, 1991. It does apply to OPS employees.

PENALTIES: Persons found in violation of this section are subject to the penalties contained in the Code (see PENALTIES, Part V) as well as a civil penalty in an amount equal to the compensation which the person received for the prohibited conduct. [Sec. 112.313(9)(a)5, Fla. Stat.]

3. *6-Year Lobbying Ban*

For a period of six years after vacation of public position occurring on or after December 31, 2022, a statewide elected officer or member of the legislature shall not lobby for compensation on issues of policy, appropriations, or procurement before the legislature or any state government body or agency. [Art. II Sec 8(f)(3)a., Fla. Const. and Sec. 112.3121, Fla. Stat.]

For a period of six years after vacation of public position occurring on or after December 31, 2022, a person serving as a secretary, an executive director, or other agency head of a department of the executive branch of state government shall not lobby for compensation on issues of policy, appropriations, or procurement before the legislature, the governor, the executive office of the governor, members of the cabinet, a department that is headed by a member of the cabinet, or his or her former department. [Art. II Sec 8(f)(3)b., Fla. Const. and Sec. 112.3121, Fla. Stat.]

For a period of six years after vacation of public position occurring on or after December 31, 2022, a county commissioner, a county officer pursuant to Article VIII or county charter, a school board member, a superintendent of schools, an elected municipal officer, or an elected special district officer in a special district with ad valorem taxing authority shall not lobby for compensation on issues of policy, appropriations, or procurement before his or her former agency or governing body. [Art. II Sec 8(f)(3)c., Fla. Const. and Sec. 112.3121, Fla. Stat.]

4. *Additional Restrictions on Former State Employees*

A former executive or judicial branch employee or PSC employee is prohibited from having employment or a contractual relationship, at any time after retirement or termination of employment, with any business entity (other than a public agency) in connection with a contract in which the employee participated personally and substantially by recommendation or decision while a public employee. [Sec. 112.3185(3), Fla. Stat.]

A former executive or judicial branch employee or PSC employee who has retired or terminated employment is prohibited from having any employment or contractual relationship for two years with any business entity (other than a public agency) in connection with a contract for services which was within his or her responsibility while serving as a state employee. [Sec.112.3185(4), Fla. Stat.]

Unless waived by the agency head, a former executive or judicial branch employee or PSC employee may not be paid more for contractual services provided by him or her to the former agency during the first year after leaving the agency than his or her annual salary before leaving. [Sec. 112.3185(5), Fla. Stat.]

These prohibitions do not apply to PSC employees who were so employed on or before Dec. 31, 1994.

5. *Lobbying by Former Local Government Officers and Employees*

A person elected to county, municipal, school district, or special district office is prohibited from representing another person or entity for compensation before the government body or agency of which he or she was an officer for two years after leaving office. Appointed officers and employees of counties, municipalities, school districts, and special districts may be subject to a similar restriction by local ordinance or resolution. [Sec. 112.313(13) and (14), Fla. Stat.]

E. VOTING CONFLICTS OF INTEREST

State public officers are prohibited from voting in an official capacity on any measure which they know would inure to their own special private gain or loss. A state public officer who abstains, or who votes on a measure which the officer knows would inure to the special private gain or loss of any principal by whom he or she is retained, of the parent organization or subsidiary or sibling of a corporate principal by which he or she is retained, of a relative, or of a business associate, must make every reasonable effort to file a memorandum of voting conflict with the recording secretary in advance of the vote. If that is not possible, it must be filed within 15 days after the vote occurs. The memorandum must disclose the nature of the officer's interest in the matter.

No county, municipal, or other local public officer shall vote in an official capacity upon any measure which would inure to his or her special private gain or loss, or which the officer knows would inure to the special private gain or loss of any principal by whom he or she is retained, of the parent organization or subsidiary or sibling of a corporate principal by which he or she is retained, of a relative, or of a business associate. The officer must publicly announce the nature of his or her interest before the vote and must file a memorandum of voting conflict on Commission Form 8B with the meeting's recording officer within 15 days after the vote occurs disclosing the nature of his or her interest in the matter. However, members of community redevelopment agencies and district officers elected on a one-acre, one-vote basis are not required to abstain when voting in that capacity.

No appointed state or local officer shall participate in any matter which would inure to the officer's special private gain or loss, the special private gain or loss of any principal by whom he or she is retained, of the parent organization or subsidiary or sibling of a corporate principal by which he or she is retained, of a relative, or of a business associate, without first disclosing the nature of his or her interest in the matter. The memorandum of voting conflict (Commission Form 8A or 8B) must be filed with the meeting's recording officer, be provided to the other members of the agency, and be read publicly at the next meeting.

If the conflict is unknown or not disclosed prior to the meeting, the appointed official must orally disclose the conflict at the meeting when the conflict becomes known. Also, a written memorandum of voting conflict must be filed with the meeting's recording officer within 15 days of the disclosure being made and must be provided to the other members of the agency, with the disclosure being read publicly at the next scheduled meeting. [Sec. 112.3143, Fla. Stat.]

F. DISCLOSURES

Conflicts of interest may occur when public officials are in a position to make decisions that affect their personal financial interests. This is why public officers and employees, as well as candidates who run for public office, are required to publicly disclose their financial interests. The disclosure process serves to remind officials of their obligation to put the public interest above personal considerations. It also helps citizens to monitor the considerations of those who spend their tax dollars and participate in public policy decisions or administration.

All public officials and candidates do not file the same degree of disclosure; nor do they all file at the same time or place. Thus, care must be taken to determine which disclosure forms a particular official or candidate is required to file.

The following forms are described below to set forth the requirements of the various disclosures and the steps for correctly providing the information in a timely manner.

1. *FORM 1 - Limited Financial Disclosure*

Who Must File:

Persons required to file FORM 1 include all state officers, local officers, candidates for local elective office, and specified state employees as defined below (other than those officers who are required by law to file FORM 6).

STATE OFFICERS include:

- 1) Elected public officials not serving in a political subdivision of the state and any person appointed to fill a vacancy in such office, unless required to file full disclosure on Form 6.

- 2) Appointed members of each board, commission, authority, or council having statewide jurisdiction, excluding members of solely advisory bodies; but including judicial nominating commission members; directors of Enterprise Florida, Scripps Florida Funding Corporation, and CareerSource Florida, and members of the Council on the Social Status of Black Men and Boys; the Executive Director, governors, and senior managers of Citizens Property Insurance Corporation; governors and senior managers of Florida Workers' Compensation Joint Underwriting Association, board members of the Northeast Florida Regional Transportation Commission, and members of the board of Triumph Gulf Coast, Inc.; members of the board of Florida is

for Veterans, Inc.; and members of the Technology Advisory Council within the Agency for State Technology.

- 3) The Commissioner of Education, members of the State Board of Education, the Board of Governors, local boards of trustees and presidents of state universities, and members of the Florida Prepaid College Board.

LOCAL OFFICERS include:

- 1) Persons elected to office in any political subdivision (such as municipalities, counties, and special districts) and any person appointed to fill a vacancy in such office, unless required to file full disclosure on Form 6.
- 2) Appointed members of the following boards, councils, commissions, authorities, or other bodies of any county, municipality, school district, independent special district, or other political subdivision: the governing body of the subdivision; a community college or junior college district board of trustees; a board having the power to enforce local code provisions; a planning or zoning board, board of adjustments or appeals, community redevelopment agency board, or other board having the power to recommend, create, or modify land planning or zoning within the political subdivision, except for citizen advisory committees, technical coordinating committees, and similar groups who only have the power to make recommendations to planning or zoning boards, except for representatives of a military installation acting on behalf of all military installations within that jurisdiction; a pension board or retirement board empowered to invest pension or retirement funds or to determine entitlement to or amount of a pension or other retirement benefit.
- 3) Any other appointed member of a local government board who is required to file a statement of financial interests by the appointing authority or the enabling legislation, ordinance, or resolution creating the board.
- 4) Persons holding any of these positions in local government: county or city manager; chief administrative employee or finance director of a county, municipality, or other

political subdivision; county or municipal attorney; chief county or municipal building inspector; county or municipal water resources coordinator; county or municipal pollution control director; county or municipal environmental control director; county or municipal administrator with power to grant or deny a land development permit; chief of police; fire chief; municipal clerk; appointed district school superintendent; community college president; district medical examiner; purchasing agent (regardless of title) having the authority to make any purchase exceeding \$35,000 for the local governmental unit.

- 5) Members of governing boards of charter schools operated by a city or other public entity.
- 6) The officers, directors, and chief executive officer of a corporation, partnership, or other business entity that is serving as the chief administrative or executive officer or employee of a political subdivision, and any business entity employee who is acting as the chief administrative or executive officer or employee of the political subdivision. [Sec. 112.3136, Fla. Stat.]

SPECIFIED STATE EMPLOYEE includes:

- 1) Employees in the Office of the Governor or of a Cabinet member who are exempt from the Career Service System, excluding secretarial, clerical, and similar positions.
- 2) The following positions in each state department, commission, board, or council: secretary or state surgeon general, assistant or deputy secretary, executive director, assistant or deputy executive director, and anyone having the power normally conferred upon such persons, regardless of title.
- 3) The following positions in each state department or division: director, assistant or deputy director, bureau chief, assistant bureau chief, and any person having the power normally conferred upon such persons, regardless of title.

- 4) Assistant state attorneys, assistant public defenders, criminal conflict and civil regional counsel, assistant criminal conflict and civil regional counsel, public counsel, full-time state employees serving as counsel or assistant counsel to a state agency, judges of compensation claims, administrative law judges, and hearing officers.
- 5) The superintendent or director of a state mental health institute established for training and research in the mental health field, or any major state institution or facility established for corrections, training, treatment, or rehabilitation.
- 6) State agency business managers, finance and accounting directors, personnel officers, grant coordinators, and purchasing agents (regardless of title) with power to make a purchase exceeding \$35,000.
- 7) The following positions in legislative branch agencies: each employee (other than those employed in maintenance, clerical, secretarial, or similar positions and legislative assistants exempted by the presiding officer of their house); and each employee of the Commission on Ethics.

What Must Be Disclosed:

FORM 1 requirements are set forth fully on the form. In general, this includes the reporting person's sources and types of financial interests, such as the names of employers and addresses of real property holdings. NO DOLLAR VALUES ARE REQUIRED TO BE LISTED. In addition, the form requires the disclosure of certain relationships with, and ownership interests in, specified types of businesses such as banks, savings and loans, insurance companies, and utility companies.

When to File:

CANDIDATES for elected local office must file FORM 1 or a verification of filing in EFDMS together with and at the same time they file their qualifying papers. Candidates for City Council or Mayor must file a Form 6 or a verification of filing in EFDMS.¹

¹ During the pendency of ongoing litigation, the Commission on Ethics is enjoined from enforcing the Form 6 requirement for mayors and elected members of municipal governing bodies, and they will have to file a CE Form 1 ("Statement of Financial Interest").

STATE and LOCAL OFFICERS and SPECIFIED STATE EMPLOYEES are required to file disclosure by July 1 of each year. They also must file within thirty days from the date of appointment or the beginning of employment. Those appointees requiring Senate confirmation must file prior to confirmation.

Where to File:

File with the Commission on Ethics. [Sec. 112.3145, Fla. Stat.]

Beginning January 1, 2024, all Form 1 disclosures must be filed electronically through the Commission's electronic filing system. These disclosures will be published and searchable by name or organization on the Commission's website.

2. *FORM 1F - Final Form 1 Limited Financial Disclosure*

FORM 1F is the disclosure form required to be filed within 60 days after a public officer or employee required to file FORM 1 leaves his or her public position. The form covers the disclosure period between January 1 and the last day of office or employment within that year.

3. *FORM 2 - Quarterly Client Disclosure*

The state officers, local officers, and specified state employees listed above, as well as elected constitutional officers, must file a FORM 2 if they or a partner or associate of their professional firm represent a client for compensation before an agency at their level of government.

A FORM 2 disclosure includes the names of clients represented by the reporting person or by any partner or associate of his or her professional firm for a fee or commission before agencies at the reporting person's level of government. Such representations do not include appearances in ministerial matters, appearances before judges of compensation claims, or representations on behalf of one's agency in one's official capacity. Nor does the term include the preparation and filing of forms and applications merely for the purpose of obtaining or transferring a license, so long as the

issuance of the license does not require a variance, special consideration, or a certificate of public convenience and necessity.

When to File:

This disclosure should be filed quarterly, by the end of the calendar quarter following the calendar quarter during which a reportable representation was made. FORM 2 need not be filed merely to indicate that no reportable representations occurred during the preceding quarter; it should be filed ONLY when reportable representations were made during the quarter.

Where To File:

File with the Commission on Ethics. [Sec. 112.3145(4), Fla. Stat.]

Beginning January 1, 2024, all Form 2 disclosures must be filed electronically through the Commission's electronic filing system. These disclosures will be published and searchable on the Commission's website.

4. *FORM 6 - Full and Public Disclosure*

Who Must File:

Persons required by law to file FORM 6 include all elected constitutional officers and candidates for such office; the mayor and members of a city council and candidates for these offices²; the Duval County Superintendent of Schools; judges of compensation claims (pursuant to Sec. 440.442, Fla. Stat.); members of the Florida Housing Finance Corporation Board and members of expressway authorities, transportation authorities (except the Jacksonville Transportation Authority), bridge authority, or toll authorities created pursuant to Ch. 348 or 343, or 349, or other general law.

² During the pendency of ongoing litigation, the Commission on Ethics is enjoined from enforcing the Form 6 requirement for mayors and elected members of municipal governing bodies, and they will have to file a CE Form 1 ("Statement of Financial Interest").

What Must be Disclosed:

FORM 6 is a detailed disclosure of assets, liabilities, and sources of income over \$1,000 and their values, as well as net worth. Officials may opt to file their most recent income tax return in lieu of listing sources of income but still must disclose their assets, liabilities, and net worth. In addition, the form requires the disclosure of certain relationships with, and ownership interests in, specified types of businesses such as banks, savings and loans, insurance companies, and utility companies.

When and Where To File:

Officials must file FORM 6 annually by July 1 with the Commission on Ethics.

Beginning January 1, 2023, all Form 6 disclosures must be filed electronically through the Commission's electronic filing system. These disclosures will be published and searchable by name and organization on the Commission's website.

CANDIDATES who do not currently hold a position requiring the filing of a Form 1 or Form 6 must register and use the electronic filing system to complete the Form 6, then print and file the disclosure with the officer before whom they qualify at the time of qualifying. [Art. II, Sec. 8(a) and (i), Fla. Const., and Sec. 112.3144, Fla. Stat.]

5. *FORM 6F - Final Form 6 Full and Public Disclosure*

This is the disclosure form required to be filed within 60 days after a public officer or employee required to file FORM 6 leaves his or her public position. The form covers the disclosure period between January 1 and the last day of office or employment within that year.

6. *FORM 9 - Quarterly Gift Disclosure*

Each person required to file FORM 1 or FORM 6, and each state procurement employee, must file a FORM 9, Quarterly Gift Disclosure, with the Commission on Ethics no later than the last day of any calendar quarter following the calendar quarter in which he or she received a gift worth more

than \$100, other than gifts from relatives, gifts prohibited from being accepted, gifts primarily associated with his or her business or employment, and gifts otherwise required to be disclosed. FORM 9 NEED NOT BE FILED if no such gift was received during the calendar quarter.

Information to be disclosed includes a description of the gift and its value, the name and address of the donor, the date of the gift, and a copy of any receipt for the gift provided by the donor. [Sec. 112.3148, Fla. Stat.]

7. *FORM 10 - Annual Disclosure of Gifts from Government Agencies and Direct-Support Organizations and Honorarium Event Related Expenses*

State government entities, airport authorities, counties, municipalities, school boards, water management districts, and the South Florida Regional Transportation Authority, may give a gift worth more than \$100 to a person required to file FORM 1 or FORM 6, and to state procurement employees, if a public purpose can be shown for the gift. Also, a direct-support organization for a governmental entity may give such a gift to a person who is an officer or employee of that entity. These gifts are to be reported on FORM 10, to be filed by July 1.

The governmental entity or direct-support organization giving the gift must provide the officer or employee with a statement about the gift no later than March 1 of the following year. The officer or employee then must disclose this information by filing a statement by July 1 with his or her annual financial disclosure that describes the gift and lists the donor, the date of the gift, and the value of the total gifts provided during the calendar year. State procurement employees file their statements with the Commission on Ethics. [Sec. 112.3148, Fla. Stat.]

In addition, a person required to file FORM 1 or FORM 6, or a state procurement employee, who receives expenses or payment of expenses related to an honorarium event from someone who is prohibited from giving him or her an honorarium, must disclose annually the name, address, and affiliation of the donor, the amount of the expenses, the date of the event, a description of the expenses paid or provided, and the total value of the expenses on FORM 10. The donor paying the expenses must provide the officer or employee with a statement about the expenses within 60 days of the honorarium event.

The disclosure must be filed by July 1, for expenses received during the previous calendar year. State procurement employees file their statements with the Commission on Ethics. [Sec. 112.3149, Fla. Stat.]

However, notwithstanding Sec. 112.3149, Fla. Stat., no executive branch or legislative lobbyist or principal shall make, directly or indirectly, and no executive branch agency official or employee who files FORM 1 or FORM 6 shall knowingly accept, directly or indirectly, any expenditure made for the purpose of lobbying. This may include gifts or honorarium event related expenses that formerly were permitted under Sections 112.3148 and 112.3149. [Sec. 112.3215, Fla. Stat.] Similar prohibitions apply to legislative officials and employees. However, these laws are not administered by the Commission on Ethics. [Sec. 11.045, Fla. Stat.] In addition, gifts, which include anything not primarily related to political activities authorized under ch. 106, are prohibited from political committees. [Sec. 112.31485 Fla. Stat.]

8. *FORM 30 - Donor's Quarterly Gift Disclosure*

As mentioned above, the following persons and entities generally are prohibited from giving a gift worth more than \$100 to a reporting individual (a person required to file FORM 1 or FORM 6) or to a state procurement employee: a political committee; a lobbyist who lobbies the reporting individual's or procurement employee's agency, and the partner, firm, employer, or principal of such a lobbyist; and vendors. If such person or entity makes a gift worth between \$25 and \$100 to a reporting individual or state procurement employee (that is not accepted in behalf of a governmental entity or charitable organization), the gift should be reported on FORM 30. The donor also must notify the recipient at the time the gift is made that it will be reported.

The FORM 30 should be filed by the last day of the calendar quarter following the calendar quarter in which the gift was made. If the gift was made to an individual in the legislative branch, FORM 30 should be filed with the Lobbyist Registrar. [See page 35 for address.] If the gift was to any other reporting individual or state procurement employee, FORM 30 should be filed with the Commission on Ethics.

However, notwithstanding Section 112.3148, Fla. Stat., no executive branch lobbyist or principal shall make, directly or indirectly, and no executive branch agency official or employee who files FORM 1 or FORM 6 shall knowingly accept, directly or indirectly, any expenditure made for the purpose of lobbying. This may include gifts that formerly were permitted under Section 112.3148. [Sec. 112.3215, Fla. Stat.] Similar prohibitions apply to legislative officials and employees. However, these laws are not administered by the Commission on Ethics. [Sec. 11.045, Fla. Stat.] In addition, gifts from political committees are prohibited. [Sec. 112.31485, Fla. Stat.]

9. *FORM 1X AND FORM 6X - Amendments to Form 1 and Form 6*

These forms are provided for officers or employees to amend their previously filed Form 1 or Form 6.

IV. AVAILABILITY OF FORMS

Beginning January 1, 2024, LOCAL OFFICERS and EMPLOYEES, and OTHER STATE OFFICERS, and SPECIFIED STATE EMPLOYEES who must file FORM 1 annually must file electronically via the Commission’s Electronic Financial Disclosure Management System (EFDMS). Paper forms will not be promulgated. Communications regarding the annual filing requirement will be sent via email to filers no later than June 1. Filers must maintain an updated email address in their User Profile in EFDMS.

ELECTED CONSTITUTIONAL OFFICERS and other officials who must file Form 6 annually, including City Commissioners and Mayors³, must file electronically via the Commission’s Electronic Financial Disclosure Management System (EFDMS). Paper forms will not be promulgated. Communications regarding the annual filing requirement will be sent via email to filers no later than June 1. Filers must maintain an updated email address in their User Profile in EFDMS.

³ During the pendency of ongoing litigation, the Commission on Ethics is enjoined from enforcing the Form 6 requirement for mayors and elected members of municipal governing bodies, and they will have to file a CE Form 1 (“Statement of Financial Interest”).

V. PENALTIES

A. *Non-criminal Penalties for Violation of the Sunshine Amendment and the Code of Ethics*

There are no criminal penalties for violation of the Sunshine Amendment and the Code of Ethics. Penalties for violation of these laws may include: impeachment, removal from office or employment, suspension, public censure, reprimand, demotion, reduction in salary level, forfeiture of no more than one-third salary per month for no more than twelve months, a civil penalty not to exceed \$20,000⁴, and restitution of any pecuniary benefits received, and triple the value of a gift from a political committee.

B. *Penalties for Candidates*

CANDIDATES for public office who are found in violation of the Sunshine Amendment or the Code of Ethics may be subject to one or more of the following penalties: disqualification from being on the ballot, public censure, reprimand, or a civil penalty not to exceed \$20,000*, and triple the value of a gift received from a political committee.

C. *Penalties for Former Officers and Employees*

FORMER PUBLIC OFFICERS or EMPLOYEES who are found in violation of a provision applicable to former officers or employees or whose violation occurred prior to such officer's or employee's leaving public office or employment may be subject to one or more of the following penalties: public censure and reprimand, a civil penalty not to exceed \$20,000*, and restitution of any pecuniary benefits received, and triple the value of a gift received from a political committee.

⁴ Conduct occurring prior to May 11, 2023, is subject to a recommended civil penalty of up to \$10,000. [Ch. 2023-49, Laws of Florida]

D. Penalties for Lobbyists and Others

An executive branch lobbyist who has failed to comply with the Executive Branch Lobbying Registration law (see Part VIII) may be fined up to \$5,000, reprimanded, censured, or prohibited from lobbying executive branch agencies for up to two years. Lobbyists, their employers, principals, partners, and firms, and political committees and committees of continuous existence who give a prohibited gift or honorarium or fail to comply with the gift reporting requirements for gifts worth between \$25 and \$100, may be penalized by a fine of not more than \$5,000 and a prohibition on lobbying, or employing a lobbyist to lobby, before the agency of the public officer or employee to whom the gift was given for up to two years. Any agent or person acting on behalf of a political committee giving a prohibited gift is personally liable for a civil penalty of up to triple the value of the gift.

Executive Branch lobbying firms that fail to timely file their quarterly compensation reports may be fined \$50 per day per report for each day the report is late, up to a maximum fine of \$5,000 per report.

E. Felony Convictions: Forfeiture of Retirement Benefits

Public officers and employees are subject to forfeiture of all rights and benefits under the retirement system to which they belong if convicted of certain offenses. The offenses include embezzlement or theft of public funds; bribery; felonies specified in Chapter 838, Florida Statutes; impeachable offenses; and felonies committed with intent to defraud the public or their public agency. [Sec. 112.3173, Fla. Stat.]

F. Automatic Penalties for Failure to File Annual Disclosure

Public officers and employees required to file either Form 1 or Form 6 annual financial disclosure are subject to automatic fines of \$25 for each day late the form is filed after September 1, up to a maximum penalty of \$1,500. [Sec. 112.3144 and 112.3145, Fla. Stat.]

The Commission must undertake an investigation of a public officer or employee who accrues the \$1,500 maximum fine and currently holds their filing position to determine if the failure to file was willful. If the Commission finds a willful failure to file, the only penalty that can be recommended, by law, is removal from office.

VI. ADVISORY OPINIONS

Conflicts of interest may be avoided by greater awareness of the ethics laws on the part of public officials and employees through advisory assistance from the Commission on Ethics.

A. *Who Can Request an Opinion*

Any public officer, candidate for public office, or public employee in Florida who is in doubt about the applicability of the standards of conduct or disclosure laws to himself or herself, or anyone who has the power to hire or terminate another public employee, may seek an advisory opinion from the Commission about himself or herself or that employee.

B. *How to Request an Opinion*

Opinions may be requested by letter presenting a question based on a real situation and including a detailed description of the situation. Opinions are issued by the Commission and are binding on the conduct of the person who is the subject of the opinion, unless material facts were omitted or misstated in the request for the opinion. Published opinions will not bear the name of the persons involved unless they consent to the use of their names; however, the request and all information pertaining to it is a public record, made available to the Commission and to members of the public in advance of the Commission's consideration of the question.

C. *How to Obtain Published Opinions*

All of the Commission's opinions are available for viewing or download at its website: www.ethics.state.fl.us.

VII. COMPLAINTS

A. *Citizen Involvement*

The Commission on Ethics cannot conduct investigations of alleged violations of the Sunshine Amendment or the Code of Ethics unless a person files a sworn complaint with the Commission alleging such violation has occurred, or a referral is received, as discussed below.

As of June 21, 2024, the Commission on Ethics may only investigate complaints that are "based upon personal knowledge or information other than hearsay."⁵ In compliance with the new law, ethics complaints that are not "based upon personal knowledge or information other than hearsay" cannot be investigated and will be dismissed.

If you have knowledge that a person in government has violated the standards of conduct or disclosure laws described above, you may report these violations to the Commission by filing a sworn complaint on the form prescribed by the Commission and available for download at www.ethics.state.fl.us. The Commission is unable to take action based on learning of such misdeeds through newspaper reports, telephone calls, or letters.

You can download a complaint form (FORM 50) from the Commission's website: www.ethics.state.fl.us, or contact the Commission office at the address or phone number shown on the inside front cover of this booklet.

B. *Referrals*

The Commission may accept referrals from: the Governor, the Florida Department of Law Enforcement, a State Attorney, or a U.S. Attorney. A vote of six of the Commission's nine members is required to proceed on such a referral.

⁵ Ch. 24-253, § 6, Laws of Fla. (codified at § 112.324(1)(a), Fla. Stat. (2024)).

C. *Confidentiality*

The complaint or referral, as well as all proceedings and records relating thereto, is confidential until the accused requests that such records be made public or until the matter reaches a stage in the Commission's proceedings where it becomes public. This means that unless the Commission receives a written waiver of confidentiality from the accused, the Commission is not free to release any documents or to comment on a complaint or referral to members of the public or press, so long as the complaint or referral remains in a confidential stage.

A COMPLAINT OR REFERRAL MAY NOT BE FILED WITH RESPECT TO A CANDIDATE ON THE DAY OF THE ELECTION, OR WITHIN THE 30 CALENDAR DAYS PRECEDING THE ELECTION DATE, UNLESS IT IS BASED ON PERSONAL INFORMATION OR INFORMATION OTHER THAN HEARSAY.

D. *How the Complaint Process Works*

Complaints which allege a matter within the Commission's jurisdiction are assigned a tracking number and Commission staff forwards a copy of the original sworn complaint to the accused within five working days of its receipt. Any subsequent sworn amendments to the complaint also are transmitted within five working days of their receipt.

Once a complaint is filed, it goes through three procedural stages under the Commission's rules. The first stage is a determination of whether the allegations of the complaint are legally sufficient: that is, whether they indicate a possible violation of any law over which the Commission has jurisdiction. If the complaint is found not to be legally sufficient, the Commission will order that the complaint be dismissed without investigation, and all records relating to the complaint will become public at that time.

In cases of very minor financial disclosure violations, the official will be allowed an opportunity to correct or amend his or her disclosure form. Otherwise, if the complaint is found to be legally sufficient, a preliminary investigation will be undertaken by the investigative staff of the Commission. The second stage of the Commission's proceedings involves this preliminary investigation and a decision by the Commission as to whether there is probable cause to believe that

there has been a violation of any of the ethics laws. If the Commission finds no probable cause to believe there has been a violation of the ethics laws, the complaint will be dismissed and will become a matter of public record. If the Commission finds probable cause to believe there has been a violation of the ethics laws, the complaint becomes public and usually enters the third stage of proceedings. This stage requires the Commission to decide whether the law was actually violated and, if so, whether a penalty should be recommended. At this stage, the accused has the right to request a public hearing (trial) at which evidence is presented, or the Commission may order that such a hearing be held. Public hearings usually are held in or near the area where the alleged violation occurred.

When the Commission concludes that a violation has been committed, it issues a public report of its findings and may recommend one or more penalties to the appropriate disciplinary body or official.

When the Commission determines that a person has filed a complaint with knowledge that the complaint contains one or more false allegations or with reckless disregard for whether the complaint contains false allegations, the complainant will be liable for costs plus reasonable attorney's fees incurred by the person complained against. The Department of Legal Affairs may bring a civil action to recover such fees and costs, if they are not paid voluntarily within 30 days.

E. Dismissal of Complaints At Any Stage of Disposition

The Commission may, at its discretion, dismiss any complaint at any stage of disposition should it determine that the public interest would not be served by proceeding further, in which case the Commission will issue a public report stating with particularity its reasons for the dismissal. [Sec. 112.324(12), Fla. Stat.]

F. Statute of Limitations

All sworn complaints alleging a violation of the Sunshine Amendment or the Code of Ethics must be filed with the Commission within five years of the alleged violation or other breach of the public trust. Time starts to run on the day AFTER the violation or breach of public trust is committed. The statute of limitations is tolled on the day a sworn complaint is filed with the Commission. If a

complaint is filed and the statute of limitations has run, the complaint will be dismissed. [Sec. 112.3231, Fla. Stat.]

VIII. EXECUTIVE BRANCH LOBBYING

Any person who, for compensation and on behalf of another, lobbies an agency of the executive branch of state government with respect to a decision in the area of policy or procurement may be required to register as an executive branch lobbyist. Registration is required before lobbying an agency and is renewable annually. In addition, each lobbying firm must file a compensation report with the Commission for each calendar quarter during any portion of which one or more of the firm's lobbyists were registered to represent a principal. As noted above, no executive branch lobbyist or principal can make, directly or indirectly, and no executive branch agency official or employee who files FORM 1 or FORM 6 can knowingly accept, directly or indirectly, **any expenditure** made for the purpose of lobbying. [Sec. 112.3215, Fla. Stat.]

Paying an executive branch lobbyist a contingency fee based upon the outcome of any specific executive branch action, and receiving such a fee, is prohibited. A violation of this prohibition is a first degree misdemeanor, and the amount received is subject to forfeiture. This does not prohibit sales people from receiving a commission. [Sec. 112.3217, Fla. Stat.]

Executive branch departments, state universities, community colleges, and water management districts are prohibited from using public funds to retain an executive branch (or legislative branch) lobbyist, although these agencies may use full-time employees as lobbyists. [Sec. 11.062, Fla. Stat.]

Online registration and filing is available at www.floridalobbyist.gov. Additional information about the executive branch lobbyist registration system may be obtained by contacting the Lobbyist Registrar at the following address:

Executive Branch Lobbyist Registration

Tallahassee, FL 32399-1425
Phone: 850/922-4990

IX. WHISTLE-BLOWER'S ACT

In 1986, the Legislature enacted a "Whistle-blower's Act" to protect employees of agencies and government contractors from adverse personnel actions in retaliation for disclosing information in a sworn complaint alleging certain types of improper activities. Since then, the Legislature has revised this law to afford greater protection to these employees.

While this language is contained within the Code of Ethics, the Commission has no jurisdiction or authority to proceed against persons who violate this Act. Therefore, a person who has disclosed information alleging improper conduct governed by this law and who may suffer adverse consequences as a result should contact one or more of the following: the Office of the Chief Inspector General in the Executive Office of the Governor; the Department of Legal Affairs; the Florida Commission on Human Relations; or a private attorney. [Sec. 112.3187 - 112.31895, Fla. Stat.]

X. ADDITIONAL INFORMATION

As mentioned above, we suggest that you review the language used in each law for a more detailed understanding of Florida's ethics laws. The "Sunshine Amendment" is Article II, Section 8, of the Florida Constitution. The Code of Ethics for Public Officers and Employees is contained in Part III of Chapter 112, Florida Statutes.

Additional information about the Commission's functions and interpretations of these laws may be found in Chapter 34 of the Florida Administrative Code, where the Commission's rules are published, and in The Florida Administrative Law Reports, which until 2005 published many of the Commission's final orders. The Commission's rules, orders, and opinions also are available at www.ethics.state.fl.us.

If you are a public officer or employee concerned about your obligations under these laws, the staff of the Commission will be happy to respond to oral and written inquiries by providing information about the law, the Commission's interpretations of the law, and the Commission's procedures.

XI. TRAINING

Constitutional officers, elected municipal officers, commissioners of community redevelopment agencies (CRAs), commissioners of community development districts, and elected local officers of independent special districts are required to receive a total of four hours training, per calendar year, in the areas of ethics, public records, and open meetings. The Commission on Ethics does not track compliance or certify providers. Officials indicate their compliance with the training requirement when they file their annual Form 1 or Form 6.

Visit the training page on the Commission's website for up-to-date rules, opinions, audio/video training, and opportunities for live training conducted by Commission staff.

PUBLIC RECORDS

Selections from the 2025 Florida Government in the Sunshine Manual, Vol. 47, Office of the Florida Attorney General

SCOPE OF THE PUBLIC RECORDS ACT

Florida’s Public Records Law, Ch. 119, F.S., provides a right of access to the records of the state and local governments as well as to private entities acting on their behalf. In the absence of a statutory exemption, this right of access applies to all materials made or received by an agency in connection with the transaction of official business which are used to perpetuate, communicate or formalize knowledge. Access to public records has been described as a “cornerstone of our political culture.” *In re Report & Recommendations of Judicial Mgmt. Council of Fla. on Privacy & Elec. Access to Court Records*, 832 So. 2d 712, 713 (Fla. 2002).

Section 119.011(2), F.S., defines “agency” to include: any state, county, district, authority, or municipal officer, department, division, board, bureau, commission, or other separate unit of government created or established by law including, for the purposes of this chapter, the Commission on Ethics, the Public Service Commission, and the Office of Public Counsel, and any other public or private agency, person, partnership, corporation, or business entity acting on behalf of any public agency.

A right of access to records is also recognized in Art. I, s. 24, Fla. Const., which applies to virtually all state and local governmental entities, including the legislative, executive and judicial branches of government. The only exceptions are those established by law or by the Constitution.

Section 119.011(12), F.S., defines “public records” to include: all documents, papers, letters, maps, books, tapes, photographs, films, sound recordings, data processing software, or other material, regardless of the physical form, characteristics, or means of transmission, made or received pursuant to law or ordinance or in connection with the transaction of official business by any agency.

The Florida Supreme Court has interpreted this definition to encompass all materials made or received by an agency in connection with official business which are used to perpetuate, communicate or formalize knowledge. *Shevin v. Byron, Harless, Schaffer, Reid and Associates, Inc.*, 379 So. 2d 633, 640 (Fla. 1980). All such materials, regardless of whether they are in final form, are open for public inspection unless the Legislature has exempted them from disclosure. *Wait v. Florida Power & Light Company*, 372 So. 2d 420 (Fla. 1979). Exemption summaries are found in Appendix D.

The term “public record” is not limited to traditional written documents. As the statutory definition states, “tapes, photographs, films, sound recordings, data processing software, or other material, regardless of the physical form, characteristics, or means of transmission” can all constitute public records. *And see National Collegiate Athletic Association v. Associated Press*, 18 So. 3d 1201 (Fla. 1st DCA 2009), *review denied*, 37 So. 3d 848 (Fla. 2010) (“public records law is not limited to paper documents but applies, as well, to documents that exist only in digital form”). *Cf. Church of Scientology Flag Service Org., Inc. v. Wood*, No. 97-688CI-07 (Fla. 6th Cir. Ct. February 27, 1997), available online in the Cases database at the open government site at myfloridalegal.com (physical specimens relating to an autopsy are not public records because in order to constitute a “public record” for purposes of Ch. 119, “the record itself must be susceptible of some form of copying”).

Clearly, as technology changes the means by which agencies communicate, manage, and store information, public records will take on increasingly different forms. Yet, the comprehensive scope of the term “public records” will continue to make the information open to public inspection unless

exempted by law.

Article I, s. 24, Fla. Const., establishes a constitutional right of access to any public record made or received in connection with the official business of any public body, officer, or employee of the state, or persons acting on their behalf, except those records exempted pursuant to Art. I, s. 24, Fla. Const., or specifically made confidential by the Constitution. *See State ex rel. Clayton v. Board of Regents*, 635 So. 2d 937 (Fla. 1994) (“[O]ur Constitution requires that public officials must conduct public business in the open and that public records must be made available to all members of the public.”); and *Rhea v. District Board of Trustees of Santa Fe College*, 109 So. 3d 851, 855 (Fla. 1st DCA 2013) (“A citizen’s access to public records is a fundamental constitutional right in Florida”).

WHAT RECORDS ARE INCLUDED

EMAIL

E-mail messages made or received by agency officers and employees in connection with official business are public records and subject to disclosure in the absence of an exemption. AGOs 96-34 and 01-20. *See Rhea v. District Board of Trustees of Santa Fe College*, 109 So. 3d 851, 855 (Fla. 1st DCA 2013), noting that “electronic communications, such as e-mail, are covered [by the Public Records Act] just like communications on paper.” *Cf.* s. 668.6076, F.S., requiring agencies that operate a website and use electronic mail to post the following statement in a conspicuous location on the agency website: “Under Florida law, e-mail addresses are public records. If you do not want your e-mail address released in response to a public records request, do not send electronic mail to this entity. Instead, contact this office by phone or in writing.”

Similarly, e-mails sent by city commissioners in connection with the transaction of official business are public records subject to disclosure even though the e-mails contain undisclosed or “blind” recipients and their e-mail addresses. AGO 07-14. *Cf. Butler v. City of Hallandale Beach*, 68 So. 3d 278 (Fla. 4th DCA 2011) (affirming a trial court order finding that a list of recipients of a *personal* e-mail sent by mayor from her personal computer was not a public record).

The Legislature has enacted exemptions for certain email addresses. *See e.g.*, ss. 655.057(5) (exemption for “personal identifying information” of certain officers and directors which are received by the Office of Financial Regulation pursuant to an application for authority to organize a new state bank or trust company); 197.3225, F.S. (taxpayer’s email address held by a tax collector for the purpose of sending certain tax notices); 215.5587(1)(b) (email address submitted by applicant to Department of Financial Services as part of the My Safe Florida Home Program); and 28.47(5)(b), F.S. (email addresses submitted to clerk of court or property appraiser for the purpose of registering for a recording or notification service).

Like other public records, e-mail messages are subject to the statutory restrictions on destruction of public records. *See* s. 257.36(6), F.S., stating that a public record may be destroyed or otherwise disposed of only in accordance with retention schedules established by the Division of Library and Information Services (division) of the Department of State. Thus, an e-mail communication of “factual background information” from one city council member to another is a public record and should be retained in accordance with the retention schedule for other records relating to performance of the agency’s functions and formulation of policy. AGO 01-20.

SOCIAL MEDIA POSTINGS

The Attorney General’s Office has stated that the placement of material on a city’s Facebook page presumably would be in connection with the transaction of official business and thus subject to Ch. 119, F.S., although in any given instance, the determination would have to be made based upon the definition of “public record” contained in s. 119.011(12), F.S. AGO 09-19. To the extent that the information on the city’s Facebook page constitutes a public record, the city is under an obligation to follow the public records retention schedules established in accordance with s. 257.36(6), F.S. *Id.* And see AGO 08-07 (city council members who post comments and emails relating to the transaction of city business on a privately owned and operated website “would be responsible for ensuring that the information is maintained in accordance with the Public Records Law”); and *Bear v. Escambia County Board of County Commissioners*, 2022 WL 602266 (N.D. March 01, 2022) (messages on a county commissioner’s privately owned and maintained social media accounts which involved his interactions with the public on matters of county concern and which involved his duties as a commissioner were public records).

The determination as to whether a list or record of accounts which have been blocked from posting to or accessing an elected official’s personal Twitter feed is a public record involves mixed questions of law and fact which cannot be resolved by the Attorney General’s Office. Inf. Op. to Shalley, June 1, 2016. However, “if the tweets the public official is sending are public records [because they were sent in connection with the transaction of official business] then a list of blocked accounts, prepared in connection with those public records ‘tweets,’ could well be determined by a court to be a public record.” *Id.*

TEXT MESSAGES

A public official or employee’s use of a private cell phone to conduct public business via text messaging “can create an electronic written public record subject to disclosure” if the text message is “prepared, owned, used, or retained . . . within the scope of his or her employment or agency.” *O’Boyle v. Town of Gulf Stream*, 257 So. 3d 1036, 1040-1041 (Fla. 4th DCA 2018). *Accord City of Sunny Isles Beach v. Gatto*, 338 So. 3d 1045 (Fla. 3d DCA 2022), noting that a “city commissioner’s text messages may be a public record,” although a private communication by a municipal official “falls outside the definition of public record.” For more information on personal records created or received by public officials on government or private devices, please see the discussion of that topic on pages 133-135.

In order to comply with the requirements of the Public Records Act, “the governmental entity must proceed as it relates to text messaging no differently than it would when responding to a request for written documents and other public records in the entity’s possession—such as emails—by reviewing each record, determining if some or all are exempted from production, and disclosing the unprotected records to the requester.” *O’Boyle v. Town of Gulf Stream*, at 1041. And see the discussion on pages 166-167 regarding the entity’s responsibility to conduct a reasonable search to locate text messages that have been requested from the governmental entity, including those located on private accounts or devices.

The retention periods for text messages and other electronic messages or communications “are determined by the content, nature, and purpose of the records, and are set based on their legal, fiscal, administrative, and historical values, regardless of the format in which they reside or the method by which they are transmitted.” See General Records Schedule GS1-SL available online at dos.myflorida.com/library-archives. Stated another way, it is the content, nature and purpose of the

electronic communication that determines how long it is retained, not the technology that is used to send the message. *See also* Inf. Op. to Browning, March 17, 2010, advising that the same rules that apply to e-mail should apply to electronic communications including SMS communications (text messaging), MMS communications (multimedia content), and instant messaging conducted by government agencies.

Ethics Decision Tree

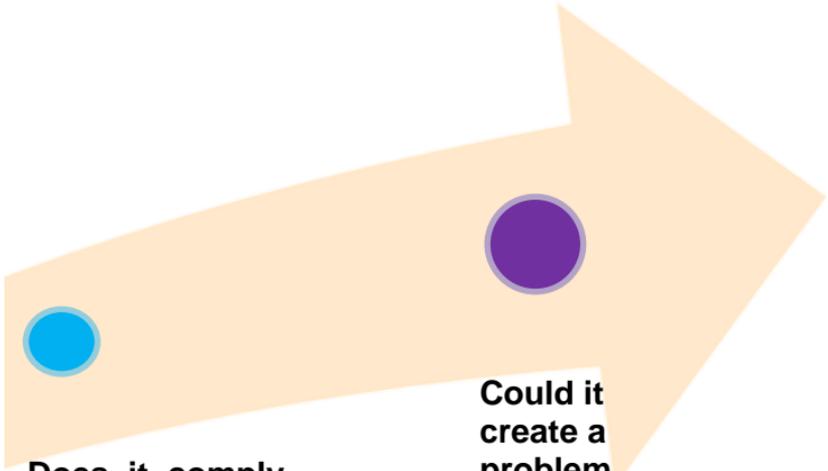

Is it legal?

Does it violate state law
or county/municipal
ordinance?

Does it comply with the Code of Ethics?

COE staff can assist you
with this determination.

Does it comply with county/municipal policy?

The Code may not prohibit it, but county/municipal policy may.

Could it create a problem for your public employer or the people you serve?

Good Government Standard

Evidentiary Standards

Item #13.

Legal Sufficiency (*must be determined to proceed with the investigation of any complaint*) exists where there is an allegation of a violation of an ordinance within the jurisdiction of the COE, purportedly committed by an individual within the authority of the COE, based substantially on the personal knowledge of the Complainant, relating to an alleged violation occurring after the effective date of the code, and filed with the Commission on Ethics within two years of the alleged violation.

Probable Cause (*must be established to proceed to a final hearing on a complaint*) exists where there are reasonably trustworthy facts and circumstances for the Commission on Ethics to believe that the Respondent may have violated the Palm Beach County Code of Ethics.

Clear and Convincing Evidence (*must be established for the magistrate to find in a final hearing that a violation has been proven to the requisite level under law*) requires that the evidence submitted must be found to be credible; the facts to which the witnesses testify must be distinctly remembered; the testimony must be precise and explicit and the witnesses must be lacking in confusion as to the facts in issue. The evidence must be of such weight that it produces in the mind of the trier of fact a firm belief or conviction, without hesitancy, as to the truth of the allegations sought to be established. In Re: Davey, 645 So. 2d 398, 404 (Fla. 1994), quoting Slomowitz v. Walker, 429 So. 2d 797, 800 (Fla. 4th DCA 1983).

Commission Framework

The Palm Beach County Commission on Ethics (COE) is comprised of five volunteer members that are appointed by various “stakeholders” within the community. Each COE Commissioner serves a term of four years. The COE is authorized to interpret and enforce the Palm Beach County Code of Ethics, Lobbyist Registration Ordinance, and Post-Employment Ordinance.

The five community groups that appoint Commissioners to the COE are:

1. **The Palm Beach County Association of Chiefs of Police**, which appoints a former law enforcement official with experience investigating white collar crime or public corruption.
2. **The Palm Beach County Bar Association, the Palm Beach County Hispanic Bar Association, and the F. Malcolm Cunningham Bar Association**, which appoints an attorney with experience in ethics regulation of public officials and employees.
3. **The President of Florida Atlantic University**, who appoints a faculty member who has taught professional legal ethics.
4. **The Palm Beach Chapter of Association of Certified Fraud Examiners or the Palm Beach Chapter of the Florida Government Finance Officers Association** on a rotating basis, which appoint a CPA or financial officer with forensic auditing or government accounting experience.
5. **The Palm Beach County League of Cities**, which appoints a former elected official or former manager of a governmental entity within the county.

Item #13.

Highlights

These highlights are presented in a shortened and paraphrased manner and should not be relied upon without reading the full version of the Code of Ethics.

The jurisdiction of the Commission on Ethics (COE) extends to all officials and employees who work for Palm Beach County and all the municipalities located within Palm Beach County. The COE also has limited jurisdiction over all vendors, lobbyists, principals, and employers of lobbyists that lobby or sell to Palm Beach County or its municipalities.

The COE does not have jurisdiction over state officials or employees, judges, the Clerk & Comptroller, Sheriff, Property Appraiser, School Board members, or any other constitutional officers or their employees.

The Code of Ethics fosters integrity in public service by outlining clear expectations for ethical behavior among public officials and employees.

- **Sec. 2-443: PROHIBITED CONDUCT**

This section regulates the way you do your job or use your authority as an official or employee.

- **Misuse of public office or employment**

You cannot use your job or position to give a special financial benefit to the specified people and/or organizations listed in Sec. 2-443(a)(1-7) of the Code. The full list is on pages 26-27 of this guide.

What does “SPECIAL FINANCIAL BENEFIT” mean within the Code of Ethics?

Item #13.

A “**financial benefit**” means anything of value that can be obtained through the exercise of your job or official position, or the promise of such a benefit. It does not include employee wages, stipends paid to officials, or other lawful payments to which you are entitled because of your employment or official position.

A “**special**” **financial benefit** refers to anything of value that is obtained through your official position and is **not shared** with “**similarly situated**” members of the general public.

If you know or should know that your actions as an official or employee will financially benefit anyone listed within this code section differently than others in the same situation, it would constitute a misuse of your public employment.

For a financial benefit to **not** be considered “special,” it requires that the number of people or organizations receiving the benefit is significantly large.

While there is no absolute test for whether a group of beneficiaries is considered sufficiently large under this definition, the smaller the group, the more likely the financial benefit is going to be found to be “special,” and thus prohibited. A “rule of thumb” sometimes helpful in this circumstance is the “1% rule.”

What is the 1% rule?

Where a financial beneficiary of an action represents less than 1% of the overall group of potential beneficiaries (he or she is merely 1 out of 100 that benefit from the action), then there is little chance the financial benefit would be considered

“special.” As the percentage grows from 1%, so does the chance that the financial benefit involved will be found to be “special,” and, thus, must be further evaluated.

Example: A permit clerk who accepts payment for a building permit from her brother does nothing wrong so long as the fee is the same as the fee charged to a stranger for the same service. If she gave her brother a discount simply because he is her brother, she would be committing a misuse of public employment.

▪ **Corrupt misuse of official position**

You may not use your job, property, or resource within your trust to CORRUPTLY secure a special benefit (not just a financial one), privilege, or exemption of any kind for any person.

What does CORRUPTLY mean?

An official act done with “**wrongful intent**” and for the purpose of receiving *any* benefit, which is “**inconsistent with the proper performance of your public duties.**”

Example: A code enforcement officer parks his personal vehicle near his home on someone’s private property. When the property owner asks him to remove the vehicle, the code enforcement officer threatens the property owner with a code violation. By threatening the property owner in such a manner, the code enforcement officer is committing a corrupt misuse of official position.

- **Contractual relationships**

This section involves contracts you might have in your private capacity that could conflict with your public duties.

The three general rules are:

1. You may not enter into any contract or do business with your public employer.
2. If you **own** a business, your business may not enter into any contract or do business with your public employer.

“Ownership” of an outside business means that any combination of you, your spouse/ domestic partner, household member, or close relative own at least five percent (5%) of the company, even where you are listed as an “employee” of the business.

3. If you work a second job, your outside employer may not enter into any contract or do business with your public employer.

The contractual relationships prohibition does not include:

1. Your employment contract with your public employer;
2. Any other contract you enter into as part of your official duties with your public employer;
3. Any purchase of goods or services from your municipal/county available to the general public.

There are five additional exceptions listed in the Code of Ethics beginning on page 29 of this guide. It should be noted the part-time employment exception only applies to employees; it does not apply to elected or appointed officials.

- **Accepting travel expenses**

Generally, you cannot accept payment or reimbursement of any travel expenses directly from any *contractor, vendor, service provider, bidder or proposer* doing business with your public employer.

- **Contingent fee prohibition**

No person can offer, give, or accept a contingency fee in exchange for something related to their public employment. A contingency fee is a fee, bonus, commission, or nonmonetary benefit as payment dependent on an action taken or decision made. There are exceptions to this prohibition listed on page 33 of this guide.

- **Honesty in applications for positions**

No one seeking to become an employee or official or seeking a contract with a county or municipal government can lie on the application.

- **Disclosure or use of certain information**

A public employee cannot disclose or use information gained through their job that is **not available to members of the public.**

- **Sec. 2-444: GIFT LAW**

- **Gift Law Definitions**

Gift—Anything of value. State statute and the Florida Administrative Code are used to establish the value of certain gifts.

Vendor—A person or entity that sells goods or services, personal property, or has a pending bid to sell or lease to your public employer.

Lobbying—To influence a decision or attempt to obtain the good will of someone in government.

Lobbyist—Someone who is paid to lobby on behalf of someone else.

Principal—The person or entity a lobbyist represents, including a lobbyist's employer, for the purpose of lobbying.

Know or should know—Being aware of a fact or information is to “know.” To have the resources or information available to know the information is “should know.”

Example: I received a gift card in the mail from someone I think may be a vendor of my public employer. If I don't take the time to inquire if the person is a vendor, I may be violating the gift law portion of the code.

*** **Identifying lobbyists, principals of lobbyists, and vendors is your responsibility if you are going to accept gifts.** ***

1. **A Central Lobbyist Registration System**

(CLRS) is used by the county and most municipalities. The CLRS is fully searchable and can be found at:

<https://secure.co.palm-beach.fl.us/LRS/Registry/SearchRegistry.aspx>

2. Three municipalities (West Palm Beach, Palm Beach Gardens, and Riviera Beach) do not use the CLRS and may have a list of the lobbyists that lobby their boards. Please contact them for additional information.
3. Palm Beach County has a vendor database for county vendors only at:
<https://www.pbcgov.org/pbcvendors>.
4. Contact the individual municipalities for their list of vendors.

▪ Gift Law Prohibitions

- You cannot ask for or accept a gift of any value in return for, or because of, the way you do your job, including “tips” in most cases.

(There is an exception for certain service-related jobs where “tipping” is considered a normal part of their pay within the industry, such as waiter, waitress, bartender, etc.)

- You cannot solicit gifts of any value from a vendor, lobbyist, or principal or employer of a lobbyist doing business with your public employer, if the gift is for the benefit of you, a relative or household member, or a fellow official or employee of your public entity.
- You cannot accept gifts worth more than \$100 per calendar year in the aggregate from a vendor, lobbyist, or principal or employer of a lobbyist doing business with your public employer.
- A vendor, lobbyist, or principal or employer of a lobbyist doing business with the county or a municipality may not give gifts worth more than

\$100 in the aggregate per calendar year to county or municipal employee or official.

- You may solicit funds from anyone on behalf of charities, including vendors and lobbyists, so long as they do not have a pending application or award of any nature before your public employer.
- Any solicitation from vendors, lobbyists, or principals or employers of lobbyists must be disclosed on a “Solicitation Log” (even where they do not contribute), and filed within 30 days of the solicitation, or the date the event is held. The log is available on the COE website.
- If you unintentionally violate the gift law prohibitions by accepting a prohibited gift, the violation may be corrected by returning the gift, or paying back the amount that exceeds \$100, within 90 days of accepting the prohibited gift.

▪ Gift Law Reporting

1. *State reporting individuals* will file their quarterly report with the state and then file a copy within 10 days with the COE.
2. *All other employees (non-state reporters)* who receive any gift worth more than \$100 must file an annual gift disclosure with the COE no later than January 31 for the period of January 1 through December 31 of the prior year.
3. There are exceptions to the county gift law requirements for non-state reporting individuals and some gifts do not need to be reported. The full list of exceptions can be found on page 40 of this guide.

4. Some gifts may be accepted with special provisions but *must be reported* on a gift form. The full list can be found on page 41 of this guide.

- **Sec. 2-445: NEPOTISM**

Officials or employees who are authorized to appoint, employ, promote, or advance anyone in the agency may not do so if that person is a relative, spouse, or domestic partner, nor may they advocate for these things.

- **Sec. 2-446: NONINTERFERENCE**

Public employees shall not retaliate against, interfere with, obstruct, or attempt to do any of the above toward or against anyone or any investigation that involves the COE or the Office of Inspector General.

- **PALM BEACH COUNTY COMMISSION ON ETHICS**

- The COE is an independent agency that:
 - interprets and enforces the Code of Ethics;
 - provides advisory opinions; and
 - provides training for employees and officials.
- The COE hears cases involving violations of the Code of Ethics.
 1. A violation of the Code of Ethics can result in:
 - a. A letter of instruction.
 - b. A public reprimand.

- c. A fine of up to \$500.
 - d. Restitution.
 - e. Other disciplinary action by the public employer.
 - f. Contracts, permits, or any other government approvals may be rescinded or declared void.
2. The COE may refer willful violations to the State Attorney's Office.

• **ADVISORY OPINIONS**

Anyone under the jurisdiction of the COE may ask for an advisory opinion so long as the circumstances described in the request apply to them personally.

No person may request an advisory opinion concerning circumstances that do not apply to them personally, with the exception of a licensed attorney representing the interests of a client, or the interests of a specific governmental board or its members.

• **OTHER RULES, CODES, AND STATUTES**

Public officials and employees are required to adhere to state law, the Palm Beach County Code of Ethics, and applicable municipal codes. In addition, they may be subject to various county, municipal, and departmental policies and procedures. It is the responsibility of every official and employee to adhere to the appropriate rules and codes adopted by their public entity.

CONTRACTUAL RELATIONSHIP PROHIBITION FOR ADVISORY BOARD MEMBERS: CONFLICTS, DISCLOSURES, AND WAIVERS

Item #13.

Board Type?		Contract Oversight?		Code Requirement
Not Purely Advisory	+	YES	=	Prohibited
Not Purely Advisory	+	NO	=	Disclosure
Purely Advisory	+	NO	=	Disclosure
Purely Advisory	+	YES	=	Waiver

What type of board do you serve?

Most governments create other boards to assist in various decision-making processes. They are generally referred to as advisory boards, though some of them are not purely advisory. What's the difference?

- A **purely advisory board** is only authorized to make recommendations to some other board, like the governing body, or perhaps a government administrator or hearing officer.

- A board that is **not purely advisory** authorized to make final decisions. A final decision does not go to any other any other arm of the government. These decisions can only be challenged in circuit court.
- Some boards have both functions. The term “purely” is used to emphasize that a board with any measure of final decision-making authority is **not purely advisory**. Your staff liaison can answer any question you have regarding the nature of your board.

Does your board have contract oversight?

If you, your employer, or the business you own has a contract with the government that created the board you serve on (or will serve on), you must determine whether the board will have anything to do with the contract.

If your board will play any role in the oversight, regulation, management, or policy-setting recommendations regarding this contract, then the board exercises **contract oversight**. The same considerations apply if you already serve on a board and you, your employer, or your business seeks to enter into a contract with the government.

There are four exceptions to the contractual relationship prohibition listed on pages 29-31 of this guide. It should be noted that the part-time employment exception does not apply to advisory board members.

What does the Code require?

- A **waiver** will require the governing body, upon full disclosure of the contract at a public meeting, to waive the conflict. If you were appointed by the entire governing body, a majority plus one is required. If you were appointed by only one board member, that board member alone can waive the conflict.
- **Disclosure** requires only that the existence of the contract is made public. This should occur either at the time of your appointment or when the subject contract is approved.
- If the chart indicates “**prohibited**” for your situation, you must either decline the appointment or terminate the contract. If the possibility of the contract occurs after you have been appointed, you must either resign from the board or withdraw the offer to contract with the government.

Item #13.

Code of Ethics

Item #13.

(Revised July 1, 2021)

Sec. 2-441. Title; statement of purpose.

This article shall be known as the Palm Beach County Code of Ethics. This code of ethics is enacted pursuant to Florida Constitution, Article VIII, section 1(g), Florida Statutes, ch. 125, and the Charter of Palm Beach County. The Municipalities located within Palm Beach County are subject to the provisions of this code of ethics pursuant to referendum. The purpose of this code is to provide additional and more stringent ethics standards as authorized by Florida Statutes, §112.326. This code shall not be construed to authorize or permit any conduct or activity that is in violation of Florida Statutes, ch. 112, pt. III. This code of ethics shall be deemed additional and supplemental to any and all state and federal laws governing ethical conduct of officials and employees, as well as all local laws, rules, regulations and policies.

Officials and employees in the public service shall be conscious that public service is a public trust, shall be impartial and devoted to the best interests of the people of Palm Beach County, and shall act and conduct themselves so as not to give occasion for distrust of their impartiality.

Nothing herein shall abridge employees' constitutional right to collective bargaining.

(Ord. No. 2011-011, §1(Exh. 1), 5-17-11)

Sec. 2-442. Definitions.

The following words, terms and phrases, when used in this article, shall have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning:

Advisory board shall mean any advisory or quasi-judicial board created by the board of county commissioners, by

the local municipal governing bodies, or by the mayors who serve as chief executive officers or by mayors who are not members of local municipal governing bodies.

Customer or client means any person or entity to which an official or employee's outside employer or business has supplied goods or services during the previous twenty-four (24) months, having, in the aggregate, a value greater than ten thousand dollars (\$10,000).

Domestic partner is an adult, unrelated by blood, with whom an unmarried or separated official or employee has an exclusive committed relationship and maintains a mutual residence.

Financial benefit includes any money, service, license, permit, contract, authorization, loan, travel, entertainment, hospitality, gratuity, or any promise of any of these, or anything else of value. This term does not include campaign contributions authorized by law.

Gift shall refer to the transfer of anything of economic value, whether in the form of money, service, loan, travel, entertainment, hospitality, item or promise of these, or in any other form, without adequate and lawful consideration. Food and beverages consumed at a single setting or a meal shall be considered a single gift, and the value of the food and beverage provided at that sitting or meal shall be considered the value of the gift. In determining the value of the gift, the recipient of the gift may consult, among other sources, Florida Statutes, §112.3148, and the Florida Administrative Code as may be amended.

Household member includes anyone whose primary residence is in the official or employee's home, including non-relatives who are not rent payers or employees of the head of the household.

Inspector general shall mean the office established in article XII of this chapter.

Lobbying shall mean seeking to influence a decision through oral or written communication or an attempt to

obtain the goodwill of any county commissioner, member of a local municipal governing body, any mayor or chief executive officer that is not a member of a local municipal governing body, any advisory board member, or any employee with respect to the passage, defeat or modification of any item which may foreseeably be presented for consideration to the advisory board, the board of county commissioners, or the local municipal governing body lobbied as applicable.

Lobbyist shall mean any person who is employed and receives payment, or who contracts for economic consideration, for the purpose of lobbying on behalf of a principal, and shall include an employee whose principal responsibility to the employer is overseeing the employer's various relationships with government or representing the employer in its contacts with government.

"Lobbyist" shall not include:

- (1) Any employee, contract employee, or independent contractor of a governmental agency or entity lobbying on behalf of that agency or entity, any elected local official when the official is lobbying on behalf of the governmental agency or entity which the official serves, or any member of the official's staff when such staff member is lobbying on an occasional basis on behalf of the governmental agency or entity by which the staff member is employed.
- (2) Any person who is retained or employed for the purpose of representing an employer, principal or client only during a publicly noticed quasi-judicial hearing or comprehensive plan hearing, provided the person identifies the employer, principal or client at the hearing.
- (3) Any expert witness who is retained or employed by an employer, principal or client to provide only scientific, technical or other specialized information

provided in agenda materials or testimony only at public hearings, so long as the expert identifies the employer, principal or client at the hearing.

Item #13.

- (4) Any person who lobbies only in his or her individual capacity for the purpose of self-representation and without compensation.
- (5) Any employee, contract employee, or independent contractor of the Palm Beach County League of Cities, Inc., lobbying on behalf of that entity.

Official or employee means any official or employee of the county or the municipalities located within the county, whether paid or unpaid. The term "employee" includes but is not limited to all managers, department heads, and personnel of the county or the municipalities located within the county. The term also includes volunteers of the county or the municipalities located within the county when such volunteers exercise discretionary police, fire, or parking enforcement department authority. The term "employee" also includes the chief executive officer of the county or any municipality, who is not part of the local governing body. If the county or municipality utilizes and contracts for "privatized" chief administrative officers or chief executive officers, then the person providing such services, or the officers, directors, and employees of any entity providing such services, shall be considered the employees of the county or municipality that he or she serves. However, it shall not include local government attorneys as defined in Florida Statutes §112.313, or attorneys who render contracted services to the county or municipality that are limited in scope to a specific issue or subject, to specific litigation, or to a specific administrative proceeding. The term "official" shall mean members of the board of county commissioners, a mayor, members of local municipal governing bodies, and members appointed by the board of county commissioners, members of local municipal governing bodies or mayors or chief executive officers that are not members of local municipal governing body, as

applicable, to serve on any advisory, quasi-judicial, any other board of the county, state, or any other regional, local, municipal, or corporate entity.

Item #13.

Outside employer or business includes:

- (1) Any entity, other than the county, the state, or any other federal, regional, local, or municipal government entity, of which the official or employee is a member, official, director, proprietor, partner, or employee, and from which he or she receives compensation for services rendered or goods sold or produced. For purposes of this definition, "compensation" does not include reimbursement for necessary expenses, including travel expenses; or
- (2) Any entity located in the county or which does business with or is regulated by the county or municipality as applicable, in which the official or employee has an ownership interest. For purposes of this definition, an "ownership interest" shall mean at least five (5%) percent of the total assets or common stock owned by the official or employee or any combination of the official or employee's household members, spouse, child, step-child, brother, sister, parent or step-parent, or a person claimed as a dependent on the official or employee's latest individual federal tax return.
- (3) The term outside employer or business shall not apply to an employee who is employed by a certified bargaining agent solely to represent employees.

Palm Beach County Commission on Ethics means the commission established in section 2-254 et seq. to administer and enforce the ethics regulations set forth herein, and may also be referred to as the "commission on ethics" in this article.

Persons and entities shall be defined to include all natural persons, firms, associations, joint ventures, partnerships, estates, trusts, business entities, syndicates, fiduciaries, corporations, and all other organizations.

Principal shall mean the person or entity a lobbyist represents, including a lobbyist's employer, for the purpose of lobbying.

Item #13.

Relative unless otherwise specified in this article, means an individual who is related to an official or employee as father, mother, son, daughter, brother, sister, uncle, aunt, first cousin, nephew, niece, husband, wife, father-in-law, mother-in-law, son-in-law, daughter-in-law, brother-in-law, sister-in-law, stepfather, stepmother, stepson, stepdaughter, step-brother, stepsister, half brother, half sister, grandparent, great grandparent, grandchild, great grandchild, step grandparent, step great grandparent, step grandchild, step great grandchild, person who is engaged to be married to the official or employee or who otherwise holds himself or herself out as or is generally known as the person whom the official or employee intends to marry or with whom the official or employee intends to form a household, or any other natural person having the same legal residence as the official or employee.

Transaction shall refer to the purchase or sale by the county or municipality of goods or services for a consideration.

Vendor means any person or entity who has a pending bid proposal, an offer or request to sell goods or services or to sell or lease real or personal property, or who currently sells goods or services, or sells or leases real or personal property to the county or municipality involved in the subject contract or transaction as applicable. For the purposes of this definition, a vendor entity includes an owner, director, manager or employee. Currently sells goods or services shall mean the period of time of an actual transaction or contract between a vendor and the government entity if such transaction or contract exceeds \$500. Where no formal contract exists for the sale or lease of goods and services, it shall include the period of time from the point the government entity orders or otherwise agrees to

purchase goods and services from a vendor, to point that all obligations on the part of both vendor and the government entity have been satisfied by delivery of the goods and/or services by the vendor, and payment has been received for those goods and services by the vendor, and where no other obligations by either party concerning the purchase of the goods and/or services remain unsatisfied. However, it shall not include any warranty period provided by the vendor once payment for the goods and services has been received and the goods and services have been delivered, even where an obligation to provide warranty service on the part of the vendor shall exist.

(Ord. No. 2011-011, §1(Exh. 1), 5-17-11, 6-15-21)

Sec. 2-443. Prohibited conduct.

(a) ***Misuse of public office or employment.*** An official or employee shall not use his or her official position or office, or take or fail to take any action, or influence others to take or fail to take any action, or attempt to do any of these things, in a manner which he or she knows or should know with the exercise of reasonable care will result in a special financial benefit, not shared with similarly situated members of the general public, for any of the following persons or entities:

- (1) Himself or herself;
- (2) His or her spouse or domestic partner, household member or persons claimed as dependents on the official or employee's latest individual federal income tax return, or the employer or business of any of these people;
- (3) A sibling or step-sibling, child or step-child, parent or step-parent, niece or nephew, uncle or aunt, or grandparent or grandchild of either himself or herself, or of his or her spouse or domestic partner, or the employer or business of any of these people;

- (4) An outside employer or business of his or her spouse or of his or her spouse or domestic partner or someone who is known to such official or employee to work for such outside employer or business;
 - (5) A customer or client of the official or employee's outside employer or business;
 - (6) A substantial debtor or creditor of his or hers, or of his or her spouse or domestic partner—"substantial" for these purposes shall mean at least ten thousand dollars (\$10,000) and shall not include forms of indebtedness, such as a mortgage and note, or a loan between the official or employee and a financial institution;
 - (7) A civic group, union, social, charitable, or religious organization, or other organization of which he or she (or his or her spouse or domestic partner) is an officer or director. However, this sub-section shall not apply to any official or employee who is required to serve on the board of directors of any organization solely based on his or her official position (ex-officio), regardless of whether he or she has voting rights on the board, and who receives no financial compensation for such service on the board of directors, and otherwise has no personal ownership interest in the organization.
- (b) ***Corrupt misuse of official position.*** An official or employee shall not use or attempt to use his or her official position or office, or any property or resource which may be within his or her trust, to corruptly secure or attempt to secure a special privilege, benefit, or exemption for himself, herself, or others. For the purposes of this subsection, "corruptly" means done with a wrongful intent and for the purpose of obtaining, or compensating or receiving compensation for, any benefit resulting from some act or omission of an official or employee

which is inconsistent with the proper performance of his or her public duties.

Item #13.

- (c) ***Disclosure of voting conflicts.*** County and municipal officials as applicable shall abstain from voting and not participate in any matter that will result in a special financial benefit as set forth in subsections (a)(1) through (7) above. The official shall publicly disclose the nature of the conflict and when abstaining from the vote, shall complete and file a State of Florida Commission on Ethics Conflict Form 8B pursuant to the requirements of Florida Statutes, §112.3143. Simultaneously with filing Form 8B, the official shall submit a copy of the completed form to the county commission on ethics. Officials who abstain and disclose a voting conflict as set forth herein, shall not be in violation of subsection (a), provided the official does not otherwise use his or her office to take or fail to take any action, or influence others to take or fail to take any action, in any other manner which he or she knows or should know with the exercise of reasonable care will result in a special financial benefit, not shared with similarly situated members of the general public, as set forth in subsections (a)(1) through (7).
- (d) ***Contractual relationships.*** No official or employee shall enter into any contract or other transaction for goods or services with their respective county or municipality. This prohibition extends to all contracts or transactions between the county or municipality as applicable or any person, agency or entity acting for the county or municipality as applicable, and the official or employee, directly or indirectly, or the official or employee's outside employer or business. Any such contract, agreement, or business arrangement entered into in violation of this subsection may be rescinded or declared void by the board of county commissioners pursuant to

section 2-448(c) or by the local governing body pursuant to local ordinance as applicable. This prohibition shall not apply to employees who enter into contracts with Palm Beach County or a municipality as part of their official duties with the county or that municipality. This prohibition also shall not apply to officials or employees who purchase goods from the county or municipality on the same terms available to all members of the public. This prohibition shall also not apply to advisory board members provided the subject contract or transaction is disclosed at a duly noticed public meeting of the governing body and the advisory board member's board provides no regulation, oversight, management, or policy-setting recommendations regarding the subject contract or transaction.

- (e) ***Exceptions and waiver.*** The requirements of subsection (d) above may be waived as it pertains to advisory board members where the advisory board member's board is purely advisory and provides regulation, oversight, management, or policy-setting recommendations regarding the subject contract or transaction. No waiver shall be allowed where the advisory board member's board is not purely advisory and provides regulation, oversight, management, or policy-setting recommendations regarding the subject contract or transaction. Waiver may be affected by the board of county commissioners or by the local municipal governing body as applicable upon full disclosure of the contract or transaction prior to the waiver and an affirmative vote of a majority plus one (1) of the total membership of the board of county commissioners or the local municipal governing body as applicable. In instances in which appointment to the advisory board is made by an individual, waiver may be effected, after full disclosure of the contract or

transaction at a public hearing, by the appointing person. In addition, no official or employee shall be held in violation of subsection (d) if:

Item #13.

- (1) The business is awarded under a system of sealed, competitive bidding to the lowest bidder and:
 - a. The official or employee or member of his or her household has in no way participated in the determination of the bid specifications or the determination of the lowest bidder;
 - b. The official or employee or member of his or her household has in no way used or attempted to use the official or employee's influence to persuade the agency, governmental entity or any personnel thereof to enter such a contract other than by the mere submission of the bid; and
 - c. The official or employee, prior to or at the time of the submission of the bid, has filed a statement with the supervisor of elections and the commission on ethics, disclosing the nature of the interest in the outside employer or business submitting the bid.
- (2) An emergency purchase or contract which would otherwise violate a provision of subsection (d) must be made in order to protect the health, safety, or welfare of the citizens of the county or municipality as applicable.
- (3) The outside employer or business involved is the only source of supply within the county or municipality as applicable and there is full disclosure by the official or employee of his or her interest in the outside employer or business to the county or municipality as applicable and the ethics commission prior to the purchase, rental, sale, leasing, or other business being transacted.

(4) The total amount of the contracts or transactions in the aggregate between the outside employer or business and the county or municipality as applicable does not exceed five hundred dollars (\$500) per calendar year.

Item #13.

(5) Notwithstanding any provision to the contrary, subsection (d) shall not be construed to prevent an employee from seeking part-time employment with an outside employer who has entered into a contract for goods or services with the county or municipality as applicable provided that:

- a. The employee or relative of the employee does not work in the county or municipal department as applicable which will enforce, oversee or administer the subject contract; and
- b. The outside employment would not interfere with or otherwise impair his or her independence of judgment or otherwise interfere with the full and faithful performance of his or her public duties to the county or municipality as applicable; and
- c. The employee or relative of the employee has not participated in determining the subject contract requirements or awarding the contract; and
- d. The employee's job responsibilities and job description will not require him or her to be involved in the outside employer's contract in any way including, but not limited to, its enforcement, oversight, administration, amendment, extension, termination or forbearance; and
- e. The employee demonstrates compliance with applicable merit rules regarding

- outside employment and obtains written permission from his or her supervisor; and
- f. The employee has obtained a conflict of interest waiver from the chief administrative officer and the employee's department head of the county or municipality based on a finding that no conflict exists. The employee shall submit the request for waiver in writing and under oath. The request for the waiver shall be signed by the employee under oath or affirmation on an approved form provided by the commission on ethics. The document shall contain written acknowledgment of compliance with the provisions of subsection (5)a. through (5)e. of this subsection, together with such pertinent facts and relevant documents that support such waiver. A waiver under this subsection must be approved by both the employee's supervisor and chief administrative officer of the county or municipality. The county or municipality shall record such waiver in the employee's personnel file and shall submit a copy of the waiver and all related documents to the commission on ethics. The commission on ethics in its discretion may elect to review, comment on, or investigate any waiver. The commission on ethics review or investigation shall not delay an employee's ability to take the part time employment.
- g. *Official law enforcement overtime or extra duty details.* The provisions of subsection (d) shall be waived for outside employment when that employment consists of a certified police agency uniformed external security or extra duty detail, contracted or

administered by the police agency applicable. For the purpose of this subsection, all records of external, extra duty or overtime security details, including supervisor approval, identity of contracting parties, and including time, date and manner of detail shall be maintained by the individual contracting or administrating police agency, records of which shall be accessible to the public subject to state public records disclosure exemptions.

- (f) **Accepting travel expenses.** No official or employee shall accept, directly or indirectly, any travel expenses including, but not limited to, transportation, lodging, meals, registration fees and incidentals from any county or municipal contractor, vendor, service provider, bidder or proposer as applicable. The board of county commissioners or local municipal governing body as applicable may waive the requirements of this subsection by a majority vote of the board or local municipal governing body. The provisions of this subsection shall not apply to travel expenses paid by other governmental entities or by organizations of which the county or municipality as applicable is a member if the travel is related to that membership.
- (g) **Contingent fee prohibition.** No person shall, in whole or in part, pay, give or agree to pay or give a contingency fee to another person. No person shall, in whole or in part, receive or agree to receive a contingency fee. As used herein, "contingency fee" means a fee, bonus, commission, or nonmonetary benefit as compensation which is dependent on or in any way contingent on the passage, defeat, or modification of: an ordinance, resolution, action or decision of the board of county commissioners or local municipal governing body as applicable, any

employee authorized to act on behalf of the board of county commissioners or local municipal governing body as applicable, the county administrator or municipal administrator as applicable, or any action or decision of an advisory board or committee. This prohibition does not apply to real estate brokers when acting in the course of their profession as regulated by Florida Statutes, §§475.001-475.5018, as may be amended. Nothing in this section may be construed to prohibit any salesperson from engaging in legitimate government business on behalf of a company from receiving compensation or commission as part of a bona fide contractual arrangement with that company provided such compensation or commission is ordinary and customary in the industry. Nothing in this section may be construed to prohibit an attorney from representing a client in a judicial proceeding or formal administrative hearing pursuant to a contingent fee arrangement.

- (h) ***Honesty in applications for positions.*** No person seeking to become an official or employee, or seeking to enter into a contract to provide goods or services to the county or municipality as applicable, may make any false statement, submit any false document, or knowingly withhold information about wrongdoing in connection with employment by or services to the county or municipality as applicable.
- (i) ***Disclosure or use of certain information.*** A current or former official or employee shall not disclose or use information not available to members of the general public and gained by reason of his or her official position, except for information relating exclusively to governmental practices, for his or her personal gain or benefit or for the personal gain or benefit of any other person.

(Ord. No. 2011-011, §1(Exh. 1), 5-17-11, 6-15-21)

Sec. 2-444. Gift law.

Item #13.

- (a) (1) No county commissioner, member of a local governing body, mayor or chief executive when not a member of the governing body, or employee, or any other person or business entity on his or her behalf, shall knowingly solicit or accept directly or indirectly, any gift with a value of greater than one hundred dollars (\$100) in the aggregate for the calendar year from any person or business entity that the recipient knows, or should know with the exercise of reasonable care, is a vendor, lobbyist, or any principal or employer of a lobbyist who lobbies, sells, or leases to the county or municipality as applicable.
- (2) No vendor, lobbyist, or principal or employer of a lobbyist that lobbies, sells, or leases to the county or a municipality as applicable, shall knowingly give, directly or indirectly, any gift with a value greater than one hundred dollars (\$100) in the aggregate for the calendar year to a person who the vendor, lobbyist, or principal knows, or should know with the exercise of reasonable care, is an official or employee of that county or municipality. For the purposes of this subsection (a)(2), the term vendor also includes any person or entity that, because of the nature of their business, may respond to an invitation to bid, request for proposal or other procurement opportunity that has been published by the county or a municipality.
- (b) (1) No advisory board member, or any other person on his or her behalf, shall knowingly solicit or accept directly or indirectly, any gift with a value of greater than one hundred dollars (\$100) in the aggregate for the calendar year from any vendor, lobbyist, or any principal or employer

of a lobbyist, who lobbies the recipient, advisory board, or any county or municipal department as applicable that is subject in any way to the advisory board's authority, influence or advice.

- (2) No vendor, lobbyist, or principal or employer of a lobbyist who lobbies an advisory board or any county or municipal department that is subject in any way to the advisory board's authority, influence or advice, shall knowingly give, directly or indirectly, any gift with a value greater than one hundred dollars (\$100) in the aggregate for the calendar year to a person who the vendor, lobbyist, or principal knows is a member of that advisory board. For the purposes of this subsection (b)(2), the term vendor also includes any person or entity that, because of the nature of their business, may respond to an invitation to bid, request for proposal or other procurement opportunity that has been published by the county or a municipality.
- (c) No county commissioner, member of a local governing body, mayor or chief executive officer when not a member of the governing body, or employee, or any other person or business entity on his or her behalf, shall knowingly solicit a gift of any value from any person or business entity that the recipient knows, or should know with the exercise of reasonable care, is a vendor, lobbyist, or any principal or employer of a lobbyist who lobbies, sells, or leases to the county or municipality as applicable, where the gift is for the personal benefit of the official or employee, another official or employee, or any relative or household member of the official or employee. No advisory board member or any other person or business entity on his or her

behalf, shall knowingly solicit a gift of any value from any person or business entity that the recipient knows, or should know with the exercise of reasonable care, is a vendor, lobbyist, or any principal or employer of a lobbyist who lobbies, sells, or leases to the recipient's advisory board or any county or municipal department as applicable that is subject in any way to the advisory board's authority, influence or advice, where the gift is for the personal benefit of the advisory board member, another advisory board member, another official or employee, or any relative or household member of the official or employee.

- (d) For purposes of this section, a principal or employer of a lobbyist shall include any officer, partner or director of the principal or employer entity, or any employee of a principal or employer who is not an officer, partner or director, provided that the employee knows or should know with the exercise of reasonable care that the principal or employer employs a lobbyist.
- (e) No person or entity shall offer, give, or agree to give an official or employee a gift, and no official or employee shall accept or agree to accept a gift from a person or entity, because of:
- (1) An official public action taken or to be taken, or which could be taken;
 - (2) A legal duty performed or to be performed or which could be performed; or
 - (3) A legal duty violated or to be violated, or which could be violated by any official or employee.
- (f) Gift reports. Any official or employee who receives a gift in excess of one hundred dollars (\$100) shall report that gift in accordance with this section.

- (1) *Gift reports for officials and employees identified by state law as reporting individuals.* Item #13.

Those persons required to report gifts pursuant to state law shall report those gifts in the manner provided by Florida Statutes, §112.3148, as may be amended, including, but not limited to, the state's definition of gift, exceptions thereto, and gift valuations. The county code of ethics' definition of gift and exceptions thereto shall not be used by reporting individuals to complete and file state gift reporting disclosures. When a state reporting individual files or is required to file a gift report with the state, a copy of each report shall also be filed with the county commission on ethics no later than ten (10) days after the report is filed with the state. Failure to file a State of Florida Quarterly Gift Disclosure Form with the county commission on ethics within the required timeframe shall be a violation of this section.

- (2) *All other officials and employees who are not reporting individuals under state law.*

a. *Personal gifts.* All officials and employees who are not reporting individuals under state law are not required to report gifts in excess of one hundred dollars (\$100) so long as those gifts are given to the official or employee by a personal friend or coworker and the circumstances demonstrate that the motivation for the gift was the personal or social relationship rather than an attempt to obtain the goodwill or otherwise influence the official or employee in the performance of his or her official duties. Factors to be considered in determining whether a gift was motivated by a personal or social

relationship may include but shall not be limited to: whether the relationship began before or after the official or employee obtained his or her office or position; the prior history of gift giving between the individuals; whether the gift was given in connection with a holiday or other special occasion; whether the donor personally paid for the gift or sought a tax deduction or business reimbursement; and whether the donor gave similar gifts to other officials or employees at or near the same time. If the personal friend or co-worker is a vendor, lobbyist or principal or employer of a lobbyist that lobbies the county or municipality as applicable, then the official or employee shall not accept a gift in excess of one hundred dollars (\$100) in accordance with subsections (a)(1) and (b)(1).

- b. *All other gifts.* All officials or employees who are not reporting individuals under state law and who receive any gift in excess of one hundred dollars (\$100), which is not otherwise excluded or prohibited pursuant to this subsection, shall complete and submit an annual gift disclosure report with the county commission on ethics no later than January 31 of each year for the previous calendar year (January 1 through December 31). All officials or employees who are not reporting individuals under state law and who do not receive a gift in excess of one hundred dollars (\$100) during a given reporting period shall not file an annual gift disclosure report. The annual gift disclosure report shall be created by the county commission on

ethics and shall be in a form substantially similar in content as that required by state law. The county code of ethics' definition of gift and exceptions thereto shall be used by non-state-reporting individuals in completing and filing annual gift disclosure reports required by this section.

- (g) Exceptions. For the purposes of this section, the following shall not be considered a gift:
- (1) Political contributions specifically authorized by state or federal law;
 - (2) Gifts from relatives, domestic partners, and dependents named on the official's or employee's latest federal income tax return, or one's household member;
 - (3) Awards for professional or civic achievement;
 - (4) Materials such as books, reports, periodicals or pamphlets which are solely informational or of an advertising nature;
 - (5) Gifts solicited or accepted by county or municipal officials or employees as applicable on behalf of the county or municipality in performance of their official duties for use solely by the county or municipality for a public purpose;
 - (6) Publicly advertised offers for goods or services from a vendor under the same terms and conditions as are offered or made available to the general public;
 - (7) Inheritance or other devise;
 - (8) Registration fees and other related costs associated with educational or governmental conferences, meetings or seminars and travel expenses either properly waived or inapplicable pursuant to section 2-443(f), provided that attendance is for governmental purposes, and

attendance is related to their duties and responsibilities as an official or employee of the county or municipality;

Item #13.

- (9) A ticket, pass or admission in connection with public events, appearances or ceremonies related to official county or municipal business, if furnished by a nonprofit sponsor organization of such public event, or if furnished pursuant to a contract between the event's non-profit sponsor and the county or municipality as applicable, provided the sponsor organization does not employ a lobbyist, and further provided the ticket, pass or admission is given by a representative of the sponsor organization who is not otherwise a vendor, lobbyist, principal or employer of a lobbyist. Notwithstanding the exception as provided in this subsection, the ticket, pass or admission must be disclosed in accordance with the gift law reporting requirements of subsections (f)(1) and (f)(2);
- (10) Expenditures made in connection with an event sponsored by a nonprofit organization funded in whole or in part with public funds whose primary function is to encourage and attract tourism or other business opportunities for the benefit of Palm Beach County or the municipalities as applicable, provided the sponsor organization does not employ a lobbyist, and further provided that the invitation to the event is made by a representative of the sponsor organization and the representative is not otherwise a vendor, lobbyist, principal or employer of a lobbyist. Notwithstanding the exception as provided in this subsection, the expenditure must be disclosed in accordance with the gift law reporting requirements of subsections (f)(1) and (f)(2).

(h) Solicitation of contributions on behalf of a non-profit charitable organization. Item #13.

(1) Notwithstanding the prohibition on gifts as outlined in subsections (a) and (b), the solicitation of funds by a county or municipal official or employee for a non-profit charitable organization, as defined under the Internal Revenue Code, is permissible so long as there is no quid pro quo or other special consideration, including any direct or indirect special financial benefit to the official or employee or to the person or entity being solicited. The solicitation by an official or employee as contemplated herein, is expressly prohibited if made to any person or entity with a pending application for approval or award of any nature before the county or municipality as applicable.

(2) To promote the full and complete transparency of any such solicitation, officials and employees shall disclose, on a form provided by the commission on ethics, the name of the charitable organization, the event for which the funds were solicited, the name of any person or entity that was contacted regarding a solicitation or pledge by the official or employee, and the amount of the funds solicited or pledged if known. The form shall be completed legibly and shall be filed with the commission on ethics. The form shall be filed within thirty (30) days from the occurrence of the event for which the solicitation was made, or if no event, within thirty (30) days from the occurrence of the solicitation.

(Ord. No. 2011-011, §1(Exh. 1), 5-17-11, 6-15-21)

Sec. 2-445. Anti-nepotism law.

An official may not appoint, employ, promote, advance, or advocate for appointment, employment, promotion, or

advancement in or to a position in the county or municipality as applicable in which the official is serving or over which the official exercises jurisdiction or control, any individual who is a relative or domestic partner of the official. An individual may not be appointed, employed, promoted, or advanced in or to a position in the county or a municipality if such appointment, employment, promotion, or advancement has been advocated by an official, serving in or exercising jurisdiction or control over the county or municipality as appropriate, who is a relative or domestic partner of the individual or if such appointment, employment, promotion, or advancement is made by a collegial body of which a relative or domestic partner of the individual is a member. However, this section shall not apply to appointments to boards other than those with land-planning or zoning responsibilities in those municipalities with less than thirty-five thousand (35,000) population. This section does not apply to persons serving in a volunteer capacity who provide emergency medical, firefighting, or police services. Such persons may receive, without losing their volunteer status, reimbursements for the costs of any training they get relating to the provision of volunteer emergency medical, firefighting, or police services and payment for any incidental expenses relating to those services that they provide. Mere approval of budgets shall not be sufficient to constitute "jurisdiction or control" for the purposes of this section.

- (1) For the purposes of this section, "official" means any official or employee in whom is vested the authority by law, rule, or regulation, or to whom the authority has been delegated to appoint, employ, promote, or advance individuals or to recommend individuals for appointment, employment, promotion, or advancement in connection with employment in the county or municipality as applicable.

- (2) For the purposes of this section, "relative" means spouse, parent, child, sibling, uncle, aunt, first cousin, nephew, niece, father-in-law, mother-in-law, son-in-law, daughter-in-law, brother-in-law, sister-in-law, stepfather, stepmother, stepson, stepdaughter, stepbrother, stepsister, half-brother, or half-sister.

Item #13.

(Ord. No. 2011-011, §1(Exh. 1), 5-17-11, 6-15-21)

Sec. 2-446. Ethics training.

- (a) Officials and employees, as public servants, are considered stewards of the public trust and should aspire to the highest level of integrity and character. Officials and employees shall be informed of their ethical responsibilities at the start of their public service, and shall receive updates and training materials on ethics issues throughout the span of their public service. The county administrator or municipal administrator, as applicable, shall establish, by policy, a mandatory training schedule for all officials, employees, and local government attorneys as defined in Florida Statutes §112.313, which shall include mandatory periodic follow-up sessions. This policy may also address ethics training for entities that receive county or municipal funds as applicable.
- (b) The commission on ethics shall develop and deliver, or contract with other entities to develop and deliver, training programs. The commission on ethics shall coordinate and cooperate with all affected county or municipal entities, departments, agencies, boards, councils and commissions to ensure that effective and meaningful training experiences are delivered in a timely and efficient manner.

(Ord. No. 2011-011, §1(Exh. 1), 5-17-11, 6-15-21)

Sec. 2-447. Noninterference.

It shall be a violation of this article for any person: (a) to retaliate against, punish, threaten, harass, or penalize any

person for communicating, cooperating with, assisting the commission on ethics or the inspector general; or (b) to interfere, obstruct or attempt to interfere or obstruct without valid legal basis any investigation conducted by the commission on ethics or the inspector general.

Item #13.

(Ord. No. 2011-011, §1(Exh. 1), 5-17-11)

Sec. 2-448. Administration, enforcement and penalties.

- (a) The commission on ethics shall be empowered to review, interpret, render advisory opinions, and enforce this code of ethics pursuant to the procedures established in the county commission on ethics ordinance. Jurisdiction of the commission on ethics with respect to advisory opinions rendered shall extend to all county and municipal officials and employees, and all other persons and entities required to comply with the provisions of this code and the county lobbyist registration ordinance, including but not limited to lobbyists, their employers and principals, and contractors and vendors and their employees.
- (b) A finding by the commission on ethics of a violation of any part of this article shall subject the person or entity to public reprimand, a fine of up to five hundred dollars (\$500), or both. The commission on ethics may also order the person or entity to pay restitution when the person or entity or a third party has received a pecuniary benefit as a result of the person's violation.
- (c) Upon a finding of the commission on ethics or hearing officer that a violation of this article or the lobbyist registration ordinance resulted in a contract, grant, subsidy, license, permit, franchise, use, certificate, development order or other benefit conferred by the county or municipality as applicable, then such contract, grant, subsidy, license, permit, franchise, use, certificate,

development order or other benefit may be rescinded or declared void by the board of county commissioners or the local municipal governing body as applicable.

- (d) The commission on ethics may refer willful violations of sections 2-443, 2-444(a), 2-444(b), 2-444(c), 2-444(e), or 2-447 to the state attorney when deemed appropriate. Pursuant to Florida Statutes, §125.69, a person who violates the sections of the article set forth in this section 2-448(d) shall be subject to prosecution in the name of the state in the same manner as first degree misdemeanors are prosecuted, and upon conviction, such person may be punished by a fine not to exceed one thousand dollars (\$1,000), imprisonment not to exceed one (1) year, or both.

(Ord. No. 2011-011, §1(Exh. 1), 5-17-11, 6-15-21)

NOTES

Item #13.

TOP 10 ETHICS RULES for Public Officials and Employees

1. ALWAYS...ASK FIRST, ACT LATER

GIFTS

2. You may not accept more than \$100 per year in gifts from a lobbyist, principal or employer of a lobbyist or person or entity that does business with your employer.
3. Gifts from persons or entities which total more than \$100 per year, other than those prohibited above, must be reported on a form. There are 11 gift exceptions. Immediately refuse or return gifts which are prohibited.

USE OF OFFICIAL POSITION

4. You may not use your official position to give a special financial benefit to yourself, broadly defined family members, an outside employer or business and other defined entities, or "corruptly" use your authority for any person's benefit.
5. You may not contract with, or do business with, your employer. There are 5 exceptions.
6. Travel expenses, given by persons or entities who are vendors or bidding to be vendors of your governmental employer are prohibited unless waived by your governing body, or unless they are from another governmental entity.

OUTSIDE EMPLOYMENT

7. Generally, subject to your employer's rules, you may work for an outside employer that does not do business with your county or municipal employer. It may even be permissible to work part-time for an outside employer that does do business with your employer, if certain conditions are met.

VOTING CONFLICTS

8. Officials and advisory board members may not participate in and vote on matters which give a special financial to themselves, or those within in a chain of relationship(s).

MISCELLANEOUS

9. You may not use "inside information" to benefit yourself or others. You must be honest in statements made on your employment application. If you have hiring authority, or the ability to advocate to one who does, you may not hire, or promote the hiring of, a broadly defined family member.
10. The Code of Ethics imposes other restrictions on lobbyists, advisory board members and the activities of certain employees after they leave employment.

Roberts Rules of Order – Simplified

Guiding Principles:

- Everyone has the right to participate in discussion if they wish, before anyone may speak a second time.
- Everyone has the right to know what is going on at all times. Only urgent matters may interrupt a speaker.
- Only one thing (motion) can be discussed at a time.

A **motion** is the topic under discussion (e.g., “I move that we add a coffee break to this meeting”). After being recognized by the president of the board, any member can introduce a motion when no other motion is on the table. A motion requires a second to be considered. If there is no second, the matter is not considered. Each motion must be disposed of (passed, defeated, tabled, referred to committee, or postponed indefinitely).

How to do things:

You want to bring up a new idea before the group.

After recognition by the president of the board, present your motion. A second is required for the motion to go to the floor for discussion, or consideration.

You want to change some of the wording in a motion under discussion.

After recognition by the president of the board, move to amend by

- adding words,
- striking words or
- striking and inserting words.

You like the idea of a motion being discussed, but you need to reword it beyond simple word changes.

Move to substitute your motion for the original motion. If it is seconded, discussion will continue on both motions and eventually the body will vote on which motion they prefer.

You want more study and/or investigation given to the idea being discussed.

Move to refer to a committee. Try to be specific as to the charge to the committee.

You want more time personally to study the proposal being discussed.

Move to postpone to a definite time or date.

You are tired of the current discussion.

Move to limit debate to a set period of time or to a set number of speakers. Requires a 2/3rds vote.

You have heard enough discussion.

Move to close the debate. Also referred to as calling the question. This cuts off discussion and brings the assembly to a vote on the pending question only. Requires a 2/3rds vote.

You want to postpone a motion until some later time.

Move to table the motion. The motion may be taken from the table after 1 item of business has been conducted. If the motion is not taken from the table by the end of the next meeting, it is dead. To kill a motion at the time it is tabled requires a 2/3rds vote. A majority is required to table a motion without killing it.

You believe the discussion has drifted away from the agenda and want to bring it back.
 “Call for orders of the day.”

You want to take a short break.
 Move to recess for a set period of time.

You want to end the meeting.
 Move to adjourn.

You are unsure the president of the board announced the results of a vote correctly.
 Without being recognized, call for a “division of the house.” A roll call vote will then be taken.

You are confused about a procedure being used and want clarification.
 Without recognition, call for "Point of Information" or "Point of Parliamentary Inquiry." The president of the board will ask you to state your question and will attempt to clarify the situation.

You have changed your mind about something that was voted on earlier in the meeting for which you were on the winning side.
 Move to reconsider. If the majority agrees, the motion comes back on the floor as though the vote had not occurred.

You want to change an action voted on at an earlier meeting.
 Move to rescind. If previous written notice is given, a simple majority is required. If no notice is given, a 2/3^{rds} vote is required.

Unanimous Consent:

If a matter is considered relatively minor or opposition is not expected, a call for unanimous consent may be requested. If the request is made by others, the president of the board will repeat the request and then pause for objections. If none are heard, the motion passes.

- **You may INTERRUPT a speaker for these reasons only:**
 - to get information about business –point of information to get information about rules– parliamentary inquiry
 - if you can't hear, safety reasons, comfort, etc. –question of privilege
 - if you see a breach of the rules –point of order
 - if you disagree with the president of the board’s ruling –appeal
 - if you disagree with a call for Unanimous Consent –object

INTRODUCTION

Sections 163.3161-163.3215, Florida Statutes (i.e. Community Planning Act) establish basic requirements for the format and content of the Juno Beach Comprehensive Development Plan.

Chapter 163.3164(10), Florida Statutes, defines “Comprehensive Plan” as a “Plan that meets the requirements of Sections 163.3177 and 163.3178”. Section 163.3177 lists the elements of the Comprehensive Plan; studies and surveys, and requires:

1. Written and graphic material necessary to support the principles, guidelines and standards for the orderly and balanced future economic, social physical, environmental and fiscal development of the area;
2. Elements of the Comprehensive Plan must be consistent with each other and the Plan shall be economically feasible;
3. A CAPITAL IMPROVEMENTS element, to be reviewed on an annual basis, designed to consider the need for and the location of public facilities to encourage the efficient use of such facilities;
4. Coordination of the Comprehensive Plan with: (1) those of adjacent municipalities; (2) the County; (3) The Region (Treasure Coast Regional Planning Council); and (4) the State Comprehensive Plan;
5. Policy recommendations for the implementation of the Comprehensive Plan; and
6. The following elements: FUTURE LAND USE; TRAFFIC CIRCULATION; INFRASTRUCTURE; CONSERVATION; COASTAL MANAGEMENT; RECREATION AND OPEN SPACE; HOUSING; INTERGOVERNMENTAL COORDINATION; CAPITAL IMPROVEMENTS; and PROPERTY RIGHTS.

In addition, it is required that local Comprehensive Plans be compatible with and further the Treasure Coast Regional Planning Council Regional Policy Plan and the Florida Comprehensive Plan.

Further, the following two (2) provisions of Chapter 163, Florida Statutes are emphasized by the State:

1. Local governments are charged with setting levels of service for public facilities in their Comprehensive Plans in accordance with which development must occur and permits will be issued; and
2. Public facilities and services needed to support development shall be available concurrent with the impacts of such development.

Format Requirements

The Comprehensive Development Plan shall consist of those items listed below. All other documentation may be considered as support documents. Support documents need not be adopted unless the local government desires to include all or part thereof within the Comprehensive Development Plan. All background data, studies, surveys, analyses and inventory maps adopted as part of the Comprehensive Development Plan shall be available for public inspection, while the Comprehensive Development Plan is being considered for adoption and while it is in effect. Unless local government desires to include more, the Comprehensive Development Plan shall consist of:

1. Goals, Objectives and Policies;
2. Requirements for capital improvements implementation;
3. Procedures for monitoring and evaluation of the local plan;
4. Required maps showing future conditions; and
5. A copy of the local Comprehensive Development Plan adoption ordinance at such time as the Plan is adopted.

The Comprehensive Development Plan format shall include:

1. A table of contents;
2. Numbered pages;
3. Element headings;
4. Section headings within elements;
5. A list of included tables, maps, and figures;
6. Titles and sources for all included tables, maps and figures;
7. A preparation date; and
8. The name of the preparer.

All Maps included in the Comprehensive Development Plan shall include major natural and manmade geographic features, city, county, and state lines, when applicable; and shall contain a legend indicating a north arrow, scale, and date.

Data and Analysis Requirements

All Goals, Objectives, Policies, standards, findings and conclusions within the Comprehensive Development Plan and its support documents shall be based upon relevant and appropriate data and analysis. Support data or summaries thereof shall not be subject to the compliance review process. All tables, charges, graphs, maps, figures and data sources, and their limitations shall be clearly described where such data occur in the above documents.

Local governments are encouraged to utilize any original data necessary to update or refine the Comprehensive Development Plan data base, so long as methodologies are professionally accepted.

Data are to be taken from professionally accepted existing sources, such as the United States Census, State Data Center, State university System of Florida, regional planning councils, water management districts, or existing technical studies or surveys are deemed necessary by a local government, appropriate methodologies shall be clearly described or referenced and shall meet professionally accepted standards for such methodologies.

The Comprehensive Development Plan shall be based upon resident and seasonal population estimates and projections. Resident and seasonal population estimates and projections shall be either those provided by the University of Florida, Bureau of Economic and Business Research, those provided by the Executive Office of the Governor, or shall be generated by the local government.

All data and analysis requirements are contained in the SUPPORT DOCUMENTATION for the Comprehensive Development Plan document.

Level of Service Standard Requirements

Level of service standards shall be established for ensuring that adequate facility capacity will be provided for future development and for purposes of issuing development orders of development permits, pursuant to Section 163.3202(2)(g), Florida Statutes. Each local government shall establish a Level of Service standard for each public facility located within the boundary for which such local government has authority to issue development orders of development permits.

Internal Consistency Requirements

The required elements shall be consistent with each other. All elements of a particular Comprehensive Development Plan shall follow the same general format. Where data are relevant to several elements, the same data shall be used, including population estimates and projections.

Each map depicting future conditions must reflect Goals, Objectives, and Policies within all elements and each such map must be contained within the Comprehensive Development Plan.

Plan Implementation Requirements

Recognizing that the intent of the Legislature is that local government Comprehensive Plans are to be implemented, pursuant to Subsection 163.3161(5), and Sections 163.3194, and 163.3201, Florida Statutes, the sections of the Comprehensive Development Plan containing Goals, Objectives, and Policies shall describe how the local government's programs, activities, and land development regulations will be initiated, modified or continued to implement the Comprehensive Development Plan in a consistent manner.

Monitoring and Evaluation Requirements

For the purpose of monitoring, evaluating, and appraising the implementation of the Comprehensive Development Plan, the Comprehensive Development Plan shall contain a section

identifying seven (7) year monitoring, updating, and evaluation procedures to be followed in the preparation of the required seven (7) year Evaluation and Appraisal Report. That section shall address:

1. Citizen participation in the process;
2. Updating appropriate baseline data and measurable objectives to be accomplished in the first five (5) year period of the Plan, and for the long-term period;
3. Accomplishments in the first, five (5) year period, describing the degree to which the Goals, Objectives, and Policies have been successfully reached;
4. Obstacles or problems which resulted in underachievement of Goals, Objectives, or Policies;
5. New or modified Goals, Objectives, or Policies needed to correct discovered problems; and
6. A means of ensuring continuous monitoring and evaluation of the Plan during the ensuing five (5) year period.

Procedural Requirements

The Comprehensive Development Plan, Plan elements, and Plan amendments shall be considered, adopted and amended, pursuant to the procedural requirements of Sections 163.3161 - .3215, Florida Statutes, including but not limited to the following;

1. The Comprehensive Development Plan for the Town shall be prepared and submitted within the same timeframes as the counties in which the municipalities are located and all Plans shall be prepared and submitted in accordance with the schedule adopted by the Department of Community Affairs, pursuant to section 163.3167, Florida Statutes;
2. The Comprehensive Development Plan or element shall be prepared in accordance with Section 163.3174 and Subsection 163.3167(3), Florida Statutes, relating to Local Planning Agencies (LPA). Proposed plans, elements portions thereof, and amendments shall be considered at a public hearing with due public notice by the LPA prior to making its recommendation to the governing body, pursuant to Section 163.3174, Florida Statutes;
3. The Comprehensive Development Plan, element of amendment shall be considered and adopted in accordance with the procedures relating to public participation adopted by the governing body and the LPA, pursuant to Section 163.3181, Florida Statutes. The local government shall submit with its initial transmittal, pursuant to Subsection 163.3167(3), Florida Statutes, and subsequent transmittals, pursuant to Section 163.3191, Florida Statutes, a copy of the procedures for public participation that have been adopted by the LPA and the governing body;
4. The Comprehensive Development Plan and any Comprehensive Development Plan amendments shall be transmitted after formal action by the governing body in

- accordance with the provisions of Section 163.3184, Florida Statutes, and the procedural rule adopted by the Department of Economic Opportunity;
5. The Comprehensive Development Plan shall not be amended more than two (2) times during any calendar year except in the case of amendments directly related to a Development of Regional Impact (DRI), pursuant to Sections 380.05, 380.061, and 163.3187(1)(c), Florida Statutes, or in the case of any emergency, pursuant to Section 163.3187(1)(a), Florida Statutes. The Comprehensive Development Plan, elements and amendments shall be adopted by ordinance and only after the public hearings required by Section 163.3184(15)(b), Florida Statutes, have been conducted, after the notices required by Section 163.3184(15)(b) and (c), Florida Statutes. Upon adoption, the local government shall transmit to the Department of Economic Opportunity a copy of the ordinance and the required notices; and
 6. The Comprehensive Development Plan shall be evaluated and updated as required by Section 163.3191, Florida Statutes. As a copy of the adopted report required by Section 163.3191, Florida Statutes, shall be transmitted to the Department at the time of the governing body's transmittal of related amendments, pursuant to Section 163.3191(4), Florida Statutes.

COMPREHENSIVE DEVELOPMENT PLAN

There are various aspects of growth and development addressed in this Comprehensive Development Plan. Some elements of the Plan are directly related to physical development, while others are socio-economic or management oriented. It is imperative that the user understand this distinction because each type of proposal is considered within the context of comprehensive planning.

Goals, Objectives, and Policies

This Comprehensive Development Plan documents the proposed direction of growth and development in the Town of Juno Beach. The elements set out goals, objectives and policies. These are defined as follows:

A **goal** is a generalized statement that describes an end state of ideal condition which the Town strives to attain. Florida Statute 163.3164, specifically describes a “goal” as, “The long-term end toward which programs or activities are ultimately directed.”

An **objective** is viewed as a more specific statement which contributes to the accomplishment of a goal and serves as a basis for scheduled action and formulation of plan recommendations. Florida Statute 163.3164, specifically describes an “objective” as “A specific, measurable, intermediate end that is achievable and marks progress toward a goal.”

A **policy** applies to a specific objective and provides direction for implementing the goals and objectives of each individual element. Florida Statute 163.3164, specifically describes a “policy” as “The way in which programs and activities are conducted to achieve an identified goal”.

The initial step in developing a Comprehensive Development Plan for Juno Beach involves formulating desirable overall goals and establishing objectives and policies which support and move toward the accomplishment of these goals. To effectively accomplish this requires input from the citizenry, interested persons and the designated local planning agency. The agreed upon goals, objectives and policies are provided herein. These established guidelines will carry through in the development of the Plan and also will be utilized in making future decisions in the development of the Town.

Planning Timeframes

It is the intent of this Comprehensive Development Plan to develop Goals which are obtainable, Objectives which are measurable and Policies that provide the Town with a general direction to follow in order to meet its Goals and Objectives. It is further the intent of this Plan to establish planning timeframes to measure the effectiveness of the Objectives and Policies as adopted. For purposes of this Comprehensive Development Plan, it is presumed that the achievement of Objectives and Policies will occur within the five (5) year planning period, unless otherwise specifically stated or identified in the Plan; or if the Objective or Policy specifically pertains to

the update, revision to, or preparation of new development regulations to implement the Town of Juno Beach Comprehensive Development Plan. Where revisions, updates or preparation of development regulations are required, they will be accomplished within one (1) year from the submittal date of the Comprehensive Development Plan, pursuant to Chapter 163.3202, Florida Statutes (FS), or as State requirements may change from time to time.

FUTURE LAND USE PLAN

It is the purpose of the Future Land Use Plan to identify future land use classifications and to graphically portray these on a Future Land Use Map (FLUM; See Figure 1). The land use patterns reflect those being proposed by the Future Land Use Goals, Objectives and Policies and other elements of this Comprehensive Development Plan.

As established in the Existing Land Use element of the *Support Documentation* for the Comprehensive Development Plan, a significant portion of Juno Beach is presently developed (98.89% of the Residential and Transient/Residential FLU classification is developed, 91.61% of the Commercial FLU classification is developed). In-fill development, redevelopment and a few larger (3 – 5 acre) properties comprise a majority of the Town’s potential future development. Relative to the size of the Town, the largest land development opportunities exist within redevelopment of pre-existing, old and outdated improvements.

Future Land Use Classifications

For purposes of the Comprehensive Development Plan, the following land use classifications, which are applicable to Juno Beach, are used to describe future land uses in the Town.

- Low Density Residential: Residential Development limited to a density not to exceed 5.0 residential dwelling units/gross acre.
- Medium Density Residential: Residential development limited to a density not to exceed 10.0 residential dwelling units/gross acre.
- Moderate Density Residential: Residential development limited to a density not to exceed 15.0 residential dwelling units/gross acre.
- High Density Residential: Residential development limited to a density not to exceed 22.0 residential dwelling units/gross acre.
- Transient/Residential: Land areas and activities related to residential uses of a moderate density, or areas utilized specifically for resort hotel purposes.
- Commercial: Land uses and activities within land areas that are predominantly related to and used for the sale, rental, and distribution of products; and the

provision or performance of business, personal and professional services.

Public Buildings and Grounds:

Lands and structures that are owned, leased, or operated by a government entity, such as police stations, fire stations, utility buildings and facilities, and government administration buildings.

Other Public Facilities:

Land uses and activities within land areas concerned with other public or private facilities and institutions such as churches, clubs, fraternal organizations, or other similar uses.

Recreation and Open Space:

Land uses and activities within areas where recreation occurs and lands are either developed or vacant and concerned with active or passive recreational use. These uses may also be suitable for conservation uses.

Conservation:

Land uses and activities within land areas with high ecological value, and where native habitat restoration and preservation, passive recreation, environmental education, environmental research are the primary uses.

Water Bodies:

Any natural or artificial water body, watercourse, or wetland into which waters flow either naturally or from human-made conveyance for the purpose of storing water.

Transportation:

Land areas used for streets and roads, either private or public rights-of-way for such purposes.

FUTURE LAND USE

A Town characterized by a community spirit that: recognizes its historical development patterns and styles, and maintains its established neighborhoods in a safe, secure, beautified and efficient manner.

GOAL: Promote future growth by supporting development and redevelopment that is sustainable, and enhances historical values and architectural styles that will preserve, enhance, and promote the established character of the Town, encourage sustainability and protect natural environmental ecosystem.

Objective 1: To manage growth within planning horizons. The Town shall establish a 5 year **(2025)** and 10 year **(2030)** planning horizon with projected population to provide data for the evaluation and analysis of this Comprehensive Plan and its elements.

Policy 1.1: The following table establishes population projections through the 10 year planning horizon for use in Data, Inventory and Analysis sections of all Elements of this Comprehensive Plan:

Table 3.1

Future Population Estimate

Year	2010	2019	2030
Total Permanent Population	3,176	3,442	3,767

Source: Florida Estimates of Population 2019, Bureau of Economic and Business Research (BEBR), College of Liberal Arts and Sciences, University of Florida.

Objective 2: To manage growth, development and redevelopment through the preparation, adoption, implementation, and enforcement of land development regulations which: coordinate future land uses with the appropriate topography, soil conditions, ecosystem sensitivity, and the availability of facilities and services. Prevent, eliminate, or reduce uses inconsistent with the Land Use Goal, Future Plan, and Future Land Use Map; and which require redevelopment, renewal, or renovation, where and when necessary through the establishment of standards for density and intensity of land development.

Policy 2.1: The Town shall update, maintain, and enforce its subdivision regulations consistent with local needs and State platting requirements.

Policy 2.2: Regulate the use, density, and intensity of land development that is consistent with this FUTURE LAND USE element and which will support the land uses

and population.

- Policy 2.3: Implementing ordinances, regulations and requirements regarding the development of land shall consider adjacent land uses and promote compatibility with those uses.
- Policy 2.4: Regulate areas subject to seasonal and periodic flooding by requiring adequate drainage and stormwater management by enforcing a floodplain protection ordinance and drainage facilities regulations.
- Policy 2.5: Maintain sign regulations in the Town of Juno Beach Comprehensive Zoning Ordinance that are consistent with the community spirit established in the FUTURE LAND USE GOAL.
- Policy 2.6: Ensure safe, efficient, and convenient traffic flow (both vehicular and pedestrian) and vehicle parking needs.
- Policy 2.7: As part of the site plan review and land development process, ensure that public facility, utility and service authorizations, as applicable, have been procured from the appropriate regulatory and permitting agencies prior to issuing any development order or permit.
- Policy 2.8: Development orders and permits shall not be issued that would result in a reduction of the level of services, for the affected any public facilities, below the level of service standards adopted in this Comprehensive Development Plan.
- Policy 2.9: Maintenance of existing housing, buildings and property shall be ensured by adopting the most current housing, building and other construction codes.
- Policy 2.10: Land development regulations adopted to implement this Comprehensive Development Plan shall be based on and be consistent with the following standards for residential land use densities as indicated below:
- a. Low density residential - not to exceed 5.0 residential units per gross acre.
 - b. Medium density residential - not to exceed 10.0 residential units per gross acre.
 - c. Moderate density residential - not to exceed 15.0 residential units per gross acre.
 - d. High density residential - not to exceed 22.0 residential units per gross acre.
- Policy 2.11: Land development regulations shall contain Planned Unit Development provisions which allow design flexibility within a project under unified control as a means of preserving natural resources, environmentally sensitive and open space areas, and which allow for mixed land use alternatives and opportunities.

- Policy 2.12: Residential subdivisions or development areas shall be designed to include an efficient system of internal circulation of both vehicular and non-vehicular traffic, including the provision of collector streets to feed vehicular traffic to arterial roads and highways, as well as provision of pedestrian and bicycle paths, if deemed appropriate.
- Policy 2.13: Land development regulations adopted to implement this Comprehensive Development Plan shall be based on and be consistent with the following standards for commercial land use intensities as indicated below:
- a. Location shall be in accordance with the Future Land Use Map. Commercial uses shall not be permitted within areas designated for residential development on the Future Land Use Map, unless as part of an approved residential PUD.
 - b. The Building Site Area Requirements, as established in the CG - Commercial General, CO - Commercial Office and MC – Medical Commercial zoning districts, shall provide the basis for intensity of use and be the development criteria standards for general commercial, commercial office and medical commercial development, respectively, in Juno Beach.
- Policy 2.14: Periodically review, enhance and enforce land development regulations that identify use, location and building site area standards that are in harmony with the Future Land Use Map. Such uses include Public Buildings and Grounds, Other Public Facilities, Recreation/Open Space and Beaches and Shores.
- Policy 2.15: Land development regulations shall contain performance standards for:
- a. Buffering landscape and open space requirements
 - b. Parking and loading
 - c. Special Exception Uses
 - d. Planned Unit Developments (PUDs)
 - e. Site Plan Review
 - f. Special Supplementary Regulations
 - g. Conservation and preservation of natural environmental and physical features
 - h. Urban Design Standards for Public Use Areas
 - i. Architectural theming and incentives.
- Policy 2.16: New development areas shall be permitted only when central water and wastewater systems are available or will be provided concurrent with the impacts of development.
- Objective 3: To protect the natural, environmental and historic resources and the character

of Juno Beach, as prescribed in the FUTURE LAND USE GOAL, when undertaking development or redevelopment activities in Town.

- Policy 3.1: The developer/owner of any site shall be responsible for the on-site management of stormwater runoff in a manner so that post-development runoff rates, volumes and pollutant loads do not exceed those prescribed by the South Florida Water Management District.
- Policy 3.2: The Town land development regulations shall address and limit activities which have the potential to contaminate land and water resources. Specifically, industrial land uses shall not be permitted.
- Policy 3.3: The Town shall encourage protection of potable water wellfields by regulatory authorities having land use jurisdiction in aquifer recharge areas serving the Seacoast Utilities Authority and Town of Jupiter Water Utilities systems by continued enforcement of the Palm Beach County Wellfield Protection Ordinance.
- Policy 3.4: Species of plants and animals listed in the CONSERVATION support documentation as endangered or threatened shall be protected from land clearing activities in with the environmental and habitat standards established in other elements of this Plan.
- Policy 3.5: At the time of each required Comprehensive Development Plan update, the Town shall consider the need to identify, designate and protect historically significant properties.
- Policy 3.6: The Town shall develop standards and criteria that promotes the preservation through redevelopment of certain areas in Juno Beach that have historical significance, or which are of special preservation interest.
- Policy 3.7: Saturn Lane, Zephyr Way, Beachbound subdivision, and other areas worthy of historical value to the Town of Juno Beach, and worthy of preservation or redevelopment, shall not be developed at higher than medium density residential or a density already established for its area.
- Policy 3.8: The Town shall maintain environmentally sensitive land regulations within the Town's Zoning Code of Ordinances.
- Objective 4: To issue development orders and permits for future development and redevelopment activities only if public facilities and services necessary to meet level of service standards are available concurrent with impacts of the development.
- Policy 4.1: The development of residential and non-residential land shall be timed and staged in conjunction with provision of supporting community facilities, such

as streets, utilities, and police and fire protection services.

- Policy 4.2: Public facilities and utilities shall be located to: (1) maximize service efficiency; (2) minimize public costs; and (3) minimize impacts upon the natural environment.
- Policy 4.3: Remaining properties not utilizing central water and wastewater systems shall be governed by the provisions of Chapter 381, Florida Statutes, Chapter 64E-6,, Florida Administrative Code, and Palm Beach County Environmental Control Rules 1 and 2, which regulate the use and installation of individual water and sewage disposal systems.
- Objective 5: To coordinate with appropriate governments and agencies to minimize and mitigate potential mutual adverse impacts of future development and redevelopment activities.
- Policy 5.1: Requests for development orders, permits or project proposals shall be coordinated, as applicable, with adjacent municipalities, Palm Beach County Planning Agency, Palm Beach County, Treasure Coast Regional Planning Council, Special Districts, South Florida Water Management District, and other State and Federal regulatory and permitting agencies.
- Policy 5.2: The Town shall coordinate with the Town of Jupiter Utilities Water Department or Seacoast Utility Authority, as applicable, to review all future proposed land use change applications to ensure the availability of adequate water supplies.
- Policy 5.3: The Town shall include the Town of Jupiter Water Utilities Department or Seacoast Utility Authority, as applicable, in the site plan review and land development process of all proposed development subject to these processes to ensure that water supplies are available to service that development.
- Objective 6: To promote a cohesive and unified development approach to future development of the remaining vacant, undeveloped areas in the Town, as well as, to future development of potential annexation areas which are currently vacant and available for development.
- Policy 6.1: Where adjacent properties are presently vacant, available for future development, and which are proposed for similar development according to the FUTURE LAND USE MAP, the Town shall work closely with development interests to encourage cohesive and uniform development of those areas. The Town shall develop specific land development incentives to encourage such development.
- Policy 6.2: The Town shall continue coordinating with Palm Beach County in the review of "Site-Specific Proposals" located within the unincorporated areas of Palm

Beach County, and that lie within the adopted Annexation Area of Juno Beach, to protect the Town's future interests and strive toward development patterns and styles similar to those adopted by Juno Beach in this Comprehensive Development Plan.

- Policy 6.3: To encourage voluntary annexation(s) of areas located within the Juno Beach adopted Annexation Area, the Town shall coordinate proposed land uses with development interests to ensure development of areas that will be compatible with Juno Beach in the future, while providing appropriate incentives to encourage annexations that promote cohesive and uniform development.
- Policy 6.4: In the event of future annexations that have sufficient size to site schools or collocate schools with public facilities such as: parks, libraries, and community centers prior to the amendment to incorporate the area into the Town Comprehensive Plan, the Town shall coordinate with Palm Beach County School Board to determine the need to site a school in the annexed area. The Plan amendment will allow for a public school if there is a need.
- Objective 7: To supply Palm Beach County, Department of Public Safety, Division of Emergency Management with population estimates and densities for Juno Beach upon request by the County.
- Policy 7.1: The Town Manager shall provide up-to-date population estimates and densities of the population in Juno Beach upon request, to Palm Beach County for consideration and inclusion in its Comprehensive Emergency Management Plan (CEMP).
- Objective 8: To discourage urban sprawl in future development by maintaining an Annexation Area that is logical and practical regarding future extension and provision of urban services.
- Policy 8.1: The Annexation Area map that has been coordinated and mutually agreed upon by the Town, Palm Beach County and neighboring municipalities, and that meets the intent of the Objective, shall be revised and updated as necessary.
- Objective 9: Maintain land development regulations for planned unit development, mixed-use development, and other development concepts.
- Policy 9.1: The Town shall maintain in its zoning regulations, and other applicable land development regulations, the use and implementation of these innovative development concepts.
- Objective 10: The Town shall encourage sustainable design by supporting green initiatives for new developments and redevelopments.
- Policy 10.1: The Town shall encourage green policies and actions that support sustainability, in

addition to reducing greenhouse gas emissions, fertilizer and pesticides.

- Policy 10.2: The Town will continue to support walkways, bike lanes, pedestrian interconnectivity and other design elements that encourage walkable communities and transit readiness.
- Policy 10.3: The Town shall support green building construction that promotes certification by Leadership in Energy and Environmental Design (LEED), US Green Building Council (USGBC), Florida Green Building Coalition (FGBC) or any comparable certification organizations.
- Objective 11: Encourage redevelopment while promoting strong sense of community, and consistent quality of design that protects neighborhood integrity and historic and environmental resources.
- Policy 11.1: The Town shall encourage infill and redevelopment of existing properties with consideration of the following:
1. Address the impact of redevelopment activities on natural and historic resources.
 2. Provide for visual continuity of the community through the application of sound principles of architectural design and landscaping.
 3. Be consistent with the character of the neighborhood.

TRAFFIC CIRCULATION

- GOAL:** A safe, sufficient and integrated traffic circulation system within Juno Beach that provides for controlled movement of vehicular and non-vehicular traffic in and through the community.
- Objective 1:** To provide an efficient interrelationship between the traffic circulation system and various land use activities.
- Policy 1.1:** Street location and design in developing areas should be carefully analyzed to ensure they accommodate demand of the area and do not create adverse impacts on existing streets and traffic flows.
- Policy 1.2:** Review and update, where necessary, the off-street parking and loading requirements that presently exist in the Town of Juno Beach Comprehensive Zoning Ordinance.
- Policy 1.3:** Study, review and identify appropriate circumstances for limited on-street parking, and develop criteria, standards and regulations for such use.
- Policy 1.4:** Scrutinize ingress/egress, the placement of median cuts, and other traffic control features generated by land use activities in regard to overall traffic flow and movement between vehicular and non-vehicular, motorized and non-motorized traffic.
- Policy 1.5:** The Town shall review the traffic circulation plans of Palm Beach County and neighboring municipalities, as they become available, for compatibility with this TRAFFIC CIRCULATION element.
- Policy 1.6:** The Town shall require traffic impact studies for all future commercial development, major residential developments and mixed-use developments.
- Policy 1.7:** To satisfy the majority of traffic circulation demand created by growth and development consistent with the time frames and priorities established in the five (5) year and ten (10) year planning periods.
- Policy 1.8:** The Town shall continue to use the County's Traffic Performance Standard Ordinance to ensure that adequate roadway capacities will be available when necessitated by development.
- Policy 1.9:** The Town shall continue to require and encourage a system of bicycle paths and pedestrian walkways that link residential areas to commercial and other high use areas.
- Objective 2:** To establish traffic circulation that is safe and offers controlled movement of vehicular and non-vehicular, motorized and non-motorized traffic.

- Policy 2.1: The Town shall review all proposed development for its accommodation of bicycle and pedestrian traffic needs.
- Policy 2.2: Maintain adequate street signs, lights, and markings to ensure traffic control and safety in Juno Beach.
- Policy 2.3: Ensure that the town review any future roadway improvement to State Road A-1-A (pursuant to Division 8 - Coastal Construction, Article IV – Supplemental Regulations, Chapter 34, Code of Ordinances of the Town of Juno Beach), with regard to environmental considerations and protection of the dune system.
- Policy 2.4: Properties along State Road A-1-A from Loggerhead Park to the northern Town limits shall not be allowed a motorized vehicular driveway connection onto State Road A-1-A. However, this shall not prohibit an access used for emergency purposes only.
- Policy 2.5: The Town shall maintain and enforce strict requirements within its development codes that regulate proper sight distances at connection and access points of driveways and roads to roadways to eliminate visual barriers that hinder safe and controlled circulation of traffic.
- Policy 2.6: The Police Department shall publish annual accident frequency reports for collector and arterial roads in Juno Beach.
- Policy 2.7: For general transportation planning purposes, the Town shall support and maintain a Level of Service C Standard and D at peak hour for collector and arterial roads serving Juno Beach.
- Policy 2.8: Work cooperatively with surrounding jurisdictions to provide a compatible traffic control system within the Town and surrounding areas to the extent practical and feasible.
- Policy 2.9: Neptune Road shall remain a cul-de-sac, in an effort to limit through traffic, control vehicular movement, and to maintain the character of the street.
- Objective 3: To identify right-of-way needs and laneage requirements for roads and streets within the Town of Juno Beach and protect those rights-of-way from building encroachment through the site plan review and land development processes.
- Policy 3.1: Examine existing street rights-of-way to determine whether they are adequate to meet future projected demands or whether condemnation of rights-of-way, special setbacks or purchase of additional rights-of-way will be necessary to meet Town demands.
- Policy 3.2: The Town shall prepare and adopt an Official Traffic Circulation Map that identifies functional roadway classifications and laneage requirements based

upon the TRAFFIC CIRCULATION element and the FUTURE LAND USE element of this Comprehensive Development Plan.

- Policy 3.3: The Town shall provide for parking tracts and alternative street designs in its development regulations to allow for maximum flexibility in providing traffic circulation when site limitations prevent acquiring normal required rights-of-way.
- Objective 4: To ensure adequate traffic circulation and access to existing and new developments as part of the land development review process.
- Policy 4.1: The Town shall strictly enforce subdivision regulations during the plan review and implementation processes at the time of site plan review and prior to the issuance of permits.
- Objective 5: To develop a beautification and improvement program for the areas used by the general public (e.g., roads, sidewalks, bicycle paths, pedestrian walkways, parks and open space areas) to accommodate vehicular and non-vehicular traffic.
- Policy 5.1: Effectively integrate a system of bicycle paths, pedestrian walkways and the street system serving Juno Beach.
- Policy 5.2: Enhance the Town's existing bicycle path system and seek additional pathways for bicycling in Juno Beach. On collector and arterial roads, where deemed appropriate, bike lanes should be provided.
- Policy 5.3: Utilize, where possible, existing road rights-of-way that either have limited use or are not currently developed for combined use of pedestrian walkways and streets.
- Policy 5.4: Require all future developments to provide sidewalks consistent with Town standards and criteria.
- Policy 5.5: The Town shall use and update standards and criteria for beautification of its streets and roadways, bicycle paths and pedestrian walkways.
- Policy 5.6: The Town shall work actively toward creating bicycle and pedestrian links between its existing municipal area and its proposed annexation area.
- Policy 5.7: The Town shall work cooperatively with the private development community in developing beautification and community improvement standards and criteria in an effort to develop a closer and well-coordinated public/private partnership in future beautification and enhancement of Juno Beach.
- Policy 5.8: The Town shall pursue Florida Department of Transportation funds to beautify U.S. Highway 1 as part of the State U.S. Highway 1 corridor beautification program.

- Objective 6: To maintain the current high level of roadway maintenance.
- Policy 6.1: The Town shall plan maintenance and repair efforts of local streets well in advance of wear and deterioration.
- Policy 6.2: The Town will provide for maintenance and repair funding in the annual budgeting process.
- Policy 6.3: The Town shall encourage the County and State to maintain and repair roads under their jurisdiction such as Ellison Wilson Road, Donald Ross Road, US Highway 1, and Ocean Drive, well in advance of wear and deterioration.
- Objective 7: To scrutinize local public expenditures when developing and maintaining the Town traffic circulation network.
- Policy 7.1: The Town shall keep abreast of current programs of the other levels of government that offer possible alternative sources of funding to improve, expand or maintain Juno Beach's transportation system.
- Policy 7.2: The Town shall coordinate traffic improvements with the Florida Department of Transportation 5-year Transportation Plan, The Treasure Coast Regional Planning Council Regional Policy Plan, and Palm Beach County Traffic plans as part of the site plan review and land development processes.
- Objective 8: To maintain a transportation system that provides for alternative modes of travel.
- Policy 8.1: Support the Palm Beach County Metropolitan Planning Organization in providing alternative means (bus routes) of transportation to Town residents to and from Juno Beach.
- Policy 8.2: The Town supports the concept for the development of a regional public transportation system.
- Objective 9: To involve the Town in multi-jurisdictional traffic circulation and transportation planning activities by coordinating with the Palm Beach County Metropolitan Planning Organization, Florida Department of Transportation, the Treasure Coast Regional Planning Council and any other affected transportation planning authority.
- Policy 9.1: Actively monitor the Palm Beach County Metropolitan Planning Organization's Transportation Planning Agency (TPA) activities to ensure Town input regarding decisions affecting area wide transportation planning issues and other organizations with similar functions.
- Policy 9.2: Comprehensive traffic circulation planning will be coordinated with the future land uses shown on the Future Land Use Map of this plan, the Florida Department of Transportation 5-year Transportation Plan, The Treasure Coast

Regional Planning Council Regional Policy Plan, the Palm Beach County Metropolitan Planning Organization plans and plans, of neighboring jurisdictions.

Policy 9.3: The Town shall review future updates of the Florida Department of Transportation 5-year Transportation Plan and the Treasure Coast Regional Planning Council Regional Policy Plan, and coordinate with Palm Beach County Metropolitan Planning Organization in order to update or modify this element, if necessary, and to further a comprehensive transportation planning process.

HOUSING

- GOAL:** A residential environment that: provides safe, sanitary and otherwise adequate housing and living conditions to its residents and supports county-wide affordable housing policies; embraces creative and innovative architecture and reflects styles characteristic of Juno Beach and South Florida history.
- Objective 1:** To maintain a high quality housing inventory in Juno Beach and to ensure that new construction is of the same high quality.
- Policy 1.1:** Maintain and update land development regulations, as necessary, to ensure that the quality of residential neighborhoods is maintained.
- Objective 2:** To promote residential design of all types that complements and is in concert with efficient provision of community facilities.
- Policy 2.1:** Phase residential development with the availability of urban facilities and services (e.g., utilities, transportation, etc.) in an effort to minimize untimely and undue burden upon the Town's tax base.
- Policy 2.2:** Provide for a broad range of housing types and styles which encourage clustered developments and which maintain the Planned Unit Development concept for major residential development areas and develop other innovative residential development concepts, as necessary, that embrace a strong community identification, which is consistent with the FUTURE LAND USE and HOUSING GOALS of this Plan, and which provides for efficient urban services.
- Objective 3:** To eliminate substandard housing conditions in Town and to ensure that there is no future substandard housing in Juno Beach.
- Policy 3.1:** The Town's designee shall enforce housing/building code regulations and requirements, as established through administrative procedures.
- Policy 3.2:** Continue with strict enforcement of the State of Florida Building Code and updated additions as they apply, to ensure that new building materials and techniques are provided for in an effort to reduce housing construction costs and maintain structural quality in the Town's housing.
- Policy 3.3:** The Town shall establish the following definitions to identify housing conditions in Juno Beach:

Standard Condition – A residential structure meeting all minimum standards for basic equipment and facilities, as set forth in the current edition and Florida Building Code.

Substandard Condition – A residential structure which does not meet all minimum standards for basic equipment and facilities, as set forth in the International Property Maintenance Code, 2021 edition, and updated editions as they apply, and Florida Building Code as determined by the Housing Official, where the costs of rehabilitation, renovation or code compliance are valued at less than fifty percent (50%) of the total value of the structure.

In Need of Replacement – A residential structure which does not meet all minimum standards for basic equipment and facilities, as set forth in the International Property Maintenance Code and Florida Building Code, as determined by the Housing Official, where the costs of rehabilitation, renovation or code compliance are valued at greater than fifty percent (50%) of the total value of the structure.

- Objective 4: To identify residential structures in Town in need of rehabilitation or demolition.
- Policy 4.1: Perform periodic inspections and use the definitions of Standard, Substandard, and In Need of Replacement as standards to determine which residential structures shall be rehabilitated or demolished.
- Policy 4.2: An effort should be made to rehabilitate residential structures, when possible, rather than to demolish said structures.
- Policy 4.3: Assist any efforts made by residents to upgrade neighborhood housing conditions, by providing code enforcement assistance.
- Policy 4.4: Continue administering and enforcing procedures necessary to implement minimum housing regulations oriented to conserving standard condition housing inventory.
- Objective 5: Adequate and affordable housing, consistent with the current character of the Town, shall be encouraged for the existing population and anticipated population growth, including housing to accommodate any defined specialized needs of low and moderate income, elderly, handicapped, or displaced residents.
- Policy 5.1: Require developers to coordinate with the Town during the design of residential developments to ensure that the Town characteristics are maintained, and any special housing needs are accommodated.

- Policy 5.2: Eliminate barriers to low and moderate income housing by providing for a variety of housing types that are consistent with densities established in the FUTURE LAND USE element.
- Policy 5.3: Work with the private sector to ensure that standard housing is available to persons that may be displaced through private action prior to their displacement.
- Policy 5.4: To upgrade the quality, where necessary, the Town shall apply and enforce the same housing standards for existing and new mobile homes and manufactured homes per State requirements.
- Policy 5.5: At the time of each Comprehensive Development Plan update, consider the need to designate any housing structures or areas as locally historically significant and in need of special consideration by creating a local historic district or by listing the structure on the State’s historical registry, Master File for historically significant structures or places; or the National Register of Historic Places.
- Policy 5.6: Identify housing areas in Town that are in a non-conforming status, but worthy of preservation and revise land development regulations appropriately to make said uses conforming; also, in concert with these actions, development standards and criteria to preserve and rehabilitate identified areas.
- Policy 5.7: Support programs which attempt to alleviate Countywide housing problems, including the Community Development Block Grant Program and associated activities.
- Policy 5.8: Require that standard housing, at an affordable cost, is available to persons displaced through any public action prior to their displacement by including such a requirement within the Town Land Development Regulations.
- Policy 5.9: Adopt Adult Congregate Facilities and Assisted Living Facilities regulations that are oriented to meeting the needs of elderly or handicapped Town residents.
- Policy 5.10: Participate, under the direction of Palm Beach County, and with other local governments, to develop and implement “fair-share” programs to address countywide low and moderate income housing programs.
- Objective 6: To provide for location of group homes or day care facilities licensed by the Florida Department of Health and Rehabilitative Services in a manner consistent with the character of existing residential neighborhoods.
- Policy 6.1: The Town shall review, and include criteria in its proposed Comprehensive Zoning Ordinance to permit different classes of group homes and day care facilities consistent with State requirements.

- Policy 6.2: The Town’s Planning & Zoning Department shall monitor the development and distribution of group homes and day care facilities to ensure that adequate sites and infrastructure are provided and that over-concentration in any residential area is avoided.
- Objective 7: To continue to rely on the private sector delivery process as the means for providing housing to accommodate Town residents until such time that is demonstrated that alternative housing implementation programs are necessary.
- Policy 7.1: If it is determined that the private sector delivery process is not adequately functioning, in terms of meeting the housing needs of residents, alternative mechanisms, including government and non-profit sector participation shall be considered, including the use of available Federal, State and local assistance programs.
- Policy 7.2: Provide information, technical assistance, and incentives to the private sector to maintain a housing production capacity sufficient to meet projected needs.
- Objective 8: To monitor and protect housing construction from adverse environmental degradation, and which is concurrent with the provision of necessary urban services.
- Policy 8.1: Require housing construction that is compatible with existing natural resources and service capabilities, as defined in the TRAFFIC CIRCULATION, INFRASTRUCTURE elements, that does not adversely impact environmental features.
- Objective 9: To require architectural styles of all future housing and other structures that reflects the “Old Florida” theme sought by the Town.
- Policy 9.1: Continue the application of applicable architectural and building codes that provide for the definition, identification, and regulation of “Old Florida” architectural styles, as well as, necessary incentives to promote this theme.
- Policy 9.2: The Town shall continue to evaluate the “Old Florida” architectural theme during project reviews. For projects requiring Planning & Zoning Board review, the Board shall consider the architectural theme of a project during its review and recommendation, and the Town Council shall consider the architectural theme during its review and final determination (or disposition) of a project.

INFRASTRUCTURE

(Sanitary Sewer, Solid Waste, Stormwater Management, Potable Water and Natural Groundwater Aquifer Recharge)

- GOAL:** Existing and needed future public facilities shall be provided and maintained in a manner to: (1) provide consistent service levels throughout the Town; (2) protect public and private investments; (3) promote orderly, compact urban growth; and (4) ensure the health, safety and welfare of Town residents.
- Objective 1:** To ensure through the land development approval process, at the time a building permit is issued, adequate public facility capacity is available or will be available, at the time of occupancy.
- Policy 1.1:** Public facility Level of Service (LOS) standards, as displayed on TABLE 2, are hereby adopted and shall be used as the basis for estimating the availability of capacity and demand generated by a proposed development project.
- Policy 1.2:** All development and/or redevelopment activities shall be undertaken in a manner consistent with adopted LOS standards.
- Policy 1.3:** The Planning & Zoning Department and Public Works Department shall, in cooperation with public utility service providers, develop procedures to update facility demand and capacity information as development permits are issued.
- Policy 1.4:** Unless specifically permitted by Palm Beach County Environmental Control Rule #1, prohibit the installation of additional septic tank systems within the Town and require all new developments to be served by a central wastewater system.
- Policy 1.5:** Prohibit the installation of new wells for potable water use. However, replacement or repair of existing wells for this purpose shall be permitted until such time requirements are established to connect into a central system. Require all new developments to be served by a central potable water system.
- Policy 1.6:** Consistent with health and safety, sanitary sewer, solid waste, drainage, adequate water supplies, and potable water facilities shall be in place and available to serve new developments no later than the issuance by the Town of a Certificate of Occupancy (CO) or its functional equivalent. Prior to approval of a building permit or its functional equivalent, the Town shall consult with the appropriate water utility to determine whether adequate water supplies to serve the new development will be available no later than the anticipated date of issuance of the Town's Certificate of Occupancy or its functional equivalent. The Town may meet the concurrency requirement for sanitary

sewer through the use of on-site sewage treatment and disposal systems approved by the Department of Health to serve new development.

TABLE 2

LEVEL OF SERVICE STANDARDS

POTABLE WATER

The Town has established minimum commitments of water supply for residential and commercial/industrial land uses/customers. Those minimum levels of service are:

Jupiter Water Department Service Area:

- 153 gallons per day per capita (residential)
- 100 gallons per day/1000 square feet (commercial/industrial)

Seacoast Utility Authority Service Area:

- 189 gallons per day per capital (all uses)

Potable water service areas are more clearly outlined in Figure 5.1

SANITARY SEWER

The Town has established minimum commitments of sanitary sewer levels of service for residential and commercial/industrial land uses/customers. Those minimum levels of service are:

Loxahatchee River District (LRD):

- 150 gallons per capita per day

Seacoast Utility Authority:

- 107 gallons per capita per day

Sanitary sewer service areas are more clearly identified in Figure 5.2.

Individual Systems:

Average Day Sewage Generation Rate

One (1) septic tank per lot based on a minimum lot criteria established in Palm Beach County Environmental Rule #1.

The use of existing, properly constructed and functioning septic tank systems within the Town is acceptable; however, when analysis indicates that septic tank systems are adversely impacting the environment according to State Water Quality Standards (Chapter 62-302, FAC for surface water, Chapter 62-520, FAC for groundwater and Chapter 64E-9, FAC for bathing places) and that public health standards are endangered, septic tank systems causing the situation will be repaired or replaced.

When a central sanitary sewer system becomes available to currently non-serviced areas, or the current septic tank systems fail to meet Water Quality Standards and endanger the public health, hook-up to the central system shall be required; and, the Palm Beach County LOS Standard of 100 gallons per capita per day shall be the standard implemented.

FLOOD PROTECTION

All Areas: All developments that are wholly within or partially within any flood hazard area shall follow the Floodplain Management Ordinance of the Town of Juno Beach.

WATER QUALITY

The Town shall comply with the South Florida Water Management Districts (SFWMD) requirements as identified under Part IV Chapter 373, Florida Statutes, and Rules Chapter 40E-4, and 40E-40, Florida Administrative Code.

*Based upon best available information.

Objective 2: To maintain a five (5) year schedule of capital improvement needs, to be updated annually, in conformance with the CAPITAL IMPROVEMENTS element (CIE). Capital improvements needs are defined as: (1) those improvements necessary to correct existing deficiencies in order to maximize the use of existing facilities; or, (2) those improvements necessary to meet projected future needs without encouraging urban sprawl.

Policy 2.1: Existing and potential deficiencies will be addressed by undertaking the following activities:

Sanitary Sewer –Any capital improvements projected to Loxahatchee River District (LRD) or Seacoast Utility Authority sanitary sewer system located within the corporate limits of the Town of Juno Beach shall be listed and identified in the Capital Improvement Plan within the CIE.

Solid Waste – The program for centralized collection of toxic household and commercial wastes shall be maintained. Continue to request that the Solid

Waste Authority of Palm Beach County (SWA) maintain a program for refuse separation within the Town.

Stormwater Management –Institute a program of annual inspections of the drainage system throughout Town as a means of monitoring the efficiency of the system. Results of the inspections and other general assessments of the drainage system serving Juno Beach shall be identified as required in its annual National Pollutant Discharge Elimination System (NPDES) Report. Any deficiencies requiring upgrades or new capital improvements shall be reflected, as appropriate, in the 5-Year Schedule of Improvements.

Potable Water –Any capital improvements projected by the Jupiter Water Department or Seacoast Utility Authority potable water system located within the corporate limits of the Town of Juno Beach shall be listed and identified in the Capital Improvement Plan within the CIE.

Groundwater Aquifer Recharge –Through the occupational license procedure identify and regulate businesses that potentially could pollute the surrounding groundwater supply.

Policy 2.2: A Capital Improvements Coordinating Committee headed by, and appointed by, the Town Manager shall be created for the purpose of evaluating and ranking capital improvements projects proposed for inclusion in the five (5) year schedule of needs.

Policy 2.3: Guidelines shall be developed to evaluate and rank proposed capital improvement projects using the following priority levels:

Level One – Whether the project is needed to protect health and safety in order to fulfill the Town’s legal commitment to provide facilities and services, or to preserve or achieve full use of existing facilities.

Level Two – Whether the project increases the efficiency of use of existing facilities, prevents or reduces future improvement costs, provides services to developed areas currently lacking full service, or promotes infill development.

Level Three – Whether the project represents a logical extension of facilities and services.

Objective 3: To continue to provide solid waste collection services and stormwater management to meet existing and projected future demands.

Policy 3.1: The basic solid waste collection service policy shall consist of the following components:

1. Maintain a high level of service for the residents of the Town with a system that ensures the lowest possible cost to Juno Beach taxpayers relative to the highest level of service.
2. Maintain a public information service in order to keep the citizens of the Town aware of collection schedules and placement of refuse containers, yard clippings, and other special wastes for collection.
3. Require a collection service that best serves the residents of Juno Beach.
4. Develop and maintain regulations that address, but not be limited to, the location of containers and other solid waste to be collected, requirements of residents to place solid waste for collection at a reasonably determined time prior to collection, and the enforcement of said regulations to avoid potential health hazards from solid waste being scattered about.

Policy 3.2: The basic stormwater management policy shall consist of the following components:

1. Continue routine maintenance of catch basins and conduits.
2. Regulate swale plantings and sodding.
3. Encourage appropriate land use activities in flood prone areas.
4. Protect environmentally sensitive areas by controlling adjacent activities.
5. Provide the use of street sweeping, when necessary.
6. Require use of vegetation, mulches, and berms for control of pollutants from construction sites.
7. Enforce the Flood Protection Ordinance to maintain the flooding protection provided by natural features.
8. A priority function of Pelican Lake shall be as a stormwater retention lake.

Objective 4: To support the Solid Waste Authority of Palm Beach County as the provider of solid waste disposal services to the Town of Juno Beach in meeting existing and projected future demands.

Policy 4.1: Maintain and align the Town's recycling requirements with Florida Statutes, Section 403.706.

Objective 5: To continue to depend on current providers to operate sanitary sewer and potable water facilities to meet existing and projected future demands, unless it is determined that alternative operational mechanisms can be instituted to increase efficiency and quality of service within the Town of Juno Beach.

Policy 5.1: Require a consistent level of service for property owners and residents of the Town by service providers.

Policy 5.2: Require periodic monitoring of rate structures so that the lowest possible cost for established LOS standards results to Town taxpayers and/or residents.

- Policy 5.3: Periodically review operational responsibilities in light of developing and maintaining the most efficient service at the most reasonable cost.
- Policy 5.4: The use of existing properly constructed and functioning septic systems within the Town may be acceptable. However, when analysis indicates that septic tank systems are adversely impacting the environment, according to State Water Quality Standards, and public health standards are endangered, septic system causing the situation shall be repaired or replaced.
- Policy 5.5: When a central sanitary sewer system becomes available to existing non-sewer areas, or the existing septic systems fail to meet State Water Quality Standards, thereby endangering the public health, connection to the central system shall be required.
- Objective 6: To incorporate stormwater drainage regulations into the Subdivision Regulations Ordinance and Comprehensive Zoning Ordinance, where appropriate, which shall provide for protection of natural drainage features and ensure that future development utilizes stormwater management systems in a manner to protect the functions of recharge areas and natural drainage features.
- Policy 6.1: The Town shall remain abreast of new stormwater requirements as promulgated by the State and the South Florida Water Management District (SFWMD) and shall revise local policies and regulations, as necessary, to remain consistent with new requirements. The Town shall limit post-development runoff rates and volumes to predevelopment conditions and preserve existing natural drainage features.
- Policy 6.2: Protect and preserve water quality by use of construction site Best Management Practices (BMPs) and the incorporation of techniques such as on-site retention, use of pervious surface and native vegetation.
- Policy 6.3: Work cooperatively with property owners, when necessary, in the development of erosion control plans where areas experience erosion of shorelines or banks.
- Policy 6.4: Review plans for future construction and development for compatibility with the natural landscape qualities and environmental characteristics and habitats existing within the Town.
- Policy 6.5: Continue to require the preservation, conservation and priority use of native vegetation in Juno Beach.
- Policy 6.6: Cooperate with the adjacent municipalities in an effort to protect and conserve unique vegetative communities that are common to and between jurisdictions.
- Policy 6.7: Continue to provide protection of the coastal dune by maintaining regulations and procedures that prevent the deterioration of the vegetation and structural quality of the coastal dune through the Town's zoning regulations.

- Policy 6.8: Develop regulations, as necessary and appropriate, that conserve the upland, coastal and wetland vegetative communities existing in Juno Beach.
- Policy 6.9: Protect endangered and/or threatened plant and vegetative communities from future development.
- Policy 6.10: Maintain and enforce land development regulations so that development is planned in accordance with natural characteristics of the land such as slope elevation, drainage patterns and natural vegetation.
- Objective 7: To actively participate in potable water supply, water conservation and water reuse programs of the Jupiter Water Utilities Department, Seacoast Utility Authority, and the South Florida Water Management District (SFWMD), on an ongoing and an emergency basis.
- Policy 7.1: The Town shall implement and enforce Water Shortage Emergency Provisions, established under Chapter 40E-21, Florida Administrative Code (F.A.C.), upon declaration of a water shortage emergency by the SFWMD, and reference the Palm Beach County Mandatory Year-Round Irrigation Conservation Measures (Section 3-7) as detailed in 40E-24, F.A.C. for successful implementation.
- Policy 7.2: Florida Friendly Landscaping practices shall be promoted by the Town when considering all proposals for development and/or redevelopment.
- Policy 7.3: The Town shall promote the use of low volume fixtures when reviewing all building permit applications.
- Policy 7.4: Promote and institute, where practical, water conservation techniques and programs in cooperation with potable water suppliers, the SFWMD and other applicable agencies and jurisdictions such as use of low volume plumbing fixtures, wastewater re-use, dual conveyance, gray water, and others, where feasible. Also, encourage the use of low water use plumbing fixtures in all new buildings or in conjunction with permitted renovations in accord with Florida Water Conservation Act, Section 553.14, Florida Statutes and, promote educational programs and other conservation programs instituted by Seacoast Utilities and the Town of Jupiter Water Utilities Department.
- Policy 7.5: Encourage construction of water storage facilities consistent with the Town's water suppliers' Water Supply Facilities Work Plans to accommodate and conserve necessary future water needs.
- Policy 7.6: Cooperate and coordinate with Seacoast Utility Authority, Jupiter Water Utilities Department and the SFWMD in the preparation and updates to their Water Supply Facilities Work Plans to ensure applicable input of data and information pertinent to those Plans.

- Policy 7.7: Every 5 years, the Town shall incorporate necessary 10-Year Water Supply Plan directives.
- Policy 7.8: The Town shall encourage its water suppliers to consider revising potable water LOS standards to include residential and non-residential categories.
- Objective 8: The Town shall annually, in conjunction with the yearly budget process, evaluate the Town's drainage system to determine whether extension of, or increase in capacity of, drainage facility is necessary to meet future needs.
- Policy 8.1: The Public Works department shall inspect the Town's drainage system in accordance with the NPDES program to identify any needs and/or deficiencies.
- Policy 8.2: The Town shall continue to monitor the water quality in Pelican Lake and investigate the implementation of a storm event related sampling program to evaluate the effect stormwater quality has on the overall quality of the lake.
- Policy 8.3: All projects in excess of \$25,000.00 shall be submitted to the Capital Improvements Coordinating Committee and scheduled in the annual updates to the CIE of this Plan.
- Policy 8.4: Projects as they occur shall be incorporated into the Five Year Schedule of Improvements as presented in the CIE of this Plan.
- Policy 8.5: All applicable federal and state regulations shall be reviewed and the appropriate permits shall be obtained prior to the Town authorizing project construction.
- Policy 8.6: All improvements for replacement, expansion or increase in capacity of facilities shall comply with the adopted LOS standards identified in Policy 1.1 of this Plan.
- Objective 9: The Town shall engage with the SWA to ensure operation and maintenance of waste facilities that meet existing demands and coordinate and administer the extension of, or increase in the capacity of facilities to meet future needs within the Town of Juno Beach.
- Policy 9.1: The Town shall continually maintain a high level of coordination with the SWA in order to ensure the Town's input to the management of established landfill sites and the purchase/development of any future landfill sites, transfer stations and other alternative methods of solid waste disposal.
- Policy 9.2: The SWA shall be responsible for financing needed transfer and disposal facilities to serve the Town.
- Policy 9.3: The Town shall actively participate in the review of the SWA's Integrated Solid Waste Management which, is scheduled for updating every three (3) years after adoption.

- Policy 9.4: The Town shall continually encourage and work with the SWA to establish priorities for the replacement or correction of existing facility deficiencies and actively participate in the evaluation of future facility needs.
- Objective 10: The Town shall adopt and maintain a Ten (10) Year Water Supply Facilities Work Plan (WSFWP).
- Policy 10.1: The “Ten (10) Year Water Supply Facilities Work Plan” shall be adopted as part of this INFRASTRUCTURE element of the Town of Juno Beach Comprehensive Plan. The Town shall amend this Comprehensive Plan and 10-Year Water Supply Facilities Work Plan within eighteen (18) months of a South Florida Water Management District (SFWMD) regional water plan update when approved by their governing board.

Town of Juno Beach “Ten Year Water Supply Facilities Work Plan”

This section of the INFRASTRUCTURE element represents the “Ten (10) Year Water Supply Facilities Work Plan (WSFWP)” for the Town of Juno Beach.

As previously stated, the SFWMD adopted the Lower East Coast Regional Water Supply Plan update in November 2018. Per Section 163.3117 (c)3, Florida Statutes, municipalities and water suppliers must adopt a related WSFWP and supportive amendments to their comprehensive plans.

Municipalities and local suppliers are required to coordinate with the SFWMD in the preparation of their WSFWP in order to identify needed facilities for at least the ten (10) year planning period, confirming that: (1) adequate water supply is available, considering the regional water supply plan; and, (2) infrastructure plans necessary to serve projected need have been prepared.

Specifically, WSFWP comprehensive plan amendments must:

- Demonstrate that the local government has coordinated with the appropriate water management district’s regional water supply plan, as well as all water suppliers.
- Ensure that the local government’s future land use plan is based upon the availability of adequate water supplies, public facilities, and services.
- Ensure that adequate water supplies and facilities are available to serve new development no later than the date on which the local government issues a certificate of occupancy, and consult with the applicable water supplier prior to approving a building permit to determine whether adequate water supplies will be available to serve new development by the anticipated issuance date of the certificate of occupancy.
- Revise the five-year schedule of capital improvements to include any water supply, reuse

and conservation projects and programs to be implemented during the five-year period.

- Revise the Conservation Element to assess projected water needs and sources for at least a ten-year planning period, considering the appropriate regional water supply plan.
- To maintain internal consistency, revise the Intergovernmental Coordination Element to ensure coordination of the comprehensive plan with the regional water supply plan and regional water supply authorities.
- Clearly define responsibilities for planning, financing, construction and/or operation of the water supply facilities by all entities providing service within its jurisdiction, regardless of ownership responsibility for the individual facilities, including: (1) water supply source, service areas, existing demands and future projects, (2) treatment types and losses, (3) distribution facilities, and (4) bulk sales agreements.

The Town of Juno Beach does not own, operate or maintain potable water distribution system lines within the Town. Water treatment is provided by Seacoast Utility Authority and Jupiter Water Utilities Department. These service areas are outlined in the map/FIGURE 5.1. There are no Town-owned public water wellfields, or treatment and/or storage facilities located within the Town of Juno Beach municipal boundaries. Therefore, there are no “cones of influence” from public water wellfields that must be considered by the Town in the distribution and types of land use applied in Juno Beach.

As part of the site plan review and land development processes, the Town requires developers to coordinate with the Town’s water suppliers’ potable water systems being proposed for new developments. This is required to provide assurance that minimum level of service for potable water is maintained.

All of Juno Beach’s population is currently served by Seacoast Utility Authority’s and the Town of Jupiter Water Utilities Department’s central potable water distribution systems. The entire Town of Juno Beach lies within the Seacoast Utility Authority and Town of Jupiter Water Utilities Department service areas as shown in the map FIGURE 5.1.

The following regional issues were identified in the 2018 SFWMD Lower East Coast Regional Water Supply Facilities Work Plan: 1) Fresh water and groundwater are limited and future withdrawals could have impacts on the regional wetlands, existing legal issues and salt water intrusion. As a result, additional alternative water supplies need to be developed; 2) Surface water allocations from Lake Okeechobee and the Water Conservation Areas are limited in accordance with the Lake Okeechobee Restricted Allocation Area (RAA) criteria; 3) Construction of additional storage systems (e.g., reservoirs, aquifer storage and recovery systems) to capture wet season flow volumes will be necessary to increase water availability during dry conditions and attenuate damaging peak flow events from Lake Okeechobee; 4) Expanded use of reclaimed water is necessary to meet future water supply demands and the Ocean Outfall Law; and, 5) Expanded use of brackish groundwater from the Floridan aquifer

system requires careful planning and wellfield management to prevent undesirable changes in water quality. These issues are primarily relevant to the Seacoast Utilities and Town of Jupiter Water Utilities as the Town's water suppliers. However, various conservation techniques are implemented by Juno Beach through Objectives and Policies adopted in this Comprehensive Plan and through land development regulations.

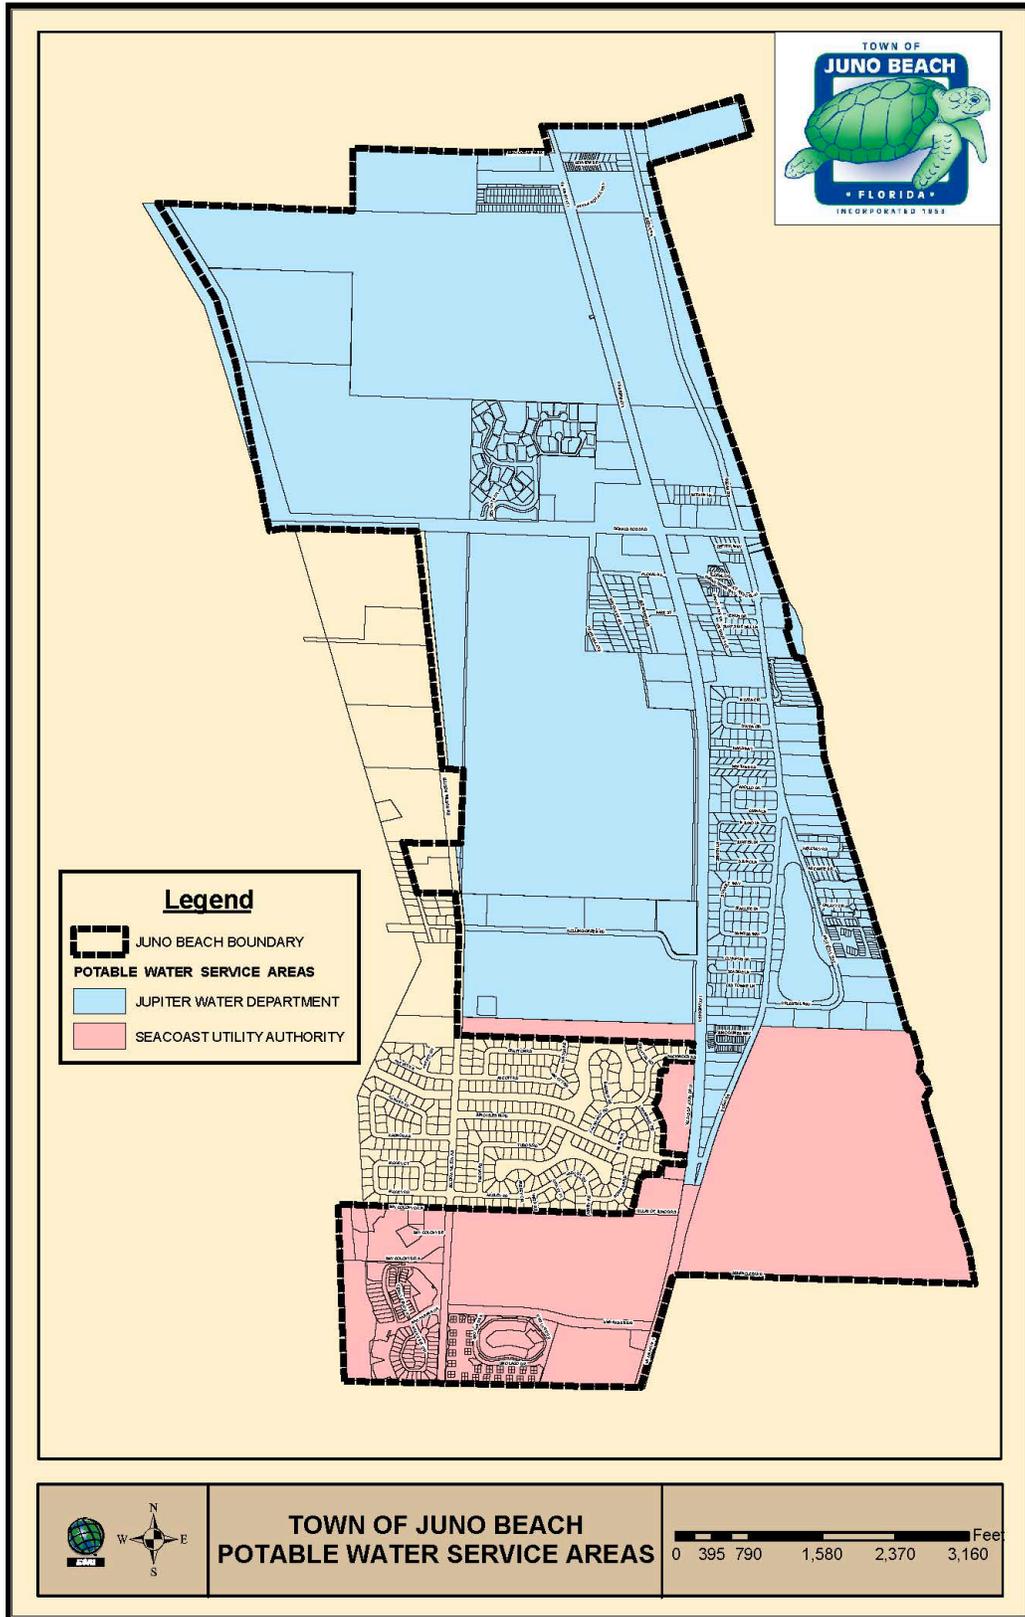

Figure 5.1

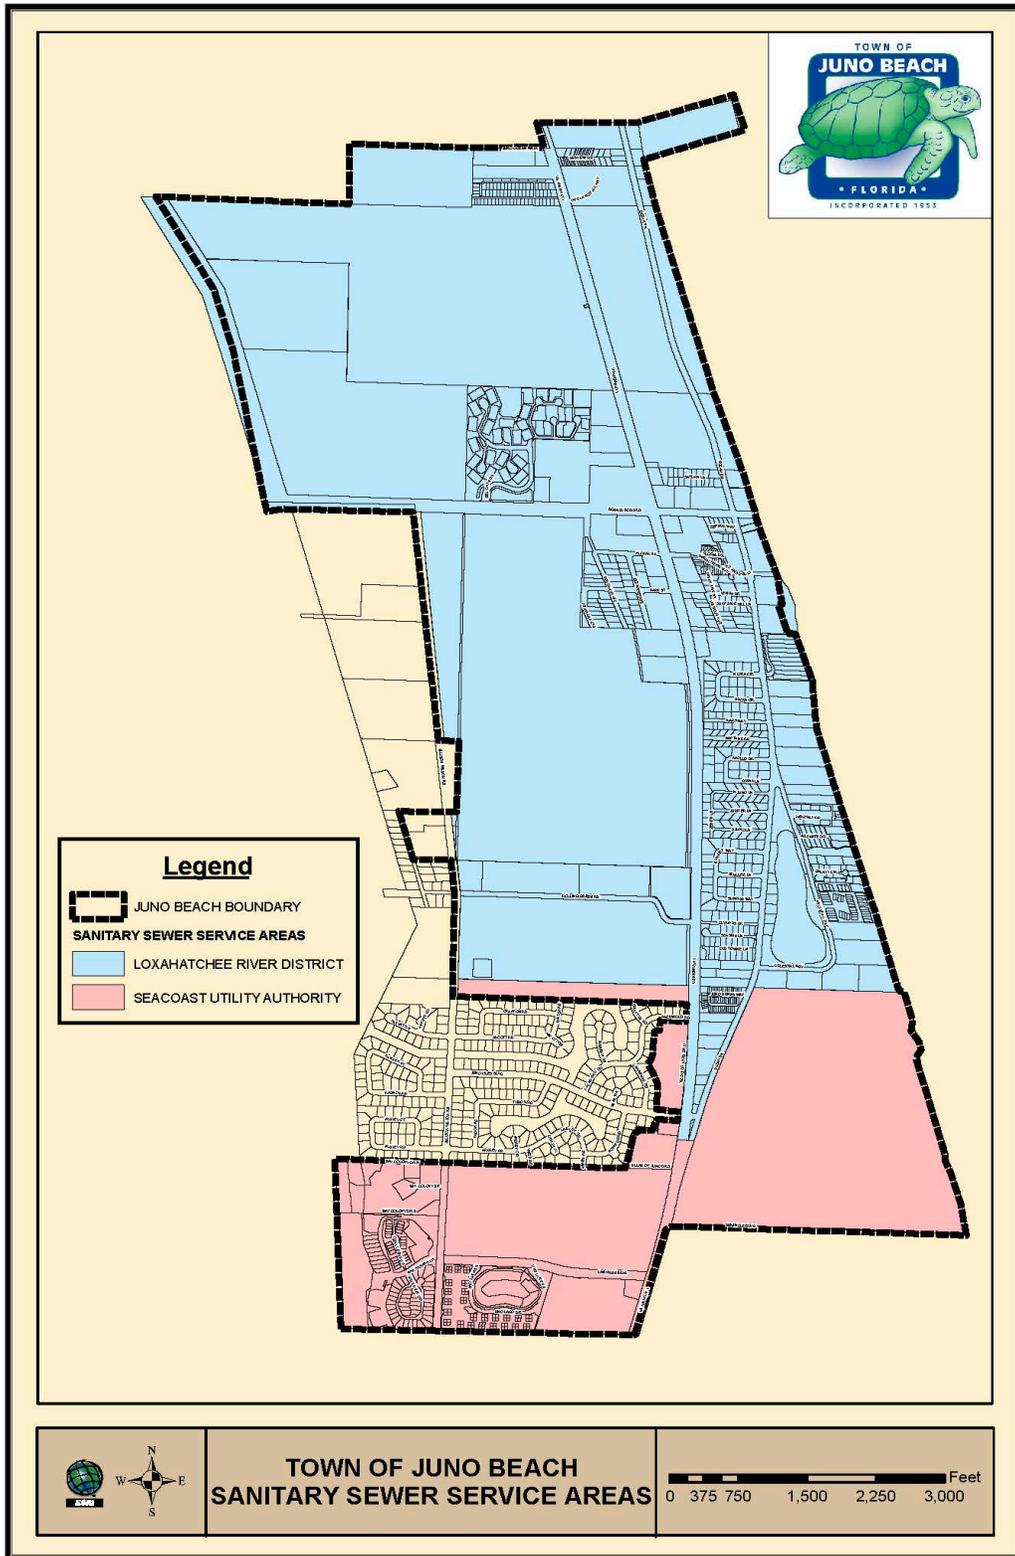

Figure 5.2

Water Supply Demand Projections

The Town’s potable water LOS is consistent with those established by Seacoast Utility Authority and the Town of Jupiter Water Department. Specifically, those LOS standards are identified below:

Town of Jupiter Water Utilities Department

The Town of Jupiter has established minimum commitments of water supply for residential and commercial/industrial land uses/customers. Those minimum levels of service are:

- 153 gallons per day per capita (residential)
- 100 gallons per day/1000 square feet (commercial/industrial)

Therefore, the Town of Juno Beach has adopted the same level of service for potable water for that area within its corporate limits being served by the Town of Jupiter.

The population being provided potable water service in Juno Beach represents a small percentage of the Town of Jupiter service area population receiving potable water service. In 2020, Juno Beach's population represented only 4.3% of that total, and the percentage is only projected to increase minimally to 4.35% in year 2030 (10-year planning period) and only to 4.4% through 2040. The population projections are shown below as extracted from **Table 3-3** in the “Town of Jupiter 10-Year Water Supply Facilities Work Plan, 2019 Update.”

Population and Potable Water Demand Projections

	<u>2020</u>	<u>2025</u>	<u>2030</u>	<u>2040</u>
Juno Beach (portion)	3465 (4.3% of Total)	3536 (4.3% of Total)	3653 (4.35% of Total)	3913 (4.4% of Total)
Total (Jupiter Service Area)	79,974	81,848	83,953	89,090

It is stated in the “Town of Jupiter 10-Year Water Supply Facilities Work Plan, 2019 Update” that water demand projections for the Town of Jupiter service area through 2040 are based on respective population forecasts and assume that the average gross per capita water demand from 2016 to 2018 remains stable through 2040. The Update also illustrates that the annual average raw water demand does not exceed the annual average day combined raw water allocation of 29.84 MGD through the year 2040. It also illustrates that the design treatment capacity of 30.0 MGD is sufficient through 2040 to meet the daily demand with all treatment units in service. Therefore, by virtue of being calculated as part of the overall Town of Jupiter Water Utilities potable water supply service demands, the Town of Juno Beach potable water supply demands portion of the total Jupiter area demand is being met today, and will continue be met during the 10-year planning period and beyond.

Seacoast Utility Authority

Presently, raw water is taken from four surficial aquifer wellfields pursuant to an existing SFWMD water use permit that expires in 2032. The permit allocates 240 gallons per capita day (GPCD) raw water sufficiently to yield Seacoast's 189 gpcd finished water level of service (LOS).

Therefore, the Town of Juno Beach has adopted the same potable water LOS for that portion of Juno Beach served by Seacoast Utility.

Information provided by Seacoast Utility indicates that of their total potable water provided and consumed within their service area, Juno Beach properties only consume approximately 2% of the demand. Existing treatment and pumping capacity for the entire Seacoast service area exceeds current build-out demand projections. Therefore, the Juno Beach portion of the demand is being met today and will continue to be met during the 10-year planning period and beyond.

Based on the information provided above, both the adopted Town of Jupiter Water Utilities 10-year Water Facilities Supply Plan and the Seacoast Utility Authority approved Consumptive Use Permit and information provided to the Town, concludes that there are adequate capacities to serve the projected Juno Beach population demand for at least the required 10-year period of this Plan. Neither the Town of Jupiter Water Utilities Department or Seacoast Utility Authority have any planned capital improvements within the corporate limits of the Town of Juno Beach in their 5-year schedules of improvements.

Water Supply Source and Project Identification

As previously identified, central potable water supply is provided to the Town of Juno Beach by both Seacoast Utility Authority and Jupiter Water Department.

Seacoast Utility Authority currently operates two fully interconnected lime softening water treatment facilities with a total treatment capacity of 30.5 million gallons per day (MGD). In 2014, Seacoast completed a \$75 million replacement, lime softening capacity with a single centralized 30.5 MGD membrane treatment plant. The facility includes 26.0 MGD of nanofiltration capacity to treat surficial aquifer water sources; 3.5 MGD of low pressure reverse osmosis capacity to treat the more brackish Floridan aquifer water, and 1.0 MGD of surficial aquifer bypass water.

Jupiter Water Utilities Department operates a water system that is fully comprised of membrane water treatment technologies. The treatment system utilizes both Surficial Aquifer (fresh ground water) and Floridan Aquifer (brackish ground water) as its raw water supply. The Surficial Aquifer supply is treated through nanofiltration, while the brackish Floridan Aquifer is processed through reverse osmosis. Each plant is capable of producing one half of the system's 30 MGD rated capacity. There is one plant located within the Town of Juno Beach.

Comprehensive Plan Element Updates

Potable water supply, urban water conservation and reuse are all stressed as important issues of

the SFWMD Lower East Coast Water Supply Plan and individual Water Supply Facilities Plans. The following OBJECTIVES and Policies are either contained in, or proposed for inclusion in, this Comprehensive Plan. They are pertinent to, and directly relate to, the water supply, conservation and reuse issues. They are identified by the Comprehensive Plan element herein.

FUTURE LAND USE

Policy 4.2: The Town shall coordinate with the Town of Jupiter Water Utilities Department or Seacoast Utility Authority, as appropriate, to review all future proposed land use change applications to ensure the availability of adequate water supplies.

Policy 4.3: The Town shall include the Town of Jupiter Water Utilities Department or Seacoast Utility Authority, as appropriate, in the site plan review and land development process of all proposed development subject to these processes to ensure that water supplies are available to service that development.

INFRASTRUCTURE

*See new and revised Objectives and Policies listed above in this Infrastructure Element.

CONSERVATION

OBJECTIVE 2: To protect and conserve potable water supplies.

Policy 2.2: Continue to cooperate with the South Florida Water Management District in the conservation of potable water supplies during periods of drought, declared water shortages, or water shortage emergencies, by supporting the District's Water Shortage Plan.

Policy 2.4: Participate in the formulation and coordination of the implementation of potable water conservation programs developed by the Town of Jupiter Water Utilities Department and Seacoast Utility Authority as part of their respective Water Supply Plan and Consumptive Use Permits.

Policy 2.5: Cooperate with the Town of Jupiter Water Department and Seacoast Utility Authority in the development and implementation of water reuse programs, to the extent that they are applicable to Juno Beach.

INTERGOVERNMENTAL COORDINATION

OBJECTIVE 1: Maintain planning coordination with adjacent municipalities, Palm Beach County, the Palm Beach County School Board and current municipal service providers.

Policy 1.12: Require all applicants for development approval to procure written confirmation from the applicable water supplier, of availability of potable water service, prior to the issuance of a building permit.

Policy 1.13: At the time of each required Evaluation and Appraisal Report (EAR), confirm the availability of potable water service consistent with the SFWMD Water Supply Plan and the Town of Jupiter Water Utilities, and Seacoast Utility Authority's respective Water Supply

Facilities Plans.

Policy 1.14: The Town shall request the Town of Jupiter Water Utilities and Seacoast Utility Authority to provide assurances that there will be adequate potable water supply allocations available to meet future projected growth and development in Juno Beach, either through interlocal agreement, Ordinance, or other effective means.

Policy 1.15: Require coordination of the Town of Juno Beach “10-Year Water Supply Facilities Work Plan” with the Town of Jupiter Water Supply Facilities Plan, Seacoast Utility Authority’s plans and the South Florida Water Management District’s Lower East Coast Regional Water Supply Plan and future updates to these Plans

CAPITAL IMPROVEMENTS

The purpose of the Capital Improvement Element and the five-year Schedule of Improvements is to identify the capital improvements necessary to implement the Comprehensive Plan and ensure that adopted LOS standards are achieved and maintained for concurrency-related facilities. If LOS standards cannot be met, the local government must deny applications for development orders and permits until the deficiency is addressed. The Schedule of Improvements must address deficiencies. As previously revealed, there are no capital improvements within the Town of Juno Beach to the potable water distribution systems planned by water suppliers, identified within their 5-year planning period; therefore, none appear in the Town’s CIE Schedule of Improvements.

CONSERVATION

- GOAL:** “A quality natural environment which protects, conserves, restores, maintains and enhances the natural resources of the community, and which is compatible with Juno Beach.”
- Objective 1:** The Town shall maintain and update when necessary, a program to protect, enhance and improve the water quality of surface waters (e.g. Pelican Lake) within the Town’s jurisdiction.
- Policy 1.1:** Continually pursue efforts to improve the water quality in Pelican Lake by providing aeration, planting and maintaining littoral zones, and clean-up of the lake, as well as efforts identified with the overall management plan for Pelican Lake.
- Policy 1.2:** Work cooperatively with the applicable environmental agencies and entities to improve the environmental qualities, wetland functions, and stormwater management of Pelican Lake.
- Policy 1.3:** Future development around surface water bodies, including Pelican Lake, under the Town’s jurisdiction should be limited to uses of land that do not degrade water quality below acceptable water quality standards.
- Policy 1.4:** The Town shall commit the necessary resources to maintain and conserve the environmental integrity of Pelican Lake.
- Policy 1.5:** Utilize the services of The Florida Fish & Wildlife Conservation Commission, Federal wildlife agencies or approved supplier, if stocking of Pelican Lake with fish becomes a desirable situation.
- Policy 1.6:** Strive to minimize direct or indirect stormwater runoff that may degrade the quality of surface waters through the Town’s continued participation in the NPDES (National Pollution Discharge and Elimination System) Stormwater Permitting Program.
- Objective 2:** To protect and conserve potable water quality and supply.
- Policy 2.1:** Promote and institute, where practical, water conservation techniques and programs in cooperation with the South Florida Water Management District and other appropriate agencies and jurisdictions.
- Policy 2.2:** Continue to cooperate with the South Florida Water Management District in the conservation of potable water supplies during periods of drought, declared

water shortages, or water shortage emergencies by supporting the District's Water Shortage Plan.

- Policy 2.3: Participate in the formation and coordinate in the implementation of potable water conservation programs developed by the Town of Jupiter Water Utilities Department and Seacoast Utility Authority as part of their respective Water Supply Plan and Consumptive Use Permits.
- Policy 2.4: Cooperate with the Town of Jupiter and Seacoast Utility Authority in the development and implementation of water reuse programs, to the extent that they are applicable to the Town of Juno Beach.
- Policy 2.5: The Town shall revise the level of service standards, as appropriate, at the time of each Evaluation and Appraisal Report (EAR) based Comprehensive Plan Amendment, or as deemed necessary, which are aimed at conserving the potable water supplies.
- Policy 2.6: Cooperate with the Town of Jupiter Water Utilities and Seacoast Utility Authority to ensure the highest quality drinking water supplies, and safe effective delivery and conveyance of drinking water to the residents of Juno Beach.
- Objective 3: To protect and maintain a level of air quality that, at a minimum, complies with federal, state, and regional pollution control standards.
- Policy 3.1: Support the efforts of local, state and federal pollution control agencies to monitor air quality in Juno Beach and surrounding areas, and coordinate and cooperate with these agencies in order to ensure appropriate local input.
- Policy 3.2: Support the efforts of the Palm Beach County Transportation Planning Agency (TPA) and Health Department in the reduction of air pollution resulting from vehicular use.
- Policy 3.3: Regulate the open burning of trash, garbage, vegetative debris and other materials within Juno Beach.
- Policy 3.4: Continue to utilize the Site Plan review process contained within the Town's zoning regulations to ensure that future development and redevelopment meets or exceeds air quality set by Palm Beach County Health Department.
- Policy 3.5: Promote the use of energy-efficient vehicles during the Site Plan review process for both private and public uses.
- Objective 4: The Town shall continue to provide for the protection and preservation of at least 50% of the native vegetative communities consistent with its Landscaping

and Site Plan Review requirements of the Town’s zoning regulations and Florida Friendly Landscaping regulations.

- Policy 4.1: Review plans for future construction and development for compatibility with natural landscape qualities, native vegetation communities and habitats existing within the Town.
- Policy 4.2: Continue to require the preservation, conservation and priority use of native vegetation in Juno Beach.
- Policy 4.3: Cooperate with the Town of Jupiter, adjacent municipalities, and Palm Beach County in an effort to protect and conserve unique vegetative communities that are common to and between jurisdictions.
- Policy 4.4: Continue to provide protection and conservation of the integrity of the coastal dune by maintaining regulations and procedures that prevent the deterioration of the vegetation and structural quality of the coastal dune through the Town’s zoning regulations.
- Policy 4.5: Support the conservation of the Atlantic beach area and coastal resources within Juno Beach.
- Policy 4.6: Develop regulations, as necessary and appropriate, that best conserve the upland, coastal and wetland vegetative communities existing in Juno Beach.
- Policy 4.7: Protect plants and vegetative communities that are endangered or threatened and species of special concern from future development.
- Policy 4.8: Coordinate with Palm Beach County, Florida Inland Navigation District (FIND), and State park officials to ensure that any park improvements are sensitive to vegetative/wildlife/marine habitats.
- Policy 4.9: The Town shall enforce its Coastal Construction Control Line (CCCL) along the Atlantic beach properties (that is more restrictive than the State CCCL), and that prohibits construction that would threaten the stability of the dune systems of the beach.
- Objective 5: The Town shall maintain and continue the implementation of the Palm Beach County Sea Turtle Protection Ordinance, by regulating activities that disrupt turtle nesting and by requiring minimum preservation standards for upland wildlife habitats, adopting provisions of the Palm Beach County Mangrove Protection Ordinance and requiring the submittal and review of environmental impact studies as part of the development review process.
- Policy 5.1: Develop regulations, as necessary and appropriate, that conserve wildlife habitats supporting diverse plant and animal life.

- Policy 5.2: Protect endangered and/or threatened wildlife habitats from future development.
- Policy 5.3: The Town shall strictly enforce the Palm Beach County Unified Land Development Code (ULDC), Sea Turtle Protection and Sand Preservation Ordinance in an effort to protect all Sea Turtles.
- Policy 5.4: The Town shall prohibit the use of motorized vehicles and bicycles (except for maintenance monitoring and policing purposes) on the beach areas in an effort to protect turtle nesting sites.
- Objective 6: To ensure that land development and land use activities are compatible with the environmental characteristics of Juno Beach County, State and Federal management plans.
- Policy 6.1: Cooperate with developers especially in the preliminary stages of construction and development, and monitor development activity to ensure that environmental features are not degraded or depleted.
- Policy 6.2: The Town shall coordinate closely with County, State, and Federal agencies to ensure that applicable environmental protection regulations are enforced.
- Policy 6.3: Maintain and enforce land development regulations so that development is planned in accordance with natural characteristics of the land such as slope, elevation, drainage patterns and native vegetation.
- Policy 6.4: Protect the primary dune and beaches from any encroachment by structural developments or removal or disruption of native vegetation.
- Policy 6.5: Require all future development in the Town to accommodate the natural environment, giving special attention to topographic characteristics.
- Policy 6.6: Preserve the low areas in Town either as lakes or drainage easements in any plans for development.
- Policy 6.7: Encourage the use of renewable energy such as solar sources of electrical power.
- Policy 6.8: Continue to monitor and maintain, as necessary, the conservation of natural resources under the jurisdiction of the Town.
- Objective 7: The Town shall amend its Code of Ordinances to provide for the future protection and conservation of fisheries, native vegetation, wildlife and marine

habitats by regulating development and redevelopment that may directly or indirectly threaten these natural resources.

- Policy 7.1: Continue to promote the preservation of natural vegetation, wildlife, and marine resources by requiring that future development which has the potential for disruption of these resources submit environmental impact studies as part of the development review process.
- Policy 7.2: The Town shall maintain and continue the implementation of the Environmentally Sensitive Lands Ordinance to ensure the future preservation of sensitive and valuable habitats and vegetative communities.
- Policy 7.3: The Town shall maintain a hazardous and toxic substances disposal ordinance.
- Policy 7.4: Ensure the proper management of native wildlife and vegetative communities including endangered, threatened, and species of special concern. Request the assistance from the Florida Fish and Wildlife Conservation Commission, FDEP, and other applicable agencies, in the implementation of recovery programs for State and Federally-protected plant and animal species as part of development plans (for sites of five acres or greater; or, for sites less than five acres, if identified by State or Federal agencies).
- Objective 8: The Town will protect and conserve mangroves and wetlands to ensure that there will be no net loss of the existing wetlands within the Town. The following policies shall apply to all wetland areas (including mangroves).
- Policy 8.1: Mangrove and wetland areas within the Town shall be deemed environmentally sensitive, in recognition of their many natural functions and values, and, to further the public interest, shall be protected from incompatible land uses. The Town shall afford protection to all wetlands.
- Policy 8.2: The definition of mangroves and wetlands to be used for regulatory purposes by the Town shall be the most comprehensive definition of the definitions of wetlands used by the South Florida Water Management District, the Florida Department of Environmental Regulation and the U.S. Army Corps of Engineers. Representative of these agencies will be contacted for assistance in identifying the location of all wetland areas within the Town.
- Policy 8.3: The location of the landward edge of mangrove and wetland areas shall be identified at the time of site development review on a site-by site basis. The Town shall not issue a development order or building permit for a parcel until all wetland areas on that parcel or impacted by the proposed development have been identified and located.
- Policy 8.4: No development, including residential development, shall be permitted within mangrove and other wetland areas unless project alternatives, such as transfer

of residential density to upland areas that would avoid mangrove and wetland impacts are unavailable, and sufficient mitigation is provided by the applicant to offset adverse impacts. For purposes of this policy, sufficient mitigation is as required by Florida Administrative Code Rules 62-342.100 through 62-342.850. It is intended that all standards in these citations are to apply to all new development and redevelopment, regardless of whether the development requires a dredge and fill permit from a State or Federal agency.

- Policy 8.5: No dredging or filling shall be permitted within mangrove and wetland areas in the Town unless project alternatives that would avoid mangrove and wetland areas are unavailable and sufficient mitigation is provided by applicant to offset adverse impacts. For purposes of this policy, sufficient mitigation is as required by Florida Administrative Code Rules 62-342.100 through 62-342.850. It is intended that all standards in these citations are to apply to all new development and redevelopment, regardless of whether the development requires a dredge and fill permit from the Florida Department of Environmental Regulation.
- Policy 8.6: In conjunction with a permit issued by the Florida Department of Environmental Protection (DEP), elevated piers, docks, and walkways of no more than five (5) feet in width are allowed within mangrove and wetland areas in the Town.
- Policy 8.7: Within mangrove and wetlands areas, all piers, docks and walkways shall be constructed on pilings.
- Policy 8.8: Bulkheads and seawalls shall be permitted only to stabilize disturbed shorelines or to replace deteriorated existing bulkheads and seawalls.
- Policy 8.9: Drain fields for septic tanks and graywater shall not be permitted in mangrove and wetlands areas.
- Policy 8.10: A buffer zone of native upland edge vegetation around mangrove and wetland areas is required in order to protect the wetland areas from impacts of adjacent development, including stormwater runoff. The buffer zone shall consist of perseveration native vegetation, including canopy, understory and ground cover. If there is no native vegetation on the site, then a planted vegetative buffer shall be required. The buffer zone shall begin at the upland limit of any mangrove or wetland area and shall be no less than twenty-five (25) feet wide at any point, unless it is demonstrated that a narrower buffer will be sufficient to prevent degradation of water quality, degradation of biological productivity and decrease in the diversity of plant and animal habitats or otherwise prevent the degradation of the existing wetlands system. For example, a narrower buffer, in combination with other stormwater management techniques, can be used to meet this requirement.

Policy 8.11: Alteration of mangrove and wetland areas by chemical defoliant shall not be permitted. Any mangrove or wetland area that serves as an active nesting site or as a resting or breeding area for a colony of birds shall not be altered.

RECREATION AND OPEN SPACE

GOAL: An integrated system of recreation and open space areas that encourages sustainability of the town's recreation and open spaces including its significant natural resources such as state and county conservation areas, Atlantic Ocean Beaches, municipal park system and playgrounds to which public access is provided.

Objective 1: To ensure that parks and recreation facilities are adequately and effectively provided within Juno Beach through the coordination of both private and public resources. This shall be accomplished through the site plan review and land development processes.

Policy 1.1: The town shall maintain, improve and beautify, where necessary, the facilities at Kagan Park, Old Town Hall Park and Pelican Lake Park.

Policy 1.2: The Town shall coordinate with and encourage Palm Beach County to maintain and improve, when necessary, the facilities and amenities provided at Juno Dunes Natural Area, Juno Beach Park / Pier, and Loggerhead Park and support the Loggerhead Marine Life Center located at that park facility.

Policy 1.3: Utilize the following definitions and standards for “neighborhood” and “community” parks which shall meet the current and future needs of all age groups in the Town.

Neighborhood Parks – Small park areas, usually less than five acres, that serve neighborhood-type recreational needs. These parks generally provide playgrounds, small courts, and open space for use by all age groups. Small passive parks with walkways, benches, and landscaping are also represented in this category.

Community Parks – These are primarily active recreational areas, usually greater than fifteen (15) acres in size, that serve multi-neighborhood recreational needs. These parks are user-oriented with facilities such as playgrounds, lighted multi-purpose courts and ballfields, recreation centers, and, if size permits, picnic and passive areas. Community Parks have service areas of about 2.5 miles and where feasible, should be planned adjacent to middle or high schools in order to enhance their overall recreational value.

Policy 1.4: Development of a functional active and passive recreation and open space system that contributes to the health and welfare of the residents, links vital natural resources, and supports a high quality of life.
Utilize the following as guideline standards for “active” and “passive” recreational activities:

Active (User-Oriented):

<u>Recreation Activity</u>	<u>Standard (Unit/Pop.)</u>
Tennis	1 court/2,000
Basketball	1 court/2,000
Bocce	1 court/5,000
Shuffleboard	1 court/5,000
L.L. Baseball	1 field/3,000
Sr. Baseball	1 field/6,000
Adult Softball	1 field/6,000
Football/Soccer	1 field/4,000
Exercise Trail	10 Station/10,000
Handball and Racquetball	1 court/5,000
Playground	1 area/3,000
Volleyball	1 court/6,000

Passive (Resource Oriented):

<u>Recreation Activity</u>	<u>Standard (Unit/Pop.)</u>
Picnicking	1 acre/6,000
Fishing (non-boat)	1 site/5,000
Hiking/Nature Trail	1 mile/10,000
Bicycling	1 mile/5,000

Policy 1.5: As part of the development approval process, the Town shall encourage private recreational opportunities to be provided and continued by the private condominiums and enterprises to supplement the public park and recreation areas provided by The Town of Juno Beach.

Objective 2: To provide public access opportunities to open spaces, recreational facilities, cultural and natural reservations throughout the Town which are connected into a cohesive, interrelated overall system.

Policy 2.1: Continue to develop and maintain a public open space and use areas program that: defines what constitutes such areas; that identify and prioritize such project areas throughout Town, and that provide for an integrated system of linkages and interconnections within Juno Beach, as well as to adjacent areas and potential annexation areas of the Town.

Policy 2.2: The Town shall maintain community appearance standards and criteria for development of its public open space and use areas.

Policy 2.3: The town shall emphasize and diligently pursue the landscape, beautification and improvement programs for Pelican Lake and surrounding areas.

Policy 2.4: Maintain, enhance and improve, where necessary, the bicycle path and bicycle lanes that connect the Town's Park and recreational system.

- Policy 2.5: The Town as part of its long-term planning, shall continue to provide a complete sidewalk system throughout the Town that is integrated with other public open space and use areas in Town, and which promotes safe pedestrian movement in and around Juno Beach. Minimum standards for sidewalks should be maintained and incorporated into a community appearance and/or other appropriate land development code.
- Policy 2.6: Investigate the potential use of existing local road rights-of-way that have not been developed or that have limited access use for linear parks or pedestrian walkways.
- Policy 2.7: Investigate the possibility of dedicating private roads to the Town and using said rights-of-way for vehicular and pedestrian uses.
- Objective 3: Provide access to the public beaches and shores within Juno Beach, and provide for the preservation and maintenance of the public beaches and shores.
- Policy 3.1: The Town shall maintain, enhance and beautify, when necessary, the existing access areas to all public beach areas.
- Policy 3.2: Promote dune walkovers to beach areas for better access and preservation of the dune system. Coordinate this with private enterprise, where possible.
- Policy 3.3: As applicable, maintain the beach area and support beach restoration and renourishment projects, when needed.
- Policy 3.4: Provide public education about the importance of dune vegetation, the protection of dune preservation and support beach cleanup events.
- Objective 4: To ensure the adequate provision of parks, recreation and open space areas in Juno Beach through a strong public/private coordination interaction.
- Policy 4.1: Work with landowners/developers in the early stages of planning and design of areas, to improve existing deficiencies in park and recreation facilities. Provide park and recreational areas and the necessary public access to these areas, as needed, for the general public.
- Policy 4.2: The town shall coordinate and work closely with landowners/developers to encourage participation of private enterprises in the beautification and improvement of public recreation and open spaces and use areas within Juno Beach, and public accesses to them (e.g., sidewalks, bicycle paths, pedestrian walkways).
- Policy 4.3: Establish methods for obtaining land(s) to increase the community and neighborhood recreational facilities within the limits of Juno Beach.

Policy 4.4: The Town shall consider land donations from property owners and financial contributions from the private sector for the development of recreational opportunities.

COASTAL MANAGEMENT

GOAL: A coastal area that preserves the integrity of natural coastal features and resources, while providing for the general health and welfare of Juno Beach citizens and protection from natural threats (e.g., storms and other natural disasters, and/or peril of floods).

- Objective 1:** The Town shall provide for the conservation, enhancement, and maintenance of existing coastal resources by incorporating restrictive measures into the land development review process.
- Policy 1.1:** Prohibit development and redevelopment in the coastal area that will adversely impact the beach and dune system, mangroves, the estuarine environment, surface water bodies under the Town's jurisdiction (e.g. Pelican Lake), and other natural resources such as marine and wildlife habitats.
- Policy 1.2:** Preserve unique, physical features in future development and redevelopment of the coastal area in Juno Beach.
- Policy 1.3:** The Town shall maintain a list of invasive plant species (e.g., exotic and/or other vegetative species that are detrimental to the coastal environment), and require that said species be removed from the Town's coastal area and coastal high hazard area at the cost of the property owner. Further, property owners shall be required to replace those species with appropriate native coastal dune vegetation, which is necessary to stabilize and preserve those areas.
- Policy 1.4:** The Town shall maintain specific provisions in its landscape regulations to require the restoration and enhancement of coastal resources, including but not limited to estuaries, wetlands, beaches and dunes. The regulations shall provide for the protection of coastal and adjacent upland areas with natural resource or habitat value and establish a program for mitigation.
- Policy 1.5:** The Town shall maintain land development regulations that provide for the coordination of estuarine protection with other applicable local governments and agencies including review of marina siting, drainage plans, alteration of the shoreline, provisions for public access and concerns related to water quality and habitat protection.
- Objective 2:** To prioritize future development in Juno Beach with emphasis along the shorelines given to mixed use, residential, recreational, water-dependent and public use purposes.
- Policy 2.1:** Preserve, develop and improve, when necessary, existing recreational and water-dependent uses in accordance with those identified in the RECREATION AND OPEN SPACE element.

- Policy 2.2: The Town shall establish priorities for shoreline uses consistent with level of Service standards identified throughout all the elements of this Comprehensive Plan. These priorities shall be incorporated into the development review process.
- Policy 2.3: Conserve existing coastal resources along the Atlantic Ocean by promoting the maintenance and improvement of the beach area, public beach accesses, and areas surrounding surface water bodies under the Town’s jurisdiction (e.g., Pelican Lake).
- Policy 2.4: Promote unique and low-density residential development in the defined coastal area of Juno Beach in new developments, as well as, limited water-related, non-residential development in selected areas.
- Policy 2.5: The Town shall maintain criteria for marina siting consistent with the objectives and policies established in the Comprehensive Development Plan and incorporate these criteria into the development review process for future proposed marinas.
- Policy 2.6: The Town shall amend its land development regulations to provide for the required infrastructure necessary to serve development of the coastal area.
- Objective 3: The Town shall develop and maintain regulations to ensure that future development along its Atlantic beaches protects the fragile dune system, minimizes the impacts of manmade structures, and restores or alters beaches and dunes while, at the same time, providing for public access in accordance with the level of service standards established in this and other elements of the Plan.
- Policy 3.1: Vigorously enforce the Town’s 50-foot setback west of the CCCL as adopted by the Town when reviewing primary structures in both new development and redevelopment areas.
- Policy 3.2: Prohibit alteration of the beach area and dune system in future development and redevelopment that are in violation of the Coastal Construction Control Lines (CCCL), established by the State, or local regulations, unless it provides necessary access to coastal resources, abates serious and significant beach erosion, and does not significantly impact dune stabilization or marine and wildlife habitats. Beaches and dune alteration/nourishment projects shall be identified in the annual update to the 5-Year Schedule of Improvements with projected costs and sources of revenue.
- Policy 3.3: Require the rebuilding of the dune by property owners in areas where it has been damaged or destroyed, at such time as those areas are developed or redeveloped.

- Policy 3.4: Require public and private access to the beaches over the dunes only on raised boardwalks (dune walkovers) which do not deteriorate the dune when more than fifteen (15) dwelling units are to be served by such beach access.
- Policy 3.5: Erosion control programs to restore and preserve the beaches and dunes shall be supported, but erosion control measures shall be limited to those that do not adversely interfere with normal littoral processes, sea turtle nesting and hatching activities, or negatively impact coastal resources.
- Policy 3.6: Prohibit the destruction of any native vegetation along the seaward face of the dunes or on the beaches.
- Policy 3.7: Prohibit any motorized vehicles from operating on the dunes or beaches (except for maintenance, monitoring and policing purposes).
- Policy 3.8: Regulate the storage, placement or parking of watercraft or other recreational vessels and vehicles on the beach above the mean high water line.
- Policy 3.9: Maintain regulations that address the prevention of litter in the beach areas and strictly enforce said regulations.
- Policy 3.10: The following level of service standard is adopted for public access to the beach excluding future annexation areas: one (1) public beach access easement for every $\frac{3}{4}$ mile (3,960 feet) length of beach in the Town shall be provided.
- Policy 3.11: The Town shall require that any construction activities seaward of the Coastal Construction Control Lines established in s. 161.053 be consistent with Chapter 161, F.S.
- Policy 3.12: New development and redevelopment shall be consistent with, or more stringent than, the flood-resistant construction requirements in the Florida Building Code and applicable flood plain management regulations set forth in 44 C.F.R.60.
- Policy 3.13: The Town shall encourage participation in the National Flood Insurance Program Community Rating System administered by the Federal Emergency Management Agency to achieve flood insurance discounts for its residents.
- Objective 4: The Town shall amend its land development regulations when necessary, to ensure that development along its estuarine shoreline will not degrade water quality or destroy valuable coastal habitats.
- Policy 4.1: Ensure that the water quality is preserved in a high quality where the estuarine shoreline is developed or redeveloped.

- Policy 4.2: In the development or redevelopment of the estuarine shoreline, ensure that natural conditions are restored or enhanced.
- Policy 4.3: In an effort to maintain water quality standards and improve the estuarine environmental quality, the Town shall maintain landscaping regulations that promote the use of vegetation to help filter stormwater pollutants.
- Objective 5: To provide for public access to the Atlantic Ocean Beach and Intracoastal Waterway shoreline consistent with the public need.
- Policy 5.1: Consider acquisition by purchase or other means, when available, private accesses to the beach and shoreline areas for public use and access to these areas.
- Policy 5.2: Work with developers/landowners in new developments or in redevelopments, of existing areas within the coastal area to provide public access to the beach and shoreline. The Town shall incorporate into the development review process provisions for the dedication or improvement of public access easement for future development of the shoreline. The required dedications shall first be deemed consistent with and necessary to maintain the adopted Level of Service standard for public access.
- OBJECTIVE 6: To limit public expenditure of funds that subsidize development in the Coastal High Hazard Area (CHHA), except for restoration or enhancement of natural resources. Coastal High Hazard Area (CHHA) is an area particularly vulnerable to the effects of coastal flooding from tropical storm events and is the area below the elevation of the category 1 storm surge line as established by a Sea, Lake, and Overland Surges from Hurricanes (SLOSH) computerized storm surge model.
- Policy 6.1: Prohibit the location of infrastructure in the Coastal High Hazard Area and prohibit the expenditure of public funds for infrastructure in said locations.
- Policy 6.2: Solicit Palm Beach County to discourage expenditure of public funds in the expansion to that portion of road A-1-A located within the Coastal High Hazard Area.
- Policy 6.3: Inventory and identify all reimbursable improvements in the Coastal High Hazard Area that are potentially eligible for funding under provisions of the Federal Disaster Assistance Plan. The Town should map such reimbursable improvements for identification purposes.
- Policy 6.4: The Town shall restrict future development in the Coastal High Hazard Area (see Figure 9-1) through regulation of building practices, prohibiting encroachment on the dune system, providing for flood protection measures and

limiting public expenditure for infrastructure in the coastal area to those necessary to protect the general health, safety and welfare of the public.

- Objective 7: The Town shall maintain a hurricane evacuation plan that ensures that hurricane evacuation times within the Town will not exceed eight hours, by providing for evacuation assistance for the elderly and needy, coordinating evacuation procedures with other local agencies and providing for the continued maintenance and protection of designated evacuation routes.
- Policy 7.1: Identify residents in Juno Beach who require special assistance during emergency evacuation and provide the applicable civil and emergency management agencies with the same.
- Policy 7.2: During natural disaster emergencies, provide input to the emergency management center with regard to road conditions, accidents, flooding and other concerns.
- Policy 7.3: Coordinate with the County in the implementation of the Palm Beach County Comprehensive Emergency Management Plan (CEMP).
- Policy 7.4: The Town shall maintain its landscape regulations to encourage the proper trimming/pruning of vegetation along designated hurricane evacuation routes and provide information related to hurricane preparedness to Town residents.
- Objective 8: The Town shall provide for the protection, preservation and sensitive reuse of historic resources by identifying existing structures and areas deemed to have local historic significance.
- Policy 8.1: Identify areas in Juno Beach worthy of preserving their unique historical perspective and relationship to the Town that lie within the coastal area.
- Policy 8.2: Maintain regulations to preserve such historic areas, and that promote unique development and redevelopment of these areas consistent with environmental qualities of the coastal area.
- Objective 9: The Town shall maintain Level of Service standards for development in the coastal area and entire Town, per requirements of the State Planning Law.
- Policy 9.1: Level of Service standards shall be met in future development and redevelopment in the coastal area. Future development and redevelopment shall not be permitted in the Coastal High Hazard Area, unless where such redevelopment is necessary for the continued health, safety and welfare of the public.

- Objective 10: The Town shall develop a post-disaster plan per the development and redevelopment regulations established within the Town’s Code of Ordinances.
- Policy 10.1: The Town shall distinguish between immediate repair and cleanup actions needed to protect the public health and safety, and long term repair and redevelopment by abiding by the following criteria and procedures: 1) coordinate with service providers to mobilize crews, contractors and appropriate entities to assess and re-activate essential services (e.g., power, water, sewer, roads, cable, telephone, etc.) as part of the immediate repair and clean-up activities; 2) coordinate with other entities to issue press releases regarding establishment of a hotline for impacted residents to assess post-disaster damages; 3) cooperate and coordinate with FEMA, DEO, and the PBC Department of Public Safety, and Division of Emergency Management to perform inspections of damages; 4) based on the previous activities, have final repair and redevelopment of damaged facilities performed; and 5) the Town shall seek redevelopment funds to offset local costs of post-disaster redevelopment activities.
- Policy 10.2: The Town shall identify existing sources of Federal and State funding available for post-disaster redevelopment and provide public information that will assist in determining a facility’s potential for redevelopment.
- Policy 10.3: The Town shall evaluate the potential for post-disaster redevelopment by developing an inventory of compromised infrastructure, setting redevelopment priorities and distinguishing between cleanup actions and immediate repair.
- Policy 10.4: The Town shall evaluate and, where appropriate, incorporate the recommendations of inter-agency hazard mitigation reports into the Comprehensive Development Plan.
- Policy 10.5: The Town shall continue to evaluate the potential for redevelopment in areas where unsafe conditions or inappropriate land exist.
- Objective 11: To institute and maintain policies which are specifically designed to retain and enhance the existing beach and dune areas within the Town.
- Policy 11.1: The Town shall maintain liaisons between the County, State and Federal governments, and special taxing districts regarding programs available to preserve its beaches and coastal dune areas.
- Policy 11.2: The Town shall actively seek out such programs on beach/dune preservation.
- Policy 11.3: The Town shall actively seek assistance from the County, Special Taxing Districts, State and Federal agencies to obtain funds for beach and coastal dune restoration.

- Policy 11.4: This beach and dune preservation and restoration efforts where possible, shall be coordinated with neighboring Towns having similar beach and coastal dune impacts.
- Policy 11.5: All beach and dune preservation and restoration efforts shall be melded with existing plans to develop, improve, and provide for public access to Town beaches without harming or impeding the growth of flora on and about the dune areas.
- Policy 11.6: The Town shall establish a repository of information at the Town Center on coastal dune related issues such as, but not limited to, regulations, programs, dune preservation and restoration.
- Policy 11.7: From time-to-time the Town shall evaluate the status of the dune and beach system in Juno Beach.
- Policy 11.8: The Town shall promote beach clean-up programs throughout the year.
- Objective 12: The Town shall adopt and implement strategies which increase community resiliency and protect property, infrastructure, and cultural and natural resources from the impacts of climate change, including sea level rise, storm surge, high tide events, changes in rainfall patterns, and extreme weather events.
- Policy 12.1: The Town shall participate in the Southeast Florida Regional Climate Change Compact.
- Policy 12.2: The Town shall collaborate with Palm Beach County to increase regional resilience by sharing technical expertise, participating in annual summits, assessing local vulnerabilities, advancing agreed upon mitigation and adaptation strategies, and developing joint State and Federal legislation policies and programs.
- Policy 12.3: The Town shall coordinate with Palm Beach County, other local governments, and other Federal, State and Regional agencies, and private property owners to develop initiatives and goals to address climate change.
- Policy 12.4: To determine the coastal area at risk for flooding, the Town shall rely on the 1-foot, 2-foot and 3-foot sea level rise scenarios and maps identified in the Vulnerability Analysis provided by the Southeast Florida Regional Climate Change Compact. Maps identifying the 1-foot, 2-foot and 3-foot sea level rise scenarios can be found on Figures 9-2, 9-3 and 9-4. Based on these figures, the 1-foot level scenario is projected to occur between 2040-2070, the 2-foot level scenario between 2060-2115 and the 3-foot scenario between 2075-2150. The

1-foot, 2-foot and 3-foot level scenarios will be reviewed every seven (7) years as part of the EAR (Evaluation and Appraisal Report) update process.

- Policy 12.5: The Town shall coordinate with the Federal Emergency Management Agency (FEMA) and other applicable Federal, State and Local agencies and review entities to determine appropriate and safe development strategies, and to identify current inappropriate and unsafe development subject to risk from high tide events (Figure 9-5), storm surge (Figures 9-6, 9-7, 9-8, 9-9, 9-10), flash-floods, stormwater runoff and the related impacts of sea level rise as it relates to the Town.
- Policy 12.6: Although not currently impacted by the 1-foot, 2-foot and 3-foot sea level rise scenarios, high tide, and storm surge, any areas identified (areas of particular concern) by the Town (i.e., Police Department, Palm Beach County Fire Rescue, and The Waterford) affected by the 1-foot, 2-foot and 3-foot sea level rise scenarios also identified in the Vulnerability Analysis provided by the Southeast Florida Regional Climate Change Compact should be re-evaluated every seven years.
- Objective 13: Development and redevelopment in the coastal areas will be based on principle strategies and engineering solutions intended to eliminate inappropriate and unsafe development in those areas.
- Policy 13.1 The Town shall educate residents and potential developers of the strategies and engineering solutions, and direct development away from the coastal high hazard areas.
- Policy 13.2: Amend the SUPPORT DOCUMENTATION to the Town of Juno Beach Comprehensive Development Plan at least once every five (5) years beginning in Fiscal Year 2019/2020 to include a listing or map of those areas and properties where repetitive loss, as defined by FEMA, has occurred as a consequence of flooding or storm surge.
- Policy 13.3: The Town shall use the following provisions as a means to direct construction away from the Coastal High-Hazard Areas:
- a. Retain undeveloped lands in the Coastal High-Hazard Areas as public recreational sites or for other nonresidential uses.
 - b. Provide adequate evacuation routes in the event of an emergency, to include those areas located within the Coastal High-Hazard Areas.
 - c. All new development and redevelopment seaward of the Coastal Construction Control Line (CCCL) established pursuant to Section 161.053, F.S., shall comply with the requirements of Chapter 161, F.S. and the Coastal Regulations Code of the Town.
- Policy 13.4: To reduce risk of life and property from coastal flooding, the Town shall continue to enforce avoidance and accommodation strategies. These strategies

may include: the restoration of vulnerable areas to natural conditions; the acquisition or relocation of “at risk” structures, the elevation of existing structures, structural interior modification/retrofit measures, wet flood-proofing measures, and, dry floodproofing measures.

- Policy 13.5: The Town's land development regulations and Building Code shall be consistent with, or more stringent than, the flood-resistant construction requirements established in the Florida Building Code and applicable flood plain management regulations set forth in 44 Code of Federal Regulations (CFR), part 60.
- Policy 13.6: Buildings and structures in flood hazard areas not designated as Coastal A zones shall have their lowest floors elevated to or above the base flood elevation plus eighteen inches (18”) or the design flood elevation, whichever is higher.
- Policy 13.7: The Town shall review every two (2) years beginning in Fiscal Year 2019/2020, the National Flood Insurance Program Community Rating System (CRS) administered by FEMA, to determine whether or not its participation would be beneficial to the Town and its residents.
- Policy 13.8: The Town's regulations regarding expansion and reconstruction of non-conforming structures within the Coastal High-Hazard Areas shall specify that non-conforming structures may not be enlarged or altered, except in conformity with the Florida Building Code and FEMA flood restrictions and requirements; and, that any structure destroyed or damaged to an extent of more than fifty (50%) percent of its replacement cost at time of damage, shall not be constructed except in conformity with the Florida Building Code and FEMA flood restrictions and requirements.
- Policy 13.10: The Town shall maintain low-impact development design guidelines/standards, that were developed as part of its NPDES (National Pollution Discharge Elimination System) Stormwater Permitting Program, which reduce stormwater management loads and mitigate flooding impacts for new development or redevelopment within the coastal high hazard area determined to be vulnerable to high tide events, storm surge, flash floods, stormwater runoff and related impacts of sea level rise. Continue to implement low-design guidelines and standards identified the Code Review Attachment to the Town of Juno Beach Fiscal Year 17/18 Annual NPDES Report which are aimed at the following:
- 1) Reduction in impervious surfaces (Ref. Landscape/Open Space Requirements, Zoning Code where Total landscape area is defined as the minimum lot coverage plus impervious area divided by total lot area);

- 2) The use of swales (Ref. Subdivision and Platting Regulations, 15-10-10 - Swales and Swale Grades; and Zoning Code Sec 34-1084 - Landscape Requirements (d), Sec. 34-1088 - Design, installation, maintenance, irrigation and plant materials standards, and Sec. 34-1307 Landscaping of Streets; and,
- 3) Stormwater Control (Ref. Article VI. Nonconforming Status, Code of Ordinances.)

INTERGOVERNMENTAL COORDINATION

- GOAL:** A network of intergovernmental coordination mechanisms that effectively and efficiently addresses issues and needs necessary to implement the Goals, Objectives and Polices of this Comprehensive Development Plan; and, maintains the current character of the Town and the sustainable use of resources.
- Objective 1:** To maintain planning coordination with adjacent municipalities, Palm Beach County, the Palm Beach County School Board, State and Regional planning agencies, and current municipal service providers.
- Policy 1.1:** Coordinate, as appropriate, with North Palm Beach, Palm Beach Gardens, Jupiter, Palm Beach County, the Palm Beach County School Board, municipal service providers, the Transportation Planning Agency (TPA), Treasure Coast Regional Planning Council (TCRPC), South Florida Water Management District (SFWMD), and appropriate special districts regarding pending land use amendments and land development decisions within Juno Beach.
- Policy 1.2:** All relevant information, provisions, and services necessary for review and comment by affected governments shall, upon request, be supplied by the Town.
- Policy 1.3:** Notify applicable governments of pending planning or development activities on lands adjacent to the Town's limits which are being considered for annexation into the Town. Comments from adjacent jurisdictions shall be formally considered prior to making a land use planning or development decision in these areas.
- Policy 1.4:** Maintain an official annexation policy using methods and guidelines established by Florida Statutes and Palm Beach County.
- Policy 1.5:** Keep current with State regulations and requirements for group homes and assisted-living facilities.
- Policy 1.6:** Support programs that attempt to alleviate countywide housing problems, including the Community Development Block Grant Program and associated activities.
- Policy 1.7:** Support the Solid Waste Authority of Palm Beach County recycling program within the Town.
- Policy 1.8:** Work cooperatively with surrounding jurisdictions to provide a compatible traffic control system within the Town and surrounding areas.

- Policy 1.9: Formally consider and implement, when appropriate, Goals, Objectives and Policies of the Treasure Coast Regional Planning Council (TCRPC) during the land development decision-making process. The Town should utilize the TCRPC Regional Dispute Resolution Process (RDRP) to resolve conflicts with other local governments.
- Policy 1.10: As part of the site plan review procedures in the Juno Beach Comprehensive Zoning Ordinances, and land development process, the Town shall review proposed development for impacts and relationships to adjacent local governments. Comments from adjacent governments regarding proposed development in Juno Beach shall be formally considered prior to making a land use or development decision.
- Policy 1.11: Continue the current level of participation in the implementation of the Palm Beach County Housing Department of Housing & Economic Sustainability Action Plan Assistance Plan by updating and executing the current Interlocal Agreement upon request by the Palm Beach County Department of Housing & Economic Sustainability. Continue to participate with other local governments, under the direction of Palm Beach County, to maintain a “fair-share” program to address countywide low and moderate income housing needs.
- Policy 1.12: Require all applicants for development approval to procure written confirmation from the applicable water and wastewater service suppliers of availability of water and wastewater service prior to the issuance of a building permit. The developer shall also be required to provide written assurances, prior to issuance of a building permit, that water and wastewater service will be able to be provided to the proposed development.
- Policy 1.13: At the time of each required Evaluation and Appraisal Report (EAR), confirm the availability of water service consistent with the SFWMD Water Supply Plan and the Town of Jupiter Water Utilities and Seacoast Utility Authority Water Supply Facilities Plans.
- Policy 1.14: The Town shall request that the Town of Jupiter Water Utilities and Seacoast Utility Authority to provide assurances that there will be adequate potable water supply allocations available to meet future projected growth and development in Juno Beach, either through interlocal agreement, Ordinance or other effective means.
- Policy 1.15: Require coordination of the Town of Juno Beach "10-Year Water Supply Facilities Work Plan” with the Town of Jupiter Water Supply Facilities Plan, Seacoast Utility Authority's plans and the South Florida Water Management District's Lower East Coast Regional Water Supply Plan, and all future updates to these Plans.

- Policy 1.16: Continue participation in the Intergovernmental Plan Amendment Review Committee (IPARC) to review proposed changes to comprehensive plans of adjacent local governments and the plans of other units of local governments providing services, but not having regulatory authority over the use of land.
- Objective 2: To coordinate with applicable jurisdictions regarding the prevention of the formation of enclaves, pockets or other undesirable land configurations adjacent to or in proximity to the Juno Beach corporate limits.
- Policy 2.1: Actively participate in the comprehensive planning processes of North Palm Beach, Palm Beach Gardens, Jupiter, and Palm Beach County to identify areas in need of annexation.
- Policy 2.2: Actively participate in the comprehensive planning processes of Palm Beach County, North Palm Beach, Jupiter, and Palm Beach Gardens regarding the protection of existing land uses in Juno Beach from potential adverse impacts of development on properties in adjacent municipal jurisdictions.
- Objective 3: To establish Level of Service standards consistent with those of adjacent local governments and current service providers, while recognizing potential differences in local circumstances.
- Objective 4: To coordinate and cooperate with agencies and governments charged with planning responsibilities for infrastructure and services at all levels of government.
- Policy 4.1: Periodically evaluate and strengthen existing agreements, as necessary, in mutual aid for fire and police protection, emergency medical services and civil defense planning and preparedness communications.
- Policy 4.2: Maintain high standards and responsible performance in the development and execution of interlocal agreements with other jurisdictions.

CAPITAL IMPROVEMENTS

- GOAL:** The efficient provision of public facilities to residents of Juno Beach which protects investments in, and maximizes the use of, existing facilities, while promoting sustainable development and redevelopment.
- Objective 1:** To provide capital improvements that correct existing deficiencies, accommodate desired future growth, and/or replace worn-out or obsolete facilities, as indicated in the 5-Year Capital Improvement Plan (CIP) of this element.
- Policy 1.1:** The Town shall include all projects identified in the elements of this Comprehensive Development Plan that are determined to be of relatively large scale and high cost (\$10,000 or greater), as capital improvement projects for inclusion within the 5-Year Capital Improvement Plan. Capital costs shall be defined to include land and improvement costs, including necessary planning, feasibility and/or engineering studies related thereto.
- Policy 1.2:** The Town shall, as a matter of priority, schedule for funding any capital improvement project in the 5-Year Capital Improvement Plan which is designed to correct existing public facility deficiencies, including renewal and/or replacement.
- Policy 1.3:** A Capital Improvements Coordinating Committee shall be created, composed of the Town Manager, Finance Director, and operating department heads for the purpose of evaluating and ranking, in order of priority, projects proposed for inclusion in the 5-Year Capital Improvement Plan.
- Policy 1.4:** Proposed capital improvement projects shall be evaluated and ranked in order of priority, according to the following guidelines:
- (a) Whether the project is needed to protect public health and safety, to fulfill the Town's legal commitment to provide facilities and services, to preserve or achieve full use of existing facilities, including replacement or renewal, or eliminate capacity deficits;
 - (b) Whether the project increases efficiency of use of existing facilities, prevents or reduces future improvement costs, provides service to developed areas lacking full service, or promotes in-fill development,
 - (c) Whether the project represents a logical extension of facilities and services,
 - (d) Whether the project can be financed within the current or projected budgetary framework of the town,

(e) Whether the project recognizes and/or implements policies of the various Comprehensive Development Plan elements.

- Policy 1.5: The CAPITAL IMPROVEMENTS element, including the 5-Year Capital Improvement Plan shall be reviewed by the Capital Improvements Coordinating Committee on an annual basis, as part of the Town's annual budget procedure. Any revisions and/or amendments to the 5-Year Capital Improvement Plan shall be made at that time.
- Objective 2: To limit the expenditure of Town funds for public facilities within high hazard coastal areas, as identified in the COASTAL MANAGEMENT element, to those facilities over which Juno Beach has operational control.
- Policy 2.1: The Town shall continue to expend funds in high hazard coastal areas for replacement and renewal of existing public facilities.
- Policy 2.2: The Town shall continue to provide and require provision of recreational facilities within high hazard coastal areas by implementing a program providing for pedestrian walkways and dune walkovers.
- Policy 2.3: The Town shall continue to expend funds to maintain facilities and services at their existing levels of service, as defined in other elements of this Comprehensive Development Plan.
- Objective 3: To require the parties responsible for development and redevelopment to bear a proportionate cost of facility improvements in order to maintain adopted Level of Service (LOS) standards.
- Policy 3.1: The Town shall require provision of local street, drainage, water and sewer improvements in any new development.
- Policy 3.2: The Town shall require the dedication of public facilities lands, or fees in lieu thereof, as a means of meeting the need for additional General Administrative (including Recreation) and Police capital facilities generated by new residential projects.
- Policy 3.3: The Town shall require from new development and redevelopment the payment of General Administrative (including Recreation) and Police Impact Fees as a method of ensuring that such new development and redevelopment bears its pro rata share of the cost of maintaining the adopted Level of Service Standards for General Administrative (including Recreation) and Police facilities.

- Objective 4: To manage the Town’s fiscal resources to ensure the provision of necessary capital improvements, as per the 5-Year Capital Improvement Plan of this element.
- Policy 4.1: Prior to the issuance of certificates of occupancy, the Town shall ensure that all public facilities have been provided to serve development and redevelopment for which development orders were issued.
- Policy 4.2: In providing capital improvements, the Town shall limit general obligation debt to an amount equal to or less than 5% of the property tax base.
- Policy 4.3: The Town shall annually update the 5-Year Capital Improvement Plan as a part of its budgeting process.
- Policy 4.4: Efforts shall be made to secure grants or private funds, whenever available, to finance the provision of capital improvements.
- Objective 5: To base decisions regarding the issuance of development orders and permits on the coordination of the development requirements included in this Comprehensive Development Plan, the Town land development regulations, and the availability of necessary public facilities needed to support such development.
- Policy 5.1: The Town shall use Level of Service (LOS) standards adopted in the various elements of this Comprehensive Development Plan in reviewing the impacts of new development and redevelopment upon public facility provision.
- Policy 5.2: The town shall maintain an Adequate Facilities Ordinance to ensure that, at the time a development permit is issued, adequate facility capacity, meeting or exceeding the Town adopted Level of Service standards, is available, or will be available, concurrent with the impacts of development.
- Policy 5.3: The Town’s Level of Service (LOS) standard for Police Facilities shall be:
- | | |
|----------------------------------|--|
| Police Administrative Facilities | 868 square feet/1,000 population |
| Number of Uniformed Officers | One (1) uniformed officer/250 annual calls for service |
- Policy 5.4: New development and redevelopment orders and permits shall not be denied based upon the Town’s Level of Service (LOS) standard for Police facilities. The Police facilities LOS standard shall not be added to the Adequate Facilities Ordinance.

- Policy 5.5: Proposed Comprehensive Development Plan amendments and requests for new development or redevelopment shall be evaluated for applicability to the following guidelines, as to whether the proposed action would:
- (a) Result in a reduction of LOS standards or contribute to a problem condition, as described in the INFRASTRUCTURE element, and COASTAL MANAGEMENT element,
 - (b) Exacerbate any existing condition of public facility capacity deficits, as described in the INFRASTRUCTURE element; and RECREATION AND OPEN SPACE element,
 - (c) Generate public facility demands that may be accommodated by capacity increases planned in the 5-Year Capital Improvement Plan,
 - (d) Conform to future land uses as shown on the Future Land Use Map of the FUTURE LAND USE element, and public facility availability as described in the INFRASTRUCTURE (SANITARY SEWER, SOLID WASTE, DRAINAGE, POTABLE WATER, AND NATURAL GROUNDWATER AQUIFER RECHARGE) element,
 - (e) Adversely affect service levels anticipated in State agency facilities plans.
- Policy 5.6: Future development and redevelopment shall bear a proportionate cost of facility improvements in order to maintain adopted Juno Beach Level of Service Standards when approval of future development and redevelopment would create a violation of those LOS standards. Proportionate costs are defined to mean 100% of that amount necessary to ensure that Town Level of Service standards are maintained as a result of development approval for those facilities over which Juno Beach has operational control.
- Policy 5.7: If public facilities are provided, in part or whole, by the Town, financial feasibility must be demonstrated subject to this element.
- Policy 5.8: The Town shall impose Impact Fees on new development for new or expanded General Administrative (including Recreation) and Police facilities. Such Impact Fees shall not exceed a pro rata share of the reasonably anticipated cost of such facilities.

RESOLUTION NO. 2025-XX

A RESOLUTION OF THE TOWN COUNCIL OF THE TOWN OF JUNO BEACH, FLORIDA, CLARIFYING LEGISLATIVE INTENT BEHIND THE TERM HARMONY WITHIN CHAPTER 34, "ZONING," OF THE CODE OF ORDINANCES, AS IT APPLIES TO APPEARANCE REVIEW OF SINGLE FAMILY DWELLINGS; PROVIDING FOR IMPLEMENTATION AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, Article VIII of the State Constitution and Chapter 166, Florida Statutes provide that municipalities shall have the governmental, corporate, and proprietary powers to enable them to conduct municipal government, perform municipal functions, and render municipal services, and may exercise any power for municipal purposes, except when expressly prohibited by law; and

WHEREAS, the Town Council of the Town of Juno Beach, Florida (the "Town Council") as the governing body, pursuant to the authority vested in Chapter 163 and Chapter 166, Florida Statutes, is authorized and empowered to consider changes to its land development regulations; and

WHEREAS, the Town Council adopted Division 4, "Site Plan and Appearance Review," of Article II, "Administration and Enforcement," of Chapter 34, "Zoning," of the Town Code of Ordinances, "(1) To ensure the best use and the most appropriate development and improvement of each lot in the town; (2)To protect the owners of lots to ensure that the use of surrounding lots will maintain or improve property values; (3)To ensure the erection thereon of well-designed and proportioned structures built of appropriate materials; (4)To preserve, as far as practicable the natural features and beauty of said property; (5)To obtain harmonious architectural themes; to encourage and secure the erection of attractive structures thereon, with appropriate locations thereof on lots; (6)To secure and maintain proper setbacks from streets and adequate open spaces between structures; and (7)In general, to provide adequately for a high type and quality of improvement in said property, and thereby enhance the property values and the quality of life in the town," as stated in Section 34-115, Town Code of Ordinances; and

WHEREAS, the Town Council adopted Ordinance 421 at second and final reading on February 19, 1992, which, among other items, established appearance and site plan review criteria for new developments and included the criteria, "is of a design and proportion which enhances and is in harmony with the area;" and

WHEREAS, the Town Council adopted Ordinance 763 at second and final reading on July 26, 2023, which, among other items, provided a definition of the term harmony, which "means a quality which produces an aesthetically pleasing whole as in an arrangement of varied architectural and landscape elements. Harmony can be achieved through the proper consideration of scale, mass, bulk, proportion, height, orientation, site planning, landscaping, materials and architectural components, including, but not limited to, porches, roof types, fenestration, entrances and stylistic expression;" and

1
2 **WHEREAS**, the Town Council adopted Ordinance 780 at second and final reading
3 on January 24, 2024, which provided clarification on the assessment of harmony during
4 appearance reviews by specifying, “the comparison of harmony between buildings shall
5 consider the preponderance of buildings or structures within 300 feet from the proposed
6 site of the same zoning district;” and
7

8 **WHEREAS**, the Town Council now desires to clarify its legislative intent for
9 appearance reviews and the determination of whether harmony has been achieved does
10 not require neighboring properties to be of the same or similar overall square footage;
11 and
12

13 **WHEREAS**, the Town Council desires to further clarify its legislative intent for
14 appearance reviews and the determination of whether harmony has been achieved must
15 address adverse physical or visual impacts as permitted under Florida Statutes, the Town
16 Comprehensive Plan, and the Town Code of Ordinances; and
17

18 **WHEREAS**, the Town Council recognizes that the Town’s planning and zoning
19 department may properly consider the plain language of the Town Code of Ordinances
20 to administer appearance reviews and utilize any expert consultants as may be necessary
21 in the review of individual applications to determine whether harmony has been achieved
22 as defined in the Town Code of Ordinances; and
23

24 **WHEREAS**, the Town Council determines that the adoption of this Resolution in
25 the best interest of the Town of Juno Beach.
26

27 **NOW THEREFORE, BE IT RESOLVED BY THE TOWN COUNCIL OF THE**
28 **TOWN OF JUNO BEACH, FLORIDA, as follows:**
29

30 **Section 1.** The foregoing recitals are hereby ratified as true and correct and are
31 incorporated herein.
32

33 **Section 2.** The Town Council hereby clarifies its legislative intent for
34 appearance reviews and the determination of whether harmony has been achieved does
35 not require neighboring properties to be of the same or similar overall square footage and
36 recognizes that the Town’s planning and zoning department may properly consider the
37 plain language of the Town Code of Ordinances to administer appearance reviews and
38 utilize any expert consultants as may be necessary in the review of individual applications
39 to determine whether harmony has been achieved as defined in the Town Code of

TOWN OF JUNO BEACH, FLORIDA

ORDINANCE NO. ____

AN ORDINANCE OF THE TOWN COUNCIL OF THE TOWN OF JUNO BEACH, FLORIDA, AMENDING DIVISION 4, "SITE PLAN AND APPEARANCE REVIEW," OF ARTICLE II, "ADMINISTRATION AND ENFORCEMENT," OF CHAPTER 34, "ZONING" OF THE TOWN CODE OF ORDINANCES TO PROVIDE FOR APPEARANCE REVIEW OF SINGLE FAMILY DWELLINGS TO BE SUBJECT TO ADMINISTRATIVE REVIEW AND APPROVAL AND CLARIFYING COMPLIANCE OF APPEARANCE REVIEW WITH RELEVANT FLORIDA STATUTES; PROVIDING FOR CONFLICTS, SEVERABILITY, CODIFICATION AND AN EFFECTIVE DATE

WHEREAS, Article VIII of the State Constitution and Chapter 166, Florida Statutes provide that municipalities shall have the governmental, corporate, and proprietary powers to enable them to conduct municipal government, perform municipal functions, and render municipal services, and may exercise any power for municipal purposes, except when expressly prohibited by law; and

WHEREAS, the Town Council of the Town of Juno Beach, Florida as the governing body, pursuant to the authority vested in Chapter 163 and Chapter 166, Florida Statutes, is authorized and empowered to consider changes to its land development regulations; and

WHEREAS, Section 163.3202(5)(a), Florida Statutes, prohibits a municipality from applying land development regulations relating to building design elements, as defined therein, to a single-family or two-family dwelling, subject to certain exceptions set forth therein; and

WHEREAS, the Town Council wishes to amend Division 4, "Site Plan and Appearance Review," of Article II, "Administration and Enforcement," of Chapter 34, "Zoning," of the Town Code of Ordinances by recognizing the existence of Section 163,3202(5)(a), Florida Statutes, and the preemption contained therein without exempting single-family and two-family dwellings from appearance review; and

WHEREAS, the Town Council wishes to further amend Division 4, "Site Plan and Appearance Review," of Article II, "Administration and Enforcement," or Chapter 34, "Zoning," of the Town Code of Ordinances by modifying appearance review of single-family dwellings to be subject to administrative review and approval by the Planning and Zoning Director rather than requiring a public hearing before the Planning and Zoning Board; and

1 WHEREAS, the Town’s Planning and Zoning Board, as the Local Planning
2 Agency, has conducted a public hearing on this Ordinance and provided its
3 recommendation to the Town Council; and
4

5 WHEREAS, the Town Council has determined that adoption of this Ordinance is
6 in the best interests of the general welfare of the Town of Juno Beach.
7

8 NOW, THEREFORE, BE IT ORDAINED BY THE TOWN COUNCIL OF THE
9 TOWN OF JUNO BEACH, FLORIDA as follows:
10

11 **Section 1.** The foregoing “Whereas” clauses are hereby ratified as true and

21 **Sec. 34-116. Required; criteria.**
22

23 No construction or clearing of land may begin in any district prior to review and approval
24 of the site plan and appearance. The review shall consist of:
25

- 26 (1) Consideration of the application by the development review committee (DRC),
27 which may recommend approval, denial, or approval with modifications and/or
28 conditions;
- 29 (2) Consideration of the application by the town planning and zoning board, which
30 may recommend approval, denial, or approval with modifications and/or
31 conditions; and
- 32 (3) Final review and approval or denial, or approval with modifications by the town
33 council. Single-family detached dwellings not located within an approved
34 planned unit development shall be subject to appearance review and
35 approval or denial, or approval with modifications by the town planning and
36 zoning board ~~director~~, with site plan review by the town planning and zoning
37 department. Single-family dwellings within an approved planned unit
38 development shall be subject to site plan and appearance review and
39 approval only by the town planning and zoning department in accordance with
40 the established design criteria. The criteria to be used in this review shall be
41 to ascertain that the proposed site plan for new development meets the

1. Is of an architectural style representative of or reflecting the vernacular of Old Florida style which is indigenous to the town and which is commonly known and identified by its late Victorian (Key West Cracker), Spanish revival (Mediterranean), Modern (early to mid-20th century), or combination thereof style of architecture. Summarized briefly, common features of the vernacular of Old Florida style that identify the Victorian (Key West Cracker), and Spanish revival (Mediterranean) architectural style include wood or concrete block with stucco siding; simple pitched roofs; tile, metal, or asphalt roofs; ornate details such as but not limited to exposed soffits, individualized vent and louver shapes, reliefs, and detailed window and door treatments; lush landscaping with private yards; and use of porches, balconies and patios. Common features of the vernacular of Old Florida Style that identify the Modern (early to mid-20th century) architectural style include clean geometric lines, often at right angles; an emphasis on function; materials such as glass, steel, iron, and concrete; and the use of natural light through large and expansive windows. The aforementioned architectural styles shall be considered preferred, but not required to the extent that the town is preempted from consideration of building design elements, as defined in Section 163.3202(5)(b)1, Florida Statutes, in review and approval of single-family or two-family dwellings;

2. Is of a design and proportion which enhances and is in harmony with the area. The concept of harmony shall not imply that buildings must look alike or be of the same style. Harmony can be achieved through the proper consideration of setback, scale, mass, bulk, proportion, overall height, orientation, site planning, landscaping, materials, and architectural components including but not limited to porches, roof types, fenestration, entrances, and stylistic expression, except to the extent any of the aforementioned factors may be preempted from consideration by Section 163.3202(5)(a), Florida Statutes in the review and approval of single-family or two-family dwellings. For the purpose of this section, the comparison of harmony between buildings shall consider the preponderance of buildings or structures within 300 feet from the proposed site of the same zoning district;

3. Elevator and stairwell shafts and other modern operations and features of a building shall be either completely concealed or shall incorporate the elements of the architectural style of the structure; rooftop equipment and elevator and mechanical penthouse protrusions shall be concealed; and parking garages and other accessory structures shall be designed with architectural features and treatments so that they are well proportioned and balanced and in keeping with the architectural style of the principal

1 structure, except to the extent any of the aforementioned factors
2 may be preempted from consideration by Section 163.3202(5)(a),
3 Florida Statutes in the review and approval of single-family or two-
4 family dwellings;

5
6 4. Shall have all on-site structures and accessory features
7 (such as but not limited to light fixtures, benches, litter containers,
8 including recycling bins, traffic and other signs, letter boxes, and
9 bike racks) compatible in design, materials, and color, except to the
10 extent any of the aforementioned factors may be preempted from
11 consideration by Section 163.3202(5)(a), Florida Statutes in the
12 review and approval of single-family or two-family dwellings;

13
14 5. Shall have a design in which buildings over 40 feet in height
15 shall appear more horizontal or nondirectional in proportion rather
16 than vertical, accomplished by the use of architectural treatments
17 as described in these criteria, except to the extent any of the
18 aforementioned factors may be preempted from consideration by
19 Section 163.3202(5)(a), Florida Statutes in the review and approval
20 of single-family or two-family dwellings;

21
22 6. Shall locate and design mechanical equipment with
23 architectural treatments so that any noise or other negative impact
24 is minimized;

25
26 7. Complies with the town's community appearance standards
27 (see article IV, division 14 of this chapter).

“Reconsider the Vote” on the 3 changes to our Zoning Code to complete due diligence on litigation risk and financial exposure of that risk:

A. Legal Analysis of Litigation Risk & Costs

The Town Staff should **not** proceed with drafting, and Town Council should not proceed with adopting zoning-code amendments until a full legal risk assessment is completed. Specifically, the Council should:

1. **Obtain a formal written legal opinion from the Town Attorney** evaluating:
 - The litigation risk created by SB 180; The likelihood that unrelated third parties could file suit; The financial exposure (attorney fees, potential prevailing-party fees, uninsured losses); and The specific risks associated with the **six-paragraph motion** approved 3–2 on November 12, 2025.
2. **Require the opinion to include strategies to reduce litigation risk**, including whether delaying any action until statewide uncertainty around SB 180 is resolved would substantially lower the Town’s exposure.

B. Land Use Planning Analysis Needed Before Any Ordinance Drafting

If the legal analysis shows that the Council may proceed—and the Council elects to do so despite the risks—the next step must be to:

3. **Engage an experienced land use planning firm** to assist with drafting ordinance language.
Professional planning support is essential because zoning amendments are permanent, high-impact policy decisions. A qualified planner would ensure that any code amendments:
 - Comply with our Comprehensive Plan; Follow planning and regulatory best practices;
 - Provide clarity and internal consistency; Avoid unintended impacts across zoning districts; incorporate defensible standards; and
 - **Mitigate litigation risk** through precise, defensible, and technically sound language.

C. Timing Strategies to Reduce Litigation Risk

To further minimize exposure under SB 180, the Town Council should delay zoning-code amendments until:

4. **The constitutional challenge to SB 180 is resolved**, clarifying whether the law is enforceable; or
5. **The 2026 Legislative Session (beginning in January) determines whether corrective legislation will modify or narrow SB 180.**

Waiting for these two developments would significantly reduce the probability that any new Town ordinance becomes the target of SB 180 litigation.

Audit and Disclosure Requirement

At minimum, if the Town Council chooses to move forward **before** these legal uncertainties are resolved, then:

- The Town Attorney must provide a written opinion quantifying the financial exposure; and
- This exposure must be included in the Town's **annual audit disclosures** as a significant, known legal and financial risk created by Council action.

Workshop 12-3-2025**To: Town Council****From: Diana Davis, Vice Mayor Pro Tem****Correction to the proposed Organizational Chart.**

First, the highest authority in Florida makes it clear that it is the residents, our voters and taxpayers, who belong at the top of our organizational chart.

Article I, Section 1 of the Florida Constitution begins with a simple, powerful statement:

"All political power is inherent in the people."

That is the foundation of every decision we make. The power we exercise does not originate with Council or staff — it comes from the people of Juno Beach, who have delegated authority to us through their votes.

- First Tier are "Residents of Juno Beach."
- Second Tier are "Town Council."
- Third Tier are Town Manager – Town Attorneys, then staff groups.

MEMORANDUM

To: Town Council - Mayor Wheeler, Vice Mayor Callaghan, Councilmember Hosta, and Councilmember Halpern

From: Vice Mayor Pro Tem Diana Davis

Date: December 3, 2025

Subject: **Litigation Risk Assessment for Drafting New Zoning Ordinances Under Florida Senate Bill 180 (SB 180)**

I. Purpose of This Memo

This memorandum outlines the **significant litigation risks** associated with drafting or adopting new zoning ordinances at this time, due to the **Florida Senate Bill 180**, which substantially expands standing, increases exposure to attorney-fee claims, and creates an environment where **frivolous or opportunistic litigation cannot be prevented**.

The Town Council in our Town Charter is given a fiduciary responsibility to our residents. This responsibility requires that the financial burden of potential litigation risk be included within the discussion for actions to adopt changes to our zoning code. This memo questions whether the Council persons who voted to adopt three new zoning ordinances included within their deliberations at the November 12, 2025, meeting to determine the potential financial burden of the litigation risk that the Town was assuming by this action.

II. Overview of SB 180 and Its Expanded Litigation Exposure

SB 180 (2023) fundamentally changed Florida's zoning litigation landscape by:

- **Eliminating traditional standing requirements (page 36, lines 1041-1043).**
A person or entity **does not need to be an affected party**, adjoining owner, or property-owner within the municipality to file suit.
- **Permitting lawsuits by unrelated outside entities.**
This opens the door to lawsuits filed by parties with **no connection to Juno Beach**, similar to past "cottage industry" litigation—such as the well-known wave of lawsuits from individuals who sued many municipalities over ADA website compliance costing hundreds of thousands of dollars to the municipalities.
- **Mandating prevailing-party attorney fees (page 36, line 1041 – page 37-line 1066).**

If the challenger prevails **in whole or in part**, the Town must pay **their attorney fees in addition to our own defense costs**.

- **Removing most municipal immunities.**

These suits are **not covered by standard municipal insurance**, including the Town of Juno Beach's liability policies; the Town pays entirely out-of-pocket.

This statutory environment makes even a **meritless lawsuit** costly to defend and difficult to dismiss early.

III. Practical Implications: You Cannot Prevent Frivolous or Opportunistic Lawsuits

Under SB 180:

- Anyone, anywhere in Florida, can sue a municipality for adopting or enforcing zoning regulations.
- The plaintiff does **not** need to show injury, property impact, or any nexus to Juno Beach.
- The Town cannot screen or preempt filing through procedural defenses that were available before SB 180.
- Plaintiffs can be advocacy groups, political organizations, or individuals with **no stake in Juno Beach's built environment**.

This is the same dynamic previously seen in the *ADA website litigation wave*, in which one or two individuals sued many municipalities for hundreds of thousands of dollars each.

SB 180 recreates this environment—this time targeting land development regulations.

IV. Risk to the Town if We Proceed with New Zoning Ordinances Now

1. Mandatory Repeal of Adopted Codes

If any portion of the new ordinances is successfully challenged, the court may order repeal of the adopted regulations. Because the proposal before Council involves **three new zoning ordinances**, this exposes multiple sections of our code to invalidation.

2. Spillover Risk to Other Zoning Districts

If litigation invokes SB 180 and challenges the validity, enforceability, or procedural compliance of the Town's zoning framework, this could endanger:

- Architectural review standards
- Harmony review criteria
- Appearance review provisions

- Definitions and tables that apply across zoning districts

Even if the litigation begins in one district (e.g., single-family), the **entire chapter** becomes vulnerable once it is opened.

3. Financial Exposure: Attorney Fees and Uninsured Losses

Because these suits are **not covered by the Town's insurance**, Juno Beach would pay:

- All of our attorneys' fees to defend the case
- Potentially **the plaintiff's attorney fees** if we do not prevail completely
- Staff time, consultant costs, and delays in processing applications

For a small municipality, even one such action could exceed tens or hundreds of thousands of dollars.

4. Increased Uncertainty for Residents and Developers

Paradoxically, the effort to "clarify" or revise certain standards may lead to:

- Greater regulatory uncertainty due to the threat of code sections being stricken
- Confusion among applicants, builders, and residents
- Delayed projects during litigation
- Risk of inconsistent application of remaining code provisions

This is especially concerning because the proposal affects code sections central to **mass, bulk, scale, architectural design, and appearance**—the very standards that protect existing homeowners.

V. Timing Concerns: Active Lawsuit Against the State and Forthcoming Legislative Session

Two major factors suggest that **waiting** is the prudent and fiscally responsible choice:

1. Ongoing Constitutional Challenge to SB 180

A lawsuit has already been filed challenging SB 180 as unconstitutional state overreach into local zoning powers.

Until the courts rule, municipalities statewide face uncertainty.

2. Legislative Session Begins in January

Multiple legislators have signaled interest in introducing corrective legislation to fix or narrow SB 180.

Possible outcomes include:

- Reinstating traditional standing
- Removing mandatory attorney fees
- Clarifying the scope of permissible challenges
- Limiting suits to affected parties

Waiting 60–90 days could dramatically reduce the Town’s exposure.

VI. Key Policy Question: Will Drafting New Ordinances Now Expose the Entire Zoning Chapter?

Yes.

Drafting any new zoning ordinance invites scrutiny of:

- The new language
- The procedural process
- The underlying zoning framework

If challenged, a court may review the entirety of the zoning chapter, which may lead to:

- Invalidation of related sections
- Repeal of vital protective standards
- Collateral impacts on commercial, multifamily, and single-family districts

This risk is **substantial** and **cannot be quantified** at this time.

VII. Conclusion and Recommendation

Given the expansion of standing, the prevalence of opportunistic litigation, the uninsured exposure to attorney-fee awards, and the active statewide uncertainty surrounding SB 180, **proceeding now with new zoning ordinances presents extreme litigation risk.**

The potential financial exposure to the Town is unknown and potentially very large. The potential regulatory damage—including invalidation of code sections unrelated to the proposal—is equally uncertain.

Recommendation:

The Town Council should **delay any zoning-code amendments** until:

1. The constitutional challenge to SB 180 is resolved; or
2. The 2026 Legislative Session clarifies or amends SB 180; or
3. Engage a land use planner to assist in drafting the proposed ordinance language to prevent unwanted consequences for ordinance and code amendments that will be forever decisions for the Town. A land use planning firm, if engaged to help with code language drafting can assure that the language complies with our comprehensive plan, incorporates planning best practices, provides clarity, mitigates to provide a lower risk of litigation, responsive to modern trends, and gives the Town operational flexibility.

*At minimum, if the Town Council proceeds despite the legal risks, we need a Town Attorney opinion that quantifies the financial exposure of the potential SB 180 litigation, and this financial exposure should be reported in the Town's **annual audit disclosure** as a significant known legal exposure created by Council action.

From: *Jim L. Ehret, P.E.*- Member of Juno Beach P&Z 2024- to present

Date: December 9, 2025

Re: Request to Reconsider Recent Ordinance Restricting Full Harmony Review of Residential Projects

Dear Mayor Wheeler, Vice Mayor Callaghan, and Councilmember Hosta:

I am writing to respectfully request that the Council reconsider its recent ordinance that effectively eliminates the Town’s ability—through both the Planning & Zoning Board and the P&Z Department—to conduct meaningful Architectural and Harmony Reviews for new residential construction.

At the October 2025 Council meeting, Vice Mayor Callaghan introduced a motion that significantly reduced the Town’s design oversight. By limiting review primarily to minimum setback compliance, the ordinance removes the ability to evaluate important issues such as size, bulk, massing, scale, and proportionality of new homes. As a result, houses of 5,000–8,000 square feet can now be built directly beside homes that are a fraction of that size. This is, in effect, a “supersizing” of Juno Beach—creating oversized residential structures that are inconsistent with the character of our historic, small-scale seaside community.

It appears you slipped this approval so it cannot be changed for few years by New Florida Law 180 to help rebuild many areas of the states impacted by hurricanes. And 2 of you are not even going for reelection.

As a volunteer member of the Juno Beach Planning & Zoning Board for the past two years, I have seen firsthand the value of a thoughtful, well-managed review process. Contrary to the narrative pushed by the Property Rights campaign, the P&Z Board has approved more than 90% of residential applications during my tenure, with applicants willingly adopting constructive suggestions to improve design harmony. The claim that homeowners were being prevented from improving or enlarging their homes was inaccurate and misleading.

I am deeply concerned that the recent ordinance moves the Town in a direction that is not supported by most residents. This community turned out in large numbers this spring and summer to voice their desire to preserve Juno Beach’s character. Yet the Council’s actions appear more aligned with the interests of developers and real estate groups who favor much larger, more intensive development.

The impact of these decisions is already visible in Juno Beach. The scale and mass of the Carretta development have forever dramatically altered the character of our primary entrance into Town. I am equally concerned that the same incentives and density allowances championed in the flawed Treasure Coast proposal could be pursued for Plaza La Mer, now under new ownership. The precedent set by the “White Monster”—with 95 units of 2,600–3,400 square-foot condominiums selling for over \$1,000 per square foot and offering limited views—suggests that similar oversized development pressures will continue.

Not look forward to another election where last mayor race had over 10 negative ad post cards from Tallahassee veiled PACs. It was embarrassing to see this in our area, likely all driven by outside major profit seekers looking for incentivized deals.

For these reasons, I ask that at least one of you introduce a motion to reconsider the vote eliminating full architectural and harmony review for single-family homes. Restoring this review process would align the Council’s actions with the clear preferences of Juno Beach residents and uphold the Town’s long-standing commitment to maintaining our unique coastal character.

Being in high end construction for over 40 years, I am really concerned the pressures that future Council Members must be getting from Outside Interests in back room deals. We will then become like most over developed Florida seaside towns then.

Thank you for your consideration. I remain committed to serving this community and stand ready to assist in any way that helps Juno Beach remain the special place it has always been.

One of you DO THE RIGHT THING and reconsider your vote December 10th Town Council Meeting.

I WISH TO SPEAK

Good evening. My name is William Kimball, and I am a lifelong resident of Juno Beach.

I come before you tonight to explain why harmony needs to be preserved in our code—why harmony must be considered by all of us here in this room, by everyone watching on YouTube, by our council, our town manager, our attorneys, our town staff, every single person who lives here, and every person who visits. We all need to recognize the heritage, the history, the environment, and the incredible responsibility we have as individuals in a small beach town to save a piece of the world. Not just this state, not just this town—the world.

For a community that is only a 9.5-mile stretch, we are a critical global nesting site for loggerhead turtles.

If you really look at the global significance, Florida beaches—including Juno Beach—host about 90% of U.S. loggerhead nests and roughly 40% of all loggerhead nests worldwide. That alone shows the crucial role we play. This is what we have right now. This is what we protect. When we look to the future, we must look to these species. And we must also understand the context in which we stand today. From the 1970s to 2020, 73% of all wildlife on Earth has disappeared. Eighty-five percent of that loss has been in freshwater species. Tragically, 95% of wildlife in the Caribbean—our own backyard—is gone.

This blue water that comes in here—this coastline, this ecosystem—it is up to us to protect it.

So instead of focusing on financial gain, the new car, the buildings, the material things, we need to come together and realize that we *can* make a difference. We must make that difference as a community. And by doing so, we become a beacon to the communities around us—an example that says: We can. We should. And we will fight for this. It's not about who you are. It doesn't matter what party you represent. It doesn't matter what opinions you hold. Materialistic things are fine to have—but at the end of the day, they become rust and dust.

What echoes into eternity is the wildlife around us—the creatures that share this place with us. And they are disappearing at a rate that is not sustainable. Think about it: in just fifty years, 73% gone. That cannot continue. We have twenty-five, maybe twenty-six, twenty-seven years left at this rate. It is simply not sustainable.

We have to make a difference right here in our community.

So tonight, council members, I ask you: those of you who did not look at Harmony thoroughly and thoughtfully, please make the right choice. Let us choose harmony—not chaos. Let us stand on the side of life and stand behind protecting it.

I greatly appreciate your input, but you must listen to the people. I know there are differing viewpoints, but this is something we face together as a human race. It is bigger than any one of us.

So please, to everyone in the audience: get behind this. Get behind not just Harmony, but making a difference in your community. Let's fight to save the open spaces we still have. For such a small town, we hold one of the *largest* amounts of conservation land per acre along our stretch of coast.

Those are my words tonight—words of life and inspiration. Thank you for listening. Let's move forward, together, and make a difference in this life.

Public Comment / Question

At this time, I believe the Town Council should make NO to changes to any commercial or residential zoning rules for Juno Beach.
Why?

1)Two of our current Town Council members are stepping down. If you change zoning rules now, that leaves any issues or problems left on the doorstep of our NEW council members. That's not fair.

2)State Bill 180 prohibits changes that are "more restrictive and burdensome." That means that any changes to zoning, with SB 180 in play, can only result in zoning rules that are more lenient and potentially unrestrictive.

Example: Creating "Unenforceable" or Optional Appearance reviews for single family homes will result in builders ignoring the "suggested" rules.

3)Commercial zoning rules in our town makes no sense. I'm still scratching my head to figure out how "Commercially Zoned" property can have 75% residential and ONLY 25% commercial. If it is zoned commercial, it should be ALL commercial.

Workshop 12-3-2025 § 12-10-2025

To: Town Council

From: Diana Davis, Vice Mayor Pro Tem

Correction to the proposed Organizational Chart.

First, the highest authority in Florida makes it clear that it is the residents, our voters and taxpayers, who belong at the top of our organizational chart.

Article I, Section 1 of the Florida Constitution begins with a simple, powerful statement:

"All political power is inherent in the people."

That is the foundation of every decision we make. The power we exercise does not originate with Council or staff — it comes from the people of Juno Beach, who have delegated authority to us through their votes.

- First Tier are "Residents of Juno Beach."
- Second Tier are "Town Council."
- Third Tier are Town Manager – Town Attorneys, then staff groups.

Motion to ask Staff to accomplish the following 6 things:

1. Create an Ordinance that amends the Zoning Code to return Appearance Review for single family detached homes to the town Planning & Zoning Department and removes it from the responsibilities of the Planning & Zoning Board.

2. Create an Ordinance that adds clarifying language to our Zoning Code stating the original intent is to be followed when judging Harmony for single family homes, which is that the Harmony requirements adopted in 1992 restricted the APPEARANCE of a proposed home (no castles or domes), but not the SIZE, MASS, BULK, SCALE, or PROPORTION of the home.

3. Publicize the existing Zoning Code restrictions on house sizes by the height and lot coverage limits, and minimum setbacks listed for the various zoning districts.

4. Publicize that the existing Harmony definition and statements in our Code regarding aesthetically pleasing buildings, etc. are informational regarding the intent of town codes, but not enforceable requirements.

5. Create an Ordinance that revises the architecture requirements in our Zoning Code to clarify that "building design elements" are not to be used in staff decision making as to whether a proposed single family detached home is acceptable.

6. Continue with current plans to encourage voluntary compliance with the town's preferred architectural styles such as with the Pattern Book now being produced.

REVISED STATEMENT FOR COUNCIL – URGING RECONSIDERATION

Tonight, I am asking the Town Council to **reconsider the vote** to draft three ordinances that would permanently change our zoning codes by removing appearance review for single-family homes — including architectural review, harmony review, and our resident Planning and Zoning Board review.

Before we take any step toward writing ordinances, we must admit a simple truth: **We do not have agreement on the basic facts needed to make this decision.**

Our *former* Town Attorney, Len Rubin and Land Use Attorney, Nancy Stroud, have said our codes are **legal**.

Our Town staff has publicly stated the opposite.

Residents cannot be asked to trust this process when even the leadership cannot agree on the underlying facts.

That is why the first step must be a **fresh review by our new Town Attorneys**, specifically on the following questions:

A. New Attorneys’ Legal Analysis – Required Before Any Action

1. Are our codes legal or illegal?

Former attorneys say **yes**, staff says **no**.
We need a clear, unified answer.

2. Can Juno Beach continue architectural review under F.S. 163.3202?

That statute restricts municipal review of “building design elements” but also contains **important exceptions**. Legislative history suggests our codes are sufficient.
Do our existing codes fall within those exceptions given the authorities give for appearance review to our planning & zoning board in 34-28?

3. Is our harmony review—mass, bulk, scale, and context—legal?

It has been in our code in different forms for decades and the latest changes have been used successfully in 19 reviews with only one denial.
If staff does not feel they can make the “subjective” reviews, can we use **outside architectural experts**, with costs passed through to the applicant?
Many cities do this.

4. What are the legal implications of reverting back to the 1992-style review?

Those reviews existed when homes were smaller due to septic tanks and no sewers, and when some neighborhoods still had covenants controlling height and form.

Is it legally sound to adopt outdated standards that no longer match today's built environment?

5. Could homeowners have a claim against the Town if their property loses value because we removed architectural and appearance review?

If dropping these protections causes a proven decrease in value, **who can sue, and on what grounds?**

6. Only when these questions are answered can we have a true "meeting of the minds."

Right now, we are moving forward on **false premises** —

- that harmony review "takes away property rights," even though Attorney Rubin repeatedly said this is not true;
- that our appearance codes are "illegal," despite two municipal attorneys and one land-use attorney saying otherwise;
- and that our 300-foot context review is impermissible, though no clear legal explanation has been provided.

The Town's newsletter, the Mayor's comments, the petition circulated by maximum-square-footage advocates, and even the Town website have all presented information that is disputed or inaccurate.

This has divided our community.

A new, independent legal review is not optional — we **owe clarity to our residents.**

B. Land Use Planning Analysis Before Any Ordinance Drafting

If, and only if, the legal review is completed and shows the Council should proceed:

We must then bring in a **professional land-use planning firm** to help draft any ordinance language.

These decisions are **forever decisions.**

A qualified planner will ensure that amendments:

- Comply with our Comprehensive Plan
- Follow planning best practices
- Avoid unintended impacts across zoning districts
- Use clear, defensible standards

- Preserve the character of Juno Beach
- Reduce—not increase—legal vulnerability

No planner has been engaged, and yet we are on the path to drafting ordinances.

This is backwards.

C. Timing and Practical Impact Questions That Must Be Answered

Before any ordinance drafting begins, we need clear answers:

1. How large will new structures actually become if appearance review is eliminated?

Residents deserve to know the consequences of “no mitigation” for these supersized structures in our neighborhoods.

2. Will neighboring homeowners have legal claims if the Town removes the standards that once protected their property values?

3. How will the Town meet its Comprehensive Plan requirement to preserve community character — a mandatory obligation under state law?

Right now, none of these questions have been answered.

D. Audit & Disclosure Requirement

If the Council chooses to proceed without resolving these issues, the Town Attorney must provide a written statement quantifying the financial and legal exposure.

This must be placed in the Town’s **annual audit** so residents understand the risks created by Council action.

Final Request

Given the disagreement on basic facts, the conflicting interpretations by staff and Town Attorneys, and the lack of legal or planning analysis, it is premature and unwise to begin drafting ordinances that permanently strip away appearance review for our single-family neighborhoods.

I respectfully request that the Council reconsider the motion and pause ordinance drafting until our new attorneys complete a full, independent review.

Our residents deserve decisions based on accurate information, not confusion, contradictions, or outdated assumptions.

AGENDA ITEM

Meeting Name: Master Development Plan Forum Work Session
Meeting Date: December 11, 2025
Prepared By: Town Staff
Item Title: Master Development Plan Forum Work Session Guideline & Questions for Discussion

INTRODUCTION:

This work session will begin with a general introduction by staff and consultant Dana Little, followed by a structured, table-based group discussion. Participants will be randomly assigned to a table upon arrival, with a Council member serving as a facilitator for each. Each table will designate its timekeeper, scribe, and spokesperson.

All tables will discuss each question provided, and Town Council facilitators will listen and encourage respectful discussion, asking probing questions to clarify statements or explore topics in further detail.

Staff and Dana Little will serve as floaters, checking in with tables and providing clarification and technical support while observing discussions and offering support or information when requested or they otherwise determine it may be helpful.

QUESTIONS FOR DISCUSSION:

1) Preferred Uses (20 minutes)

Our current Commercial General zoning allows a variety of commercial uses (*see Attachment #4*). If redevelopment were to occur, which uses are most important to retain or add? If a preferred use is not listed, please feel free to suggest it.

As a follow-up, do you presently have access to most of your daily living needs within reasonable distance, and are there any you wish were right here in Juno Beach rather than elsewhere?

How should we support local business retention, and would you support redevelopment negotiations that provide concessions in exchange for local business retention strategies?

2) Commercial General Character (35 minutes)

A) Scale and Height

As of right, meaning that we presently have no legal means to deny an application presenting such a permit request, current zoning allows up to four stories (60 feet) and 18 units per acre. Under what circumstances, if any, is that level of height and unit density acceptable to you and if not, what is?

As a follow-up, what would you exchange, if anything, to make height and density more acceptable to you?

B) Architectural Design

Thinking about Caretta, the Pulte Homes project, and the look and feel of our existing strip-oriented commercial development with large surface parking lots, what types of buildings and associated “vibe” would you like to see if a Commercial General parcel were to be redeveloped?

As a follow-up, how important is the “Old Florida” architectural style to you in reference to future commercial redevelopment?

C) Considering different types of potential Commercial General redevelopment (*see Attachment #2*), which do you feel is most contextually appropriate for Juno Beach?

As a follow-up, if we simply leave our regulations as they are, do you believe that no redevelopment will occur?

3) Infrastructure and Environment (20 minutes)

Thinking about what it’s like to drive or walk along the streets next to our commercial properties, what changes or public/private improvements would you like to see in the future? We would like to hear about table consensus for the top three to five potential improvements, though it is OK to also express support for others

- Wider sidewalks to accommodate more users with fewer conflicts
- Stores with windows and entryways right along sidewalks (traditional Mainstreet look)
- Outdoor cafés along public sidewalk
- Public benches with shade
- Small public gathering/plaza area(s)
- Passive greenspace, whether public or private
- Parking not visible from public view
- Public art
- Enhanced public landscaping, including native plants and shade trees
- Other: _____

4) Trade-offs (20 minutes)

If the current zoning regulations don’t allow your vision of success to be achieved, which strategies would you support to help make your vision possible? (Circle or highlight your top three (3) choices.)

- A) Use taxpayer dollars to buy commercial properties and vacant land that go up for sale.
- B) Modify zoning regulations to make it easier to redevelop commercial properties.
- C) Authorize interest-based negotiations with property owners and developers, noting that outcomes are not well-defined from a regulatory perspective.
- D) Increase zoning regulations to slow development, noting risk for litigation and delay of code changes due to Senate Bill 180.
- E) Offer taxpayer-funded incentives directly to businesses to open and/or stay in town.
- F) Encourage businesses to tax themselves in order to support local retention strategies.
- G) Do nothing. Maintain current zoning regulations and let the chips fall where they may.
- H) Other: _____

5) Economic Vitality (30 minutes):

- A) How important is it for Juno Beach to have a strong, vibrant local economy — with small businesses that thrive and provide resources to you as a resident — even if that brings a bit more activity and traffic?
- B) How do you feel about zoning code changes that shift from business uses toward more residential development?
- C) Currently, about 27% of Juno Beach is residential and 9% is commercial, and the town is sometimes described as a ‘bedroom community.’ What is your opinion on continuing this pattern of development?

6) Future Generations (20 minutes)

- A) Looking ahead, what types of uses or amenities—such as retail, restaurants, schools, or mixed-use spaces—should Juno Beach encourage through zoning or redevelopment to support future residents, including children and grandchildren
- B) To what extent do you agree or disagree that Juno Beach should maintain its current mix of businesses and housing versus making changes to attract housing and amenities that support young families and children?

Additional comments or questions may be raised at the conclusion of each presentation. Please be mindful of time to ensure that all participants have the opportunity to ask questions and share their perspectives.

ATTACHMENTS:

1. Project area map
2. Architectural Styles Examples
3. Potential Attributes, e.g., green space, pedestrian-oriented sidewalks complemented by small-scale, locally owned retail establishments fronting the street, shade, public art, park-like plazas, parking not visible from street, bicycle lanes, multi-modal paths, etc.
4. Copies of code section for Commercial General (CG) zoning district (permitted uses, preferred uses, special exception uses, building site area regulations)

MEMORANDUM

To: Mayor Wheeler, Vice Mayor Callaghan, Councilmember Hosta, Councilmember Halpern, Councilmember Davis

From: Vice Mayor Pro Tem Diana Davis

Date: December 10, 2025

Subject: **Litigation Risk Assessment for Drafting New Zoning Ordinances Under Florida Senate Bill 180 (SB 180)**

I. Purpose of This Memo

This memorandum outlines the **significant litigation risks** associated with drafting or adopting new zoning ordinances at this time, specifically in light of **Florida Senate Bill 180**, which substantially expands standing, increases exposure to attorney-fee claims, and creates an environment where **frivolous or opportunistic litigation cannot be prevented**.

The goal is to inform Council deliberations and ensure any action taken tonight is consistent with our fiduciary responsibilities to residents.

II. Overview of SB 180 and Its Expanded Litigation Exposure

SB 180 (2023) fundamentally changed Florida's zoning litigation landscape by:

- **Eliminating traditional standing requirements.**
A person or entity **does not need to be an affected party**, adjoining owner, or property-owner within the municipality to file suit.
- **Permitting lawsuits by unrelated outside entities.**
This opens the door to lawsuits filed by parties with **no connection to Juno Beach**, similar to past "cottage industry" litigation—such as the well-known wave of lawsuits from individuals who sued hundreds of municipalities over ADA website compliance.
- **Mandating prevailing-party attorney fees.**
If the challenger prevails **in whole or in part**, the Town must pay **their attorney fees in addition to our own defense costs**.
- **Removing most municipal immunities.**
These suits are **not covered by standard municipal insurance**, including the Town of Juno Beach's liability policies; the Town pays entirely out-of-pocket.

This statutory environment makes even a **meritless lawsuit** costly to defend and difficult to dismiss early.

III. Practical Implications: You Cannot Prevent Frivolous or Opportunistic Lawsuits

Under SB 180:

- Anyone, anywhere in Florida, can sue a municipality for adopting or enforcing zoning regulations.
- The plaintiff does **not** need to show injury, property impact, or any nexus to Juno Beach.
- The Town cannot screen or preempt filing through procedural defenses that were available before SB 180.
- Plaintiffs can be advocacy groups, political organizations, or individuals with **no stake in Juno Beach's built environment**.

This is the same dynamic previously seen in the *ADA website litigation wave*, in which one or two individuals sued hundreds of municipalities.

SB 180 recreates this environment—this time targeting land development regulations.

IV. Risk to the Town if We Proceed With Master Plan or Single Family Home Appearance Review Code Changes Now

1. Mandatory Repeal of Adopted Codes

If any portion of the new ordinances is successfully challenged, the court may order repeal of the adopted regulations. Because the Master Plan and the Appearance Review for Single Family Homes proposals before Council involves adopting new ordinance to change our zoning codes, this exposes multiple sections of our code to invalidation.

2. Spillover Risk to Other Zoning Districts

If litigation invokes SB 180 and challenges the validity, enforceability, or procedural compliance of the Town's zoning framework, this could endanger:

- Architectural review standards
- Harmony review criteria

- Appearance review provisions
- Definitions and tables that apply across zoning districts

Even if the litigation begins in one district (e.g., single-family), the **entire chapter** becomes vulnerable once it is opened.

3. Financial Exposure: Attorney Fees and Uninsured Losses

Because these suits are **not covered by the Town's insurance**, Juno Beach would pay:

- All of our attorneys' fees to defend the case
- Potentially **the plaintiff's attorney fees** if we do not prevail completely
- Staff time, consultant costs, and delays in processing applications

For a small municipality, even one such action could exceed tens or hundreds of thousands of dollars.

4. Increased Uncertainty for Residents and Developers

Paradoxically, the effort to "clarify" or revise certain standards may lead to:

- Greater regulatory uncertainty due to the threat of code sections being stricken
- Confusion among applicants, builders, and residents
- Delayed projects during litigation
- Risk of inconsistent application of remaining code provisions

This is especially concerning because the proposal affects code sections on appearance review that cover all zoning districts and proposals in the Master Plan would change our commercial zoning districts. Our codes that have been in place since prior to August 2024 could be swept up and declared invalid with the proposed changes.

V. Timing Concerns: Active Lawsuit Against the State and Forthcoming Legislative Session

Two major factors suggest that **waiting** is the prudent and fiscally responsible choice:

1. Ongoing Constitutional Challenge to SB 180

A lawsuit has already been filed challenging SB 180 as unconstitutional state overreach into local zoning powers.

Until the courts rule, municipalities statewide face uncertainty.

2. Legislative Session Begins in January

Multiple legislators have signaled interest in introducing corrective legislation to fix or narrow SB 180.

Possible outcomes include:

- Reinstating traditional standing
- Removing mandatory attorney fees
- Clarifying the scope of permissible challenges
- Limiting suits to affected parties

Waiting 60–90 days could dramatically reduce the Town’s exposure.

VI. Key Policy Question: Will Drafting New Ordinances Now Expose the Entire Zoning Chapter?

Yes.

Drafting any new zoning ordinance invites scrutiny of:

- The new language
- The procedural process
- The underlying zoning framework

If challenged, a court may review the entirety of the zoning chapter, which may lead to:

- Invalidation of related sections
- Repeal of vital protective standards
- Collateral impacts on commercial, multifamily, and single-family districts

This risk is **substantial** and **cannot be quantified** at this time.

VII. Conclusion and Recommendation

Given the expansion of standing, the prevalence of opportunistic litigation, the uninsured exposure to attorney-fee awards, and the active statewide uncertainty surrounding SB 180, **proceeding now with new zoning ordinances presents extreme litigation risk.**

The potential financial exposure to the Town is unknown and potentially very large. The potential regulatory damage—including invalidation of code sections unrelated to the proposal—is equally uncertain.

Recommendation:

The Town Council should **delay any zoning-code amendments** until:

1. The constitutional challenge to SB 180 is resolved; or
2. The 2026 Legislative Session clarifies or amends SB 180.

At minimum, if Council proceeds despite the risks, this action should be reflected in the Town's **annual audit disclosure** as a significant known legal exposure created by Council action.

Meeting Name: Town Council
Meeting Date: February 28, 2026
Prepared By: Davila, F., CFM.
Item Title: Resolution 2026-01 – Amending the Town of Juno Beach Fee Booklet

DISCUSSION:

The Town of Juno Beach Fee Booklet contains fees associated with Building Permits, Business Taxes, Miscellaneous Fees, Planning and Zoning, etc. Town staff is proposing to modify some of these fees and for them to be effective upon the approval of this resolution or soon thereafter.

The Building Division Fees were originally added to the Fee Booklet in March of 2008 (Resolution 2008-04), was amended in July of 2020 (Resolution 2020-05), and again in September of 2023 (Resolution 2023-13). These amendments were made to keep the fees recovered by the Town cost in compliance with F.S. 553.80(1)(g).

Section 553.80(1)(g) Florida Statutes, Building Construction Standards, Enforcement, states the following:

The governing bodies of local governments may provide a schedule of fees, as authorized by s. 125.56(2) or s. 166.222 and this section, for the enforcement of the provisions of this part. Such fees shall be used solely for carrying out the local government's responsibilities in enforcing the Florida Building Code.

Due to recent rise in major construction within the Town, the Town is proposing updates to the fee schedule that is cost-neutral as required by the State. The major changes are to permit fees associated with infrastructure, Right-Of-Way work and reviews performed by outside agencies along with clarifying language for refunds and building permit fee reductions.

Along with the updates from the Building Division, staff is also proposing to make changes to the other sections of the Fee Booklet. For Councils reference, please see attachment #1 (additional language is underlined and deleted language is ~~stricken through~~).

RECOMMENDATION:

Staff recommend that the Town Council approve Resolution 2026-01 amending the Comprehensive Fee Booklet to revise the Town of Juno Beach Fee Booklet.

RESOLUTION 2026-01

A RESOLUTION OF THE TOWN COUNCIL OF THE TOWN OF JUNO BEACH, FLORIDA, AMENDING THE COMPREHENSIVE FEE BOOKLET SETTING FORTH ALL FEES AND RELATED CHARGES COLLECTED BY THE TOWN FOR GOVERNMENTAL SERVICES AND APPROVALS; PROVIDING FOR CONFLICTS; PROVIDING FOR SCRIVENER’S ERRORS, AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, Article VIII of the State Constitution and Chapter 166, Florida Statutes provide that municipalities shall have the governmental, corporate, and proprietary powers to enable them to conduct municipal government, perform municipal functions, and render municipal services, and may exercise any power for municipal purposes, except when expressly prohibited by law; and

WHEREAS, the Town Council of the Town of Juno Beach, Florida (the “Town Council”) as the governing body, pursuant to the authority vested in Chapter 163 and Chapter 166, Florida Statutes, is authorized and empowered to establish and consider changes to its fee schedule; and

WHEREAS, the Town Council adopted a comprehensive fee booklet setting forth all of the fees charged by the Town for governmental services and approvals in 2008, which was subsequently amended from time to time; and

WHEREAS, Town Staff is proposing amendments to the fee booklet, which is attached hereto and incorporated herein as Exhibit “A” (the “Comprehensive Fee Booklet”) to revise the refund of building permit fees, the creation of an administrative fee, the classification of permits required to only pay administrative fees, the deletion of after hours, weekend or holiday inspection fees, create an explanation of engineering services, revision of administrative appeal fees, creation of permit fee reduction, update notary services fees and revise Town Center rental fees; and

WHEREAS, the Town Council determines that the adoption of revisions to the comprehensive fee booklet is in the best interests of the residents and citizens of the Town of Juno Beach.

NOW, THEREFORE, BE IT RESOLVED BY THE TOWN COUNCIL OF THE TOWN OF JUNO BEACH, FLORIDA as follows:

Section 1. The foregoing recitals are hereby ratified and incorporated herein.

Section 2. The Town Council hereby amends the Comprehensive Fee Booklet as set forth in Exhibit “A” attached hereto and incorporated herein by reference (additional language underlined and deleted language ~~stricken through~~).

Section 3. All resolutions or parts of resolutions in conflict herewith are hereby repealed to the extent of such conflict.

Section 4. Typographical errors and other matters of a similar nature that do not affect the intent of this Resolution, as determined by the City Clerk and City Attorney, may be corrected.

Meeting Name: Town Council Meeting
Meeting Date: January 28, 2026
Prepared By: Mayor Peggy Wheeler
Item Title: Discussion on Future Development Scenarios

Purpose

- **Ensure informed decision-making:**
It is important for Council to have current, factual, and professional analyses, particularly regarding traffic impacts connected to future commercial and residential development. Objective professional evaluation is essential for Council to proactively understand development implications before approvals are considered.
- **Background on prior request:**
A formal traffic-impact review process was first requested around May 2024, but its initiation was postponed pending the completion of the Master Plan, based on the belief that the Master Plan would provide the necessary data.
- **Master Plan limitations and timing:**
It was noted at that time that the Master Plan would likely not provide the full scope of information required to evaluate traffic issues tied to the Town’s residential and commercial buildout. Additionally, with the Master Plan projected finalization still not known, the Town should have a way to address traffic-related concerns with new development applications.
- **Urgency created by the Moratorium expiration:**
With the Commercial and Mixed-Use Development Moratorium set to expire in approximately two months, Council must be prepared to receive and evaluate new development applications. The Moratorium was enacted specifically to ensure Council had information before it expired, underscoring the need for timely, objective analysis.

Historical Context

Mixed-Use Background

- The Comprehensive Development Plan and Zoning Code permit mixed-use projects with residential components within the Commercial General, Commercial Office, and Medical Commercial Zoning Districts.

- By code, the residential component of a mixed-use project is generally limited to 75% of the gross floor area.

Prior Council Considerations

- 2020 Workshop: Council and the Planning & Zoning Board reviewed the “Juno Point” proposal (Cathy’s Beach Connection, Captain Charlie’s, and adjacent parcels). The developer presented small residential units (900–1,100 sq. ft.) under the 25% commercial / 75% residential structure allowing 18 units per acre.
- Concerns were raised that smaller units might encourage transient occupancy rather than long-term residency, impacting community character.

2021–2022 Council Action

- In 2021, Council discussed options for regulating mixed-use density and impacts.
 - In 2022, Council adopted Ordinance 747, establishing a 5–25% commercial sliding scale to: Evaluate each site individually for an optimal commercial/residential balance that prevents overburdening the road network.
 - Allow the developer to propose commercial percentages under 25% only if Council retained full control over site plan, architectural review, on-site and off-site improvements, and traffic mitigation.
 - Enable negotiation of public-benefit enhancements such as:
 - Underground parking
 - Enhanced landscaping and architecture
 - Public amenities and site improvements
 - Financial contributions
 - Caretta Project Example: Council secured \$500,000 toward Police Department expansion, eliminated US-1 parking, required architectural modifications, mandated public courtyard seating, and required a full-service restaurant, benefits made possible through the sliding-scale authority.

2023 Legislative Change

- Ordinance 765 (2023) permitted an 80% residential component in the Commercial General Zoning District via a site area modification special exception.
- Council cannot dictate the type of commercial uses within a development proposal.

Current Conditions

Retail Inventory

Treasure Coast Planning completed a Retail Inventory Assessment evaluating Juno Beach’s existing retail supply, market saturation, and the community’s need for additional commercial square footage.

Need for Professional Analysis

To responsibly prepare for renewed development activity, the Town may consider engaging a qualified to evaluate:

1. Development Scenarios

- Analyze potential redevelopment across the Town using various commercial/residential ratios (e.g., 25/75; 20/80; 15/85; 10/90; 5/95; 0/100; 100/0).
- Prepare build-out projections based on staff-identified redevelopment sites.

2. Walkability and Land Use Mix

- Identify characteristics necessary to support walkable communities, including typical retail square-footage. (*Anticipated to be provided by the Master Plan and Safe Streets Study.*)
- Highlight parcels suitable for walkable mixed-use development.

Recommendation

Direct staff on how to proceed.

To: Town Council
Date: January 28, 2026
Prepared By: Frank M. Davila, CFM, Director of Planning and Zoning
Item Title: Ordinance No. 793 – Live Local Act amendment (2nd reading)

BACKGROUND:

On March 29, 2023, the Governor signed into law Senate Bill 102, “Live Local Act”, codified by Chapter 2023-17, Laws of Florida, which is intended to streamline and incentivize affordable housing development with the state of Florida.

The Juno Beach Town Council adopted Ordinance No. 782 on April 24, 2024, to establish land development regulations to implement the Live Local Act and adopt regulations that are not expressly preempted by the Live Local Act. The adopted language was codified in Chapter 34 of the Town’s Code of Ordinance, Article IV, Division 18.

At the December 1, 2025, Planning and Zoning Board meeting, the Board reviewed and discussed the proposed ordinance and recommended continuing the item to the following month. This continuance allowed staff to make changes to the ordinance based on the comments received by the Board on the proposed language in the procedure section.

At the January 5, 2026, Planning and Zoning Board meeting, the Board reviewed and discussed proposed Ordinance No. 793, and unanimously recommended approval to the Town Council.

At the January 28, 2026, Town Council meeting, the Council reviewed and approved proposed Ordinance No. 793 on first reading. The updated ordinance incorporates the Council’s prior recommendation to further clarify that for *demolitions* only administrative approval is needed without **any** action by the governing body.

DISCUSSION:

During this year’s legislative session, the Governor signed into law Senate Bill 1730, codified by Chapter 2025-172, Laws of Florida, amending certain requirements of local governments related to the review and approval of affordable housing development.

To conform with SB 170, the Planning and Zoning Department is proposing to modify Article IV, Division 18, Live Local Act to (additional language is underlined and deleted language is ~~stricken through~~):

- Provide a definition for *allowable density*
- Provide a definition for *demolition*
- Further clarify the process for *Administrative Approval*, removing the review of the Development Review Committee.
- Add new language regarding buildings located within a historic district which were listed in the National Register of Historic Places prior to January 1, 2000.

RECOMMENDATION:

Staff recommends that the Town Council review proposed Ordinance No. 793 and approve it on second reading.

Attachment(s):

- Proposed Ordinance No. 793.

TOWN OF JUNO BEACH, FLORIDA

ORDINANCE NO. 793

AN ORDINANCE OF THE TOWN COUNCIL OF THE TOWN OF JUNO BEACH, FLORIDA, AMENDING DIVISION 18, "LIVE LOCAL ACT," OF ARTICLE IV, "SUPPLEMENTAL REGULATIONS," OF CHAPTER 34, "ZONING" OF THE TOWN CODE OF ORDINANCES TO CONFORM WITH CHAPTER 2025-172, LAWS OF FLORIDA; PROVIDING FOR CONFLICTS, SEVERABILITY, CODIFICATION, AND AN EFFECTIVE DATE

WHEREAS, Article VIII of the State Constitution and Chapter 166, Florida Statutes provide that municipalities shall have the governmental, corporate, and proprietary powers to enable them to conduct municipal government, perform municipal functions, and render municipal services, and may exercise any power for municipal purposes, except when expressly prohibited by law; and

WHEREAS, the Town Council of the Town of Juno Beach, Florida as the governing body, pursuant to the authority vested in Chapter 163 and Chapter 166, Florida Statutes, is authorized and empowered to consider changes to its land development regulations; and

WHEREAS, SB 1730 (2025), codified as Chapter 2025-172, Laws of Florida, amends the "Live Local Act" to modify certain requirements of local governments related to the review and approval of affordable housing developments; and

WHEREAS, the Town Council wishes to amend Division 18, "Live Local Act," of Article IV, "Supplemental Regulations," or Chapter 34, "Zoning," of the Town Code of Ordinances to conform with revisions to the Live Local Act codified as Chapter 2025-17, Laws of Florida; and

WHEREAS, the Town's Planning and Zoning Board, as the Local Planning Agency, has conducted a public hearing on this Ordinance and provided its recommendation to the Town Council; and

WHEREAS, the Town Council has determined that adoption of this Ordinance is in the best interests of the general welfare of the Town of Juno Beach.

NOW, THEREFORE, BE IT ORDAINED BY THE TOWN COUNCIL OF THE TOWN OF JUNO BEACH, FLORIDA as follows:

Section 1. The foregoing "Whereas" clauses are hereby ratified as true and correct and are incorporated herein.

EXHIBIT "A"

DIVISION 18. LIVE LOCAL ACT

Sec. 34-1325. Applicability and intent.

- (a) The provisions of this division shall apply to all applications for the development of land for multi-family and mixed-use projects with affordable multi-family residential units pursuant to Live Local Act, as set forth in Section 166.04151(7), Florida Statutes, as may be amended from time to time ("Act").
- (b) Affordable Housing Projects with at least 40 percent of the units included in the project designated as affordable housing, as defined in Section 420.0004, Florida Statutes, as amended from time to time, shall ~~shall only~~ be permitted in the Commercial General (CG), Commercial Office (CQ), and Medical Commercial (MC) zoning districts, and in portions of any flexibly zoned area such as a planned unit development permitted for commercial, industrial, or mixed use pursuant to the provisions of 166.04151(7), Florida Statutes, as amended from time to time.
- (c) The intent of these regulations is to establish a regulatory framework for consideration of projects submitted pursuant to the Act. In adopting these regulations, the town council recognizes that there may be some ambiguity or need for additional interpretation. To the extent not expressly preempted by state law, town staff is directed to interpret these regulations in a manner that would best preserve the town's small-town, coastal character and its commitment to environmental preservation.

Sec. 34-1326. Procedure.

- (a) All projects shall be reviewed by the town's development review committee only by the planning and zoning director as the designated administrative official of the Town of Juno Beach. Said projects shall be granted without further action by the governing body of the municipality, any quasi-judicial judicial board, any administrative board or reviewing body, pursuant to Section 125.01055, of the Florida Statutes.
- (b) Notwithstanding the foregoing, all Projects will still undergo screening by, but shall not be subject to a vote of, the Town's development review committee and shall be subject to the for compliance with site plan and appearance review procedures and shall meet all to ensure compliance with the criteria set forth in article II, division 4 of this chapter.
- (b) Within 48 hours of receipt of an application for development approval, the town shall notify the public by posting notice of the application on the town website and providing notice to the public through the town's e-mail database. The notice shall indicate that copies of all application materials shall be provided upon request.
- (c) The application shall be subject to administrative review as ~~required~~ required by the Act, and the project shall be approved by the planning and zoning director only if it

139 meets all applicable land development regulations, including the community
 140 appearance standards set forth in division 14 of article II of this chapter, and the
 141 requirements of this division. The director shall further determine that the project is
 142 consistent with the provisions of the comprehensive development plan, except
 143 those provisions expressly preempted by section 166.04151(7), Florida Statutes,
 144 relating to location with specified zoning districts, height, and density.

145 (d) The application shall be subject to engineering review and approval during the
 146 building permitting process in the same manner as any other development
 147 application.

148 **Sec. 34-1327. Limitations on height and density.**

149 (a) *Height.* Pursuant to section 166.04151(7), Florida Statutes, the maximum height
 150 permitted shall be limited to the height permitted as of right for a commercial or
 151 residential project within the town within one mile of the proposed development
 152 without consideration of any bonuses or modifications permitted through the special
 153 exception process or otherwise. In no event shall the height of any structure exceed
 154 12 stories and 130 feet.

155 (b) *Density.* Pursuant to section 166.04151 (7), Florida Statutes, the maximum density
 156 permitted shall be limited to density permitted as of right for a residential project
 157 within the town without consideration of any bonuses or modifications permitted
 158 through the special exception process or otherwise. In no event shall the residential
 159 density of any proposed development exceed 18 units per acre. Allowable density
 160 shall mean the density prescribed for the property in accordance with section
 161 166.04151 (7), Florida Statutes, without additional requirements to procure and
 162 transfer density units or development units from other properties.

163 (c) Demolitions. Administrative approval of the demolition of an existing structure
 164 associated with a proposed development under this subsection, shall be granted
 165 without further any action by the governing body of the municipality or any quasi-
 166 judicial or administrative board or reviewing body, if the proposed demolition
 167 otherwise complies with all state and local regulations.

168 **Sec. 34-1327.1. Development standards and criteria.**

169 (a) *Required mix of uses.* Consistent with the existing regulations governing mixed-use
 170 projects within the town's commercial zoning districts, all projects submitted
 171 pursuant to this division shall have a maximum of 75 percent of residential use
 172 based on total gross floor area.

173 (b) *Building site area regulations.*

174 1. If the project is utilizing the height and density permitted in the town's
 175 Residential High (RH) zoning district, the following site area regulations shall
 176 apply:

177 a. Minimum total area: 40,000 square feet;

178 b. Minimum lot width: 150 feet;

- 179 c. Minimum lot depth: 200 feet;
 180 d. Front set yard setback: 30 feet from street line;
 181 e. Side yard setback: 35 feet with one side having a minimum of 15 feet;
 182 f. Rear yard setback: 30 feet;
 183 g. Minimum floor space per dwelling unit: 1,000 square feet of habitable
 184 space for a one bedroom; 1,200 square feet of habitable space for a two
 185 bedroom; and 1,400 square feet of habitable space for three or more
 186 bedrooms;
 187 h. Maximum building dimension: 150 feet, provided, however that along the
 188 building face having the maximum dimension, said dimension may be
 189 increased to no more than 175 feet;
 190 i. Maximum lot coverage: 50 percent; and
 191 j. Minimum landscaped open space: 15 percent of lot area.

192 In addition to the foregoing, all structures exceeding two stories shall
 193 comply with the high-rise setback, which requires 30 feet from all property lines
 194 and an additional five feet of setback at ground level for each additional story
 195 beyond the first two stories up to a maximum of 60 feet. For those lots having a
 196 width of 200 feet or less as recorded in the office of the county property
 197 appraiser, the maximum setbacks shall not exceed 50 feet; however, the
 198 maximum building dimension on such lots shall not exceed 150 feet.

- 199 2. For purely non-residential components of the project or mixed-use structures
 200 where the height does not exceed four stories and 60 feet, the project shall
 201 comply with the building site area regulations of the applicable commercial
 202 zoning district.

203 (c) *Parking.* The project shall provide for two spaces per residential unit and one quest
 204 space for every seven units as required for residential uses in commercial zoning
 205 districts. The parking for commercial uses shall be governed by division 4 of article
 206 IV of this chapter. Due to the lack of any major transit stops in the town, no parking
 207 reductions shall be considered. However, the project may propose, for
 208 consideration and approval by the town, shared parking in accordance with the
 209 criteria governing the minimum parking requirements for mixed-use projects in the
 210 town's commercial zoning districts.

211 (d) *Equivalent treatment of all dwelling units.* All affordable dwelling units and market
 212 rate dwelling units shall be located within the same structure. All common areas
 213 and amenities shall be accessible and available to all residents of the development.
 214 Access to the required affordable dwelling units shall be provided through the same
 215 principal entrances utilized by all other dwelling units in the development.
 216 Additionally, the overall square footage and number of bedrooms in the affordable
 217 dwelling units shall be proportional to the overall ~~square~~ square footage and
 218 number of bedrooms in the market rate dwelling units. By way of example, if 25
 219 percent of the market rate dwelling units consist of two bedrooms, then 25 percent

220 of the affordable dwelling units shall have two bedrooms, and the affordable
221 dwelling units shall be similar in size to the market rate dwelling units.

222 (e) *Unified lot.* All residential and non-residential components of the site plan shall be
223 located on the same or unified lot.

224 (f) If the proposed development is on a parcel with a contributing structure or building
225 within a historic district which was listed in the National Register of Historic Places
226 before January 1, 2000, or is on a parcel with a structure or building individually
227 listed in the National Register of Historic Places, the county may restrict the height
228 of the proposed development to the highest currently allowed, or allowed on July 1,
229 2023, height for a commercial or residential building located in its jurisdiction within
230 three-fourths of a mile of the proposed development or 3 stories, whichever is
231 higher. The term "highest currently allowed" in this paragraph includes the
232 maximum height allowed for any building in a zoning district irrespective of any
233 condition

Item Title: Caretta Project Gateway Art

BACKGROUND:

On August 24, 2022, the Town Council approved Resolution No. 2022-09, to allow the development of the Caretta Project, located at the northwest corner of US Highway One and Donald Ross Road. Condition number 23 states that “the applicant shall obtain Town Council approval of the design of the fountains and art located in the public plaza area of the property prior to their installation”. Construction of the project has been ongoing since May of 2024. On December 17, 2024, Town Council reviewed the first submittal of the art and two fountains. Council voted to approve the plans for the two fountains and denied the design for the art. The applicant worked with Friends of the Art during the public engagement process, Request for Proposals (RFP), and provided recommendations on the RFP. The applicant is now providing an updated art design from a local artist selected by RFP.

DISCUSSION:

The applicant is providing a proposed abstract art structure designed by Eugene Perry, West Palm Beach professional metal sculptor, to serve as a gateway feature for the site. As depicted in the applicant’s proposal, the sculpture is inspired by an infinity ribbon and features smooth, continuous curves intended to convey movement and flow. The artwork explores balance and contrast through a blend of engineered geometry and organic form and is proposed to be fabricated in stainless steel for durability and longevity within the coastal environment. The sculpture is intended to complement the surrounding architecture and landscape while strengthening the identity of the gateway plaza and enhancing the overall public realm experience.

RECOMMENDATION:

Staff recommends that the Town Council review and discuss the proposed Caretta Gateway public art feature.

Item Title: Juno Ocean Walk RV Park Drainage

Discussion

Juno Ocean Walk RV Park drainage was discussed on January 28, 2026. This memo provided follow-up information requested by Town Council. In brief, the solution to Juno Ocean Walk drainage issues does not appear to be small-scale token investments to address drainage at the periphery, but rather a more comprehensive approach to convey stormwater off-site, such as an intercoastal outfall. Unfortunately, that solution is quite expensive and there do not appear to be grant opportunities that the Town could pursue in coordination with Juno Ocean Walk to construct the project.

Funding Background

Key Insights

- Juno Ocean Walk drainage improvements have been considered over multiple fiscal years since 2009 but never funded. The costs ranged from \$22,900 in 2009 to \$25,000 in FY 2019-20; they never appeared in any budget thereafter.
- The “Unfunded 5-Year Capital; Improvement Schedule” was a list of projects that were considered during the budget process by staff but not advanced for appropriation. While no record of the rationale for not advancing a Juno Ocean Walk project could be located, one can reasonably conclude that it was likely a combination of factors, primarily the observation that the project would not provide meaningful relief to the flooding problem. See Attachment 1 for a sample unfunded project list for FY 2016 – 2021 where Juno Ocean Walk is noted in FY 2019-20.
- The 2022 Juno Ocean Walk engineer report, *Surface Water Management Report* (see Attachment 2) concludes that obtaining a stormwater outfall (discharge to the Intercoastal) is needed, with smaller projects also identified, but unable to solve the problem. While this report references a \$35K Town

project targeting Juno Ocean Walk, the FY 2020-21 project was for Zenith/South Juno Lane and there is no record that the \$35K was ever intended or appropriated for a Juno Ocean Walk project.

Project Value and Feasibility

Staff contacted FDOT to determine whether they could undertake a project to control stormwater runoff from US-1. The following summarizes their position:

- In comparison to other areas draining into Juno Ocean Walk, stormwater runoff potentially attributed to US-1 constitutes only 0.15 acres of the total drainage area.
- The volume of stormwater from US-1 is not significant, particularly in the context of solving drainage problems at Juno Ocean Walk.
- A stormwater outfall, such as the Intercoastal, is needed to handle stormwater volumes experienced.
- FDOT will inspect US-1 stormwater drainage structures to ensure their proper operation.

Palm Beach County Department of Environmental Resources Management (ERM)

The Palm Beach County Department of Environmental Resources Management (ERM) maintains a strict "no-impact" position regarding runoff directed toward Environmentally Sensitive Lands (ESLs); they do not authorize retention facilities upon or stormwater discharge to ESLs.

Drainage from Adjacent Properties

Consistent with prior determinations, staff have visited the site and verified that no code enforcement violations exist in association with drainage from surrounding properties. Attachment 3 is the map of surrounding property owners, as requested by Town Council.

Sprinkler Variance

Staff were requested to report on the process of getting a variance to run sprinklers when otherwise prohibited by code. Town of Juno Beach has Mandatory Year-Round Landscape Irrigation Conservation Measures where irrigation is prohibited between the hours of 10:00AM and 4:00PM, street address odd and even days, and no irrigation permitted on Fridays. Special restrictions may also be initiated in response to drought conditions. The associated code section follows:

Sec. 12-145. – Variances

- (a) A user may request a variance from the specific days for landscape irrigation identified in this article by identifying and demonstrating with particularity that compliance with the scheduled days for landscape irrigation will result in a substantial hardship on the user requesting the variance. A variance shall operate prospectively and shall not stay or abate the enforcement of the provisions of this article and shall not affect any prior or pending code enforcement action against the user requesting the variance.
- (b) The variance request shall be considered by the director of planning and zoning or his/her designee, and the decision of the director of planning and zoning shall be provided to the user in writing. The director of planning and zoning's decision may be appealed to the town council through the filing of

a written request with the town clerk within 30 days of the director's written determination. The decision of the town council shall be final.

- (c) If a variance is granted, the user shall post a notice at each parcel to which the variance pertains in a format prescribed by the town.
- (d) The Town recognizes and adopts all irrigation variances or waivers issued by the district.

Note: Using sprinklers to address stormwater would not appear to be a suitable stormwater mitigation strategy, so any variance request would need to explain how the benefit is achieved.

Temporary Off-Site Pumping

In response to extreme flooding conditions in October 1995, the Town of Juno Beach requested emergency authorization from South Florida Water Management District (SFWMD) to install and operate a portable pump to discharge surface water from the Juno Ocean Walk RV Park to the stormwater drain located in the southwest corner of the Bluff's Shopping Center. SFWMD generally prohibits discharges from one drainage basin to another, but exceptions can be made under specific regulatory conditions. The SFWMD standard policy is that discharges are typically required to follow historical flow patterns, so pumping stormwater uphill from the RV Park to the Bluff's Shopping Center may not be an option today.

Grants to Fund Stormwater Improvements on Private Property

After checking with the Town's Grant Consultant, RMPK Funding, there are no viable grant options for the Town to pursue in coordination with Juno Ocean Walk. Juno Ocean Walk may consider reaching back out to Northern Palm Beach County Improvement District (Northern) to discuss any funding options they can identify.

RECOMMENDATION:

Staff do not recommend investing town coffers into a stormwater improvement for the Juno Ocean Walk RV Park since there is nowhere to discharge the stormwater without a multimillion-dollar expenditure with the primary benefit being only for the Juno Ocean Walk RV Park.

Surface Water Management Report

for

Juno Ocean Walk RV Park Juno Beach, Florida

Prepared for:

Juno Ocean Walk Condominium Association

Prepared by:

Civil Solutions, Inc.

January 2022

I. Introduction

In response to heavy rains and flooding conditions at Juno Ocean Walk RV Park during June of 2013, the Town of Juno Beach issued a Warning Letter to the Juno Ocean Walk Condominium Association requiring the following corrective actions:

- Devise and implement an emergency plan that will ensure compliance with the Property Maintenance Code as it relates to storm events (i.e., hurricanes, heavy rains, etc.).
- Maintain property in such a manner to prevent erosion of soil and accumulation of stagnant water.

In response to the Warning Letter from the Town of Juno Beach, Juno Ocean Walk Condo Association hired Civil Solutions, Inc. to prepare a Surface Water Management Action Plan for Juno Ocean Walk RV Park. The Surface Water Management Action Plan dated March 2014 provide an assessment of the existing surface water management system, identified areas most vulnerable to flooding, developed a surface water management action plan and identified mitigation strategies to reduce flooding and improve flood protection as required by the Town of Juno Beach.

The purpose of this report is to provide an update to The Surface Water Management Action Plan for Juno Ocean Walk RV Park dated March 2014. Our scope of services includes:

- Identify potential improvements (including onsite and offsite surface water management improvements) to reduce surface water flooding (and erosion caused by flooding) and increase flood protection).
- Preliminary engineering design and analysis of potential improvements.
- Prepare preliminary cost estimates of prospective improvements.
- Prepare a report containing findings and recommendations, preliminary cost estimates, and conceptual design criteria for potential/prospective improvements.
- Review potential/prospective improvements with Juno Ocean Walk Condo Association and prioritize prospective improvements for implementation.

II. Background

Juno Ocean Walk RV Park is located in Juno Beach, Florida. The surface water management system (consisting of two surface water management lakes) was designed, permitted and constructed in the late 1970s and early 1980s.

Juno Ocean Walk RV Park has had a long history of flooding. In response to extreme flooding conditions in October 1995, the Town of Juno Beach requested emergency authorization from South Florida Water Management District (SFWMD) to install and operate a portable pump to discharge surface water from the Juno Ocean Walk RV Park to a storm water drain located in the southwest corner of the Bluff's Shopping Center.

The extreme flooding conditions in October 1995 and long history of flooding are primarily due to: design flaws; substandard design; increased impervious area; elimination of perimeter swale; and offsite discharges from adjacent properties not considered in the original design and permitting.

The June 2013 flooding highlighted the need for property owners to work with the Town of Juno Beach, Palm Beach County, and SFWMD to improve their understanding and management of flood risk so they are better prepared for future events.

III. Surface Water Management System

A. Original Authorization

On April 22, 1981 Palm Beach County granted Drainage Approval D-033-481 for Yogi Bear Recreational Vehicle Park.

SFWMD General Permit No. 81-87 was issued on May 11, 1981 authorizing the construction of a surface water management system to serve the proposed 20 acre development known as Yogi Bear Recreational Vehicle Park.

Based on a review of the original surface water management plan and calculations approved by Palm Beach County and SFWMD, the approved surface water management system consisted of a perimeter swale and buffer, and two lakes to serve the proposed 20 acre recreational vehicle park. The proposed surface water management system was designed: to provide a 3 year 24 hour level of flood protection for roads; did not provide flood protection for buildings or concrete slabs; based on a total impervious area (including an administration building, roads and travel trailers) of 23%; and without consideration of historical offsite discharges.

B. Existing Conditions

Juno Ocean Walk RV Park (formerly known as Yogi Bear Recreational Vehicle Park) is a 20 acre manufactured home community located west of U.S. Highway One at the west end of Juno Ocean Walk. The existing surface water management system consists of two lakes separated by a natural ridge (at elevation 25-28 Ft. NGVD) toward the center of the site that divides the site into two 10 acre drainage basins: an eastern basin served by the east lake; and a western basin served by the west lake. According to SFWMD General Permit No. 81-87, the two lakes are not connected and there are no discharge facilities or stormwater outfall (i.e., the surface water management system was designed and permitted for total onsite retention).

Existing conditions not in compliance with SFWMD General Permit No. 81-87 include: impervious area significantly increased from original authorization; and portions of the original surface water management system have been eliminated. As a result, soil storage and surface storage are greatly reduced and contribute to flooding conditions. Also, the substandard design which may be acceptable for a recreational vehicle (which can easily be moved to higher ground) is unacceptable for the much less mobile manufactured/mobile home.

Flooding conditions are most problematic in the eastern basin (served by the east lake) due to:

- Flooding of the entrance road affects all residents and prompted emergency action by the Town of Juno Beach in October 1995.
- Offsite discharges from properties extending east of the east property line of Juno Ocean Walk RV Park to U.S. Highway One (not considered in the original design and authorization).
- Low-lying areas (as low as 4.0 Ft. NGVD) located immediately east, west and south of the east lake.
- The east lake and eastern basin were constructed over a wetland (that extended into the Juno Dunes Natural Area) and the predominant soil of the eastern basin (according to Palm Beach County Soil Survey) is Okeelanta muck, poorly drained soils prone to flooding.

IV. Surface Water Management Plan of Improvements

A. Aims and Objectives

The aims and objectives of this Surface Water Management Plan of Improvements are:

- develop a strategy for flood and erosion risk management and identify ways to implement it
- ensure that flood risks will be managed more effectively in the future by adopting a holistic, strategic, and integrated approach
- address the importance of property owner engagement in flood risk management approaches
- work with Town of Juno Beach, Palm Beach County, and SFWMD to improve understanding and the management of flood risk
- manage surface water flood risk by improving and optimizing coordination between property owners and local organizations
- develop a shared understanding of local flood risk, including setting out priorities for action and maintenance needs
- manage flood risk from all sources and reduce the consequence of flooding on human health, economic activity, and the environment
- provide understanding of the mechanisms of surface water flooding and propose mitigation measures
- provide a framework for the management of water quality (e.g., sustainable drainage systems and urban surface)
- implement solutions which have dual benefits, can address both flood and pollution risk, and can contribute to fulfilling improvements and compliance in ecology, water quality and habitats

B. Potential Improvements

The primary causes of surface water flooding are:

- design flaws including the original design neglected to provide for offsite discharges
- substandard design based on recreational vehicle park
- greatly increased impervious area
- elimination of perimeter swale and reduction of water management areas
- offsite discharges from developments to the east (including Ocean Key at Juno Beach which was designed and permitted for total onsite retention)

Following are potential improvements to reduce surface water flooding (and erosion caused by flooding) and increase flood protection:

1. Onsite Surface Water Managements Improvements

Onsite surface water management improvements are proposed to mitigate surface water flooding resulting from design flaws, substandard design, greatly increased impervious area, and elimination of perimeter swale and reduction of water management areas.

A. Create Dry Retention Areas

In 2012, engineering plans were prepared to construct a dry retention area with exfiltration trench at the South Dog Park. The plans went out for bid during the last quarter of 2012 and the stormwater management improvements were constructed during the first quarter of 2013. The construction was found to be in substantial compliance with the approved plans and specifications and a certificate of completion was issued by the Town of Juno Beach on March 28, 2013. The 0.3 acre South Dog Park/Retention Area cost \$50,000 to construct, provides 1.1 acre-feet of dry retention volume (3.67 acre-feet per acre of retention area), and reduces peak flood stages and duration of flooding in the eastern basin. Due to the success of the South Dog Park/Retention Area (additional surface storage and soil storage, reduce peak stages and provide dry pre-treatment (i.e., water quality treatment) of stormwater), other common areas are being considered for the creation of additional dry retention areas.

Based on a review of other common areas (including the North Dog Park), the area with the greatest potential to provide additional surface storage and soil storage, and reduce peak stages is the large area south of the recreational building and pool deck. Although there is shuffleboard and playground that would need to be removed during construction, the area is ideal for a dry retention area and maximization of surface and soil storage due to: 1.) it is located on the natural ridge that separates the eastern basin from the western basin and fairly flat with elevations varying from 24 Ft. NGVD to 26 Ft. NGVD; 2.) it is located near the existing South Dog Park/Retention Area; and 3.) it would be more cost effective than the South Dog Park/Retention Area (i.e., the retention volume provided per acre of retention area will be greater).

B. Stormwater Pumping Station

The South Dog Park/Retention Area relies on a stormwater pump to transfer stormwater from the east lake and surrounding low area to the dry retention area. At this time, a portable diesel pump is rented as necessary to alleviate flooding conditions. The disadvantages of renting a pump include: inability to pump ahead of storm; noisy; high cost of fuel; and pump and hose are above ground creating a liability and obstructions. A stormwater pump station would be underground, quiet, electrical with generator backup, and available for use in anticipation of and prior to any storm event. A stormwater pump station is a major investment but cost effective over the long term.

C. Increase Soil Storage

All representatives of the Juno Ocean Walk Condominium Association including board members and individual owners need to look for ways to increase soil storage in an effort to mitigate the reduction in soil storage that has occurred due to the increase in impervious surfaces from the original authorization by SFWMD in 1981 to the present. Following are effective alternatives to increase soil storage:

- exfiltration trenches
- reduce impervious areas
- increase pervious areas; use pervious materials for driveways, walkways, common areas, and recreational areas
- roof runoff controls; make use of rainwater by directing downspouts and gutters to drain into the lawn or plant beds

Implementation will require efforts by the Board to strengthen and enforce homeowner documents, and to educate and encourage individual members and owners to be part of the solution.

D. Erosion Control

Lake banks along the shorelines of lakes within the Juno Ocean Walk RV Park have experienced severe erosion since their construction over thirty years ago. The erosion has led to movement of the shoreline in a landward direction and creation of several feet of vertical scarp along the shoreline. Juno Ocean Walk Condominium Association has contracted with Anchor Marine Environmental Services for the installation of geo-filter tube erosion control along shoreline adjacent to: east, west and south sections of the east lake; and south and east sections of the west lake.

E. Stormwater Outfall

The ultimate and long-term objective to improve flood protection by lowering flood stages and decreasing the duration of flooding is to obtain a stormwater outfall. A potential stormwater outfall is a gravity connection (consisting of a pipe

and bubble up structure) from the Juno Ocean Walk RV Park to the Juno Dunes Natural Area. According to Palm Beach County Environmental Resources Management, direct drainage connections to environmentally sensitive lands are not allowed. However, if the Juno Ocean Walk RV Park increases surface and soil storage and reduces impervious areas (to comply with SFWMD General Permit No. 81-87), and it can be shown that the hydrology of the environmentally sensitive land would benefit from receiving treated discharge from the Juno Ocean Walk RV Park, there may be an opportunity to obtain an efficient and cost-effective stormwater outfall. A stormwater outfall would require modification of SFWMD General Permit No. 81-87 and approval/authorization from Palm Beach County Environmental Resources Management.

An alternative potential stormwater outfall is a gravity connection (consisting of approximately 3,300 linear feet of pipe) extending along the north side of the Juno Dunes Natural Area from the Juno Ocean Walk RV Park to the Intracoastal Waterway. This alternative potential stormwater outfall would also require modification of SFWMD General Permit No. 81-87 and approval/authorization (and an easement through the Juno Dunes Natural Area) from Palm Beach County Environmental Resource Management.

2. Offsite Surface Water Management Improvements

Stormwater discharge from developments east of Juno Ocean Walk RV Park to U.S. Highway One accumulates in the east lake and surrounding low areas of the Juno Ocean Walk RV Park. Offsite discharge from older developments (e.g., U.S. Highway One and Juno Beach Condo) is considered historical and should have been provided for in the design of the surface water management system; however, offsite discharge from newer developments is considered unauthorized and unpermitted (e.g., Ocean Key at Juno Beach). Coordination with the Town of Juno Beach, SFWMD, Palm Beach County, Florida Department of Transportation (FDOT) and representatives of these developments is essential to reduce offsite discharges and correct erosion.

A. U.S. Highway One

Stormwater discharge from U.S. Highway One to the Juno Ocean Walk RV Park is considered historical and should have been provided for in the design of the surface water management system. In August 1996, a letter was sent to the FDOT requesting corrective actions to mitigate adverse impacts of offsite discharges to the Juno Ocean Walk RV Park. A September 1996 letter from the FDOT indicated that upon completion of an evaluation by the Department a response would be provided. In 2002, the FDOT indicated that if it can be shown that U.S. Highway One is contributing to the flooding of the Juno Ocean Walk RV Park, they would be open to allowing exfiltration trench within the road right-of-way. In 2010, the FDOT designed and constructed resurfacing, restoration and rehabilitation improvements to State Road 5 (U.S. Highway One) from just north of Parker Bridge to south of Indiantown Road. The project included milling and

resurfacing the existing roadway pavement, improving design deficiencies, enhancing safety and traffic operations through the corridor and coordination of landscaping with the municipalities as required. In addition, new sidewalks were constructed along the east and west sides of the roadway, and minor drainage improvements (including shallow swales and exfiltration trench systems (in areas where swale storage is insufficient)) were constructed to compensate for the additional impervious area and reduce flooding of adjacent properties.

B. Juno Ocean Walk

The Town of Juno Beach 5-Year Capital Improvement Program includes the following: Juno Ocean Walk - Design and build exfiltration trench and french drains needed to capture and slow storm water drainage from the roadway to minimize localized flooding. According to Juno Beach Public Works, \$35,000 has been budgeted for this project and the design phase is expected to begin in 2022. The design of drainage improvements for Juno Ocean Walk should include offsite discharges from U.S. Highway One.

C. Ocean Key at Juno Beach

SFWMD Standard General Permit No. 50-04655-P was issued on September 1, 2000 authorizing the construction of a surface water management system (consisting of 752 LF of exfiltration trench) to serve 2.6 acres of a residential development known as Ocean Key at Juno Beach. According to SFWMD Standard General Permit No. 50-04655-P: 1.) the system was designed for total onsite retention; a modification of the permit would be required for construction authorization of surface water management system to serve 0.7 acres of future commercial phase (office building); 2.) the permittee (Ocean Key at Juno Beach Condominium Association) shall be responsible for the correction of any erosion, shoaling or water quality problems that result from the construction or operation of the surface water management system; 3.) no later than 90 days after construction of the water management system and every 90 days thereafter, the permittee must prepare and keep onsite a quarterly monitoring report on the condition, operation and maintenance of the surface water management system, and said reports shall be made available to the District upon request; and 4.) this special condition shall be specifically added to the condominium association documents to notify all potential owners of the operation and maintenance responsibilities associated with the proposed surface water management system.

In response to numerous complaints from representatives of Juno Ocean Walk Condominium Association, a Notice of Violation dated November 21, 2013 was sent by SFWMD to Juno Ocean Key Condominiums, LLC for non-compliance with SFWMD Standard General Permit No. 50-04655-P including: the unauthorized offsite discharge of stormwater causing flooding conditions (and erosion) which negatively impacts adjoining property owners; and failure to prepare and maintain monitoring reports pertaining to the operation and

maintenance of the stormwater management system. As a result of this violation, SFWMD sought civil penalties, recovery of staff investigative costs and remediation of the non-compliance issues (including unauthorized offsite discharge of stormwater causing flooding of Juno Ocean Walk RV Park). In order to comply with SFWMD Standard General Permit No. 50-04655-P (remediation of non-compliance issues), Juno Ocean Key was required to design and build additional exfiltration trench, lower site grading, and raise curbs and install retaining walls along the north side of the parking lot as necessary to provide total onsite retention and prevent offsite discharges during a 100 year 3 day storm event.

D. Floridian Ocean Park

Stormwater discharge from Floridian Ocean Park to the Juno Ocean Walk RV Park is considered historical and should have been provided for in the design of the surface water management system. A sump pump that was discovered within an inlet at the west end of the Floridian Ocean Park has since been removed. Plans to redevelop the site include a surface water management system designed for total onsite retention.

E. Ocean Breeze

Ocean Breeze is the proposed 2.86 acres residential development to be located at the former Floridian Ocean Park site. A surface water management system (consisting of exfiltration trench) to serve the 2.86 acres residential development was designed to provide total onsite retention. The proposed surface water management system was designed by Southern Design Group with assistance from a geotechnical engineer (to ensure effectiveness of the proposed exfiltration trench) and a structural engineer (to ensure effectiveness of the proposed retaining wall) to avoid the failings of the Ocean Key at Juno Beach.

F. Juno Beach Condo

Stormwater discharge from Juno Beach Condo to the Juno Ocean Walk RV Park is considered historical and should have been provided for in the design of the surface water management system. On August 9, 2013 the Town of Juno Beach sent notification letters (regarding discharge of stormwater onto paved/impervious surfaces) to owners of the following Unit Numbers within the development: 1, 2, 4, 5, 6, 8, 10, 13, 14, 17, 18, 19, 20, 22, 23, 25, 26, 27, 29, 31, 32, 33, 34, 36, 39, 40, 41, 45, 47, 50, 53, 54, 60, 62, 63, 64, 65, 69, 71, 74; and the Clubhouse. In response to complaints from representatives of Juno Ocean Walk Condominium Association, an additional notification letter was sent to Unit No. 61 to correct erosion caused by roof runoff.

Based on a review of historical aerial photographs, soils maps, documents and drawings for Juno Beach Condo obtained from the Town of Juno Beach,

coordination with the Town of Juno Beach including Town Clerk and Planning & Zoning to review archived drawings for Juno Beach Condo, field reviews of Juno Beach Condo including drainage facilities, impervious areas, topography, and roof drains that may have increased offsite discharges to Juno Ocean Walk RV Park, and coordination with residents of Juno Beach Condo: 1.) drawings dated 1962 show a proposed Mobile Home Court with two entrances and loop road that extends west from U.S. Highway One to the western lots of the property; 2.) the property slopes from a high elevation of 20 to 22 Ft. NGVD at U.S. Highway One to 8 Ft. NGVD at the southwest corner of the property and 2 Ft. NGVD at the northwest corner of the property; 3.) stormwater runoff from the lots is to inverted crown roads that serve as flumes to convey the runoff from the high elevations at U.S. Highway One to the lower western end of the loop road; 4.) two 24" corrugated metal pipe outfalls extend from two catch basins (one located at the western end of the north road and one at the western end of the south road) to the west property line and historically low-lying undeveloped area (and wetland) to the west. In the late 1970s and early 1980s, this low-lying undeveloped area (and wetland) was developed and is now the eastern basin (and east lake) of Juno Ocean Walk RV Park.

V. Surface Water Management Calculations

A. SFWMD General Permit No. 81-87 (Original Permit Authorization: May 11, 1981)

project area = 20.0 acres

lake area = 1.0 acre + 1.0 acre = 2.0 acres

office and administration building = 0.1 acre (5000 sq. ft.)

roadways = 1.8 acres

lots = 16.1 acres

impervious area = 1.8 acres (roads) + 0.1 acre (building) + 2.7 acres (trailers) =
4.6 acres / 20.0 acres = 23%

pervious area = 20.0 acres - (4.6 acres + 2.0 acres) = 13.4 acres (67%)

control elevation = 2.0 Ft. NGVD (based on wet season water table elevation)

soil storage = 8.18 inches (coastal soils, compacted) x 1/12 x 13.4 acres =
9.13 acre-feet / 20 acres x 12 = 5.5 inches = S

surface storage: 2.0 acres of lakes store vertically from 2.0 Ft. NGVD

Stage (Ft. NGVD)	Lake Storage (AF)
2.0	0.0
3.0	2.0
4.0	4.0
5.0	6.0

Note: This project (formerly known as Yogi Bear Recreational Vehicle Park) was designed for total onsite retention (i.e., no stormwater outfall) with the minimum road elevation based on a 3 year 24 hour storm event. The minimum finished floor elevations for permanent buildings were to be determined by adding 18" to the adjoining road elevation. The minimum finished floor criteria did not apply to temporary structures such as recreational vehicles and the concrete slabs on which the recreational vehicles are parked.

allowable discharge = 0 cfs (total onsite retention)

flood protection (according to staff report):

local road criteria	3 year 24 hour storm event
3 year 24 hour rainfall	P = 6.7 inches
3 year 24 hour stage	4.4 Ft. NGVD
min. road crown elevation	4.4 Ft. NGVD

$$Q = \frac{(P - 0.2S)^2}{P + 0.8S} = \frac{(6.7 - 0.2(5.5))^2}{6.7 + 0.8(5.5)} = \frac{32.36}{11.10}$$

$$Q = 2.92'' \times 1/12 \times 20 \text{ acres} = 4.85 \text{ acre-feet (AF)}$$

$$\text{Stage} = 4.4 \text{ Ft. NGVD} = \text{minimum road elevation}$$

B. Evaluation of Existing Conditions

The existing surface water management system consists of two lakes separated by a natural ridge (at elevation 25-28 Ft. NGVD) toward the center of the site that divides the site into two 10 acres drainage basins: an eastern basin served by the east lake; and a western basin served by the west lake. Existing conditions not in compliance with SFWMD General Permit No. 81-87 include: impervious area significantly increased from original authorization; and portions of the original surface water management system (including perimeter swale) have been eliminated. Flooding conditions are most problematic in the eastern basin (served by the east lake) due to: offsite discharges from properties extending east of Juno Ocean Walk RV Park to U.S. Highway One (not considered in the original design and authorization); the east lake and eastern basin were constructed over a wetland; and the predominant soil of the eastern basin is Okeelanta muck, poorly drained soils prone to flooding.

Juno Ocean Walk RV Park (East Basin)

project area = 10.0 acres (eastern basin)

lake area = 1.0 acre (east lake)

dry retention area = 0.3 acre (south dog park/retention area)

impervious area = 75% = 7.5 acres

pervious area = 10.0 acres - (7.5 acres + 1.0 acre) = 1.5 acres (15%)

control elevation = 2.0 Ft. NGVD (from SFWMD General Permit No. 81-87)

soil storage = 8.18 inches (coastal, compacted) x 1/12 x 1.5 acres
 = 1.02 acre-feet / 10 acres x 12 = 1.23 inches = S

surface storage: 1.0 acre of lake stores vertically from 2.0 Ft. NGVD
 0.3 acre dry retention area with exfiltration trench

Stage (Ft. NGVD)	Lake Storage (AF)	Dry Retention (AF)	Total Storage (AF)
2.0	0.0	0.0	0.0
3.0	1.0	1.1	2.1
4.0	2.0	1.1	3.1
4.4	2.4	1.1	3.5

allowable discharge = 0 cfs (total onsite retention)

flood protection (according to staff report):

local road criteria	3 year 24 hour storm event
3 year 24 hour rainfall	P = 6.7 inches
3 year 24 hour stage	4.4 Ft. NGVD
min. road crown elevation	4.4 Ft. NGVD

$$Q = \frac{(P - 0.2S)^2}{P + 0.8S} = \frac{(6.7 - 0.2(1.23))^2}{6.7 + 0.8(1.23)} = \frac{41.66}{7.68}$$

$$Q = 5.42'' \times 1/12 \times 10 \text{ acres} = 4.5 \text{ acre-feet (AF)}$$

Storage required at 4.4 Ft. NGVD (minimum road elevation) = 4.5 acre-feet (AF)

Storage provided at 4.4 Ft. NGVD (in existing lake/dry retention area) = 3.5 acre-feet (AF)

Additional storage required = 4.5 AF - 3.5 AF = 1.0 acre-feet (AF)

Juno Beach Condo (Offsite Area to Juno Ocean Walk RV Park)

offsite area = 6.5 acres (Juno Beach Condo)

impervious area = 6.5 acres x 95% = 6.2 acres

pervious area = 6.5 acres – 6.2 acres = 0.3 acre (5%)

control elevation = 2.0 Ft. NGVD (from SFWMD General Permit No. 81-87)

soil storage = 8.18 inches (coastal, compacted) x 1/12 x 0.3 acres
= 0.2 acre-feet / 6.5 acres x 12 = 0.4 inches = S

$$Q = \frac{(P - 0.2S)^2}{P + 0.8S} = \frac{(6.7 - 0.2(0.4))^2}{6.7 + 0.8(0.4)} = \frac{43.82}{7.02}$$

$$Q = 6.24'' \times 1/12 \times 6.5 \text{ acres} = 3.4 \text{ acre-feet (AF)}$$

Storage required = 3.4 acre-feet (AF)

Storage provided = 0.0 acre-feet (AF)

Offsite discharge to Juno Ocean Walk RV Park from Juno Beach Condo
= 3.4 acre-feet - 0.0 acre-feet = 3.4 acre-feet (AF)

In order to provide a 3 year 24 hour level of protection for roads within the Juno Ocean Walk RV Park (minimum road elevation = 4.4 Ft. NGVD):

Total additional storage required at Juno Ocean Walk RV Park (at 4.4 Ft. NGVD) =
1.0 acre-feet + 3.4 acre-feet (offsite discharge from Juno Beach Condo) = 4.4 acre-feet
(AF)

VI. Findings and Recommendations

Based on our review of data obtained from the Town of Juno Beach, South Florida Water Management District, and Palm Beach County (including drawings, topographic maps, soil surveys, and historical aeriels), field reviews and evaluations of existing surface water management facilities (onsite and offsite), and surface water management calculations, our findings and recommendations are summarized below:

Juno Ocean Walk RV Park has had a long history of flooding. In June 1982, in response to numerous drainage and flooding complaints from Juno Ocean Walk RV Park (formerly known as Yogi Bear Travel Trailer Park) and Floridian Ocean Park, South Florida Water Management District conducted a field inspection to see what could be done to resolve the problem. They identified the reasons for the flooding to be: 1.) "no where for the water to go" (i.e., no outfall);

and 2.) substantial runoff from upstream sites. They found “no real solution for the problem” except to raise the four affected trailers and “a permanent solution cannot be obtained until such time as an outfall is available.” In response to extreme flooding conditions in October 1995, the Town of Juno Beach requested an emergency authorization from South Florida Water Management to install and operate a portable pump to discharge surface water from the Juno Ocean Walk RV Park to a storm water drain located in the southwest corner of the Bluff’s Shopping Center.

The long history of flooding and extreme flooding conditions in October 1995 are primarily due to: design flaws; substandard design based on recreational vehicle park; substantial increase in impervious area from the original authorization (23% to 75%); elimination of 25’ wide perimeter swale and reduction of water management areas; and offsite discharges from developments to the east were not considered in the original design.

Juno Ocean Walk RV Park is a 20 acre manufactured home community. The existing surface water management system consists of two 1.0 acre lakes (and two drainage basins) separated by a natural ridge (at elevation 25-28 Ft. NGVD) that divides the site into two 10 acre drainage basins: an eastern basin served by the east lake; and a western basin served by the west lake. According to SFWMD General Permit No. 81-87, the two lakes are not connected and there are no discharge facilities or stormwater outfall (i.e., total onsite retention). Flooding conditions are most problematic in the eastern basin due to: flooding of the entrance road affects all residents and prompted emergency action by the Town of Juno Beach in October 1995; offsite discharges from developments to the east; low-lying areas within the eastern basin (as low as 4.0 Ft. NGVD) immediately east, west and south of the east lake; and the predominant soil of the eastern basin is Okeelanta muck, poorly drained soils prone to flooding.

Potential improvements to reduce surface water flooding and increase flood protection include the creation of dry retention areas with exfiltration trench, obtain approval for a stormwater outfall, and elimination of unauthorized offsite discharges and reduction of historical offsite discharges as follows:

- Due to the success of the South Dog Park/Retention Area which was constructed in 2013, other common areas were reviewed and the area with the greatest potential to provide additional surface and soil storage is the large area south of the recreational building and pool deck. This area is ideal for a dry retention area and maximization of surface storage and soil storage due to: 1.) it is located on the natural ridge that separates the east basin from the west basin and is fairly flat with elevations varying from 24 Ft. NGVD to 26 Ft. NGVD; 2.) it is located near the existing South Dog Park/Retention Area; and 3.) would be more cost effective than the South Dog Park/Retention Area (i.e., the retention volume provided per acre of retention area will be greater).
- The ultimate and long-term objective to improve flood protection by lowering flood stages and decreasing the duration of flooding is to obtain a stormwater outfall. Potential stormwater outfalls include: 1.) a gravity connection (consisting of a pipe and bubble up structure) from the Juno Ocean Walk RV Park to Juno Dunes Natural Area; and 2.) a gravity connection extending along the north side of the Juno Dunes Natural Area to the Intracoastal Waterway.

- Unauthorized and historical offsite discharges from developments to the east that have been eliminated or reduced include: 1.) Ocean Key at Juno Beach (in 2013, in response to numerous complaints from representatives of Juno Ocean Walk RV Park, SFWMD issued a Notice of Violation to Ocean Key for non-compliance with SFWMD Standard General Permit No. 50-04655-P including unauthorized offsite discharge of stormwater causing flooding conditions which negatively impacts of adjoining property owners; 2.) Floridian Ocean Park site has been redeveloped and a surface water management system to serve the new residential development (Ocean Breeze) was designed to provide total onsite retention; 3.) in 2010, the FDOT designed and constructed resurfacing, restoration and rehabilitation improvements to U.S. Highway One from north of Parker Bridge to south of Indiantown Road and minor drainage improvements (including shallow swales and exfiltration trench systems) were constructed to reduce flooding to adjacent properties; and 4.) the Town of Juno Beach 5-Year Capital Improvement Program includes \$35,000 for the design and construction of exfiltration trench needed to capture stormwater runoff from Juno Ocean Walk to minimize local flooding.

Surface water management calculations prepared for Juno Ocean Walk RV Park include: 1.) SFWMD General Permit No. 81-87 issued on May 11, 1981 which were based on a single 20 acre drainage basin (i.e., did not consider natural ridge towards the center of site that divides the site into two 10 acre drainage basins), impervious area of 23% and no offsite discharges, and set the flood protection at a 3 year 24 hour storm event (6.7" of rainfall) and minimum road elevation at 4.4 Ft. NGVD; 2.) evaluation of existing conditions for the 10 acre eastern basin (and east lake), impervious area of 75% and offsite discharges from Juno Beach Condo. Results of the surface water management calculations indicate:

- During a 3 year 24 hour storm event, the volume of runoff from Juno Ocean Walk RV Park (East Basin) and the storage required in order to provide a 3 year 24 hour level of flood protection for roads (with a minimum road elevation of 4.4 Ft. NGVD) is 4.5 AF. The storage provided (in the existing lake and South Dog Park/Retention Area) at 4.4 Ft. NGVD (the minimum road elevation) is 3.5 acre-feet. Therefore, 1.0 acre-feet of additional storage is required at 4.4 Ft. NGVD (not including offsite discharges from Juno Beach Condo).
- During a 3 year 24 hour storm event, the volume of runoff from Juno Beach Condo (which is 95% impervious and discharges directly to Juno Ocean Walk RV Park via two 24" corrugated metal pipes) is 3.4 acre-feet. The storage provided by Juno Beach Condo is 0.0 acre-feet. Therefore, 3.4 acre-feet of additional storage is required at 4.4 Ft. NGVD.
- The total additional storage required at Juno Ocean Walk RV Park (including offsite discharges from Juno Beach Condo) to provide a 3 year 24 hour level of flood protection for the roads = 1.0 AF (Juno Ocean Walk RV Park) + 3.4 acre-feet (Juno Beach Condo) = 4.4 acre-feet at 4.4 Ft. NGVD (the minimum road elevation).
- Because all of the additional storage required is to provide the roads a 3 year 24 hour level of protection and the minimum road elevation is 4.4 Ft. NGVD (per SFWMD General Permit No. 81-87), the additional storage can best be mitigated by: 1.) creation of dry retention areas with exfiltration trench (the large area south of the recreational building and pool deck has the greatest potential as a dry retention area due to the location (near the existing South Dog Park/Retention Area) and fairly flat and high topography (24 Ft. NGVD to 26 Ft. NGVD); it is ideal for dry retention and exfiltration, and maximization of surface storage and soil storage, and would be more cost effective than the South Dog Park/Retention Area); and 2.) the ultimate and long-

term objective to improve flood protection by lowering flood stages and decreasing the duration of flooding is to obtain a stormwater outfall (potential stormwater outfalls include: 1.) a gravity connection (consisting of a pipe and bubble up structure) from the Juno Ocean Walk RV Park to Juno Dunes Natural Area; and 2.) a gravity connection extending along the north side of the Juno Dunes Natural Area to the Intracoastal Waterway).

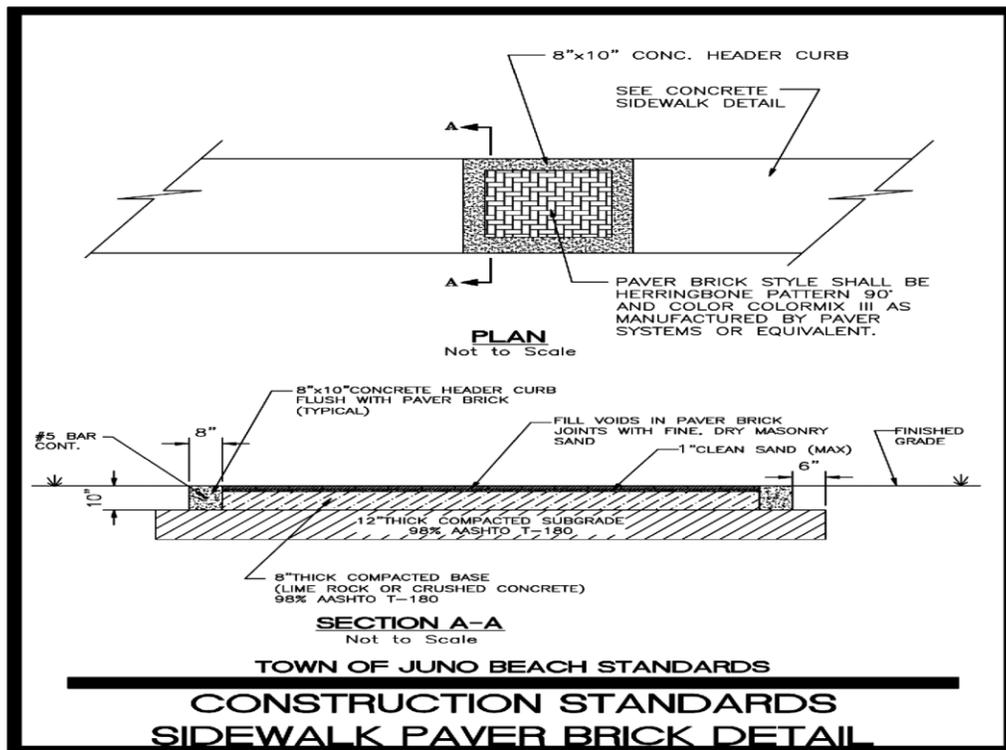

Our recommendations are: 1.) move forward with the design and construction of a dry retention area located south of the recreational building and pool area in order to provide the greatest drainage improvements in the shortest amount of time (and provide relief for the existing South Dog Park Retention Area); 2.) maintenance/improvements are required at the existing South Dog Park Retention Area including repairs to the retaining wall in order for the existing dry retention area to continue to function as designed; 3.) due to the long history of flooding, total onsite retention, substantial runoff from offsite areas, low-lying areas (as low as 4.0 Ft. NGVD), and substandard design (based on 3 year 24 hour storm event), we need to pursue other mitigation strategies (i.e., obtaining a stormwater outfall) and available funding to mitigate recurring flooding issues within Juno Ocean Walk RV Park.

Meeting Name: Town Council Meeting
Meeting Date: February 25, 2026
Prepared By: Steven J. Hallock, Director of Public Works
 Duncan Clark, Planning Technician
Item Title: Town Sidewalk and Brick Paver Update

DISCUSSION:

Town staff recently conducted an inventory of all Town owned brick paver and concrete sidewalk sections. This will be a valuable tool for asset management, budget preparation, and conducting gap analysis. The Town of Juno Beach construction standards are noted below. The goal is to have all sidewalk and brick paver sections to be rated good or better. To achieve an Excellent rating, the section would have to comply with our construction standard, as depicted below:

Four categories were used during the sidewalk brick paver inventory.**Excellent**

- Characteristics: Newly installed or well-maintained without defects.
- Surface: Uniformly level with no tripping hazards; includes a concrete border.
- Joints: Intact, properly sand-filled, and free of vegetation.
- Drainage: Excellent sloping to prevent water puddling.
- Action Needed: Schedule pressure washing and vegetation control as required.

**Good**

- Characteristics: Minor, aesthetic issues that do not impact safety or accessibility.
- Surface: Minimal cracking or minor settling in isolated areas.
- Joints: Mostly sand-filled; may have minor vegetation growth.
- Drainage: Good sloping to prevent pooling.
- Action Needed: Re-level select pavers, pressure wash, and control vegetation; install a border, when possible, to meet standards.

Fair

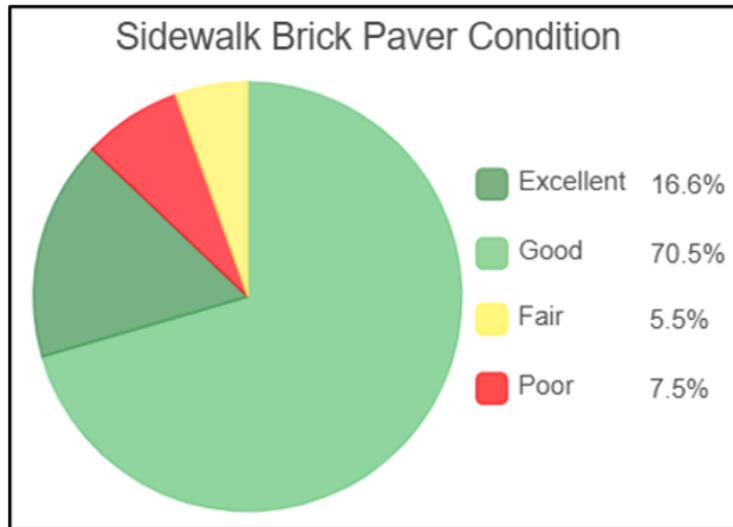

- Characteristics: One or more potential safety concerns noted.
- Surface: Noticeable unevenness and rough spots.
- Structure: Visible sunken or settled areas; some cracked or broken bricks.
- Action Needed: Perform spot repairs, re-leveling, or re-sanding. Extensive repair or reconstruction may be required to meet standards.

**Poor**

- Characteristics: Warranting safety paint markings and warning cones.
- Safety/Accessibility: Major trip hazards, severe unevenness, or missing bricks making the path difficult for wheelchairs or canes.
- Structure: Large, deep potholes, extensive settling, or a very rough surface.
- Action Needed: Requires complete reconstruction. Use cones, barricades, and/or orange spray paint to secure the area until standards can be met.

The total amount of brick paver sections is 549 and are rated as follows.

The Town of Juno Beach budgeted \$75,000 in the approved FY 2025-2026 budget within the Capital Improvement Plan (CIP) under “Road Improvement – Sidewalk & Paver Repair”. As a result, Town staff issued an Invitation to Bid (ITB) per the Town Purchase Policy and sealed bids were received and opened Friday, February 6, 2026, at 11 AM. The bid tab is attached. Creative Contracting Group was selected as the lowest qualified bidder and work is scheduled to begin near the end of February 2026.

RECOMMENDATION:

Town staff are pursuing the goal of complete reconstruction of all “Poor” and “Fair” sidewalk brick paver sections, making minor repairs where needed for the “Good” sidewalk brick paver sections, and replacing Town owned concrete sidewalk in need of repair. The main goal of this project is to reduce as many sidewalks trip hazards for public safety as possible with a secondary goal of better aesthetics.

DRUG FREE WORKPLACE

Preference shall be given to businesses with drug-free workplace programs. Whenever two or more Bids which are equal with respect to price, quality, and service are received by the State or by any political subdivision for the procurement of commodities or contractual services, a bid received from a business that certifies that it has implemented a drug-free workplace program shall be given preference in the award process. Established procedures for processing tie Bids will be followed if none of the tied vendors have a drug-free workplace program. In order to have a drug-free workplace program, a business shall:

1. Publish a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the workplace and specifying the actions that will be taken against employees for violations of such prohibition.
2. Inform employees about the dangers of drug abuse in the workplace, the business's policy of maintaining a drug-free workplace, any available drug counseling, rehabilitation, and employee assistance programs, and the penalties that may be imposed upon employees for drug abuse violations.
3. Give each employee engaged in providing the commodities or contractual services that are under bid a copy of the statement specified in subsection (1).
4. In the statement specified in subsection (1), notify the employees that, as a condition of working on the commodities or contractual services that are under Bid, the employee will abide by the terms of the statement and will notify the employer of any conviction of, or plea of guilty or nolo contendere to, any violation of chapter 893 or of any controlled substance law of the United States or any state, for a violation occurring in the workplace no later than five (5) days after such conviction.
5. Impose a sanction on or require the satisfactory participation in a drug abuse assistance or rehabilitation program if such is available in the employee's community, by any employee who is so convicted.
6. Make a good faith effort to continue to maintain a drug-free workplace through implementation of this section.

As the person authorized to sign the statement, I certify that this firm complies fully with the above requirements.

**SWORN STATEMENT PURSUANT TO SECTION 287.133(3)(a),
FLORIDA STATUTES, ON ENTITY CRIMES**

1. This sworn statement is submitted to the Town of Juno Beach, Florida

by LISA Addis, V.P.
(print individual's name and title)

for creative Contracting Group
(print name of entity submitting sworn statement)

whose business address is 3141 Fortune Way S-16

and (if applicable) its Federal Employer Identification Number (FEIN) is: 200261053

(If the entity has no FEIN, include the Social Security Number of the Individual signing this sworn statement: N/A)

2. I understand that a "public entity crime" as defined in Section 287.133(1)(g), Florida Statutes, means a violation of any state or federal law by a person with respect to and directly related to the transaction of business with any public entity or with an agency or political subdivision of any other state or of the United States, including, but not limited to, any bid or contract for goods or services to be provided to any public entity or an agency or political subdivision or any other state or of the United States and involving antitrust, fraud, theft, bribery, collusion, racketeering, conspiracy, or material misrepresentation.

3. I understand that "convicted" or "conviction" as defined in Section 287.133(1)(b), Florida Statutes, means a finding of guilt or a conviction of a public entity crime, with or without an adjudication of guilt, in any federal or state trial court of record relating to charges brought by indictment or information after July 1, 1989, as a result of jury verdict, nonjury trial, or entry of a plea of guilty or nolo contendere.

4. I understand that an "affiliate" as defined in Section 287.133(1)(a), Florida Statutes, means:

- A predecessor or successor of a person convicted of a public entity crime; or
- An entity under the control of any natural person who is active in the management of the entity and who has been convicted of a public entity crime. The term "affiliate" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in the management of an affiliate. The ownership by one person of shares constituting a controlling interest in another person or a pooling of equipment or income among persons when not for fair market value under an arm's length agreement, shall be a prima facie case that one person controls another person. A person who knowingly enters into a joint venture with a person who has been convicted of a public entity crime in Florida during the preceding 36 months shall be considered an affiliate.

5. I understand that a "person" as defined in Section 287.133(1)(e), Florida Statutes, means any natural person or entity organized under the laws of any state or of the United States with the legal power to enter into binding contract and which Bids or applies to bid on contracts for the provision of

goods or services let by a public entity, or which otherwise transacts or applies to transact business with a public entity. The term "person" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of an entity.

6. Based on information and belief, the statement which I have marked below is true in relation to the entity submitting this sworn statement. (Indicate which statement applies.)

Neither the entity submitting this sworn statement, nor any of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, nor any affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.

The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.

The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989. However, there has been a subsequent proceeding before a Hearing Officer of the State of Florida, Division of Administrative Hearings and the Final Order entered by the Hearing Officer determined that it was not in the public interest to place the entity submitting this sworn statement on the convicted vendor list. (attach a copy of the final order)

I UNDERSTAND THAT THE SUBMISSION OF THIS FORM TO THE CONTRACTING OFFICER FOR THE PUBLIC ENTITY IDENTIFIED IN PARAGRAPH 1 (ONE) ABOVE IS FOR THAT PUBLIC ENTITY ONLY AND THAT HIS FORM IS VALID THROUGH DECEMBER 31 OF THE CALENDAR YEAR IN WHICH IT IS FILED. I ALSO UNDERSTAND THAT I AM REQUIRED TO INFORM THE PUBLIC ENTITY PRIOR TO ENTERING INTO A CONTRACT IN EXCESS OF THE THRESHOLD AMOUNT PROVIDED IN SECTION 287.017, FLORIDA STATUTES FOR CATEGORY TWO OF ANY CHANGE IN THE INFORMATION CONTAINED IN THIS FORM.

1. I hereby certify that the above-named entity:
 - A. Does not participate in the boycott of Israel; and
 - B. Is not on the Scrutinized Companies that Boycott Israel List.

2. If the Contract for goods and services is for more than \$1,000,000, I hereby certify that the above-named entity:
 - A. Is not on the Scrutinized Companies with Activities in Sudan List; and
 - B. Is not on the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List; and
 - C. Has not engaged in business operations in Cuba or Syria.

Section 287.135, Florida Statutes, prohibits the Town from: (1) contracting with companies for goods or services in any amount if at the time of bidding on, submitting a bid for, or entering into or renewing a contract if the company is on the Scrutinized Companies that Boycott Israel List, created pursuant to Section 215.4725, Florida Statutes, or is engaged in a boycott of Israel; and (2) contracting with companies, for goods or services over \$1,000,000 that are on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List created pursuant to Section 215.473, Florida Statutes or is engaged in business operations in Cuba or Syria.

As the person authorized to sign on behalf of the above-named entity, I hereby certify that the statements set forth above are true and that pursuant to Section 287.135, Florida Statutes, the submission of a false certification may subject the company to civil penalties, attorney's fees

and/or costs. I further understand that any contract with the Town for goods or services may be terminated at the option of the Town if the company has been found to have submitted a false certification.

My Commission Expires:

Meeting Name: Town Council
Meeting Date: February 25, 2026
Prepared By: R. Cole, Town Manager
Item Title: Resolution No. 2026-03 – Veterans Memorial Policy

DISCUSSION:

Councilmember Hosta recently requested to hold a traditional military honor ceremony to honor her deceased husband, Ronald Francis Hosta, at the Veterans' Memorial located at the Town Center courtyard. Mr. Hosta was a US Army Captain stationed in Germany, Korea, and Vietnam. Among his many notable achievements in his military service to our country, Mr. Hosta he coached a local Army basketball team in Germany, having taken them all the way to a European championship.

Staff reported to me that all special event requirements, including insurance, facility rental fees, etc., would be required to authorize the ceremony. However, it is not unusual for municipalities to accommodate without charge or insurance burden such ceremonies involving sitting elected officials or their immediate family members, such as a spouse or child. Our elected officials sacrifice substantially for their public service commitments to the Town of Juno Beach, including taking precious time away from loved one's to support and advance community well-being, sometimes also sharing the stress of being a public figure with their family members. As such, the waiver of fees, charges, and insurance requirements for the requested purpose constitutes a worthy public purpose through acknowledgement of the sacrifice made by elected officials serving the community, while also honoring military service.

RECOMMENDATION:

Approve the proposed resolution.

RESOLUTION NO. 2026-03

A RESOLUTION OF THE TOWN COUNCIL OF THE TOWN OF JUNO BEACH, FLORIDA, ADOPTING A VETERANS MEMORIAL CEREMONY POLICY FOR QUALIFYING TOWN ELECTED OFFICIALS AND FAMILY MEMBERS; PROVIDING FOR ADOPTION OF RECITALS; PROVIDING FOR PUBLIC PURPOSE FINDINGS; PROVIDING FOR IMPLEMENTATION; PROVIDING FOR SEVERABILITY; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, the Town Council of the Town of Juno Beach, Florida ("Town"), recognizes the service and sacrifice of members of the United States Armed Forces; and

WHEREAS, the Town maintains a Veterans Memorial for the purpose of commemorating military service and sacrifice; and

WHEREAS, Article VIII, Section 2(b) of the Florida Constitution and Florida Statute §166.021 grant municipalities broad home rule authority to exercise any power for municipal purposes except as otherwise provided by law; and

WHEREAS, the Town Council finds that establishing policies governing the use of Town-owned facilities and the waiver of certain municipal fees constitutes a proper exercise of the Town's home rule authority; and

WHEREAS, the Town Council further finds that permitting limited ceremonial use of the Veterans Memorial to host traditional military memorial services involving not more than 24 attendees honoring the memory of qualifying current or former Town Elected Officials who are a veteran or active-duty member of the United States Armed Forces at the time of death and their veteran or active-duty immediate family members serves a valid municipal and public purpose; and

WHEREAS, the Town Council further finds that any waiver of facility rental or special event fees authorized herein is incidental to, and in furtherance of, that public purpose and is narrowly tailored in scope and application.

NOW THEREFORE, BE IT RESOLVED BY THE TOWN COUNCIL OF THE TOWN OF JUNO BEACH, FLORIDA, as follows:

Section 1. The foregoing recitals are hereby ratified as true and correct and are incorporated herein. The Veterans Memorial Ceremony Policy set forth in the attached Exhibit "A" is hereby adopted and incorporated herein by reference.

Section 2. The Town Council expressly finds that this Policy serves a valid municipal and public purpose by promoting civic recognition of military service and sacrifice consistent with the established purpose of the Town's Veterans Memorial. The Town Council further finds that adoption of this Policy constitutes a proper exercise of the

1 Town’s home rule authority pursuant to Article VIII, Section 2(b) of the Florida Constitution
2 and Florida Statute §166.021. The Town Council additionally finds that any waiver of
3 facility rental or special event fees authorized herein is incidental to and in furtherance of
4 that public purpose, is narrowly tailored in scope, and does not constitute a lending,
5 pledge, or use of public credit to aid any private person or entity in violation of Article VII,
6 Section 10 of the Florida Constitution.

7
8 **Section 3.** The Town Manager, or designee, is authorized to administer and
9 implement this Policy in accordance with its terms.

10
11 **Section 4.** If any section, subsection, sentence, clause, or provision of this
12 Resolution is held invalid, the remainder shall not be affected by such invalidity.

13
14 **Section 5.** This Resolution shall be effective immediately upon adoption.
