Commissioner Gibson opened the public hearing at 6:32. Development Services Director Maldonado read the following statement:

A preliminary plat of Joshua Station Addition was approved in 2008. The subject property is referred to as Lot 7 & 8, as per the preliminary plat and will be platted as such. This property is located within the Joshua Station Overlay District and as properties develop, they need to have a Planned Development designation and Detailed Site Plan approved prior to construction.

This property is zoned (JSOD) Joshua Station Overlay District.

The proposed development of this property is to allow for a restaurant and retail development. The proposed building will be 9,834 square feet.

The requirements of a detailed site plan include specific information related to engineering and other transportation issues. Because this property requires to be final platted, the City has agreed that these matters be part of the final platting review process.

No other comments were made. Commissioner Gibson closed the public hearing at 6:33 pm.
