## **Executive Summary**

Article 2.132-2.134 of the Texas Code of Criminal Procedure (CCP) requires the annual reporting to the local governing body of data collected on motor vehicle stops in which a ticket, citation, or warning was issued and to arrests made as a result of those stops, in addition to data collection and reporting requirements. Article 2.134 of the CCP directs that "a comparative analysis of the information compiled under 2.133" be conducted, with specific attention to the below areas:

- 1. evaluate and compare the number of motor vehicle stops, within the applicable jurisdiction, of persons who are recognized as racial or ethnic minorities and persons who are not recognized as racial or ethnic minorities;
- 2. examine the disposition of motor vehicle stops made by officers employed by the agency, categorized according to the race or ethnicity of affected persons, as appropriate, including any searches resulting from stops within the applicable jurisdiction;
- 3. evaluate and compare the number of searches resulting from motor vehicle stops within the applicable jurisdiction and whether contraband or other evidence was discovered in the course of those searches; and
- 4. information relating to each complaint filed with the agency alleging that a peace officer employed by the agency has engaged in racial profiling.

The analysis of material and data from the Joshua Police Department revealed the following:

- A COMPREHENSIVE REVIEW OF THE JOSHUA POLICE DEPARTMENT REGULATIONS, SPECIFICALLY GENERAL DIRECTIVE 2.2 (BIASED BASED POLICING) OUTLINING THE DEPARTMENT'S POLICY CONCERNING BIAS-BASED PROFILING, SHOWS THAT THE JOSHUA POLICE DEPARTMENT IS FULLY IN COMPLIANCE WITH ARTICLE 2.132 OF THE TEXAS CODE OF CRIMINAL PROCEDURE.
- A REVIEW OF THE INFORMATION PRESENTED AND SUPPORTING DOCUMENTATION REVEALS THAT THE JOSHUA POLICE DEPARTMENT IS FULLY IN COMPLIANCE WITH TEXAS LAW ON TRAINING AND EDUCATION REGARDING RACIAL PROFILING.
- A REVIEW OF THE DOCUMENTATION PRODUCED BY THE DEPARTMENT IN BOTH PRINT AND ELECTRONIC FORM REVEALS THAT THE DEPARTMENT IS FULLY IN COMPLIANCE WITH APPLICABLE TEXAS LAW ON THE RACIAL PROFILING COMPLAINT PROCESS AND PUBLIC EDUCATION ABOUT THE COMPLAINT PROCESS.
- ANALYSIS OF THE DATA REVEALS THAT THE DEPARTMENT IS FULLY IN COMPLIANCE WITH APPLICABLE TEXAS LAW ON THE COLLECTION OF RACIAL PROFILING DATA.
- THE JOSHUA POLICE DEPARTMENT IS FULLY IN COMPLIANCE WITH APPLICABLE TEXAS LAW CONCERNING THE REPORTING OF INFORMATION TO TCOLE.

• THE JOSHUA POLICE DEPARTMENT IS FULLY IN COMPLIANCE WITH APPLICABLE TEXAS LAW REGARDING CCP ARTICLES 2.132-2.134.

### Introduction

This report details an analysis of the Joshua Police Department's policies, training, and statistical information on racial profiling for the year 2023. This report has been prepared to specifically comply with Article 2.132, 2.133, and 2.134 of the Texas Code of Criminal Procedure (CCP) regarding the compilation and analysis of traffic stop data. Specifically, the analysis will address Articles 2.131 – 2.134 of the CCP and make a determination of the level of compliance with those articles by the Joshua Police Department in 2023. The full copies of the applicable laws pertaining to this report are contained in Appendix A.

This report is divided into six sections: (1) Joshua Police Department's policy on racial profiling; (2) Joshua Police Department's training and education on racial profiling; (3) Joshua Police Department's complaint process and public education on racial profiling; (4) analysis of Joshua Police Department's traffic stop data; (5) additional traffic stop data to be reported to TCOLE; and (6) Joshua Police Department's compliance with applicable laws on racial profiling.

For the purposes of this report and analysis, the following definition of racial profiling is used: racial profiling means a law enforcement-initiated action based on an individual's race, ethnicity, or national origin rather than on the individual's behavior or on information identifying the individual as having engaged in criminal activity (Texas CCP Article 3.05).

## Joshua Police Department Policy on Racial Profiling

A review of Joshua Police Department General Directive 2.2 (Biased Based Policing) revealed that the department has adopted policies to be in compliance with Article 2.132 of the Texas CCP (see Appendix B). There are seven specific requirements mandated by Article 2.132 that a law enforcement agency must address. All seven are covered in Directive 2.2. Joshua Police Department regulations provide clear direction that any form of bias-based profiling is prohibited and that officers found engaging in inappropriate profiling will face corrective action as required by the Code of Criminal Procedure. The regulations also provide a very clear statement of the agency's philosophy regarding equal treatment of all persons regardless of race or ethnicity. Appendix C lists the applicable statute and corresponding Joshua Police Department regulation.

A COMPREHENSIVE REVIEW OF JOSHUA POLICE DEPARTMENT GENERAL DIRECTIVE 2.2 SHOWS THAT THE JOSHUA POLICE DEPARTMENT IS FULLY IN COMPLIANCE WITH ARTICLE 2.132 OF THE TEXAS CODE OF CRIMINAL PROCEDURE.

## Joshua Police Department Training and Education on Racial Profiling

Texas Occupation Code § 1701.253 and § 1701.402 require that curriculum be established and training certificates issued on racial profiling for all Texas Peace officers. Documentation provided by Joshua Police Department reveals that all officers have received bias-based/racial profiling training.

A REVIEW OF THE INFORMATION PRESENTED AND SUPPORTING DOCUMENTATION REVEALS THAT THE JOSHUA POLICE DEPARTMENT IS FULLY IN COMPLIANCE WITH TEXAS LAW ON TRAINING AND EDUCATION REGARDING RACIAL PROFILING.

## Joshua Police Department Complaint Process and Public Education on Racial Profiling

Article 2.132 §(b)3-4 of the Texas Code of Criminal Procedure requires that law enforcement agencies implement a complaint process on racial profiling and that the agency provide public education on the complaint process. Joshua Police Department General Directive 2.2 Section IV (F) covers this requirement. In addition, Joshua Police Department has information regarding how to file a complaint on their website, (https://www.cityofjoshuatx.us/police/pages/commendations-and-complaints). The department has also prepared a brochure on the complaint process.

A REVIEW OF THE DOCUMENTATION PRODUCED BY THE DEPARTMENT IN BOTH PRINT AND ELECTRONIC FORM REVEALS THAT THE DEPARTMENT IS FULLY IN COMPLIANCE WITH APPLICABLE TEXAS LAW ON THE RACIAL PROFILING COMPLAINT PROCESS AND PUBLIC EDUCATION ABOUT THE COMPLAINT PROCESS.

## Joshua Police Department Statistical Data on Racial Profiling

Article 2.132(b) 6 and Article 2.133 requires that law enforcement agencies collect statistical information on motor vehicle stops in which a ticket, citation, or warning was issued and to arrests made as a result of those stops, in addition to other information noted previously. Joshua Police Department submitted statistical information on all motor vehicle stops in 2023 and accompanying information on the race/ethnicity of the person stopped. Accompanying this data was the relevant information required to be collected and reported by law.

Analysis of the data reveals that the department is fully in compliance with applicable Texas law on the collection of racial profiling data.

## **Analysis of the Data**

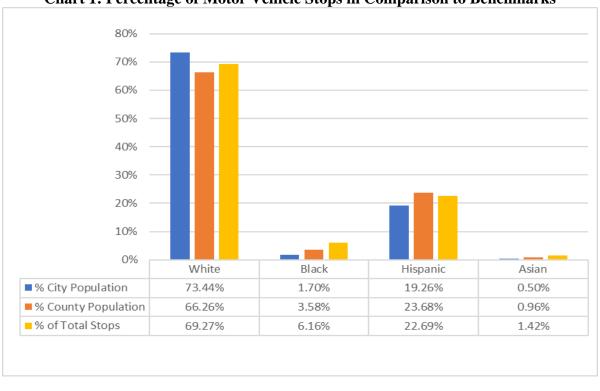

### Comparative Analysis #1:

Evaluate and compare the number of motor vehicle stops, within the applicable jurisdiction, of persons who are recognized as racial or ethnic minorities and persons who are not recognized as racial or ethnic minorities. Texas Code of Criminal Procedure Article 2.134(c)(1)(A)

The first chart depicts the percentages of people stopped by race/ethnicity among the total 6,072 motor vehicle stops in which a ticket, citation, or warning was issued, including arrests made, in 2023.<sup>1</sup>

\_

<sup>&</sup>lt;sup>1</sup> There were 28 motor vehicle stops of drivers considered Alaska Native/American Indian. These motor vehicle stops were not charted in the first figure of this report due to the small number of cases relative to the population in Joshua and relative to the total number of motor vehicle stops among all drivers (6,072).

**Chart 1: Percentage of Motor Vehicle Stops in Comparison to Benchmarks** 

White drivers constituted 69.27 percent of all drivers stopped, whereas Whites constitute 73.44 percent of the city population and 66.26 percent of the county population.<sup>2</sup>

*Black drivers* constituted 6.16 percent of all drivers stopped, whereas Blacks constitute 1.70 percent of the city population and 3.58 percent of the county population.

*Hispanic drivers* constituted 22.69 percent of all drivers stopped, whereas Hispanics constitute 19.26 percent of the city population and 23.68 percent of the county population.

Asian drivers constituted 1.42 percent of all drivers stopped, whereas Asians constitute 0.50 percent of the city population and 0.96 percent of the county population.

The chart shows that White drivers are stopped at rates lower than the percentage of Whites found in the city population but higher than the percentage of Whites in the county population. Black drivers are stopped at rates higher than the percentage of Blacks found in the city and county population. Hispanic drivers are stopped at rates higher than the percentage of Hispanics found in the city population but lower than the percentage of Hispanics in the county population. Asian drivers are stopped at rates higher than the percentage of Asians found in the city and county population.

-

<sup>&</sup>lt;sup>2</sup> City and County populations were derived from 2020 Decennial Census Redistricting Data (DEC) of the U.S. Census Bureau. City and County populations by gender noted later in this report are based on 2019 American Community Survey estimates.

## Methodological Issues

Upon examination of the data, it is important to note that differences in overall stop rates of a particular racial or ethnic group, compared to that racial or ethnic group's proportion of the population, cannot be used to make determinations that officers have or have not racially profiled any given individual motorist. Claims asserting racial profiling of an individual motorist from the aggregate data utilized in this report are erroneous.

For example, concluding that a particular driver of a specific race/ethnicity was racially profiled simply because members of that particular racial/ethnic group as a whole were stopped at a higher rate than their proportion of the population—are as erroneous as claims that a particular driver of a specific race/ethnicity could NOT have been racially profiled simply because the percentage of stops among members of a particular racial/ethnic group as a whole were stopped at a lower frequency than that group's proportion of the particular population base (e.g., city or county population). In short, aggregate data as required by law and presented in this report cannot be used to prove or disprove that a member of a particular racial/ethnic group was racially profiled. Next, we discuss the reasons why using aggregate data—as currently required by the state racial profiling law—are inappropriate to use in making claims that any individual motorist was racially profiled.

## Issue #1: Using Group-Level Data to Explain Individual Officer Decisions

The law dictates that police agencies compile aggregate-level data regarding the *rates* at which agencies *collectively* stop motorists in terms of their race/ethnicity. These aggregated data are to be subsequently analyzed in order to determine whether or not *individual* officers are "racially profiling" motorists. This methodological error, commonly referred to as the "ecological fallacy," defines the dangers involved in making assertions about individual officer decisions based on the examination of aggregate stop data. **In short, one cannot** *prove* **that an** *individual* **officer has racially profiled any** *individual* **motorist based on the rate at which a department stops any given** *group* **of motorists. In sum, aggregate level data cannot be used to assess individual officer decisions, but the state racial profiling law requires this assessment.** 

## Issue #2: Problems Associated with Population Base-Rates

There has been considerable debate as to what the most appropriate population "base-rate" is in determining whether or not racial/ethnic disparities exist. The base-rate serves as the benchmark for comparison purposes. The outcome of analyses designed to determine whether or not disparities exist is dependent on which base-rate is used. While this report utilized the most recent 2020 Census as a population base-rate, this population measure can become quickly outdated, can be inaccurate, and may not keep pace with changes experienced in city and county population measures.

In addition, the validity of the benchmark base-rate becomes even more problematic if analyses fail to distinguish between residents and non-residents who are stopped. This is because the existence of significant proportions of non-resident stops will lead to invalid conclusions if racial/ethnic comparisons are made exclusively to resident population figures. In sum, a valid measure of the driving population does not exist. As a proxy, census data is used which is problematic as an indicator of the driving population. In addition, stopped motorists who are

not residents of the city or county where the motor vehicle stop occurred are not included in the benchmark base-rate.

## Issue #3: Officers Do Not Know the Race/Ethnicity of the Motorist Prior to the Stop

As illustrated in Table 3 near the end of this report, of the 6,072 motor vehicle stops in 2023, the officer knew the race/ethnicity of the motorist prior to the stop in 0.36% of the stops (22/6,072). This percentage is fairly consistent across law enforcement agencies throughout Texas. An analysis of all annual racial profiling reports submitted to the Texas Commission on Law Enforcement, as required by the Texas racial profiling law, found that in 2.9% of the traffic stops in Texas, the officer knew the race/ethnicity of the motorist prior to the stop.<sup>3</sup> The analysis included 1,186 Texas law enforcement agencies and more than 3.25 million traffic stops.

As noted, the legal definition of racial profiling in the Texas Code of Criminal Procedure Article 3.05 is "a law enforcement-initiated action based on an individual's race, ethnicity, or national origin rather than on the individual's behavior or on information identifying the individual as having engaged in criminal activity."

In 2023, Joshua PD officers rarely knew the race/ethnicity of any motorist prior to the stop. This factor further invalidates any conclusions drawn from the stop data presented in Chart 1. If an officer does not know the race/ethnicity of the motorist prior to the stop, then the officer cannot, by legal definition, be racial profiling. Racial profiling is a law-enforcement action based on the race/ethnicity of an individual. If the officer does not know the person's race/ethnicity before the action (in this case, stopping a vehicle), then racial profiling cannot occur.

Based on this factor, post-stop outcomes are more relevant for a racial profiling assessment, as presented later in this report, in comparison to initial motor vehicle stop data disaggregated by race/ethnicity. Once the officer has contacted the motorist after the stop, the officer has identified the person's race/ethnicity and all subsequent actions are more relevant to a racial profiling assessment than the initial stop data.

In short, the methodological problems outlined above point to the limited utility of using aggregate level comparisons of the rates at which different racial/ethnic groups are stopped in order to determine whether or not racial profiling exists within a given jurisdiction.

Table 1 reports the summaries for the total number of motor vehicle stops in which a ticket, citation, or warning was issued, and to arrests made as a result of those stops, by the Joshua Police Department in 2023. Table 1 and associated analyses are utilized to satisfy the comparative analyses as required by Texas law, and in specific, Article 2.134 of the CCP.

## Comparative Analysis #2:

Examine the disposition of motor vehicle stops made by officers employed by the agency, categorized according to the race or ethnicity of affected persons, as appropriate, including any searches resulting from stops within the applicable jurisdiction. Texas Code of Criminal Procedure Article 2.134(c)(1)(B)

As shown in Table 1, there were a total of 6,072 motor vehicle stops in 2023 in which a ticket, citation, or warning was issued. The table also shows arrests made as a result of those stops. Roughly 58 percent of stops resulted in a written warning (3,545/6,072) and roughly 41 percent resulted in a citation. These actions accounted for roughly 99 percent of all stop actions and will be the focus of the below discussion.

Specific to written warnings, White motorists received a written warning in roughly 61 percent of stops involving White motorists (2,545/4,206), Black motorists received a written warning in roughly 64 percent of stops of Black motorists, Hispanic motorists received a written warning in roughly 50 percent of stops of Hispanic motorists, and Asian motorists received a written warning in roughly 66 percent of stops of Asian motorists.

White motorists received a **citation** in roughly 39 percent of stops involving White motorists (1,638/4,206), Black motorists received a citation in roughly 35 percent of stops of Black motorists, Hispanic motorists received a citation in roughly 49 percent of stops of Hispanic motorists, and Asian motorists received a citation in roughly 34 percent of stops of Asian motorists.

Finally, **arrests** were rare in 2023. Of the 6,072 total stops, only 40 arrests [written warning and arrest (15) and citation and arrest (25)] were made in 2023. An arrest occurred in 0.66 percent of all stops.

As illustrated in Table 1, the 40 arrests were typically based on a **violation of the penal code** (62.5%; 25/40) or an **outstanding warrant** (27.5%; 11/40).

Finally, as presented in Table 1, **physical force resulting in bodily injury** occurred during 8 stops in 2023. In each instance, the suspect was injured. Because Table 1 reflects the race/ethnicity of the suspect, and not officers, it should be noted that in 2 stops an officer only was injured, and then in 2 other stops both the suspect and officer were injured.

### Comparative Analysis #3:

Evaluate and compare the number of searches resulting from motor vehicle stops within the applicable jurisdiction and whether contraband or other evidence was discovered in the course of those searches. Texas Code of Criminal Procedure Article 2.134(c)(1)(C)

In 2023, a total of 176 **searches** of motorists were conducted, or roughly 3 percent of all stops (176/6,072) resulted in a search (see Table 2). Among searches within each racial/ethnic group, White motorists were searched in 2.5 percent of all stops of White motorists (104/4,206), Black motorists were searched in 4.5 percent of all stops of Black motorists, Hispanic motorists were searched in 3.7 percent of all stops of Hispanic motorists, and Asian motorists were searched in 3.5 percent of all stops of Asian motorists (3 total searches).

As illustrated in Table 2, the most common searches were **probable cause** (111), **consent** (41), and **incident to arrest** (19). These three search categories accounted for 97.2 percent of all searches conducted pursuant to a motor vehicle stop (171/176 total searches).

Regarding searches, it should be further noted that only 41 searches (see Table 2) were based on consent, which are regarded as discretionary as opposed to non-discretionary searches. Relative to the total number of stops (6,072), discretionary consent searches occurred in 0.68 percent of stops.

Of the searches that occurred in 2023, and as shown in Table 2, contraband was discovered in 95 or roughly 54 percent of all searches (95/176 total searches). Most of the contraband discovered in searches was drugs.<sup>4</sup> Finally, as illustrated in Table 2, when contraband was discovered, motorists were arrested 8.4 percent of the time (8/95 contraband discoveries).

.

<sup>&</sup>lt;sup>4</sup> Note in Table 2 the number of searches where contraband was found was 95, yet under "Description of Contraband", the total equals 103. This occurs because more than one form of contraband can be discovered in a single search.

### Comparative Analysis #4:

Information relating to each complaint filed with the agency alleging that a peace officer employed by the agency has engaged in racial profiling. Texas Code of Criminal Procedure Article 2.134(c)(2)

In 2023, internal records indicate that the Joshua Police Department received no complaints alleging that a peace officer employed by the agency engaged in racial profiling.

### Additional Analysis:

Statistical analysis of motor vehicle stops relative to the gender population of the agency's reporting area. This analysis is presented in the report based on a December 2020 email sent from TCOLE to law enforcement executives in Texas.

In 2023, 6,072 motor vehicle stops were made by the Joshua Police Department. Of these stops, 2,664 or roughly 44 percent were female drivers (2,664/6,072), and roughly 56 percent were male drivers (see Table 1).

According to 2019 American Community Survey (ACS) city and county population estimates of the U.S. Census Bureau, the City of Joshua was composed of 51.6 percent females and 48.4 percent males. County population 2019 ACS estimates indicate that females accounted for 49.9 percent of the county population and males accounted for 50.1 percent of the county population.

Overall, in 2023, males were stopped at rates higher than their proportion of the city and county populations.

### Additional Information Required to be Reported to TCOLE

Table 3 below provides additional information relative to motor vehicle stops in 2023 by the Joshua Police Department. The data are required to be collected by the Joshua Police Department under the Texas Code of Criminal Procedure Article 2.133.

As previously noted, the Joshua Police Department received no complaints alleging that a peace officer employed by the agency engaged in racial profiling in 2023. Furthermore, as previously discussed, of the 6,072 motor vehicle stops in 2023, the officer knew the race/ethnicity of the motorist prior to the stop in less than 1% of the stops (22/6,072).

### **Analysis of Racial Profiling Compliance by Joshua Police Department**

The foregoing analysis shows that the Joshua Police Department is fully in compliance with all relevant Texas laws concerning racial profiling, including the existence of a formal policy prohibiting racial profiling by its officers, officer training and educational programs, a formalized complaint process, and the collection and reporting of data in compliance with the law.

In addition to providing summary reports and analysis of the data collected by the Joshua Police Department in 2023, this report also included an extensive presentation of some of the limitations involved in the level of data collection currently required by law and the methodological problems associated with analyzing such data for the Joshua Police Department as well as police agencies across Texas.

### Texas Racial Profling Statutes

### Art. 3.05. RACIAL PROFILING.

In this code, "racial profiling" means a law enforcementinitiated action based on an individual's race, ethnicity, or national origin rather than on the individual's behavior or on information identifying the individual as having engaged in criminal activity.

Added by Acts 2001, 77th Leg., ch. 947, Sec. 2, eff. Sept. 1, 2001.

### Art. 2.131. RACIAL PROFILING PROHIBITED.

A peace officer may not engage in racial profiling.

Added by Acts 2001, 77th Leg., ch. 947, Sec. 1, eff. Sept. 1, 2001.

### Art. 2.132. LAW ENFORCEMENT POLICY ON RACIAL PROFILING.

- (a) In this article:
  - (1) "Law enforcement agency" means an agency of the state, or of a county, municipality, or other political subdivision of the state, that employs peace officers who make motor vehicle stops in the routine performance of the officers' official duties.
  - (2) "Motor vehicle stop" means an occasion in which a peace officer stops a motor vehicle for an alleged violation of a law or ordinance.
  - (3) "Race or ethnicity" means the following categories:
    - (A) Alaska native or American Indian;
    - (B) Asian or Pacific Islander;
    - (C) black;
    - (D) white; and
    - (E) Hispanic or Latino.
- (b) Each law enforcement agency in this state shall adopt a detailed written policy on racial profiling. The policy must:
  - (1) clearly define acts constituting racial profiling;
  - (2) strictly prohibit peace officers employed by the agency from engaging in racial profiling;

- (3) implement a process by which an individual may file a complaint with the agency if the individual believes that a peace officer employed by the agency has engaged in racial profiling with respect to the individual;
- (4) provide public education relating to the agency's compliment and complaint process, including providing the telephone number, mailing address, and e-mail address to make a compliment or complaint with respect to each ticket, citation, or warning issued by a peace officer;
- (5) require appropriate corrective action to be taken against a peace officer employed by the agency who, after an investigation, is shown to have engaged in racial profiling in violation of the agency's policy adopted under this article;
- (6) require collection of information relating to motor vehicle stops in which a ticket, citation, or warning is issued and to arrests made as a result of those stops, including information relating to:
  - (A) the race or ethnicity of the individual detained;
  - (B) whether a search was conducted and, if so, whether the individual detained consented to the search;
  - (C) whether the peace officer knew the race or ethnicity of the individual detained before detaining that individual;
  - (D) whether the peace officer used physical force that resulted in bodily injury, as that term is defined by Section 1.07, Penal Code, during the stop;
  - (E) the location of the stop; and
  - (F) the reason for the stop; and
- (7) require the chief administrator of the agency, regardless of whether the administrator is elected, employed, or appointed, to submit an annual report of the information collected under Subdivision (6) to:
  - (A) the Texas Commission on Law Enforcement; and
  - (B) the governing body of each county or municipality served by the agency, if the agency is an agency of a county, municipality, or other political subdivision of the state.
- (c) The data collected as a result of the reporting requirements of this article shall not constitute prima facie evidence of racial profiling.

- On adoption of a policy under Subsection (b), a law enforcement agency shall examine the feasibility of installing video camera and transmitter-activated equipment in each agency law enforcement motor vehicle regularly used to make motor vehicle stops and transmitter-activated equipment in each agency law enforcement motorcycle regularly used to make motor vehicle stops. also shall examine the feasibility of equipping each peace officer who regularly detains or stops motor vehicles with a body worn camera, as that term is defined by Section 1701.651, Occupations Code. If a law enforcement agency installs video or audio equipment or equips peace officers with body worn cameras as provided by this subsection, the policy adopted by the agency under Subsection (b) must include standards for reviewing video and audio documentation.
- (e) A report required under Subsection (b)(7) may not include identifying information about a peace officer who makes a motor vehicle stop or about an individual who is stopped or arrested by a peace officer. This subsection does not affect the collection of information as required by a policy under Subsection (b)(6).
- (f) On the commencement of an investigation by a law enforcement agency of a complaint described by Subsection (b)(3) in which a video or audio recording of the occurrence on which the complaint is based was made, the agency shall promptly provide a copy of the recording to the peace officer who is the subject of the complaint on written request by the officer.
- (g) On a finding by the Texas Commission on Law Enforcement that the chief administrator of a law enforcement agency intentionally failed to submit a report required under Subsection (b)(7), the commission shall begin disciplinary procedures against the chief administrator.
- (h) A law enforcement agency shall review the data collected under Subsection (b)(6) to identify any improvements the agency could make in its practices and policies regarding motor vehicle stops.

### Amended by:

Acts 2009, 81st Leg., R.S., Ch. 1172 (H.B. 3389), Sec. 25, eff. September 1, 2009.

### Art. 2.133. REPORTS REQUIRED FOR MOTOR VEHICLE STOPS.

- (a) In this article, "race or ethnicity" has the meaning assigned by Article 2.132(a).
- (b) A peace officer who stops a motor vehicle for an alleged violation of a law or ordinance shall report to the law enforcement agency that employs the officer information relating to the stop, including:
  - (1) a physical description of any person operating the motor vehicle who is detained as a result of the stop, including:
    - (A) the person's gender; and
    - (B) the person's race or ethnicity, as stated by the person or, if the person does not state the person's race or ethnicity, as determined by the officer to the best of the officer's ability;
  - (2) the initial reason for the stop;
  - (3) whether the officer conducted a search as a result of the stop and, if so, whether the person detained consented to the search;
  - (4) whether any contraband or other evidence was discovered in the course of the search and a description of the contraband or evidence;
  - (5) the reason for the search, including whether:
    - (A) any contraband or other evidence was in plain view;
    - (B) any probable cause or reasonable suspicion existed to perform the search; or
    - (C) the search was performed as a result of the towing of the motor vehicle or the arrest of any person in the motor vehicle;
  - (6) whether the officer made an arrest as a result of the stop or the search, including a statement of whether the arrest was based on a violation of the Penal Code, a violation of a traffic law or ordinance, or an outstanding warrant and a statement of the offense charged;
  - (7) the street address or approximate location of the stop;
  - (8) whether the officer issued a verbal or written warning or a ticket or citation as a result of the stop; and

- (9) whether the officer used physical force that resulted in bodily injury, as that term is defined by Section 1.07, Penal Code, during the stop.
- (c) The chief administrator of a law enforcement agency, regardless of whether the administrator is elected, employed, or appointed, is responsible for auditing reports under Subsection (b) to ensure that the race or ethnicity of the person operating the motor vehicle is being reported.

### Amended by:

### Art. 2.134. COMPILATION AND ANALYSIS OF INFORMATION COLLECTED.

- (a) In this article:
  - (1) "Motor vehicle stop" has the meaning assigned by Article 2.132(a).
  - (2) "Race or ethnicity" has the meaning assigned by Article 2.132(a).
- (b) A law enforcement agency shall compile and analyze the information contained in each report received by the agency under Article 2.133. Not later than March 1 of each year, each law enforcement agency shall submit a report containing the incident-based data compiled during the previous calendar year to the Texas Commission on Law Enforcement and, if the law enforcement agency is a local law enforcement agency, to the governing body of each county or municipality served by the agency.
- (c) A report required under Subsection (b) must be submitted by the chief administrator of the law enforcement agency, regardless of whether the administrator is elected, employed, or appointed, and must include:
  - (1) a comparative analysis of the information compiled under Article 2.133 to:
    - (A) evaluate and compare the number of motor vehicle stops, within the applicable jurisdiction, of persons who are recognized as racial or ethnic minorities and persons who are not recognized as racial or ethnic minorities;
      (B) examine the disposition of motor vehicle stops made by officers employed by the agency,

- categorized according to the race or ethnicity of the affected persons, as appropriate, including any searches resulting from stops within the applicable jurisdiction; and
- (C) evaluate and compare the number of searches resulting from motor vehicle stops within the applicable jurisdiction and whether contraband or other evidence was discovered in the course of those searches; and
- (2) information relating to each complaint filed with the agency alleging that a peace officer employed by the agency has engaged in racial profiling.
- (d) A report required under Subsection (b) may not include identifying information about a peace officer who makes a motor vehicle stop or about an individual who is stopped or arrested by a peace officer. This subsection does not affect the reporting of information required under Article  $\underline{2.133}$ (b)(1).
- (e) The Texas Commission on Law Enforcement, in accordance with Section  $\underline{1701.162}$ , Occupations Code, shall develop guidelines for compiling and reporting information as required by this article.
- (f) The data collected as a result of the reporting requirements of this article shall not constitute prima facie evidence of racial profiling.
- (g) On a finding by the Texas Commission on Law Enforcement that the chief administrator of a law enforcement agency intentionally failed to submit a report required under Subsection (b), the commission shall begin disciplinary procedures against the chief administrator.

### Art. 2.136. LIABILITY.

A peace officer is not liable for damages arising from an act relating to the collection or reporting of information as required by Article 2.133 or under a policy adopted under Article 2.132.

### Art. 2.137. PROVISION OF FUNDING OR EQUIPMENT.

- (a) The Department of Public Safety shall adopt rules for providing funds or video and audio equipment to law enforcement agencies for the purpose of installing video and audio equipment in law enforcement motor vehicles and motorcycles or equipping peace officers with body worn cameras, including specifying criteria to prioritize funding or equipment provided to law enforcement agencies. The criteria may include consideration of tax effort, financial hardship, available revenue, and budget surpluses. The criteria must give priority to:
  - (1) law enforcement agencies that employ peace officers whose primary duty is traffic enforcement;
  - (2) smaller jurisdictions; and
  - (3) municipal and county law enforcement agencies.
- (b) The Department of Public Safety shall collaborate with an institution of higher education to identify law enforcement agencies that need funds or video and audio equipment for the purpose of installing video and audio equipment in law enforcement motor vehicles and motorcycles or equipping peace officers with body worn cameras. The collaboration may include the use of a survey to assist in developing criteria to prioritize funding or equipment provided to law enforcement agencies.
- (c) To receive funds or video and audio equipment from the state for the purpose of installing video and audio equipment in law enforcement motor vehicles and motorcycles or equipping peace officers with body worn cameras, the governing body of a county or municipality, in conjunction with the law enforcement agency serving the county or municipality, shall certify to the Department of Public Safety that the law enforcement agency needs funds or video and audio equipment for that purpose.
- (d) On receipt of funds or video and audio equipment from the state for the purpose of installing video and audio equipment in law enforcement motor vehicles and motorcycles or equipping peace officers with body worn cameras, the governing body of a county or municipality, in conjunction with the law enforcement agency serving the county or municipality, shall certify to the Department of Public Safety that the law enforcement agency has taken the necessary actions to use and is using video and audio equipment and body worn cameras for those purposes.

### Art. 2.138. RULES.

The Department of Public Safety may adopt rules to implement Articles 2.131-2.137.

Added by Acts 2001, 77th Leg., ch. 947, Sec. 1, eff. Sept. 1, 2001.

### Art. 2.1385. CIVIL PENALTY.

- (a) If the chief administrator of a local law enforcement agency intentionally fails to submit the incident-based data as required by Article 2.134, the agency is liable to the state for a civil penalty in an amount not to exceed \$5,000 for each violation. The attorney general may sue to collect a civil penalty under this subsection.
- (b) From money appropriated to the agency for the administration of the agency, the executive director of a state law enforcement agency that intentionally fails to submit the incident-based data as required by Article  $\underline{2.134}$  shall remit to the comptroller the amount of \$1,000 for each violation.
- (c) Money collected under this article shall be deposited in the state treasury to the credit of the general revenue fund.

Added by Acts 2009, 81st Leg., R.S., Ch. 1172 (H.B. <u>3389</u>), Sec. 29, eff. September 1, 2009.

### **Appendix B: Agency Policy**

Item 3.

**General Directive** 

2.2 Biased Based Policing

Effective Date: October 1, 2022

Approved:

**Chief of Police** 

### I. PURPOSE

The purpose of this order is to provide general guidance on reducing the presence of bias in law enforcement actions, to identify key contexts in which bias may influence these actions, and emphasize the importance of the constitutional guidelines within which we operate

### II. DEFINITIONS

- A. Biased policing: Stopping, detaining, searching, or attempting to search, or using force against a person based upon his or her race, ethnic background, gender, sexual orientation, religion, economic status, age, cultural group, or any other identifiable group.
- B. Ethnicity: A cluster of characteristics that may include race but also cultural characteristics or traits that are shared by a group with a common experience or history.
- C. Race: A category of people of a particular decent, including Caucasian, African, Hispanic, Asian, Middle Eastern, or Native American descent. As distinct from ethnicity, race refers only to physical characteristics sufficiently distinctive to group people under a classification.
- D. Racial profiling: A law-enforcement initiated action based on an individual's race, ethnicity, or national origin rather than on the individual's behavior or on information identifying the individual as having engaged in criminal activity.

### III. POLICY

- A. Respect for diversity and equitable enforcement of the law are essential to our mission. Employees shall exercise sworn duties, responsibilities, and obligations in a manner that does not discriminate on the basis of race, sex, gender, sexual orientation, national origin, ethnicity, age, or religion.
- B. Officers are prohibited from engaging in bias-based profiling or stopping, detaining, searching, arresting, or taking any enforcement action including seizure or forfeiture activities, against any person based solely on the person's race, ethnic background, gender, sexual orientation, religion, economic status, age, cultural group, or any other identifiable group. These characteristics may form part of reasonable suspicion or probable cause when officers are seeking a suspect with one or more of these attributes. (TBP: 2.01)

**Bias Based Policing** 

- C. All enforcement detentions or searches shall be based on the standards of reasonable suspicion or probable cause.
- D. Officers shall complete all training required by state law regarding bias-based profiling. (TBP: 2.01)

### IV. PROCEDURES

- A. Individuals shall be subjected to stops, seizures, or detentions only upon reasonable suspicion or probable cause that they have committed, are committing, or are about to commit an offense. Officers shall document the elements of reasonable suspicion and probable cause in appropriate reports.
- B. Officers shall not consider race/ethnicity in establishing either reasonable suspicion or probable cause except as provided below.
- C. Officers shall not consider race/ethnicity in deciding to initiate nonconsensual encounters that do not amount to legal detentions or to request consent to search except as provided below.
- D. Officers may take into account the reported race or ethnicity of a specific suspect or suspects based on trustworthy, locally relevant information that links a person or persons of a specific race/ethnicity to a particular unlawful incident(s). Race/ethnicity can never be used as the sole basis for probable cause or reasonable suspicion.
- E. Officers shall not use the refusal or lack of cooperation to justify a search of the person or vehicle or a prolonged detention once reasonable suspicion has been dispelled.

### F. Complaints

- The department shall publish written documents concerning the complaint
  process and policy regarding racial profiling and make those available at the
  police department. The department's complaint process and its bias-based
  profiling policy will be posted on the city website and be available in the
  police department lobby.
- Supervisors and officers shall provide information on the complaint's process anytime it is requested or when circumstances make it seem appropriate.
- 3. Supervisors shall facilitate the filing of any complaints about law-enforcement service including racial profiling.
- 4. Complaints alleging incidents of bias-based profiling will be fully investigated.
- 5. Complainants will be notified of the results of the investigations when the investigation is completed.
- 6. Supervisors shall identify and correct instances of bias in the work of their subordinates.
- 7. Corrective action will be taken as required by the Code of Criminal Procedure should an investigation conclude an officer has engaged in racial profiling.

### G. Records and Reporting

- 1. Officers will on each occasion when a ticket, citation or warning is issued or an arrest made document to the best of their ability:
  - a. The race or ethnicity of the individual detained,

**Bias Based Policing** 

- b. Whether a search was conducted and if the person detained consented to the search and
- c. Whether he/she knew the race or ethnicity of the person detained before detaining the individual.
- 2. When a person suffers bodily injury as defined by the penal code as a result of physical force used by the officer and the use of force is not otherwise reportable by policy, the reason for the stop, description of the force used and a description of the bodily injury evident or reported will be documented by in an arrest or incident report.
- 3. The department will maintain records on traffic stops in accordance with state law.
  - a. Each vehicle traffic stop shall be documented by with a citation or written warning.
  - b. Traffic stops recordings will be maintained for 90 days unless it is submitted as evidence in a criminal or internal disciplinary case.
  - c. An annual report and analysis will be conducted as required by the Code of Criminal Procedure. The report will be submitted to the city council and TCOLE on or before March 1of each year.

## SE COMPLAINTS

Sometimes people make false complaints against police department members for variety of reasons. Making a false complaint against a department member, however, is a violation under Texas Penal Code, Section 37.02, which states that a person commits an offense if the person"...makes a false statement under oath or swears to the truth of a false statement previously made; and the statement is required or authorized by law to be made under oath."

A person convicted under this Section can be punished by a fine of up to \$4,000, confinement in jail for up to one year, or both.

A falsely-accused member may also have civil recourse against a person making a false complaint.

# COMPLAINANT NOT SATISFIED WITH INVESTIGATION OR ITS FINDINGS

If a complainant is not satisfied with the investigation, with its findings, or with the results, the complainant may appeal to the police chief, to the city manager, or may pursue the matter in court.

## P ltem 3. y Statement

The Joshua Police Department is dedicated to providing the most competent and professional service possible to all the citizens of Joshua. Police Department members are carefully selected and trained in order to provide the level of service that is expected.

At times, a customer may be displeased with the level of service that was provided or with the conduct of a Joshua Police Department member and will file a complaint. In order to be responsive to the complaint, the police department is providing the following infortion about how complaints are filed, investigated, and resolved.

# HOW ARE COMPLAINTS MADE?

Time Limits to File Complaint. Barring extenuating circumstances, complains against police department members must be made within 30 days of the alleged misconduct.

Processing Complaint. Any person in the police department may receive a complaint from a customer. The complaint will be forwarded to the police department administration. The administration will classify the complaint into one or both of the following catagories: "administrative", if the alleged misconduct is not a criminal act, or "criminal", if the alleged misconduct includes a criminal act.

Form of Complaint. Under Texas state law, a complaint against a police officer must be made under oath, be in writing, and be signed by the complainant before the investigation can be proceed. The police department will not investigate any complaint against any member of the department unless the complaint is in writing, is signed, and is sworn to under oath by the complainant.

# INVESTIGATION OF COMPLAINT

Assignment of Complaint. Administrative investigations (noncriminal) will be assigned to either the accused member's supervisor or to an internal affairs investigator, depending on the allegation. Allegations involving a criminal act will be assigned to the Criminal Investigations Division.

Member's Rights During Investigation. The member against whom the complaint is being lodged:

- will receive a copy of the complaint and will be given an opportunity to respond to the complaint.
- will be accorded all federal and state Constitutional and statutory rights and privileges.
- may not be required to submit to a polygraph examination unless the complainant submits to and passes a polygraph examination.

# FINDINGS OF COMPLAINT

A complaint finding will be classified into one of the following general categories:

- Sustained the evidence is sufficient to support the allegation.
- Unfounded the alleged misconduct, if committed, did not constitute a violation of policy or law.
- Exonerated-the evidence indicates the member's conduct was justified by policy, by law, or by the circumstances that were present at the time of the alleged conduct.
- Policy failure- the member committed the alleged misconduct, but a policy did not adequately address the conduct.
- False or untrue-the alleged misconduct never occurred. (See false complaints, below.)

## VALID COMPLAINTS

When the investigation of the complaint reveals that the allegation is valid and the complaint should be sustained, the accused member may be assessed any of the following forms of disciplinary action:

- Remedial training
- Counseling
- Reprimand
- Suspension
- Demotion
- Termination

The City of Joshua Personnel Manual and the Joshua Police Department Operations Manual provide for an appeal process if the member is adversely affected by the findings of the investigation.

Definition of Weighted Average Maturity (1) & (2)

(1) This weighted average maturity calculation uses the SEC Rule 2a-7 definition for stated maturity for any floating rate instrument held in the portfolio to determine the weighted average maturity for the pool. This Rule specifies that a variable rate instruction to be paid in 397 calendar days or less shall be deemed to have a maturity equal to the period remaining until the next readjustment of the interest rate. (2) This weighted average maturity calculation uses the final maturity of any floating rate instruments held in the portfolio to calculate the weighted average maturity for the pool.

The maximum management fee authorized for the TexSTAR Cash Reserve Fund is 12 basis points. This fee may be waved in full or in part in the discretion of the TexSTAR co-administrators at any time as provided for in the TexSTAR Information Statement.

### ECONOMIC COMMENTARY

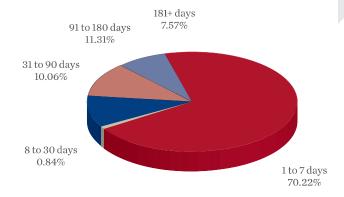

### **Market review**

2023 was a year filled with many twists and turns. Yet, through it all, the U.S. economy remained resilient, posting three quarters of positive GDP growth despite facing aggressive monetary tightening by the Federal Reserve (Fed), heightened geopolitical risks and a regional banking crisis. Data released in December pointed to the continued possibility of the Fed engineering a soft landing while making progress in achieving its goal of 2% inflation. Inflation continued to trend downward with headline CPI rising 0.1% month-over-month (m/m) and 3.1% year-over-year (y/y) in November, slightly above consensus but down from October, while core CPI rose 0.3% m/m and 4.0% y/y. The Fed's preferred measure of inflation, the Personal Consumption Expenditures Price Index (PCE), was softer than expected. Headline PCE fell 0.1% m/m, bringing the year ago level down from 2.9% in October to 2.6% in November. With expectations for a further slowdown in rent inflation in the coming months, this reading provides further evidence that price growth is softening.

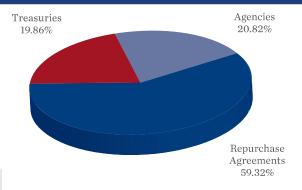

Cooling inflation was also met with strong labor market data as the U.S. labor market continued to demonstrate improved demand/supply balance. The demand for labor, as measured by the Job Openings and Labor Turnover Survey (JOLTS) report, showed openings falling 6.6% to 8.73 million, the lowest level since 2021, but still slightly above pre-pandemic norms. The job openings to unemployed ratio is now at 1.3x, near pre-pandemic levels. The November Jobs report showed healthy employment gains but provided further evidence that the labor market is moderating. Nonfarm payrolls rose by 199,000, beating expectations of 180,000 but were below the 2023 average of 233,000. The unemployment rate declined to 3.7% from 3.9% the prior month, as new workers joined the labor force, but has moved up from its 50-year low of 3.4% earlier in the year. Average hourly earnings came in slightly above expectations, rising 0.4% m/m, with the year ago level unchanged at 4.0%. (continued

### ECONOMIC COMMENTARY (cont.)

At its final meeting of the year, the Federal Open Market Committee (FOMC) delivered an early holiday gift with a dovish shift in policy expectations, leaving the federal funds rate target range unchanged at 5.25%-5.50%, while strongly hinting that rates are at their cycle peak and the next move will be a rate cut. The median FOMC member now expects three rate cuts next year to 4.6%, an extra cut compared to the dot plot in September's Summary of Economic Projections (SEP). Moreover, updates to the SEP showed lower inflation forecasts for 2023, 2024 and 2025 without material revisions to the growth or employment forecasts, suggesting that the Fed is forecasting a soft landing. In the press conference, Chair Powell did not push back on dovish market pricing and said the Fed had started to discuss cuts at this meeting. Markets interpreted the December FOMC meeting as a pivot in policy and began to price in more aggressive rate cuts for 2024. Consequently, Treasury yields rallied across the curve in December and with longer maturities declining more. The three-month Treasury bill yield declined 5 basis points (bps) on the month to 5.34%, while one-year T-bill and two-year Treasury yields fell 35 bps and 43 bps to end the year at 4.77% and 4.25%, respectively.

### Outlook

The U.S. economy is entering the new year in a better place than expected as the largely anticipated recession did not occur. Strong consumption, supported by a solid labor market has led to economic resilience despite significant monetary policy tightening by the Fed. The Fed's recent dovish pivot has tipped the odds away from recession toward a soft landing. Following the December FOMC announcement, investors as breathing a sigh of relief now that the Fed is done raising interest rates. Indeed, yields fell based on a more accommodative interest rate outlook for 2024. Markets are now pricing in 150 bps of easing in 2024, with the first rate cut as early as March. We believe these expectations have gone too far and are anticipating something closer to the Fed's projections with rate cuts beginning in May or June this year.

Looking ahead, it is reasonable to expect that the balance of risks is now skewed towards the impact higher rates will have on growth and labor markets, not necessarily inflation. That said, the past two years have shown that inflation can come down even with tight labor markets and above trend growth. If this dynamic continue, a less restrictive monetary policy stance should allow for a soft landing in the U.S. economy.

### **DEVELOPMENT AGREEMENT**

This Development Agreement ("Agreement") is entered into this 15th day of February, 2024, by and between the City of Joshua, Texas ("City"), and John & Mary Maldonado landowner," whether singularly or collectively). Landowner and the City are sometimes referred herein together as the "Parties" and individually as a "Party."

- 1. This Agreement is made pursuant to Section 43.016 and/or Subchapter G of Chapter 212 of the Texas Local Government Code, both as amended, to facilitate the continuation of the extraterritorial status of certain property ("Property") owned by Landowner, which Property consists of total of 6.3 acres, more or less, and which is shown and/or described in Exhibit A, attached hereto and incorporated by reference.
- 2. The City guarantees the continuation of the extraterritorial status of the Property, its immunity from annexation by the City, and its immunity from City property taxes for the Term (as hereinafter defined) of this Agreement, subject to the provisions of this Agreement. Except as provided in this Agreement, the City agrees not to annex the Property, agrees not to involuntarily institute proceedings to annex the Property, and further agrees not to include the Property in any annexation plan for the Term of this Agreement; however, in the event that the City annexes the Property for any reason authorized by this Agreement, the City shall provide those services to the Property required by Chapter 43 of the Texas Local Government Code, as amended.
- 3. For those properties subject to Chapter 23 of the Texas Tax Code, as amended, Landowner hereby covenants and agrees not to use the Property for any use other than for agriculture, wildlife management and/or timber land consistent with said Chapter 23. In the event Landowner develops, subdivides or plats the Property during the Term of this Agreement, Landowner agrees that the use and development of the Property pursuant to this Agreement shall conform to the uses, density, layout, permitting requirements (including but not limited to submittal of site plans and plats) and development standards (including but not limited to masonry requirements, parking standards and landscaping standards) set forth in the code of ordinances of the City (including but not limited to the City's zoning ordinance and subdivision regulations), as they exist or may be amended. For those properties subject to Section 212.172 of the Texas Local Government Code, as amended, Landowner hereby covenants and agrees not to use the Property for any use except the currently existing use of the Property. Landowner further agrees that any future development of the Property pursuant to this Agreement shall conform to the uses, density, layout, permitting requirements (including but not limited to submittal of site plans and plats) and development standards (including but not limited to masonry requirements, parking standards and landscaping standards) set forth in the code of ordinances of the City (including but not limited to the City's zoning ordinance and subdivision regulations), as they exist or may be amended. For purposes of building materials and masonry requirements, with respect to any and all structures to be constructed on the Property pursuant

to this any City requirements, Landowner hereby waives any right, requirement or enforcement of Texas Government Code §§ 3000.001-3000.005, as amended.

- 4. All structures on the Property as of the date of execution of this Agreement ("Pre-Existing Structures") are found to be conforming structures, and the City shall take no action during the Term of this Agreement that, as a result, would make any Pre-Existing Structures nonconforming or illegal. Landowner shall have the right to rebuild or reconstruct any Pre-Existing Structures to its previous configuration; however, Landowner shall rebuild or reconstruct in accordance with the City's then-existing building and construction codes.
- 5. Nothing in this Agreement prohibits the use of the Property as it currently is used as of the date of execution of this Agreement. Further, Landowner may construct any accessory structure(s) in compliance with applicable City ordinances and codes.
- 6. This Agreement shall be effective as of the date of execution of this Agreement for a period of twenty (20) years, with a termination date of July 1, 2042, unless agreed to otherwise by the Parties in writing ("Term"). On or before the expiration of the Term, the Parties may meet to agree on any mutually agreeable extension of this Agreement for an additional Term. In the event that there is no extension of this Agreement for an additional Term, after the termination date of this Agreement, the City may annex the Property during the five (5) year period following the date of termination of this Agreement. During a five (5) year period following the date of termination of this Agreement, the Property shall be subject to annexation at the sole discretion of the City and Landowner agrees that such annexation is and shall be deemed voluntary and Landowner hereby requests and irrevocably consents to such annexation.
- 7. The Parties agree that the City, in its sole discretion, shall determine whether Landowner is in compliance with this Agreement. The City and Landowner agree that the City, in its sole discretion, may initiate annexation proceedings for the Property if there is a violation of the terms of this Agreement or if Landowner requests annexation. In such event, Landowner agrees that such annexation is and shall be deemed voluntary and Landowner hereby requests and irrevocably consents to such annexation.
- During the Term of this Agreement, in the event the Property is subdivided or Landowner files any development-related document for the Property with Johnson County or the City (except for the rebuilding or reconstruction of any Pre-Existing Structure, in accordance with Paragraph 4, above), this Agreement shall be rendered null and void and of no further effect, and the Property may be annexed by the City. Landowner agrees and acknowledges that if any plat or development-related document is filed in violation of this Agreement, or if Landowner commences development of the Property in violation of this Agreement, then in addition to the City's other remedies, such act will constitute a petition for voluntary annexation by Landowner, and the Property will be subject to annexation at the discretion of the City. Landowner agrees that such annexation shall be voluntary and Landowner hereby requests and irrevocably consents to such annexation.

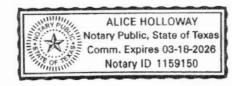

- 9. This Agreement is assignable. If all or any portion of the Property is sold, transferred or otherwise conveyed, Landowner shall give written notice to the City within five (5) business days thereof, and provide the City with the name, address, telephone number and contact person of the person or entity acquiring an interest in the Property. This Agreement shall run with the land, shall be filed in the property records of Johnson County, Texas, and shall be binding on and inure to the benefit of Landowner's successors and assigns. In conjunction with the City's approval of this Agreement, Landowner shall pay to the City applicable filing, administrative and recording fees in the amount of \$75.00.
- 10. Except as provided for in this Agreement, the Parties agree that Landowner shall be bound and subject to all development and subdivision ordinances of the City. Any construction on the Property shall be in accordance with applicable ordinances and regulations of the City, now existing or in the future arising, including any and all uniform building and construction codes, as adopted by the City.
- 11. LANDOWNER HEREBY RELEASES THE CITY, ITS COUNCIL MEMBERS, OFFICERS, AGENTS, REPRESENTATIVES AND EMPLOYEES, FROM AND AGAINST, AND WAIVES ANY AND ALL RIGHTS TO ANY AND ALL CLAIMS AND/OR OBJECTIONS, IT MAY HAVE WITH REGARD TO THE ANNEXATION AS DESCRIBED IN THIS AGREEMENT.
- 12. This Agreement and any dispute arising out of or relating to this Agreement shall be governed by and construed in accordance with the laws of the State of Texas, without reference to its conflict of law rules. In the event of any dispute or action under this Agreement, venue for any and all disputes or actions shall be instituted and maintained in Johnson County, Texas.
- 13. In the event any one or more of the provisions contained in this Agreement shall for any reason be held to be invalid, illegal, or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect other provisions.
- 14. The rights and remedies provided by this Agreement are cumulative and the use of any one right or remedy by either Party shall not preclude or waive its right to use any or all other remedies. Said rights and remedies are given in addition to any other rights the Parties may have by law statute, ordinance, or otherwise. The failure by any Party to exercise any right, power, or option given to it by this Agreement, or to insist upon strict compliance with the terms of this Agreement, shall not constitute a waiver of the terms and conditions of this Agreement with respect to any other or subsequent breach thereof, nor a waiver by such Party of its rights at any time thereafter to require exact and strict compliance with all the terms hereof. Any rights and remedies any Party may have with respect to the other arising out of this Agreement shall survive the cancellation, expiration or termination of this Agreement, except as otherwise set forth herein.
- 15. All exhibits to this Agreement are incorporated herein by reference for all purposes wherever reference is made to the same.

- 16. The undersigned officers and/or agents of the Parties hereto are the properly authorized persons and have the necessary authority to execute this Agreement on behalf of the Parties hereto. In the event there are more landowners than those who are signatories to this Agreement, the Landowner(s) who execute this Agreement acknowledge that he/she/they are executing this Agreement with the consent and full authority of any other landowner(s).
- 17. This Agreement may be only amended or altered by written instrument signed by the Parties.
- 18. Any controversy or claim arising from or relating to this Agreement, or a breach thereof (excluding any claim by Landowner in any way related to Paragraph 7 herein) shall be subject to non-binding mediation, as a condition precedent to the institution of legal or equitable proceedings by any party unless the institution of such legal or equitable proceeding is necessary to avoid the running of an applicable statute of limitation. The parties shall endeavor to resolve their claims by mediation. Landowner and the City shall share the costs of mediation equally. The mediation shall be held in Joshua, Texas, unless another location is mutually agreed upon. Agreements reached in mediation shall be enforceable as settlement agreements in any court having jurisdiction thereof.
- 19. The individuals executing this Agreement on behalf of the respective parties below represent to each other and to others that all appropriate and necessary action has been taken to authorize the individual who is executing this Agreement to do so for and on behalf of the party for which his or her signature appears, that there are no other parties or entities required to execute this Agreement in order for the same to be an authorized and binding agreement on the party for whom the individual is signing this Agreement and that each individual affixing his or her signature hereto is authorized to do so, and such authorization is valid and effective on the date hereof.
- 20. Each party represents this Agreement has been read by such party and that such party has had an opportunity to confer with its counsel.
- 21. The parties agree that City has not waived its sovereign immunity by entering into and performing its obligations under this Agreement.
- 22. Nothing in this Agreement shall be construed to create any right in any third party not a signatory to this Agreement, and the parties do not intend to create any third-party beneficiaries by entering into this Agreement.
- 23. This Agreement is the entire agreement between the Parties with respect to the subject matters covered in this Agreement. There are no other collateral oral or written agreements between the Parties that in any manner relates to the subject matter of this Agreement, except as provided or referenced in this Agreement.

**EXECUTED** by the Parties on the dates set forth below, to be effective as of the date first written above.

City Council Agenda February 15, 2023

(Minutes) (Action Item)

### **Agenda Description:**

Discuss, consider, and possible action on accepting the FY23 Annual Audit/Financial Report.

### **Background Information:**

Section 6.10 of the City of Joshua Charter states City Council "shall select and contract with a municipally oriented certified public accounting firm for the purpose of rendering an independent annual audit of all accounts" and "the auditor shall prepare a financial statement, and shall submit the financial statement to the City Council as a part of the agenda". The City's audit firm, Snow Garrett Williams, will be present the results of the annual audit for Fiscal Year ended September 30, 2023 and the Statement on Auditing Standards 114 audit management letter. The City received an unmodified opinion (Independent Auditor's Report), which is the most favorable audit opinion an entity can receive.

### INDEPENDENT AUDITOR'S REPORT

To the Honorable Mayor and City Council City of Joshua, Texas

### Report on the Audit of Financial Statements

### **Opinions**

We have audited the accompanying financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of the City of Joshua, Texas, as of and for the year ended September 30, 2023, and the related notes to the financial statements, which collectively comprise the City of Joshua, Texas' basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, each major fund, and the aggregate remaining fund information of the City of Joshua, Texas, as of September 30, 2023, and the respective changes in financial position for the year then ended in accordance with accounting principles generally accepted in the United States of America.

### **Basis for Opinions**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the City of Joshua, Texas and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the City of Joshua, Texas' ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and Government Auditing Standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit
  procedures that are appropriate in the circumstances, but not for the purpose of
  expressing an opinion on the effectiveness of the City of Joshua, Texas' internal control.
  Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the City of Joshua, Texas' ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis, budgetary comparison information, the schedule of changes in the net pension liability/(asset) and related ratios, the schedule of employer pension contributions and related ratios, the schedule of changes in the total OPEB liability and related ratios, and the schedule of OPEB contributions and related ratios on pages 6-13 and 46-52 be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our

inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

### Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the City of Joshua, Texas' basic financial statements. The accompanying combining statements, budgetary comparison schedules, and schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the combining statements, budgetary comparison schedules, and the schedule of expenditures of federal awards are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

### Other Reporting Required by Government Auditing Standards

Snow Yarrett Williams

In accordance with *Government Auditing Standards*, we have also issued our report dated February 5, 2024, on our consideration of the City of Joshua, Texas' internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the City of Joshua, Texas' internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the City of Joshua, Texas' internal control over financial reporting and compliance.

Snow Garrett Williams February 5, 2024

As management of the City of Joshua (the City), we offer readers of the City's financial statements this narrative overview and analysis of the City's financial activities for the fiscal year ended September 30, 2023. We encourage readers to consider the information presented here in conjunction with the City's financial statements which follow this section.

### FINANCIAL HIGHLIGHTS

- The assets and deferred outflows of resources for the City of Joshua exceeded its liabilities and deferred inflows of resources at the close of the most recent fiscal year by \$14,708,505.
   Of this amount, \$5,259,468 (unrestricted net position) may be used to meet the City's ongoing obligations to citizens and creditors.
- The City of Joshua's net position increased by \$129,870. This increase is due to increases in property and sales taxes revenues.
- As of the close of the current fiscal year, the City of Joshua's governmental funds reported combined ending fund balances of \$8,357,731, a decrease of \$1,335,984 in comparison with the prior year. Approximately 16% of this amount, \$1,297,310, is available for spending at the City's discretion (unassigned fund balance).
- At the end of the current fiscal year, the unassigned fund balance for the General Fund was \$1,297,310 or 14% of total General Fund expenditures.

### **OVERVIEW OF THE FINANCIAL STATEMENTS**

The discussion and analysis is intended to serve as an introduction to the City of Joshua, Texas' basic financial statements. City of Joshua's basic financial statements comprise three components: 1) government-wide financial statements, 2) fund financial statements, and 3) notes to the financial statements. This report also contains other supplementary information in addition to the basic financial statements.

**Government-wide financial statements.** The government-wide financial statements are designed to provide readers with a broad overview of the City of Joshua's finances, in a manner similar to a private sector business.

The statement of net position presents information on all of the City of Joshua's assets, liabilities, and deferred inflows/outflows of resources, with the difference between them reported as net position. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the City of Joshua is improving or deteriorating.

The statement of activities presents information showing how the government's net position changed during the most recent fiscal year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, regardless of the timing of related cash flows. Thus, revenues and expenses are reported in these statements for some items that will only result in cash flows in future fiscal periods (e.g., uncollected taxes and earned but unused vacation leave). Both the statement of net position and the statement of activities are prepared utilizing the full accrual basis of accounting.

The government-wide financial statements of the City include the governmental activities. Most of the City's basic services are included here, such as administration, police and fire, municipal courts, and public works. Property taxes, sales taxes, charges for services, and grants finance most of these activities.

**Fund financial statements.** A fund is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. City of Joshua, like other state and local governments, uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements. All of the funds of the City of Joshua can be divided into one category: governmental funds.

**Governmental funds.** Governmental funds are used to account for essentially the same functions reported as governmental activities in the government-wide financial statements. However, unlike the government-wide financial statements, governmental fund financial statements focus on near-term inflows and outflows of spendable resources, as well as balances of spendable resources available at the end of the fiscal year. Such information may be useful in evaluating a government's near-term financing requirements.

Because the focus of governmental funds is narrower than that of the government-wide financial statements, it is useful to compare the information presented for governmental funds with similar information presented for governmental activities in the government-wide financial statements. By doing so, readers may better understand the long-term impact of the government's near-term financing decisions. Both the governmental fund balance sheet and the governmental fund statement of revenues, expenditures, and changes in fund balances provide a reconciliation to facilitate this comparison between governmental funds and governmental activities.

The City of Joshua maintains nine individual governmental funds. Information is presented separately in the governmental fund balance sheet and in the governmental fund statement of revenues, expenditures, and changes in fund balances for the General Fund, Debt Service Fund, Capital Improvement Fund, Type A Economic Development Corporation Fund, and Type B Community Development Corporation Fund, which are considered to be major funds. Data from the other four governmental funds are combined into a single, aggregated presentation. Individual fund data for each of these nonmajor governmental funds is provided in the form of combining statements elsewhere in this report.

The City of Joshua adopts an annual appropriated budget for its General Fund, Debt Service Fund, Capital Improvement Fund, Type A Economic Development Corporation Fund, and Type B Community Development Corporation Fund. Budgetary comparison statements have been provided for these funds to demonstrate compliance with the budget.

**Notes to the basic financial statements.** The notes provide additional information that is essential to a full understanding of the data provided in the government-wide and fund financial statements. The notes to the financial statements can be found beginning on page 20 of this report.

**Other information.** In addition to the basic financial statements and accompanying notes, this report also presents certain required supplementary information including budgetary comparison information and information concerning pension and OPEB benefits. The required supplementary information can be found beginning on page 46 of this report.

The combining statements referred to earlier in connection with nonmajor governmental funds are presented immediately following the required supplementary information. This other supplementary information can be found beginning on page 54 of this report.

### **GOVERNMENT-WIDE FINANCIAL ANALYSIS**

As noted earlier, over time net position may serve as a useful indicator of a government's financial position. In the case of the City of Joshua, assets and deferred outflows of resources exceeded liabilities and deferred inflows of resources by \$14,708,505 at the close of the most recent fiscal year. The City's net investment in capital assets (\$5,725,405 or 39%) reflects its investment in capital assets (e.g., land, building, machinery, and equipment) less any related debt used to acquire those assets that is still outstanding. The City uses these capital assets to provide services to citizens; consequently, these assets are not available for future spending. Although the City's investment in its capital assets is reported net of related debt, it should be noted that the resources needed to repay this debt must be provided from other sources, since the capital assets themselves cannot be used to liquidate these liabilities.

An additional portion of the City of Joshua's net position (\$3,723,632 or 25%) represents resources that are subject to external restrictions on how they may be used. The remaining balance of unrestricted net position (\$5,259,468 or 36%) may be used to meet the government's ongoing obligations to citizens and creditors.

At the end of the current fiscal year, the City reported a positive balance in all three categories of net position.

During the current fiscal year, the City's net position increased by \$129,870. This increase represents the degree to which increases in ongoing revenues have outpaced similar increases in ongoing expenses. Key elements of this increase are as follows:

- · An increase in grant revenue received by the City; and
- A 13% increase in property taxes due to increased valuations and new construction;
- Offset by an increase in expenditures.

### Revenues by Source - Governmental Activities

#### FINANCIAL ANALYSIS OF THE GOVERNMENT'S FUNDS

**Governmental Funds** – The focus of the City's governmental funds is to provide information on near-term inflows, outflows, and balances of spendable resources. Such information is useful in assessing the City's financing requirements. In particular, unassigned fund balances may serve as a useful measure of a government's net resources at the end of the fiscal year.

At the end of the current fiscal year, the City's governmental funds reported combined ending fund balances of \$8,357,731. \$7,060,421 is restricted to indicate constraints placed on the use of the resources either externally imposed by creditors, by laws or regulations of other governments imposed or imposed by law through constitutional provisions or enabling legislation. The remaining balance of \$1,297,310 constitutes unassigned fund balance.

Of the \$8,357,731 ending fund balance, \$323,979 is accounted for in nonmajor governmental funds. The General Fund balance is \$1,453,250 at year-end, a decrease of \$5,339,822 primarily due to transfers out to the Capital Improvement Fund and increased expenditures.

The Debt Service Fund balance decreased \$386,548 to \$211,669 at year-end. This decrease is primarily the result of regularly scheduled debt payments. The Capital Improvement Fund balance increased \$3,596,874 to a year-end total of \$3,354,637 as a result of transfers in from the General Fund. The Type A Economic Development Corporation Fund balance increased \$374,240 to a year-end total of \$1,944,891. This increase is due to proceeds from the issuance of notes payable. The Type B Community Development Corporation Fund balance increased \$368,329 to a year-end total of \$1,069,305. This increase is due to an increase in sales tax revenues.

### **GENERAL FUND BUDGETARY HIGHLIGHTS**

Actual general fund expenditures for the year were \$9,010,088, which was \$136,615 over budget. Actual general fund revenues for the year were \$7,180,274, which was \$412,663 under budget due to receiving less than budgeted for permits and fees. During the year, expenditures increased \$1,149,706 from the original budget to the final budget primarily in the general government department.

### **CAPITAL ASSETS AND DEBT ADMINISTRATION**

**Capital Assets.** The City's investment in capital assets for its governmental activities as of September 30, 2023, amounts to \$21,354,837 (net of accumulated depreciation/amortization). This investment in capital assets includes land, construction in progress, buildings and improvements, furniture and equipment, vehicles, infrastructure, and right of use leased assets. Major capital asset events during the current fiscal year include the following:

- The purchase of 2 separate tracts of land;
- Continued work on the street project at 4th Street, Main Street, and Caddo Road; and
- Purchase of a new rescue vehicle for the fire department.

The City's total long-term debt increased by a net amount of \$2,498,653 during the current fiscal year primarily as a result of the issuance of \$3,301,731 in tax notes, notes payable, and lease liabilities and an increase in the City's net pension liability offset by regularly scheduled principal payments.

Additional information on the City's long-term debt can be found in Note 5 on pages 29-33 of this report.

### **ECONOMIC FACTORS AND THE NEXT YEAR'S BUDGETS AND RATES**

The annual operating budget for the City has been developed to assure that operating expenses for the budget year are financially sustainable and reflect the priorities established by the City Council. Recurring revenue sources and expenses, as well as projected revenue sources and expenses, have been considered in order to achieve the fundamental purpose of the City, which is to provide for the safety and security of the community, maintain and improve existing infrastructure, plan for orderly and responsible growth and sustainability, and provide responsible fiscal policy. In considering the City budget for fiscal year 2024, the City Council and administration considered the following factors:

Property tax revenue in the General Fund and Debt Service Fund is budgeted to decrease as a result of the increased homestead exemption. Residential development will continue to increase with the development of new subdivisions and additional phases in existing subdivisions and commercial development in Joshua Station and downtown will continue to increase slightly.

Revenue generated from sales tax is based on a \$0.01 tax rate. Sales tax is the second largest source of revenue for the General Fund. Sales tax for fiscal year 2024 is projected to be \$1,400,000, an increase of \$150,000 or 12% from fiscal year 2023.

Expenditures are budgeted to decrease 8% from fiscal year 2023 due to paying the first two installments for the Main Street Water Line Project in fiscal year 2023.

# Reconciliation of the Statement of Revenues, Expenditures, and Changes in Fund Balances of the Governmental Funds to the Change in Net Position of Governmental Activities in the Statement of Activities For the Fiscal Year Ended September 30, 2023

Amounts reported for governmental activities in the statement of activities are different because:

Net change in fund balances - total governmental funds

\$ (1,335,984)

Governmental funds report capital outlays as expenditures. However, in the statement of activities the cost of capital assets is allocated over their estimated useful lives and reported as depreciation expense.

Capital outlay \$ 4,569,821 Depreciation expense (1,162,157)

3,407,664

All proceeds from the sale of capital assets are reported as revenue in the funds. However, in the statement of activities, only the gain or loss on disposal is reported. This is the net of these amounts.

(1,269)

The change in property tax receivable, net of allowance, is reported as revenue in the statement of activities; however, this change does not provide current financial resources and is, therefore, not reported as revenue in the funds.

(92,187)

Pension expense in the funds is recorded as contributions when made to the TMRS plan. Pension expense in governmental activities is recorded as the TMRS plan's pension expense for the measurement period. This is the effect of the difference between the two statements.

751,755

OPEB expense in the funds is recorded as contributions when made to the TMRS plan. OPEB expense in governmental activities is recorded as the TMRS plan's OPEB expense for the measurement period. This is the effect of the difference between the two statements.

(28,155)

Some expenses reported in the statement of activities do not require the use of current financial resources and, therefore, are not reported as expenditures in the funds.

| Compensated absences  | \$ (33,991) |           |
|-----------------------|-------------|-----------|
| Accrued interest      | (73,301)    |           |
| Net pension liability | (712,107)   |           |
| Total OPEB liability  | <u> </u>    | (804,170) |

The issuance of long-term debt (e.g. bonds, leases) provides current financial resources to governmental funds, while the repayment of the principal of long-term debt consumes the current financial resources of governmental funds. Neither transaction, however, has any effect on net position. This amount is the net effect of these differences in the treatment of long-term debt and related items.

| Principal repayments                        | \$<br>1,285,000 |

### **Note 1. Summary of Significant Accounting Policies**

The City of Joshua, Texas (the City) is a Home Rule city in which citizens elect the mayor and six Council members at large. The City operates under the Council-City Manager form of government and provides such services as are authorized by its charter to advance the welfare, health, comfort, safety, and convenience of the City and its inhabitants.

### **Financial Reporting Entity**

The financial statements of the City are prepared in accordance with accounting principles generally accepted in the United States of America (GAAP). The City's reporting entity applies all relevant Governmental Accounting Standards Board (GASB) pronouncements. The more significant accounting and reporting policies and practices used by the City are described below.

As required by GAAP, these financial statements present the City and its component units, entities for which the City is considered to be financially accountable. The blended component units, although legally separate entities, are, in substance, part of the City's operations and so data from these units are combined with the data of the primary government.

### **Blended Component Units**

Joshua Economic Development Corporation Type A (JEDC) is a blended component unit and is reported within the City's primary government. The JEDC was formed to promote economic development within the City and the state of Texas in order to eliminate unemployment and underemployment, and to promote and encourage employment and the public welfare of, and on behalf of, the City by developing, implementing, providing and financing projects under the Development Corporation Act of 1979 as defined in Section 4A of the Act. A Board of Directors, whose members are appointed by and serve the City's governing body, makes all decisions regarding use of local revenue in undertaking projects, though the City retains oversight authority and must approve all programs and expenditures of the Corporation.

Joshua Community Development Corporation Type B (JCDC) is a blended component unit and is reported within the City's primary government. The JCDC was formed exclusively for the purposes of benefiting and accomplishing public purposes of, and acting on behalf of, the City in promotion and development of public projects, approved by the voters at an election held, including, but not limited to, tourism facilities, civic center, downtown/main street renovation and/or development, drainage and related improvements, demolition of existing structures and landscaping, parks, youth center, sports facilities, public safety facilities, municipal facilities, library facilities, water, sewer and street extensions, any other project authorized under Section 4B of the Development Act of 1979, and maintenance and operation costs associated with such projects. A Board of Directors, whose members are appointed by and serve the City's governing body, makes all decisions regarding use of local revenue in undertaking projects, though the City retains oversight authority and must approve all programs and expenditures of the Corporation.

### Note 1. Summary of Significant Accounting Policies (Continued)

### Government-wide Statements

The two government-wide financial statements, the Statement of Net Position and the Statement of Activities, report information on all of the non-fiduciary activities of the City.

Governmental activities, which include those activities primarily supported by taxes or intergovernmental revenue, are reported separately from business-type activities, which generally rely on fees and charges for support. As a general rule, the effect of interfund activity has been eliminated from the government-wide financial statements.

The statement of activities reflects the degree to which the direct expenses of a given function or segment is offset by program revenues. Direct expenses are those that are clearly identifiable with a specific function. Program revenues include 1) charges to customers or applicants who purchase, use, or directly benefit from goods, services, or privileges provided by a given function, and 2) grants and contributions that are restricted to meeting the operational or capital requirements of a particular function or segment. Taxes and revenues not categorized as program revenues are reported as general revenues.

### Fund Financial Statements

The City segregates transactions related to certain functions or activities in separate funds to aid financial management activities and to demonstrate legal compliance. Separate financial statements are provided for governmental activities. These statements present each major fund as a separate column on the fund financial statements, while all nonmajor funds are aggregated and presented in a single column. Detailed statements for nonmajor funds are presented within the Supplementary Information section.

### Governmental Funds

Governmental funds are those through which most governmental functions typically are financed. The measurement focus of governmental funds is on the sources, uses, and balance of current financial resources while modified accrual is used for the basis of accounting. The City reports the following major governmental funds:

<u>General Fund</u> is the main operating fund of the City. The fund is used to account for all the financial resources that are not accounted for in other funds. All general tax revenues and other receipts that are not restricted by law or contractual agreement to some other fund are accounted for in this fund. General operating expenditures, fixed charges, and capital improvement costs that are not paid through other funds are paid from the General Fund.

<u>Debt Service Fund</u> accounts for the accumulation of financial resources for the payment of principal, interest, and related costs on long-term obligations paid primarily from taxes levied by the City. The fund balance of the Debt Service Fund is reserved to signify the amounts that are restricted exclusively for debt service expenditures.

<u>Capital Improvement Fund</u> accounts for the proceeds of certificates of obligation, general obligation bonds, and notes payable used for the acquisition or construction of major capital improvements as established in bond documents.

### Note 1. Summary of Significant Accounting Policies (Continued)

<u>Joshua Economic Development Corporation Type A (JEDC)</u> was established to account for sales tax revenues collected for the purposes set forth by the Joshua Economic Development Corporation.

<u>Joshua Community Development Corporation Type B (JCDC)</u> was established to account for sales tax revenues collected for the purposes set forth by the Joshua Community Development Corporation.

In addition to the major funds listed above, the City reports the following nonmajor governmental funds: Court Security, Court Technology, Hotel Occupancy, and Donations.

### Measurement Focus and Basis of Accounting

The government-wide financial statements are reported using the economic resources measurement focus and the accrual basis of accounting. Revenue is recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Property taxes are recognized as revenue in the year for which they are levied. Grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider have been met.

Governmental fund financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Revenue is recognized as soon as it is both measurable and available. Revenue is considered to be available when it is collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the government considers revenue to be available if collected within 60 days of the end of the current fiscal period. Expenditures generally are recorded when a liability is incurred, as under accrual accounting. However, debt service expenditures, as well as expenditures related to compensated absences and claims and judgments, are recorded only when payment is due.

Property taxes, franchise taxes, sales taxes, and interest associated with the current fiscal period are all considered to be susceptible to accrual and so have been recognized as revenue of the current fiscal period. All other revenue items are considered to be measurable and available only when cash is received by the City.

### Note 1. Summary of Significant Accounting Policies (Continued)

### **Budgets and Budgetary Accounting**

The City follows these procedures in establishing the budgetary data reflected in the financial statements:

- 1. On or before the first day of September of each year and at least thirty days prior to adoption of a tax rate for the current fiscal year, the City Manager submits to the City Council a balanced budget for the ensuing fiscal year.
- 2. The City Council holds one or more public hearings on the proposed budget prior to the final adoption.
- 3. The City Council adopts the proposed budget, with or without amendment, after public hearings and before the first day of the ensuing fiscal year.
- 4. Formal budgetary integration is employed as a management control device during the year for the General Fund, Special Revenue Funds, Capital Projects Fund, and Debt Service Fund.
- 5. Annual budgets for the General Fund, Special Revenue Funds, and Debt Service Fund, are adopted on a basis consistent with GAAP.
- 6. Unused appropriations of the above annually budgeted funds lapse at the end of each fiscal year.
- 7. The City Council may authorize additional appropriations during the year.
- 8. During the fiscal year, the Council authorizes and approves amendments to the budget which provides for and approves all expenditures and transfers.

### Excess of Expenditures Over Appropriations

For the year ended September 30, 2023, expenditures exceeded appropriations in the General Fund, Capital Improvement Fund and JEDC. These excess expenditures were covered by available fund balance in those funds.

### Cash and Cash Equivalents

For purposes of the statement of net position, highly liquid investments are considered to be cash equivalents if they have a maturity of three months or less when purchased.

### Capital Assets

Capital assets, which include property, plant, equipment, and infrastructure assets (e.g., streets, bridges, sidewalks, curbs, and drainage systems) are reported in the applicable governmental or business-type activities columns in the government-wide financial statements. Capital assets are defined by the City as assets with an initial individual cost of \$5,000 or more and an estimated useful life of at least two years following the acquisition date. Donated capital assets are recorded at estimated fair market value at the date of donation. Right-of-use assets are reported at present value of the future lease payments (lease liability), plus any ancillary cost to place the asset in service, plus any additional payments made at the beginning of the lease terms, less any lease incentives received from the lessor prior to the commencement of the lease term.

### Note 1. Summary of Significant Accounting Policies (Continued)

The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend an asset's life are not capitalized. Capital assets are depreciated using the straight-line method over the following estimated useful lives:

| Buildings                    | 20-50 years |
|------------------------------|-------------|
| Equipment                    | 2-20 years  |
| Improvements                 | 10-50 years |
| Infrastructure               | 15-50 years |
| Right to use lease equipment | 2-20 years  |

### Compensated Absences

Compensated absences are reported as accrued in the government-wide financial statements. In the fund level financial statements, only matured compensated absences payable to currently terminated employees are reported.

### Long-Term Obligations

In the government-wide financial statements, long-term debt and other long-term obligations are reported as liabilities in the governmental activities Statement of Net Position. Bond premiums and discounts are deferred and amortized over the life of the bonds using the straight-line method. Bonds payable are reported net of the applicable bond premium or discount. Bond issuance costs are expensed during the period of issuance.

In the fund financial statements, governmental fund types recognize bond premiums and discounts, as well as bond issuance costs, during the current period. The face amount of debt issued is reported as other financing sources. Debt issuance premiums are reported as other financing sources while discounts are reported as other financing uses. Issuance costs, whether or not withheld from the actual debt proceeds received, are reported as debt service expenditures.

### Deferred Outflows/Inflows of Resources

In addition to assets, the statement of net position and balance sheet will sometimes report a separate section for deferred outflows of resources. This separate financial statement element, deferred outflows of resources, represents a consumption of net position and/or fund balance that applies to a future period(s) and so will not be recognized as an outflow of resources (expense/expenditure) until then. The City currently has deferred outflows of resources related to the pension plan reported in the Statement of Net Position. See additional information in Note 8 related to the pension plan.

In addition to liabilities, the statement of net position and balance sheet include a separate section for deferred inflows of resources. This separate financial statement element, deferred inflows of resources, represents an acquisition of net position that applies to a future period(s) and so will not be recognized as an inflow of resources (revenue) until that time. The City currently has deferred inflows of resources related to unavailable revenue from property taxes reported in the Governmental Balance Sheet and deferred inflows of resources related to the other post-employment benefits (OPEB) plan reported in the Statement of Net Position. See additional information in Note 9 related to the OPEB plan.

#### Note 1. Summary of Significant Accounting Policies (Continued)

#### Pension

For purposes of measuring the Net Pension Liability, deferred outflows of resources and deferred inflows of resources related to pensions, and pension expense, information about the Fiduciary Net Position of the Texas Municipal Retirement System (TMRS) and additions to/deductions from TMRS's Fiduciary Net Position have been determined on the same basis as they are reported by TMRS. For this purpose, plan contributions are recognized in the period that compensation is reported for the employee, which is when contributions are legally due. Benefit payments and refunds are recognized when due and payable in accordance with the benefit terms. Investments are reported at fair value.

#### Other Post-Employment Benefits (OPEB)

The total OPEB liability has been determined using the economic resources measurement focus and full accrual basis of accounting. This includes, for purposes of measuring the total OPEB liability, deferred outflows of resources and deferred inflows of resources related to other post-employment benefits; OPEB expense; and information about assets, liabilities, and additions to/deductions from these amounts.

#### **Net Position**

In the government-wide financial statements, net position is classified in the following categories:

Net investment in capital assets – This category consists of all capital assets net of accumulated depreciation/amortization and reduced by outstanding balances of debt that are attributable to the acquisition, construction, or improvement of these assets.

Restricted net position – This category consists of external restrictions imposed by creditors, grantors, contributors, or laws and regulations of other governments, enabling legislation, and constitutional provisions.

Unrestricted net position – This category represents net position not restricted for any project or other purpose.

When both restricted and unrestricted net position is available for use, it is the City's policy to use restricted resources first, then unrestricted resources as needed.

#### Fund Balance

The governmental fund financial statements present fund balances based on classifications that comprise a hierarchy that is based primarily on the extent to which the City is bound to honor constraints on the specific purposes for which amounts in the respective governmental funds can be spent.

The classifications used in the governmental fund financial statements are as follows:

#### **Note 1. Summary of Significant Accounting Policies (Continued)**

Governmental fund balances classified as restricted are balances with constraints placed on the use of resources by creditors, grantors, contributors, or laws and regulations of other governments. Non-spendable fund balance includes amounts that are not in spendable form, or legally or contractually required to be maintained intact. Fund balances classified as committed can only be used for specific purposes pursuant to constraints imposed by the City Council through a resolution. Assigned fund balances are constrained by an intent to be used for specific purposes but are neither restricted nor committed. Assignments are made by the City Council or City Manager. Unassigned fund balance is the amount in excess of what can be classified in one of the other four categories of fund balance. Unassigned amounts are technically available for any purpose.

Except when expenditures are specifically budgeted and when multiple categories of fund balance are available for expenditure, the City will first spend the most restricted funds before moving down to the next most restrictive category with available funds but will have the option to spend budgeted funds first.

#### **Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual amounts could differ from those estimates.

#### Reclassifications

Certain accounts in the prior-year financial statements have been reclassified for comparative purposes to conform with the presentation in the current-year financial statements.

#### Implementation of New Accounting Standard

For the year ended September 30, 2023, the City implemented Governmental Accounting Standards Board Statement No. 96, *Subscription-Based Information Technology Arrangements*. This statement establishes requirements for accounting for applicable subscription-based information technology arrangements (SBITAs) based on the principle that a subscription asset derives from contracts that convey control of the right to use another entity's information technology software, alone or in combination with tangible capital assets, for a specified period. In accordance with this statement, a government is required to recognize an intangible right-to-use subscription asset and a corresponding subscription liability. This statement was adopted by the City as of October 1, 2022. There was no effect on beginning net position or fund balances due to the implementation of this standard.

#### Note 2. Deposits and Investments

Chapter 2256 of the Texas Government Code (the Public Funds Investment Act) authorizes the City to invest its funds under a written investment policy (the Investment Policy) that primarily emphasizes safety of principal, availability of liquidity to meet the City's obligations, and market rate of return. The Investment Policy defines what constitutes the legal list of investments allowed under the policy. The City's deposits and investments are invested pursuant to the Investment Policy.

#### Note 2. Deposits and Investments (Continued)

The Act determines the types of investments which are allowable for the City. These include, with certain restrictions, (1) obligations of the U.S. Treasury, certain U.S. Agencies, and the state of Texas, (2) certain municipal securities, (3) certificates of deposit, (4) repurchase agreements, (5) certain commercial paper, (6) money market mutual funds, (7) local government investment pools, (8) fully insured or collateralized interest-bearing accounts.

#### External Investment Pool

As of September 30, 2023, the City's only investments were in an external investment pool in compliance with the City's Investment Policy. The following investment is organized in conformity with the Interlocal Cooperation Act, Chapter 791 of the Texas Government Code, and the Public Funds Investment Act, Chapter 2256 of the Texas Government Code:

<u>Texas Short Term Asset Reserve Program (TexSTAR)</u> is a public funds investment pool governed by a board of directors. The pool maintains an advisory board composed of participants in the pool and other persons who do not have a business relationship with the pool. TexSTAR is rated AAAm by Standard and Poor's.

TexSTAR uses amortized cost to value portfolio assets and follows the criteria established by GASB Statement No. 79, Certain External Investment Pools and Pool Participants. The stated objective of the pool is to maintain a stable average of \$1.00 per unit net asset value. There are no limitations or restrictions on withdrawals. At September 30, 2023, the weighted average maturity of TexSTAR was 28 days.

Credit Risk: State statute requires that investments in Local Government Investment Pools be rated AAA or the equivalent by a nationally recognized credit rating agency. As of September 30, 2023, the TexSTAR investment pool was rated AAAm by Standard and Poor's.

Custodial Credit Risk: Deposits are exposed to custodial credit risk if they are not covered by depository insurance and the deposits are uncollateralized, collateralized with securities held by the pledging financial institution, or collateralized with securities held by the pledging financial institution's trust department or agent but not in the City's name. At year-end, the City was not exposed to custodial credit risk.

Concentration of Credit Risk: In accordance with the City's Investment Policy, the City limits their exposure of concentration of credit risk by requiring that no single investment transaction be more than 25% of the entire portfolio at the time of purchase of the security, with the exception of U.S. Treasury securities, government-sponsored enterprises, interest-bearing checking accounts that are fully collateralized, and authorized local government investment pools. As of September 30, 2023, 100% of the City's portfolio was invested in a local government investment pool.

Interest Rate Risk: Investments are exposed to interest rate risk if there are changes in market interest rates that will adversely affect the fair value of an investment. Generally, the longer the maturity of an investment, the greater the sensitivity of its fair value to changes in the market interest rates. One of the ways the City manages its exposure to interest rate risk is by investing in investment pools which purchase a combination of shorter-term investments with an average maturity of less than 60 days, thus reducing interest rate risk. The City monitors interest rate risk inherent in its portfolio by measuring the weighted average maturity (WAM) of its portfolio. The City's policy is that the City's entire portfolio shall have a maximum WAM of 540 days.

#### Note 3. Property Taxes Receivable and Unavailable Revenue

Property taxes are assessed and remitted to the City by the Johnson County Tax Office. Taxes, levied annually on October 1, are due by January 31. Major tax payments are received December through March. Lien dates for real property are in July.

Allowances for uncollectible tax receivables reported in the General Fund and Debt Service Fund are based upon historical experience in collecting property taxes. Uncollectible personal property taxes are periodically reviewed and written off when deemed uncollectible; however, state statutes prohibit writing off real property taxes without specific authority from the Texas Legislature.

In the governmental fund level financial statements, property taxes receivable is recorded in the General Fund and Debt Service Fund when assessed (October 1). At fiscal year-end, property tax receivables represent delinquent taxes. If delinquent taxes are not paid within 60 days of fiscal year-end, they are recorded as unavailable revenue.

In the government-wide financial statements, property tax receivables and related revenues include all amounts due to the City regardless of when cash is received.

#### Note 5. Long-Term Obligations (Continued)

#### **Lease Liability**

General information related to leases payable is summarized below:

|                        | Term, Including | Interest    | Р  | ayment | Lea | se Liability |
|------------------------|-----------------|-------------|----|--------|-----|--------------|

| Public safety vehicles | 24-60 months    | 4.81%-7.97% |    | 11,346 |     | 307,952      |

There were no variable payments, residual value guarantees, or penalties not included in the measurement of the leases. The City did not have any commitments under leases not yet commenced at year-end, components of losses associated with asset impairments, or sublease transactions for fiscal year 2023.

Annual requirements to amortize long-term obligations and related interest are as follows:

| Year                         | Lease Liability |  |    |                                    |  |  |

#### Note 6. Interfund Balances and Activity

Transfers to and from other funds at September 30, 2023 consisted of the following:

| <u>Transfers Out</u>     |           |           |
|--------------------------|-----------|-----------|
| General Fund             | \$        | 4,352,510 |

|                          | <u>\$</u> | 4,798,896 |

Transfers were to pay for a portion of the Economic Development Coordinator position, to pay interfund receivables/payables, and to relieve negative fund balance in the Capital Improvement Fund.

#### Note 7. Risk Management

The City is exposed to various risks of loss related to torts, theft, damage, or destruction of assets, error and omissions, injuries to employees, and natural disasters. The City obtains general liability coverage at a cost that is considered to be economically justifiable by joining together with other governmental entities in the state as a member of the Texas Municipal League Intergovernmental Risk Pool (TML). TML is a self-funded pool operating as a common risk management and insurance program. The City pays an annual premium to TML for its above insurance coverage. The agreement for the formation of TML provides that TML will be self-sustaining through member premiums and will reinsure through commercial companies for claims in excess of acceptable risk levels; however, each category of coverage has its own level of reinsurance. The City continues to carry commercial insurance for other risks of loss. There were no significant reductions in commercial insurance coverage in the past fiscal year and settled claims resulting from these risks have not exceeded coverage in any of the past three fiscal years.

#### Note 8. Defined Benefit Pension Plan

#### **Plan Description**

The City participates as one of 919 plans in the defined benefit cash-balance plan administered by the Texas Municipal Retirement System (TMRS). TMRS is a statewide public retirement plan created by the State of Texas and administered in accordance with the TMRS Act, Subtitle G, Title 8, Texas Government Code (the TMRS Act) as an agent multiple-employer retirement system for employees of Texas participating cities. The TMRS Act places the general administration and management of TMRS with a six-member, Governor-appointed Board of Trustees; however, TMRS is not fiscally dependent on the State of Texas. TMRS issues a publicly available Annual Comprehensive Financial Report (Annual Report) that can be obtained at *tmrs.com*.

All eligible employees of the City are required to participate in TMRS.

#### **Benefits Provided**

TMRS provides retirement, disability, and death benefits. Benefit provisions are adopted by the governing body of the City, within the options available in the state statutes governing TMRS.

At retirement, the member's benefit is calculated based on the sum of the member's contributions, with interest, and the City-financed monetary credits with interest. The retiring member may select one of seven monthly benefit payment options. Members may also choose to receive a portion of their benefit as a lump sum distribution in an amount equal to 12, 24, or 36 monthly payments, which cannot exceed 75% of the total member contributions and interest.

#### Employees Covered by Benefit Terms

At the December 31, 2022 valuation and measurement date, the following employees were covered by the benefit terms:

| Inactive employees or beneficiaries currently receiving benefits | 17  |
|--|-----|
| Inactive employees entitled to but not yet receiving benefits    | 55  |
| Active employees   | 55  |
| Total  | 127 |

#### Note 8. Defined Benefit Pension Plan (Continued)

#### **Contributions**

Member contribution rates in TMRS are either 5%, 6%, or 7% of the member's total compensation, and the City matching percentages are either 100%, 150% or 200%, both as adopted by the governing body of the city. Under the state law governing TMRS, the contribution rate for each city is determined annually by the actuary, using the Entry Age Normal (EAN) actuarial cost method. The city's contribution rate is based on the liabilities created from the benefit plan options selected by the city and any changes in benefits or actual experience over time.

Employees for the City were required to contribute 7% of their annual compensation during the fiscal year. The contribution rates for the City were 5.97% and 5.60% in calendar years 2022 and 2023, respectively. The City's contributions to TMRS for the year ended September 30, 2023 were \$212,617 and were equal to the required contributions.

#### **Net Pension Liability**

The City's Net Pension Liability (NPL) was measured as of December 31, 2022, and the Total Pension Liability (TPL) used to calculate the Net Pension Liability was determined by an actuarial valuation as of that date.

#### Actuarial Assumptions

The Total Pension Liability in the December 31, 2022 actuarial valuation was determined using the following actuarial assumptions:

Inflation 2.5% per year

Overall Payroll Growth 2.75% per year, adjusted down for population

declines, if any

Investment Rate of Return 6.75%, net of pension plan investment expense,

including inflation

Salary increases are based on a service-related table. Mortality rates for active members are based on the PUB(10) mortality tables with the Public Safety table used for males and the General Employee table used for females. Mortality rates for healthy retirees and beneficiaries are based on the Gender-distinct 2019 Municipal Retirees of Texas mortality tables. The rates for actives, healthy retirees and beneficiaries are projected on a fully generational basis by Scale UMP to account for future mortality improvements. For disabled annuitants, the same mortality tables for healthy retirees are used with a 4-year set-forward for males and a 3-year set-forward for females. In addition, a 3.5% and 3.0% minimum mortality rate is applied, for males and females respectively, to reflect the impairment for younger members who become disabled. The rates are projected on a fully generational basis by Scale UMP to account for future mortality improvements subject to the floor.

The actuarial assumptions were developed primarily from the actuarial investigation of the experience of TMRS over the four-year period from December 31, 2014 to December 31, 2018. The assumptions were adopted in 2019 and first used in the December 31, 2019 actuarial valuation. The post-retirement mortality assumption for Annuity Purchase Rate (APRs) is based on the Mortality Experience Investigation Study covering 2009 through 2011 and dated December 31, 2013. Plan assets are managed on a total return basis with an emphasis on both capital appreciation as well as the production of income in order to satisfy the short-term and long-term funding needs of TMRS.

#### Note 8. Defined Benefit Pension Plan (Continued)

The long-term expected rate of return on pension plan investments was determined using a building-block method in which best estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation. In determining their best estimate of a recommended investment return assumption under the various alternative asset allocation portfolios, the actuaries focused on the area between (1) arithmetic mean (aggressive) without an adjustment for time (conservative) and (2) the geometric mean (conservative) with an adjustment for time (aggressive). The target allocation and best estimates of real rates of return for each major asset class in fiscal year 2023 are summarized in the following table:

| Asset Class                      | Target<br>Allocation | Long-Term Expected Real Rate of Return (Arithmetic) |
|----------------------------------|----------------------|---|
| Global Equity                    | 35.00%               | 7.70%   |

| Core Fixed Income                | 6.00%                | 4.90%   |
| Non-Core Fixed Income            | 20.00%               | 8.70%   |
| Other Public and Private Markets | 12.00%               | 8.10%   |
| Real Estate                      | 12.00%               | 5.80%   |
| Hedge Funds                      | 5.00%                | 6.90%   |
| Private Equity                   | 10.00%               | 11.80%  |
| Total                            | 100.00%              |   |

#### Discount Rate

The discount rate used to measure the Total Pension Liability was 6.75%. The projection of cash flows used to determine the discount rate assumed that member and employer contributions will be made at the rates specified in statute. Based on that assumption, the pension plan's Fiduciary Net Position was projected to be available to make all projected future benefit payments of current active and inactive members. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the Total Pension Liability.

#### Note 9. Other Postemployment Benefits

#### **Plan Description**

The City participates in a defined benefit group-term life insurance plan known as the Supplemental Death Benefits Fund (SDBF) administered by the Texas Municipal Retirement System (TMRS). The City has elected, by ordinance, to participate in this program and provide group-term life insurance coverage for both active and retired employees. As the SDBF covers both active and retiree participants, with no segregation of assets, the SDBF is considered to be a single-employer unfunded other postemployment benefit (OPEB) plan. Since only the retiree participants qualifies as an OPEB, the SDBF is administered through a non-qualifying trust per paragraph 4, item (b), of the Governmental Accounting Standards Board (GASB) Statement No. 75, Accounting and Financial Reporting for Postemployment Benefits Other Than Pensions.

#### **Benefits Provided**

The death benefit for active members provides a lump-sum payment approximately equal to the employee's annual salary (calculated based on the employee's actual earnings, for the 12-month period preceding the month of death). The death benefit for retirees is considered an OPEB and is a fixed amount of \$7,500.

Employees Covered by Benefit Terms

At the December 31, 2022 actuarial valuation and measurement date, the following employees were covered by benefit terms:

| Inactive employees currently receiving benefits               | 12 |
|---|----|
| Inactive employees entitled to but not yet receiving benefits | 3  |
| Active employees  | 55 |
|   |    |
| Total   | 70 |

#### **Contributions**

The City contributes to the SDBF at a contractually required rate as determined by an annual actuarial valuation. The rate is based on the mortality and service experience of all employees covered by the SDBF and the demographics specific to the workforce of the City. The funding policy for the SDBF program is to assure that adequate resources are available to meet all death benefit payments for the upcoming year. As such, contributions fund the covered active member and retiree deaths on a pay-asyou-go basis.

The City's contributions to the TMRS SDBF for the year ended September 30, 2023 were \$1,120, which equaled the required contributions.

#### **Total OPEB Liability**

The City's Total OPEB Liability (TOL) was measured as of December 31, 2022 and was determined by an actuarial valuation as of that date.

females. In addition, a 3.5% and 3% minimum mortality rate will be applied to reflect the impairment for younger members who become disabled for males and females, respectively. The rates are projected on a fully generational basis by Scale UMP to account for future

mortality improvements subject to the floor.

The discount rate was based on the Fidelity Index's "20-Year Municipal GO AA Index" rate as of December 31, 2022.

The actuarial assumptions used in the December 31, 2022 valuation were based on the results of an actuarial experience study for the period December 31, 2014 through December 31, 2018.

#### Note 10. Commitments and Contingencies

#### **Contingencies**

The City participates in grant programs which are governed by various rules and regulations of the grantor agencies. Costs charged to the respective grant programs are subject to audit and adjustment by the grantor agencies; therefore, to the extent that the City has not complied with the rules and regulations governing the grants, refunds of any money received may be required and the collectability of any related receivable may be impaired. In the opinion of the City, there are no significant contingent liabilities relating to compliance with the rules and regulations governing the respective grants; therefore, no provision has been recorded in the accompanying basic financial statements for contingencies.

#### Litigation

The City is subject to certain legal proceedings in the normal course of operations. In the opinion of management, the aggregate liability, if any, with respect to potential legal actions will not materially adversely affect the City's financial position or results of operations.

#### Note 11. Economic Development Program Agreement

The City is party to Economic Development Program Agreements structured in accordance with Chapter 380 of the Texas Local Government Code.

The City entered into an agreement with The Retail Connection (TRC) in fiscal year 2019 to construct a local shopping center including a Starbucks. The terms of the agreement specify that the City will reimburse TRC for any costs and expenses billed to or otherwise incurred by TRC with respect to the construction of the improvements based on a budget approved by the City. Additionally, for a period of 10 years once the first occupant opens for business in the development, the City will pay TRC 100% of any sales tax revenue generated from the development property allocable to the City and 100% of the incremental increase in ad valorem tax revenue generated from the development property allocable to the City above the base year of 2019. The aggregate maximum amount of these payments is \$400,000. The City completed paying the reimbursement portion of this program during fiscal year 2022. The City paid \$48,675 of the property and sales tax refunds due under this program during fiscal year 2023. The remaining obligation under this program is \$325,986 at September 30, 2023.

During fiscal year 2023, the City entered into an agreement with Pathway Com-Tel, Inc. to construct and install internet fiber in the Mountain Valley subdivision. The terms of the agreement specify that Pathway will construct, install, and pay for all costs associated with the project and, in exchange, the City will provide a one-time payment to the Pathway in the amount of \$125,000. This amount was paid in full during fiscal year 2023.

#### Note 12. Subsequent Events

The City evaluated subsequent events through February 5, 2024, the date the financial statements were available to be issued, noting the City issued Series 2023 Combination Tax and Limited Pledge Revenue Certificates of Obligation in the amount of \$1,250,000 on October 18, 2023.

#### Valuation Date:

Actuarially determined contribution rates are calculated as of December 31 and become effective in January - 13 months later.

Methods and Assumptions Used to Determine Contribution Rates:

For purposes of calculating the Total OPEB Liability, the plan is considered to be unfunded and therefore no assets are accumulated for OPEB. Asset Valuation Method

Inflation 2.50%

Salary Increases 3.50% to 11.50% including inflation

Discount Rate\*\*\* 4.05% Retirees' share of benefit-related costs

Administrative expenses All administrative expenses are paid through the Pension Trust and accounted for under reporting requirements of GASB Statement No. 68.

Mortality rates - service retirees 2019 Municipal Retirees of Texas Mortality Tables. The rates are projected on a fully generational basis with scale UMP.

2019 Municipal Retirees of Texas Mortality Tables with a 4 year set-forward for males and a 3 year set-forward for females. In addition, a 3.5% and 3% minimum Mortality rates - disabled retirees

mortality rate will be applied to reflect the impairment for younger members who become disabled for males and females, respectively. The rates are projected on a

fully generational basis by Scale UMP to account for future mortality improvements subject to the floor.

<sup>\*</sup> The amounts presented above are as of the City's fiscal year-end.

<sup>\*\*</sup> Schedule is intended to show information for 10 years. Additional years will be displayed as they become available.

<sup>\*\*\*</sup> The discount rate was based on the Fidelity Index's "20-Year Municipal GO AA Index" rate as of December 31, 2022.

# INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Honorable Mayor and City Council City of Joshua, Texas

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of the City of Joshua, Texas, as of and for the year ended September 30, 2023, and the related notes to the financial statements, which collectively comprise the City of Joshua, Texas' basic financial statements, and have issued our report thereon dated February 5, 2024.

#### Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the City of Joshua, Texas' internal control over financial reporting (internal control) as a basis for the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the City of Joshua, Texas' internal control. Accordingly, we do not express an opinion on the effectiveness of the City of Joshua, Texas' internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

#### **Report on Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the City of Joshua, Texas' financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

#### **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

A corrective action plan is not needed.

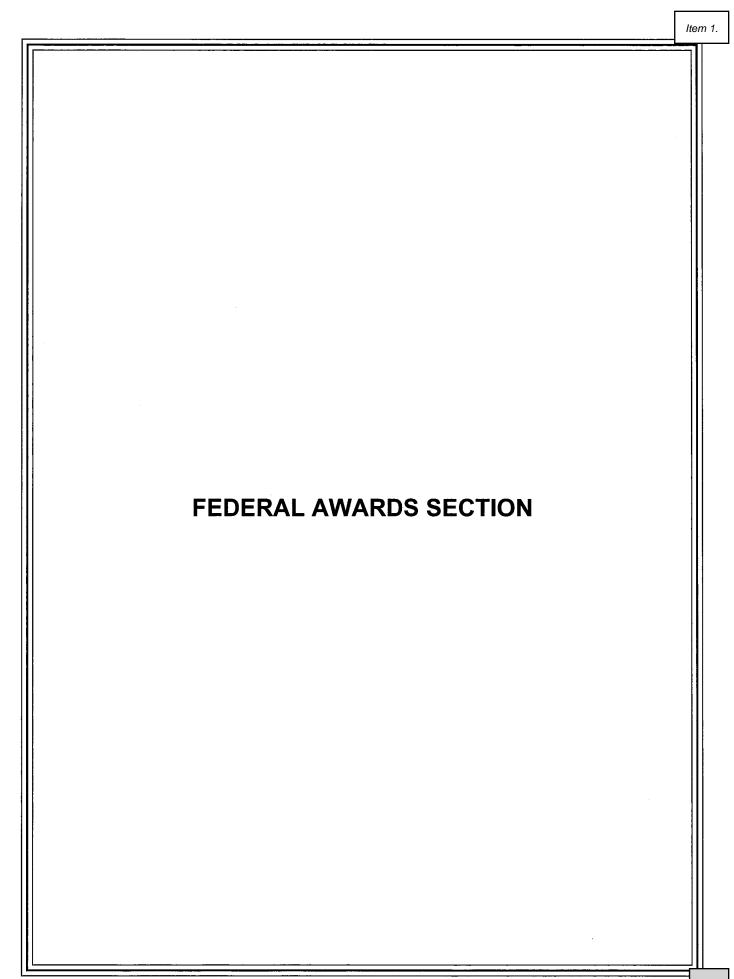

#### City of Joshua, Texas Summary Schedule of Prior Audit Findings For the Year Ended September 30, 2023

Finding 2022-001 - Internal Controls Over Financial Reporting - Significant Deficiency

The financial statements were misstated prior to the City recording entries to adjust deferred grant revenue and retainage payable and record the issuance of refunding bonds. As a result, financial reports prepared throughout the fiscal year may have been relied upon in error.

#### **Current Status**

The City corrected the issue in fiscal year 2023.

# INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

To the Honorable Mayor and City Council City of Joshua, Texas

#### Report on Compliance for Each Major Federal Program

#### Opinion on Each Major Federal Program

We have audited City of Joshua, Texas' compliance with the types of compliance requirements identified as subject to audit in the OMB Compliance Supplement that could have a direct and material effect on each of City of Joshua, Texas' major federal programs for the year ended September 30, 2023. City of Joshua, Texas' major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, City of Joshua, Texas complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended September 30, 2023.

#### Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of City of Joshua, Texas and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of City of Joshua, Texas' compliance with the compliance requirements referred to above.

#### Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to City of Joshua, Texas' federal programs.

#### Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on City of Joshua, Texas' compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, Government Auditing Standards, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about City of Joshua, Texas' compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding City of Joshua, Texas' compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of City of Joshua, Texas' internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of City of Joshua, Texas' internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

#### Report on Internal Control over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

#### Note 1: Basis of Presentation

The accompanying schedule of expenditures of federal awards includes the federal grant activity of the City of Joshua, Texas for the year ended September 30, 2023. The information in this schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the schedule presents only a selected portion of the operations of the City of Joshua, it is not intended to and does not present the financial position or changes in net position or cash flows of the City of Joshua.

#### Note 2: Summary of Significant Accounting Policies

Expenditures reported on the schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement. The City of Joshua has elected not to use the 10% de minimis indirect cost rate as permitted in the Uniform Guidance, section 200.414.

WHEREAS, the City Council (the *Council*) of the City of Joshua, Texas (the *City*), located in Johnson County, Texas (the *County*), hereby finds and determines that an election should be held to determine whether the Council shall be authorized to issue general obligation bonds of the City in the amount and for the purposes hereinafter identified (the *Election*); and

WHEREAS, the City will conduct the Election in accordance with the laws of the State of Texas (the *State*) and applicable federal laws; and

WHEREAS, the Council hereby finds and determines that the necessity to construct various capital improvements within the City necessitates that it is in the public interest to call and hold the Election at the earliest possible date to authorize the issuance of general obligation bonds for the purposes hereinafter identified; and

WHEREAS, the Council hereby finds and determines that the actions hereinbefore described are in the best interests of the residents of the City; now, therefore,

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF JOSHUA, TEXAS THAT:

<u>SECTION 1.</u> The Election shall be held in the City of Joshua, Texas on the 4th day of May, 2024 (*Election Day*), which is a uniform election date under the Texas Election Code, as amended, and is not less than 78 days nor more than 90 days from the date of the adoption of this ordinance (the *Ordinance*), for the purpose of submitting the following measures to the qualified voters of the City:

#### **MEASURE A**

"Shall the City Council of the City of Joshua, Texas be authorized to issue and sell one or more series of general obligation bonds of the City in the aggregate principal amount of not more than \$16,000,000 for the purpose of designing, acquiring, constructing, purchasing, renovating, improving, upgrading, updating, enlarging, demolishing, and equipping a Police Department and Municipal Complex, and the purchase of land, easements, rights-of-way, and other real property interests necessary therefor or incidental thereto, and completing related landscaping; such bonds to mature serially or otherwise (not more than 40 years from their date) in accordance with law; and any issue or series of said bonds to bear interest at such rate or rates (fixed, floating, variable or otherwise) as may be determined within the discretion of the City Council, provided that such rate of interest shall not exceed the maximum rate per annum authorized by law at the time of the issuance of any issue or series of said bonds; and shall the City Council of the City be authorized

#2054083.4

to levy and pledge, and cause to be assessed and collected, annual ad valorem taxes, within the limitations prescribed by law, on all taxable property in said City sufficient to pay the annual interest and provide a sinking fund to pay the bonds at maturity and the cost of any credit agreements executed in connection with the bonds?"

#### **MEASURE B**

"Shall the City Council of the City of Joshua, Texas be authorized to issue and sell one or more series of general obligation bonds of the City in the aggregate principal amount of not more than \$10,000,000 for the purpose of designing, acquiring, constructing, renovating, improving, upgrading, updating, and equipping City street, curb, gutter, and sidewalk improvements, demolition, repair, and rebuilding of existing streets, completing necessary or incidental utility relocation and drainage in connection with the foregoing and the purchase of land, easements, rights-of-way, and other real property interests necessary therefor or incidental thereto, and City street maintenance improvements; such bonds to mature serially or otherwise (not more than 40 years from their date) in accordance with law; and any issue or series of said bonds to bear interest at such rate or rates (fixed, floating, variable or otherwise) as may be determined within the discretion of the City Council, provided that such rate of interest shall not exceed the maximum rate per annum authorized by law at the time of the issuance of any issue or series of said bonds; and shall the City Council of the City be authorized to levy and pledge, and cause to be assessed and collected, annual ad valorem taxes, within the limitations prescribed by law, on all taxable property in said City sufficient to pay the annual interest and provide a sinking fund to pay the bonds at maturity and the cost of any credit agreements executed in connection with the bonds?"

SECTION 2. One or more City election precincts are hereby established for the purpose of holding the Election, and one or more polling places are hereby designated for holding the Election in the City election precincts as identified in Exhibit A to this Ordinance (which is incorporated herein by reference for all purposes). At least 79 days prior to Election Day, or as soon thereafter as is reasonably practicable, the City, acting through the Mayor, the City Manager, or the designee thereof, as necessary or desirable, will appoint the Presiding Judges, Alternate Presiding Judges, Election Clerks, and all other election officials for the Election, together with any other necessary changes to election practices and procedures and can correct, modify, or change the Exhibits to this Ordinance based upon the final locations and times agreed upon to the extent permitted by applicable law.

A. The Presiding Judge shall appoint not less than two resident qualified voters of the County to act as clerks in order to properly conduct the Election. To the extent required by the Texas Election Code, as amended, or other applicable law, the appointment of these clerks must include a person fluent in the Spanish language to serve as a clerk to render oral aid in the Spanish language to any voter desiring such aid at the polls on Election Day. If the Presiding Judge appointed actually serves, the Alternate Presiding Judge shall serve as one of the clerks. In the absence of the Presiding Judge, the Alternate Presiding Judge shall perform the duties of the Presiding Judge of the election precinct.

- B. On Election Day, the polls shall be open as designated on Exhibit A.
- C. The main early voting location is designated in Exhibit B to this Ordinance (which is hereby incorporated herein by reference for all purposes). The individual named as the Early Voting Clerk as designated in Exhibit B is hereby appointed as the Early Voting Clerk to conduct such early voting in the Election. The Early Voting Clerk shall appoint the Deputy Early Voting Clerks. This main early voting location shall remain open to permit early voting on the days and at the times as stated in Exhibit B. Early voting shall commence as provided on Exhibit B and continue through the date set forth on Exhibit B, all as provided by the provisions of the Texas Election Code, as amended.

Additionally, permanent and/or temporary branch offices for early voting by personal appearance may be established and maintained in accordance with the Texas Election Code. In the event such permanent and/or temporary branch locations are established, information regarding the locations, dates, and hours of operation for early voting at these offices shall be determined by the Early Voting Clerk, as identified in Exhibit B hereto.

An Early Voting Ballot Board is hereby established for the purpose of processing early voting results. The individual designated in Exhibit B as the Presiding Judge of the Early Voting Ballot Board is hereby appointed the Presiding Judge of the Early Voting Ballot Board. The Presiding Judge shall appoint not less than two resident qualified voters of the City to serve as members of the Early Voting Ballot Board.

SECTION 3. Electronic voting machines may be used in holding and conducting the Election on Election Day; provided, however, in the event the use of such electronic voting machines is not practicable, the Election may be conducted on Election Day by the use of paper ballots (except as otherwise provided in this section). Electronic voting machines or paper ballots may be used for early voting by personal appearance (except as otherwise provided in this section). Pursuant to Section 61.012, as amended, Texas Election Code, the City shall provide at least one accessible voting system in each polling place used in the Election. Such voting system shall comply with State and federal laws establishing the requirement for voting systems that permit voters with physical disabilities to cast a secret ballot. Any legally permissible voting method may be used for early voting and Election Day voting by personal appearance. Certain early voting may be conducted by mail.

SECTION 4: The City is authorized to utilize a Central Counting Station (the *Station*) as provided by Section 127.001, *et* seq., as amended, Texas Election Code. The Early Voting Clerk, or the designee thereof, is hereby appointed as the Manager of the Station, who will establish a written plan for the orderly operation of the Station in accordance with the provisions of the Texas Election Code. The Council hereby authorizes the Early Voting Clerk, or the designee thereof, to appoint the Tabulation Supervisor and the Programmer for the Station and may appoint Station clerks as needed or desirable. If utilized, the Early Voting Clerk will publish (or cause to be published) notice and conduct testing on the automatic tabulation equipment relating to the Station and conduct instruction for the officials and clerks for the Station in accordance with the provisions of the Texas Election Code. Lastly, the Council hereby appoints the Secretary of the Board as the Presiding Judge of the Station.

SECTION 5. The official ballot shall be prepared in accordance with the Texas Election Code, as amended, so as to permit voters to vote "FOR" or "AGAINST" the aforesaid measures which shall appear on the ballot substantially as follows:

#### **PROPOSITION A**

"THE ISSUANCE OF \$16,000,000 OF CITY OF JOSHUA, TEXAS GENERAL OBLIGATION BONDS FOR A POLICE DEPARTMENT AND MUNICIPAL COMPLEX, AND THE LEVYING OF A TAX SUFFICIENT TO PAY THE PRINCIPAL AND INTEREST THEREOF"

#### PROPOSITION B

"THE ISSUANCE OF \$10,000,000 OF CITY OF JOSHUA, TEXAS GENERAL OBLIGATION BONDS FOR STREETS, SIDEWALKS, AND DRAINAGE IMPROVEMENTS, AND THE LEVYING OF A TAX SUFFICIENT TO PAY THE PRINCIPAL AND INTEREST THEREOF"

<u>SECTION 6.</u> All resident qualified voters of the City shall be permitted to vote at the Election, and on Election Day, such voters shall vote at the designated polling places. The Election shall be held and conducted in accordance with the provisions of the Texas Election Code, as amended, Chapters 1251 and 1331, as amended, Texas Government Code, and as may be required by any other law. To the extent required by law, all materials and proceedings relating to the Election shall be printed in both English and Spanish.

SECTION 7. Notice of election, including a Spanish translation thereof, shall be published on the same day in each of two successive weeks in a newspaper of general circulation in the City, the first of these publications to appear in such newspaper not more than 30 days, and not less than 14 days, prior to Election Day. Moreover, a substantial copy of this Ordinance and the voter information attached as Exhibit C, including a Spanish translation thereof, shall be posted (i) at City Hall not less than 21 days prior to Election Day; (ii) at three additional public places within the City not less than 21 days prior to Election Day, (iii) in a prominent location at each polling place on Election Day and during early voting, and (iv) in a prominent location on the City's internet website not less than 21 days prior to Election Day. A sample ballot shall be posted on the City's internet website not less than 21 days prior to Election Day.

SECTION 8. As required by and in accordance with Section 3.009(b)(5) and (7) through (9) of the Texas Election Code, the City, as of the date of this ordinance, had outstanding an aggregate principal amount of debt equal to \$11,245,000; the aggregate amount of the interest owed on such City debt obligations, through respective maturity, totaled \$1,538,740; and the City levied an ad valorem debt service tax rate for its outstanding debt obligations of \$0.1502 per \$100 of taxable assessed valuation. City estimates an ad valorem debt service tax rate of \$0.3292 per \$100 of taxable assessed valuation if the bonds that are subject of the Election are approved and are issued (taking into account the outstanding City bonds and bonds that are the subject of this Election, but not future bond authorizations of the City). The bonds that are the subject of this Election shall mature serially or otherwise overall a specified number of years (not more than 40 years from their date), as preserved by applicable Texas law, though the City estimates that, based

on current bond market conditions, such bonds will amortize over a 30-year period from their respective date of issue. The foregoing estimated tax rate and amortization period are only estimates, provided for Texas statutory compliance, and do not serve as a cap on any City ad valorem tax rate or the amortization period for bonds that are the subject of this Election.

SECTION 9. The Council authorizes the Mayor, the City Manager, or their respective designee, to negotiate and enter into one or more joint election agreements and/or similar contracts or agreements if desired or required to comply with applicable law, as permitted and in accordance with the provisions of the Texas Election Code, as amended. In addition, the City authorizes the Mayor, the City Manager, or their respective designee of either of such parties to make such technical modifications to this Ordinance that are necessary for compliance with applicable Texas or federal law or to carry out the intent of the Council, as evidenced herein. To the extent that any duty or obligation of the City, in general, or any City official, in particular, is properly delegated to the County pursuant to a joint election agreement, then the County's carrying out those duties and obligations on the City's behalf pursuant to the terms of such joint election agreement shall be binding upon the City and are hereby determined by the Council to be evidence of the City's compliance with the provisions of applicable Texas law concerning the Election relative to the same. By incorporating all essential terms necessary for a joint election agreement, this Ordinance is intended to satisfy Section 271.002(d) of the Texas Election Code, as amended, without further action of the City Council. To the extent needed or desirable, the Administrator is hereby appointed joint custodian of voted ballots for the purposes of Section 31.096, as amended, Texas Election Code.

SECTION 10. The City authorizes the City Manager to take all actions necessary to execute any necessary financial advisory contracts with SAMCO Capital Markets, Inc., as the financial advisor to the City (the *Financial Advisor*). The City understands that under applicable federal securities laws and regulations the City must have a contractual arrangement with its Financial Advisor relating to the sale, issuance, and delivery of any bonds to be authorized by the Election. In addition, the City also authorizes the City Manager to take all actions necessary to execute any necessary engagement agreement with Cantu Harden Montoya LLP, as Bond Counsel to the City.

SECTION 11. The recitals contained in the preamble hereof are hereby found to be true, and such recitals are hereby made a part of this Ordinance for all purposes and are adopted as a part of the judgment and findings of the Council.

SECTION 12. All ordinances and resolutions, or parts thereof, which are in conflict or inconsistent with any provision of this Ordinance are hereby repealed to the extent of such conflict, and the provisions of this Ordinance shall be and remain controlling as to the matters ordained herein.

<u>SECTION 13.</u> This Ordinance shall be construed and enforced in accordance with the laws of the State of Texas and the United States of America.

<u>SECTION 14.</u> It is officially found, determined, and declared that the meeting at which this Ordinance is adopted was open to the public and public notice of the time, place, and subject matter of the public business to be considered at such meeting, including this Ordinance, was given, all as required by Chapter 551, as amended, Texas Government Code.

<u>SECTION 15.</u> If any provision of this Ordinance or the application thereof to any person or circumstance shall be held to be invalid, the remainder of this Ordinance and the application of such provision to other persons and circumstances shall nevertheless be valid, and this Council hereby declares that this Ordinance would have been enacted without such invalid provision.

<u>SECTION 16.</u> Pursuant to the provisions of Section 1201.028, as amended, Texas Government Code, this Ordinance shall be effective immediately upon adoption, notwithstanding any provision in the City's Home Rule Charter to the contrary concerning a multiple reading requirement for the adoption of ordinances.

Item 2.

# Bond Election Process, Laws & Ethics

### Role of Bond Counsel in Bond Election Process

- Work directly with the City Secretary regarding election documents, including the ordinance calling the election, legal notices, various affidavits and canvass documents
- Advise the City as to ethics rules applicable to City officials and employees
  - No advocacy for or against election while acting in official capacity
  - No use of City funds or resources for advocacy purposes
  - Factual information only
- Assist the City in ensuring election is conducted in accordance with Texas law
  - Timeliness of ordinance calling election and ordinance canvassing election returns
  - Publication of notice of election
  - Posting of notice of election
- Election contest period
  - If no election contest is filed within 30 days of the date the election is canvassed, election becomes incontestable

### Section 255.003 of the Texas Election Code

### Provides as follows:

- An officer or employee of a political subdivision may not spend or authorize the spending of public funds for political advertising.
- This section does not apply to a communication that factually describes the purposes of a measure if the communication does not advocate passage or defeat of the measure.
- A person who violates this section commits an offense.
   An offense under this section is a Class A Misdemeanor.

# Political Advertising Defined

Political Advertising is a communication that **advocates a particular outcome** in an election and includes statements made in writing or orally:

- o in a newspaper, magazine or other periodical;
- o broadcast by radio or television;
- o in a pamphlet, circular, flyer, billboard or other sign, bumper sticker or similar form of written communication;
- o emails, posters and newsletters; or
- on an Internet website.

# Advocacy Defined

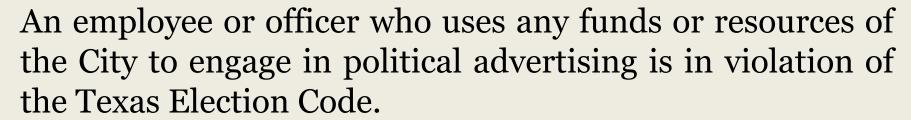

Most employees and officers violate the ethics laws by engaging in communication that is considered **advocacy**.

Asking for support or rejection of a bond election is advocacy and using statements such as "Vote For X" and "Defeat Y" is also advocacy.

### Section 255.003 of the Texas Election Code

- In addition, an officer or employee of a political subdivision may not spend or authorize the spending of public funds for a communication describing a measure if the communication contains information that:
  - o the officer or employee knows is false; and
  - o is sufficiently substantial and important as to be reasonably likely to influence a voter for or against the measure.

### So what does this mean?

- City resources include use of the telephone, computers, copiers, facilities, etc.
- The City may not purchase or authorize the purchase of new materials OR use EXISTING materials for use in creating or distributing political advertising.
- Also, it is not permissible to use the paid time of City employees to create or distribute political advertising. For example, staff may not copy, staple or distribute political advertising on work time.

# What is the role of the City?

- The City is required to provide factual information.
- It is permissible to use City resources to produce explanatory material about what is at stake in a bond election.
  - Proposed projects & costs
  - O Voting times & locations
  - Growth rates
  - Tax rate impact

- Current capacity
- Age/Condition of facility,
   streets, etc.

# The Good News

ALTHOUGH YOU MAY NOT USE CITY RESOURCES FOR POLITICAL ADVERTISING, EMPLOYEES AND OFFICERS ARE FREE TO CAMPAIGN FOR OR AGAINST A PROPOSITION ON THEIR OWN TIME AND WITH THEIR OWN RESOURCES.

# Real World Examples

- Can a city council member authorize the spending of city funds to create a brochure urging support of the bond?
- Can a city council member urge citizens to support the bond at a Kiwanis Club meeting using his or her own time and resources? **Yes**
- Can a city council member use a city copy machine to copy a "Vote Yes" flyer? No
- Can a city council member write a Letter to the Editor urging support for the bond using his or her own time and resources? **Yes**

# Real World Examples

- Can a city council member use the city credit card to pay for yard signs to promote the bond?
- Can a city council member personally contribute funds to a Political Action Committee to print yard signs advocating for the passage of the bond? **Yes**
- Can a city council member use the PA system at a city park urging visitors to support the bond? No
- Can a city council member ask members of his or her church to support the bond using their own time and resources? **Ves**

City Council Agenda February 15, 2024

Ordinance Action Item

#### **Agenda Description:**

Discuss, consider, and possible action on establishing a 25 mph speed limit on E. 8<sup>th</sup> Street, between Veatch St. and SH 174.

#### **Background Information:**

A request was received from a resident about posting speed limit signs on E. 8th St.

This resident felt people were speeding excessively on this street, therefore a traffic study was conducted.

The study concluded that the 25 mph signs are an effective tool for calming traffic.

30 mph is the state law for residential streets but taking into consideration the overall width and length of this street, 25 mph is more appropriate for E. 8<sup>th</sup> St.

#### **Financial Information:**

| OIVDI       | INTING      | L 11U. |  |

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF JOSHUA, TEXAS, AMENDING SECTION 12.02.051, "SPEED LIMITS ON SPECIFIC STREETS," CONTAINED IN ARTICLE 12.02, "OPERATION OF VEHICLES," OF CHAPTER 12, "TRAFFIC AND VEHICLES," OF THE CODE OF ORDINANCES OF THE CITY OF JOSHUA, TEXAS, BY ADDING A PRIMA FACIE 25 MPH SPEED LIMIT ON EAST EIGHTH STREET FROM STATE HIGHWAY 174 TO VEATCH STREET; MAKING FINDINGS RELATED THERETO; REPEALING ALL CONFLICTING ORDINANCES; PROVIDING A SEVERABILITY CLAUSE; PROVIDING A PENALTY CLAUSE; AND PROVIDING AN EFFECTIVE DATE.

**WHEREAS**, the City has determined that pursuant to Section 545.356 of the Texas Transportation Code, that a 25 miles per hour speed limit on East Eighth Street from State Highway 174 to Veatch Street is an appropriate prima facie speed limit for such roadway; and

**WHEREAS,** the City Council has determined that the following regulations are necessary in order to protect public health, safety, and welfare of the citizens of the City of Joshua and the general public.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF JOSHUA, TEXAS, THAT:

#### SECTION 1

The facts and recitations contained in the preamble of this Ordinance are hereby found and declared to be true and correct.

#### **SECTION 2**

From and after the effective date of this Ordinance, existing Section 12.02.051, "Speed limits on specific streets," contained in Article 12.02, "Operation of Vehicles," of Chapter 12, "Traffic and Vehicles," of the Code of Ordinances of the City of Joshua, Texas, is hereby amended by adding the following prima facie speed limit for the following named street, or part thereof, described as follows:

"Sec. 12.02.051 Speed limits on specific streets

\* \* \*

East Eighth Street from State Highway 174 to Veatch Street: 25 miles per hour.

#### **SECTION 3**

If any section, paragraph, clause or provision of this Ordinance shall for any reason be held to be invalid or unenforceable, the invalidity or unenforceability of such section, paragraph, clause or provision shall not affect any of the remaining provisions of this Ordinance.

#### **SECTION 4**

This Ordinance shall be cumulative of all provisions of ordinances of the City of Joshua, Texas, except where the provisions of this Ordinance are in direct conflict with the provisions of such ordinances, in which event the conflicting provisions of such ordinances are hereby repealed.

#### **SECTION 5**

Any person, firm or corporation violating any of the provisions or terms of this Ordinance shall be deemed guilty of a misdemeanor and, upon conviction, shall be punished by fine not to exceed the sum of five hundred dollars (\$500.00) for each offense, and each and every day such violation shall continue shall constitute a separate offense.

#### **SECTION 6**

This Ordinance shall take effect immediately from and after its passage and publication.

DULY PASSED, APPROVED, AND ADOPTED BY THE CITY COUNCIL OF THE CITY OF JOSHUA, TEXAS, ON THIS 15TH DAY OF FEBRUARY, 2024.

City Council Agenda February 15, 2023

Ordinance Action Item

#### **Agenda Description:**

Discuss, consider, and possible action on amending article 1.09 "Authority of City Manager to Execute Certain Agreements and Contracts" in the Code of Ordinances.

#### **Background Information:**

Updates to the City's Purchasing Policy were approved at the December 21<sup>st</sup>, 2023 City Council meeting. With the revisions to the Purchasing Policy in effect, there are required ordinance updates so that there is no conflict between the Purchasing Policy and Article 1.09 of the Code of Ordinances. The current ordinance has three amounts of \$25,000 that need to be changed to \$50,000 so that the ordinance mirrors the policy.

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF JOSHUA, TEXAS, AMENDING ARTICLE 1.09, "AUTHORITY OF CITY MANAGER TO EXECUTE CERTAIN AGREEMENTS AND CONTRACTS," OF CHAPTER 1, "GENERAL PROVISIONS," OF THE OF CITY OF JOSHUA CODE OF ORDINANCES BY INCREASING THE DOLLAR AMOUNT OF THE CITY MANAGER'S SIGNATORY AUTHORITY, AS FURTHER DEFINED HEREIN; MAKING FINDINGS; PROVIDING CUMULATIVE/REPEALER CLAUSES; PROVIDING A SEVERABILITY CLAUSE; AND PROVIDING FOR PUBLICATION AND AN EFFECTIVE DATE.

**WHEREAS**, the City of Joshua, Texas ("City"), is a home-rule municipality under the laws of the State of Texas and is duly incorporated; and

**WHEREAS**, Section 1.09.001 of Article 1.09 of the City's Code of Ordinances provides that the City Manager shall have the authority to sign, after authorization by the Council, all contracts entered into by the City in the manner prescribed in the ordinance authorizing the signing of any such obligation; and

**WHEREAS**, Section 1.09.002 of Article 1.09 of the City's Code of Ordinances provides that the City Manager shall have the authority to approve change orders in the manner prescribed in the ordinance authorizing the approval of any such obligation; and

**WHEREAS**, Section 1.09.003 of Article 1.09 of the City's Code of Ordinances provides that the City Manager shall have the authority to sign, after authorization by the Council, all interlocal agreements entered into by the City in the manner prescribed in the ordinance authorizing the signing of any such obligation; and

**WHEREAS,** the City Council desires to amend said Article 1.09 to grant additional signatory authority to the City Manager up to and including \$50,000, as further defined herein; and

**WHEREAS**, the City Council has determined that the City Manager should be authorized to execute documents in accordance with the amendments to the Code as set forth below; and

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF JOSHUA, TEXAS, THAT:

#### **SECTION 1**

The above and foregoing premises are true and correct and are incorporated herein and made a part hereof for all purposes.

#### **SECTION 2**

From and after the effective date of this Ordinance, Article 1.09, "Authority of City Manager to Execute Certain Agreements and Contracts," of Chapter 1, "General Provisions," of the Code of Ordinances of the City of Joshua, Texas, is hereby amended to read as follows:

#### "ARTICLE 1.09

### AUTHORITY OF CITY MANAGER TO EXECUTE CERTAIN AGREEMENTS AND CONTRACTS

#### § 1.09.001. Authority of city manager to sign contracts.

The city manager shall have authority to sign all contracts not to exceed \$50,000.00 without first obtaining city council approval of each such contract to the extent only that funds have previously been allocated in the city's annual budget and are available for the purpose of said contract, and further provided that city council approval of said contract is not otherwise required by law.

#### § 1.09.002. Authority of city manager to approve change orders.

The city manager shall have authority relative to public improvements or purchases subject to the competitive seal bidding and competitive sealed proposal requirements of chapter 252 of the Texas Local Government Code, as amended, to approve change orders involving an increase or decrease in the amount of \$50,000.00 or less, without approval of the city council."

#### § 1.09.003. Authority to sign interlocal agreements.

The city manager shall have the authority to sign any and all interlocal agreements between the city and any governmental entity authorized to enter into such interlocal agreements, pursuant to chapter 791 of the Texas Government Code, as amended, without first obtaining city council approval of such interlocal agreement. The city manager's authority to sign such interlocal agreements is limited to those interlocal agreements that do not require any expenditure in excess of \$50,000.00."

#### **SECTION 3**

This Ordinance shall be cumulative of all other ordinances of the City of Joshua and shall not repeal any of the provisions of such ordinances except for those instances where there are direct conflicts with the provisions of this Ordinance. Ordinances or parts thereof in force at the time this Ordinance shall take effect and that are inconsistent with this Ordinance are hereby repealed to the extent that they are inconsistent with this Ordinance.

#### **SECTION 4**

If any section, article, paragraph, sentence, clause, phrase or word in this Ordinance or application thereof to any person or circumstance is held invalid or unconstitutional by a Court of

competent jurisdiction, such holding shall not affect the validity of the remaining portions of this Ordinance, and the City Council hereby declares it would have passed such remaining portions of this Ordinance despite such invalidity, which remaining portions shall remain in full force and effect.

#### **SECTION 5**

This Ordinance shall take effect immediately from and after its passage and the publication of the caption, as the law and City Charter in such cases provide.

DULY PASSED, APPROVED, AND ADOPTED BY THE CITY COUNCIL OF THE CITY OF JOSHUA, TEXAS, ON THIS 15<sup>th</sup> DAY OF FEBRUARY, 2024.

#### STATUS OF CLAIM:

We have completed our inspection to the above captioned property. The Member has been advised of our scope of damages and coverage therefore: we are submitting this report for review.

#### **CAUSE OF LOSS:**

On 11/09/2023 the Member reported damage from high winds and hail.

#### SALVAGE:

There is no salvage value due to the building materials are not re-usable.

#### **SUBROGATION:**

No subrogation potential exists as this is a weather event.

#### SCOPE OF DAMAGE - STRUCTURE:

The inspection and scope of damages found for the Insured's scheduled Real & Personal Property are as follows:

At the request of Amber Branson with the City of Joshua, we met on 11/21/2023 at 8am and inspected the various locations. Upon my inspection of the buildings, I noted the following:

- 1) ID#1-Police Department- I noted hail damage to the brown 30yr multi-dimensional shingles that would be the result of the storm. The roof was installed in 2021 as per the insured with a 4/12 pitch. Due to the amount of damage repairs are not feasible and I recommend a complete roof replacement. I also noted cosmetic hail damage to the metal roof panels on the attached building and metal gutter system on the front elevation. There is no coverage for the metal in this policy as it has the cosmetic endorsement. As noted in the photos, there was water damage to the interior hallway and storage room that was caused by wind driven rain. High winds or hail did not create any openings in the roof that would have allowed water to enter the structure.
- 2) ID#2-Parks Office- I did not note any storm related damage to the metal roof or wall panels that would be the result of the storm.
- 3) ID#5-City Hall- I noted hail damage to the brown 30yr multi-dimensional shingles that would be the result of the storm. The roof was installed in 2021 as per the insured with a 8/12 pitch. Due to the amount of damage repairs are not feasible and I recommend a complete roof replacement. I also noted cosmetic hail damage to the metal gutter system on the front, rear, and right elevation. There is no coverage for the metal in this policy as it has the cosmetic endorsement. As noted in the photos, there was water damage to the ceiling tiles in office 1 and office 2 that was caused by wind driven rain. High winds or hail did not create any openings in the roof that would have allowed water to enter the structure.
- 4) ID#9-Animal Shelter- I noted hail damage to the brown 30yr multi-dimensional shingles that would be the result of the storm. The roof was installed in 2021 as per the insured with a 8/12 pitch. Due to the amount of damage repairs are not feasible and I recommend a complete roof replacement. I also noted cosmetic hail damage to the metal gutter system on the front elevation. There is no coverage for the metal in this policy as it has the cosmetic endorsement. As noted in the photos, there was water damage to the interior hallway that was caused by wind driven rain. High winds or hail did not create any openings in the roof that would have allowed water to enter the structure.
- 5) ID#10-Office- I noted hail damage to the brown 30yr multi-dimensional shingles that would be the result of the storm. The roof was installed in 2021 as per the insured with a 6/12 pitch. Due to the amount of damage repairs are not feasible and I recommend a complete roof replacement. I also noted cosmetic hail damage to the metal gutter system on the front elevation and the a/c unit on the rear elevation. There is no

coverage for the metal in this policy as it has the cosmetic endorsement. There were no visual signs of water damage to the interior that would be the result of the storm.

- 6) ID#11-Public Works Shop- I noted hail damage to the brown 30yr multi-dimensional shingles that would be the result of the storm. The roof was installed in 2021 as per the insured with a 6/12 pitch. Due to the amount of damage repairs are not feasible and I recommend a complete roof replacement. I did not note any visual signs of storm related damage to the a/c unit. There is no metal gutter system on any elevation.
- 7) ID#13-Pavillion- I did not note any storm related damage to the brown 30yr multi-dimensional shingles that would be the result of the storm. The roof was installed in 2021 with a 4/12 pitch per the Member.
- 8) ID#14-Concession/Restroom- I did not note any storm related damage to the brown 30yr multi-dimensional shingles that would be the result of the storm. The roof was installed in 2021 with a 4/12 pitch per the Member. There is no metal gutter system on any elevation.
- 9) ID#18-Restroom- I did not note any storm related damage to the brown 30yr multi-dimensional shingles that would be the result of the storm. The roof was installed in 2021 with a 6/12 pitch per the Member. There is no metal gutter system on any elevation.
- 10) ID#23-Playground Equipment- I did not note any storm related damage.
- 11) ID#25-Central Fire Station- I did not note any storm related damage to the standing seam metal roof on any elevation. The roof was installed in 2013 with a 8/12 pitch. The Member also stated that the roofing contractor also did not note any storm related damage to the metal roof panels or the metal gutter system. As noted in the photos, there was water damage to the ceiling tiles in the interior conference room that was caused by wind driven rain. There is a valley directly above the damage that appears to be allowing water to enter the structure. High winds or hail did not create any openings in the roof that would allow water to enter the structure.

Using Xactimate pricing for the local area we have prepared the enclosed estimate in order to arrive at the actual cash value loss. Depreciation was applied based on the age and condition of the damaged building components. The enclosed estimate has been provided for your review.

#### **DRAFT REQUEST:**

If you agree with our estimate of damages and the calculations as outlined in this file, please issue your Actual Cash Payment to the Member in the amount listed below.

City counsel Agenda February 15, 2024

Minutes Resolution Action Item

#### **Agenda Description:**

Discuss, consider, and possible action on the Facility Use Agreement between Joshua Youth Football & Cheer Association and the City of Joshua.

#### **Background Information:**

The former Joshua Baseball Association recently merged with the Joshua Football and Cheer Association. This merger required an updated use agreement and signatures. I have drafted a revised agreement with the Football and Cheer Association for the use of the Joshua City Park Baseball complex.

#### **Financial Information:**

N/A

#### **City Contact and Recommendations:**

Steven Gill, Parks Manager

Staff recommends approval to go forward with the agreement. Staff has gone over the new agreement with the association president and had city attorney review documents.

Revised 2024 field use agreement

# Facility Use Agreement for Joshua Youth Football and Cheer Association City of Joshua Parks and Recreation Department

This Facility Use Agreement, herein called "Agreement" is made and entered this 1st day of February, between the City of Joshua, herein called "City", and the Joshua Football and Cheer Association, herein called "Association". The City reserves the right to amend this document as necessary with the consent of the Association.

For and in consideration of the mutual undertakings herein set out, the parties agree as follows:

The Association utilizes public athletic facilities that are provided and maintained by, and at the cost of, the City. In return for the use of those facilities, the Association hereby agrees to abide by the following standards, requirements, and guidelines set by the City for all recreational youth sports. Failure to abide by these standards and guidelines could result in restriction of facility use and/or the cancellation of the Agreement.

At all times, the Joshua Parks and Recreation Department is responsible for administering City and Joshua Parks Department policies regarding all City-owned or leased parks and athletic facilities. The Joshua Parks and Recreation Department will take appropriate action regarding misuse of the facilities and/or misconduct by participants.

#### Section 1: Terms of the Agreement

Spring season will be defined as the period during the months of February through May, inclusive, during which teams are practicing or playing scheduled games, which period shall begin no earlier than one (1) month from the date of the first scheduled game and no earlier than February 1<sup>st</sup> and end no later than May 31<sup>st</sup> during the terms of this agreement.

Fall season will be defined as the period during the months of August through November, inclusive, during which teams are practicing or playing scheduled games, which period shall begin no earlier than one month from the date of the first scheduled game and no earlier than August 1<sup>st</sup>, and end not later than November 30<sup>th</sup> during the terms of this agreement.

Additional time and/or field usage may be permitted as mutually agreed upon by the City and the Association.

#### Section 2: Field Allocation

Both the City and the Association agree that these allocated fields are owned by the City and provided for the benefit of all citizens of Joshua. The City shall always maintain final approval over the use of these fields. The City reserves the right to use any field for other events or programs. The City reserves the right to change field or concession assignments.

#### Section 3: Facility Use Requirements and Rogue Play

The Association shall not assign this lease, nor shall it sublease or rent out any property of the City without prior written consent of the City in the form of a permit. This provision includes any practices, camps, scrimmages, tryouts and/or tournaments. Teams, whether recreational or select, must be registered as a member of the Association to receive game and practice privileges. Teams not registered with the Association should not be given practice or game privileges as this would be considered subletting the fields. Any other activities not described above may be presented to the Parks Manager for consideration.

The City reserves the right to utilize the facility(s) when league games are not scheduled. If the facility(s) is abandoned, the agreement is terminated. All final decisions concerning scheduling will be made by the City.

Due to the necessity of inter-league play to complete some leagues, the Association shall ensure that Joshua Association representatives are present during interlocking league games. The City reserves the right to require all schedules and rosters for non-Joshua residents and interlocking teams.

The City will have the final say on field playability, in its sole discretion. In certain situations, an Association representative will be called, and a joint decision will be made on site. Please see Section 4: Field Closure Procedures.

Driving a vehicle inside the athletic facilities and beyond designated roadways and parking lots is prohibited unless Association representatives are loading or unloading supplies.

#### During these situations:

- 1. Vehicles must remain on paved areas while in the facility.
- 2. Vehicles must immediately return to designated parking areas when finished.
- 3. Association activities such as practices and games may not be taking place.

The Association shall not perform any construction, maintenance, repair, or alteration to the facility (unless

permitted or required by this Agreement), without the prior written consent of the City. All capital and/or permanent improvements made to the facility shall become property of the City.

Association board members, commissioners, and staff are expected to enforce the City of Joshua's policy regarding playing on fields without a permit. If rogue play is seen, the violators should be asked to leave and told they are not able to use the fields without a permit. If violators refuse to leave, please call the Police dispatch at 817-556-6060.

The Association will adhere to all City and Joshua Parks and Recreation Department ordinances and policies.

The Association shall not engage in any business at the facility(s) or do anything in connection therewith which shall be in violation of any existing State or Federal law or municipal ordinances or use the same in such manner as to constitute a nuisance.

#### Section 4: Field Closure Procedure

#### Weekdays:

- Joshua parks staff will monitor field conditions and weather conditions throughout the day. If a
  decision on field status is made before 3:00 pm, Joshua parks staff will text appropriate Association
  representatives and City staff with that decision. The field status decision will remain in place until
  the field and/or weather conditions change.
- 2. If the Association representatives disagree with Joshua park staffs' decision, they are to contact Joshua parks on-call as soon as possible to meet on-site and discuss. (817-357-9802)
- 3. Field status decision is based upon field condition and/or current weather conditions.
- 4. The final decision on field status for the evening is to be made by Joshua Parks staff by 3:00 pm and put in the Field Status group text.
- 5. After 3:00 pm, it is the responsibility of the Association to close the fields due to field conditions and/or weather conditions.
- 6. It is the responsibility of each Association to notify its participants.

#### Weekends:

- 1. It will be the responsibility of the Association to monitor field conditions and weather conditions and close/open the fields due to field conditions and/or weather conditions. An Association representative will notify Joshua parks staff with that decision.
- 2. If Association representatives disagree on field conditions, they are to contact Joshua parks on-call as soon as possible to meet on site and discuss. The decision on the field status by the Joshua parks staff is final. The Parks and Recreation Department reserves the right to change the field status throughout the day based upon current field condition and/or weather conditions.
- 3. It is the responsibility of the Association to notify its participants.

#### Section 5: Concession Stands and Vendors

The Association may operate concession stands under the following guidelines:

- 1. If permanent City concession stands are available on the premises, they will be available to the Association that have games scheduled at the location.
- 2. The Association is only permitted to run a concession stand if it has a current signed Agreement in place with the City.
- 3. The City shall be responsible for:
  - a. Off-season winterizing of plumbing fixtures and cutting off all water and electricity inside the concession stand following the end of the fall season, or when freezing temperatures are prevalent.
  - b. Installation, maintenance, and service of telephones and alarm systems, if applicable.
  - c. Maintenance and repairs to the electrical and plumbing inside the building.
  - d. Maintenance and repairs to the outside of the building.
  - e. Adequate trash receptacles shall be furnished by the City.
- 4. The Association shall be responsible for:
  - a. Policing the area of all trash, garbage, paper, boxes, cartons, cans, containers, litter, etc., generated by the concession stand. The association will be responsible for placing any litter generated by the concession stand in the on-site dumpster.
  - b. Cleaning the concession stand and restroom at the end of each day's use. ensure the equipment is properly turned off and all doors are locked at the end of each day's use.
  - c. Inside the building to include fixtures, appliances, general cleanliness, and all equipment necessary for storage, preparation and serving food using appropriate food handling practices.
  - d. Security of the building by setting alarm systems, if applicable.
  - e. Contents of the building and to secure insurance for all contents owned by the Association.
  - f. Keeping on only the essential appliances during the season's non-use times. Only refrigerators and freezers (and not air conditioners) may always be left on. Ice machines shall be unplugged, and water lines unhooked during the off-season.
- 5. Non-compliance with concession and litter collection may result in forfeiture of concession privileges by the Association.

#### **Section 6: League Management**

The Association shall submit or have available online:

1. Full game schedules one (1) week prior to the first league game.

- 2. A copy of their most recent bylaws.
- 3. Names, position title, best contact phone number and email address of all officers and board members within two (2) weeks after election or appointment.
- 4. The Association shall collect a \$24.00 maintenance fee per player per season. Any team including "Select Teams" that are not a part of the Association may not use the fields unless a separate agreement with the City has been established. The maintenance fee must be paid to the City on or before the last day of the month prior to the first game of the season being played by the Association. The Association shall warrant to the City a list of the number of players, along with the player names participating in each activity and the number of players for which they have been admitted to the program or accepted a fee from for play.
- 5. In Addition, for tournament play, the Association shall pay to the City a fee of \$100.00 per team for any team that participates in tournaments scheduled at the Joshua City Park Facility. The City shall have the right to verify such reports by audit or examination of team rosters or other documents indicating the number of players participating in the Association activities.
- 6. Before practices or games can begin, the Association must have mandatory background checks completed on all board members, coaches, and referees/officials. All background checks will be submitted or otherwise made available to the City prior to any scheduled events. Background checks need to be completed annually.

To assure fiscal control, the Association will:

- 1. Keep all financial records in accordance with IRS regulation for 501(c)(3).
- 2. Submit documentation that verifies valid nonprofit or 501(c)(3) status. If an Association loses their nonprofit status from the IRS or State of Texas, the City must be immediately notified in writing. The Association must get reinstated no later than one (1) month prior to the start of the upcoming season, or the Agreement will be terminated.
- 3. If the Association's accounting practices are found to be fraudulent or mismanaged, the City reserves the right to suspend or cancel the Agreement.
- 4. The Association's budget and financial documentation may be requested at any time and will be sent to the Parks and Recreation department within three (3) business days of the request.
- 5. To ensure the City is a good steward with publicly funded fields, an independent financial audit may be conducted once per year of the Association's financial records.

End of Season Information (ESI) sheets will be sent to the Association at the completion of each agreement. ESI sheets are to be completed by the Association and returned to the Parks and Recreation Department within one (1) month of receiving the ESI. Once ESI sheets have been received by the Parks and Recreation Office, end of

season invoices will be sent to the Association.

A new agreement cannot be signed until the previous season is paid for and the Association is in good standing with the City.

The following requires written permission from the Joshua Parks and Recreation Department:

- Ability to charge a gate fee for entry into a City owned facility.
- Extend the light use within a City owned facility outside the hours of 5:00 a.m. to 11:00 p.m.

#### **Section 7: Association Meetings**

The Joshua Football and Cheer Association is an approved Youth Sports Association with a Facility Use Agreement in place with the City. The Joshua Football and Cheer Association and City staff will meet quarterly at a location to be announced by the City. At least one representative from the Association must be present at each scheduled meeting.

#### Section 8: Indemnification

The Association shall indemnify and hold harmless the City of Joshua, its agents, officials and employees, and any umpire or official from any and all claims for bodily injury, illness, death, personal injury, and property damage arising out of the activities of the Association and its members in exercising its rights under this contract. The Association shall provide the City with a copy of its policy naming the City as additionally insured at least one (1) week before practice begins.

The Association shall be required to carry commercial general liability insurance with bodily injury limits of not less than \$1,000,000 for each occurrence, and not less than \$1,000,000 in the aggregate, and with property damage limits of not less than \$250,000 for each occurrence, and not less than \$500,000 in the aggregate. It is also recommended that the Association purchase an accident policy with \$5,000 coverage to assist participants with minor medical bills.

During the performance of the Agreement, the Association shall maintain the above insurance with an insurance company licensed to do business in the State of Texas and must have an AM Best rating of at least A:VII...

#### **Section 9: Default**

A default of this Agreement shall result in the termination of this Agreement. Any termination of this Agreement will be made with a 30-day notice of the right to cure within ten days of the receipt of said notice provided however that if default endangers the safety of the public or any member thereof, or endangers the facility, notice shall be that which is practical under the circumstances and the cure time shall be as demanded. The following shall constitute defaults under this Agreement:

- 1. The failure of the Association to make any monetary payment required hereunder.
- 2. The violation by the Association of any rules of the facility or the terms of this agreement.
- 3. The Intentional destruction of any property.
- 4. Interference with the rights of other persons by the Association or its members and the failure to cure same.
- 5. Default of the Association under any other agreement between the Association and Type B Park Board and or the city.

#### Section 10: Risk of loss

- 1. The risk of loss to any property of the Association or injury to any member, invitee, or guest of the Association shall be borne by the Association.
- 2. The Association assumes all risk of playability and availability of the facilities. Any rain damage, wet fields, natural disasters or other stoppages of play or use of the facility and the risk thereof shall be borne by the Association.

#### **Section 11: Sponsor Signs**

Associations with a current Agreement on file with the City of Joshua will be permitted to post sponsor signs on allocated fields with the following guidelines: City ordinance {6.06.001-3.06.016}

- 1. City will review proposed sign content and have final approval prior to the production of the sign.
- 2. Sign content must reflect only individuals, groups, or businesses that are donating funds or other means of direct sponsorship support to the Association.
- 3. Signs must adhere to all City codes, including the Sign Ordinance {6.06.001-3.06.016}
- 4. Signs must be professionally lettered and of a neat and attractive nature.
- 5. Signs shall not contain any electronic messages, internal or external lighting or moving parts of any kind.
- 6. All sign installation methods and locations must be approved by the Parks Manager and will be performed by the Association.
- 7. The Association shall regularly inspect all signs for necessary repairs.
- 8. The City shall have the right to immediately remove any sign determined to pose an imminent risk of injury to a person, damage to property, or is deemed inappropriate.

#### Section 12: Exhibits

It is especially provided and agreed by and between the Association and the City that the exhibits hereto attached shall be part and parcel of this agreement as if set out in their entirety; said exhibits being:

1. Exhibit "A" - City-Owned Field Maintenance Agreement

#### **Section 13: Stipulations**

Outfield practices shall be prohibited during the 2024 spring season. This is to allow time for turf grass seed to germinate and become established during the beginning of the growing season. Outfield practices may be conducted in the open field areas of City Park outside of the fenced ballfield areas. Outfields may be used during normal season games only. The decision to resume normal use will be made by the Park Manager.

#### **Section 14: Signatures**

Any violation of any of the provisions of this agreement shall result in the termination of this agreement.

This agreement is made and entered into on this day of, 1st day of February 2024 and expires on the 30th day of November 2024.

#### Exhibit "A"

#### **City Owned Field Maintenance Agreement**

#### The City shall maintain and be responsible for the following:

- All turf areas include mowing, weed eating, fertilizing, herbicide applications and watering according to the standard athletic field maintenance schedule.
- All fences and gates, bleachers, and dugouts.
- Playing field lighting systems: Staff will check all field lighting systems to make sure lights are in working order at the beginning of each season. If lights need replacing during the season, the Association will need to notify the staff.
- Restrooms Staff will clean restrooms each weekday during the season. Staff will take care of minor building maintenance including clogged toilets and sinks.
- Bagged garbage Staff will remove all bagged garbage during normal business hours on weekdays from the receptacle to the large dumpster. Staff will be responsible for having the large dumpster emptied on a regular basis.
- Infield dragging and preparation Cut outs and base paths will be raked and/or dragged three (3) days a week (typically Monday, Thursday, Friday). Days may change due to schedules, maintenance, and weather.
- Pitching rubbers and home plates City will purchase pitching rubbers and home plates as needed. Additional ones will be purchased by the Association unless damaged by staff.
- Base hardware- The City will prepare all base inground hardware including base indicators/whiskers prior to the beginning of the agreed upon dates of the Facility Use Agreement.
- Scoreboards Staff will check all scoreboards for proper working conditions at the beginning of each season. If the lights need to be replaced during the season, the association will need to notify the staff.
- Staff will be available for a "workday" with the Association if needed. Dates and times will be coordinated between the staff and the Association.
- Staff will meet with the association 3-4 weeks prior to each season and two weeks after each season's completion to discuss any problems, questions, or suggestions.

#### The Association shall maintain and be responsible for the following:

- Marking and cutting field lines: Before each game or as needed.
- Litter Control: The Association will patrol and maintain all litter and garbage on fields, dugouts, concession stands, and grounds including the parking lot. All litter and garbage will be bagged up and taken to the trash receptacles at the end of each day's use. If litter and trash have not been properly bagged and placed in the onsite dumpsters the City will notify the Association. The association will have twenty-four (24) hours to correct the problem. If trash is not collected within twenty-four (24) hours the Association shall incur a service fee of \$25 per trash receptacle to the City, and \$75 per hour for City staff to remove the litter. Or the City will hire contract laborers and will charge the expense back to the Association.
- Concession stand area: The Association will clean the concession stand and restroom at the end of each day's use. The Association will make sure the equipment is properly turned off and all doors are locked at the end of each day's use.
- Hand raking cutouts and base paths: The Association will hand rake two days a week or as needed based
  on schedules, maintenance, and weather. The Association will make sure that raking will be done towards
  The bases and not away from the base into the grass to help prevent the build-up of "lip".
- Purchasing and storing all bases
- Bases: the Association will be responsible for all base maintenance including base indicators during the agreed upon dates of the facility use agreement.
- Pitcher mounds: The Association will work, rake, water and maintain all pitcher
  mounds at the end of each days use or as needed. Removable pitcher mounds will be
  stored on the infield or on a storage rack. Pitcher mounds may not be stored against
  any fencing, turf, or structure.
- End of the Facility Use Agreement: The Association will return the playing fields to the
  City at the end of the agreed upon dates of the Facility Use Agreement in similar
  condition as received at the beginning date of the Facility Use Agreement

## Joshua Police Department

#### January 2024

Officer Arron Russell was sworn in and began field training. Officer Robert Sanchez completed his field training program and was assigned to night shift. The police department has two remaining vacancies with several TCOLE certified applicants in the process to fill the remaining vacancies.

The command staff attended a school safety meeting with other law enforcement leaders and school district officials to discuss upcoming training and safety enhancements to school facilities. The police department, in conjunction with the Fire Marshal, installed Knox Box keys in all the marked patrol units. The keys will expedite entry into buildings for active threat events.

The police department, in conjunction with Johnson County Emergency Management, began preparation for the upcoming eclipse on April 8, 2024. The city should expect increased traffic on the days leading up to the eclipse and complete occupancy of area hotels and short-term rentals.

The police department was awarded a grant for the purchase of individual level IV ballistic vests. The vests will compliment the ballistic shields and door rams already in-service for use in active attack scenarios. Each sworn member will receive a level IV vest from this grant.

#### PERSONNEL & RECENT ACTIVITIES

Firefighter Nick Shotwell accepted the offer of career firefighter and began employment on January 9th. Nick is the second Joshua volunteer recruited for our team.

Captain Ronald Hale submitted his intent to retire on January 25th. Ron served with us since 2013. A small gathering to celebrate and recognize his inestimable service to the department is being planned.

Firefighter Justin Clanton and his wife Sierra celebrated the birth of their first child. William Casper Clanton was born on January 22nd. Welcome William!

Two new volunteers began service in January. Theodore Wetzel and Nicholas Vassion are eager and willing to serve and we welcome them.

Tanker 77 is now in service and responding to incidents. The "Push-In" ceremony took place on January 18th and was attended by City officials and neighboring fire department representatives from Burleson, Alvarado, and the ESD.

#### **EMERGENCY RESPONSE**

January was a busy month with 132 total incidents, February is beginning on the same track. We are still awaiting ESO technical support to provide guidance on data acquisition from the new software. The ESD is working to acquire that support for us..

#### FIRE INVESTIGATIONS

The Fire Marshal's Office is responsible for investigating fires that occur within the city limits of Joshua. In January the Fire Marshal's Office responded alongside Joshua Fire Department to the following reported fires.

#### 200 Santa Fe Street

01/11/2024 08:09 Structure Fire- Dispatched as a structure fire, callers reported smoke in the building. Upon arrival by fire crews there was no hazard found, believed to have been debris in the HVAC system.

#### 603 Country Club Dr.

01/17/2024 16:45 Structure Fire- Dispatched as a structure fire, fire crews arrived on scene and found no hazard. Believed to have been dust/debris in the HVAC system.

#### 165 Trailwood Dr.

01/26/2024 09:28 Structure Fire- Dispatched as a structure fire, Fire Marshal was first to arrive on scene and reported light smoke showing, smoke coming from the gables. PD on scene advised occupants were still inside gathering items. Fire Marshal entered the structure and assisted PD with instructing occupants to leave the structure. All personnel and occupants then exited the structure. Fire arrived on scene and began fire attack. Fire Marshal assisted as needed with operations and began documenting the scene by photograph. The fire was determined to be accidental.

#### FIRE ALARM ACTIVATIONS

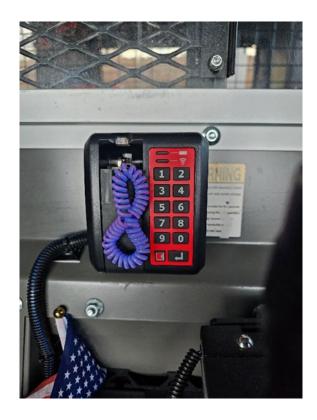

The Fire Marshal's Office responded to numerous commercial fire alarm activations due to inclement weather causing fire sprinkler pipe breaks, and the repairs of those affected systems.

#### **SPECIAL PROJECTS**

In January, upgrades to the *Knox Keysecure* system were completed. The *Knox Keysecure* is a piece of equipment that is installed in the fire department vehicles and securely holds the master key to all Knox products. Each user has a unique pin that will release the *Knox* key.

The *Keysecure* units that were replaced previously only existed in fire department vehicles. Those units were extremely outdated and no longer supported by *Knox*. The new *Keysecure* system includes all Fire Department vehicles and has been expanded to include Joshua Police Department patrol vehicles. Each patrol car now has a *Knox Keysecure* unit and master *Knox* key. Removal of the key is logged and a monthly audit is performed to record usage.

# Joshua Parks and Rec

**January 2024 Monthly Report** 

## **SPLASH PAD UPDATE**

The Parks Department excited to announce that the splash pad renovation project has started! The new surfacing was delivered to the Parks building.

The new features have been installed and the shade structures were delivered to the parks building at the beginning of February!

The Parks and Rec team is expecting the project to be completed early March.

## **FIELD UPDATE**

- The parks crew has treated for weeds on the fields.
- Fields have been aerated and prepped for grass seed.
- The concession building has been power washed and prepped to be painted.
- Minor fence repairs were completed.
- The crew is currently building new coaches' box outside the dugout areas.
- Irrigation has been repaired
- Fields have been seeded with new Bermuda grass.

# PARK UPDATES

A nature area was cleared, and a Ladybird Johnson native wildflower seed mix was planted to create a natural wildflower area. An additional area has also been cleared and Bluebonnet seeds were spread adjacent to the wildflower nature area.

Quotes are being obtained to have a split rail fence installed around the wildflower areas.

The crew has been power washing areas in the park in preparation for upcoming renovation projects.

Trees along the park entry drive have been trimmed /removed .

The crew has started an updated cleaning and maintenance schedule for care of the parks and city buildings.
