K. PUBLIC HEARING

4. **Ordinance 2024-25 An Ordinance Authorizing the Issuance of General Obligation Bonds in the Principal Amount of Not to Exceed \$12,750,000 to Finance Public Safety Communication Infrastructure within the City and Borough, and Submitting a Proposition to the Voters at the Election to Be Held Therein on October 1, 2024.**

This ordinance would send one general obligation bond proposition of up to \$12.75 million for the improvement of public safety communication infrastructure, including, but not limited to, replacing the outdated communication system with a system that will be Alaska Land Mobile Radio compliant. The current system is beyond its useful life and is experiencing dead zones and limited interoperability with other agencies. The total project cost is currently estimated between \$24 and \$25 million, of which the Assembly has already appropriated \$8.7 million of general funds and sales tax. An additional \$3.5 million is secured for this project via Congressionally Directed Spending and 1% sales tax.

The Assembly requested staff introduce an ordinance to submit a proposition to the voters on the October 1, 2024 election ballot during the June 3, 2024 Committee of the Whole meeting. The Assembly Finance committee reviewed this request at its May 1, 2024 meeting.

The Systemic Racism Review Committee reviewed this ordinance at its June 18, 2024 meeting.

The City Manager recommends the Assembly take public testimony and adopt this ordinance.

5. **Ordinance 2024-26 An Ordinance Authorizing the Issuance of General Obligation Bonds in the Principal Amount of Not to Exceed \$10,000,000 to Finance Wastewater Utility Infrastructure within the City and Borough, and Submitting a Proposition to the Voters at the Election to Be Held Therein on October 1, 2024.**

This ordinance would send one general obligation bond proposition of up to \$10 million for the replacement of the wastewater clarifier building at the Juneau Douglas Wastewater Treatment Plant, that services Thane, Downtown, and Douglas. The total project cost is currently potentially estimated to

be as high as \$14 million. Project costs exceeding the bond amount will be funded from Wastewater fund balance.

The Assembly requested staff introduce an ordinance to submit a proposition to the voters on the October 1, 2024 election ballot during the June 3, 2024 Committee of the Whole meeting. The Assembly Finance committee reviewed this request at its May 1, 2024 meeting.

The Systemic Racism Review Committee reviewed this ordinance at its June 18, 2024 meeting.

The City Manager recommends the Assembly take public testimony and adopt this ordinance.

6. **Ordinance 2023-14(b)(AK) An Ordinance Appropriating \$1,446,827 to the Manager for the Power Upgrades for Electric Buses Capital Improvement Project; Grant Funding Provided by the Alaska Department of Transportation and Public Facilities.**

This ordinance would appropriate \$1,446,827 to the Power Upgrades for Electric Buses Capital Improvement Project (CIP). The funds would be used to purchase and install two Pantograph Chargers and supporting infrastructure at the Valley Transit Center. The chargers would provide backup charging for the Bus Barn and enable mid-route bus charging capabilities, promoting EV bus route expansion while upholding schedule availability. Grant funding is comprised of Federal Transit Administration funds passed through the Alaska Department of Transportation and Public Facilities. The local match requirement of \$160,759 is being met by previously appropriated funds in the Power Upgrades for Electric Buses CIP.

The Public Works and Facilities Committee reviewed this at its June 3, 2024 meeting.

The Systemic Racism Review Committee reviewed this ordinance at its June 18, 2024 meeting.

The City Manager recommends the Assembly take public testimony and adopt this ordinance.

7. **Ordinance 2023-14(b)(AL) An Ordinance Transferring \$400,000 from CIP H51-113 Waterfront Seawalk to CIP P41-107 Homestead Park.**

This ordinance would transfer \$400,000 from the Waterfront Seawalk CIP to the Homestead Park CIP. Homestead Park is a prime location for cruise ship passengers to view and photograph their cruise ship with Mt. Juneau, the Gastineau Channel, and downtown as the backdrop. The Homestead Park project is reconstructing failing and outdated infrastructure at the park, constructing larger viewing areas, and improving ADA accessibility. This transfer would provide funding for unanticipated cost increases resulting from the most recent project estimate. Sufficient funds will remain in the Waterfront Seawalk CIP for anticipated work in the current and next phase of the project. The Homestead Park CIP is an eligible use of marine passenger fees.

The Public Works and Facilities Committee reviewed this at its June 3, 2024 meeting.

The Systemic Racism Review Committee reviewed this ordinance at its June 18, 2024 meeting.

The City Manager recommends the Assembly take public testimony and adopt this ordinance.

8. **Ordinance 2023-14(b)(AM) An Ordinance Appropriating \$36,712 to the Manager for the Construction Phase of the Float Pond Improvements Capital Improvement Project; Funding Provided by the Federal Aviation Administration (FAA) Airport Improvement Program (AIP) Grant.**

The Airport has been awarded an additional \$36,712 in grant funding from the Federal Aviation Administration for the Float Pond Improvements CIP. This award will increase the previously awarded \$2,254,418 under Ordinance 2022-06(b)(N) to a total award amount of \$2,291,130. This funding would contribute toward the construction of raising the existing roadbed, introducing a drainage ditch, armoring the pond bank with rock, and reconstructing fourteen floatplane dock headwalls. The local

match requirement will be provided by previously appropriated funds in the Float Pond Improvements CIP.

The Airport Board reviewed this request at its June 13, 2024 meeting.

The Systemic Racism Review Committee reviewed this ordinance at its June 18, 2024 meeting.

The City Manager recommends the Assembly take public testimony and adopt this ordinance.

9. **Ordinance 2023-14(b)(AN) An Ordinance Appropriating \$170,660 to the Manager for the Airport Snow Removal Equipment Building Capital Improvement Project; Funding Provided by Passenger Facility Charge Fees.**

This ordinance would appropriate \$170,660 of Airport Passenger Facility Charge (PFC) fees to the Airport Snow Removal Equipment Building (SREB) CIP. The SREB CIP constructed a large open-design garage to provide heated, indoor storage space for the airport's snow removal fleet. These PFC funds will reimburse amounts that were forward funded from other sources, which is typical for PFC collections that are appropriated upon receipt.

The Airport Board reviewed this request at its June 13, 2024 meeting.

The Systemic Racism Review Committee reviewed this ordinance at its June 18, 2024 meeting.

The City Manager recommends the Assembly take public testimony and adopt this ordinance.

10. **Ordinance 2023-14(b)(AO) An Ordinance Appropriating \$222,066 to the Manager for the Ramp Improvement Capital Improvement Project; Funding Provided by Airport Funds.**

This ordinance would appropriate \$222,066 to the Ramp Improvement CIP. This project is constructing a new remain overnight (RON) large aircraft parking ramp, rehabilitating deteriorating pavement for large and commercial aircraft parking ramps, repairing failing ramp drainage and catch basins, and upgrading ramp lighting. This appropriation will allocate local match funds for FAA grant funding.

The Airport Board reviewed this request at its June 13, 2024 meeting.

The Systemic Racism Review Committee reviewed this ordinance at its June 18, 2024 meeting.

The City Manager recommends the Assembly take public testimony and adopt this ordinance.

11. **Ordinance 2023-14(b)(AP) An Ordinance Appropriating \$34,367 to the Manager for the Airport Master Plan Capital Improvement Project; Funding Provided by Sales Tax Funds.**

This ordinance would appropriate \$34,367 of 1% sales tax funds to the Airport Master Plan CIP. This funding will contribute toward the preparation of an updated airport master plan, which will include updates for air traffic, cargo, and passenger data and forecasts; changes to proposed aircraft servicing the airport; and layout plans for future expansion of runway, taxiway, and approach corridors. The 1% sales tax funds appropriated in this ordinance were allocated to the Airport in FY18 but weren't appropriated until federal grant match was needed. This ordinance appropriates the remaining amount from the Airport's FY18 1% sales tax allocation.

This appropriation is consistent with the intent of the 2017 1% Sales Tax initiative approved by voters in the October 3, 2017 municipal election.

The Airport Board reviewed this request at its June 13, 2024 meeting.

The Systemic Racism Review Committee reviewed this ordinance at its June 18, 2024 meeting.

The City Manager recommends the Assembly take public testimony and adopt this ordinance.

M. NEW BUSINESS

13. **Ordinance 2024-09 An Ordinance Amending the Parking Notice Requirements, Parking Management Advisory Committee, and Penalties Related to Parking Violations.**

With the new parking management system installed in the CBJ parking garages, CBJ staff has identified a need for parking code amendments that would do three things. First, this ordinance would repeal the requirement to have a Parking Management Advisory Committee, which has not met for a number of years. Second, this ordinance would repeal an outdated and inconsistent 1971 law (CBJC 72.22.045) that requires parking tickets to be placed on a car. Since 1971, Alaska law (Civil Rule 4(h)) and CBJC 03.30.075(b) have been amended to allow parking tickets to be served via certified mail or by placing the ticket on the vehicle. Third, this ordinance would create a tiered parking penalty structure in the parking garages because the existing \$25 parking penalty is not enough of a deterrent for rental car companies illegally occupying spaces.

The City Manager recommends the Assembly introduce this ordinance and set it for public hearing at the next regular Assembly meeting.
