We would like to acknowledge that the City and Borough of Juneau is on Tlingit land and wish to honor the indigenous people of this land. For more than ten thousand years, Alaska Native people have been and continue to be integral to the well-being of our community. 4. **Ordinance 2024-31 An Ordinance Amending the Official Zoning Map of the City and Borough by Rezoning 12400 and 12410 Glacier Highway from D1(T)D3 to D3.**

At the Regular Planning Commission meeting on June 25, 2024, the Commission voted to recommend approval of a rezone of 1.96 acres from D1(T)D3 to D3 on Glacier Highway west of Auke Bay (12400 & 12410 Glacier Highway). This is an expansion of the D3 zoning district directly south across Glacier Highway. Transition zones are intended for higher density development after public water and sewer have been provided in accordance with CBJC 49.70.700(a). These properties have public water, but not public sewer. The Commission determined that the upzone is in character with parcels in the area that are of comparable size and use that are zoned D3. If zoned D3, these properties could not be subdivided under current code (CBJC 49.35.210(b)(3)). However given the D3 dimensional standards, the properties could accommodate two single-family dwelling units.

The Manager recommends the Assembly approve the rezone.
