## Youth Activities Board Meeting

October 8<sup>th</sup>, 2024 at 5:30 p.m.

City Hall, Room 237

Zoom : <https://juneau.zoom.us/j/85965040387?pwd=US5X6aqBPI2dLm6iJD0RjvSCaqYhbF.1>

### Agenda

- I. Roll Call**  
Present: Tom Rutecki, Bonita Nelson, Valerie Peimann, Kristin Hochstoeger, Josh Anderson, Phillip Huebschen. Absent: Elizabeth Balstad
- II. Approval of Agenda - approved**
- III. Public Comments on non-agenda items - NA**
- IV. Approval of Minutes - approved**
- V. Old Business - NA**
- VI. New Business**
  - a. Creation of Youth Activities Board handbook – Bonita Nelson  
Ms. Nelson will lead the charge to create set instructions, as there is a history of things not being written down. The subcommittee did analysis for over three years and found scoring for grants wasn't clear. Because of high turnover, new board members don't always know how scoring is done. There is a bias toward larger groups and smaller groups do not receive as much money. Subcommittee will continue to refine the criteria for judging.
  - b. Survey for grantees – Lovejoy has created a survey for previous recipients; will go out in 2025
  - c. Discussion on CBJ's Annual Legislative Capital Priorities list - NA
  - d. YAB Calendar – timeline looked at by the board and agreed to with the finance committee meeting date TBD
  - e. Youth Activity Board seats – 2 vacancies
  - f. Sub-Committee update
- VII. Liaison Reports**
  - a. PRAC – New members were appointed. The board reviewed the Legislative Capital Priorities list and voted to support State Park and Lemon Creek initiatives. Motioned to use grant fund money to repaint the exterior of the Jensen-Olson Arboretum exterior. This was forwarded on to the assembly
  - b. JAHC – Wearable Arts was a big success; Auk Rock planning for 2025 has begun. There will be a membership meeting 10/9/24. Season 51 is about to start and the Capital Civic Center project is ongoing.
- VIII. Board Comments – Welcome to our new members**
- IX. Next Meeting – 11/12/24**
- X. Adjournment – motioned by Valerie Peimann**

Youth Activity Board Users Manual October 8, 2024 Bonita Nelson

Why? Document YAB protocols and provide easy access to documentation for YAB

**History of the YAB grant proposal and scoresheet revision.**  
(BN Sept 2023)

Beginning in FY 16, the YAB began a review of the YAG score sheet, the clarity of the instructions, and an analysis of the reviewer scores for each scoring committee. This was motivated by the need to document institutional knowledge from board members, a recognition that the Resolution establishing the YAB and YAG priorities for scoring were not adequately represented on the score sheet, and the realization that board members had differing criteria for assigning point values to categories.

A review sub-committee, consisting of experienced and new board members 1) revised the score sheet to align the point values of categories to the 13 priorities listed “in order of importance” in the Resolution and 2) began editing the RFP instructions (section B) for clarity and adding scoring criteria to qualitative and quantitative categories. The subcommittee did not rewrite the RFP nor did they change the scoring committee structure. The subcommittee was in effect for a year. After FY16, the YAB has annually made minor edits to the RFP.

The total point value of the score sheet was lowered from 257 points to 150 by assigning new point values for categories while ensuring that the Resolution’s priorities were followed.

Additionally, the YAB began dedicating one meeting annually to provide the public with information (using a power point presentation) about the score sheet, the scoring criteria and clarification made in the RFP instructions. Comments and suggestions from organizations and board members are always discussed after each scoring cycle and are used to edit the RFP as necessary.

An ongoing process of clarifying what types of expenditures are and are not allowable for funding according to Resolution of CBJ Serial No 2820 occurs during each review cycle. These protocols are voted on at meetings but are only documented in the meeting minutes and with institutional knowledge. A YAB

user's manual will document these protocols and provide examples from grant applications.

In (FY24) YAB established a subcommittee to clarify specific terms and definitions that came up during discussions with the board over the previous two years regarding allowable expenditures. New clarifications concerning "special events" and "special instructors" were the major topics of discussion.

Documentation of items deemed not fundable and not fundable have been presented at funding meetings. This subcommittee met twice.

**Scoresheet Revision** The current scoresheet has a negative bias toward smaller organizations and the verbiage of categories established by the YAB (not the 13 mandates from the CBJ Resolution) have not been reviewed in several years. YAG organizations have evolved over the years especially concerning safety protocols. A review of the YAB established categories of the scoresheet is warranted.

2025 WSR Speedo Sectionals Championship
Please explain your need for contingency funds and what makes this an unanticipated event.
<p>Dear Youth Activities Board,</p> <p>We sincerely request that the Zach Gordon Youth Services financially support Amy Liddle to attend the WSR Speedo Sectionals Championship swim meet in Boise, ID from March 13th to 16th, 2025.</p> <p>Amy Liddle is currently a sophomore at Juneau Douglas High School. She has been one of Alaska's top swimmers since she broke all 10 swim records for an 8 year old at Glacier Swim Club. She has continued to break more than 20 records at Glacier Swim Club and Thunder Mountain High School. Additionally, Amy finished first place in the 200 Freestyle and 2nd place in the 500 Freestyle at the 2024 Alaska High School Swim State Championships last November. Not only is she very successful in swimming, but she is also academically successful with grades of A and A+ for all years at Juneau School District. We have always financially supported Amy's accomplishments in both school activities and swim championships.</p> <p>Last summer in August, our house (9351 Rivercourt Way) was impacted by the Glacial Outburst Flood. We have contacted some contractors and received estimates for repairs in the ballpark of \$40,000. All the contractors in Juneau are very busy with other flood-damaged houses before winter time. We are now scheduled to begin work on our house next spring in 2025. Right before Christmas, we received CBJ's assessment that asks us to pay \$6,292 for the Local Improvement District (HESCO barriers along Mendenhall the river for advance flood fighting). Our family will have to pay about \$50,000 in total just to make our house safe to live next spring 2025.</p> <p>The WSR Speedo Sectionals is a championship swim meet for the best 15 and older swimmers from the 17 western states. Amy has just turned 15 years old in October and already has four qualifying times in the events 200 Freestyle, 100 Butterfly, 200 Individual Medley and the 400 Individual Medley. GSC coach Scott Griffith advised us that Amy should go to Speedo Sectionals next spring. Since our upcoming</p>

expenses are more towards to our house priorities, Scott encouraged us to apply for Zach Gordon Youth Center for financial support because GSC could not.

Below is a budget for Amy's travel expenses in the total of \$2587.80

- 1. Meet Entries Fees \$167 (meet surcharge + per individual event entry)
- 2. Round trip airplane tickets Juneau - Boise \$710.41
- 3. Hotel in Boise: \$860.61 (Hampton Inn)
- 4. Car Rental: \$400.78
- 5. Speedo Tech Swimsuit (required): \$449

We would be very grateful if the Zach Gordon Center Youth Contingency Grant sponsors Amy Liddle's travel expenses to Boise ID next March 2025. Please feel free to contact us if you need any further information. We are looking forward to your response.

Best Regards,  
Joe & Melinda Liddle
