Board, Commission, Committee

Eaglecrest Board

Current of Prior Experience on CBJ Boards/Commissions/Committees

Current board member and head of HR Committee, Eaglecrest Board

Reasons for Applying

I am deeply passionate about Eaglecrest as a resource for our community and conduit to access our amazing natural resources. I live here in no small part due to EC and have a strong vested interest in its success, stability, and growth. I am very proud of the work that EC employees do and wish to support their continued work.

Qualifications

I have worked in HR for a decade in various positions including hiring, employment investigations and decisions, and strategic planning. I have worked in relatively small government bodies as small and large businesses. I am also a life-long skier.

Civic Activities, Memberships or Non-profits Involved With
Travel Juneau Volunteer since 2021

Section E, Item 3.

Working with a Group

If a decision is important enough, and a group is healthy enough, there are always going to be diverse and conflicting perspectives. The most important pieces of working through dissenting perspectives are honesty, psychological safety, respect, and a mutual understanding of the shared positive goal. I try to enter contentious conversations with humility to learn from others as well as confidence in what perspective I need to share, staying wedded to the larger outcome without focusing on my initial assumption 'wining'. There are absolutely times when my perspective changes; I also will not shy from sharing my impressions in a kind and firm way. I am used to (from my work experience) and enjoy working with groups with significant diversity in background, professional training, responsibilities, age, gender, and ethnicity.

Eaglecrest Board

Current of Prior Experience on CBJ Boards/Commissions/Committees

Three 2-year terms as a board member at Juneau Economic Development Council.

Reasons for Applying

I spend a lot of time at Eaglecrest -- I have two kids on ski team and all four members of my family are regular season pass holders. I think the ski area adds incredible value to life in Juneau. I am also excited about Eaglecrest's goals to increase self sufficiency by expanding access and offering a wider variety of activities in all seasons. At the same time, these goals will be difficult to achieve. As CFO for Juneau's electric utility I have a good understanding of what it takes to finance large construction projects and stay on track to meet fiscal goals, and I think my experience in these areas will be a good addition to the board.

Qualifications

Please see attached resume.

Civic Activities, Memberships or Non-profits Involved With

Treasurer, Coastal Alaska Avalanche Center
Vice president, Develop Juneau, Inc.
ARECA Insurance Exchange budget and audit committee member
Former treasurer and board member, Juneau Economic Development Council
Former vice chair and board member, Aukeman Triathlon

Working with a Group

I have extensive experience working with diverse groups to achieve complex goals. My basic approach is to listen actively, communicate respectfully, practice empathy, and to stay focused on meaningful goals.

Please explain, with specificity, your reasons for applying to serve on this particular board.

Originally from Anchorage, I moved to Juneau in 2016 and discovered Eaglecrest. With 10 years' experience in Finance and Accounting, I spend my free time skiing and enjoying the incredible access from the Eaglecrest parking lot. Over the years I have formed a strong attachment to the mountain and the people who make it possible to provide lift access skiing and off-season recreation. If there was ever an opportunity to serve on the Board of Directors, I would leap at the chance. I am a very curious person with a professional approach to adversity. I have served on non-profit boards and really enjoy the engagement and discussion that comes from resource management. Please consider my application for an open board position, and thank you for your time.

Eaglecrest Board

Current of Prior Experience on CBJ Boards/Commissions/Committees

Downtown Business Association, 2017-2018

ATIA Juneau Chapter Member, 2017-2018

Reasons for Applying

I am applying to bring ski industry expertise and institutional knowledge to the Eaglecrest board. I believe the assembly should prioritize these attributes when evaluating the board applications due to Eaglecrest's ongoing staffing challenges, turnover, and current board members' experience gaps. Additionally, I want to contribute my skills in marketing, communications, business development, project management, and event production. I want to bring stability, productivity, and leadership to the board and instill trust within the entire community - skiers and non-skiers. I want the ski area to sustain itself and thrive as a community asset. I moved to Juneau specifically for work at Eaglecrest. I didn't think I'd stay here forever, but the ski area and Juneau charmed me. It's closing in on ten years. I can't imagine leaving! Eaglecrest is the driving force that keeps me rooted in Juneau. I want to help it last for generations to come.

A bright economic future for Juneau isn't a known certainty. Alaska Department of Labor projects Juneau to lose another 1,350 people by 2035 with the average resident aging from 39 to 43 years old. I believe it is essential to invest in community amenities that make Juneau a more desirable place to live and raise a family or else we risk losing our (tax base) vibrant future. I am encouraged to hear the city and board affirm their commitments to Eaglecrest's year-round development so the whole community, not just [primarily] winter skiers, can enjoy our mountain paradise. I believe Eaglecrest can be our city's best amenity to retain and recruit residents! I would be proud to lend my experience working at Eaglecrest and in marketing to help Juneau into a more certain future.

Qualifications

I have worked in the ski industry for over ten years. After graduating from the University of Michigan, I moved west to be an entry level employee (ski bum) in guest services at Alta Ski Area. In 2015, I moved to Juneau to work at Eaglecrest as marketing coordinator, which was a 9 month position. I stayed in Juneau, but returned to Eaglecrest in 2018 for three more years as marketing manager, where I was an active and engaged leadership team member. I went on to be managing director of a commercial film company specializing in the tourism and ski resort industries.

I know the ins and outs of ski area administration, marketing, and operations. I actively follow industry news and trends in North America and beyond. I have Eaglecrest line item expenses, revenues, and sales figures imprinted in my memory. I've presented at board meetings and public events. I've attended dozens of Eaglecrest board meetings over the years, and know how to contribute productively. As a marketer, I intimately know what motivates Eaglecrest's core users and what converts non-skiers. I have a successful track record of inspiring independent travelers to Eaglecrest. I've helped build public consensus around hot topic issues. I'm familiar with city's budgeting process and Eaglecrest's reports. I designed the website from scratch with the help of CBJ's Dan Coleman. I developed the ski area's successful pass partnerships w/ Indy, Freedom, and Powder Alliance, and independent resorts. I'm pretty confident I can still run the point of sale system. I can help.

I've transitioned my career away from marketing/advertising and into community development. I'm now working at Southeast Conference and making great connections throughout the region. I'm confident my old and new careers will make me an effective board member.

Civic Activities, Memberships or Non-profits Involved With

Formerly employed at Juneau Economic Development Council

Working with a Group

I believe any group must approach each other with mutual respect and kindness more than anything else. With that as a foundation, it's so important to work through diverse and sometimes conflicting perspectives. It's also important to start with your group finding common ground and working towards shared goals. I try to approach group work with a solutions-oriented mindset, where we collectively evaluate options, leveraging our diverse viewpoints and expertise to arrive at the best possible outcomes. Funnily enough, a lot my thoughts on teamwork are informed from my experience playing basketball. I've been on teams stacked with the best talent in the gym, but lost because of division, selfishness, and pride. I've learned how to read teammates to work well together and make myself available to them. A lot of this is through active listening to get on the same page.

If appointed to the board, I would advocate for a facilitated board orientation / strategic planning session, hopefully in August or September. Because of the amount of intense work ahead with the gondola project and staffing, I believe it would be reasonable and beneficial for the board to get familiarized and aligned before the annual retreat in October.
