Public Request for Consent Agenda Changes, Other than Ordinances for Introduction

Assembly Request for Consent Agenda Changes

Assembly Action

Ordinances and Resolution for Introduction:

1. Ordinance 2025-01 An Ordinance Appropriating Funds from the Treasury for FY26 City and Borough Operations.

This ordinance appropriates \$536,715,800 in expenditure authority for the City and Borough of Juneau's FY26 operating budget, excluding the School District. This ordinance appropriates all transfers between funds that support operations, debt service and capital projects as well as the associated expenditures within the funds themselves.

This ordinance also recognizes \$517,079,600 of forecast revenue and transfers-in and decreases fund balances, across all funds, by \$19,636,200. The forecast revenue and draw from fund balance are sufficient to fund the budgeted expenditures. Budgeted expenditures and revenues will be reviewed in detail with the Finance Committee during the budget process in April and May.

The Charter requires that a public hearing be held on the FY26 operating budget by May 1, 2025, and the ordinance be adopted by June 15, 2025.

The City Manager recommends the Assembly introduce this ordinance, refer it to the Assembly Finance Committee for further review, and set it for public hearing at the Special Assembly Meeting scheduled for April 30, 2025.

2. Ordinance 2025-02 An Ordinance Appropriating Funds from the Treasury for FY26 School District Operations.

This ordinance will appropriate to the School District an FY26 operating budget of \$94,977,500. This is an overall increase in the budget of \$9,580,100 from the FY25 Amended Budget. The FY26 school budget is supported with a combination of funding sources including CBJ local funding of \$37,044,700 and state and federal funding of \$49,011,800. The local funding consists of \$35,004,700 for general operations and \$2,040,000 for programs and activities not subject to the state funding cap.

State statute requires the Assembly to determine the total amount of local educational funding support to be provided and provide notification of the support to the School Board within 30 days of the School District's budget submission. To meet this timing provision, it is necessary for the Assembly to determine the amount of funding and provide notice in the month of April. This amount cannot subsequently be reduced, unless the amount exceeds the State funding cap, but it can be increased. If the Assembly does not set the amount and furnish the School Board with notice within 30 days, the amount requested by the School District is automatically approved. By Charter, the Assembly is required to appropriate the School District's budget no later than May 31, 2025.

On April 30, 2025, a meeting is scheduled for the Assembly to state, by motion, the amount of local funding to be provided to the School District.

The City Manager recommends the Assembly introduce this ordinance, refer it to the Assembly Finance Committee for further review, and set it for public hearing at the Special Assembly Meeting scheduled for April 30, 2025.

3. Ordinance 2024-03 An Ordinance Establishing the Rate of Levy for Property Taxes for Calendar Year 2025 Based Upon the Proposed Budget for Fiscal Year 2026.

This ordinance establishes the mill rates for property taxes for 2025, which funds a significant portion of the City and Borough of Juneau's FY26 operating budget. The Charter requires the Assembly to adopt, by ordinance, the tax levies necessary to fund the budget before June 15.

The mill levies presented in this ordinance support the Manager's FY26 Revised Budget that will be reviewed by the Assembly Finance Committee (AFC). As part of the budget review process, the AFC reviews, amends and recommends to the Assembly the final mill levies.

For FY26, the operating mill rate is proposed to increase 0.15 mills for a total proposed mill levy of 10.19 mills, the components of which are:

FY2026 Proposed Mill Rate

Areawide: 6.35 (an increase of 0.15 from FY25 Adopted)

Roaded Service Area: 2.45 (flat from FY25 Adopted)

Fire Service Area: 0.31 (flat from FY25 Adopted)

Debt Service: 1.08 (flat from FY25 Adopted)

Total FY26 Proposed Mill Rate: 10.19 (an increase of 0.15 from FY25 Adopted)

An opportunity for public comment on the proposed mill rate will be provided during the Special Assembly meeting on April 30, 2025.

The City Manager recommends the Assembly introduce this ordinance, refer it to the Assembly Finance Committee for further review, and set it for public hearing at the Special Assembly meeting scheduled for April 30, 2025.

4. Resolution 3090 A Resolution Adopting the City and Borough Capital Improvement Program for Fiscal Years 2026 through 2031, and Establishing the Capital Improvement Project Priorities for Fiscal Year 2026.

This resolution would adopt the Capital Improvement Program (CIP) for Fiscal Years 2026 through 2031, as required by Charter Section 9.4, and lists the capital projects that will be initially appropriated by ordinance in FY26.

The Public Works and Facilities Committee reviewed the preliminary CIP at its March 17, 2025 meeting and forwarded the plan to the Assembly.

The City Manager recommends the Assembly introduce this resolution, refer it to the Assembly Finance Committee for further review, and set it for public hearing at the Special Assembly meeting scheduled for April 30, 2025.
