Subject: Initial project list and methodology
Date: Wednesday, August 30, 2023 9:55:54 AM

Following up on yesterday's meeting, below listed are areas of interest to the committee and my recommendation on how to proceed. I don't believe we have a record of what occurs during meetings other than the actual tape. Therefore, decisions and priorities get lost.

Land transfer – List land transfers during last 3 years with identities of parties involved and vehicle of conveyance

Budget – Pick an item from budget to analyze.

Housing – Obtain summary of Juneau housing policy if there is one.

public transportation – Obtain summary of Juneau public transportation policy. If there is one

police policy –

I submitted original memo 12/1/22. My initial recommendation was to look at CBJ ELECTION PROCESS. Initial analysis determined that the election process is well documented. Recommended analysis is:

Analyze/summarize current state of subject.

Give 2 specific examples.

Recommend changes

Estimate effect.
