Re: Request to implement changes to Personnel Rules

---

With the recent implementation of the three-year collective bargaining agreements for the employees represented by the Public Safety Employees Association (PSEA) and the Marine Engineers Beneficial Association (MEBA), along with recent changes to State of Alaska pay policies related to attorneys, we are presenting the following changes to the City and Borough of Juneau Personnel Rules. The relevant Personnel rules are attached with the additions and subtractions noted. We have provided a brief summary of the proposed changes below.

## **4 PR 015. Eligible Lists**

On a limited basis, the City and Borough of Juneau uses an eligibility list process to fill positions. Once an eligibility list is established, there are a limited number of situations under which a department director may remove a name from the eligibility list. This proposed change allows a director to remove a current employee from the eligibility list if their performance becomes less than fully acceptable or they engage in misconduct prior to the appointment to a position.

## **11 PR 055. Banked Medical Leave**

There are a small number of current employees who still have a Banked Medical Leave balance. This leave bank was formed with the CBJ converted to personal leave. Over the years, through attrition, the number of employees to which this provision applies has decreased significantly. The proposed changes increase the flexibility under which the Banked Medical Leave can be used in an effort to sooner eliminate this rule.

## **18 PR 007. Attorney Pay Premium.**

This additional Personnel Rule relating to pay for attorneys is being proposed in response to a recent State of Alaska action to increase attorney pay for state employees by 15%. In order to remain competitive as a public employer in Juneau for attorneys, we are proposing that the CBJ also increase pay for our employed attorneys. After a comparison of the CBJ attorney salaries to what the State of Alaska attorney salaries will be after the 15% increase, we believe that the percent increases for each pay step will allow the CBJ to keep our pay competitive with the Juneau public sector attorney market. If this change is implemented, we estimate that the total

increase in salaries for the current employed attorneys will be \$75,000 with an average increase of \$15,000 of annual salary for attorneys. Note that this new proposed personnel rule does not apply to the City Attorney because that position is completely exempt from the personnel rules.

**18 PR 027. Health Benefits and Employee Wellness**

This proposed change is being implemented concurrent with similar new language in the MEBA contract to make clear that a part time employee can use personal leave to pay the prorated portion of the employer health insurance contribution.

**18 PR 035. Tool Allowance**

This proposed change is a “housekeeping” change that clarifies the language of the rule and provides that the Emergency Program Manager is eligible for a \$1500 a year allowance if required to use his/her personal snow machine to perform work duties related to the avalanche program.

**18 PR 065. Police Certification Pay**

This proposed new personnel rule will provide the intermediate and advanced police certification pay that was recently approved for bargaining unit employees at the Juneau Police Department to the non-represented command staff. This language is being proposed to enhance recruitment and retention of leadership at JPD. We estimate this will increase total salaries for command staff at JPD by approximately \$24,000 per year, with an average salary increase of \$4,700 for command staff.

**Conclusion and Request for Action:**

We recommend that the Human Resources Committee approve these changes to the personnel rules and forward to the Assembly the draft changes so that a resolution incorporating these changes can be placed on the consent agenda of the August 29, 2022 Assembly meeting.

(2) If there are no employees with preferential appointment rights to the job classification, an offer of appointment will be made first to that person with the highest score on the eligible list;

(3) Eligible lists may remain in effect no longer than 2 years from the effective date of the list.

(b) To maintain an adequate pool of eligibles, the department director may combine a new list with an existing list. Eligible lists may only be combined if the same examination procedure is used to compile each list. If a different examination is used, applicants on the existing list must take the new examination to be placed on the new list.

(c) If the same examination procedure is used to compile each list, applicants remaining on an active eligible list will be re-ranked into the new eligible list based on their existing scores. An applicant may re-test if he or she so chooses; however, the applicant's ranking on the eligible list will be based on the updated score.

(d) The department director may remove names from eligible lists for any of the following reasons:

- (1) Failure to respond to a written inquiry on availability for appointment within 10 days, or upon return as undeliverable a properly addressed letter;
- (2) Refusal to accept appointment;
- (3) Failure to report for duty at the time prescribed; or

(e) The department director may return a name to an eligible list when removal from the list was because:

- (1) The candidate failed to respond to a written inquiry; or
- (2) The candidate refused appointment. *(Res. No. 2370, 2006)*

(a) The CBJ provides a tiered health insurance employee benefit to eligible employees. Eligible employees pay, by payroll deduction, any difference between the CBJ's contribution and the amount required to provide the coverage elected by the employee under the tiered benefits program.

(1) Effective July 1, 2022, the employer's contribution rate shall be \$1,533.00 per month per full-time, eligible employee.

Effective July 1, 2023, the employer's contribution rate shall be up to \$1,610.00 per month, per full time, eligible employee.

Effective July 1, 2024, the employer's contribution rate shall be up to \$1,690.00 per month, per full time, eligible employee.

(2) Effective with the first full payroll in July 2013, employees who participate in the Healthy Rewards program will receive a \$50.00 per pay period reduction in their health insurance premium contribution rate. Participation will be tracked on a yearly basis and the premium reduction will be effective the next plan year. For example, participation in plan year 2012 would result in a premium reduction for plan year 2013.

(3) The criteria established for the Healthy Rewards program is subject to modification by the Human Resources and Risk Management Office, in consultation with the Health Benefits Committee.

(4) The eligibility of the employees and their dependents for coverage and the precise benefits to be provided shall be as set forth in the three-tiered insurance benefit plan written and maintained by the City and Borough for that purpose.

Eaglecrest limited positions are not eligible to participate in the health insurance plan.

(c) When an employee leaves employment due to termination, resignation or lay off, health insurance coverage ends at 12:01 a.m. on the day following the last day of pay status.

(d) When an employee is on Leave Without Pay while on Family/Medical Leave, the provisions of the Family/Medical Leave policy which maintain health benefit coverage remain in effect and the employee contribution remains unchanged.

(e) The CBJ maintains a Health Benefits Committee, which is made up of designated union members and unrepresented employee members. The Committee will meet at least quarterly to review progress of cost containment efforts, review the administrative company's performance and offer suggestions regarding other options concerning employee health insurance. The Committee

will develop checks and balances on plan adjustments with the goal of maintaining the relative cost and value of the tiers. This committee may also develop, implement and evaluate Wellness Program activities and services and review the effectiveness of the Employee Assistance Program. The Health Committee will review the health benefit costs at its quarterly meetings and make recommendations to the parties that address increased costs.

(f) The CBJ shall pay not less than \$12.80 per full time employee per month to fund a Wellness Program in order to promote education about healthy lifestyles.

(g) Employees who are placed in furlough status on a reduced workweek or workday basis shall not be required to pay a prorated portion of the Employer's health insurance contribution rate provided the employee continues to work a minimum of 60 hours per pay period. The tool allowance will be prorated according to the employees anticipated work schedule, e.g, a seasonal employee who is budgeted to work for 7 months will receive 7/12 of the total relevant allowance.
