The Urban Forestry Inflation Reduction Act (UF IRA) Grant program uses federal funds to support projects that positively impact trees and people within disadvantaged communities in Wisconsin. Grants range from \$1,000 to \$500,000 and require no match. Projects must take place in or benefit people living in disadvantaged communities. Opportunities for the City include Grignon Park, Strassberg Park, LaFollette Park, and 2024 Paving Project. Grant projects may cover a duration up to 3 years from the project start date. Federal grant dollars are subject to the Code of Federal Regulation (CFR). Discussion held and questions answered.

c. 2024 Slow Mow Summer.

In 2023, the City stopped promoting “No-Mow May” and began to promote different ways to help pollinators with a more holistic approach called “Slow-Mow Summer”. Ways to participate include decreasing the amount of times grass is cut, planting flowers and native plants; especially plants that flower early in the season, increasing mower height to highest setting,

and reducing pesticide use. These actions not only help pollinators like bees and butterflies, but they are also important stormwater management practices. Slow-Mow Summer actions help create lawns that require less chemicals, promote more infiltration, require less watering, and help keep pollutants out of our rivers and lakes. We are again recommending the City encourages residents to participate in Slow-Mow Summer, promoting pollinator friendly actions that anyone can take part in to create pollinator friendly yards.

Motion by Coenen, seconded by Kilgas to direct staff to continue promoting the "Slow-Mow Summer" program and participate in City parks and open spaces.

All Ald. present voted aye.

Motion carried.

Street Superintendent Van Gompel stated crews collected 11.3 tons of tires during tire collection week. Today is the first day of large and irregular collection with the 5 item limit. Street Department Operators Josh Karl and Kyle Rich went to Park Community Charter School to show students large equipment. This went very well.
