Proposed changes to the code include removing garbage and recycling from the regular allowance at the disposal site and adding special drop-off dates for the same for card holders. Discussion was held and questions answered. Alder Moore asked for clarification whether grass clippings can be included with leaf pickup and also to clarify that Christmas tree collection does not include artificial trees. Alder Moore also asked that fees and penalties be set up with specific amounts for first offense, second offense, etc. Alder Kilgas asked if the Municipal Disposal Site fob price will be altered with the proposed changes to the disposal site.
