a. Special Assessment Public Hearing for Project 1-25 - 2025 Concrete Street Paving.

DPW Engineer Neumeier gave a presentation on Project 1-25 – 2025 Concrete Street Paving. Discussion held and questions answered.

Chair Thiele declared the Public Hearing open and asked if anyone in the Council Chambers wished to address the Board of Public Works regarding Project 1-25, 2025 Concrete Street Paving.

Weston and Jacklyn Shelter, 2301 Campfire Court, Kaukauna, are on a corner lot and expressed concern over how much they are being assessed for this project.

Asking two more times if anyone else wished to address the Board, no one appeared, Chair Thiele declared the public hearing closed.

b. Recommend award of Project 5-25 - Strassburg Park Playground.

Staff is proposing playground updates, evaluating potential layouts, and different equipment/amenities available for Strassburg Park. Five vendors submitted a total of eight designs for consideration. Five staff members individually scored the proposals for each design, a summary of the scoring is attached. The highest scoring vendor was Lee Recreation Option #1. Staff agreed the Lee Option #1 offered the best value to the City and best play value to our residents while also incorporating accessibility into their base pricing. Discussion held and questions answered.

Motion by Moore, seconded by DeCoster to authorize Community Enrichment and Recreation Director to accept the proposal from Lee Recreation, LLC for Project #5-25: Strassburg Park Playground Updates and to negotiate a final contract within the \$150,000 budget.

All Ald. voted aye.

c. Authorization to seek Re-Bid of Truck #14 – Engineering Pick-up.

Gustman Chevrolet was the sole bidder on the replacement for truck #14. Authorization was granted to award truck bid to Gustman Chevrolet for \$47,510 contingent on if a 2026 model truck was going to be provided there would be no increase in cost to the city. Gustman Chevrolet is unable to provide a 2025 model truck that meets specifications necessary for this replacement, and is unable to confirm that a 2026 model truck can be provided for the bid price of \$47,510. Discussion held and questions answered.

Motion by Moore, seconded by Antoine to authorize the Street Superintendent to reject bid from Gustman Chevrolet and seek new bids for replacement.

e. Slow Mow Summer.

In 2023, the City stopped promoting “No-Mow May” and began to promote different ways to help pollinators with a more holistic approach called “Slow-Mow Summer”. Some ways to participate include decreasing the amount of times grass is cut, planting flowers and native plants; especially plants that flower early in the season, increasing mower height to highest setting, and reducing pesticide use. Summer actions help create lawns that require less chemicals, promote more infiltration, require less watering and help keep pollutants out of our rivers and lakes.

Motion by Schell, seconded by Moore to direct staff to continue promoting the “Slow-Mow Summer” program and participate as much as practical in City parks and open spaces.

All Ald. voted aye.

2. Discussion Topics.

a. Step Increase Process Change.

The process for step pay increases had changes that went into effect for 2025 based on a new structure for the time in a step and overall eligibility based on the annual review score. The 2024 Pay Schedule had several steps where the employee was only required to be in that step on the chart for 6 or 9 months before being eligible to move to the next step in the pay schedule. The 2025 Pay Schedule changed all but one to have a 12-month waiting period for time in a step before being eligible for the next step. This has resulted in twelve employees who would have been eligible in 6 or 9 months for an increase from the prior schedule now being delayed an additional 6 or 3 months, to meet the 12-month requirement for 2025. It is proposed to grandfather those affected by this change to step eligibility timing and to allow those to receive their 2025 step at the 6 or 9-month interval from their 2024 step date. Discussion held and questions answered.

Motion by Kilgas, seconded by Moore to approve recommendation 1, that the affected employees (12) who were originally planned for a 6 or 9-month step increase be eligible at their date based on the 2024 timing. Pay rates will be updated with the original effective date, and any applicable retro pay will be calculated and paid for those who have dates that have passed and recommendation 2, that the affected employees (4) who did not receive the minimum 3.25 or 3.5 performance rating but where scores were still above 3.0 be given their 2025 step increase.

All members voted aye.

Motion carried.

b. Merit Incentive Program.

The Merit Incentive Program was proposed in 2024 to take effect in 2025 as a replacement for the Longevity Pay Program. The Merit Incentive was intended to reward high-performing employees with either additional paid time off or with an extra step pay increase. Through the review of the program and of the nominations received, it was determined by the review committee that the program had gaps in definition, criteria, and application as it was originally intended. The review committee agreed that it was appropriate to put the Merit Incentive Program on pause and to re-evaluate if the program should remain, and to reserve the funds originally budgeted for this program for future use. Discussion held and questions answered.

Motion by Moore, seconded by DeCoster to recommend that the Longevity Incentive be paid in November 2025 in lieu of the Merit Incentive not being implemented in 2025.

Roll call vote: DeCoster - aye, Moore – aye, Schell – nay, Kilgas – nay, Schumacher – nay.

Motion failed.

c. 2025 Budget Amendment.

During the 2025 budget year, the city had earmarked \$510,000 to address the staffing assessment needs. The budget process at the time didn't allow for a comprehensive analysis of how the additional state-shared revenue should be allocated. Staff presented the committee of the whole on January 6, the staffing assessment result, as well as a recommendation for the staffing requests in the 2025 year to use the earmarked funds. Approval was granted at that meeting to add three firefighter-paramedics, one Police Officer, and a Summer Intern for Human Resources, and to restructure two part-time positions to full time at the Library.

Motion by Moore, seconded by Schell to approve the 2025 budget amendment as laid out in the attached resolution.

Introduction to Ordinance for Natural Yard.

During the strategic planning process the creation of a prairie and native planting ordinance was set as a tactic for creating a community of choice. This also aligns with part of the foundation of the strategic plan of sustainability. A natural yard means something different to everyone, what staff is proposing is more of a planned natural landscaping area that is composed of native plants. The benefits of these types of planting are numerous from providing habitat for birds, pollinators and other wildlife to helping with drainage, runoff and erosion control. Discussion held and questions answered.
