1. Correspondence – none.

2. Discussion Topics.

a. Ordinance 1949-2026 Ordinance Amending Section 12.01(1) Fermented Malt Beverages.

Section 12.01(1) establishes license and permit fees, including operator license fees. This change would be an administrative alignment for the 2026 licensing year that adjusts internal timelines to avoid overlap with election administration, and realigns the operator license renewal to non-election years (odd numbered years). This will help maintain staff workload balance during election years.

Motion by Thiele, seconded by Kilgas to recommend approval of the Ordinance amending Chapter 12, Section 12.0(1) to the Common Council as presented

All members present voted aye.

Motion carried.

b. Ordinance 1950-2026 Ordinance Amending Section 12.03(3) Classes of Licenses and Fees.

Section 12.03(3) currently provides that operator licenses are valid for two years and expire on June 30 of the second year.

Motion by Kilgas, seconded by Thiele to recommend approval of the Ordinance amending Chapter 12, and Section 12.03(3) to the Common Council as presented

All members present voted aye.
