Circulation Policy

<u>Issuing Cards to Adults</u>: All residents of the State of Wisconsin are eligible for a library card provided they present documentation proving identification (passport or any state issued identification such as a driver's license or photo identification) as well as proof of residency if their photo identification does not have a current address on it. Proof of residency includes a lease, deed to a home, or a current utility bill. The Library will not issue cards to out of state residents.

Only one card per person can be issued. Applicants must be willing to sign a statement accepting liability for materials checked out their account. The Library assumes that anyone presenting that library card is the person who owns that library card. To allow another user to pick up holds or use an account, they must have the physical library card with them, or they must be on the signed Holds Authorization form, which permits the pickup of holds without the physical cardholder being present.

<u>Issuing Cards to Adults with a Court Appointed Guardian of the Person</u>: Adults who have a court appointed Guardian of the Person have rights to library materials, programs, and services per §54.25(2)(d)(2) and (3) and may apply for a library card as an individual. The Guardian of the Person has the right to receive notices and confidential records on behalf of the ward, as well as allow restrictions, such as an internet block or item block restriction, so long as they have provided proof of Court Appointed Guardianship.

<u>Issuing Cards to Adults with a Court Appointed Guardian of the Estate:</u> Adults who have a court appointed Guardian of the Estate have the right to access any confidential information related to a ward's finances, including the right to any invoice to settle claims against the ward. As such, Guardians of the Estate also have the right to restrict accounts to maintain the ward's estate, pending proof of Court Appointed Guardian of the Estate.

<u>Issuing Cards to Minors</u>: Only a custodial parent or legal guardian may obtain a Library card for a minor under the age of 18. The custodial parent or legal guardian must be present and have their own photo identification and proof of address to register minors. The custodial parent or legal guardian assumes all responsibility for any debts incurred by that account and is responsible for the minor's entire use of library materials, programs, and/or services. Per §43.30 upon the request of a custodial parent or guardian of a child who is under the age of 16, the library shall disclose to the custodial parent or legal guardian all library records relating to the use of the library's documents or other materials, resources, or service by that child.

Minors ages 16 & 17

Per §43.30 a child aged 16 or older has the same rights to confidentiality as an adult. As such, any records which indicate the identity of any individual who borrows or uses the

Library's documents or other materials, resources, or services may not be disclosed to a custodial parent or legal guardian except under a narrow range of exceptions. Please note that custodial parents and legal guardians are still legally liable for any debts incurred by the minor, but that the minor will be invoiced directly for them.

Minors ages 16 & 17 who have an existing account will need to re-register for a library card to ensure proper confidentiality. A custodial parent or legal guardian must still be present to sign for the account and show the appropriate identification. The custodial parent or legal guardian still has the legal right to block internet access to the account and may do so at that time. When a child turns 18, they must re-register again as an adult using their own photo identification and proof of address. At that time, any debts incurred in their name as a minor will be transferred to the parent/legal guardian who signed for the library card account.

Community Cards

Community cards are available to individuals who have state of Wisconsin issued identification, but who do not have proof of current address. These cards may only be issued to adults and do have a two-item check out limit at Kaukauna Public Library only.

<u>Loan Agreements</u>: The Library follows circulation policies as set forth by Outagamie Waupaca Library System (OWLS) as approved and/or modified by the Library Board. Circulating equipment and higher cost items are subject to their own policies with their own loan agreements.

<u>Fines:</u> The Library is a fine free facility. However, the library does follow fine policies as set forth by the OWLS system, which does include libraries who charge late fees. Items checked out at libraries that charge fines may result in fines being accrued on a library account because fines are tied to where items are checked out. The Library also adheres to the OWLS policy of blocking accounts with balances over \$5.00.

<u>Damaged Materials</u>: The Library reserves the right to charge for damage to materials. The Library will automatically bill the full purchase price for any item that is returned damaged after the first check out. The Library does factor circulation history into the price of damaged items and will not charge full price for items that have circulated more than ten times, with the exception of equipment and higher cost materials. Damage to materials includes, but is not limited to stains, water damage, markings, rips/tears, odor, chew marks, or items that are cracked or smashed. Final determination of billing is at the discretion of the Library Director. Current library software only recognizes "lost" items, so items that are damaged show up on patron accounts as lost.

Once payment for damaged items has been received, the borrower may have the damaged item. The library only holds damaged items for a period of six (6) months. New copies supplied by the borrower of damaged items as payment are not acceptable.

<u>Lost Materials</u>: Any unreturned materials will be billed to the person who has the item checked out. It will remain in "overdue status" for 30 days after which the person on whose card the item was checked out will be billed for replacement costs. In the event of overdue items including, but not limited to laptops, tablets, and hotspots, the library retains the right to release library records to local law enforcement for recovery based on the specific overdue item policy. Library accounts remain blocked until the entire debt of the item has been resolved.

<u>Collections</u>: The Library reserves the rights to bill patrons for damaged or unreturned items and to turn delinquent accounts over to collection. The Library Director or their designee can forgive a bill or arrange for payment options that include a payment plan.

<u>Checking out</u>: A valid OWLSnet library card in the name of the person checking out the items is required for check out. In the event a patron does not have their card photo identification may be used. It is possible to check out materials to patrons able to verify information on their account e.g., address, phone number, birth date.

<u>Checking Out Holds</u>: Holds may not be checked out to anyone not possessing the card of the patron to whom the hold belongs unless a "Holds Release Form" is signed.

Circulating Equipment and Higher Cost Items:

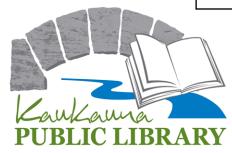

Circulating equipment includes, but is not limited to: laptops, tablets, hotspots, ukuleles, projectors, and STEM kits. Higher cost items (notwithstanding circulating equipment) include but are not limited to videogames, playaways, audiobooks, and videos when ranging in replacement value of \$50 or more per item.

In an effort to safeguard public collections of potential high value or re-sale value from theft or conversion, after a certain number of days past due, as set forth in individual policy or OWLS policy, such materials not returned and listed as overdue shall be categorized as "suspected stolen" and may be reported to law enforcement for investigation and recovery of such materials.

The library reserves the right to petition the court for the release of public library records on circulating equipment and higher cost library materials including, but not limited to, videogames, laptops, tablets, hotspots, ukuleles, projectors and STEM kits in the event that there is reasonable suspicion of theft or resale of library materials. If granted, records will be released to local law enforcement for recovery. In the event of overdue items including, but not limited to laptops, tablets, and hotspots, the library retains the right to release library records to local law enforcement for recovery based on the specific overdue item policy.

To: Kaukauna Public Library Board of Trustees From: Library Director A. Thiem-Menning Date: 8/20/24 Re: 2025 Calendar

The City is currently working on their Citywide 2025 calendar. There are not many changes for next year, with the exception of when we schedule our closed days for staff training. We needed to refine the May date we had for 2024, as it was too close to summer visits, which is why we are proposing April for 2025 instead. We also feel like December is such a busy month that we also plan to move to November.

Please note that there may be changes to this after the fact, as we are looking at possible construction late into this year or early next year. While I am confident that the construction can be done while we are open, I am not in the construction industry, and will follow their safety protocols in terms of any closures while certain work is being completed.

To: Kaukauna Public Library Board of Trustees From: Library Director A. Thiem-Menning Date: 8/20/24 Re: Credit Card Service

We have canceled all of our staff credit cards through ELAN Financial Services. For several months, the company has been saying they are receiving our payments late, which has resulted in late fees and interest fees. While I was able to get most of them reversed, we have since sent payments earlier. Even sending payment seven days in advance, the company is still stating they were receiving them late citing issues with the post office.

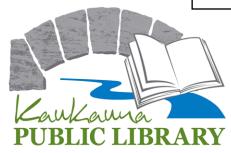

As one staff member has been successfully using their new Ramp card through the City, I opted to cancel all of our credit cards and the Finance Department was gracious enough to allow four of our staff members to have Ramp cards. The cards do have a \$15 a month fee; however, their efficiency is worth the expense.

When we make a purchase with the Ramp card, we receive a notification. We can then take a picture of our screen or the receipt and automatically reconcile the statement by selecting which account the expenditure should be coming from.

Typically, we would turn in paper receipts to Liz and when the credit card statement came, she would have to reconcile the receipts we gave her with the statement and assign each expenditure a line. When people forget to give her receipts, which is often, she has to hunt them down in the building, get the receipts from them, and find out which lines they want the expenses to come from. This is difficult when statements come out and staff members are on vacation or out sick when she needs to reconcile.

The Ramp card makes this a seamless process now; cutting out all the time it takes to collect receipts and make copies and prep everything to go to City for payment to the credit card company. This is a major increase in efficiency for us and we are very pleased with the product.

We will budget for the monthly fee in 2025 to continue to use the product.

To: Kaukauna Public Library Board of Trustees From: Library Director A. Thiem-Menning Date: 8/20/24 Re: Personnel Updates

In July, I spent time assisting in the hire of the new City Human Resource Director. We are happy to welcome Elisa Hodge to the City August 19th. Thanks go to Will Van Rossum and Tyler Ault in Finance for acting as interim HR for our hiring. Both positions remain open at this time and we will continue to interview, however we did hire a second On-Call candidate out of the pool of applicants.

We had a meeting regarding Phase II of the City Staffing Assessment in late July. From the meeting we determined that we need to be blocking off more regular time for this effort as a group. Another meeting is scheduled in September, at which time we will discuss these questions:

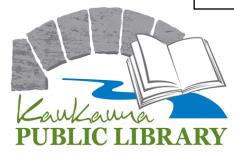

- 1. What are staff currently doing? Consider not just the "what" but also the "how" (processes, procedures, tools, etc.).
- 2. How could staff alignment be adjusted to better meet core duties?
- 3. What technology could be utilized to better support staff and core functions?

This conversation will help with phase II findings, which leads into Phase III, which is requesting staff to address unmet core duties.

All annual reviews had to be completed this year by August 15 to be ready for budget season. All the Library reviews were completed on time. My review was also completed for the Mayor. We typically have my review on the agenda for October. While my review with the Mayor will likely come first, I will work with the new Human Resource Director to find a way, similar to last year, for you to do my review.

In 2025, we will shift our timeline for my review to meet City standards, which I hear may be earlier than August. With HR being out this year in the summer, I recommend that we continue with the review in October unless you would like for me to push for a September closed session.

To: Kaukauna Public Library Board of Trustees From: Library Director A. Thiem-Menning Date: 8/21/24 Re: Budget

The 2025 budget process is underway already! Please see the City schedule from the Finance Department attached. First up will be Capital Improvement Plan meetings and discussions.

At the same time, we are internally meeting to build the budget now and will get a meeting scheduled for the first week in September with the Board Finance Committee.

Budgets are due to City on September 9th. As a group, Department Heads will then meet to see where all the departments combined are in terms of overall budget to see where any cuts may need to be made.

On the personnel side, we will be requesting a full-time Public Services Coordinator position again this year.

To: Kaukauna Public Library Board of Trustees From: Library Director A. Thiem-Menning Date: 8/20/24 Re: Friends of the Library

The Friends of the Library met on July 30th. The group voted to add a Clover credit card reading device for book sales and merchandise sales. During the spring book sale we received more complaints than usual about our cash/check only sale. We were approached by Associated Bank about the Clover product and sat in on a demo. It will be extremely helpful to offer a card option at book sales, as we are seeing few people carrying cash and checks. This will also help with the mug and book sales at the front desk, as we only take cash or check for those as well.

The Friends have decided not to pursue any specific fundraisers this fall or winter, but will send out an end of year donation request letter prior to giving Tuesday on behalf of the Library. The group would like to create acknowledgment of donations similar to that of a playbill or event guide annually, possibly with donor levels like types of books: chapbook, paperback, hardcover, limited edition, or book lover related options like: bookworm, bibliophile, bibliomaniac, literary critic, scholar, which would be included in our end of the year report and displayed on our screens internally.

David Jones True Crime Night

Local Authors Gavin, Sarah, and David discussing the writing process.

Local author David Jones joined us for True Crime night on Wednesday, July 17th. Sarah Read moderated a great panel between David and Gavin Schmitt. The questions contrasted David's fiction writing with Gavin's nonfiction experience. There was particularly interesting overlap between their writing processes because David used to be a police chief, and Gavin regularly requests police records with redacted material to aid in his research while writing his books. David was able to give context to the police's side of the process of writing, redacting, and releasing police records. The audience was engaged the entire program and asked many questions at the end.

Make and Mingle

Jenny continues to enjoy great attendance at her Make and Mingles.

Jenny continues to host our make and mingle craft events once a month on Wednesday evenings. July and August's were painting lavender and rhinestone bookmarks respectively!

Inclusive Board Game Play

Sorry and Monopoly were played in July.

We have continued our partnership with Valley Packaging Industries (VPI). Once a month they stop by with adults with intellectual and developmental disabilities and library games master John teaches them various board games. It has gone so well that we are continuing the program through at least December!

Puzzle Palooza

Some Assembly Required set the new record with a time of 31 minutes 55 seconds!

Puzzle Perfect, (left) Puzzles Chinchilla (right).

Our 5th Puzzle Palooza was our most exciting yet! Some Assembly Required set the new record, completing the 500 piece puzzle in only 31 minutes 55 seconds! Puzzle Perfect, the second place also beat out the previous record with a time of 37 minutes 01 seconds. Also impressive was the two-person team Puzzles Chinchilla who completed the puzzle in 40 minutes and 44 seconds! For reference, the previous record was 38 minutes and 01 second.

Taste of Central and South America

Yenny gave patrons a taste of Peru during August's Taste of Central and South America program. She gave a presentation on Peru's culture, climate, history, and gastronomy. She also prepared fresh ceviche, lemonade, and made Peruvian alfajores, which are a type of cookie. It was every attendee's first time trying ceviche and alfajores. The generally liked the taste!

Ceviche is a Central and South American dish made with fish cured with lemon and lime juice.

Asian Cultural Day

Asian Cultural Day was held on August 5th and was a great success! 7 groups performed at the library from 10AM-6:30PM including drummers, dancers, artists, and a multi-instrumentalist! We had three culturally relevant crafts from three areas of Asia as well as a food truck out front. 1,129 people attended the event! To make this event possible, we received \$1,000 from UW Madison's Center for East Asian Studies, \$2,500 from US Venture, and a \$2,000 grant from Community Foundation's Community Vision Fund. The funds were used to pay for the performers, decorations, and craft supplies.

Program Highlights

In June the library held a kick-off party to promote our Summer Learning Program. Attendees were invited to paint rocks in the Learning Garden, join a bubble party in the lower parking lot, and end their fun with a colorful freeze pop! With the help of generous donations from local sponsors, the amazing Zoomalata performed twice, engaging over 400 patrons of all ages and abilities. The party outside came to an abrupt end with a quick and powerful rain shower and no shortage of smiles.

Lizards, snakes, and spiders- oh my! J&R Aquatic Animal Rescue of Neenah brought quite the adventure to the library this summer. As patrons learned about native environments and how to properly handle and care for each animal, they could not help but notice the rumbling in one giant tub. Whispers of guesses waved through the crowd of 200, a few fingers were

after

with

crossed for a dinosaur, and waiting, we met a giant tegu! Attendees could get up close the critters and ask their questions one-on-one after the engaging presentation.

Kaukauna teens tested their art skills during the Teen Glow Painting Party. We offered two sessions throughout the day, with 22 elusive teenagers designing coasters and candle holders in the boardroom under the discrete cover of blacklights.

Miss Kim and her Adventures in the Park kept a steady attendance this summer. The last adventure had 42 friends outside gathering around the giant parachute and singing songs.

This summer was the second year we held a double feature for the Outdoor Movie Night. Pre-show activities drew an early crowd to have faces painted, balloons twisted, and spend time with the 4-H Buchanan Badgers petting zoo. The day was hot and humid with rain in the early afternoon, but we still had over 300 attendees find space on the

lawn and grab a snack from Carnival Time.

Collaboration Fun

Ice Cream Storytime was too sweet at Sweet Treats Candies & Sweets with Miss Donna. There were 40 friends with smiling faces waiting to hear *Pete the Cat Scream for Ice Cream* and enjoy a small scoop of ice cream for breakfast. Kaukauna has all the fun!

Touch-a-Truck was held at Hydro Park for the second year this summer. Various businesses from the community volunteered their time and staff to

offer oneof-akind

opportunities to our smallest friends. From Kaukauna Utilities to Ahlstrom-Munksjo, we had a variety of vehicles on-site to entertain and engage. Once again the Buchanan Badgers provided a petting zoo, this time with a cow! The Cool Bus provided concessions to keep patrons cool while they waited their turn to meet Chase, Skye, and Marshall from Paw Patrol. We had a record number of 769 attendees!

Local History Report

August 2024

Gavin Schmitt, Local Historian

A few updates this month.

RECOLLECTION WISCONSIN

DPLA (the national digital database Recollection Wisconsin, and Kaukauna Public Library, feeds into) was scheduled to shut down by the end of 2024. There was scrambling to create a Midwest alternative. However, a large public library system (not yet announced) stepped forward and will be taking on the hosting duties. As I understand it, that means no changes on the local or state level aside from possible interruptions late 2024 / early 2025 as things are moved over.

The bulk of the discussion centered on changing metadata and ways people search for information to reach communities that are traditionally under-represented. Metadata criteria created in 2000 may not reflect how we see the world in 2024. Recollection Wisconsin is framing these revisions as "metadata accuracy." The Dewey Decimal System, as well, was created from a narrow framework. This is reflected in how Dewey treats religion, for example – the vast majority of the numbers correspond to Christianity. Some belief systems end up in "folklore" and are not treated as real religions at all. On the local level, we have little control over Dewey and we are unlikely to replace it (though some state libraries such as Whitefish Bay have), but being aware of its limitations is a good first step.

Recollection Wisconsin, as part of this re-balancing, is encouraging members to tackle topics that may be embarrassing. UW-Milwaukee has a project called *Mapping Racism and Resistance* where they have maps outlining covenants that created Milwaukee's ongoing de facto segregation. Kaukauna, to my knowledge, never actively put in place ordinances or policies to create racial divides. However, negative racial attitudes can be found in "minstrel shows" and the way the newspapers wrote about indigenous neighbors. Walworth County is contemplating a presentation called "Things We Should Be Embarrassed About." I would not advise going quite that far, but we should be honest about our history, and not just the things we take pride in.

One thing I would love to see is an expansion of Hmong material in the local history collection. We have had a sizable Hmong minority for 50 years, but that presence is largely absent from our archive. Oral histories of adapting, assimilating and maintaining culture would be of great value to the community, particularly in decades to come as first-generation immigrants fade away.

Lastly, three student-led digitization projects chosen for the fall semester are Ho-Chunk language learning materials, the *Edgerton Reporter* and *Wisconsin Tobacco Reporter*, and documenting tourism and recreation in the Eagle River area (historic resorts and supper clubs). How these projects could shape Kaukauna history research remains to be seen, but if there's one thing I cannot stress enough about Wisconsin history: we are all connected, nothing is ever truly "local."

MILITARY PROJECT

Lyle Hansen continues to provide military-related news clippings and our wonderful volunteer staff has been adding in photos to PastPerfect. While not directly related, I will have a WWI display in November, so it is a great year for honoring our veterans and preserving their memory.

LONGER-TERM: POLICE AND GRIGNON

At the suggestion of Carol VB, I have been assembling a history of the Kaukauna Police Department. Initially I hoped to have it done at the end of 2024, but now think early 2025 is more likely. This will be in book format, and proceeds will benefit the library.

Even further out will be some sort of Grignon project. I have been amassing materials from Appleton, Green Bay, Madison, Chicago, Detroit, and elsewhere. I swore I would not do a book on the Grignon Family, but Casssidy Mickelson has been wearing me down, and I now have 500 pages of notes and 100s more documents that have not been incorporated into said notes. I feel very strongly that the Grignon Family has a central place in Wisconsin's creation and development, and this story has still not been told to its fullest extent. What comes of this I do not yet know, as there is no indication when "all" the material will have been collected

Communications Coordinator Board Report (April – July 2024)

April 2024

Staff participated in a PEEP diorama contest as a fundraiser for National Library Week in April. The Huck Finn diorama was our winner, gaining **\$537.49** in donations. Total raised was \$666.94. We also hosted a "Spirit Week" during National Library week for staff and patrons, with themed days such as Kaukauna Pride day and Wacky Socks Day.

Our Little Free Pantry also caught the attention of Rachel Manek from Fox 11 News. She interviewed us in 3 live segments on Good Day Wisconsin featuring our Fork Farms Hydroponic Garden and the Little Free Pantry.

June 2024

OWLS unveiled their second annual InfoSoup Road Trip. I was interviewed on Local 5 Live regarding the program and was able to highlight some Wisconsin travel books from our collection on TV.

As part of the 2024 Marketing Plan focusing on local and small businesses, I approached Sweet Treats Candies & Sweets in Kaukauna for a possible partnership. We did host an ice cream themed storytime there on July 13 led by our on-call staff, Donna. It was well attended, and the business offered a special for storytime participants and their families. We are hoping to partner with another local business, Fast Taco, for a Spanish or bilingual storytime with our Hispanic Outreach Coordinator in the near future.

The annual Touch a Truck event took place on July 10. Both Fox 11 and WFRV came to do news segments highlighting our commitment to connecting our community with free events for families that offer learning opportunities and library promotion.

Also in July, I attended the Marketing Meetup Monthly group at the Heart of the Valley Chamber of Commerce for a special guest speaker from BConnected in Appleton on the topic of Meta. I was able to learn how to make our Facebook page more secure and put in place some measures in the event our page was to get hacked. Since our Facebook page is one of our main communication methods with patrons, it is important to have multiple access points in the event we get locked out. This recently happened to Appleton Public Library's social media, and we are now prepared in the event something similar happens.

Social Media

Our social media monetization is going well, it is passive income each month for just posting across Meta networks.

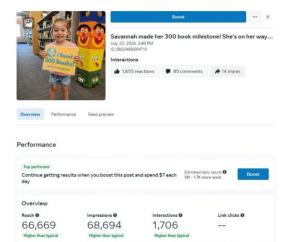

April \$54.31

May \$55.69

June \$50.24

July \$51.60

Our top performing posts as far as reach and engagement continue to be our 1000 Books Before Kindergarten milestone posts.

Board Appointments and Composition

Chapter 43

- In Wisconsin, citizen board govern public libraries. Citizen governance partially isolates the operation of the library from political pressure an important concern especially in the development of your library's collection and policies.
- Public library collections and policies have traditionally supported the ideals of freedom of expression and inquiry—free from any partisan or political pressures.

Diversity of Viewpoint and Expertise

- Another traditional public library ideal is that the library serves all members of the community equitably.
- It is appropriate for the library board to suggest potential appointees to fill upcoming vacancies on the library board. When developing lists of candidates for appointment, keep in mind the importance of having a board that is representative of the entire community and any special need for added expertise on the library board.

Statutory Requirements

- The appointment, composition, and terms of office for all types of library boards in Wisconsin (municipal, joint, county, and system) must be in accordance with Chapter 43 of the Wisconsin Statutes.
- To qualify for membership in a library system, your library must have a legally appointed and constituted library board that exercises the statutorily required duties and powers.

Municipal Library Boards

- The mayor, village president, town chair, or tribal chair makes appointments to a municipal public library board, with the approval of the municipal governing body, for three-year terms.
- Not more than two board members may reside outside of the municipality.
- Terms of office for library trustees begin on the date set by local ordinance (usually May 1) and are for three years unless the appointment is to fill an unexpired term

Municipal Library Boards

- One of the members must be a school district administrator or the administrator's representative, to represent the public school district(s) in which the public library is located.
- Although the law does not require that a member of the municipal governing body be appointed, this is a frequent practice and one that often improves communication between the library board and the municipality. The law does, however, specify that at any one time not more than one member of the municipal governing body can be a member of the library board.

ltem 6.g.

Municipal Library Boards

- If a board member leaves office before the expiration of his or her term, the appointment to fill the position is made in the same way as other appointments, but the term of office is for the unexpired portion of the term (which will be less than three years).
- If a county (or another municipality) provides financial support to your library, it may have the option of appointing members to your board.

Municipal Library Boards

- Wisconsin Statutes Section 43.60(3) provides that whenever a county (or another municipality) appropriates funds for a municipal library equaling at least one-sixth of the amount appropriated by the establishing municipality, the county (or other municipality) may appoint a library board member to serve in addition to those appointed by the municipality.
- Outagamie County does allocate 1/6 and could have a member on our Board, which would be in addition to the municipal appointments.

Second and Third Class Cities

 Kaukauna falls under the population definition of Third Class. Library boards established by a Second or Third Class City have nine members appointed by the mayor, with approval of the city council. However, the city council may, by a two-thirds vote, reduce the number appointed by the mayor to seven.

Discussion Questions

1. What are possible reasons why the statutes provide for a school district representative on the library board?

2. What are possible reasons why the statutes limit board membership to one elected official from the governing body?

3. What groups (demographic, occupational, etc.) are currently represented on the library board? When board positions become vacant, what community groups could be looked to for possible candidates?
