BOARD OF PUBLIC WORKS

A meeting of the Board of Public Works was called to order by Chair Thiele on Monday, July 14, 2025, at 6:00 P.M.

Members present: Antoine, DeCoster, Eggleston, Kilgas, Moore, Schell, Schumacher, and Thiele.

Also present: Mayor Penterman, Attorney Greenwood, DPW/Eng. Neumeier, Chief Carrel, Mark. and Com. Manager Fencil (Zoom), HR Director Hodge, Street Superintendent VanGompel, Equipment Mechanic Hirschy, Community Enrichment & Rec Director Vosters, Planning Director Kittel, Finance Director VanRossum, and interested citizens.

1. Correspondence – none.

2. Discussion Topics.

a. KASD Middle School Site Preliminary Plan Overview.

Kaukauna Area School District (KASD) and their consultants have been working with the City staff, Wisconsin Department of Transportation, Outagamie County Highway Department, Town of Buchanan, East Central Wisconsin Regional Plan Commission, and several other interested parties to develop plans for the new Kaukauna Middle School. The general location being adjacent to the existing High School, south of County Road CE and East of State Highway 55. This location has provided some challenges to work through with several meetings to help direct the draft plan. Several questions were asked by the board and discussion was held.

b. County Trunk Highway CE at Fieldcrest Drive Intersection -Proposed Highway Safety Improvement Program Project. - Pulled

Motion by Moore, seconded by Schell to pull Item 2b.

All Ald. Voted aye.

Motion carried.

c. Recommendation for Award of Grader #251.

The Street Department received bids from Fabick Cat and Brooks Tractor Inc. on Wednesday July 2, 2025, for the replacement of the department's 1991 John Deere Grader. Discussion was held and questions answered. The board would like the Street Superintendent to look into rental rates for this piece of equipment as an option and also provide pros and cons of renting versus owning the grader.

d. Recommendations for Disposal Site Modified Hours.

Since last May when options of further restrictions and limiting hours were discussed there were more violations of non-compliance dumping. Weekend violations continue to be the biggest concern causing unsafe working conditions because of overfilled containers and non-compliant items. Discussion was held regarding different options for the future of the disposal site dumpsters including staffing the site to monitor the dumpsters, altering the time the site is open, and eliminating the dumpsters altogether. The board would like the Street Superintendent to provide more information regarding the dumpsters including cost history for the city to empty them and usage statistics.

e. Public Works Updates.

The Wisconsin Avenue seawall is seeing progress including cleaning up the switchback and resurfacing the trail. The street patch program is starting this week. The alley updates are progressing nicely. There will be tree planting on the terraces starting soon. Street Superintendent wanted to thank the street department crew for all their work setting

up/cleaning up for the special events going on in the city. New benches will be going up on trails and in parks soon. The crews have also been busy with potholes and pavilion maintenance. Lastly, the Street Superintendent would like to thank MJ Electric for their in-kind service changing the lights at the ball diamonds and football field that city trucks couldn't reach.

3. Adjourn.

Motion made by Moore, seconded by DeCoster to adjourn.
All Ald. voted aye.
Motion carried.

Meeting adjourned at 7:51pm.
Christina Nelson, Deputy Clerk

FINANCE AND PERSONNEL COMMITTEE

A meeting of the Finance and Personnel Committee was called to order by Chair Penterman on Monday, July 14, 2025, at 7:54 pm.

2. Discussion Topics.

a. Interim Municipal Judge.

Judge John Proffitt resigned on June 11th, 2025, which will require us to bring in an interim judge. The 8th Judicial District set up Judge Gregg Schreiber (currently the Muni Judge in Hobart-Lawrence) to be our interim Judge until the Council appoints someone. Judge Schreiber will also mentor the appointee until they feel confident to carry out the Judge position. Per the 8th District's directive, Judge Schreiber will provide an invoice to the city for his services. During this time, it will cost us \$250.00 per court session for a potential total cost of \$4,000.

Motion by Moore, seconded by DeCoster to approve the additional funds to allow the interim judge to mentor the newly appointed judge as needed through the end of 2025.

All members voted aye.

Motion carried.

b. Retiree Health Savings (RHS) Plan Benefit.

The City of Kaukauna established a Retiree Health Savings (RHS) Plan, initially with Nationwide and later transitioned to MissionSquare, to provide eligible retirees with a taxadvantaged method to pay for health-related expenses using accrued leave payouts. Over time, challenges have emerged due to the Affordable Care Act (ACA) restrictions, which prohibit active or re-employed participants from accessing RHS funds. MissionSquare has confirmed that this limitation cannot be altered at the plan level. Additionally, the plan has proven to be low in utilization, complex to administer, and provides minimal cost savings to the City. Discussion held and questions answered.

Motion by Moore, seconded by Antoine to approve the formal sunseting of the City of Kaukauna's Mission Square RHS Plan by forwarding the attached resolution on to the Legislative Committee for consideration. Upon approval, staff will notify Mission Square and take necessary steps to terminate the plan in compliance with their amendment and closure procedures.

All members voted aye.

Chad Giackino - Regulatory Compliance Manager HOVMSD
Jodie Greve – Accounts Payable/Asset Coordinator HOVMSD
Scott Schramm – Strategic Municipal Services

1. 5:00 p.m. Call to Order – Roll Call

President Casper called the meeting to order at 5:00 PM.

2. Public Appearances

No appearances were made.

3. Approval of the Minutes of the May 13, 2025 Regular Meeting

The minutes of the May 13, 2025 Regular Meeting were presented to the Commission. A motion was made by Commissioner Coffey and seconded by Commissioner Siebers to approve the minutes as written and presented. Motion carried unanimously. The minutes were reviewed by District Director Helminger and Commission Secretary Hennessey prior to the meeting.

4. Correspondence

There was no correspondence for the record.

5. General Discussion Items

A. 2024 Audit Presentation by Cory from Erickson & Associates

Cory Rutter of Erickson & Associates reviewed the draft audited financial statements dated 12/31/24. Cory presented the statements and discussed several high points from the auditor's perspective. The Commissioners expenses section was questioned as the amount was very high this year. Erickson believes there was an error in a spreadsheet and will relook at the amount and correct it before finalizing the 2024 audit.

B. Adoption of Resolution #212: 2024 Compliance Maintenance Annual Report

A motion was made by Commissioner Siebers and seconded by Commissioner Sundelius to adopt Resolution #212; Resolution Compliance Maintenance Annual Report. A roll call vote was taken: Commissioner Casper, yes; and Commissioner Sundelius, yes; Commissioner Coffey, yes; Commissioner Siebers, yes; Commissioner Hennessey, yes. Motion carried unanimously

C. Interceptor Rehab Project – Monthly Activity Report

Scott Schramm of Strategic Municipal Services provided a written update to the Commission dated 6/9/2025. The liners are completed. There are 2 locations 16 and 38A that have significant recent concrete corrosion that needs to be addressed with the project. The plan is to cut out damaged sections, relevel the surface and then replace the epoxy coating on the damaged areas. There will be a change order necessary due to the increased scope and costs but the project is expected to remain within its budget.

D. FOG Program - Monthly Activity Report

John Stoeger of Stoeger & Associates provided a written fats, oil, and grease update by community, including a grease trap inspection report and site visit correspondence. The Commission also received an itemized copy of the May 2025 Invoice.

E. Kane Communications – Monthly Activity Report

Kane Communications provided a written monthly update of work tasks completed in April as well as a list of ongoing and upcoming tasks for May & June which include social media distribution to member communities, news releases, completion of a facility brochure, open house planning, website updates, whiteboard video, and will work on an informational column showcasing the District's effluent reuse partnership.

6. Plant Reports for May 2025

A. Flows & Revenues Report

The Commission received a copy of the hydraulic & organic loadings data, along with flow & strength projections, which shows the year-to-date surplus/deficit in revenue for the month of May 2025. Revenue received from the WPS-Fox Energy Center was low for the month at \$1360.17 due to a maintenance shut down. The revenue received year to date is \$37968.

The average effluent concentrations for **May 2025** were as follows:

Parameter	Monthly Average	Permit Limit
BOD-Biochemical Oxygen Demand	5.2 mg/L	30 mg/L
Suspended Solids	4.9 mg/L	30 mg/L
Suspended Solids	309 lbs.	801 lbs.
Phosphorus	.20 mg/L	1.0 mg/L
Ammonia	.21 mg/L	10 mg/L
Chlorides	700 mg/L	n/a

All permit values were met for May 2025.

B. Operations & Maintenance Report

Dustin Jerabek provided a written Operations & Maintenance report for May. The disc filters were in operation continuously throughout the month without additional chemicals and the seasonal effluent disinfection process has been going well. We discharged almost all of our effluent to the river with the power plant on a shutdown for maintenance so more bisulfite was used than normal. The Biostyr Blower #6 experienced nuisance trip out failures on discharge pressure sensor so a new sensor was installed from Aerzen at \$730. We have had to add oil a few times this year to Biostyr Blower #8 and from past experience with this blower losing oil means that the oil demister is on its way out. We ordered an oil demister so it is on hand so the issue can be addressed quickly. The Digested Sludge Transfer Pump#2 had a hold that corroded and started to leak so a new dampener was ordered from LW Allen at a cost of \$1972 and installed to fix the leak and get back in service. Meter Station #1 stopped recording rainfall data, the rain gauge and wire were tested and worked as they should so we contracted Mulcahy Shaw for advice and they recommended replacing the case board. A new case board was ordered from Teledyne Isco at a cost of \$1132 and installed to fix the issue. Process Return Pump #3 that was ordered several months ago is installed and running and alternating run time with the other two pumps.

7. Financials

A. May 2025 Accounts Payable; Action for Approval

After a review of the bills payable, a motion was made by Commissioner Siebers and seconded by Commissioner Casper Approve payment of the bills in the amount of \$670,048.37. A roll call vote was taken: Commissioner Casper, yes; Commissioner Siebers, yes; Commissioner Sundelius, yes; Commissioner Coffey, yes; and Commissioner Hennessey, yes. Motion carried unanimously. The Commission signed the check voucher register which includes general, and pre-paid checks.

B. Budget Comparison Report

The Commission received a Budget Comparison Report, along with a verbal explanation of exceedances.

8. General Old or New Business

Septage Receiving Station: The Septage receiving station project meeting was held on 6/5 with Donahue and Lunda along with Subcontractors. District intent is for all necessary items to be received and on site so the project could go from start to finish without delay. Lunda has suggested they start with moving the blowers and relocating them since it will not affect daily septage receiving station operations. We will pick up project discussions on timing and taking the septage receiving station out of service once the fiberglass cover is ordered and we have a ship date.

Sewer User Charge Review - Trilogy: Trilogy continues to make progress on the User charge review. We met virtually on 6/4 to go over questions from Trilogy and move ahead in their analysis. Initial findings and discussions have revolved around the proper allocation of costs, plant loadings and trends, and that a large percentage (greater than most utilities) of the District's budget are being met with "variable" cost revenue versus "fixed" cost revenue. We will want to work closely with Trilogy on resetting the annual equipment replacement fund for 2026. The Equipment Replacement Fund (ERF) was also discussed with Erickson during the audit and they also encouraged us to review the ERF as equipment is added from the Disk filter project and other equipment is fully depreciated.

Permit Renewal Status: No updates or communications from DNR this month. The DNR has not yet published the permit for public comment. District staff have reviewed and discussed new requirements and concerns contained within the proposed new permit. District has begun formulating written comments to DNR that communicate concerns and questions with proposed permit changes. We will continue to document our concerns in writing so we are ready for the public comment period.

Filter Project Open House: The open house was held on 5/20/25 and was lightly attended with good attention and follow through from the local media.

9. Adjournment

With no further business before the Commission a motion was made by Commissioner Sundelius and seconded by Commissioner Siebers to adjourn the meeting. Motion carried unanimously. (Time: 6:50 PM)

PLAN COMMISSION

City of Kaukauna

Council Chambers

Municipal Services Building

144 W. Second Street, Kaukauna

Thursday, May 22, 2025 at 4:00 PM

MINUTES**In-Person in Council Chambers and Remote Teleconference via Microsoft Teams**

Mayor Penterman called the meeting to order at 4:00 p.m.

1. Roll Call

Members Present: Brett Jensen, Giovanna Feller, John Neumeier, John Moore, Michael Avanzi, Ken Schoenike, Pennie Thiele, Mayor Tony Penterman

Other(s) Present: Planning and Community Development Director Dave Kittel, Associate Planner Adrienne Nelson

2. Approval of Minutes

a. Approve Minutes from May 8, 2025

Avanzi made a motion to approve the minutes from May 8, 2025. Seconded by Moore. Motion passed unanimously.

3. Old Business

a. None

4. New Business

a. Plan Commission Resource Memo

Director Kittel presented the resource guide he put together for Plan Commission members. The guide includes links to meeting minutes and agendas, ordinances, the comprehensive plan, the strategic plan, and educational resources. Staff plan to update the guide on a yearly basis.

Avanzi brought up that a similar document had been created by Kittel for the Industrial Park Commission and that it was appreciated by the members.

b. Site Plan Review – Haen Elementary School

Director Kittel provided an overview of the site plan for a large addition to Victor Haen Elementary School for their property located at 1130 Haen Drive. Staff has reviewed the plan and found it to be largely in compliance with city ordinance requirements. The only point of concern is that this property is not currently in compliance with section 17.52 of the municipal code, which addresses landscaping requirements. Staff recommends approval with the following conditions: prior to issuance of building permits, Stormwater and Erosion Control permits must be obtained from the Engineering Department and, if possible,

additional landscaping should be added along Haen Drive and the property lines between the school and residential properties.

Neumeier requested more information on the sidewalk that will be getting put in. The sidewalk will be on school property, but its location puts it right in the backyard of neighboring homes.

Jim Lundberg, a civil engineer from Point of Beginning and consultant for the Victor Haen Elementary School project, explained that the primary purpose of the sidewalk is for use by students during construction. It will be poured prior to construction, and it is anticipated that the school will not remove it after construction is completed. It is not, however, intended to be a main access point for the long term.

Moore asked for clarification on the removal and relocation of the playground. Lundberg explained that the playground would be relocated to the eastern side of the property onto a poured in place rubber area. A paved area will also be added for basketball and other activities.

Neumeier requested more information on the courtyard area.

Lundberg explained that they are planning to use artificial turf in the courtyard area. The turf would be low maintenance and allow for use all season long. They are not, however, locked into using artificial turf. The courtyard itself would be used as a gathering place.

Moore asked if additional parking would be added for the additional staff, or if the current parking is sufficient.

Lundberg stated that the parking that is currently offered is sufficient.

Moore asked if Point of Beginning has considered adding stripes for pickleball to the basketball court for dual usage. There are not as many parks on the side of the city where Victor Haen Elementary School is located, and it might be beneficial to add in for use by the community.

Neumeier asked if they would be restricting access to the driveway that opens into the crosswalk.

Lundberg stated that they would like to keep that access point, but it would not be actively used.

Neumeier mentioned that the city is focused on restoration efforts and encouraged the use of native plantings.

Moore asked when construction would be starting.

Lundberg explained that the plan is to start in the fall.

Moore asked if starting construction during the school year would interrupt the flow of traffic.

Lundberg explained that they are not anticipating a severe interruption to traffic. The sidewalk route will change, but the area for drop off will remain the same.

Feller made a motion to approve the site plan as presented with the conditions that, prior to issuance of building permits, Stormwater and Erosion Control permits must be obtained from the Engineering Department and, if possible, additional landscaping should be added along Haen Drive and the property lines between the school and residential properties. Seconded by Moore. Motion passed unanimously.

c. Site Plan Review – 1801 Progress Way (G&G Machine Inc)

Director Kittel provided an overview of the site plan for an 8,455 square foot addition to the G&G Machine building located at 1801 Progress Way. The addition will match the existing facade and should blend into the building. Staff has reviewed the plan and confirmed that it is in compliance with all covenants and meets all requirements set forth in city ordinance. The Industrial Park Commission has also reviewed the plan and recommends approval with the following conditions: prior to issuance of building permits, Stormwater and Erosion Control permits must be obtained from the Engineering Department. Moore asked for clarification on which side of the building the addition will be made to.

Kittel explained that the addition will be made to the front of the building.

Moore asked if the addition would be going onto the blacktopped area.

Colin Meisel, a civil engineer from Ruekert & Mielke and consultant for the G&G Machine project, explained that the addition would be going into an existing grassy area. A minimal amount of pavement will be removed.

Schoenike made a motion to approve the site plan as presented with the condition that, prior to issuance of building permits, Stormwater and Erosion Control permits are obtained from the Engineering Department. Seconded by Moore. Motion passed unanimously.

d. Site Plan Review – 101 Kelso Road

Director Kittel provided an overview of a site plan for a new development for CoVantage Credit Union, to be located at 101 Kelso Road. Staff has reviewed the plan and confirmed that it meets all requirements set forth in city ordinance. This lot is currently going through a rezoning process in preparation of the new development.

Moore asked if this was the property discussed at the previous Plan Commission.

Kittel confirmed that, at the previous Plan Commission meeting, a CSM was approved that split the lot and the process for rezoning began.

Moore asked what the timeline for the project is.

Bryan Ermeling with CoVantage Credit Union explained that they are planning to break ground in September, complete work in June 2026, and open in July 2026.

Moore asked for clarification on access points to the property.

Ermeling explained that they are requesting two curb cuts on Kelso Road. One curb cut would be for an entrance, and the other curb cut would be for both an entrance and an exit.

Mayor Penterman asked how many people would be employed at this location. Ermeling stated that there would be between four to six employees at this location.

Neumeier commented that he was happy with the site layout and the use of alternative energy sources.

Avanzi encouraged Ermeling to reach out to Kaukauna Utilities. They have incentives for alternative energy sources.

Ermeling confirmed that he had already been in contact with Kaukauna Utilities.

Schoenike asked if there would be any additional activities at this location outside of normal banking activities.

Ermeling confirmed that only normal banking activities would be taking place.

Moore made a motion to approve the site plan as presented with the condition that, prior to issuance of building permits, Stormwater and Erosion Control permits are obtained from the Engineering Department and that final approval is contingent upon the final adoption of rezoning from Industrial to Commercial Highway District. Seconded by Neumeier. Motion passed unanimously.

e. Site Plan Review – Chang to Site Plan at 1800 Crooks Avenue

Director Kittel introduced a proposed change to the site plan for the Taco Bell development approved by Plan Commission on December 5th, 2024. After discussion with the adjacent property owner, Taco Bell is proposing a shared dumpster corral to allow for additional parking. Staff has noted that the existing angled parking does create a conflict point for cars and is suggesting the elimination of one or two of the additional parking spots.

Moore asked if anything had changed with the site plan in regards to indoor seating.

Kittel confirmed that the shared dumpster corral and additional parking are the only changes proposed.

Moore asked if there were any concerns with ingress or egress for emergency vehicles.

Kittel stated that no concerns had been noted for ingress or egress for emergency vehicles.

Kari Keller from Anchor Point Management explained that the stalls are located on both properties.

Moore asked if there is an existing agreement for the angled parking.

Keller explained that their real estate director is still reviewing the information, but that no concerns have been raised as far as who has access to the parking stalls. The parking is currently being utilized by Heart of the Valley Dance Academy and Verizon. Taco Bell has been asked by their neighbors to maintain the parking stalls, and they are trying their best to oblige.

Thiele asked if there would be any issues with eliminating one or two of the additional parking stalls.

Kittel explained that there may be some issues because the stalls are legally shared between two properties, but that there are legitimate safety concerns if the issue is not addressed.

Thiele commented that she always sees cars parked in those angled parking stalls, but with how much more traffic there will be with a Taco Bell, she can see

from a safety point the benefit of eliminating one or two of the angled parking stalls. She asked if the city had the authority to ensure those spots would not be used.

Kittel explained that the city does have authority because it is a matter of public safety, but that it could still be challenged legally.

Thiele made a motion to approve the updated site plan with one stall of angled parking to be removed in order to ease potential traffic conflict. Seconded by Neumeier. Motion passed unanimously.

Review/Approve Minutes from April 28, 2025 Meeting

Revisions requested.

Motion to approve Minutes, Werschem moves, Moore seconds, with revisions, Minutes approved.

Report from the City (Engels)

Friends voted to raise admission prices: Adult-\$9, Senior (62+)-\$8, Children aged 5 and under free, Children aged 6-17-\$5.

Events:

6-11-2025- kick off event, Little Chute Band beginning at 7:00 p.m. will have a 50/50 raffle and Culvers free ice cream scoops. Mansion will not be open for the event; however, gift shop will be open.

Background checks are in process for the Civil War reenactors, which are necessary as they stay on the grounds. The Civil War group made a \$100 donation for a training weekend held on the grounds the 1st weekend of May.

Updated information regarding the archeological dig: Several areas were dug/reviewed, approximately 900 artifacts found, preliminary notice sent and a final report will be completed. Pubic Works approved the project. It was confirmed that the Board did not approve the dig and the dig was conducted through sonar. The approximate 900 items found will need to be cataloged and provided to the State. The Board asked Engels if more exploration would be completed. Engels indicated more exploration is unknown at this time.

Park Project- Civic Engagement Class with Kaukauna High School will attend the committee meeting held on May 20, 2025 regarding fundraising. Moore will attend the meeting as well. Schmitt requested Moore ask the class to attend a Board meeting to discuss working together on options. Schuh indicated part of the project would be to display artifacts. The City also wants to know what is going on with the project as the City may be responsible to take care of the Park Project eventually. Werschem questioned how much area would the project take up and how is the area around the Maison impacted. Schuh indicated that on the Park Project website, there is not a footprint shown of the area. One option at this time is to tear down the current shelter and build a new shelter, the project would need area/buildings for slides, tubes, skates, etc. and this would be set back and not near the Mansion. Schmitt indicated that if the Park Project's area is further back, it may benefit the Mansion. Werschem requested that the Board should be informed regarding the status of the Park Project. Schuh indicated that school would be done for the year in approximately two (2) weeks so it may not be until fall to get any updates and may be with a different group of people. Schuh indicated he would provide any information he may learn.

Engels indicated the Friends group set a spring-cleaning date of June 12, 2025 at 10:00 a.m. This will include the Mansion and the gardens.

Report from Friends

No report

Discussion regarding whether the Chair of the Friends should attend the Board meetings and whether there was a specific requirement in the Bylaws. It was suggested a letter is sent to the Friends to invite them to the Board meeting. Engles indicated she would research the requirements for a Friend to attend the Board meeting. It was confirmed that Engels should send an invitation to the Friends group. Moore did confirm that the Ordinance indicates that the Board should have nine (9) members, two (2) being from the Friends. Discussion of what happens if the Board is not in compliance with the Ordinance.

Report from the Chair

Schmitt indicated he reached out to the former Chair regarding duties. It was confirmed the main duty is to facilitate the meeting, i.e. call it to order, etc. Schmitt will be leading three events through the library regarding the Grignon family on June 17th, July 15th and August 19th all beginning at 6:30 p.m. The Board discussed cross advertising the events on the Mansion Facebook events page.

Other Business

Summer Meetings:

Engels indicates it had been suggested previously to cancel summer meetings. The Board discussed this and indicated that summer meetings were important due to the number of events being held in the summer. The Board agreed to continue holding summer meetings.

Mansion Summer Open Hours:

Robust discussion regarding the 2025 summer open house hours. It was discussed that over the last several years, the open hours seemed to have decreased. Several reasons as to why were addressed including lack of volunteers, the role the former Director had and their need to be on site for each open weekend, lack of attendance at the scheduled open house times. One option discussed was to allow small groups to schedule an appointment time to tour the Mansion outside of the posted open hours so that the Mansion could hold tours with guaranteed attendance. It was decided to change the verbiage on the website to allow for small group appointments outside the listed open house hours. The lack of volunteers was discussed. There is a lack of volunteers everywhere. This discussion focused on the need for someone, or several people, to be at the Mansion during open hours even if no tours are scheduled which may deter people from volunteering; however, several on the Board indicated if a scheduled tour, outside of the standard hours was scheduled, they would be able to assist in completing a tour. Frankly, the lack of attendance does not attract volunteers to give up weekends of their time in the summer to sit at the Mansion with no tours to give. It was discussed that we could reach out to other historical sites in the area and put together a, “passport” of sorts to include several sites to visit in the area to attract more people to tour the Mansion. It was also discussed to reach out to businesses, Chamber of Commerce, etc. to include the Mansion as a possible event for a tour when they are hosting meetings and conferences. Discussion continued to advertising to get the Mansion known throughout the state and beyond, it appears that advertising is a Friends responsibility. It was confirmed that an AI search of things to do in Kaukauna returns the Mansion as the first event. It was discussed to try to have more of a social media presence and again to start including small groups by appointment. Engels pointed out there is availability to advertise at the Kaukauna Farmer’s Market. At one point, the Friends did have tri-fold brochures made which were distributed to gas stations, motels, etc. in the area and surrounding areas.

Review/Approve Minutes from March 24, 2025 Meeting,

Motion by to approve Minutes, Moore moves, Hansen seconds, Minutes approved.

Report from the City (Engels)

Engels indicated that the archeological dig was of lower Grignon Park area from 4-17-2025 through 4-19-2025. The results will be calculated and they will let us know and provide information to us. The dig is being handled by a different group than previously, this is not through Lawrence University. This dig is with Jordan Karsten (sp) with UW-Oshkosh as a side project. The scope of work was approximately 100 feet behind the home near the blacksmith shop.

Questions from the Board:

Did the area that was dug include the High School Project area? When will the report be completed? Who gets the necessary Public Land Permit.

Answers from Engels:

No, the High School Project area was not included, the report will be completed once the public land permits is secured, the WHS must get the permit.

Upcoming Events:

“Rob Jackels Memorial Car Show” will take place on 8-10-025 with support from Action Auto, community members and the Friends.

Schmitt questions if there is a “point person” for this event. The Friends have a subcommittee in conjunction with Ed Howard with Action Auto- there will be flyers, other sponsors and through word of mouth. Many would like to assist as it is a memorial event.

Opening Weekend/Tours: Will be the 2nd and 4th weekends starting 6-14-2025 lasting until 8-24-2025.

Civil War Reenactment: 8-23-2025 through 8-24-2025.

Hanson requested information on a Native American Pow-wow this year, Engels indicated due to a scheduling issue, this event is not scheduled.

Report from Friends

No Grignon Friends were in attendance to provide a report

Report from the Chair

No current chair- N/A

Board discussion on Chair position, a nomination was agreed upon. Crook motioned that Schmitt become Chair, Moore seconded, Motion carries.

Former Chair, Thiele, is supportive of Grignon and will assist in events. Moore volunteered to be the member on the Board from the City Council.

Other Business

Hanson- discussed a possible project/incentive to invite more visitors to the Mansion through the building and utilization of Purple Martin birdhouses for birdwatching. Board would need additional information regarding building costs, etc.

Set Next Meeting Date and Location

Monday, May 19, 2025 at 4:30 p.m. in lieu of 5-26-2025 which is Memorial Day, the 5-19 meeting will be in the Hydro View Room.

Minutes for 1000 Islands Environmental Center Committee Meeting on Thursday, April 17, 2025

Members Present Hietpas, Jakel, Eggleston, Manion, White, Breitzman, and Van Berkel

Not Present West, Pautz, and Rumbuc

Also Present Brad Garrity, Cassandra Kohls, and Terri Vosters

White called the meeting to order at 6:33 PM. A quorum was present.

Public Appearances None

March 20, 2025, Committee Meeting Minutes

Manion motioned to approve the meeting minutes. Seconded by Hietpas. Motion carried.

Financial Reports

The amended February Financial report was reviewed. Van Berkel noted a \$6,000 loss on the Community Foundation Endowment statement. Van Berkel moved to approve the amended February Financial Report. Seconded by Jakel. Motion Carried.

The March Financial report was reviewed. The Park and Pool Capital listed was confirmed by Vosters to only include 1000 Islands projects. Eggleston motioned to approve the March Financial report, seconded by Breitzman. Motion carried.

Donation Report

White noted the increase in collection bin funds. Garrity noted an increase in visitors and the Luminary Hike helped. Manion motioned to approve the Donation Report, seconded by Jakel. Motion carried.

1st Quarter Usage Report

Van Berkel expressed surprise at the number of non-Kaukauna schools that attended. Garrity noted an increase in attendance from Green Bay Area schools, attributing this to press releases that were distributed in that region.

Friends of 1000 Islands Report

Hietpas reported that planning for the Art Fair is underway. The maple syrup season has concluded, with approximately 11 gallons produced, which is less than last year. The previous two years were also not good for maple syrup production, possibly due to a lack of snow. However, enough syrup was made for next year's Pancake and Porkie breakfast and to provide to the landowner who allowed us to tap their trees. Maple syrup will be available for purchase at \$8 per pint and \$12 per quart in the Nature Center gift shop, reflecting a slight increase of \$0.50 over last year. Garrity researched statewide maple syrup costs to justify the increase. Hietpas reported having sufficient help from staff and volunteers. Jakel inquired about the total number of trees tapped, and Hietpas will gather that data for next year.

The Art Fair is scheduled for Sunday, May 18, 2025. Friends of 1000 Islands members will meet next Monday to finalize details. Vendor spots are still available, and raffle donations have been collected.

Naturalist's Report

Garrity reported that River Jam is seeking volunteers. Volunteers will be paid \$12 per hour, with the money going to a non-profit of their choosing. Members were encouraged to volunteer to support the Friends of

1000 Islands. 1000 Islands will migrate to the City's website and will receive a payout for the remaining balance of the contract with our current website hosting vendor.

The sugarbush program is gaining popularity, with the XYZ senior citizen program recently attending a maple syrup program at 1000 Islands. Funds are being collected for memorial benches, with a batch order planned for May. Benches will be installed on the boardwalk. Some settling is occurring in the bridges and boardwalk, and Radtke will return to make adjustments in a few weeks. Trail signage will be purchased from the Bureau of Corrections, and staff will explore grant funding for the signage.

Snow removal options for the boardwalk will be piloted next winter, as sizable snow accumulations currently prohibit use. The Nature Center siding project has been completed by the Street Department, and Garrity commended the Street Department for their timely completion and quality of work. The project was under budget, and a new exterior sign will be installed on the building. Graffiti on the Overlook will be painted over.

Admin and Finance Sub-Committee

The Community Foundation year-end summary and Golden Investment quarterly statement were reviewed. Van Berkel noted that the Committee will need to decide how to utilize the \$13,000 balance in the Golden Investment account. Garrity suggested discussing this at a future Admin Finance sub-committee meeting.

Education Sub-Committee

A Sign-up Genius will be created for Spring-Summer Programs to recruit field trip volunteers. Goat watcher sign-ups will be available soon, with the link shared on Facebook. River View Middle School will return for water testing and crayfishing activities on Earth Day. Gonnering was called upon to assist with teaching invasive species sessions to 275 students from West De Pere over the course of two weeks. Last summer's intern, Maddie West, will return this summer. The Summer program guide has been released. The first section of goat fencing has been installed. Fox Valley Technical College students will partner with 1000 Islands to assist teaching programs during the field trip season. Pautz is working on a potential eagle nest camera for the 1000 Islands property.

Building & Grounds

The project discussion meeting has been postponed to May 5, at 9:00 AM. Manion suggested holding an Admin-Finance meeting back-to-back on the same day. Vosters mentioned that Department head Capital Improvement Plan (CIP) discussions will begin on April 24, and a 5-year calendar will be discussed.

New Business

John Neumeier presented an overview of the Outagamie County-Land Conservation Department (OC-LCD) proposed practices to address washout areas and riverbank erosion, including the installation of a step pool system to address the ravine. Native seeds will be purchased to restore habitat. The project is targeted for Fall 2025-Winter 2026. The City has budgeted \$100,000 for the restoration, and the GLSNRP (Great Lakes Sediment and Nutrient Reduction Program) grant would extend the budget to \$430,000. The City aims to provide in-kind contributions and letters of support from various Committees. Estimated agricultural runoff is 37 tons of sediment into the Lower Fox River per year. Van Berkel inquired about cost-sharing. Neumeier indicated a \$30,000 City contribution would be required: \$10,000 from US Fish and Wildlife for native seeding, \$10,000 from volunteers for in-kind labor such as spreading wood chips, and \$10,000 from OC-LCD for administration. Hietpas asked about the longevity of the practices. Garrity stated the practices are engineered to last 10 years. Eggleston asked about the grant application deadline. Neumeier stated the deadline is the end of April, and we should know by mid-summer if the grant is accepted. Van Berkel motioned for the Naturalist to write a letter of support for the project and grant

application; seconded by Hietpas. Motion carried. Manion suggested contacting the City Attorney regarding the removal of a citizen's deer hunting stand from the project area.

Vosters presented the By-Laws and items that could be updated were highlighted, having researched the Committee's history and consulted with the former Naturalist/Director, Nowak. Ordinance 1857-2022 is outdated and is currently being reviewed by the City Attorney for language updates. Manion noted that the new staff are collaborative and plan to work closely with the City. Vosters mentioned that the Committee will serve in an advisory capacity rather than creating policies and procedures. Hietpas voiced concerns about the Committee losing its authority. Vosters proposed that the relationship between the Committee and the City should be collaborative. A draft of the updated ordinance will be presented at the next meeting, which will have an impact on the By-Laws. Hietpas suggested making the Site Manager position full-time, and Vosters recommended discussing this at the Admin-Finance Sub-Committee meeting to include it in the City's People Plan.

Good of the Center

Gonnering is seeking used pots and pans for the new mud kitchen under construction. Hietpas suggested utilizing the pans already available on site. The mud kitchen will also include a balance beam and stepping stones. Additionally, Van Berkel's concept of an indoor touch table will be explored.

Next Committee Meeting

The next Committee Meeting will be on May 15, 2025, at 6:30 PM in the Nature Center building.

Adjournment

There being no further business, Hietpas moved to adjourn the April 17, 2025, Committee Meeting at 7:50 PM. Seconded by Breitzman. Motion carried.

 Re: Update to 17.51

Background information:

In 2017 Wisconsin Act 243 passed which repealed Wis. Stat. § 62.23(7)(d)2m.a, which required a three-fourths vote by the governing body to approve a proposed zoning amendment when a protest petition was filed. And in 2023 Wis. Act 16 created Wis. Stat. § 66.10015(3)(a), which provides that a zoning amendment only requires approval by a simple majority of a quorum of the members-elect. These law changes have implications for [Section 17.51](#) in the City's ordinances. Currently 17.51(4)a has language that would require a three fourths majority vote to approve a zoning amendment if 20 percent of the owners in the immediate area signed a petition in opposition. Based on the above-mentioned law changes and guidance from the Wisconsin League of Municipalities staff is recommending to update the ordinance to remove that specific provision. As part of this change updating the fee for this process is also included to have it set by resolution from time to time. The Plan Commission has reviewed and is recommending approval of update. See the Ordinance language below with edits:

17.51 Amendments

1. *Power of amendment.* The city council may from time to time, on its own motion or petition, amend, supplement, or change this chapter, including the official zoning map.
2. *Procedures.* The city council shall refer every proposed amendment to the city plan commission for a report and recommendation. If the city council does not receive a report and recommendation from the city plan commission within 60 days of submitting the proposed amendment, the city council may proceed with the necessary hearing.
3. *Public hearing and notice.* No amendment of this chapter shall become effective until a public hearing is held before the city council where parties in interest and citizens shall have the opportunity to be heard. A class 2 notice in accordance

with Wis. Stats. ch. 985 shall be published in the official newspaper of the city once during each of the two weeks prior to such hearing. At least ten days before the public hearing, a written notice of such hearing shall also be given to the clerk of any city whose boundaries are within 1,000 feet of any lands included in the proposed amendment. Failure to give such notice shall not invalidate such amendment.

4. *Final approval.*

1. An amendment shall become effective upon a majority vote of the members of the city council voting on the proposed change. ~~However, in case of a protest against such amendment, duly signed and acknowledged by the owners of 20 percent or more of the land included in such proposed amendment or by owners of 20 percent or more of the area immediately adjacent extending 100 feet therefrom, or by owners of 20 percent or more of the land directly opposite thereto extending 100 feet from the street frontage of such opposite land, such amendment shall not become effective except by a favorable vote of three-fourths of the members of the city council voting on the proposal.~~
2. No amendment concerning the floodway, flood fringe, or general floodplain districts, shall become effective until also being approved by the department of natural resources, the Federal Insurance Administration and, in the case of district boundary amendments, until an official letter of the boundary change has been issued by the Federal Insurance Administration.

5. *Amendments to floodplain districts.*

1. *Actions requiring amendment.* Actions which require amendment include, but are not limited to, the following:
 1. Any change to the official floodplain zoning map, including the floodway lines or boundary of the floodplain area.
 2. Correction of significant discrepancies between the water surface profiles and floodplain zoning maps.
 3. Any fill in the floodplain which raises the elevation of the filled area to a height at or above the flood protection elevation and is contiguous to land lying outside the floodplain.
 4. Any fill or encroachment into the floodplain that will cause a change equal to or greater than 0.01 foot in the height of the regional flood.
 5. Any upgrading of floodplain zoning ordinances required by Wis. Admin. Code § NR 116.05(4), or otherwise required by law.
2. *Referral and approval.* Copies of the proposed amendment and notice of public hearing shall be submitted to the appropriate district office of the department. No amendment to the floodplain maps or text shall become effective until reviewed and approved by the department. When considering amendments to the official zoning map in areas where no water surface profile exists, the city shall consider data submitted by the department, on-site inspections, and other available information.

3. *Flood easements.* All persons petitioning for a map amendment which involves an increase in the height of the regional flood of 0.01 foot or more shall obtain flooding easements or other appropriate legal arrangements from all affected local units of government and property owners before the city may approve such amendment.
 6. *Fees.* Any petition for an amendment shall be accompanied by a fee ~~of \$25.00~~ as set by the City Council by resolution from time to time, to compensate the city for publication of notices and other expenses. No action shall be taken until such fee has been paid.
 7. *Annexation to city.* All new territory annexed to the city shall automatically become residential single-family district until definite boundaries and regulations for such territory are recommended by the plan commission and adopted by the council.

 GOVERNMENT CORNER

PLANNING & COMMUNITY DEVELOPMENT

Gregory Lauer has submitted an annexation request for direct annexation of parcel 030032306. The annexation request is for a total of 16.905 acres. As it currently stands, the property would default to Residential Single-Family for zoning if the annexation is approved, which is compliant with the City's comprehensive plan. The property can be serviced with water and sewer by the City and this is one of the reasons the owners of the property are requesting to annex into the City.

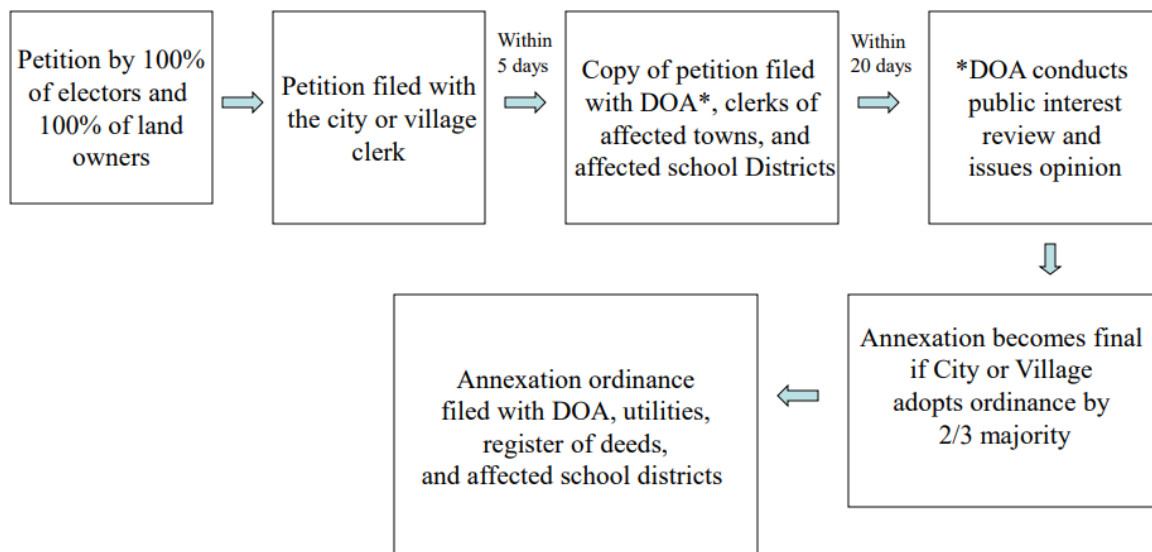

Attached is the annexation petition for greater detail and below is a simple map showing the proposed annexation area.

See the below chart and link for more information on the unanimous consent annexation process.

Subject: LAUER ANNEXATION

The proposed annexation submitted to our office on May 27, 2025, has been reviewed and found to be in the public interest. In determining whether an annexation is in the public interest, s. 66.0217 (6), Wis. Stats. requires the Department to examine "[t]he shape of the proposed annexation and the homogeneity of the territory with the annexing village or city..." so as, to ensure the resulting boundaries are rational and compact. The statute also requires the Department to consider whether the annexing city or village can provide needed municipal services to the territory. The subject petition is for territory that is reasonably shaped and contiguous to the City of Kaukauna, which is able to provide needed municipal services.

Note: This annexation appears to create an isolated town island area contrary to s. 66.0221, Wis. Stats.

The Department reminds clerks of annexing municipalities of the requirements of s. 66.0217 (9)(a), Wis. Stats., which states:

"The clerk of a city or village which has annexed shall file immediately with the secretary of administration a certified copy of the ordinance, certificate and plat, and shall send one copy to each company that provides any utility service in the area that is annexed. The clerk shall record the ordinance with the register of deeds and file a signed copy of the ordinance with the clerk of any affected school district..."

State and federal aids based on population and equalized value may be significantly affected through failure to file with the Department of Administration. Please file a copy of your annexing ordinance, including a statement certifying the population of the annexed territory. **Please include your MBR number 14762 with your ordinance.** Ordinance filing checklist available at <http://mds.wi.gov/>, click on "Help on How to Submit Municipal Records". Email scanned copy of required materials (color scan maps with color) to mds@wi.gov or mail to: Wisconsin Department of Administration, Municipal Boundary Review, PO Box 1645, Madison WI 53701-1645.

By: City of Kaukauna

RESOLUTION DECLARING OFFICIAL INTENT TO REIMBURSE EXPENDITURES FROM PROCEEDS OF BORROWING NOT TO EXCEED \$5,000,000 – KAUKAUNA UTILITIES WATER TREATMENT SYSTEM IMPROVEMENT PROJECT

WHEREAS, the City of Kaukauna, Outagamie County, Wisconsin (“the Municipality”) plans to undertake the Water Treatment System Improvement Project (collectively, “the Project”); and

WHEREAS, the Municipality expects to finance the Project on a long-term basis by issuing bonds or promissory notes (the “Bonds”); and

WHEREAS, because the Bonds will not be issued prior to November 2025, the Municipality must provide interim financing to cover costs of the Project incurred prior to receipt of the proceeds of the Bonds; and

WHEREAS, it is necessary, desirable, and in the best interests of the Municipality to advance moneys from its funds on hand on an interim basis to pay the costs of the Project until the Bonds are issued.

NOW, THEREFORE, BE IT RESOLVED, by the City Council of the Municipality, that:

Section 1. Expenditure of Funds. The Municipality shall make expenditures as needed from its funds on hand to pay the costs of the Project until Bond proceeds become available.

Section 2. Declaration of Official Intent. . The Municipality hereby officially declares its intent under Treas. Regs. Section 1.150-2 to reimburse said expenditures with proceeds of the Bonds, the principal amount of which is not expected to exceed \$5,000,000.

Section 3. Unavailability of Long-Term Funds. No funds for payment of the Project from sources other than the Bonds are, or are reasonably expected to be, reserved, allocated on a long-term basis, or otherwise set aside by the Municipality pursuant to its budget or financial policies.

Section 4. Public Availability of Official Intent Resolution. This Resolution shall be made available for public inspection at the City of Kaukauna office within 30 days after its approval in compliance with applicable State law governing the availability of records of official acts including Subchapter II of Chapter 19, and shall remain available for public inspection until the Bonds are issued.

Section 5. Effective Date. This Resolution shall become effective upon its adoption and approval.

ADOPTED on this 15th day of July, 2025 by the City of Kaukauna, Outagamie County, Wisconsin.

ORDINANCE REPEALING AND REPLACING SECTION 19.30.

WHEREAS, on January 16, 2024, the Common Council of the City of Kaukauna passed and adopted Ordinance 1900-2024 repealing and replacing Section 19.30(1) of the City of Kaukauna Municipal Code; and,

WHEREAS, an error within the language of Ordinance 1900-2024 may be misconstrued or cause confusion; and,

WHEREAS, it was not intended to remove Section 19.30(1)(b) from the City of Kaukauna Municipal Code; and

WHEREAS, the matter having come before the Legislative Committee, and having been recommended for approval to the Common Council of the City of Kaukauna;

NOW, THEREFORE, the Common Council of the City of Kaukauna, Wisconsin, do ordain as follows:

SECTION 19.30 is hereby repealed and replaced as follows:

The building inspector or code enforcement officer shall take the necessary action to see to it that violations of this chapter are prosecuted in the municipal court. However, nothing in this chapter shall preclude the building inspector or code enforcement officer from commencing actions directly under Wis. Stats. § 66.0413 under local ordinances relating to the abatement of nuisances or under Wis. Stats. § 823.02. In any court action or legal proceeding, any error, oversight, or declaration of duty on the part of the building inspector or code enforcement officer, shall not constitute a defense.

1. *Notice of violation and order.* As a complete alternative to the direct commencement of a court action, the building inspector or code enforcement officer may serve a notice of violation and order on the owner or any person responsible for the use or occupancy of a building or structure in violation of the provisions of this chapter. If a notice of violation and order is not complied with promptly, the building inspector shall see to the enforcement under this subsection. Where circumstances warrant, the building inspector or code enforcement officer may grant reasonable extensions of time for the completion of any remedial action required.
 - a. The notice and order provided for herein shall:
 1. Be in writing.
 2. Include a description of the real estate sufficient for identification.
 3. Specify the violations which exist, and the remedial action required.
 4. Allow a reasonable time for the performance of any act it requires.
 5. Include a copy of the appeal procedure.
 - b. Notice of violation shall be served upon the owner of record or other responsible

- person by certified mail or by direct delivery. Where the owner of record cannot be found, notice of violation shall be deemed to have been delivered by leaving a copy of the notice of violation at the individual's usual place of abode with a person of suitable age and discretion, who shall be informed of the contents, by posting a copy of the notice of violation in a conspicuous place in or about the structure affected by the notice or by causing such notice to be published in a newspaper of general circulation in the area as a Class 2 notice.
2. *Appeals.* Any person aggrieved by an order entered by the building inspector under subsection (1) of this section shall have the right to appeal the order under the provisions of subsection 14.23(4).
 3. *Assistance from other officials.* The building inspector in the performance of his duties shall receive the assistance of the chiefs of the police and fire departments and of all other appropriate city officials, including the city attorney, in prosecuting violations of this chapter.

CITY OF KAUKAUNA

ORDINANCE NO. 1937-2025

ORDINANCE REPEALING AND REPLACING SECTION 17.51

WHEREAS, in 2023 Wis. Act 16 created Wis. Stat. § 66.10015(3)(a), which provides that a zoning amendment only requires approval by a simple majority of a quorum of the members-elect; and,

WHEREAS, the League of Wisconsin Municipalities recommends updating local ordinances that require a super-majority vote for zoning amendments; and,

WHEREAS, the Plan Commission has recommended the following ordinance changes; and,

WHEREAS, the Legislative Committee has recommended the following ordinance changes; and,

WHEREAS, a public hearing was held on July 15th, 2025 at the Council meeting to hear any public comments on this matter; and,

WHEREAS, the Common Council finds the following ordinance changes to be in the public interest;

NOW THEREFORE, it is ordained by the Common Council of the City of Kaukauna, Wisconsin, that Ordinance Section 17.51 of the Kaukauna Municipal Code be created as follows:

BEFORE ADOPTION

17.51 Amendments

1. *Power of amendment.* The city council may from time to time, on its own motion or petition, amend, supplement, or change this chapter, including the official zoning map.
2. *Procedures.* The city council shall refer every proposed amendment to the city plan commission for a report and recommendation. If the city council does not receive a report and recommendation from the city plan commission within 60 days of submitting the proposed amendment, the city council may proceed with the necessary hearing.
3. *Public hearing and notice.* No amendment of this chapter shall become effective until a public hearing is held before the city council where parties in interest and citizens shall have the opportunity to be heard. A class 2 notice in accordance with Wis. Stats. ch. 985 shall be published in the official newspaper of the city once during each of the two weeks prior to such hearing. At least ten days before the public hearing, a written notice of such hearing shall also be given to the clerk of any city whose boundaries are within 1,000 feet of any lands included in the proposed amendment. Failure to give such notice shall not invalidate such amendment.
4. *Final approval.*
 1. An amendment shall become effective upon a majority vote of the members of the city council voting on the proposed change. However, in case of a protest against such amendment, duly signed and acknowledged by the owners of 20 percent or more of the land included in such proposed amendment or by owners of 20 percent

or more of the area immediately adjacent extending 100 feet therefrom, or by owners of 20 percent or more of the land directly opposite thereto extending 100 feet from the street frontage of such opposite land, such amendment shall not become effective except by a favorable vote of three-fourths of the members of the city council voting on the proposal.

2. No amendment concerning the floodway, flood fringe, or general floodplain districts, shall become effective until also being approved by the department of natural resources, the Federal Insurance Administration and, in the case of district boundary amendments, until an official letter of the boundary change has been issued by the Federal Insurance Administration.
5. *Amendments to floodplain districts.*
 1. *Actions requiring amendment.* Actions which require amendment include, but are not limited to, the following:
 1. Any change to the official floodplain zoning map, including the floodway lines or boundary of the floodplain area.
 2. Correction of significant discrepancies between the water surface profiles and floodplain zoning maps.
 3. Any fill in the floodplain which raises the elevation of the filled area to a height at or above the flood protection elevation and is contiguous to land lying outside the floodplain.
 4. Any fill or encroachment into the floodplain that will cause a change equal to or greater than 0.01 foot in the height of the regional flood.
 5. Any upgrading of floodplain zoning ordinances required by Wis. Admin. Code § NR 116.05(4), or otherwise required by law.
 2. *Referral and approval.* Copies of the proposed amendment and notice of public hearing shall be submitted to the appropriate district office of the department. No amendment to the floodplain maps or text shall become effective until reviewed and approved by the department. When considering amendments to the official zoning map in areas where no water surface profile exists, the city shall consider data submitted by the department, on-site inspections, and other available information.
 3. *Flood easements.* All persons petitioning for a map amendment which involves an increase in the height of the regional flood of 0.01 foot or more shall obtain flooding easements or other appropriate legal arrangements from all affected local units of government and property owners before the city may approve such amendment.
6. *Fees.* Any petition for an amendment shall be accompanied by a fee of \$25.00 to compensate the city for publication of notices and other expenses. No action shall be taken until such fee has been paid.
7. *Annexation to city.* All new territory annexed to the city shall automatically become residential single-family district until definite boundaries and regulations for such territory are recommended by the plan commission and adopted by the council.

(Code 2011, § 17.51)

AFTER ADOPTION

17.51 Amendments

1. *Power of amendment.* The city council may from time to time, on its own motion or petition, amend, supplement, or change this chapter, including the official zoning map.
