Re: Capital Improvement Update

We are still currently in the signing contracts phase for the AMHS. There has been some back and forth contract changes with mk Solutions, but I think that will be wrapped up shortly. We are hoping to begin install of the AMHs, self-checks, and gates in early October after construction finishes in August.

A pre-construction meeting will likely be taking place the last week in April.

My next step in the process will be the furniture now that we know how large the AMHS is, as well as the square footage of the office spaces. So another RFP will need to go out for furniture proposals.

Date: 4/16/25 Re: Staffing Update

We still had two open part-time positions at the Library in early April, and were able to fill them internally this month. On-Call staff member, Owen Duescher, started as a part-time Library Assistant on April 9. On-Call staff member, Amber Wolfinger, will start as a part-time Library Assistant on May 1. Both Owen and Amber will be helping with Circulation reports as their emphasis area.

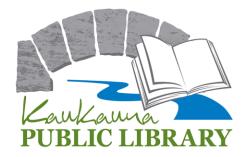

OWLS recently released a list of the reports that they are able to generate for us and we realized that it would be helpful to utilize our open positions to reflect our need for collection management help. Several fulltime staff members are also assigned daily and monthly reports to reconcile, so this is also an opportunity to take a few things off their plate by reassigning.

As two On-Call staff members did move into regular positions, we are short On-Call staff again. James is currently finishing the training of two other On-Call staff members and once they are in the pool, we will consider posting for On-Call staff again.

Date: 4/16/25

Re: Upcoming Staff Training

The Library will be closed on Friday, April 25 for staff training and carpet cleaning.

Staff have an extremely busy day of training. A few of the things we will be going over include artificial intelligence (AI) training and a demo of the Copilot AI function in Microsoft Teams. We will also have a demo of our new database, Newspaper Archive, and a demo on new equipment, including the disc cleaning machine and cold laminator.

Staff will also be going through the Summer Learning Program (SLP) for this year and the subsequent online SLP database Beanstack that we use. We will also be having refresher training on closing procedures, hotspots, shifting online registrations to regular accounts, damage to materials procedures, adding and removing notes to accounts, and going through the new City accident report form.

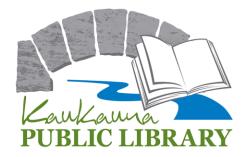

We will also be setting up for our book sale later in the day with the help of volunteers and doing a demonstration for both staff and volunteers on how to use our new credit card reader. We also have quite a bit of in-house work to do including moving some items from one storage point to another, as well as shifting materials in the stacks, and bringing up items for the outdoor garden from storage.

We will also be having a speaker from the Inclusion Community Center come speak to us about how we can better serve adult patrons with disabilities here at the Library.

Date: 4/16/25

Re: Collection Management

Collection management has been a high priority for the Library, but given staffing limitations, we have not been able to spend quite as much time in the stacks as we would like and should. However, with the addition of hours with the new positions, we have been very lucky to find some extra time in our schedules to spend more time in the stacks lately.

Last year, James and Dafina were able to get through the entire Science Fiction/Fantasy collection and clean up series (order missing copies), weed, ensure spine labels are correct, and inventory the collection, so it accurately reflects our holdings with what is listed in InfoSoup. Recently, I was able to inventory the Inspirational Collection after Dafina had fixed all of the spine labels. I was able to clean up all of the series in the collection, so we anticipate even greater circulation from the collection now that it has complete series.

This process will take place throughout the building over roughly the next two to three years, because it is quite costly to clean up multiple collections. The goal is to complete this for all our fiction holdings, so in future, it will be just spot ordering as needed, and then inventories. The Inspirational collection, which is only one full stack, cost just under \$2,500 to re-order all the missing titles in it to complete series.

James will be actively working on a spreadsheet for the Mystery collection, while I work on the Romance collection, so we will be prepared for next budget cycle. Those collections are both quite large and will likely be all we can afford to do in 2026.

We currently budget how much per month, per collection that we want to spend on each different collection. Annually we sit down and look at what publishing and circulation trends are, which collections are lacking in size and need extra funds, and if there are new collections or materials we should be adding. We we will utilize those spreadsheets in the meantime, to reorder needed books when there are funds left in the line, after we have already ordered the new titles for that collection for the month. The spreadsheet automatically adjusts monthly spending for the line if we go over or under the allocation. If a line goes over, we can adjust other lines as needed to accommodate the change.

Sarah will be starting this process in the Youth Department as well. This year she will be completing the series audit and inventory in our Early Chapter book collection, as a majority of that collection, more than three-fourths of it are series, many of which are not complete.

Adult Services Librarian Report April 2025

Programming

Make and Mingle

In April Jenny taught patrons how to make a recycled book vase. She also provided pinwheels to put inside the pages of the vase for decoration.

A book defiled for craft purposes (above).

Landlord and Tenant Rights and Responsibilities with Jeff Kersten

On April 10th Jeff Kersten from the Department of Agriculture, Trade & Consumer Protection stopped by to talk about landlord and tenant rights and responsibilities. Though admittedly the turnout was low, the patrons who did attend said they learned a lot from the presentation and were glad they came.

Focus on Local History

On April 15th Gavin invited Dr. Patrick Jung from the Milwaukee School of Engineering to give a lecture on the Black Hawk War of 1832 in Southern Wisconsin. Dr. Jung tailored the lecture towards how Kaukauna and the Fox Valley area influenced the war. Patrons were engaged in the presentation and asked many follow up questions.

Puzzle Palooza

On March 22nd the library hosted our 7th Puzzle Palooza event. At this event 10 teams of up to four people compete to put together the same 500 piece jigsaw puzzle. Registration was the most popular it has ever been, with a full competition of 10 teams and more than 10 other teams on the waitlist. This time team "We Came. We Jigsaw. We Conquered" won first place with a time of 46 minutes 49 seconds!

We Came. We Jigsaw. We Conquered. (left). The conference room full of competitive puzzlers (right).

Walking Club

Staff member Donna is again leading patrons through all of Kaukauna's wonderful trails. In April we are focusing on the various 1,000 Islands Environmental Center trails. Despite the brisk mornings, everyone is enjoying getting out in nature!

The Walking Club found a sign in the woods.

General Interest Attendance- 2948

Program Highlights

Weekly storytimes are a big hit in Kaukauna! Each storytime includes important components of early literacy, including print awareness, letter knowledge, and phonological awareness. By engaging children with interactive storytelling, books, and songs, we help develop listening skills, vocabulary, and a love of reading. We continue to see an impressive turnout for storytimes.

Spring break for the Kaukauna Area School District means escape rooms and scavenger hunts for the Kaukauna Public Library. Over 150 patrons attempted to escape the teen lab, with youth librarians learning many lessons. This drop-in activity quickly outgrew our vision, but we are wiser and better prepared to host another escape room in the fall!

Escape room participants solving puzzles and working together.

Community Outreach & Collaboration

School kiddos love library field trips! Tanner Early Learning Center 4K classrooms came for a library visit, and these young friends sure put a "spring" in our step! Be sure to stop in and see all their colorful artwork decorating the library, welcoming the warmer weather. Reading buddies from Freedom Elementary School also came for a library visit. They checked out books, toured the library, and ended with friends making plans for a return trip.

4K students adding details to the spring gardens.

The Kidz Expo was held in March this year, giving families something free and fun to do early in the season. Over 1500 attendees stopped by the library booth for games, crafts, and fun fidgets! Appleton Public Library helps staff and supply the booth, making it possible for us to be part of this event every year. United Way Fox Valley invited the library to join its Spring into Summer event at Menasha High School, and we are so glad we did! With carnival games and prize choices, our table was the spot to be. Outreach events are vital to promoting connections with organizations and connecting patrons with library services. These events

help promote literacy and lifelong learning and strengthen community relationships.

Left: Friends stopping by at the United Way Spring into Summer event.

Right: Fun and games at the Kidz Expo, with a special visit from APD!

April 2025 Local History Report

Gavin Schmitt, Local Historian

Fox Cities Magazine

• Fox Cities Magazine contacted us regarding the building at 145 East Second Street. They wanted to highlight restaurants in historic buildings. Look for an article in May – I provided a 100+ year summary and old photos, so we will see what makes it to print.

Recollection Wisconsin (RW)

- I remain on the steering committee for RW. In the past few months, four more organizations had their collections digitized and added to the index. This is useful for all of us, adding more context to statewide historical events. While KPL is Kaukaunafocused, it must be recognized that things that happen here do not happen in a vacuum.
- Potential budget and funding cuts at the federal level do risk affecting RW, which relies on federal funding for roughly 15% of its budget. While I do not see this affecting the mission of RW, it does cause us to be vigilant about trends in funding.

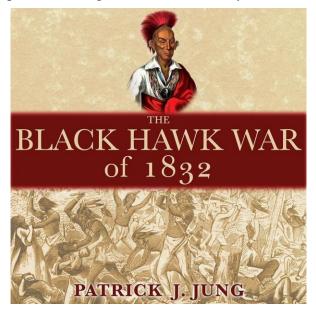

Grignon Family / Mansion

- As of mid-April, I serve as vice chair of the Grignon Mansion Board. Our chair, Pennie Thiele, has resigned, and this places me as acting chair.
- Going forward, I intend to make the goals of the Grignon Mansion and the KPL local history collection more interwoven. Obviously, the Grignon family is a key piece of Kaukauna history, so that connection is implicit. However, I feel that while the Mansion excels at fundraising events and operating as a house museum, it does not achieve its full potential as a place to highlight Kaukauna's importance in regional and state history. I

would like to increase the number of Grignon-adjacent events presented under the KPL banner. In conjunction with this, I have also reached out to *Voyageur* (a regional history magazine) about having more articles on the family's importance. They were very receptive, and I will be submitting an article for publication in the next few months.

Patrick Jung

 As part of the attempt to link local history and the Grignon family, Dr. Patrick Jung of Milwaukee spoke on April 15. Sponsored by a patron, Jung discussed the Black Hawk War (1832) and the leadership roles held by

Augustin and Charles Grignon during that conflict. Few people know about the Black Hawk War, and even fewer realize we have Kaukauna residents from 200 years ago who were active in that event. Jung was a here a few years ago, speaking on Jean Nicolet, which was a very engaging discussion that challenged many of our assumptions – it left a strong positive impression on me and several patrons. Jung is on my shortlist for guest speakers – he also has a talk on slavery in Wisconsin, which ought to be engaging and informative.

WIR

 Increasing the amount of material on Wisconsin International Raceway remains a priority for 2025. Multiple contacts have been made and people have expressed willingness to share what they have, but thus far, the fruits have been few. I have been adding items as they arrive, and intend to present a program on WIR / Evel Knievel later this year to spur more discussion.

Police

• In an earlier report, it was said that a target date for a Kaukauna Police Department book rough draft would be in May 2025. At this point (mid-April), the bulk of the research is done and the writing is progressing in earnest. I am over the 30,000-word mark, and believe I should be done on schedule.

DPI / OWLS

- This month during spring cleaning, Director Thiem-Menning discovered a large cache of documents, letters and reports that cover topics such as the creation of OWLS in the 1970s and DPI reports going back to 1925(!!!), written by KPL librarian Lillian Bell. I am going through them page by page to eliminate anything of no value* and hope to have the pages filed soon. While it is largely "minutiae" and nothing "juicy," the papers provide a rare look at communication between the library, the city attorney, OWLS and the state.
- * "no value" is subjective, of course. I mean such things as newspaper articles which are easily retrieved and don't need to be on file.

Chapter 25

Liability Issues

Liability Issues

 Generally, library trustees need fear no personal loss or liability for the honest performance of their official duties and exercise of powers granted by law. Wisconsin Statutes (Section 893.80(4)) and court cases generally provide that public officials are immune from individual liability for actions performed within the scope of their office

Liability Issues

But personal liability is still possible for intentional or careless injuries
or damages, illegal use of public funds or authority, ethics and
conflict-of-interest law violations, public records law violations, and
open meetings law violations. In the case of open meetings law
violations, an individual board member who is found to be in violation
of the law may be fined and must pay the fine personally, without
reimbursement from the library or municipality.

Liability Issues

 Library boards must also avoid taking actions that violate rights guaranteed by the federal constitution or federal law. Special care must be exercised in actions that concern discrimination laws, employment laws, and First Amendment rights. Before taking any actions that may jeopardize these rights, it is strongly recommended that the board seek the advice of the municipal attorney (or county corporation counsel in the case of a consolidated county public library board)

Liability Issues

 Wisconsin Statutes provide that if a claim is brought against the library board because of an act or omission of the library board and the claim is disallowed by the library board, the claimant may bring action against the municipality or county (Section 43.58(3)). Because the municipality or county is ultimately liable for any legal missteps by the library board, municipal and county attorneys are very willing to assist the library board with any legal questions.

Liability Issues

Under most circumstances, municipalities have a legal responsibility
to provide legal counsel to officers and employees (including library
officers and employees) in proceedings brought because of actions
taken while carrying out the duties of the office or position. Generally,
under these circumstances, the municipality must also indemnify or
pay for judgments for damages as well as other costs and legal fees.
 (See Wisconsin Statutes Section 895.46(1)(a) for the details, including
the limitations, of this law.)

Protections

- You can greatly lessen the possibility of liability if you, and your fellow board members, do all of the following:
 - Become knowledgeable about the various laws that apply to library board actions and library operations (such as the state open meetings and public records laws, state and local ethics laws and state and federal employment laws). See Trustee Essential #7, #14, #15, and #16 for more information about these laws.
 - Adopt written policies for operating the library and review all library policies on a regular cycle, ensuring that all policies (including the personnel policy) are reviewed at least every three years. See Trustee Essentials #7 and #10 for more information.

Protections

- Exercise care and diligence in board consideration of new or revised policies.
 Review each policy in light of the "four tests of a legally defensible policy" from Trustee Essential #10. Developing Essential Library Policies. "D vote against any proposed board action that you believe is illegal or improper. Vote to table an issue if you believe insufficient information has been provided on which to base an informed opinion. Make sure the minutes reflect your vote.
- Act and speak for the library only when authorized to do so by the full board.
- Avoid even the appearance of conflict of interest. (See Trustee Essential #16: Ethics and Conflict of Interest Laws Applying to Trustees for more information.)
- Consult with library system staff and/or the municipal or county attorney if you have concerns about the legality of any action or failure to take an action.
