Grignon Park Project Grant Pledges Fox Cities Convention and Visitors Bureau and Nelson Fund.

The KHS Civic Engagement Class presented a proposed Grignon Park Project to the council back in March 2023. This project includes a sledding hill, ice rink, and a multipurpose warming shelter. During the presentation, the group highlighted that this park enhancement would be a regional draw to the City of Kaukauna during the winter period. Since that presentation, City staff organized a stakeholder meeting in October 2023, which included all the clubs and organizations that would be impacted by this project. During this meeting, ideas and desires were shared. An updated presentation was provided to the council following this meeting. The Civic Engagement Class has continued to modify the project plan and is pitching the project to potential donors. The first two donors have pledged funds toward the project. The first pledge is \$200,000 from the Fox Cities Convention & Visitors Bureau and the second is \$250,000 from the Nelson Fund of the Community Foundation. Both grant pledges require some form of commitment from the City. Discussion held and question answered.

2. Discussion Topics.

a. Recommendation for award of Project 10-24 - LaFollette Park Pickleball Complex.

Project Engineer Taylor Conger has compared the two bids against the engineers estimate. The two bidders are within \$37,702.30 with their total base bid, which is a good indication that they are competitive. The two bidders were also within \$2,895.00 for Alternate Unit B

and within \$2,223.00 for Alternate Unit C, which continues to show the competition and great pricing. The engineer's estimate is compiled utilizing pricing from other municipalities' similar past projects and adjusted for inflation, and both bids were lower than that estimate. The lowest bid was \$167,362.70 lower than the Engineer's estimate, which again shows how great the pricing is for this work. Doctor Cherkasky has committed funds from the Fox Firecracker to purchase an AED for the Pickleball Complex. Questions from the Board were answered.

Motion by Coenen, seconded by Schell to award Project 10-24 LaFollette Park Pickleball Complex to Vinton Construction Company, Two Rivers, WI for all units A, B, and C, a total amount of \$344,509.30.

All Ald. Present Voted aye.

Motion carried.

b. State/Municipal Financial Agreement (SMFA) for County Trunk Highway J (CTH J).

DPW/Eng. Neumeier stated the proposed project will remove the existing CTH J bridge over I-41 and replace it with a new bridge. The CTH J roadway approaches will be constructed to match into the new bridge including reconstructing the roundabout intersections and approaching interchange ramps. The existing CTH J asphalt pavement will be replaced with a concrete pavement per the approved project pavement design. Sidewalks will be installed at no cost to the City. Discussion held and questions answered.

Motion by Moore, seconded by DeCoster to allow the Engineering Department to authorize DPW/Eng. Neumeier to sign State/Municipal Financial Agreement (SMFA) for County Trunk Highway J (CTH J).

All Ald. Present Voted aye.

Motion carried.

c. Public Works Update.

DPW/Eng. Neumeier provided information on the current projects happening. Utility projects are wrapping up. The asphalt paving for these projects will take place next week. All project utility work is in the cut-over phase. The utility portion of this project should be done by the end of the month and then paving will take place after Labor Day. Street crews are out doing asphalt patching, installing benches, and adding an asphalt patch by the Nelson crossing parking lot where an accessible portable toilet will be installed.

Street Superintendent VanGompel stated an asphalt pad has been added at LaFollette Park for a bike rack. Work continues at the Disc golf course. Calumet County has been contracted to paint road center lines. Seasonal workers are helping the crew with crack sealing asphalt streets and parking lots. Questions from the Board were answered.

a. Park Signage Donation Authorization – Grignon Disc Golf Course.

Appleton Area Disc Golf Club has been volunteering with clean-up and improvements, helping with new hole layouts, and collecting donations to improve the Grignon Park Disc Golf course. With the utility work, stream restoration, and ash tree removal work, there was a wonderful opportunity for upgrades to the course. New holes and signage are being donated and would be installed by public works, in addition to various new tee pads, benches, and site work. The following businesses, groups, and individuals would be recognized on the signage. • The Wingz Disc Golf Team and Ridge Roller Customs Team (4 holes) • Appleton Area Disc Golf Club (4 holes) • Wisconsin Disc Sports Association • Bad Batch CrossFit and Fox Valley Meal Prep • Andrew Wolfinger (2 holes) • Justin Lamers • Liz Phillippi • Yates Vanden Heuvel. d. **Grignon Mansion Civil War Living History Demonstration Request**

At the April 15, 2024, Health and Recreation Meeting, a motion to approve the Grignon Mansion Civil War Living History Demonstration was made contingent on receiving background checks and proof of insurance. The minutes of the April 15th Health & Recreation Meeting were adopted at the April 16, 7:00 PM Common Council Meeting, and a new Council was seated at 7:30 PM at the April 16th meeting. Because a new Council has been seated, I would like to revisit the concern about background checks on Civil War Reenactors.

Community Enrichment and Program Manager Mickelson stated that other groups with similar activities do not do background checks on participants and staff feels that having the liability waiver signed by participants would be sufficient. Re-enactors do provide proof of insurance.

Motion by Thiele, seconded by DeCoster to approve the Civil War Living History Demonstration without the contingency to run background checks on reenactors.

All members voted aye.

a. **Proposed No-Parking on the northside of St. Mary's Place – Sullivan to Hendricks.**

Kaukauna Police staff and Kobussen Bus safety coordinator have requested an area of St. Mary's Place have parking restricted due to school and bus traffic concerns. Street Superintendent VanGompel also met onsite with Kobussen staff to look at the concern. With current parking on both sides of St. Mary's Place, school busses entering and exiting the Quinney parking lot will cause backups and congestion as travel and turn areas become too tight to navigate. Our recommendation will be to create a no parking zone between the hours of 7:00 a.m. and 4:00 p.m., except Saturdays, Sundays, and holidays.

Motion by Moore, seconded by Antoine to direct the City Attorney to draft the necessary ordinance to restrict parking on the north side of St. Mary's Place between Sullivan Avenue and Hendricks Avenue.

All members present voted aye.

Motion carried.

b. **Request to Install Flashing Pedestrian Crossing Signs on Dodge Street – Municipal Pool.**

A request has been made to purchase, install, and maintain a set of flashing pedestrian crossing signs for the mid-block crossing on Dodge Street (CTH Z) near the municipal pool. During construction and continuing with the new Aquatic Center operations, staff has witnessed the difficulty pedestrians have crossing the road from the Diamond #1 parking lot to the pool. Being a county road, any recommendations from the City will also need approval from Outagamie County Highway Department.

Motion by Moore, seconded by Antoine to recommend approval of the installation of flashing pedestrian crossing signs for the mid-block crossing on Dodge Street (CTH Z) to Board of Public Works and Common Council.

All members present voted aye.

1. Correspondence – none.

2. Discussion Topics.

a. Recommendation for award of Project 6-24 - 1000 Islands Boardwalk Reconstruction.

The Engineering Department has compared the four received bids against the engineers estimate. The low bid was \$1,085.45 lower than the Engineer's estimate, which falls within budgeted costs. A bid tabulation file showing the pricing differences between the four received bids and between the engineer estimate and low bidder was provided. A Nelson Foundation Grant has been applied for to offset costs for this project. Staff will know soon if this grant is approved. Questions from the Board were answered.

Motion by Moore, seconded by Schell to award Project 6-24 – 1000 Islands Boardwalk Reconstruction to Radtke Contractors, Winneconne, WI for both units A and B, a total amount of \$399,819.55.

All Ald. present voted aye.

Motion carried.

b. Red Hills Landfill Update.

DPW/Eng. Neumeier introduced Ahlstrom representatives Aimee McClure, Environmental Manager and Eliza Brewer, Landfill and Wastewater Treatment Plant Manager. An overview with photos was given. They are trying to be more proactive to get leachate lines cleaned out and pumping off the surface. Ahlstrom continually monitors and reviews the program and parameters at the landfill to reduce odors. This area has received more precipitation during 2024 than 2023, especially during the months where we expect to be drier. Ahlstrom has been proactive on checking leachate lines by increasing the frequency of jetting to every other month, April, June, and August and has purchased a tanker to haul excess leachate back to the treatment plant. Discussion held and questions answered.

c. Interstate 41 Aesthetics Discussion.

DPW/Eng. Neumeier brought forth designs and will bring this matter back to the Board in September for approval and opinions on color and design. The Department of Transportation (DOT) is putting in sound barrier walls along portions of the highway at 100% DOT expense. DOT is also installing retaining walls, bridges, and possibly decals on fences with a regional symbol. The DOT will cover eighty percent of the costs for staining these features, enhanced landscaping, or the fence decals. Discussion was held and questions answered.

d. Public Works Update.

DPW/Eng. Neumeier provided information on the current projects happening. Concrete paving has begun on Crooks Avenue in the Quinny/Metoxen area. Two utility projects by Park School and Kenneth and Arthur Streets are mostly complete. Cleanup in these areas will begin soon. The Street Department crew has been busy with extra community events. Street Superintendent Van Gompel thanked Street Foreman Pete Nelson and the entire street staff for the work efforts for the Kaukauna Music Festival. Thank you to Mike Knott from the Kaukauna Athletic Club for allowing the City borrow their refrigeration trailer and the use of their freezers. Thank you to Matt Binsfeld and the Kaukauna JV and Varsity Football Team players for coming out and helping with cleaning up. Thirty kids came and helped clean-up the streambank between Draper and Wisconsin Avenue. Sixty kids came to spread mulch by the upper disc golf area. Questions from the Board were answered.

BOARD OF APPEALS

A Meeting of The Board of Appeals was called to order by Vice-Chair Hennes at 4:00 P.M. on Wednesday, July 31, 2024.

Members present: Brandt, Hennes, and Werschem.

Absent & Excused: Kavanaugh, Nisler, Fallona, Vandeberg

Also Present: Planning/Eng. Tech. Holmes, and applicant.

Motion by Werschem, seconded by Hennes to excuse the absent members.

All members present voted aye.

Motion carried.

Kenney read the official published ad relative to the appeal. Notice is hereby given that Ryan Wallander, 204 Depot Street, Kaukauna, Wisconsin has applied for a variance to the Zoning Board of Appeals for a decision of the City Building Inspector as follows:

ADDRESS OF AFFECTED PARCEL: 204 Depot St, Kaukauna WI 54130

The applicant is requesting a variance to construct a new garage. The proposed rear yard setback is 5.5 feet, whereas Kaukauna Municipal Ordinance Section 17.16 (4) (a) 1. e. requires twenty feet. The proposed addition will cover 35 percent of the lot with the existing structure, whereas Kaukauna Municipal Ordinance Section 17.16 (4) (a). 1. f. allows for 30 percent.

Property owner Ryan Wallander was sworn in.

Mr. Wallander gave background on the reasoning for the appeal request.

Planning/Eng. Tech. Holmes stated this property does have an unusual or unique characteristic which creates a hardship. The lot was platted below the required size in the current zoning code. The lot is also uniquely shaped. This hardship is not self-created. The applicant will not be able to construct the proposed garage without the granting of this variance. The variance is being requested in the minimum amount needed to allow construction of the garage. The granting of this variance will not have a negative effect on the neighboring properties. Most of the properties in the neighborhood have several encroachments into the required yards.

Motion by Werschem, seconded by Brandt to approve the variance to Ryan Wallander at 204 Depot Street, Kaukauna, WI 54130.

All members present voted aye.

Motion carried.

Motion by Werschem, seconded by Hennes to adjourn.

All members present voted aye.

Motion carried.

Meeting adjourned at 4:08 P.M.

All members present voted aye.

Kenney read the official published ad relative to the appeal. Notice is hereby given that Roxann Bannach, 1400 Main Avenue, Kaukauna, Wisconsin has applied for a variance to the Zoning Board of Appeals for a decision of the City Building Inspector as follows:

ADDRESS OF AFFECTED PARCEL: 1400 Main Avenue, Kaukauna WI 54130

The applicant is requesting a variance to construct a new shed. The proposed front yard setback is 1 foot from east 14th Street, whereas Kaukauna Municipal Ordinance Section 17.16 (4). (b) 4. B. requires twenty-five feet.

Property owner Roxann Banach was sworn in.

Ms. Banach gave background on the reasoning for the appeal request.

Planning/Eng. Tech. Holmes stated this property does have an unusual or unique characteristic which creates a hardship. The lot has a steep slope to the drainage way in the rear yard rendering the entire backyard unbuildable. This hardship is not self-created. The applicant will not be able to construct the proposed shed without the granting of this variance. The variance that is being requested is the minimum amount needed to allow construction of the shed. The granting of this variance will not have a negative effect on the neighboring properties. Most of the properties in the neighborhood have several encroachments into the required yards.

Motion by Hennes, seconded by Werschem to approve the variance to Roxann Banach, 1400 Main Avenue, Kaukauna, WI 54130.

All members present voted aye.

June = \$17,255.21; Revenue received to date for 2024 = \$94,745.42. WPS-Fox Energy purchased 35% of the effluent produced in June.

The average effluent concentrations for **June 2024** were as follows:

<i>Parameter</i>	<i>Monthly Average</i>	<i>Permit Limit</i>
BOD-Biochemical Oxygen Demand	5.6 mg/L	30 mg/L
Suspended Solids	6.7 mg/L	30 mg/L
Suspended Solids	330 lbs.	801 lbs.

All permit values were met for June 2024.

B. Operations & Maintenance Report

Dustin Jerabek provided a written O&M report and noted that plant operations and treatment were good for June considering the high amount of rain during the month. A new flowmeter was purchased and installed to control the water supply to the ATAD air scrubber. It was purchased from Thermal Process Systems at a cost of \$3,200. Communication issues from meter stations #3 and #4/7 continue; LW Allen will be sending a service tech to troubleshoot the problem. Re: Special Exception 194 Plank Road Unit change

A request has been received to update the previously granted Special Exception for 194 Plank Road to operate an adult assisted living service from 194 Plank Road to 150 Plank Road. An opportunity to move units came up after the Special exception was granted and by moving the unit it would be adjacent to the other unit at 154 Plank Road. This would provide a better situation for the tenants at the properties and better allow for staff at the units to assist one another when needed. No additional units are being requested strictly allowing for the change of address from 194 to 150 Plank Road. The Plan Commission has reviewed the request to change the address and Directed Staff to notify the tenants in the building and recommended the approval of the address change to the Common Council. Notice of the proposed change has been mailed to the three units in the complex as requested by the Plan Commission.

Recommendation:

To approve the address change of the units for the Special Exception from 194 Plank Road to 150 Plank Road.

Re: St. Mary's Place Parking Ordinance and Sullivan Bus Parking

Background Information:

At the August 5, 2024, Public Protection and Safety Committee meeting the committee approved a "Proposed No-Parking on the northside of St. Mary's Place – Sullivan Ave to Hendricks Ave" and directed the City Attorney to draft an ordinance to restrict parking on the north side of St. Mary's Place between Sullivan Avenue and Hendricks Avenue. The Ordinance creates a no parking zone in that area between 7:00am and 4:00pm, except Saturdays, Sundays, and holidays. The proposed Ordinance also removes restricted parking for school bus loading and unloading zones from Sullivan Avenue directly in front of Electa Quinney Elementary School.

Strategic Plan:

This recommendation is for the safety and wellbeing of pedestrians and traffic navigating this intersection during busy time periods and especially school children at drop-off and pick-up times.

Budget:

Minor expense for paint and signage.

Staff Recommended Action:

Approve the proposed ordinance to repeal and replace Section 7.12 Parking Regulations within the municipal code.

**CITY OF KAUKAUNA
ORDINANCE 1912-2024**

**ORDINANCE REPEALING AND REPLACING SECTION 7.12 PARKING
REGULATIONS**

WHEREAS, Kaukauna Police staff and Kobussen Bus safety coordinator have requested an area of St. Mary's Place have parking restrictions due to school and bus traffic creating traffic concerns; and

WHEREAS, with current parking on both sides of St. Mary's Place, school buses entering and exiting the Quinney School parking lot may cause backups and congestion as travel and turn areas become too tight to navigate; and

WHEREAS, busses use the parking lot south of Electa Quinney Elementary School for pick up/drop off, making the school bus loading and unloading zone in front of the school on Sullivan Avenue no longer needed;

NOW THEREFORE, be it ordained by the Common Council of the City of Kaukauna, in the State of Wisconsin, as follows:

Section 7.12 Parking Regulations of the City of Kaukauna Municipal Code is hereby repealed and replaced to read as follows:

Memorandum of Understanding (MOU)

Establishing Unified Command

For

Fox Cities Marathon 2024

Between Neenah-Menasha Fire Rescue (NMFR), Neenah Police Department (NPD), Menasha Police Department (MPD), Fox Crossing Fire Department (FCFD), Fox Crossing Police Department (FCPD), Appleton Fire Department (AFD), Appleton Police Department (APD), Fox Valley Metro Police Department (FVMPD), Kaukauna Fire Department (KKFD), Kimberly Fire Department (KFD), Harrison Fire Department (HFD), Outagamie County Sheriff's Department (OCSD), Winnebago County Sheriff's Department (WCSD), Calumet County Sheriff's Department (CCSD) collectively these emergency service departments will be referred to as (Departments).

- I. **Purpose:** The Departments share a common interest in protecting their communities, citizens, marathon participants and spectators of the 2024 Fox Cities Marathon (FCM). This MOU will assist all Departments in providing normal operations to the rest of their communities while still providing needed coverage to the FCM event.

It is anticipated that through this collaborative effort of this MOU, the FCM event will have minimal impact on the emergency responses to the rest of our communities.

- II. **Background and Authority:** FCM has been running for 31 years in our communities. During this time this event has grown and impacted all Departments operations. As the event has grown in popularity, the influx of volunteers, participants and visitors has grown to over 6,000 participants, 2,500 volunteers, estimated over 10,000 spectators.

While each department operates within their own jurisdiction and under their department's policies, this MOU would also allow Department's assets assigned to the FCM to be used by partnering agencies when responding to FCM calls for service.

- III. **Substance of Understanding:** This MOU is intended to form the basis of a Unified Command (UC). The UC can be filled by any Department personnel and would have the authority to:
- Dispatch units to needs within the FCM route.
 - Relocate Departments assets as needed throughout the FCM route.
 - Be in contact with participating department(s) duty commanders to end or extend the commitment of assets.

Pursuant to this MOU, Departments are required to complete ICS 204 Forms for their assets, thereby providing notice to the UC of resource availability during the FCM event. Each

- Department, at their discretion, may deny a request for equipment, but shall agree to make reasonable efforts to provide requested equipment unless it places a significant burden on the Department, or if resources are inadequate, unavailable, or already in use.
- IV. Resource Obligations: This MOU represents the broad outline of the Departments and FCM UC collaborative interest. It is not intended to create obligations to any departments involved, but to assist in providing the best service to our communities and to those participants and spectators of the FCM. This MOU does not affect nor supersede any existing or future arrangements between the Departments. This MOU shall only be in effect for 2024 FCM event, commencing Friday September 20, and ending September 22, 2024.
- V. Employment Status & Liability: Nothing in this MOU shall alter the employment status of any employee providing services under this MOU. Employees shall always continue to be subject to all standards of performance, disciplinary rules, and other terms and conditions imposed by their employer. No Department shall be responsible for the direct payment of any, salaries, wages, compensation, or benefits of any employee of another Department to this MOU. Any employee of any Department, while providing services consistent with this MOU, shall be covered by that Department for purposes of worker's compensation, unemployment insurance, benefits under Chapter 40 of the Wisconsin Statutes, and any civil liability. For the purposes of third-party claims or lawsuits, each Department shall be solely responsible for its own acts and those of its employees and officers under this MOU.
- VI. Requests for personnel assistance and/or resources: It is understood, as part of this agreement, that part of the unified command includes law enforcement from either a single agency or multiple agencies, who are exercising statutory authority per state law. Therefore, requests for personnel assistance and/or any request for resources from the Incident Command (or proper event authority) to any law enforcement agency are being made under mutual aid per Wis. § 66.0313. Law enforcement personnel working outside their jurisdiction or responding to requests outside their jurisdiction as part of this event, are deemed to be acting with lawful authority under the provisions of the mutual aid statute.
