DPW/Eng. Neumeier stated the City received two bids for the installation of the new light. Bodart Electric Service and Enterprise Electric submitted bid on October 30. This replacement is needed for the future use of the hardball diamond. It supports creating a community of choice by providing a field for evening and night games at the park. Questions from the Board were answered.

b. Authorization to enter into an agreement for design services for the Kaukauna Public Library (KPL) Interior Office and Workroom Improvements.

To accommodate the installation of the sorting machine at KPL, several office/desk spaces will need to be relocated. In addition, the current office/desk/meeting space is less than what is needed when the library is fully staffed. The City sought proposals from seven architectural/engineering(A/E) firms for interior office and workroom improvements; we received two proposals for the work. A summary comparison of the design phase is Short Elliot Hendrickson at \$6,000 and Dimension IV at \$22,800. Both companies demonstrated strong capabilities for work in libraries and historic buildings. SEH has also provided the design of the current KPL space.

Motion by DeCoster, seconded by Kilgas to authorize Director of Public Works to enter into an agreement with Short Elliot Hendrickson for Architectural/Engineering design services related to the Library Interior Office and Workroom Improvements for \$6,000.

All Ald. Voted aye.

c. Authorization to seek bids for a new automated garbage truck 228.

Within the 2025 Capital Improvement Plan the Street Department has a project for the replacement of truck 228, one of the three automated garbage trucks in the current fleet. Instead of trading or selling outright the current truck 228, we will be repurposing this unit to an automated leaf collection truck. Truck 228 is a 2014 Peterbilt with a 31yd Labrie packer. This unit has collected garbage daily on residential routes for 10 years. Truck 228 currently has 79,500 miles and over 9,600 hours. Lead time on getting this equipment is about 2 years. Questions from the Board were answered.

A.J.P.

Dear Mayor Penterman and the Common Council,

I am writing to formally submit my resignation from the position of District 4 Alderperson for the City of Kaukauna, effective November 20, 2024.

After thoughtful consideration, my family and I have made the decision to purchase a home in Grand Chute, which necessitates my stepping down from this role. Serving the residents of District 4 and working alongside the dedicated team at the City of Kaukauna has been an incredibly rewarding experience. Over the past 14 years, I have had the privilege of witnessing the growth and development of our community, and I am deeply grateful for the opportunity to contribute to that progress.

I would like to express my sincere appreciation to my colleagues, the residents of Kaukauna, and the entire city organization for your support, collaboration, and the many meaningful experiences I've had during my time in office. It has been an honor to serve the community, and I will cherish the relationships and accomplishments we've achieved together.

Thank you again for the opportunity to be part of such a wonderful city. I look forward to seeing Kaukauna continue to thrive in the years to come.

Sincerely,

Michael Coenen

A meeting of the Committee of the Whole was called to order by Chairman Penterman on Monday, November 11, 2024 at 6:00 P.M.

Members present: Antoine, Coenen, DeCoster, Eggleston, Kilgas, Moore, Schell, and Thiele.

Absent & Excused: None.

Also present: Mayor Penterman, Attorney Greenwood, DPW/Eng. Neumeier, Finance Dir. Van Rossum, Senior Accountant Roehl, Planning Dir. Kittel, Library Dir. Thiem-Menning, Fire Chief Carrel, Police Chief Graff, HR Dir. Hodge, Com. Enrich. Services Dir. Vosters, Marketing & Comm. Manager Fencel, Street Superintendent VanGompel, and interested citizens.

1. Correspondence – none.**2. Discussion Topics.****a. 2025 Budget presentation.**

Mayor Penterman read his letter dated November 11, 2024. The proposed 2025 budget reflects a tax increase of \$0.09 per thousand of assessed value, which is a 0.96% increase in the assessed tax rate. The City's tax levy increased \$220,276 or 1.70%. Under state law, the levy is allowed to increase 1.70% plus increased debt service requirements. This levy increase is less than the maximum permitted under state law. Budgeted general fund expenditures for 2025 are \$19,756,868. An increase of 4.9%. This will allow the City to continue to qualify for the State Expenditure Restraint Program Aid. The general fund balance is projected to be \$6,937,299 on December 31, 2024. This fund balance exceeds the Council's objective of \$2,963,530 at year end, which will allow the City to continue to receive an excellent bond rating resulting in low interest rates when issuing future debt.

Motion by Coenen, seconded by Thiele to receive and place on file the Mayor's 2025 Budget Letter to the Common Council.

All members voted aye.

Motion carried.

Mayor Penterman presented his 2024-2025 Goals and Objectives.

Motion by Schell, seconded by Coenen to receive and place on file the Mayor's 2024-2025 Goals and Objectives.

All members voted aye.

Motion carried.

Finance Dir. VanRossum presented highlights for the 2025 budget. The impact on the City with Act 12 was discussed including repealed personal property taxes starting in 2024. Various schedules were presented showing a 2024 levy for city purposes of \$13,204,816.06 with an assessed tax rate of \$9.99. He reviewed the levy limit calculation for 2024, the expenditure restraint calculation and the city's debt service. Revenues and expenses were discussed, and with a balanced budget, both are increasing by 5%. The assessment to equalized ratio was discussed with all major categories out of compliance and the overall ratio at 76%. Finance Dir. explained that a revaluation will need to happen in 2027. The Storm and Sanitary Utility Funds were also highlighted with the overall net position for both improving. The stormwater rate is proposed to increase \$0.50 per ERU at \$132/ERU/year. The sanitary rate is anticipated to stay the same at \$8.75/100 Cubic Feet. It was also noted that with the school referendum passing, the school district's portion of the tax bill will increase by 20.68%.

b. 2025 Budget Deliberations.

Alderspersons asked several questions of staff during the deliberation process. Discussion items included the school district referendum and bonding this year, and merit incentives for city employees.

Mayor Penterman reiterated that we have 126 people working for the City and it takes the collaborative effort of each and every person to run the City.

3. Position Classifications and Wage Scale Pertaining to the 2025 Budget.**a. Memo and Pay Grade Scale.**

Finance Dir. VanRossum presented the wage scale and position classification for the non-represented employees of the city, covering both exempt/nonexempt positions and the Street Department. This scale aligns with the 3% increase that is included in the budget for the 2025 fiscal year. The scale also reflects the market conditions and cost-of-living adjustments for employees. Discussion was held and questions were answered including questions regarding step increases and merit incentives.

4. Tax Bill Breakdown Widget.**a. Overview of the website – <https://kaukauna.gov/departments/finance/tax-bill-breakdown/>.**

Finance Dir. VanRossum reviewed the Tax Bill Breakdown Widget available on the city website. The widget was created to help give property owners a visual tool to gain a better understanding of what their tax dollars are used for. The widget allows users to input any address or parcel number within the City of Kaukauna to access a comprehensive breakdown of their tax bill by taxing jurisdiction, as well as a detailed overview of how the city's share of the tax dollar is allocated across various areas.

Alderspersons had favorable comments regarding the Tax Bill Breakdown Widget.

3. Public Hearing.**a. Introduction to the Special Exception Request at 2716 Main ave**

Director Kittel provided an overview of the special exception request at 2716 Main Ave for an adult family home under the community living arrangement provision in City ordinance.

b. Public Hearing - Special Exception to allow for operation of a community living arrangement/group home 2716 Main Ave

Mayor Penterman declared the public hearing open and asked if anyone in the Council Chambers wished to address the Plan Commission regarding the Special Exception Request at 2716 Main Ave.

Steve Brockman 2800 Main Ave is opposed to the special exception for many items that had been stated for the previous special exception request at 2108 Sullivan and feels the property operation is very transient and not a good fit for this area as it is single family and should remain as such

Joe Freeman 2801 Main Ave is opposed as the police have been at the property regularly, it is near a park and possibly an new school and is not fitting of the area.

Tchambaza 2716 Main Ave is the operator of the facility and spoke to there history and reasons for wanting to have this adult group home. This is a needed service to the community and helps people stay in the community. A previous resident did cause some issues and was not a good fit for the home and was relocated. This individual is linked to most of the police calls. They are licensed with DHS and provide a helpful service. They understand that some of the maintenance item's like lawn care was not up to par and have a new contract with a group to provide that service and has not been an issue since it was bought up in late summer.

Sue Deering 100 W Morningside dr stated this is a residential area and not zoned for a family home and is opposed to this

Steve McDaniel 2800 Wellhouse Dr is opposed to this as it dose not seem like they are able to provide appropriately to operate the facility.

Sedrine 2716 Main Ave is one of the care takers at the home and stated they follow the rules and like the community and want to be here to help provide for the community. They have addressed the concerns that have been raised on the property through the code complaints.

Tom Deering 100 W Morningside Dr is opposed, and it is not needed in this area.

Cindy Killian 2807 Crooks Ave opposed as there are lots of kids in the neighborhood and this is not a good fit

Les Ebben 2817 Main Ave is concerned with how this happened backwards and is operating without the special exception.

Perry Killian 2807 Crooks Ave is opposed as this process is happening backwards and is close to a park and not fitting of the area and is questioning how the application process works and why the city was not aware of this sooner.

Ann Brandt 2824 Main Ave is opposed as this is a residential area

Barb Bloy 132 Clare Ct is opposed and wants to keep this a residential area as well as is wondering whom monitors this and are they qualified for this care.

After asking two more times if anyone else wished to address the council, no one appeared, Mayor Penterman declared the public hearing closed.

4. Old Business.

a. Special Exception Request 2108 Sullivan

Director Kittel introduced this special exception request for an adult family home at 2108 Sullivan.

The plan commission requested that the property owner be present and speak to the maintenance of the property

Sawyer Kossel owner of 2108 Sullivan ave stated he is not opposed to the proposed use at the property and has spoken with Hassan and believes in what is doing. For property maintenance he was not aware of a few of the issues and the issues previously mentioned have all been corrected. The egress window that was installed the contractor was to pull the permit and when he learned that did not occur he contacted the city and went through the process to obtain a permit.

Commissioner Avanzi stated that the reason they have been asked to be here is due to the concerns presented by the residents at the previous meeting.

Commissioner Thiele asked how many properties Sawyer owns, he stated 26. And then Thiele asked how many evictions has he done and Sayer stated 1 in the last year.

Mayor Penterman asked if there was anyone from last weeks hearing that wished to address the Plan Commission.

Cheyenne Dekarske 2113 Sullivan Ave is opposed to the special exception as it seems like they don't know what is going on with the property. From talking with others this is a tax on the EMS service and is concerned with how this impacts the area.

Judith Hoerth 2204 Sullivan doesn't want to wait to see if this will be an issue. Concerned if there are dementia patients how are they going to be watched and ensure this is staffed appropriately, property values are also a concern and the effects on police and fire.

Hassan Sharif applicant for 2108 Sullivan Dr. Apologized for not being at the last meeting but was unable to make it do to travel. Don't judge a book by its cover this is a needed service. We all grow old and will need help some have family but not everyone has that. This will add value if run correctly. This is state regulated and controlled there are 36 items they have to do through DHS and if at any time they fall short on one they will at jeopardy of losing their license. These are not bad people most live in the home and contribute to the community.

Mayor Penterman asked what type of facility is this? Hassan stated it is 2 bed and 1 respite and do not judge without letting them show what they are trying to do. No parking is needed offsite and this will be a help to the community.

Commissioner Thiele asked how they find clients. Hassan stated through the state and word of mouth as this facility is self pay not all can afford.

Commissioner Neumeier asked what conditions can you treat. Hassan stated mostly age related for people that struggle with basic needs and only adults 18 and over.

It was asked if they treat TBI, no, Alzheimer's, depends on the stage no late stage, Mental health, no, Drugs/addiction, no.

The discussion then focused on the maintenance of the property with Hassan stating that a new contract has been created to ensure that the previous issues no longer occur.

Commissioner Feller asked for clarification on the distance requirement, Director Kittel stated that if there was another facility within 2500 feet then the City has the ability to approve or deny the request based on that. Feller stated that she is opposed, its not about bad people but hearing the concerns it appears that there has been issues maintaining the property and property value concerns as well as strain on existing services.

Mayor Penterman asked for the process of the licensing, Director Kittel stated it was done through DHS and requires an inspection among other items.

Commissioner Thiele stated the key is this is a business and not fitting of the area.

Commissioner Moore wants to ensure that this looked upon holistically and we do have the opportunity to approve or deny in this case. Other properties have had these operate near by and do we really now if any of those concerns presented here actually occurred there.

Neumeier made a motion to deny the special exception and recommend the same to the common council due to additional stress on EMS services and 2 other facilities within 2,500 feet. Seconded by Thiele. Roll call Vote

MEMO

PLANNING & COMMUNITY DEVELOPMENT

To: Common Council

From: Dave Kittel, Director of Planning and Community Development

Date: November 14, 2024

Re: Special Exception Request – 152 Plank Road

A Special Exception Request has been received and has been reviewed by the Plan Commission. This included a public hearing that was held by the Plan Commission. During the Hearings some concerns were brought forth on the special exception regarding some police calls to the property. The Plan commission made a recommendation to approve the special exception with the below conditions:

1. All local ordinances are to be followed such as ordinances pertaining to weeds, lawn height and garbage.
2. Fire Department to do yearly inspections to ensure compliance with all applicable fire code items
3. The property is to be used for assisted living as licensed by Department of Health Services (DHS), and must maintain the license from DHS
4. Property shall be maintained to not negatively impact the character of the neighborhood
5. Yearly inspection done by Community Development Department or other designee to ensure compliance. This Special Exception is only for this specific address, and the specific company. If the unit or ownership changes, the applicant/property owner needs to go through the process again.
6. If more than two complaints on the operation of the facility are received in a calendar year that are not in violation of the above restrictions the Plan Commission and Common Council can order a review of the Special Exception and take appropriate actions to address the concerns.

Below is the memo and information provided to the Plan Commission for the Council to review:

Zurieth Ahmed of Harmony Homes operates an adult assisted living service. She has submitted an application for a Special Exception for parcel 322073200 – address 152 Plank Rd. The parcel is zoned Residential Multifamily (RMF), and the current use of the property is duplex style residential units. The applicant currently operates two adult family homes at 150 and 154 Plank Road.

The City of Kaukauna Code of Ordinances, [Section 17.19 \(3\)](#) “allows community living arrangements/group homes, subject to Wis. Stats. § 62.23(7)(i)” as a special exception.

According to [Section 17.47 \(4\)](#), Plan Commission shall use the following criteria:

Before any special exception shall be recommended for approval, the city plan commission shall make findings that the granting of a special exception will not adversely affect the public interest and certify that the specific requirements governing the individual special exception, if any, have been met by the applicant. No special exception shall be recommended for approval unless the plan commission shall find:

- a. That the establishment, maintenance, or operation of the special exception use or structure will not be detrimental or injurious to the use and enjoyment of adjacent properties or properties in the immediate vicinity.
- b. That the special exception is compatible with the adjacent existing uses and structures or uses and structures likely to develop which are permitted in the district.
- c. That adequate public facilities and services are available to the development.
- d. That adequate measures are taken to provide for drainage.
- e. That ingress and egress to the property is provided in such a manner as to minimize traffic hazards and congestion.
- f. That adequate parking and loading areas are provided.

The Public Hearing has been properly noticed in the newspaper and notices sent to adjacent property owners.

At the time of this memo a few calls have been received with concerns on the number of police and fire calls that have been seen at the properties as well as concerns for property values and a general sentiment of this is not fitting to the area.

A special exception currently exists for this group at 150 and 154 Plank Road. Some concerns have been raised on the recent number of calls for Police assistance at these units. Below are the calls received for 150 Plank Rd.
