Agenda Item 2a
Loderbauer Road Speed Limit

Background

The speed limit for Loderbauer Road south of White Wolf Lane currently is listed as 35mph in the Municipal Code:

7.02 Speed Limits. City streets. The following speed limits have been established at the following locations upon the erection of standard traffic signs giving notice thereof:

- i. Loderbauer Road: 35 miles per hour from the southerly right-of-way of White Wolf Lane southerly to the corporate limits of the City of Kaukauna

Review

Please see attached sketch.

The White Dove Lane intersection has been installed since the creation of the speed limit locations on Loderbauer Road. It is my opinion that the 35 mph speed limit within the corporate limits is no longer necessary due to the urbanization of the road and the installation of the intersection at the southern corporate limits.

Recommended Action

Direct the City Attorney to draft the necessary ordinance to remove 7.02(1)(i).

Current 35 MPH
Speed Zone
