Re: Ordinance Amending Section 7.12(1)(h) Brill Road Parking

Background information:

Due to concerns raised by residents and staff, and in conjunction with the re-paving of Brill Road, we are proposing to update 7.12 Parking Regulations section of municipal code.

The existing 7.12(1)(h) restricts parking “on the west side of the street from Seventh Street to Tenth Street”. Due to a narrow section of road (24-27’ wide) between W 9th and W 8th Streets, we are recommending restricting parking along the east side of the road in this area also. The road will not be widened during construction due to the abutting ravine. The proposed road does widen back to full width (33’ wide) about 140’ south of W 7th Street and south of W. 9th Street.

Strategic Plan:

This recommendation is for the safety and wellbeing of pedestrians and traffic navigating the area.

Budget: Minor expenses for paint and signage.

Staff Recommended Action:

Recommend approval of the ordinance amending section 7.12 of the municipal code to restrict parking along the east side of Brill Road from a point approximately 140’ south of W 7th Street to W 9th Street to Common Council.
