### **Recommendation to approve City Consent to Assignment and Assumption Agreement, 391 N. 1<sup>st</sup> Avenue.**

#### Background and Recommendation:

The development project at 391 N. 1<sup>st</sup> Avenue is subject to Development Agreement #20427 and certain other associated entitlements referenced in that Development Agreement. The Development Agreement, Provision 16(h) provides as follows:

h) Successors and Assigns; Covenant Running With the Land. This Agreement shall inure to the benefit of City and Owner and their respective heirs, successors and assigns. This Agreement, including all covenants, terms, and conditions set forth herein, shall be and is hereby declared a covenant running with the land with regard to the Property or any portion thereof, and is binding on both parties to this Agreement as well as their respective heirs, successors and assigns. City acknowledges and agrees Owner may assign its rights hereunder to a new entity formed for the purpose of developing the Property or to a lender providing a construction or permanent loan, or both.

The Owner has determined to assign the development rights and associated entitlements to a new entity for the purpose of developing the Property: Waypoint Pearl, LLC. This is a fairly standard practice in project development. The parties have presented the City with an Assignment and Assumption Agreement, which includes a Consent portion for the City to consent to such assignment.

As City Attorney, I have reviewed the attached Assignment and Assumption Agreement, and find it to be in order. I recommend approval of consent on the assignment as allowed for by the Development Agreement.

Recommended Motion: I move to approve the City's Consent to the referenced Assignment and Assumption Agreement, as presented by staff, and authorize the Mayor to sign.

Financial Impact: None

Attachment: Assignment and Assumption Agreement (391 1<sup>st</sup> Avenue, Ketchum, Idaho)

### **Recommendation to Find Proof of Financing, Development Agreement #20427.**

#### Background and Recommendation:

The development project at 391 N. 1<sup>st</sup> Avenue is subject to Development Agreement #20427. Provision 14 of that Development Agreement provides as follows:

**Financing.** Prior to the issuance of a building permit for the Project, Owner shall provide evidence to the reasonable satisfaction of the City Council of Owner's receipt of one or more funding commitments for the cost of construction of the Project. Within sixty days after the issuance of a building permit for the Project, Owner shall provide evidence to the City of closure of the construction financing, such as a deed of trust to secure a construction loan, for completion of the Project. Owner shall not commence additional excavation or construction work on the Property except as may be required to maintain existing permits until receipt of City approval of such financing commitment

Owner has provided staff certain information on a financing party and arrangement for the Project. The Mayor and staff have conducted due diligence to verify the financing party is experienced and qualified for this type of project.

Upon request of staff, Owner's legal counsel also provided certain financing commitment documents to the City Attorney for confidential review. Owner has presented that these documents are proprietary and contain privileged trade secrets, so they have been reviewed as confidential, exempt from disclosure, and not for further distribution.

As City Attorney, I have reviewed the presented loan commitment and financing documents, and find such to be in order and in line with the general course of conduct and business for such development arrangements. I recommend that the financing arrangements are in appropriate order such that the Council may reasonably find the requisite funding commitments as called for under Provision 14.

Owner will need to provide evidence to the City of closure of the construction financing in the form of a recorded deed of trust within sixty days after the issuance of the building permit.

Recommended Motion: I move to accept the recommendation of Staff and the City Attorney, and find that Owner has reasonably satisfied the evidence of funding commitments required at this time under Provision 14 of Development Agreement #20427.

C. Owner has petitioned City to amend the current Property description to (a) vacate the common internal lot line between Lots 1 and 2 of the Property and (b) include the vacated fifteen-foot by one hundred and ten-foot (15' x 110') portion of alleyway adjacent the Property in Block 57, as more particularly described in paragraphs 5 and 6 above.

D. Owner has applied for design review approval for construction of improvements on the Property ("Project") consisting of an approximately 34,729 gross square foot mixed use residential and commercial building to be constructed on and over a 15,225 square foot underground garage parking which will provide substantial public benefits, including a master lease of apartment units to Trail Creek Fund, LLC, successor Harriman Hotel, LLC, or other successor ("Hotel Developer") to fulfill its obligation for hotel employee housing as set forth in the June 4, 2018 First Amendment to the Amended and Restated Development Agreement between the City and Trail Creek Fund, LLC. City acknowledges the square footages recited are

E. The Parties agree that the Property shall be developed in accordance with this Agreement; all applicable City ordinances; and any additional conditions and requirements imposed upon the Property by the Ketchum Planning and Zoning Commission ("**Commission**") and/or City Council ("**Council**") during the design review, vacation, development agreement, plat amendment, and 4<sup>th</sup> Street / 1<sup>st</sup> Avenue encroachment approval processes.

### **AGREEMENT**

NOW, THEREFORE, in consideration of the mutual covenants, promises, agreements, terms and conditions set forth herein, the Parties agree as hereinafter provided.

**1. Incorporation of Recitals.** The Recitals set forth above are hereby incorporated into and made an integral part of this Agreement.

**2. Incorporation of Related Findings, Agreements, Approvals, Permits and Plans.** The following findings of fact, approvals, permits, plans, and documents are hereby incorporated into and made an integral part of this Agreement by reference as if restated herein in full:

- a. Findings of Act, Conclusion of Law, and Order regarding the request for vacation;
- b. FAR Exceedance Agreement;
- c. Preliminary and final plat documents and approvals;
- d. Decision and orders related to the 1<sup>st</sup> & 4<sup>th</sup> Mixed Use Building Design Review;
- e. Decision and orders related to Owner's application for encroachment;
- f. Design review drawings;
- g. Alley, 1<sup>st</sup> Avenue, and 4<sup>th</sup> Street sidewalk and landscaping plans;

Any material failure to comply with the terms and conditions of any of the above-referenced documents shall constitute a breach of this Agreement.

In the event of any inconsistency between the terms and conditions of this Agreement and the findings of fact, approvals, permits and plans listed above, the more restrictive terms and conditions shall govern. Development of the Project shall be vested and governed by policies, procedures, guidelines, ordinances, codes and regulations of the City governing land use in effect as of the date this Agreement is recorded and continue consistent with §17.96.090 of the Ketchum Municipal Code.

Owner may request to be bound by future amendments to the Ketchum Municipal Code ("**KMC**"), or other regulations, policies or guidelines affecting development, and such request

may be approved administratively, by the Commission, and/or by the Ketchum City Council consistent with the KMC.

**3. Right to Develop.** Subject to the requirements of this Agreement and KMC, the Owner and all future owners of some or all of the Property shall have the right to demolish all or any portion of the existing structures and redevelop, construct, improve and use the Property as a mixed use residential and commercial building as depicted and described in the approved plans incorporated into the Agreement as fully set forth in the recitals, including the Planning and Zoning Commission approved Pivot North Architecture plans approved on June 10, 2019 ("Plans"). The improvements on the Property shall be built exclusively as permitted under §17.96 of the KMC relating to design review approval. Any development of any portion of the Property substantially inconsistent with this Agreement or the design review approval for the Project shall constitute a breach of this Agreement by Owner.

Pursuant to KMC §17.96.090, the design review approval on this Project shall be valid for twelve (12) months from the date of final decision on the associated Findings of Fact, Conclusions of Law, and Decision. Application for a building permit must be done within this time as specified in KMC §17.96.090(A)(2). Any extension shall only be as allowed and specified in KMC §17.96.090.

Any application for a building permit submitted by Owner shall substantially comply with the requirements of applicable codes, agreements, approvals, plans, permits and other documents as such requirements exist on the day the building permit application is submitted. A building permit must be obtained within fourteen (14) months from the date of the final decision on the associated Findings of Fact, Conclusions of Law and Decision, and a certificate of occupancy must be obtained for the Project no later than 18 months after the building permit is issued unless the time for completion of the Project is extended by the City Council.

A building permit application that does not substantially comply with the requirements contained in applicable codes, agreements, approvals, plans, permits and other project documents may be rejected by the City within a reasonable time after completing review of the application by providing written notice to Owner describing the non-compliance in detail unless the non-compliance is cured by Owner within thirty (30) days. If a building permit application contains material changes to the above-referenced applicable codes, agreements, approvals, plans, permits and other documents an amendment to this Agreement must be applied for by Owner and considered by the City Council. If such amendment is approved by City Council, all inconsistent terms and conditions of the approvals referenced in Section 2 shall be deemed to have been amended to conform the amendment to this Agreement.

**4. FAR Exceedance Agreement.** The Parties agree Owner may exceed the gross floor area ratio limitations under KMC §17.124.040 and construct improvements on the Property having a floor area ratio up to and including 2.25, pursuant to that separate FAR Exceedance Agreement, and all conditions thereon, entered into by the Parties, and hereby incorporated by reference.

**5. Vacation of Alley.** Owner has made application to the City for vacation of the alley right-of-way pursuant to KMC §16.04.050. If approved via separate City vacation process,

Development Agreement

such order or decision on vacation, including any and all conditions thereon, is hereby incorporated by reference and made a part of this Agreement. Owner shall assume and be responsible for maintenance of the entirety of the alley, including appropriate snow and snowmelt maintenance, to be further specified by a separate alley maintenance agreement. Any such alley vacation shall be deemed null and void in the event the Project is not commenced and completed within the time limits set forth in this Agreement.

**6. Removal of Lot Lines and Inclusion of Vacated Alley.** Owner has made application to the City for removal of the lot lines bisecting the Property, pursuant to Part L of KMC §16.04.030. As set forth in the April 2019 Preliminary Plat by Benchmark Associates, subject plat amendment will remove the lot line bisecting the Property and include the vacated portion of alley described in paragraph 5 above into a new Lot 1B, Block 57, Original Ketchum Townsite (“**Amended Property**”). Notwithstanding the City approval of the final plat map, the final plat map reflecting such changes shall not be recorded and become effective until after issuance of the Certificate of Occupancy for the Project.

**7. Sidewalk Improvements.** Owner has proposed and hereby commits for the Project to include ten-foot wide sidewalks along both 1<sup>st</sup> Avenue and 4<sup>th</sup> Street. All of the proposed sidewalk improvements along 4<sup>th</sup> Street are in the public Right of Way (“**ROW**”), while half of the sidewalk improvements (+/- 5’ wide) along 1<sup>st</sup> Avenue are in the public ROW. Subject sidewalk improvements include snowmelt, raised landscape planters, street trees with decorative tree grates, public art, bike racks, pedestrian walkway lighting, and street lighting. Final approval of subject improvements will be subject to review and approval through a separate encroachment agreement and to assure compliance with federal ADA and city standards. Such encroachment agreement shall be obtained prior to issuance of a building permit for the Project.

**8. Encroachment on Right of Way.** Owner has made application to the City for license for encroachments along the public Right of Way (“**ROW**”) for proposed sidewalk improvements along 4<sup>th</sup> Street, pursuant to KMC 12.08.040. If approved via separate City encroachment process, such order or decision on encroachment, including any and all conditions thereon, is hereby incorporated by reference and made a part of this Agreement.

**9. On-Site Employee Housing Units.** Owner commits to construction and provision of on-site employee housing units as specified in the Planning and Zoning approved design review documents, dated May 31, 2019. Three of such depicted units shall be deed-restricted community housing units, with such covenant to be managed by Blaine County Housing Authority. Twelve such depicted units shall be dedicated to on-site employee housing. In the event Owner determines not to use such for on-site employee housing, then such units shall be committed as deed-restricted community housing units, with such covenant to be managed by Blaine County Housing Authority.

**10. Master Lease of Employee Housing Units.** The Parties agree Owner may enter into a master lease with the Hotel Developer for apartment units containing at least eighteen (18) beds and thereby satisfy those certain related obligations of Trail Creek Fund, LLC under the Amended and Restated Development Agreement dated October 15, 2015 as amended by the Corrected Amendment to Amended and Restated Development Agreement dated June 21, 2016

and the First Amendment to Amended and Restated Development Agreement dated June 4, 2018 (“Hotel Development Agreement”). All apartment units leased to the Hotel Developer may be subleased, assigned or otherwise made available to employees of the Hotel Developer on terms and conditions determined by it in the exercise of its discretion. If the Hotel Development Agreement is terminated for any reason the apartment units shall cease to be governed by the master lease and all use restrictions of the Hotel Development Agreement. Any such units committed to Hotel Developer as satisfaction of Hotel Developer’s obligations may not also be counted as satisfaction of any required units necessary under the FAR Exceedance Agreement for the Project. Units satisfying the requirements of the FAR Exceedance Agreement may be included in the master lease with the Hotel Developer.

**11. Conditions to Owner’s Obligations.** Owner’s obligations hereunder are conditioned upon (1) receiving all the referenced approvals from the City and (2) securing financing for the Project. If either of those conditions (or part of one) is not satisfied, then this Agreement shall no longer be valid.

**12. Required Improvements by Owner.** Prior to issuance of a building permit, Owner agrees to provide the City an irrevocable letter of credit for completion of the improvements to both 4<sup>th</sup> Street and the vacated Block 57 alleyway consistent with the referenced approvals, plans and other documents. Subject security shall be approved as to both form and amount by the Ketchum City Council after receiving input from the City Attorney and City Engineer. The amount of security shall be at 150% of engineering estimates for the improvements.

**13. Term.** The term of this Agreement shall be two years and eight months (2 years 8 months) from the date of the final decision on the associated Findings of Fact, Conclusions of Law and Decision except such term will not be considered to supersede or amend the standard validity periods as specified in KMC, which may be shorter as to specific approvals and necessary steps (e.g. KMC §17.96.090 specifying that design review approval is only valid for twelve months without additional steps for extension).

**14. Financing.** Prior to the issuance of a building permit for the Project, Owner shall provide evidence to the reasonable satisfaction of the City Council of Owner’s receipt of one or more funding commitments for the cost of construction of the Project. Within sixty days after the issuance of a building permit for the Project, Owner shall provide evidence to the City of closure of the construction financing, such as a deed of trust to secure a construction loan, for completion of the Project. Owner shall not commence additional excavation or construction work on the Property except as may be required to maintain existing permits until receipt of City approval of such financing commitment

**15. Site Restoration.** Owner shall submit to City, prior to issuance of building permit, a Site Restoration Plan and a security instrument naming City as beneficiary sufficient to fund such restoration. The Restoration Plan shall:

- a. Identify a clear restoration plan sufficient to restore site to finished elevations compatible with neighboring streets and residences, including landscaping and other details, and subject to City review and approval;

- b. Be accompanied by a licensed engineer's estimate of one hundred and fifty percent (150%) of the estimated reclamation costs, with such estimate subject to verification and approval by the City not to be unreasonably withheld, delayed or conditioned;
- c. Be accompanied by a letter of credit or performance bond naming City as beneficiary, with the proposed method and form of such security subject to City review and approval not to be unreasonably withheld, delayed or conditioned, in the amount of the 150% reclamation cost estimate and provide for the City to immediately pursue reclamation and restoration on the site in the event of a material failure of condition, other material breach of the Development Agreement, or abandonment of the Project.

In the event Owner materially fails a condition or otherwise breaches this Amendment and/or the Agreement then City shall be entitled to immediately commence reclamation and restoration pursuant to such Restoration Plan and security instrument.

Re: Waypoint Pearl, LLC Proof of Funds  
Our File No. 70357-026

Dear Matt:

This will serve as a follow up to our telephone conversation earlier today during which we discussed your March 30, 2021 letter to Waypoint Pearl, LLC and your request for information as part of an alleged investigation of Dudley Family Investments, LLC, the Project lender ("Lender").

Initially it must be observed that the Development Agreement ("Agreement") between my client and the City simply requires delivery of a loan commitment as a condition to issuance of the building permit. This condition was fulfilled by delivery of the March 18, 2021 loan commitment from the Lender. The Agreement does not give the City the right or authority to accept or reject the loan commitment or to require other "proof of financing" for the Project. Accordingly, the investigation of the Lender is of no consequence and my client is now unconditionally entitled to the building permit. Further, by your own admission, both the investigation and information requested are not typical of any other development in the City and includes financial information and tax returns no lender would be expected to provide. Based on the foregoing and the City's history of breaching other agreements it made with affiliates of Mr. Bariteau we believe the information may have been requested in a bad faith attempt to create reasons for withholding the building permit for the Project.

Notwithstanding the foregoing, in an effort to avoid further conflict with the City, I am delivering herewith a copy of a letter from Jordan Park an investment firm attesting to the financial capability of Dudley Family Investments, LLC to fund the construction loan. In addition, I have enclosed a biography for William Dudley evidencing his construction experience and capability. In addition, I am prepared to meet with you and go over the loan terms and conditions which are typical of commercial loans as long as issuance of the building permit is not delayed.

Hopefully, the City will be satisfied with the foregoing. As previously explained, it is essential that my client obtain the building permit and close the loan by April 19. In anticipation of being issued the building permit following delivery of the commitment letter, my client has already entered into a contract with its general contractor, has

Mathew A. Johnson

purchased approximately \$250,000 of construction materials, and entered into agreements with third parties for the sale or lease of condominium units. If the building permit is not issued in time to meet the deadline for closing the loan Waypoint Pearl, LLC will sustain substantial damages, including lost profits.

Please guide your client accordingly.

Sincerely,

LAWSON LASKI CLARK, PLLC
