Bernie Kramer: 2150 E. State Hwy 153 Peplin - expressed satisfaction with the ambulance service currently in place, praising both its geographic convenience and the service quality at \$50,000. Concern was raised about potential changes that might lead to a less effective service if branching out on our own or requiring increased costs without improving the service level.

Kim Tapper: 2293 Courtland Drive confused about the agenda item involving the clerk interview with Channel 9 news. Tapper criticized the Village Administrator for comments made on a news channel, which he perceived as implying political bias and questioning the appropriateness of such statements. President Chris Voll responded with uncertainty regarding the incident, stating that without the administrator present and no detailed recollection of the event, the issue couldn't be further discussed.
