REPORT TO VILLAGE BOARD and APC

ITEM NAME: Finance/Treasurer Office Update: Comparative Internal Financial Statements for Year-to-Date thru 9/30/2025 and 9/30/2024

PREPARED BY: John Jacobs, Interim Finance Director

DATE PREPARED: 11/14/2025

I have compiled the Comparative Internal Financial Statements for Year-to-Date (YTD) thru 9/30/2025 and 9/30/2024 for all Village Funds, for both the Village Board and APC meetings scheduled for 11/24/2025 and 11/18/2025, respectively.

There will be a number of future 2025 budget amendments that we still need to submit to APC and the Village Board during the months of Nov-Dec 2025. There are a number of 2025 budgeting errors that need to be corrected from the original November 2024 budget adoption date (some are reductions and some are additions expected), which should be approved before the year-end 2025 financial audit is begun.

In the meantime, I will provide several highlights here for you for the General Fund, Water & Sewer Utility Funds, and Debt Service Fund financial statements that I have included with this meeting packet.

General Fund:

- 9/30/2025 Revenues over Expenditures = \$369,081
- 9/30/2024 Revenues over Expenditures = \$533,146
- Therefore, the 2025 budget "surplus" as of 9/30/2025 is running about 69% of where the 2024 budget "surplus" was tracking at the same time compared to last year.
- 9/30/2025 Revenues = \$3,711,378 (or 65.52% of budgeted revenues YTD)
- 9/30/2024 Revenues = \$3,768,656 (or \$3,188,053 without the fund balance adjustment)
- Therefore, the 2025 revenues are tracking at 116% of where the 2024 revenues were a year ago, without the 2024 fund balance adjustment).
- 9/30/2025 Expenditures = \$3,342,297 (or 59.01% of budgeted expenditures YTD); remember that we are already at 75% of the year completed. So, this number is tracking in a good 😊 direction at this time.
- 9/30/2024 Expenditures = \$3,235,510
- Therefore, the 2025 expenditures are tracking at 103% of where the 2024 expenditures were a year ago.

Water Utility Fund:

- 9/30/2025 Revenues over Expenses = \$314,846
- 9/30/2024 Revenues over Expenses = \$237,909
- The 2025 fund balance will have ADDED \$314,846 to the Water Utility fund balance as of 9/30/2025, before depreciation.
- Therefore, the 2025 budget “surplus” as of 9/30/2025 is running about 132% of where the 2024 budget “surplus” was tracking at the same time compared to last year.
- 9/30/2025 Revenues = \$660,201 (or 47.22% of original budgeted revenues YTD). However, the \$706,335 budget for “Clear Water Revenues” was an overstated budgetary error made in November 2024, and that line item budget will be corrected in November 2025.
- 9/30/2024 Revenues = \$595,154
- Therefore, the 2025 revenues are tracking at 111% of where the 2024 revenues were a year ago.
- 9/30/2025 Expenses = \$345,355 (or 27.62% of original budgeted expenses YTD, before depreciation has been recorded)
- 9/30/2024 Expenses = \$357,245
- Therefore, the 2025 expenses are tracking at 97% of where the 2024 expenses were a year ago.
- No capital costs are recorded as “expenses” in the Water Utility Fund for 2025. Rather, all capital costs are “capitalized” as an Asset, and will be depreciated over the useful life of the capital asset.
- The Village utilized \$3,158,591 of the Safe Drinking Water Loan Program (out of a maximum of \$3,385,500) as of 9/30/2025. The remaining balance of \$226,909 will be utilized during fourth quarter of 2025. The Village paid \$136,413 of principal and \$27,709 interest on 5/01/2025. Principal payments began annually starting on 5/01/2025.
- The 2025 budget had been set with a budgetary surplus = \$147,879

Sewer Utility Fund:

- 9/30/2025 Revenues over Expenses = \$454,873
- 9/30/2024 Revenues over Expenses = \$133,183
- The 2025 fund balance will have ADDED \$454,873 to the Sewer Utility fund balance as of 9/30/2025, before depreciation.
- Therefore, the 2025 budget “surplus” as of 9/30/2025 is running about 342% of where the 2024 budget “surplus” was tracking at the same time compared to last year.
- 9/30/2025 Revenues = \$1,026,430 (or 89.05% of original budgeted revenues YTD)
- 9/30/2024 Revenues = \$850,506
- Therefore, the 2025 revenues are tracking at 121% of where the 2024 revenues were a year ago.
- 9/30/2025 Expenses = \$571,557 (or 47.02% of original budgeted expenses YTD, before depreciation has been recorded)
- 9/30/2024 Expenses = \$717,323
- Therefore, the 2025 expenses are tracking at 80% of where the 2024 expenses were a year ago.

- No capital costs are recorded as “expenses” in the Sewer Utility Fund for 2025. Rather, all capital costs are “capitalized” as an Asset, and will be depreciated over the useful life of the capital asset.
- The Rib Mt Sewerage District expenses for Jan-Sep 2025 = \$294,428, as compared to \$325,582 for the same period in 2024.
- There presently is no debt in the Sewer Utility Fund as of 9/30/2025.
- The 2025 budget had been set with a budgetary deficit = (\$62,958), before consideration for capital project costs.

Debt Service Fund:

- 9/30/2025 Revenues (under) Expenditures = (\$1,947) deficit
- 9/30/2024 Revenues (under) Expenditures = (\$483,353) deficit
- Therefore, the 2025 fund balance will have been REDUCED by \$1,947 to the Debt Service fund balance as of 9/30/2025.
- 9/30/2025 Total Fund Balance = \$121,972
 - Of this balance, the restricted 2024 bond premium (\$73,679) will be applied towards the 2026 budget (so the debt service tax levy can be reduced by \$73,679 in the 2026 budget).
 - Of this balance, there will be \$57,300 in debt service payments yet to be made between Oct-Dec 2025 this year.

Schedule of Debt Outstanding:

- 9/30/2025 Total Village Debt Outstanding = \$16,473,677
- 9/30/2025 Total General Obligation Debt Outstanding (funded by Tax Levy) = \$11,881,498
- **9/30/2025 General Obligation Debt: Allowable Debt Capacity Used = 21.98%**

Subject: Implementation of POWTS Maintenance Program Fee on 2025 Tax Bill

*****RESPONSE REQUESTED BY NOVEMBER 24th*****

Dear Municipal Officials,

In September, Marathon County instituted a \$6.00 annual fee per Private Onsite Wastewater Treatment System (POWTS), commonly referred to as a septic system. This annual charge will appear on property owner tax bills beginning with the 2025 billing cycle (that is paid in 2026).

The purpose of this fee is to fund the state-mandated POWTS Maintenance Program, which is responsible for:

- Tracking POWTS installations and maintenance within the county;
- Ensuring systems are maintained and functioning in accordance with state law; and
- Protecting groundwater and surface water resources through proper wastewater management.

If a property owner believes the fee was applied in error, they should pay the charge as billed to satisfy their property tax obligation, and then contact the Marathon County Conservation, Planning & Zoning Department at 715-261-6040 for instructions on how to request a refund. Please note that if the fee is not paid, it will be treated as delinquent property taxes and incur interest and penalties.

Options for Communicating Fee Change to Your Residents

We know your residents may have questions about this new program fee. To assist you in addressing inquiries, Marathon County is offering three options to assist you in communicating with residents.

Option 1: You may choose to include nothing with the tax bill. Marathon County will provide you with FAQs to have on hand to distribute as needed. Residents with questions can be directed to call CPZ.

Option 2: Include a one-page FAQ insert with the tax bill (see page 3 of this correspondence). Marathon County will provide your municipality with one full page FAQ insert for each tax bill that includes a POWTS charge. These can be picked up from the Treasurer's Office at the same time as your tax bills.

Option 3: Include a small insert (1/3 sheet) containing the CPZ website and phone number with the tax bill. This insert will direct residents to the county website to view the FAQ and additional information. This may be a preferred option to help prevent increased mailing costs and can be picked up with your tax bills.

On the next page, please review the approximate number of tax bills in your municipality that will have the POWTS charge included. Please email Shad.Harvey@marathoncounty.gov by November 24th to request your preferred materials. All materials will be available for pick-up at the Treasurer's Office with your tax bills.

We appreciate your assistance with communicating this information to your residents. Should you or your constituents have any additional questions regarding the program or the implementation of this annual fee, please contact the Marathon County Conservation, Planning, & Zoning Department.

Thank you for your continued partnership in protecting the quality of our shared natural resources.

Sincerely,

Director, Marathon County Conservation, Planning, & Zoning

Marathon County has implemented an annual POWTS (Private Onsite Wastewater Treatment System) Maintenance Program Fee of \$6.00 per septic system, that is reflected on your tax bill beginning in 2025. This fee helps fund the county's POWTS Maintenance Program, which ensures septic systems are properly maintained and operating as required by state law. This program plays an important role in protecting our lakes, rivers, and drinking water, supporting Marathon County's vision to be the healthiest, safest, and most prosperous County in Wisconsin.

Frequently Asked Questions (FAQs)

Q

Q

Why does my bill show more than \$6.00?

A

The annual POWTS Maintenance fee is assessed per septic system. Example if your property has 2 septic systems you will be assessed a fee of \$12.00

Q

Who qualifies for a refund?

A

If your property does not contain a septic system and you were charged in error, you may qualify for a refund. Please note that verification may be required before the refund can be issued.

Why are you interested in serving on the village board?

My family moved to Kronenwetter when I was 4 and I grew up here. I remember how the area used to be and that it was an amazing place to live and grow up. I am interested in serving on the village board to bring my passion for freedom and the constitution and to help maintain municipal accountability and fiscal responsibility to the residents of the village of Kronenwetter. I believe we need more community involvement from residents to have a well-rounded consensus on what direction we want the village to move forward in and it starts with me. When you have a board comprised of diverse backgrounds, I think that will yield to more satisfied residents and an overall happier community.

How are your experiences or qualifications related to the responsibility of a Village Board Trustee?

I have a diverse background from the places I have lived and the jobs I have held which I feel will help me relate to the residents of Kronenwetter and serve them and the village in a beneficial way. I also grew up here and lived here for a good part of my life, and I know what it means to the people who consider this place home and lifelong residents that we honor the past and look forward to the future.

Describe professional background and other community involvement (current or in the past)

I have worked for residents in the community through my own business and I have worked in the community and feel I am in tune with what's important to them and the values we all share. I also served on the Village of Weston's Public Safety Committee and completed their 2008 Future Weston Academy Municipal Leadership Training Course.

REPORT TO APC & VILLAGE BOARD

AGENDA ITEM: Budget Amendment #3 – Adjustments to Debt Service Fund & Water Utility Fund Budgets

MEETING DATE: November 14, 2025

PRESENTING COMMITTEE: APC & Village Board

COMMITTEE CONTACT:

STAFF CONTACT: Finance Director-John Jacobs

REPORT PREPARED BY: Finance Director-John Jacobs

AGENDA ITEM: Budget Amendment #3 – Adjustments to Debt Service Fund & Water Utility Fund Budgets

OBJECTIVES: Make corrections to the 2025 budget for errors made to specific line items that were adopted by the Village Board in Nov. 2024 for the original 2025 adopted budget. The identified errors are in the Debt Service Fund and in the Water Utility Fund.

ISSUE BACKGROUND/PREVIOUS ACTIONS:

- **Error #1: WATER UTILITY FUND:** Clear Water Revenues account #601-46175-000. The 2025 original budget was overstated by \$651,000, due to the previous Finance Director assuming that proceeds from the Safe Water Drinking Loan for the Water Treatment Plant construction project were to be recorded as “revenues” to the Clear Water Revenues line item here. This assumption is incorrect, and those actual 2025 proceeds are to be recorded as an increase to the loan liability account in the Water Utility Fund. Therefore, this overstatement of \$651,000 should be removed from the original 2025 budget amount.
- **Error #2: DEBT SERVICE FUND:** Various accounts were overstated for Transfers from TID Funds (Revenues) and also overstated for Principal & Interest payments (Expenditures) for TID debt service payments. Actually, all TID debt service payments are paid for in the individual TID Funds of the Village, and no transfer of funds is required to be recorded from the TID funds to the Debt Service Fund. Therefore, all of the Transfers from TID funds to the Debt Service Fund should be removed for the 2025 budget. Also, the TID debt service payments should also be removed in the Debt Service Fund.
- **Error #3: DEBT SERVICE FUND:** Since no new 2025 debt issuance is occurring, then there should be no Bond Premium (Revenue) setup in the 2025 budget. Therefore, this line item should be removed from the 2025 budget.

All TID (tax increment district) debt payments (for both principal and interest costs) are budgeted and expended in each individual TID fund. The property tax increments received from each TID does pay for the debt payment obligations each year. I verified this information with our financial auditors (CLA), and they confirmed that since 2006, each TID is paying for its own debt obligations. The TID tax increment revenue and the TID debt service costs have all been budgeted and recorded properly in past years, including 2024. The Village’s Debt Service Fund only records non-TID and non-utility debt service payments.

PROPOSAL: Amend the 2025 original adopted budget for these previous budgeting errors presented by the former Finance Director to the Village Board in November 2024, when the original 2025 budget was adopted.

RECOMMENDED ACTION: Recommend the following 2025 budget amendments as follows:

PREPARED BY:	Jennifer Poyer

ISSUE: The Village needs to obtain attorney services.

OBJECTIVES: Review the submitted attorney services proposals from Nelson and Lindquist and Municipal Law and Litigation Group. Approve contracting with one of the law firms.

ISSUE BACKGROUND/PREVIOUS ACTIONS:

When David Baker took office in April 2025, he contracted with Shane VanderWaal to provide temporary legal services to the Village until a new attorney could be hired. The then Village attorney, Lee Turonie, resigned after this action.

The Village went out for RFP to obtain attorney services in June 2025. No proposals were received.

Following Baker's resignation on October 9, 2025, the Village clerk received an email on October 13, 2025 from Shane VanderWaal's office noticing a 30-day termination of his agreement with the Village.

After Dan Joling was appointed Village president, he orally brokered an agreement with VanderWaal to extend his services with the Village.

The Village went out for RFP to obtain attorney services in October 2025 and received the attached proposals.

APC recommended the Municipal Law and Litigation Group during their November 18, 2025 meeting.

RE: Village Attorney Position

Dear Ms. Poyer:

I am writing on behalf of Nelson & Lindquist, S.C., to extend an offer of our municipal services to the Village of Kronenwetter. Our firm is committed to supporting municipalities like yours by providing a wide range of services which we believe can contribute to the growth and efficiency of your municipality. We would be happy to discuss how our services can be tailored to meet the unique needs of the Village of Kronenwetter.

Parker Standaert and Autumn Lindquist bring unique backgrounds to this type of work that would be used to provide exceptional service at a reasonable rate.

Parker Standaert is a new attorney at Nelson & Lindquist, and she works closely with Attorney Lindquist on all municipal matters. Ms. Standaert graduated from Mitchell Hamline School of Law in May 2025 and passed the July 2025 Wisconsin state bar examination. She is eager to begin her career at Nelson & Lindquist and intends to establish herself as a trusted and reliable source of municipal law services. She currently represents the Village of Woodville and the City of Glenwood City on a regular basis, handling everything from ordinance writing to board meetings, and assisting with their day-to-day needs.

Attorney Lindquist has 23 years of experience in municipal law, including prosecution of civil forfeitures. She is familiar with all aspects of municipal law and is ready and able to assist when needed. Attorney Lindquist is happily training in the next generation of municipal attorneys and works very closely with Attorney Standaert.

Our office currently represents the Village of Woodville, the City of Glenwood City, and the Village of Star Prairie in all municipal aspects, so please feel free to contact the references listed below if you have any questions about our work. We also do work as needed for a number of surrounding townships as well. If you would like other references, please let us know.

We bill our municipalities a discounted hourly rate of \$300 per hour, billing at 1/12 of an hour increments, billed on a monthly basis. It is our preference to have the ability to Zoom into the monthly meetings and attend virtually as much as possible, given that the Village of Kronenwetter is 2 hours and 40 minutes away from our office. We understand that sometimes it is just easier to have someone physically present, which we can do under special circumstances and would bill an hourly rate of \$150 per hour for any travel time required.

If you would like to meet with us to discuss this in further detail, please contact our office at (715) 381-8270. We look forward to hearing from you.

Sincerely,

NELSON & LINDQUIST, S.C.

Re: Village Attorney Services Proposal

Dear Ms. Poyer:

We are writing in response to the Village of Kronenwetter's Request for Proposal for legal services. We welcome this opportunity to offer our services.

We believe our firm stands out in our commitment to representing municipalities, in the breadth of our knowledge of municipal law and municipal practices, and in our ability to respond to your needs quickly and efficiently without compromise.

We are a municipal law firm, all day, every day. This is what we do. We work with municipalities throughout the State of Wisconsin both as the municipal attorney of record (about 60 municipalities) and as special counsel (about another 50 municipalities). We also represent hundreds of municipalities throughout the State of Wisconsin in insurance defense matters, with more than 100 active cases pending at all levels of state and federal court. We have even appeared before the United States Supreme Court on behalf of Wisconsin municipalities.

Our firm is unique in the State of Wisconsin. While many law firms engage in the practice of municipal law, very few do so exclusively. Of the ones that do so exclusively, we are significantly larger in terms of our size and client base, serving clients statewide and with a much deeper well of knowledge and experience. We believe our model provides us with a wide perspective on the issues faced by municipalities. That perspective allows for an exceptional ability to quickly understand the legal issues that you may face along with the ability to quickly offer solutions that have worked to solve such issues, and the experience to implement those solutions on your behalf.

We serve our municipal clients as outside independent contractors, and are not Village employees, so we are not eligible for employee fringe benefits. As the President of the Firm, I am authorized to bind the firm to this proposal and cost schedule. You may direct all correspondence and communication regarding this proposal to me, at the address, telephone number and email

C. Executive Summary

This proposal is for corporation counsel legal services to the Village of Kronenwetter. Our entire practice is devoted to representing municipalities and municipal interests. We believe we have unmatched experience in all of the fields of general municipal law, because we represent more than 200 municipalities in various capacities. Our fees are reasonable, and given our experience, we believe we can perform the work in a fraction of the time that might be required by others, resulting in lower costs to you. We consider ourselves to be experts in our one area of practice, and we have the necessary depth in our attorney and paralegal staff to promptly serve every need that may arise. Thank you for considering our proposal.

D. Proposal Content

1. Hourly cost for services, as well as other itemized billing that the City would expect to incur or be responsible for.

Our billing rate for regular municipal work is \$227 per hour, and that would apply to this representation of the Village of Kronenwetter. Billing increments are tenths of an hour, with a minimum charge of \$30 for reviewing documents and emails/messages and a minimum charge of \$35 for all other work. All of our attorneys charge the same rates. We invoice monthly, with each time entry itemized.

If any expenses are incurred on your behalf, which is not common, that would be subject to prior approval and would be itemized on the billing statement. We have a full Westlaw subscription, all states and federal, with a municipal package that is included in our services, so online legal research is not billed to you. Our time is charged portal to portal for work outside the office (if travel serves several clients, it is apportioned equally).

2. Personal resume of the applicant

We offer Remzy D. Bitar to serve as the City Attorney. Remzy has practiced municipal law for more than 24 years. Remzy's current principal responsibilities include being the lead attorney for several of the firm's clients, specifically the Villages of Salem Lakes, Vernon, Somers; the Towns of Spring Prairie and Jackson; and the League of Wisconsin Municipalities Mutual Insurance (LWMMI) and Wisconsin Municipal Mutual Insurance Company (WMMIC). Remzy assists

Village of Kronenwetter Legal Services Proposal

in the representation of all of the firm’s municipal clients. Remzy is also a regular speaker at municipal conferences hosted by the Wisconsin Towns Association, the League of Wisconsin Municipalities and other municipal government groups and entities, and is the recipient of a “Leaders in the Law” recognition by the Wisconsin Law Journal and repeatedly as a “Super Lawyer” by Thompson Reuters.

While Remzy will be the lead attorney, he believes in a team mentality and involving others within the firm depending on their special knowledge/experience, the nature of the project, and workflow. The attorneys assigned in our office to work for the Village of Kronenwetter will therefore include every member of our firm depending on the issue that may be involved. In our firm, each of the individual attorneys has special expertise, so we would assign the attorney that is most qualified to address the particular issues involved. General municipal issues are primarily handled by Remzy, Eric Larson, Luke Logic, Hailey Lipinski, Savanna Gain and Luke Martell. Litigation related matters would likely be assigned to Remzy Bitar, Samantha Schmid, Luke Martell or Adam Meyers. Tax assessment matters are handled by Jamie Staffaroni. Municipal prosecution matters are handled by Christopher Schultz and Luke Martell. Other attorneys and paralegals within the office would likely participate in the representation depending upon the issues involved. A short profile of our attorneys is as follows, and more complete biographical information is available in the attached municipal resume and on our website (www.municipallawsc.com).

Please see the attached firm resume.

Our specialty is the practice of municipal law, and all of its various aspects. So, for example, on development issues, we have a thorough understanding of the municipal perspective, and the terms that municipalities should require to best protect the municipal interests and ensure that development projects are successful for the community. In real estate matters, we are experts in knowing how municipalities should buy and sell land and property. We have expertise in all areas of municipal regulation, whether alcohol beverage licensing, short-term rentals, and all other regulatory issues faced by municipalities routinely. We do not represent developers, we do not represent private interests who appear before municipalities or sue municipalities, so our advice to you is never compromised by those relationships. You always receive advice from our firm that fairly and appropriately reflects the municipal interest in the legal issues. As we do this for dozens of municipalities throughout the state, there are rarely issues that you will face that we have not considered previously on behalf of other municipal clients.

4. Statement of personal philosophy

Our philosophy is that we provide legal advice and leave the policy choices to the public officials. When we begin work with a new client, we bring no set agenda to the relationship. We want to serve the client in the way that the client wants to be served. If we are selected we would request the opportunity to meet with you in person, tour the community with you, be briefed on any pending hot topics, and establish basic expectations that you have for our services. In that meeting we would clarify who within the City is authorized to contact us and assign projects, what regular meetings require our attendance whether in person or remote, and the practices that will be employed to ensure our advice can be proactive rather than reactive in our service to the community.

5. Statement concerning conflicts

We do not envision having conflicts. That said, certainly if conflicts would arise, we would advise you of the conflict, and if it cannot be waived, we would recommend that you seek special counsel. Of the governments in Marathon County, we have represented the County on several occasions over the years, including currently, in litigation matters, primarily in defense of the Sheriff's Office but in other matters as well. We have also represented the City of Wausau and other Villages and Towns in Marathon County as Special Counsel on unique projects. For all those matters between the County, Villages and Towns, we are aware of no past or pending project that poses a conflict.

6. Closing thoughts

Our firm was created in 1984, when a core group of attorneys separated from a previous law firm in order to focus exclusively on the representation of municipalities. The firm has existed continuously, with this same municipal law focus for 40 years. We currently have thirteen full-time lawyers in the office, one attorney who assists part-time, one law clerk, two paralegals, two

legal assistants and an Office Manager, all dedicated exclusively to the practice of municipal law. We only represent municipalities, not citizens, developers or other entities that might appear before municipalities or might contest actions taken by municipalities.

Our practice is somewhat unique in the State of Wisconsin. While many law firms engage in the practice of municipal law, very few do so exclusively. Of the ones that do so exclusively, we are significantly larger and, therefore, have been fortunate to serve clients statewide. We believe our model provides us with a wide perspective on the issues faced by municipalities. That perspective allows for an exceptional ability to quickly understand the legal issues that you may face along with the ability to quickly offer solutions that have worked to solve such issues, and the experience to implement those solutions on your behalf. Thank you for considering our proposal.

As a general rule, we do not represent citizen groups in matters involving municipal matters. As an absolute rule, we never represent developers.

Our firm is currently rated AV by Martindale-Hubbell. Our firm has been named as a national First Tier "Best Law Firm" by *U.S. News & World Report*, Land Use and Zoning for multiple years in a row and a First Tier "Best Law Firm Milwaukee Metropolitan Region" for Administrative/Regulatory Law, Land Use and Zoning Law, and Municipal Law for multiple years in a row. Our lawyers have been recognized as "Super Lawyers" each year for more than a decade, and as "Best Lawyer in America," and as "Leaders in the Law" among other peer reviewed awards.

In addition to our fifteen attorneys, we have paralegal and support staff, plus research capability from para-professionals that work for us from time to time. We strongly believe in working as a team with the local municipal administrators, clerks, treasurers, planners, building inspectors, assessors, engineers and financial consultants, etc.
